

SFMTA

# Parking Garage Management

Rob Malone, MPA  
Senior Manager  
Streets Division, Parking & Curb Management

Presentation to Board of Supervisors Budget & Finance Committee

# Evolution of Garage Operations and Management

- 2008 consultant report recommended sweeping changes in how the city manages garages
- SFMTA built up in-house expertise and evolved its contracting methodology between 2008-2012
- SFMTA modernized and automated garage operations with a \$35 million upgrade project implemented between 2017-2021

# Next Phase of Garage Management

- SFMTA published an RFP 1/27/22 that will result in new, long-term contracts for garage management
- SFMTA is before you today requesting approval of a one-year extension of existing contracts to cover the time before new contracts, resulting from the RFP process, are approved by the MTA Board and BOS
