New Amendment Modification

3. **Goal Statement**

The goal, in collaboration with the San Francisco Department of Public Health, is to provide Fiscal and Human Resource Management services in support of the San Francisco Homeless Outreach Team (SFHOT) program.

4. **Target Population**

Target population is the San Francisco Department of Public Health's San Francisco Homeless Outreach Team (SF HOUT) program. This multidisciplinary team serves individuals living on the street who are severely disabled. Staff members consist of employees of the Department of Public Health, the Human Services Agency, and community-based organization staff (PHFE). SFHOT uses a client-centered "whatever it takes" approach, and employs comprehensive wrap-around services to meet client needs. The program promotes harm reduction and strength-based recovery philosophies through its daily functioning, and utilizes acuity-based, data-driven, and outcomes-oriented processes to meet its goals. The program also assesses medical and behavioral crises, and refers clients to emergency care as appropriate.

SFHOT provides the following lines of service:

Stabilization Case Management

This service line provides short-term stabilization care management for 480 high risk homeless individuals (homeless more than three years, experiencing complex medical, psychiatric, and substance abuse tri-morbidity, using a high number of urgent/emergent care services, and not able to navigate health and human services system on their own). Case Management accepts referrals from SFHOT Street Outreach and high user treatment programs. Within six to twelve months, the goals are to: (1) Stabilize individuals from the street into shelter/SRO, (2) Remove personal barriers to attaining permanent housing; e.g., attain benefits, primary care linkage, behavioral health care linkage, IDs, legal aid, etc., (3) Secure and place into permanent housing, (4) Assess and serve as care coordinators for SF Health Network members who are high risk / high cost individuals and are unable to engage into the system.

Street Outreach Team

This service line provides outreach, engagement and warm-handoffs from the street to (or between) urgent/ emergent institutions. The Engagement Specialist Team (EST) operate 24/7 and responds to requests from 311, Care Coordinators, Police, Fire, and Urgent/Emergent facilities (hospitals, SF Sobering Center, Psych Emergency Services, and Dore Psych Urgent Care) for street outreach/intervention and therapeutic transports. The goals are to, within two hours, respond and determine if the individual can be cleared for transport and provide warm-handoff to and/or from urgent/emergent facilities. In addition, the EST provides targeted search and outreach of HUMS (High Users of Multiple Systems) and other high-risk homeless individuals as identified by 311 (citizens) and health care coordinators and once found, performs wellness checks and attempts to engage individuals into services and other resources as identified by community care plans.

Medical Team

The medical team uses the model "Homeless to Primary Care Medical Home" and provides transitional primary health care to address barriers to primary care in the appropriate setting for each patient. Barriers that will be addressed may be related to patient issues such as: medical, mental health and substance use disorders; lack of benefits; competing priorities such as lack of food, shelter, or clothing. Barriers may also be related to systems issues such as: Enrollment and insurance requirements that are difficult for homeless individuals to obtain, inconvenient hours or locations of services; discrimination against homeless individuals in services; or services that have not created adaptations and accommodations for the needs of homeless people.

San Francisco Public Library Team

This service line is situated at the Civic Center Main Branch with staff who conduct outreach and offers referrals to homeless, marginally housed and/or mentally ill patrons of the library. Staff also facilitate education sessions in group or individual settings for

library staff, in order to improve understanding of behaviorally vulnerable patrons of the library. Staff's goal is to help library staff serve this group of patrons according to their needs, while helping to decrease the number and severity of incidents that require intervention from Library security staff. Staff also train Health and Safety Associates (HaSAs) who are selected from a group of homeless library patrons being served by SF HOT's case management function. These HaSAs assist the team by using their life experiences and learned engagement skills to reach out to other homeless patrons, in order to persuade them to accept case management and other services. In the process, HaSAs gain employment and job-seeking skills.

Section 17935(e) and 45 C.F.R. 164.524.

j. Amendment of Protected Information. Within ten (10) days of a request by CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, BA and its agents and subcontractors shall make such Protected Information available to CE for amendment and incorporate any such amendment or other documentation to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.526. If an individual requests an amendment of Protected Information directly from BA or its agents or subcontractors, BA must notify CE in writing within five (5) days of the request and of any approval or denial of amendment of Protected Information maintained by BA or its agents or subcontractors [45 C.F.R. Section 164.504(e)(2)(ii)(F)].

k. Governmental Access to Records. BA shall make its internal practices, books and records relating to the use and disclosure of Protected Information available to CE and to the Secretary of the U.S. Department of Health and Human Services (the "Secretary") for purposes of determining BA's compliance with HIPAA [45 C.F.R. Section 164.504(e)(2)(ii)(I)]. BA shall provide CE a copy of any Protected Information and other documents and records that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.

l. Minimum Necessary. BA, its agents and subcontractors shall request, use and disclose only the minimum amount of Protected Information necessary to accomplish the intended purpose of such use, disclosure, or request. [42 U.S.C. Section 17935(b); 45 C.F.R. Section 164.514(d)]. BA understands and agrees that the definition of "minimum necessary" is in flux and shall keep itself informed of guidance issued by the Secretary with respect to what constitutes "minimum necessary" to accomplish the intended purpose in accordance with HIPAA and HIPAA Regulations.

