I am a formerly homeless Latinx teen and mother. I grew up in San Francisco. I live in BMR housing, but before that I was homeless from fifteen as an unaccompanied minor to twenty-one years old as a mother. I lived on the streets, between friend shouses, and then at Star Community Home the Benioff funded shelter in 2011/12 with my oldest daughter. I used local community resources and services to get to where I am today. My family (my two daughters and I) are products of what positive investments in the community can make. I feel an overwhelming sense of responsibility to be on this committee. I want to ensure the needs of San Franciscans are met with these funds. Such as, but not limited to: housing creation through acquiring property, substantial investments in homeless families and senior/disabled single adults, DV survivors, reentry services, mental health services, hygiene services, and outreach and support for homeless or precariously housed youth.

Business and/or professional experience:
I recently graduated from Haas at UC Berkeley after working as a Peer Organizer at the Coalition on Homelessness to becoming a Shelter Client Advocate under Eviction Defense Collaborative. I have worked closely with City and County of San Francisco government and employees, community organizations, shelter staff and clients, the homeless community, and SFHA.
