EXECUTIVE SUMMARY	
<p>Legislative Objectives</p> <ul style="list-style-type: none"> • The proposed resolution retroactively approves the second amendment to the agreement between the Department of Public Health (DPH) and the Chinese Hospital Association for skilled nursing services. There is no change in the monthly billing rates in the proposed Second Amendment compared to the First Amendment to the agreement. • The cost per bed per night is \$1,369, which is 57 percent greater than DPH's costs for skilled nursing beds (\$871) and 81 percent greater than Medi-Cal reimbursement rates for skilled nursing beds at Laguna Honda Hospital (\$758). Reduce the proposed resolution's not to exceed amount from \$19 million to \$14,250,000. 3. Approve the proposed resolution, as amended. 	

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

To increase COVID-19 surge capacity, the Department of Public Health (DPH) entered into an emergency contract with the Chinese Hospital Association for skilled nursing services. DPH approved an initial memorandum of understanding (MOU) with the Chinese Hospital Association in April 2020. The MOU specified that the parties would negotiate more definitive terms within 90 days. In October 2020, DPH approved an emergency services agreement for a seven-month term from December 2020 through June 2021 for a not-to-exceed amount of \$9.5 million. In June 2021, DPH adopted the First Amendment, which reduced the monthly billing rates (as discussed below) and extended the term by six months through December 31, 2021. The initial agreements were not subject to competitive solicitation, which was waived by the Mayor's May 2020 13th Supplement to the COVID-19 Emergency Proclamation.

Skilled Nursing Care for Non-Acute Patients

To ensure sufficient capacity at San Francisco General Hospital for COVID surges, San Francisco General Hospital discharges non-acute patients to skilled nursing care, as clinically appropriate. In many cases, such patients are discharged from San Francisco General Hospital and admitted to Laguna Honda Hospital, a skilled nursing facility with 780 beds. This ensures that acute care beds are available for anticipated increases in acute care needs during COVID surges. However, Laguna Honda Hospital's capacity to accept patients from San Francisco General Hospital has varied during the COVID-19 pandemic (as discussed below), and San Francisco General Hospital has discharged patients to Chinese Hospital per the terms of the agreement when Laguna Honda could not accept them according to DPH staff.

Laguna Honda Hospital did not have any admissions from San Francisco General Hospital from March 2020 to June 2020 due to a COVID-19 outbreak at Laguna Honda Hospital. Laguna Honda Hospital restarted admissions in July 2020 but had reduced capacity to accommodate COVID-19 surge needs due to the need to dedicate staffing and beds for isolation and quarantine of new and existing patients. Until June 2021, admissions had to quarantine for 14 days in the five-bed Admission Observation Unit before going to the other units, which limited capacity for admissions. As of July 2021, admissions could go directly to the appropriate unit without quarantining. In addition, 29 of the 780 beds at Laguna Honda Hospital were dedicated for isolation and quarantine of existing patients. Laguna Honda Hospital closed admissions again in December 2021 and has not resumed as of January 2022.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution retroactively approves the second amendment to the agreement between DPH and the Chinese Hospital Association for skilled nursing services to provide COVID-19 surge capacity. The proposed amendment increases the total agreement amount by \$9,500,000, from \$9,500,000 to \$19,000,000, and extends the agreement term by one year to December 31, 2022. The proposed resolution authorizes DPH to enter into amendments or modifications to the agreement prior to its final execution by all parties that do not materially increase the obligations or liabilities to the City and are necessary to implement the agreement.

Performance Monitoring

The Chinese Hospital Association is monitored through annual reporting of performance measures as outlined in Attachment 1 to Appendix A of the original agreement, which requires the Chinese Hospital Association to provide the agreed upon number of beds. According to DPH staff, the Chinese Hospital Association met this performance measure in FY 2020-21, and DPH continues to monitor to ensure that skilled nursing services are provided safely and effectively for patient care and support services.

FISCAL IMPACT

Under the agreement, DPH pays Chinese Hospital using a tiered billing approach for a minimum of 13 skilled nursing beds up to a maximum of 23 nursing beds. The minimum monthly rate is \$533,813 for 13 skilled nursing beds. According to DPH staff, this allows the Chinese Hospital Association to maintain appropriate staffing levels even if the census is low. DPH can pay to use an additional 10 beds if they are needed in increments of five because the staffing ratio is one staff per five patients. This ensures that DPH does not have to purchase all 23 beds if the census is low. The maximum monthly rate is \$944,938 for 23 beds.

Exhibit 1: Monthly Billing Rates

Number of Beds	Monthly Billing Amount
13 beds	\$533,813
18 beds	739,125
23 beds	944,438

Source: Proposed Second Amendment to the Agreement

There is no change in the monthly billing rates in the proposed Second Amendment compared to the First Amendment to the agreement. However, the rates are less than the rates in the initial MOU and the original agreement. The First Amendment reduced the monthly billing rate for 13 beds to \$533,813 from \$685,100 and reduced the rate for 23 beds to \$944,438 from \$1,140,800. The First Amendment also added a middle tier of 18 beds for a monthly rate of \$739,125. According to DPH staff, the billing rates were determined based on Chinese Hospital’s calculation of costs for providing the services, including staffing, direct care supplies, and indirect costs.

