Remote Access to Information and Participation

In accordance with this Local Health Emergency, the "Declaration of Local Health Emergency Regarding Novel Coronavirus Disease 2019 (COVID-19)," and the Citywide Health Order issued by the Department of Public Health, "Order by the Health Officer (No. C19-02)," aggressive recommendations have been issued to slow down or reduce the spread of the COVID-19 virus. People are especially encouraged to participate remotely by submitting comments rather than attending in person, to protect the vulnerable populations. If you must appear in person, systemic and individual changes are expected and required in the Board's Legislative Chamber and Committee Room, such as accommodating arm's length distancing between persons.

Please visit the Board's website (www.sfbos.org) to obtain current information on submitting comments and participating in the legislative process remotely. As the COVID-19 disease progresses, please visit the Board's website regularly to be updated on the current situation as it affects the legislative process and the Board of Supervisors.

The full Board does not hold a second public hearing on measures which have been heard in committee.

Each member of the public will be allotted the same maximum number of minutes to speak as set by the President or Chair at the beginning of each item or public comment, excluding City representatives, except that public speakers using interpretation assistance will be allowed to testify for twice the amount of the public testimony time limit. If simultaneous interpretation services are used, speakers will be governed by the public testimony time limit applied to speakers not requesting interpretation assistance. Members of the public who want a document placed on the overhead for display should clearly state such and subsequently remove the document when they want the screen to return to live coverage of the meeting.
