Re: Liquor License “PCN” Request
Type 21 – 678399

To the Clerk of the Board,

The purpose of this letter is to respectfully request to be placed on the Board’s Public Safety and Neighborhood Services Committee calendar for Public Convenience and Necessity review in connection with our Type 21 Off-Sale General license.

Our business, Del Rio Produce Market, is a neighborhood specialty market located at 2214 Clement Street in San Francisco. We offer a wide variety of grocery items including fresh produce, pantry goods, and beverages, with a focus on affordability and accessibility for the surrounding community.

The Clement Street corridor is a well-established commercial area, however there are limited markets in the immediate vicinity that provide a broad selection of quality grocery items at competitive price points or offer international products from South America, Europe, Russia, India, the Mediterranean and Nepal. Our goal is to serve as a reliable, community-oriented market that meets the everyday needs of local multicultural residents.

We are seeking to add beer, wine, and spirits as a complementary component of our existing grocery operation in order to better serve our customers. Alcohol sales will be clearly secondary to the primary grocery use, with approximately 5–10% of the floor area dedicated to alcohol display. Wine will be offered in a central shelving area, beer will be maintained in refrigerated coolers, and spirits will be kept behind the counter under employee control.

The premises will operate daily from 7:00 a.m. to 9:00 p.m. and will be maintained as a clean, well-managed retail environment. The addition of alcohol is intended to provide convenience for customers completing their regular grocery shopping, rather than to create a destination for alcohol-only purchases.

While the area may be considered overconcentrated, this application differs from typical off-sale establishments in that the business is a full-service neighborhood market with alcohol as an incidental offering. Approval of this license will enhance the availability of essential goods and services in the neighborhood and provide a meaningful convenience to local residents.

We respectfully request a hearing date to consider our application.

Please include our ABC representative, Jemma Jorel Lester, on correspondence scheduling our hearing date. She can be reached via email at jemma@properpourco.com.

Sincerely,
