MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

In November 2017, the Department of Public Health (DPH) issued a Request for Proposals (RFP) to select a vendor to provide psychiatric care to adults and/or older adults in a locked licensed facility, Skilled Nursing Facility, and/or Mental Health Rehabilitation Center within the Bay Area. DPH received two proposals and a six-member panel evaluated and scored them, as shown in Exhibit 1 below.¹

Exhibit 1: Proposals and Scores from RFP

Proposer	Proposal Score (out of 100)	Financial Management Capacity & Fiscal Integrity (out of 30)	Total Score (out of 130)
Helios Healthcare	76.92	26.00	102.92
Canyon Manor	70.83	26.00	96.83

Source: DPH

Helios Healthcare, LLC, which operates the Idylwood Care Center in Sunnyvale, was deemed the highest scoring responsive and responsible proposer and was awarded a contract. In May 2018, DPH executed a contract with Helios Healthcare for a term of three years, from July 2018 through June 2021, and an amount not to exceed \$8,400,000, with one option to extend the term by seven years through June 2028. In June 2021, DPH executed Amendment No. 1 to the contract, extending the term by six months through December 2021, and increasing the not-to-exceed amount by \$1,264,400, for a total not to exceed \$9,664,400.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve Amendment No. 2 to the contract between DPH and Helios Healthcare, extending the term by six years and six months through June 2028, and increasing the not-to-exceed amount by \$18,239,925, from \$9,664,400 to \$27,904,325. Other contract terms would not change. The resolution approving Amendment No. 2, beginning on January 1, 2022, was introduced on November 16, 2021, but will not be calendared at the Board of Supervisors until January 11, 2022.

Under the contract, Helios Healthcare operates Idylwood Care Center, a Skilled Nursing Facility in Sunnyvale, on behalf of DPH. Idylwood Care Center serves individuals who have a combination of medical and behavioral health issues. The facility primarily admits San Francisco residents

¹ The scoring panel consisted of a Director from Community Payee Partnership, a behavioral health private practitioner, a Program Manager from the Department of Aging and Adult Services, a Program Director from Baker Places, a Program Director from the Progress Foundation, and Transitions Placement Coordinator from DPH.

directly from acute psychiatric inpatient units or jail. All referrals must have been approved for a locked psychiatric Skilled Nursing Facility level of care. After conducting an initial assessment and treatment plan, Idylwood psychiatrists conduct monthly assessments on each patient to determine level of functioning, response to medication, and discharge potential.

Helios Healthcare's contract objective is to not return more than three San Francisco residents each month to Psychiatric Emergency Services (PES). According to Michelle Ruggels, DPH Business Office Director, Helios sends an average of 0.25 patients to PES each month.²

FISCAL IMPACT

The proposed Amendment No. 2 would increase the not-to-exceed amount of the contract by \$18,239,925, for a total not to exceed \$27,904,325. Actual and projected contract expenditures are shown in Exhibit 2 below.

Exhibit 2: Actual and Projected Contract Expenditures

Fiscal Year	Expenditures
FY 2018-19 (Actual)	\$2,493,515
FY 2019-20 (Actual)	2,462,764
FY 2020-21 (Actual)	2,564,446
<i>Subtotal, Actual Expenditures</i>	<i>\$7,520,725</i>
FY 2021-22 (Projected)	2,620,000
FY 2022-23 (Projected)	2,620,000
FY 2023-24 (Projected)	2,620,000
FY 2024-25 (Projected)	2,620,000
FY 2025-26 (Projected)	2,620,000
FY 2026-27 (Projected)	2,620,000
FY 2027-28 (Projected)	2,620,000
<i>Subtotal, Projected Expenditures</i>	<i>\$18,340,000</i>
<i>Subtotal, Actual & Projected Expenditures</i>	<i>\$25,860,725</i>
Contingency (12% from 1/1/22-6/30/28)	2,043,600
Total Not-to-Exceed	\$27,904,325

Source: DPH

According to Director Ruggels, the annual projected expenditures of \$2,620,000 are based on an average client population of 37 and an average daily billing rate of \$193.51 in FY 2020-21. Using this average client population, the average daily billing rate increases to \$206.14 in FY 2021-22.³ According to Director Ruggels, the 12 percent contingency would be used to cover rate increases if annual expenditures exceed \$2,620,000. The contract is funded by State Realignment funds.

RECOMMENDATION

Approve the resolution.

² This metric tracks patients who need psychiatric emergency care, rather than patients discharged from Idylwood.

³ The FY 2020-21 average daily rate of \$193.51 is the weighted average of 29 clients billed at \$140 per day (Neuro Behavioral Skill Nursing Facility Rate), five clients billed at \$383 per day (One to One Care with Two 8-Hour Shifts), and three clients billed at \$511 per day (One to One Care with Three 8-Hour Shifts). For FY 2021-22, these daily rates increase to \$140, \$396, and \$529, respectively. The client population and service levels fluctuate.

1.4 Deprovisioning Schedule.

Agency, through the Agency Site Administrator, has sole responsibility to deprovision Agency Data Users from the System(s) as appropriate on an ongoing basis. Agency must immediately deprovision an Agency Data User upon any event ending that Data User's need to access the System(s), including job duty change and/or termination. Agency remains liable for the conduct of Agency Data Users until deprovisioned. When deprovisioning employees via the SFDPH IT Service Desk, Agency must maintain evidence that the SFDPH IT Service Desk was notified.

1.5 Active Directory.

Agency Data Users will need an SFDPH Active Directory account in order to access each System(s). These Active Directory Accounts will be created as part of the provisioning process.

1.6 Role Based Access.

Each Agency Data User's access to the System(s) will be role-based and access is limited to that necessary for treatment, payment, and health care operations. The City will assign Agency Data User roles upon provisioning and reserves the right to deny, revoke, limit, or modify Agency Data User's access acting in its sole discretion.

1.7 Training Requirements.

Before System(s) access is granted, and annually thereafter, each Agency Data User must complete SFDPH compliance, privacy, and security training. Agency must maintain written records evidencing such annual training for each Agency Data User and provide copies upon request to the City. For questions about how to complete SFDPH's compliance, privacy, and security training, contact Compliance.Privacy@sfdph.org, (855) 729-6040.

1.9 Corrective Action.

Agency shall take corrective action, including but not limited to termination and/or suspension of any System(s) access by any Agency Data User who acts in violation of this Agreement and/or applicable regulatory requirements.

1.10 User ID and Password.

Each Agency Data User will be assigned or create a User ID and password. Agency and each Agency Data User shall protect the confidentiality of User IDs and passwords and shall not divulge them to any other person(s). Agency is responsible for the security of the User IDs and passwords issued to or created by Agency Data Users and is liable for any misuse.

