[Issuance and Sale of Revenue Obligations - California Enterprise Development Authority -
Mission Economic Development Agency - Not to Exceed \$5,000,000]

Resolution approving for purposes of Internal Revenue Code of 1986, as amended, Section 147(f) of the Issuance and Sale of Revenue Obligations by the California Enterprise Development Authority in an aggregate principal amount not to exceed \$5,000,000 to refinance the cost of acquisition, rehabilitation, improvement, installation and equipping of a portion of administrative facilities owned and operated by Mission Economic Development Agency, a California nonprofit public benefit corporation.

WHEREAS, California Enterprise Development Authority ("Authority") is authorized pursuant to the provisions of California Government Code, Section 6500 et seq., and the terms of a Joint Exercise of Powers Agreement, dated as of June 1, 2006, among certain public agencies throughout the State of California, to issue revenue bonds and other forms of indebtedness to assist nonprofit corporations to obtain tax-exempt financing for appropriate projects and purposes; and

WHEREAS, Mission Resource Center, LLC, a California limited liability company ("Borrower") whose sole member is Mission Economic Development Agency ("MEDA"), a California nonprofit public benefit corporation and an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended ("Code"), has requested that the Authority issue revenue obligations in an aggregate principal amount not to exceed \$5,000,000 ("Obligations") to: (a) refinance the cost of the acquisition, rehabilitation, improvement, installation and equipping of a portion of the real property and improvements located at 2301 Mission Street, San Francisco, California 94110, consisting of an approximately 21,000 square foot, multi-story building ("Facilities"), owned by the Borrower and operated by

1	MEDA as its administrative offices, and (b) pay certain costs of issuance of the Obligations;
2	and
3	WHEREAS, The Facilities are located within the boundaries of the City and County of
4	San Francisco ("City"), which is an associate member of the Authority; and
5	WHEREAS, Pursuant to Section 147(f) of the Code, and the Treasury Regulations
6	promulgated thereunder, the issuance of the Obligations by the Authority may qualify for tax
7	exemption under Section 103 of the Code only if the Obligations are approved by an
8	"applicable elected representative" of both the governmental unit issuing the Obligations or on
9	behalf of which the Obligations are to be issued, and a governmental unit having jurisdiction
10	over the geographic area in which the Facilities are located, after a public hearing held
11	following reasonable public notice; and
12	WHEREAS, The issuance and delivery of the Obligations shall be subject to the
13	approval of and execution by the Authority; and
14	WHEREAS, The Authority has requested the Board of Supervisors of the City and
15	County of San Francisco ("Board") to approve the issuance and sale of the Obligations in
16	order to satisfy the requirements of Section 147(f) of the Code, and the Treasury Regulations
17	promulgated thereunder, the Board being an applicable elected representative having
18	jurisdiction over the geographic area in which the Facilities are located within the meaning of
19	Section 147(f) of the Code, and the Treasury Regulations promulgated thereunder; and
20	WHEREAS, On October 7, 2025, the City caused a notice to appear on its website
21	stating that a public hearing with respect to the issuance of the Obligations would be held by
22	the Office of Public Finance on October 14, 2025; and
23	WHEREAS, The Office of Public Finance of the City has held the public hearing
24	described above on October 14, 2025, and an opportunity was provided for persons to

comment on the issuance and sale of the Obligations and the plan of refinancing of the	ıe
Facilities; and	

WHEREAS, The Obligations will be limited obligations of the Authority, payable solely from and secured solely by amounts received from or on behalf of the Borrower, and will not constitute an indebtedness or obligation, or a pledge of the faith and credit of, the City or the Authority, except to the limited extent described herein; and

WHEREAS, It is intended that this Resolution shall constitute approval of the issuance of the Obligations for purposes of Section 147(f) of the Code, and the Treasury Regulations promulgated thereunder; now, therefore, be it

RESOLVED, That this Board finds that all of the recitals set forth above are true and correct; and, be it

FURTHER RESOLVED, That the Board, as an applicable elected representative of the governmental unit on behalf of which the Obligations will be issued and having jurisdiction over the geographic area in which the Facilities are or will be located, hereby approves the issuance of the Obligations by the Authority. It is the purpose and intent of the Board that this Resolution constitute both "issuer" approval and "host" approval of the issuance of the Obligations by the City for purposes of Section 147(f) of the Code, and the Treasury Regulations promulgated thereunder; and, be it

FURTHER RESOLVED, That the Obligations shall not constitute a debt or obligation in any respect of the City, and the payment of the principal, prepayment premium, if any, and interest on the Bonds shall be solely the responsibility of the Borrower and MEDA; and, be it

