Good Afternoon Matthew—

No problem—we are happy to help. I know the Clerk of the Board's Office also wanted a copy of the request from Mr. Yoanidis to transfer the permit. In case the Clerk's Office needs it, I'm including an email Public Works received below that outlined Mr. Yoanidis' request to transfer.

Good Morning Mr. Shih-Wei,
I, Byron Yoanidis, along with my parents, have been flowerstand permit holders since 1963, currently located at 101 Market st. At the corner of Market-Spear st. In front of Federal Reserve Bank of SF. As a result of the current epidemic I have been closed since 3/13/2020. At the present time due to various challenges undergone in my health, The last couple years, under the care of my physician, Dr. Rachel Flores from Kaiser at Mission Bay Coupled with the fact being of 80 years of age, I have been advised not to work any longer. Therefore with due respect, I request my permit to be transferred to a Blessed very close family member, Andrew Poulos, who will operate the flowerstand more efficiently and restore and beautify the area. Incidentally the stand is a replica is a small muni-bus of the 60's. My heartfelt appreciation would be appreciated tremendously, for all your efforts, acknowledging my situation,

Respectfully,
Byron Yoanidis

Best,

Hi Matthew,

The team was hard at work finalizing this during the holidays. We will need to send it back to the City Attorney's office for a final review. Once we receive the greenlight, we will be able to get signatures. While we are very, very close, the CAT doesn't think it will be able to make tomorrow's meeting.

I hope for one of the next two hearings, and I will be in touch.

Best,
Debra

Hi all,

Hope everyone had a nice holiday break. I just wanted to check in on the status of this. The hope was to get the resolution in for introduction at the BOS meeting tomorrow. Will the necessary documents be available by then? And, if not, what is a reasonable timeline to have the necessary items?

Many thanks in advance and happy new year,

Hi All

I just heard back from the City Attorney's office. Unfortunately they are very busy right now and let me know they will not be able to get to this by tomorrow. Instead, they said a realistic timeline would be January.

Thanks for letting me know. If we could get this all done for next week that would great since that is the last BOS meeting prior to the winter recess. Hopefully it can be ready by then and thanks for your work on it. I don't think there is a need to meet unless something else comes up that will further delay the process, so please do keep me posted.

Hi Matthew,

I understand that you are requesting the three items listed below by 5 p.m. today, but unfortunately getting everything ready will take a few days. Public Works is still in the process of drafting the order and will then need to have it reviewed by the City Attorney and brief Interim Director Short. We can likely have this ready for next week's Board of Supervisors meeting, but won't be able to have it ready by today's deadline.

We are more than happy to touch base with you to answer any questions and make sure we're on the same page with expectations, next steps, etc. Please let me know if that's something you'd like me to coordinate.

Thank you,
Bryan

Hello all,

I will need to include these documents with the resolution today being introduced today at eh Board of Supervisors . If you could get me these items by 2pm when the meeting begins that would be fantastic. The latest I can submit the Introduction is 4:59 PM, so anytime before that is also fine, but the sooner the better to avoid any stress.

Hi Alisa,

I will be sending in a Resolution for the transfer of a flower stand permit from on permittee to another. The only other time this has been done was in 2006 so I am working off this template: <https://sfgov.legistar.com/View.ashx?M=F&ID=2602843&GUID=962D8CC5-B9D5-473C-BC13-331A3767556A>

The Resolution I intend to submit is attached here, but I am not sure if I need to submit additional information. I have been back and forth with DPW on this for over a month and everything has been approved on their end for there transfer, so just waiting for the legislative side. Do I need to get any files from them prior to submitting?

Many thanks for your help on this!