1.11 Notification of Compromised Password.

In the event that a password assigned to or created by an Agency Data User is compromised or disclosed to a person other than the Agency Data User, Agency shall upon learning of the compromised password immediately notify the City, at Compliance.Privacy@sfdph.org, (855) 729-6040. Agency is liable for any such misuse. Agency's failure to monitor each Agency Data User's ID and/or password use shall provide grounds for the City to terminate and/or limit Agency's System(s) access.

1.12 Multi Factor Authentication.

Agency and each Agency Data User must use multi-factor authentication as directed by the City to access the System(s).

1.13 Qualified Personnel.

Agency shall allow only qualified personnel under Agency's direct supervision to act as Agency Data Users with access to the System(s).

There must be a documented patch management process that determines installation timeframe based on risk assessment and vendor recommendations.

1.19 System Timeout.

The system must provide an automatic timeout, requiring reauthentication of the user session after no more than 20 minutes of inactivity.

1.20 Warning Banners.

All systems containing City Data must display a warning banner each time a user attempts access, stating that data is confidential, systems are logged, and system use is for business purposes only. User must be directed to log off the system if they do not agree with these requirements.

1.21 Transmission encryption.

All data transmissions of City Data outside the Agency's secure internal network must be encrypted using a current industry standard algorithm. Encryption can be end to end at the network level, or the data files containing City Data can be encrypted. This requirement pertains to any type of City Data in motion such as website access, file transfer, and e-mail.

1.22 No Faxing/Mailing.

Upon request, Agency will provide such security policies and procedures to the City. The City may examine annually, or in response to a security or privacy incident, Agency's facilities, computers, privacy and security policies and procedures and related records as may be necessary to be assured that Agency is in compliance with the terms of this Agreement, and as applicable HIPAA, the HITECH Act, and other federal and state privacy and security laws and regulations. Agency shall provide security for its networks and all internet connections consistent with industry best practices, and will promptly install all patches, fixes, upgrades, updates and new versions of any security software it employs. For information disclosed in electronic form, Agency agrees that appropriate safeguards include electronic barriers (e.g., "firewalls", Transport Layer Security (TLS), Secure Socket Layer [SSL] encryption, or most current industry standard encryption, intrusion prevention/detection or similar barriers).

1.26 Data Privacy and Information Security Program.

Without limiting Agency's obligation of confidentiality as further described herein, Agency shall be responsible for establishing and maintaining a data privacy and information security program, including physical, technical, administrative, and organizational safeguards, that is designed to: (i) ensure the security and confidentiality of the City Data; (ii) protect against any anticipated threats or hazards to the security or integrity of the City Data; (iii) protect against unauthorized disclosure, access to, or use of the City Data; (iv) ensure the proper disposal of City Data; and, (v) ensure that all of Agency's employees, agents, and subcontractors, if any, comply with all of the foregoing. In no case shall the safeguards of Agency's data privacy and information security program be less stringent than the safeguards and standards recommended by the National Institute of Standards and Technology (NIST) Cybersecurity Framework and the Health Information Technology for Economic and Clinical Health Act (HITECH).

Emergency means any circumstance or situation that causes normal computer operations to become unavailable for use in performing the work required under this agreement for more than 24 hours.

1.28 Supervision of Data.

City Data in paper form shall not be left unattended at any time, unless it is locked in a file cabinet, file room, desk or office. Unattended means that information is not being observed by an Agency Data User authorized to access the information. City Data in paper form shall not be left unattended at any time in vehicles or planes and shall not be checked in baggage on commercial airplanes.

1.29 As Is Access.

The City provides Agency and each Agency Data User with System(s) access on an "as is" basis with no guarantee as to uptime, accessibility, or usefulness. To the fullest extent permissible by applicable law, the City disclaims all warranties, express or implied, including, without limitation, implied warranties of merchantability, fitness for a particular purpose, title and non-infringement.

1.30 No Technical or Administrative Support.

Except as provided herein, the City will provide no technical or administrative support to Agency or Agency Data Users for System(s) access.

1.31 City Audit of Agency and Agency Data Users.

The City acting in its sole discretion may audit Agency and Agency Data Users at any time. If an audit reveals an irregularity or security issue, the City may take corrective action including but not limited to termination of such Agency's and/or Agency Data User's access to the System(s) permanently or until the City determines that all irregularities have been satisfactorily cured. Agency and each Agency Data User understands that the City may create and review an audit trail for each Agency Data User, including but not limited to, noting each Agency Data User's ID(s), the patient information accessed, and/or the date accessed. Agency and each Agency Data User understands that any inappropriate access or use of patient information, as determined by the City, may result in the temporary and/or permanent termination of Agency's or such Agency Data User's access to the System(s). Agency remains liable for all inappropriate System(s) access, misuse and/or breach of patient information, whether in electronic or hard-copy form.

1.32 Minimum Necessary.

Agency and each Agency Data User shall access patient information in the System(s) only to the minimum extent necessary for its assigned duties and shall only disclose such information to persons authorized to receive it, as minimally necessary for treatment, payment and health care operations.

1.33 No Re-Disclosure or Reporting.

Agency may not in any way re-disclose SFDPH Data or otherwise prepare reports, summaries, or any other material (in electronic or hard-copy format) regarding or containing City Data for transmission to any other requesting individuals, agencies, or organizations without prior written City approval and where such re-disclosure is otherwise permitted or required by law.

1.34 Health Information Exchange.

If Agency is qualified to enroll in a health information exchange, the City encourages Agency to do so in order to facilitate the secure exchange of data between Agency's electronic health record system (EHR) and the City's Epic EHR.

1.35 Subcontracting.

Agency may not subcontract any portion of Data Access Agreement, except upon prior written approval of City. If the City approves a subcontract, Agency remains fully responsible for its subcontractor(s) throughout the term and/or after expiration of this Agreement. All Subcontracts must incorporate the terms of this Data Access Agreement. To the extent that any subcontractor would have access to a System, each such subcontractor's access must be limited and subject to the same governing terms to the same extent as Agency's access. In addition, each contract between Agency and that subcontractor must, except as the City otherwise agrees, include a Business Associate Agreement requiring such subcontractor to comply with all regulatory requirements regarding third-party access, and include a provision obligating that subcontractor to (1) defend, indemnify, and hold the City harmless in the event of a data

breach in the same manner in which Agency would be so obligated, (2) provide cyber and technology errors and omissions insurance with limits identified in Article 5, and (3) ensure that such data has been destroyed, returned, and/or protected as provided by HIPAA at the expiration of the subcontract term.

