

[Planning Code, Zoning Map - 600 Townsend Street West Special Use District]

Ordinance amending the Planning Code and Zoning Map to establish the 600 Townsend Street West Special Use District, encompassing the real property consisting of Assessor's Parcel Block No. 3783, Lot No. 008, to allow the legalization of the longstanding office uses at the site by principally permitting office uses on all floors and waiving or reducing bicycle parking, open space, streetscape, and impact fee requirements; affirming the Planning Department's determination under the California Environmental Quality Act; and making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1, and findings of public necessity, convenience, and welfare under Planning Code, Section 302.

Section 1. Land Use and Environmental Findings.

(a) The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 250125 and is incorporated herein by reference. The Board affirms this determination.

1 (b) On _____, the Planning Commission, in Resolution No. _____,
2 adopted findings that the actions contemplated in this ordinance are consistent, on balance,
3 with the City's General Plan and eight priority policies of Planning Code Section 101.1. The
4 Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of
5 the Board of Supervisors in File No. _____, and is incorporated herein by reference.

6 (c) Pursuant to Planning Code Section 302, the Board of Supervisors finds that the
7 actions contemplated in this ordinance will serve the public necessity, convenience, and
8 welfare for the reasons set forth in Planning Commission Resolution No. _____, and adopts
9 such reasons by this reference thereto. A copy of said Resolution is on file with the Clerk of
10 the Board of Supervisors in File No. _____, and is incorporated herein by reference.
11

12 Section 2. Background and General Findings.

13 (a) 600 Townsend Street West (Assessor's Parcel Block No. 3783, Lot No. 008) and
14 600 Townsend Street East (Assessor's Parcel Block No. 3783, Lot No. 007) are located on
15 adjacent lots. 600 Townsend Street West is five stories plus a basement; 600 Townsend
16 Street East is four stories plus a basement. An arcade and pedestrian bridge connect the two
17 buildings. As originally constructed, the two buildings contained Production, Distribution, and
18 Repair Uses.

19 (b) The building at 600 Townsend Street East was determined to have legally
20 converted to office use in the 1980s. However, the building at 600 Townsend Street West
21 converted to Office Use in the 1990s without required authorizations. Since the 1990s, the
22 Department of Building Inspection has issued numerous building permits for tenant
23 improvements of the office space at both buildings.

24 (c) In 2008, both 600 Townsend Street West and 600 Townsend Street East were
25 rezoned to the Urban Mixed Use (UMU) District as part of the Eastern Neighborhoods Area

1 Plan. Office Uses in the UMU District are subject to controls that restrict the amount of office
2 space in a building relative to the number of building stories. For buildings five to seven
3 stories in height (including the building at 600 Townsend Street West), Office Uses are limited
4 to two floors and not permitted on the ground floor.

5 (d) On November 7, 2019, the Zoning Administrator issued a Letter of Determination
6 finding that 600 Townsend Street East contained both legal conforming and legal non-
7 conforming Office Use. However, the Office Use at 600 Townsend Street West was never
8 legally established under the Planning Code. Consequently, 600 Townsend Street East can
9 operate office uses on all floors of the building, while Office Use at 600 Townsend Street West
10 may only be authorized for two floors and is not permitted on the ground floor.

11 (e) Given 600 Townsend Street West's longstanding operation as an office building, its
12 permitting history, and its close operational relationship with 600 Townsend Street East,
13 legalizing all five floors of office space at 600 Townsend Street West would serve the public
14 interest. To achieve that end, this ordinance creates the 600 Townsend Street West Special
15 Use District ("SUD"), which makes Office Use principally permitted on all floors of the building.
16 The SUD also reduces the usable open space requirement for non-residential uses at the site
17 and waives Class 2 bicycle parking requirements and streetscape and pedestrian
18 improvements.

19 (f) The SUD also reduces development impact fees to the levels that would have been
20 required in 2012 under the Eastern Neighborhoods Legitimization Program (Planning Code
21 Section 179.1), adjusted for inflation per the Consumer Price Index for All Urban Consumers.
22 The Eastern Neighborhoods Legitimization Program was a time-limited program that enabled
23 existing uses operating without the benefit of a required permit to obtain those permits, and
24 fixed certain impact fee rates at those amounts applicable immediately prior to the Eastern
25 Neighborhoods rezoning. Though the Program expired in 2012, applying these fee rates (in

1 Planning Code Section 179.1), adjusted for inflation, is consistent with the treatment of other
2 legitimized Office Uses in the Eastern Neighborhoods Area Plan.

3 (g) Additionally, in 2023, the City enacted Ordinance No. 20-23 (Planning Code
4 Section 403), which provides a time-limited 33% reduction of impact fees for projects that
5 meet prescribed milestones. The SUD applies the 33% reduction to the adjusted 2012
6 Eastern Neighborhood Legitimization Program rates, and provides that no further reductions
7 or offsets are available under the Planning Code.

8
