The Board of Supervisors is the Legislative Body of the City and County of San Francisco. The Board considers ordinances and resolutions, most of which have been the subject of hearings before the standing committees of the board at which members of the public are urged to testify. ### Know Your Rights Under the Sunshine Ordinance

Government's duty is to serve the public, reaching its decision in full view of the public. Commissions, boards, councils and other agencies of the City and County exist to conduct the people's business. This ordinance assures that deliberations are conducted before the people and that City operations are open to the people's review.