Agency agrees to indemnify, hold harmless and defend City from any claim by or on behalf of any patient, or by or on behalf of any other third party or person claiming damage by virtue of a familial or financial relationship with such a patient, regardless of the cause, if such claim in any way arises out of or relates to patient care or outcomes based on Agency's or an Agency Data User's System access.

3.3.2 Payment Limited to Satisfactory Services. Contractor is not entitled to any payments from City until Department of Public Health approves Services, including any furnished Deliverables, as satisfying all of the requirements of this Agreement. Payments to Contractor by City shall not excuse Contractor from its obligation to replace unsatisfactory Deliverables, including equipment, components, materials, or Services even if the unsatisfactory character of such Deliverables, equipment, components, materials, or Services may not have been apparent or detected at the time such payment was made. Deliverables, equipment, components, materials and Services that do not conform to the requirements of this Agreement may be rejected by City and in such case must be replaced by Contractor without delay at no cost to the City.

3.3.3 Withhold Payments. If Contractor fails to provide Services in accordance with Contractor's obligations under this Agreement, the City may withhold any and all payments due Contractor until such failure to perform is cured, and Contractor shall not stop work as a result of City's withholding of payments as provided herein.

3.3.4 Invoice Format. Invoices furnished by Contractor under this Agreement must be in a form acceptable to the Controller and City, and must include a unique invoice number. Payment shall

be made by City specified in Section 3.3.6, or in such alternate manner as the Parties have mutually agreed upon in writing.

3.3.5 Reserved. (LBE Payment and Utilization Tracking System)

Electronic payments are processed every business day and are safe and secure. To sign up for electronic payments, visit www.sfgov.org/ach.

3.4 Audit and Inspection of Records. Contractor agrees to maintain and make available to the City, during regular business hours, accurate books and accounting records relating to its Services. Contractor will permit City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not fewer than five years after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any Federal agency having an interest in the subject matter of this Agreement shall have the same rights as conferred upon City by this Section. Contractor shall include the same audit and inspection rights and record retention requirements in all subcontracts.

3.4.1 Contractor shall annually have its books of accounts audited by a Certified Public Accountant and a copy of said audit report and the associated management letter(s) shall be transmitted to the Director of Public Health or his /her designee within one hundred eighty (180) calendar days following Contractor's fiscal year end date. If Contractor expends \$500,000 or more in Federal funding per year, from any and all Federal awards, said audit shall be conducted in accordance with OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Said requirements can be found at the following website address: <http://www.whitehouse.gov/omb/circulars/a133/a133.html>.

If Contractor expends less than \$500,000 a year in Federal awards, Contractor is exempt from the single audit requirements for that year, but records must be available for review or audit by appropriate officials of the Federal Agency, pass-through entity and General Accounting Office. Contractor agrees to reimburse the City any cost adjustments necessitated by this audit report. Any audit report which addresses all or part of the period covered by this Agreement shall treat the service components identified in the detailed descriptions attached to Appendix A and referred to in the Program Budgets of Appendix B as discrete program entities of the Contractor.

3.4.2 The Director of Public Health or his / her designee may approve a waiver of the audit requirement in Section 3.4.1 above, if the contractual Services are of a consulting or personal services nature, these Services are paid for through fee for service terms which limit the City's risk with

such contracts, and it is determined that the work associated with the audit would produce undue burdens or costs and would provide minimal benefits. A written request for a waiver must be submitted to the DIRECTOR ninety (90) calendar days before the end of the Agreement term or Contractor's fiscal year, whichever comes first.

3.4.3 Any financial adjustments necessitated by this audit report shall be made by Contractor to the City. If Contractor is under contract to the City, the adjustment may be made in the next subsequent billing by Contractor to the City, or may be made by another written schedule determined solely by the City. In the event Contractor is not under contract to the City, written arrangements shall be made for audit adjustments.

3.5 **Submitting False Claims.** The full text of San Francisco Administrative Code Chapter 21, Section 21.35, including the enforcement and penalty provisions, is incorporated into this Agreement. Pursuant to San Francisco Administrative Code §21.35, any contractor or subcontractor who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A contractor or subcontractor will be deemed to have submitted a false claim to the City if the contractor or subcontractor: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

3.6 **Reserved. (Payment of Prevailing Wages)**

Article 4 Services and Resources

4.1 **Services Contractor Agrees to Perform.** Contractor agrees to perform the Services provided for in Appendix A, "Scope of Services." Officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for, Services beyond the Scope of Services listed in Appendix A, unless Appendix A is modified as provided in Section 11.5, "Modification of this Agreement."

4.2 **Qualified Personnel.** Contractor shall utilize only competent personnel under the supervision of, and in the employment of, Contractor (or Contractor's authorized subcontractors) to perform the Services. Contractor will comply with City's reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.

4.3 **Subcontracting.**

4.3.1 Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All Subcontracts must incorporate the terms of Article 10 "Additional Requirements Incorporated by Reference" of this Agreement, unless inapplicable.

Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void.

4.3.2 Contractor will not employ subcontractors.

4.4 Independent Contractor; Payment of Employment Taxes and Other Expenses.

4.4.1 **Independent Contractor.** For the purposes of this Article 4, "Contractor" shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Contractor, its agents, and employees will not represent or hold themselves out to be employees of the City at any time. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with this section. Should City determine that Contractor, or any agent or employee of Contractor, is not performing in accordance with the requirements of this Agreement, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor, or any agent or employee of Contractor, warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 **Payment of Employment Taxes and Other Expenses.** Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be

applied as a credit against such liability). A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this section.

4.5 Assignment. The Services to be performed by Contractor are personal in character and neither this Agreement nor any duties or obligations hereunder may be assigned or delegated by Contractor unless first approved by City by written instrument executed and approved in the same manner as this Agreement. Any purported assignment made in violation of this provision shall be null and void.

4.6 Warranty. Contractor warrants to City that the Services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the Services are performed so as to ensure that all Services performed are correct and appropriate for the purposes contemplated in this Agreement.

Article 5 Insurance and Indemnity

5.1 Insurance.

5.1.1 Required Coverages. Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

- (a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than \$1,000,000 each accident, injury, or illness; and
- (b) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations; policy must include Abuse and Molestation coverage.
- (c) Commercial Automobile Liability Insurance with limits not less than \$1,000,000 each occurrence, "Combined Single Limit" for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.
- (d) Professional liability insurance, applicable to Contractor's profession, with limits not less than \$1,000,000 each claim with respect to negligent acts, errors or omissions in connection with the Services.

5.1.2 Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to provide:

- (a) Name as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.
- (b) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement,

and that insurance applies separately to each insured against whom claim is made or suit is brought.