San Francisco Department of Public Health
Business Associate Agreement

m. Data Ownership. BA acknowledges that BA has no ownership rights with respect to the Protected Information.

n. Notification of Breach. BA shall notify CE within 5 calendar days of any breach of Protected Information; any use or disclosure of Protected Information not permitted by the Agreement; any Security Incident (except as otherwise provided below) related to Protected Information, and any use or disclosure of data in violation of any applicable federal or state laws by BA or its agents or subcontractors. The notification shall include, to the extent possible, the identification of each individual whose unsecured Protected Information has been, or is reasonably believed by the BA to have been, accessed, acquired, used, or disclosed, as well as any other available information that CE is required to include in notification to the individual, the media, the Secretary, and any other entity under the Breach Notification Rule and any other applicable state or federal laws, including, but not limited to, 45 C.F.R. Section 164.404 through 45 C.F.R. Section 164.408, at the time of the notification required by this paragraph or promptly thereafter as information becomes available. BA shall take (i) prompt corrective action to cure any deficiencies and (ii) any action pertaining to unauthorized uses or disclosures required by applicable federal and state laws. [42 U.S.C. Section 17921; 42 U.S.C. Section 17932; 45 C.F.R. 164.410; 45 C.F.R. Section 164.504(e)(2)(ii)(C); 45 C.F.R. Section 164.308(b)]

o. Breach Pattern or Practice by Business Associate's Subcontractors and Agents. Pursuant to 42 U.S.C. Section 17934(b) and 45 C.F.R. Section 164.504(e)(1)(iii), if the BA knows of a pattern of activity or practice of a subcontractor or agent that constitutes a material breach or violation of the subcontractor or agent's obligations under the Contract or this Agreement, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the contractual arrangement with its subcontractor or agent, if feasible. BA shall provide written notice to CE of any pattern of activity or practice of a subcontractor or agent that BA believes constitutes a material breach or violation of the subcontractor or agent's obligations under the Contract or this Agreement within five (5) calendar days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

3. Termination.

a. Material Breach. A breach by BA of any provision of this Agreement, as determined by CE, shall constitute a material breach of the Contract and this Agreement and shall provide grounds for immediate termination of the Contract and this Agreement, any provision in the CONTRACT to the contrary notwithstanding. [45 C.F.R. Section 164.504(e)(2)(iii)].

b. Judicial or Administrative Proceedings. CE may terminate the Contract and this Agreement, effective immediately, if (i) BA is named as defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws

San Francisco Department of Public Health

Business Associate Agreement

or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.

c. Effect of Termination. Upon termination of the Contract and this Agreement for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA and its agents and subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections and satisfy the obligations of Section 2 of this Agreement to such information, and limit further use and disclosure of such PHI to those purposes that make the return or destruction of the information infeasible [45 C.F.R. Section 164.504(e)(2)(ii)(J)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed in accordance with the Secretary's guidance regarding proper destruction of PHI.

d. Civil and Criminal Penalties. BA understands and agrees that it is subject to civil or criminal penalties applicable to BA for unauthorized use, access or disclosure or Protected Information in accordance with the HIPAA Regulations and the HITECH Act including, but not limited to, 42 U.S.C. 17934 (c).

e. Disclaimer. CE makes no warranty or representation that compliance by BA with this Agreement, HIPAA, the HITECH Act, or the HIPAA Regulations or corresponding California law provisions will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

4. Amendment to Comply with Law.

The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Contract or this Agreement may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations and other applicable state or federal laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this Agreement embodying written assurances consistent with the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations or other applicable state or federal laws. CE may terminate the Contract upon thirty (30) days written notice in the event (i) BA does not promptly enter into negotiations to amend the Contract or this Agreement when requested by CE pursuant to this section or (ii) BA does not enter into an amendment to the Contract or this Agreement providing assurances

regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

5. Reimbursement for Fines or Penalties.

In the event that CE pays a fine to a state or federal regulatory agency, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible use or disclosure of PHI by BA or its subcontractors or agents, then BA shall reimburse CE in the amount of such fine or penalties or damages within thirty (30) calendar days.