FURTHER RESOLVED, That the approval by the Board of the issuance and sale of the Obligations is neither an approval of the underlying credit issues of the Facilities nor an approval of the financial structure of the Obligations, and that the adoption of this Resolution shall not obligate (i) the City to provide refinancing to the Borrower for the acquisition,

1	construction, installation, rehabilitation, equipping and/or furnishing of the Facilities, or to issue
2	the Obligations for purposes of such financing or (ii) the City, or any department of the City, to
3	approve any application or request for, or take any other action in connection with any
4	environmental, General Plan, zoning or any other permit or other action necessary for the
5	acquisition, construction, installation, rehabilitation, equipping and/or furnishing of the
6	Facilities; and, be it
7	FURTHER RESOLVED, That the Controller and the Director of the Office of Public
8	Finance and any other proper officers of the City are hereby authorized and directed to
9	execute such other agreements, documents and certificates, and to perform such other acts
10	as may be necessary or advisable to effect the purposes of this Resolution; and, be it
11	FURTHER RESOLVED, That this Resolution shall take effect upon its enactment;
12	enactment occurs when the Mayor signs the resolution, the Mayor returns the resolution
13	unsigned or does not sign the resolution within ten days of receiving it, or the Board of
14	Supervisors overrides the Mayor's veto of the resolution.

Supervisor Jackie Fielder City Hall, Room 244 City and County of San Francisco Board of Supervisors 1 Dr. Carlton B. Goodlett Place San Francisco, CA 94102

#### Dear Supervisor Fielder:

Thank you for agreeing to introduce the Board of Supervisors resolution approving, for the purposes of the Internal Revenue Code, the issuance of tax-exempt obligations (the "Obligations") by the California Enterprise Development Authority (the "Issuer") on behalf of Mission Resource Center, LLC, a California limited liability company (the "Borrower"). The sole member of the Borrower is the Mission Economic Development Agency ("MEDA"), located in District 9. I respectfully request the introduction of the resolution at the meeting of the Board of Supervisors on Tuesday, October 21, 2025.

Pursuant to the Tax Equity and Fiscal Responsibility Act (TEFRA), to facilitate the tax exemption of interest on the Obligations, the City is required to conduct a public hearing and to approve the financing by the Issuer. The Office of Public Finance held such a hearing on Tuesday, October 14, 2025, notice of which was published on the Controller's Office of Public Finance Public Notices page on October 7, 2025. No public comments were heard or received through the public hearing process. The action by the Board will acknowledge that the hearing was duly held and that the financing is proceeding. The Obligations will be issued in an aggregate principal amount not to exceed \$5 million.

#### The Organization

Founded in 1973, MEDA is a community economic development corporation located in San Francisco's Mission District. MEDA helps families open and improve small businesses, purchase homes and prevent foreclosures, build credit and savings while reducing debt, access technology and find sustaining jobs. MEDA works to improve economic and social conditions for San Francisco's low- and moderate-income residents, with primarily Latino families as MEDA's constituents. MEDA is a tax-exempt charitable organization whose chief mission is achieving economic justice for San Francisco's working-class Latino families by encouraging and supporting individuals and families to develop, accumulate and manage personal, social and material assets.

#### The Project

Mission Resource Center, LLC is seeking up to \$5 million in a tax-exempt loan (the "Obligations") from River City Bank (the "Lender") to (i) refinance the balance of the existing 2015 loan that funded the cost of acquisition, rehabilitation, improvement, installation and equipping of the real property and improvements located at 2301 Mission Street, San Francisco, California 94110, consisting of an approximately 21,000 square foot, multi-story commercial building (the "Facilities"), and (ii) pay certain costs of issuance in connection with the Obligations. The Facilities will be owned by the Borrower and leased to and operated by MEDA, a nonprofit

public benefit corporation, duly organized and existing under the laws of the State of California and an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code").

#### **Financing Information**

Assuming all required approvals are obtained, the Issuer expects to issue the Obligations in an amount not to exceed \$5 million for the purpose described above. Bond Counsel on the transaction is Kutak Rock LLP.

#### **Public Approval Process**

The City and County of San Francisco is a participating member of the Issuer, a joint powers authority. The Issuer is authorized to issue bonds, notes, certificates of participation, or other forms of indebtedness, including refunding previously issued debt.

As noted above, federal tax law requires that the governing body of the jurisdiction in which the project is located approve the financing and the project after providing the opportunity for a duly-noticed public hearing before the Obligations may be issued on a tax-exempt basis. Your assistance with this matter is greatly appreciated. While the Office of Public Finance has reviewed the proposed TEFRA notice and resolution, the Office of Public Finance has performed only a limited high-level review of the proposed financing as no City resources are pledged or will be available for the repayment of the Obligations. Please contact me at (628) 652-9652, if you have any questions or require additional information. Thank you.

Sincerely,

Keith Sevigny Keith Sevigny