5.1.3 All policies shall be endorsed to provide thirty (30) days' advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in coverages. Notices shall be sent to the City address set forth in Section 11.1, entitled "Notices to the Parties."

5.1.4 Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

5.1.5 Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

5.1.6 Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

5.1.7 Before commencing any Services, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

5.1.8 If Contractor will use any subcontractor(s) to provide Services, Contractor shall require the subcontractor(s) to provide all necessary insurance and to name the City and County of San Francisco, its officers, agents and employees and the Contractor as additional insureds.

5.1.9 Notwithstanding the foregoing, the following insurance requirements are waived or modified in accordance with the terms and conditions stated in Appendix C. Insurance.

5.2 **Indemnification.** Contractor shall indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them from and against any and all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise) arising from or in any way connected with any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute or regulation, including but not limited to privacy or personally identifiable information, health information, disability and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising from Contractor's execution of subcontracts not in accordance with the requirements

of this Agreement applicable to subcontractors; so long as such injury, violation, loss, or strict liability (as set forth in subsections (i) – (v) above) arises directly or indirectly from Contractor's performance of this Agreement, including, but not limited to, Contractor's use of facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors, or either's agent or employee. Contractor shall also indemnify, defend and hold City harmless from all suits or claims or administrative proceedings for breaches of federal and/or state law regarding the privacy of health information, electronic records or related topics, arising directly or indirectly from Contractor's performance of this Agreement, except where such breach is the result of the active negligence or willful misconduct of City. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter.

Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services.

Article 6 Liability of the Parties

6.1 Liability of City. CITY'S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 3.3.1, "PAYMENT," OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT

6.2 Liability for Use of Equipment. City shall not be liable for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented or loaned by City.

6.3 Liability for Incidental and Consequential Damages. Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions.

Article 7 Payment of Taxes

7.1 Except for any applicable California sales and use taxes charged by Contractor to City, Contractor shall pay all taxes, including possessory interest taxes levied upon or as a result of this Agreement, or the Services delivered pursuant hereto. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by the City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply:

7.2.1 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

7.2.2 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a "change in ownership" for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

7.2.3 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax. Code section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

7.2.4 Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

Article 8 Termination and Default

8.1 Termination for Convenience

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective.

8.1.2 Upon receipt of the notice of termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the date specified by City and to minimize the liability of Contractor and City to third

parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions shall include, without limitation:

- (a) Halting the performance of all Services under this Agreement on the date(s) and in the manner specified by City.
- (b) Terminating all existing orders and subcontracts, and not placing any further orders or subcontracts for materials, Services, equipment or other items.
- (c) At City's direction, assigning to City any or all of Contractor's right, title, and interest under the orders and subcontracts terminated. Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.
- (d) Subject to City's approval, settling all outstanding liabilities and all claims arising out of the termination of orders and subcontracts.
- (e) Completing performance of any Services that City designates to be completed prior to the date of termination specified by City.
- (f) Taking such action as may be necessary, or as the City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which City has or may acquire an interest.

8.1.3 Within 30 days after the specified termination date, Contractor shall submit to City an invoice, which shall set forth each of the following as a separate line item:

- (a) The reasonable cost to Contractor, without profit, for all Services prior to the specified termination date, for which Services City has not already tendered payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor's direct costs for Services. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.
- (b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.
- (c) The reasonable cost to Contractor of handling material or equipment returned to the vendor, delivered to the City or otherwise disposed of as directed by the City.
- (d) A deduction for the cost of materials to be retained by Contractor, amounts realized from the sale of materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the Services or other work.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the termination date specified by City, except for those costs specifically enumerated and described in Section 8.1.3. Such non-recoverable costs include, but are not limited to, anticipated profits on the Services under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs

relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under Section 8.1.3.

8.1.5 In arriving at the amount due to Contractor under this Section, City may deduct: (i) all payments previously made by City for Services covered by Contractor's final invoice; (ii) any claim which City may have against Contractor in connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection 8.1.4; and (iv) in instances in which, in the opinion of the City, the cost of any Service performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Services, the difference between the invoiced amount and City's estimate of the reasonable cost of performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 City's payment obligation under this Section shall survive termination of this Agreement.

8.2 Termination for Default; Remedies.

8.2.1 Each of the following shall constitute an immediate event of default ("Event of Default") under this Agreement:

(a) Contractor fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement:

8.2.2 On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, where applicable, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default; Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. City shall have the right to offset from any amounts due to Contractor under this Agreement or any other agreement between City and Contractor: (i) all damages, losses, costs or expenses incurred by City as a result of an Event of Default; and (ii) any liquidated damages levied upon Contractor pursuant to the terms of this Agreement; and (iii), any damages imposed by any ordinance or statute that is incorporated into this Agreement by reference, or into any other agreement with the City.

8.2.3 All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

8.2.4 Any notice of default must be sent by registered mail to the address set forth in Article 11.

8.3 **Non-Waiver of Rights.** The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

Appendix A-1 Idylwood Care Center

Description of Services

San Francisco Residents admitted to the facility recognized as a SNF will be 18 years and older and meet behavioral and medical criteria. Clients admitted to the SNF must have medical problems and/or physical impairments requiring special needs that might include the use of wheelchairs, walker or cane; individuals may also have vision and/or hearing loss, or speech impairment. Individuals admitted to the Idylwood Care Center are presenting a combination of medical and behavioral issues. Residents who have both medical and behavioral care issues are often difficult to place and have a high utilization of days in acute settings in medical units or psychiatric units. Individuals often fail at regular mental health placements due to their concurrent medical and psychiatric conditions which results in frequent acute hospitalizations and negative outcomes. Skilled nursing facilities often are not able to address the behavioral needs of this population, which results in medical and psychiatric deterioration, acute hospitalizations, and negative outcomes. Individuals who admitted to Crestwood Idylwood have a primary diagnosis of dementia will be covered by this Appendix.

The facility will primarily admit San Francisco residents directly from acute psychiatric inpatient units and jail.

The Director of SFHN Transitions Placement or his/her designee will authorize referrals to the facilities into contracted beds. All such referrals will have been approved for locked psychiatric SNF level of care.

Each San Francisco resident admitted to the facility into a contract bed will be reviewed every thirty (30) days by the SFHN Transitions Utilization Reviewer, who will monitor on-going treatment and progress toward treatment goals including discharge as soon as clinically appropriate.

If a San Francisco resident on voluntary status or a private conservatee is referred by Transitions Placement to the facility, an addendum to the admission agreement will be signed by private conservator or voluntary resident *in advance of admission* indicating that voluntary individual or private conservator will comply with SFHN Transitions Placement utilization management decisions regarding the individual's readiness to move to a lower level of care.

