## Application for Boards / Commissions / Committees / Task Forces INSTRUCTIONS AND APPLICATION

San Francisco is a diverse City and County with a wide range of people and issues affecting it. In order to take advantage of the extensive experience and knowledge available throughout our communities, various Boards/Commissions/Committees/Task Forces have been established to bring that knowledge together. These groups and their membership requirements are established by legislation approved through the local, state, and/or federal government.

In addition to setting up the purpose and goals of the various groups, the governing legislation outlines the type of person - in terms of desirable skills and/or knowledge - who can contribute their knowledge and perspective. In this manner, a group of San Franciscans, who are representative of the City and County, can be active participants in addressing issues affecting the entire City and County.

If you are interested in serving the City and County of San Francisco, the following procedures are provided:

1. A list of vacancies and expected vacancies, with their qualifications, can be found at the Office of the Clerk of the Board of Supervisors, at the San Francisco Main Public Library, and online on the Board of Supervisors' website (<http://www.sfbos.org/vacancy>). Please review this list for positions of interest.
2. Submit an application ([http://www.sfbos.org/vacancy\\_application](http://www.sfbos.org/vacancy_application))  
*(List all of the appropriate seat number(s) and/or category/categories for which you qualify. We request applications be received ten (10) days before the scheduled hearing.)*

Applicants may also need to submit a Form 700, Statement of Economic Interests (<https://www.fppc.ca.gov/Form700.html>), along with their application for all bodies listed in [Campaign and Governmental Conduct Code, Section 3.1-103\(a\)\(1\)](#).

3. If the seat(s) you are applying for is vacant and requires the Board of Supervisors' confirmation, the Rules Committee may schedule your application for review. Applicants should expect to appear before the Rules Committee to speak on their qualifications and answer questions during a public hearing.  
*(There are no set instructions on what you are expected to present to the Rules Committee; however, a brief description of how your qualifications distinguish you from other applicants, reasons for your interest in the subject, and/or a short summarization on why you would make a good candidate is appropriate.)*
4. The Rules Committee may or may not make a recommendation for appointment. If a recommendation is made by the Rules Committee, the recommendation is forwarded to the Board of Supervisors for approval. It generally takes approximately 15 days from the date the Rules Committee makes their recommendation, for the individual to become officially appointed.
5. Depending on the type of organization, a new appointee may need to take an Oath of Office.

If there are no vacancies, your application will be retained for one year. If any openings occur during this time, your application will be submitted to the Rules Committee for review.

If you have any further questions, please contact the Rules Committee Clerk at (415) 554-5184. If you require detailed information concerning the operations of a particular Board/Commission/Committee/Task Force, please contact the administering department directly.

(Applications must be submitted to [BOS-Appointments@sfgov.org](mailto:BOS-Appointments@sfgov.org) or to the mailing address listed above.)

I have served the City & County of San Francisco since 2003 as a public servant for the areas of budget, finance, accounting, audits and risk management for the Controller's Office; the Department of Child Support Services and currently - as Deputy Chief Financial Officer at the San Francisco Public Utilities Commission. Supporting these important departments helped me continue growth in my professional skill set, but more importantly - foster a passion for public service through performing work I thoroughly enjoy. I am a champion of efficiency, process, internal control and fiscal stewardship. As public servants, I feel it is our responsibility to be good fiscal stewards of the assets entrusted into our care. I also currently sit on the Controller's Office 1649 Accounting Intern Steering Committee - with an objective to open doors to all whom are interested in public accounting careers. I'm a native San Franciscan who attended K-12 public school, completed my studies at San Francisco State University and began my career in the private sector, in the SF Financial District. My spouse and I have two children, one in college and the youngest entering middle school - both to whom I emphasize the virtues of public and community service. I am committed to serving the City & County of San Francisco and am proud to be a public servant.
