More specifically, Title II of the ADA requires that all programs offered through the state and local government such as the City and County of San Francisco must be accessible and usable to people with disabilities. The ADA and City policy require that people with disabilities have equal access to all City services, activities, and benefits. People with disabilities must have an equal opportunity to participate in the programs and services offered through the City and County of San Francisco. If you believe your rights under the ADA are violated, contact the ADA Coordinator.

Board of Supervisors' Rules of Order 1.3.3 does not permit remote public comment by members of the public at meetings of the Board and its committees, except as legally required to enable people with disabilities to participate in such meetings. If you require remote access as a means of reasonable accommodation under ADA, please contact the Clerk's Office to request remote access, including a description of the functional limitation(s) that precludes your ability to attend in person. Requests made at least 48 hours in advance of the meeting will help to ensure availability. For further assistance, please contact Wilson Ng at (415) 554-5184 wilson.l.ng@sfgov.org