Admission Expectations

The SFHN Transitions Placement Director or his/her designee will be informed of the decision whether to admit or not admit within 72 hours of receipt of the referral packet.

The facility's physician "Initial Assessment and Treatment Plan" must consist of the following components and be signed by the attending psychiatrist/physician within five (5) business days of admission, and the facility shall send a copy of the "Treatment Plan" to the conservator and SFHN Transitions Placement Team Authorizer within fourteen (14) calendar days:

1. A DSM-V psychiatric diagnosis, primary.
2. Signs and symptoms of psychiatric impairment and/or any pre-existing medical conditions.
3. Long and short-term goals that are based on individual resident capabilities and that are realistically attainable by resident.
4. Measurable objectives with specific time frames with special emphasis on medication regimen.
5. Special treatment and interventions and services with identification of the professional discipline responsible for each element of care.
6. Estimated duration of treatment and continuously updated progress notes reflecting justification for continued stay and identification of obstacles to community placement.
7. Prognosis.
8. Dated legible physician notes and signature.
9. Specification of drug regimen or no drug regimen.
10. Evidence of communication with resident's former physician upon admission and with resident's future physician upon discharge.

Admission and documentation will include the following:

1. A non-psychiatrist physician must perform a history and physical examination within forty-eight (48) hours of resident's admission.
2. Physician must provide reason for deferment of either the physical examination or any process within the examination. Attempts to complete a physical examination must be documented weekly. If, after fourteen days (14), these attempts are not successful, the resident's conservator must be contacted to arrange a court date so that the court can mandate the necessary care.
3. The facility shall obtain a copy of the conservator's investigation report and this report shall be present in the legal section of the resident record.
4. The following demographic data will be collected for the purpose of conducting treatment and outcome evaluations: sex, age, race, marital status, legal status, psychiatric diagnosis, and primary language. In addition, the facility will record information about the resident's previous placement, prior hospitalizations, and reason for current hospitalization.

Ongoing Expectations

Facility will provide:

1. Annual physical examination
2. Annual update regarding medication consents (with witness signatures).

g. Accounting of Disclosures. Within ten (10) calendar days of a request by CE for an accounting of disclosures of Protected Information or upon any disclosure of Protected Information for which CE is required to account to an individual, BA and its agents and subcontractors shall make available to CE the information required to provide an accounting of disclosures to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.528, and the HITECH Act, including but not limited to 42 U.S.C. Section 17935 (c), as determined by CE. BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents and subcontractors for at least seven (7) years prior to the request. However, accounting of disclosures from an Electronic Health Record for treatment, payment or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an Electronic Health Record. At a minimum, the information collected and maintained shall include: (i) the date of disclosure; (ii) the name of the entity or person who received Protected Information and, if known, the address of the entity or person; (iii) a brief description of Protected Information disclosed; and (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure [45 C.F.R. 164.528(b)(2)]. If an individual or an individual's representative submits a request for an accounting directly to BA or its agents or subcontractors, BA shall forward the request to CE in writing within five (5) calendar days.

h. Access to Protected Information. BA shall make Protected Information maintained by BA or its agents or subcontractors in Designated Record Sets available to CE for inspection and copying within (5) days of request by CE to enable CE to fulfill its obligations under state law [Health and Safety Code Section 123110] and the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.524 [45 C.F.R. Section 164.504(e)(2)(ii)(E)]. If BA maintains Protected Information in electronic format, BA shall provide such information in electronic format as necessary to enable CE to fulfill its obligations under the HITECH Act and HIPAA Regulations, including, but not limited to, 42 U.S.C. Section 17935(e) and 45 C.F.R. 164.524.

i. Amendment of Protected Information. Within ten (10) days of a request by CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, BA and its agents and subcontractors shall make such Protected Information available to CE for amendment and incorporate any such amendment or other documentation to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.526. If an individual requests an amendment of Protected Information directly from BA or its agents or subcontractors, BA must notify CE in writing within five (5) days of the request and of any approval or denial of amendment of Protected Information maintained by BA or its agents or subcontractors [45 C.F.R. Section 164.504(e)(2)(ii)(F)].

j. Governmental Access to Records. BA shall make its internal practices, books and records relating to the use and disclosure of Protected Information available to CE and to the Secretary of the U.S. Department of Health and Human Services (the "Secretary") for purposes of determining BA's compliance with HIPAA [45 C.F.R. Section

San Francisco Department of Public Health
Business Associate Agreement

164.504(e)(2)(ii)(I)]. BA shall provide CE a copy of any Protected Information and other documents and records that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.

k. Minimum Necessary. BA, its agents and subcontractors shall request, use and disclose only the minimum amount of Protected Information necessary to accomplish the intended purpose of such use, disclosure, or request. [42 U.S.C. Section 17935(b); 45 C.F.R. Section 164.514(d)]. BA understands and agrees that the definition of “minimum necessary” is in flux and shall keep itself informed of guidance issued by the Secretary with respect to what constitutes “minimum necessary” to accomplish the intended purpose in accordance with HIPAA and HIPAA Regulations.

l. Data Ownership. BA acknowledges that BA has no ownership rights with respect to the Protected Information.

m. Notification of Breach. BA shall notify CE within 5 calendar days of any breach of Protected Information; any use or disclosure of Protected Information not permitted by the BAA; any Security Incident (except as otherwise provided below) related to Protected Information, and any use or disclosure of data in violation of any applicable federal or state laws by BA or its agents or subcontractors. The notification shall include, to the extent possible, the identification of each individual whose unsecured Protected Information has been, or is reasonably believed by the BA to have been, accessed, acquired, used, or disclosed, as well as any other available information that CE is required to include in notification to the individual, the media, the Secretary, and any other entity under the Breach Notification Rule and any other applicable state or federal laws, including, but not limited, to 45 C.F.R. Section 164.404 through 45 C.F.R. Section 164.408, at the time of the notification required by this paragraph or promptly thereafter as information becomes available. BA shall take (i) prompt corrective action to cure any deficiencies and (ii) any action pertaining to unauthorized uses or disclosures required by applicable federal and state laws. [42 U.S.C. Section 17921; 42 U.S.C. Section 17932; 45 C.F.R. 164.410; 45 C.F.R. Section 164.504(e)(2)(ii)(C); 45 C.F.R. Section 164.308(b)]

n. Breach Pattern or Practice by Business Associate’s Subcontractors and Agents. Pursuant to 42 U.S.C. Section 17934(b) and 45 C.F.R. Section 164.504(e)(1)(iii), if the BA knows of a pattern of activity or practice of a subcontractor or agent that constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or this BAA, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the contractual arrangement with its subcontractor or agent, if feasible. BA shall provide written notice to CE of any pattern of activity or practice of a subcontractor or agent that BA believes constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or this BAA within five (5) calendar days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

Contractors sometimes want to limit the Section 3, Termination, to breaches of “material provisions,” or include an opportunity to cure. A breach of PHI is very different than a breach of a contract, so we may not want to allow them a cure period or we may want to require that the “cure” is satisfactory to the City. If so, please contact the City Attorney’s Office.

