SEC. 10G.1. SURCHARGE IMPOSED; CATEGORIES OF PERMITS AND FEES.

In order to recover the cost to the City and County for the Board of Appeals permit review functions, at the time a fee for permit application, issuance, or review is collected, and at the time an annual fee for renewal of the permit or license associated with the permit is collected, a surcharge in the amount specified shall be charged and collected for the following categories of permits and fees.

- (a) Surcharges on fees imposed by the Department of City Planning pursuant to Planning Code Section 350 for review of actions and permits that may be appealed to the Board of Appeals are identified in Section 4 of Ordinance No. 149-16, referenced in Planning Code Section 350(d). Notwithstanding the dollar amount stated in Ordinance No. 149-16 for these surcharges, all Board of Appeals surcharges identified in Ordinance No. 149-16 shall be \$4437;
- (b) For permits issued pursuant to San Francisco Building Code Section 110A: Tables 1A-A; 1A-F, Item 3; 1A-H; 1A-K, Item 8; or 1A-Q, Item 5; that may be appealed to the Board of Appeals pursuant to Charter Section 4.106, a surcharge of \$4437;

SEC. 10G.2. ANNUAL ADJUSTMENT OF SURCHARGE RATE.

- (a) Beginning with fiscal year $20\underline{2504}$ - $20\underline{2605}$, the Controller shall each year adjust the surcharges set in <u>Section 10G.1</u> <u>this Chapter 10G</u> without further action by the Board of Supervisors to reflect changes in the relevant Consumer Price Index, <u>and to produce revenues</u> <u>sufficient to support the costs of providing the services for which the surcharges are assessed, but which will not produce revenue which is significantly more than the cost of providing services for which the surcharges are assessed.</u>
- (b) Not later than January 31 of each year, the Board of Appeals shall submit to the Controller data showing the allocation by department of origin for permits heard by the Board of Appeals during the previous fiscal year, as well as any other information that the Controller determines appropriate to the performance of the Controller's duties set forth in this Section 10G.2.

The Controller who shall apply the price index adjustment, and if necessary, adjust the surcharges upward or downward for the upcoming fiscal year as appropriate to ensure that costs of providing the services are recovered without producing revenue which is significantly more than such costs, to produce a new fee schedule for the following fiscal year. In no event may the price index adjustment authorized by this Section cause the

1 surcharge authorized by this Chapter to exceed the department's allocable share of Board of 2 Appeals costs. 3 (d) No later than May 15th of each year, the Controller shall file a report with the *Board of Supervisors reporting the new surcharges and certifying adjust the surcharge to ensure* that: 4 (1) each surcharge produces sufficient revenue to support each fee category's allocable share 5 6 of Board of Appeals costs, and (2) each surcharge does not produce revenue which is 7 projected to materially exceed each fee category's allocable share of Board of Appeals costs. 8 If the Controller determines that the surcharge and applicable price index adjustment will either (1) not 9 adequately cover, or (2) exceed the projected cost of Board of Appeals review subject to the surcharge, the affected department shall file legislation that would adjust the surcharge for the affected 10 department(s) to the appropriate level. The adjusted surcharges shall become operative on July 1 of 11 12 each year. 13 Section 3. The Planning Department Fee Schedule, referenced in Section 4 of 14 15 Ordinance No. 149-16, shall be modified to reflect the Board of Appeals surcharge of \$44 16 established in Administrative Code Section 10G.1(a). 17 18 Section 4. LEGISLATIVE DIGEST

[Administrative Code - Board of Appeals Surcharges on Fees]

Ordinance amending the Administrative Code to adjust surcharges on fees imposed under Planning Code, Section 350, and Building Code, Section 110A, for actions that may be appealed to the Board of Appeals; authorizing the Controller to make future adjustments to ensure that the costs of the Board of Appeals' services are recovered without producing revenue which is significantly more than such costs; and affirming the Planning Department's determination under the California Environmental Quality Act.

Existing Law

Existing law imposes a surcharge on permit and license review and renewal fees for permits and licenses issued or approved by various City authorities based on each department's allocable share of Board of Appeals costs. The surcharges currently reflected in the Administrative Code have been adjusted annually to reflect changes in the Consumer Price Index pursuant to Section 10G.2 of the Administrative Code.

Amendments to Current Law

These amendments would adjust the surcharges on fees imposed under Planning Code Section 350 and San Francisco Building Code Section 110A to \$44.00, based on each department's history of appeals filed with the Board of Appeals and consistent with the fiscal year 2024-2025 budget for the Board of Appeals. In addition, the proposed ordinance amends Section 10G.2 to allow for future adjustments to the surcharges, as determined by the Controller, to produce revenues sufficient to support the costs of providing the services without producing revenue which is significantly more than such costs, in addition to adjustments to the surcharges based on changes to the Consumer Price Index.

Background Information

This legislation is designed to reduce the dependency of the Board of Appeals on funding from the City's General Fund by adjusting surcharges in an equitable manner to generate sufficient revenue, together with Board of Appeals filing fees, to meet the operating expenses, including employee wage rates and fringe benefits, attributable to administering the administrative appeals process at the Board of Appeals. It would also allow the Controller to make future adjustments based upon the costs of the Board of Appeal's services, in addition to adjustments based on changes to the Consumer Price Index.

Administrative Code - Board of Appeals Surcharges on Fees

Ordinance amending the Administrative Code to adjust surcharges on fees imposed under Planning Code Section 350 and San Francisco Building Code Section 110A for actions that may be appealed to the Board of Appeals; authorizing the Controller to make future adjustments to ensure that the costs of the Board of Appeals' services are recovered without producing revenue which is significantly more than such costs; and affirming the Planning Department's determination under the California Environmental Quality Act.
