Chair Mar, members of the PSNS committee, and Sup. Ronen –

At yesterday's PSNS meeting, the Committee heard and approved amendments to the legislation in Board File No. 211172 (Domestic Violence Reporting). During the committee meeting, both Sup. Stefani and Sup. Ronen's legislative aide, Nikita Saini, advised the committee that the amendments were deemed to be substantive, requiring a continuance of the legislation to allow for public comment. After approving the amendments to the legislation, the committee approved a motion to send the legislation to the full Board with recommendation. In light of the clear communication that the amendments were substantive, we understand the committee's intention to have been to continue the item in committee to the next PSNS meeting so that public comment may be heard, before sending the item to the full Board with a positive recommendation. The minutes will reflect this intention with a Clerk's Note.

Please let me or Legislative Deputy Director Alisa Somera know if you have any questions.

-Anne