Business Associate Agreement

3. Termination.

a. Material Breach. A breach by BA of any provision of this BAA, as determined by CE, shall constitute a material breach of the Agreement and this BAA and shall provide grounds for immediate termination of the Agreement and this BAA, any provision in the AGREEMENT to the contrary notwithstanding. [45 C.F.R. Section 164.504(e)(2)(iii).]

b. Judicial or Administrative Proceedings. CE may terminate the Agreement and this BAA, effective immediately, if (i) BA is named as defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.

c. Effect of Termination. Upon termination of the Agreement and this BAA for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA and its agents and subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections and satisfy the obligations of Section 2 of this BAA to such information, and limit further use and disclosure of such PHI to those purposes that make the return or destruction of the information infeasible [45 C.F.R. Section 164.504(e)(2)(ii)(J)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed in accordance with the Secretary's guidance regarding proper destruction of PHI.

d. Civil and Criminal Penalties. BA understands and agrees that it is subject to civil or criminal penalties applicable to BA for unauthorized use, access or disclosure of Protected Information in accordance with the HIPAA Regulations and the HITECH Act including, but not limited to, 42 U.S.C. 17934 (c).

e. Disclaimer. CE makes no warranty or representation that compliance by BA with this BAA, HIPAA, the HITECH Act, or the HIPAA Regulations or corresponding California law provisions will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

4. Amendment to Comply with Law.

The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Agreement or this BAA may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations and other applicable state or federal laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this BAA embodying written assurances consistent with the updated standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations or other applicable state or federal laws. CE may terminate the Agreement upon thirty (30)

San Francisco Department of Public Health

days written notice in the event (i) BA does not promptly enter into negotiations to amend the Agreement or this BAA when requested by CE pursuant to this section or (ii) BA does not enter into an amendment to the Agreement or this BAA providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

5. Reimbursement for Fines or Penalties.

In the event that CE pays a fine to a state or federal regulatory agency, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible access, use or disclosure of PHI by BA or its subcontractors or agents, then BA shall reimburse CE in the amount of such fine or penalties or damages within thirty (30) calendar days from City's written notice to BA of such fines, penalties or damages.

San Francisco Department of Public Health Privacy Policy Compliance Standards

As part of this Agreement, Contractor acknowledges and agrees to comply with the following:

In City's Fiscal Year 2003/04, a DPH Privacy Policy was developed and contractors advised that they would need to comply with this policy as of July 1, 2005.

As of July 1, 2004, contractors were subject to audits to determine their compliance with the DPH Privacy Policy using the six compliance standards listed below. Audit findings and corrective actions identified in City's Fiscal year 2004/05 were to be considered informational, to establish a baseline for the following year.

Beginning in City's Fiscal Year 2005/06, findings of compliance or non-compliance and corrective actions were to be integrated into the contractor's monitoring report.

Item #1: DPH Privacy Policy is integrated in the program's governing policies and procedures regarding patient privacy and confidentiality.

As Measured by: Existence of adopted/approved policy and procedure that abides by the rules outlined in the DPH Privacy Policy

Item #2: All staff who handle patient health information are oriented (new hires) and trained in the program's privacy/confidentiality policies and procedures.

As Measured by: Documentation showing individual was trained exists

Item #3: A Privacy Notice that meets the requirements of the Federal Privacy Rule (HIPAA) is written and provided to all patients/clients served in their threshold and other languages. If document is not available in the patient's/client's relevant language, verbal translation is provided.

As Measured by: Evidence in patient's/client's chart or electronic file that patient was "noticed." (Examples in English, Cantonese, Vietnamese, Tagalog, Spanish, Russian will be provided.)

Item #4: A Summary of the above Privacy Notice is posted and visible in registration and common areas of treatment facility.

As Measured by: Presence and visibility of posting in said areas. (Examples in English, Cantonese, Vietnamese, Tagalog, Spanish, Russian will be provided.)

Item #5: Each disclosure of a patient's/client's health information for purposes other than treatment, payment, or operations is documented.

As Measured by: Documentation exists.

Item #6: Authorization for disclosure of a patient's/client's health information is obtained prior to release (1) to non-treatment providers or (2) from a substance abuse program.

As Measured by: An authorization form that meets the requirements of the Federal Privacy Rule (HIPAA) is available to program staff and, when randomly asked, staff are aware of circumstances when authorization form is needed.

Appendix I

THE DECLARATION OF COMPLIANCE

Each Fiscal Year, CONTRACTOR attests with a Declaration of Compliance that each program site has an Administrative Binder that contains all of the forms, policies, statements, and documentation required by Community Behavioral Health Services (CBHS). The Declaration of Compliance also lists requirements for site postings of public and client information, and client chart compliance if client charts are maintained. CONTRACTOR understands that the Community Programs Business Office of Contract Compliance may visit a program site at any time to ensure compliance with all items of the Declaration of Compliance.

Any person or organization for whom you are required by an "insured contract" to procure "bodily injury" or "property damage" liability insurance arising out of the operation of a covered "auto" with your permission. However, this additional insurance does not apply to:

1. The owner or anyone else from whom you hire or borrow a covered "auto." This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own;
 2. Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household;
 3. Anyone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours;
 4. Anyone other than your "employees," partners (if you are a partnership), members (if you are a limited liability company), or a lessee or borrower or any of their "employees," while moving property to or from a covered "auto"; or

- C.** This person or organization is an "insured" only to the extent you are liable due to your ongoing operations for that "insured", whether the work is performed by you or for you, and only to the extent you are held liable for an "accident" occurring while a covered "auto" is being driven by you or one of your employees.
- D.** There is no coverage provided to this person or organization for "bodily injury" to its employees or for "property damage" to its property.
- E.** Coverage for this person or organization shall be limited to the extent of your negligence or fault according to the applicable principles of comparative negligence or fault.
- F.** The defense of any claim or "suit" must be tendered by this person or organization as soon as practicable to all other insurers which potentially provide insurance for such claim or "suit".
- G.** A person's or organization's status as an "insured" under this endorsement ends when your operations for that "insured" are completed.

- H. The coverage extended to any additional insured by this endorsement is limited to, and subject to all terms, conditions, and exclusions of the Coverage Part to which this endorsement is attached.**

In addition, coverage shall not exceed the terms and conditions that are required by the terms of the written agreement to add any "insured," or to procure insurance.

