Senate Bill 1 Road Maintenance and Rehabilitation Account

In April 2017, Governor of California Jerry Brown signed Senate Bill 1, the Road Repair and Accountability Act of 2017 (SB1), which through tax and fee increases, will raise over \$5 billion annually in new transportation revenues for the State of California.

\$1.5 billion of the total annual SB1 revenue is earmarked for local streets and roads maintenance and rehabilitation in the Road Maintenance and Rehabilitation Account (RMRA). California's counties and cities receive an annual share from RMRA. In Fiscal Year 2017-18, the City and County of San Francisco received \$7.7 million, which went towards funding three (3) pavement projects.

On January 28, 2018, California State Association of Counties (CSAC) released San Francisco's Fiscal Year 2018-19 county and city share. Now that SB1 is fully implemented, San Francisco is estimated to receive \$22,466,461 in Fiscal Year 2018-19. In order to receive the RMRA funds, San Francisco must identify and approve which projects will receive RMRA funds. San Francisco Public Works' Street Resurfacing program has identified six (6) projects to receive RMRA funding next fiscal year:

- Various Locations Pavement Renovation No. 37
- Various Locations Pavement Renovation No. 35 and Sewer Replacement
- Various Locations Pavement Renovation No. 36 and Sewer Replacement
- Various Locations Pavement Renovation No. 38 and Sewer Replacement
- Various Locations Pavement Renovation No. 40
- Various Locations Pavement Renovation No. 41