- I. The following additional exclusions apply:**

The insurance afforded to any person or organization as an "insured" under this endorsement does not apply to "loss":

- 1. Which occurs prior to the date your contract is effective with such person or organization;**
- 2. Arising out of the sole negligence of any person or organization that would not be an "insured" except for this endorsement; or**
- 3. Which occurs after you returned the leased or rented "auto" to the lessor or the policy period ends, whichever occurs first.**

3.7.2 **City Revisions to Program Budgets:** The City shall have authority, without the execution of a Formal Amendment, to purchase additional Services and/or make changes to the work in accordance with the terms of this Agreement (including such terms that require Contractor's agreement), not involving an increase in the Compensation or the Term by use of a written City Program Budget Revision.

3.7.3 **City Program Scope Reduction.** Given the local emergency, the pandemic, and the City's resulting budgetary position, and in order to preserve the Agreement and enable Contractor to continue to perform work albeit potentially on a reduced basis, the City shall have authority during the Term of the Agreement, without the execution of a Formal Amendment, to reduce scope, temporarily suspend the Agreement work, and/or convert the Term to month-to-month (Program Scope Reduction), by use of a written Revision to Program Budgets, executed by the Director of Health, or his or her designee, and Contractor. Contractor understands and agrees that the City's right to effect a Program Scope Reduction is intended to serve a public purpose and to protect the public fisc and is not intended to cause harm to or penalize Contractor. The City's approval of any such Assignment is subject to the Contractor demonstrating to City's reasonable satisfaction that the proposed transferee is: (i) reputable and capable, financially and otherwise,

of performing each of Contractor's obligations under this Agreement and any other documents to be assigned, (ii) not forbidden by applicable law from transacting business or entering into contracts with City; and (iii) subject to the jurisdiction of the courts of the State of California. A change of ownership or control of Contractor or a sale or transfer of substantially all of the assets of Contractor shall be deemed an Assignment for purposes of this Agreement. Contractor shall immediately notify City about any Assignment. Any purported Assignment made in violation of this provision shall be null and void.

2.6 Insurance. *The following is hereby added to Article 5 of the Agreement, replacing the previous Section 5.1 in its entirety:*

5.1 Insurance.

5.1.1 Required Coverages. Insurance limits are subject to Risk Management review and revision, as appropriate, as conditions warrant. Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

(a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than \$1,000,000 each accident, injury, or illness; and

(c) Commercial Automobile Liability Insurance with limits not less than \$1,000,000 each occurrence, "Combined Single Limit" for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.

(d) Professional Liability Insurance, applicable to Contractor's profession, with limits not less than \$1,000,000 for each claim with respect to negligent acts, errors or omissions in connection with the Services.

(e) Reserved. (Technology Errors and Omissions Coverage)

(f) Contractor shall maintain in force during the full life of the agreement Cyber and Privacy Insurance with limits of not less \$1,000,000 per claim. Such insurance shall include coverage for liability arising from theft, dissemination, and/or use of confidential information, including but not limited to, bank and credit card account information or personal information, such as name, address, social security numbers, protected health information or other personally identifying information, stored or transmitted in any form.

5.1.2 Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to name as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.

5.1.3 Contractor's Commercial General Liability and Commercial Automobile Liability Insurance policies shall provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this

Agreement, and that the insurance applies separately to each insured against whom claim is made or suit is brought.

5.1.4 All policies shall be endorsed to provide thirty (30) days' advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in coverages. Notices shall be sent to the City address set forth in Section 11.1, entitled "Notices to the Parties."

5.1.5 Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

5.1.6 Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

5.1.7 Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

5.1.8 Before commencing any Services, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

5.1.9 The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

5.1.10 If Contractor will use any subcontractor(s) to provide Services, Contractor shall require the subcontractor(s) to provide all necessary insurance and to name the City and County of San Francisco, its officers, agents and employees and the Contractor as additional insureds.

2.7 **Withholding.** *The following is hereby added to Article 7 of the Agreement:*

7.3 **Withholding.** Contractor agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Contractor further acknowledges and agrees that City may withhold any payments due to Contractor under this Agreement if Contractor is delinquent in the payment of any amount

The breakdown of costs and sources of revenue associated with this Agreement appears in Appendix B, Cost Reporting/Data Collection (CR/DC) and Program Budget, attached hereto and incorporated by reference as though fully set forth herein. The maximum dollar obligation of the CITY under the terms of this Agreement shall not exceed Nine Million Six Hundred Sixty Four Thousand Four Hundred Dollars (\$9,664,400) for the period of July 1, 2018 through December 31, 2021.

CONTRACTOR understands that, of this maximum dollar obligation, \$697,200 is included as a contingency amount and is neither to be used in Appendix B, Budget, or available to CONTRACTOR without a modification to this Agreement executed in the same manner as this Agreement or a revision to Appendix B, Budget, which has been approved by the Director of Health. CONTRACTOR further understands that no payment of any portion of this contingency amount will be made unless and until such modification or budget revision has been fully approved and executed in accordance with applicable CITY and Department of Public Health laws, regulations and policies/procedures and certification as to the availability of funds by the Controller. CONTRACTOR agrees to fully comply with these laws, regulations, and policies/procedures.

(1) For each fiscal year of the term of this Agreement, CONTRACTOR shall submit for approval of the CITY's Department of Public Health a revised Appendix A, Description of Services, and a revised Appendix B, Program Budget and Cost Reporting Data Collection form, based on the CITY's allocation of funding for SERVICES for the appropriate fiscal year. CONTRACTOR shall create these Appendices in compliance with the instructions of the Department of Public Health. These Appendices shall apply only to the fiscal year for which they were created. These Appendices shall become part of this Agreement only upon approval by the CITY.

(2) CONTRACTOR understands that, of the maximum dollar obligation stated above, the total amount to be used in Appendix B, Budget and available to CONTRACTOR for the entire term of the contract is as follows, notwithstanding that for each fiscal year, the amount to be used in Appendix B, Budget and available to CONTRACTOR for that fiscal year shall conform with the Appendix A, Description of Services, and a Appendix B, Program Budget and Cost Reporting Data Collection form, as approved by the CITY's Department of Public Health based on the CITY's allocation of funding for SERVICES for that fiscal year.

July 1, 2021 through December 31, 2021	\$1,310,000
Total	\$9,170,000
Contingency	\$494,400
Grand Total	<u><u>\$9,664,400</u></u>

(3) CONTRACTOR understands that the CITY may need to adjust sources of revenue and agrees that these needed adjustments will become part of this Agreement by written modification to CONTRACTOR. In event that such reimbursement is terminated or reduced, this Agreement shall be terminated or proportionately reduced accordingly. In no event will CONTRACTOR be entitled to compensation in excess of these amounts for these periods without there first being a modification of the Agreement or a revision to Appendix B, Budget, as provided for in this section of this Agreement.

C. CONTRACTOR agrees to comply with its Budget as shown in Appendix B in the provision of SERVICES. Changes to the budget that do not increase or reduce the maximum dollar obligation of the CITY are subject to the provisions of the Department of Public Health Policy/Procedure Regarding Contract Budget Changes. CONTRACTOR agrees to comply fully with that policy/procedure.

D. No costs or charges shall be incurred under this Agreement nor shall any payments become due to CONTRACTOR until reports, SERVICES, or both, required under this Agreement are received from CONTRACTOR and approved by the DIRECTOR as being in accordance with this Agreement. CITY may withhold payment to CONTRACTOR in any instance in which CONTRACTOR has failed or refused to satisfy any material obligation provided for under this Agreement.

E. In no event shall the CITY be liable for interest or late charges for any late payments.

F. CONTRACTOR understands and agrees that should the CITY'S maximum dollar obligation under this Agreement include State or Federal Medi-Cal revenues, CONTRACTOR shall expend such revenues in the provision of SERVICES to Medi-Cal eligible clients in accordance with CITY, State, and Federal Medi-Cal regulations. Should CONTRACTOR fail to expend budgeted Medi-Cal revenues herein, the CITY'S maximum dollar obligation to CONTRACTOR shall be proportionally reduced in the amount of such unexpended revenues. In no event shall State/Federal Medi-Cal revenues be used for clients who do not qualify for Medi-Cal reimbursement.

G. CONTRACTOR further understands and agrees that any State or Federal Medi-Cal funding in this Agreement subject to authorized Federal Financial Participation (FFP) is an estimate, and actual amounts will be determined based on actual services and actual costs, subject to the total compensation amount shown in this Agreement.

Section 164.524 [45 C.F.R. Section 164.504(e)(2)(ii)(E)]. If BA maintains Protected Information in electronic format, BA shall provide such information in electronic format as necessary to enable CE to fulfill its obligations under the HITECH Act and HIPAA Regulations, including, but not limited to, 42 U.S.C. Section 164.526. BA shall provide CE a copy of any Protected Information and other documents and records that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.

l. Minimum Necessary. [42 U.S.C. Section 17935(b); 45 C.F.R. Section 164.514(d)]. BA understands and agrees that the definition of "minimum necessary" is in flux and shall keep itself informed of guidance issued by the Secretary with respect to

APPENDIX E

Business Associate Agreement

what constitutes “minimum necessary” to accomplish the intended purpose in accordance with HIPAA and HIPAA Regulations.

m. Data Ownership. BA acknowledges that BA has no ownership rights with respect to the Protected Information.

n. Notification of Breach. BA shall notify CE within 5 calendar days of any breach of Protected Information; any use or disclosure of Protected Information not permitted by the BAA; any Security Incident (except as otherwise provided below) related to Protected Information, and any use or disclosure of data in violation of any applicable federal or state laws by BA or its agents or subcontractors. Section 164.404 through 45 C.F.R. Section 164.408, at the time of the notification required by this paragraph or promptly thereafter as information becomes available. BA shall take (i) prompt corrective action to cure any deficiencies and (ii) any action pertaining to unauthorized uses or disclosures required by applicable federal and state laws. [42 U.S.C. Section 17921; 42 U.S.C. Section 17932; 45 C.F.R. 164.410; 45 C.F.R. Section 164.504(e)(2)(ii)(C); 45 C.F.R. Section 164.308(b)]

o. Breach Pattern or Practice by Business Associate’s Subcontractors and Agents. Pursuant to 42 U.S.C. Section 17934(b) and 45 C.F.R. Section 164.504(e)(1)(iii), if the BA knows of a pattern of activity or practice of a subcontractor or agent that constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or this BAA, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the contractual arrangement with its subcontractor or agent, if feasible. BA shall provide written notice to CE of any pattern of activity or practice of a subcontractor or agent that BA believes constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or this BAA within five (5) calendar days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

3. Termination.

a. Material Breach. A breach by BA of any provision of this BAA, as determined by CE, shall constitute a material breach of the Agreement and this BAA and shall provide grounds for immediate termination of the Agreement and this BAA, any provision in the AGREEMENT to the contrary notwithstanding. [45 C.F.R. Section 164.504(e)(2)(iii).]

b. Judicial or Administrative Proceedings. CE may terminate the Agreement and this BAA, effective immediately, if (i) BA is named as defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.

c. Effect of Termination. Upon termination of the Agreement and this BAA for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA and its agents and subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections and satisfy the obligations of Section 2 of this BAA to such information, and limit further use and disclosure of such PHI to those purposes that make the return or destruction of the information infeasible [45 C.F.R. Section 164.504(e)(2)(ii)(J)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed in accordance with the Secretary's guidance regarding proper destruction of PHI.

d. Civil and Criminal Penalties. BA understands and agrees that it is subject to civil or criminal penalties applicable to BA for unauthorized use, access or disclosure of Protected Information in accordance with the HIPAA Regulations and the HITECH Act including, but not limited to, 42 U.S.C. 17934 (c).

e. Disclaimer. CE makes no warranty or representation that compliance by BA with this BAA, HIPAA, the HITECH Act, or the HIPAA Regulations or corresponding California law provisions will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

4. Amendment to Comply with Law.

The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Agreement or this BAA may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations and other applicable state or federal laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this BAA embodying written assurances consistent with the updated standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations or other applicable state or federal laws. CE may terminate the Agreement upon thirty (30) days written notice in the event (i) BA does not promptly enter into negotiations to amend the Agreement or this BAA when requested by CE pursuant to this section or (ii) BA does not enter into an amendment to the Agreement or this BAA providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

5. Reimbursement for Fines or Penalties.

In the event that CE pays a fine to a state or federal regulatory agency, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible access, use or disclosure of PHI by BA or its subcontractors or agents, then BA shall reimburse CE in the amount of such fine or penalties or damages within thirty (30) calendar days from City's written notice to BA of such fines, penalties or damages.

 - c. any change in status, function, control or ownership, insolvency, liquidation or the appointment of an administrator or receiver of Helios.
5. **Limitation:** In no event will Crestwood's liability under this Guarantee exceed Helios' limitation of liability under the Agreement.
6. **Successors and Assigns:** This Guarantee shall bind Crestwood's successors and assigns.
7. **Authority to Bind:** Crestwood represents and warrants that the individual signing below is authorized to execute the Guarantee and bind Crestwood.