The contract billing rates are more expensive compared to DPH costs for skilled nursing beds at Laguna Honda Hospital and Medi-Cal reimbursement rates. Based on the monthly billing rates presented above, the daily cost per bed is \$1,369, which is 57 percent greater than DPH costs for skilled nursing beds (\$871) and 81 percent greater than Medi-Cal reimbursement rates for skilled nursing beds at Laguna Honda Hospital (\$758).¹ According to DPH staff, the Chinese Hospital beds are licensed and charged as acute care beds, not skilled nursing beds, resulting in higher costs compared to skilled nursing beds due to staffing ratio requirements. In addition, because the beds are not licensed as skilled nursing beds, Chinese Hospital cannot bill Medi-Cal or Medicare for bed costs, resulting in higher billing to DPH. DPH staff also report that at the time the contract was negotiated with Chinese Hospital, the unit was in the process of becoming certified by the State Department of Public Health for skilled nursing level of care² and there were no additional skilled nursing facilities willing to contract with DPH due to COVID-19 outbreaks and reduced or suspended admissions at the facilities.

Historical Billing and Expenditures

Based on the average daily census, DPH paid for all 23 beds from April 2020 through March 2021. Between April 2021 and December 2021, DPH paid for 13 beds due to a reduced average daily census. The average daily census was at or below five patients between June 2021 and December 2021 as shown in Attachment 1.

Actual spending for the contract term December 2020 through December 2021 was \$9,821,378, or \$321,378 more than the \$9.5 million not-to-exceed amount. According to the DPH staff, expenses incurred above the agreement not-to-exceed amount have not been paid, pending approval of the proposed Second Amendment. DPH paid Chinese Hospital Association \$9.1 million for skilled nursing services under the April 2020 memorandum of understanding before the existing agreement was in place. In total, actual spending was approximately \$18.9 million between April 2020 and December 2021.

Exhibit 2: Actual Expenditures, April 2020 – December 2021

Contract	Number of Months	Not to Exceed Amount	Actual Expenditures
MOU effective April 2020	8 months (Apr 2020 – Nov 2020)	n/a	\$9,126,400
Agreement effective Dec 2020	13 months (Dec 2020 – Dec 2021)	\$9,500,000	9,821,378
Total	21 months		\$18,947,778

Source: DPH

¹ Based on the California Department of Health Care Services skilled nursing facility reimbursement rates provided by DPH staff, including a \$623.70 skilled nursing facility reimbursement rate and a \$134.48 distinct part nursing facility supplemental reimbursement rate.

² According to DPH, the State suspended skilled nursing certification surveys to attend to COVID-19 response work and only recently began scheduling them again.

Funding Sources

The Second Amendment to the Agreement would initially be funded by the General Fund. DPH staff anticipate that 100 percent of the \$19.0 million not to exceed amount would be reimbursed by the Federal Emergency Management Agency (FEMA). The beds cannot be billed for insurance reimbursement until the facility has been certified as a skilled nursing facility.

POLICY CONSIDERATION

As the COVID-19 pandemic continues, DPH will need to maintain surge capacity at San Francisco General Hospital on an on-going basis in part by discharging non-acute patients to skilled nursing level of care beds, as clinically appropriate. To date, Laguna Honda Hospital has not been able to accept sufficient patients from San Francisco General Hospital to meet this need, and the existing agreement with Chinese Hospital has been used to address this gap. However, the existing emergency contract was not competitively procured (as permitted under the Mayor's 13th Supplement, see above), and DPH is paying acute care costs for skilled nursing level of care patients. Moreover, the proposed \$9,500,000 contract increase assumes an average daily census of 19 patients,³ however, as shown in Attachment 1, the average daily patient census was 17 between April 2020 and May 2021 and was four between June 2021 and December 2021, during which time the City paid for 13 beds per month, as required by the agreement.

We therefore recommend the Board of Supervisors: (a) request that DPH undertake a competitive solicitation for skilled nursing bed overflow, and (b) request that DPH enter into a six-month contract extension with a revised not to exceed amount of \$14,250,000 rather than a 12-month contract extension with Chinese Community Hospital with a not to exceed amount of \$19,000,000. This would allow for the continuation of services, payment of previously incurred expenses of \$321,378, and provide six months for DPH to complete a competitive procurement process prior to the expiration of the existing agreement. Based on the skilled nursing facility daily bed rates at Laguna Honda (\$871) and Medi-Cal daily bed rates (\$758), we estimate the City could save up to \$2 million the last six months of the agreement by securing a lower rate.⁴

We therefore recommend that the Board of Supervisors amend the proposed resolution to reduce the not-to-exceed amount to \$14,250,000. This will give DPH adequate time to conduct a procurement and sufficient resources to maintain surge capacity at San Francisco General Hospital in the interim.

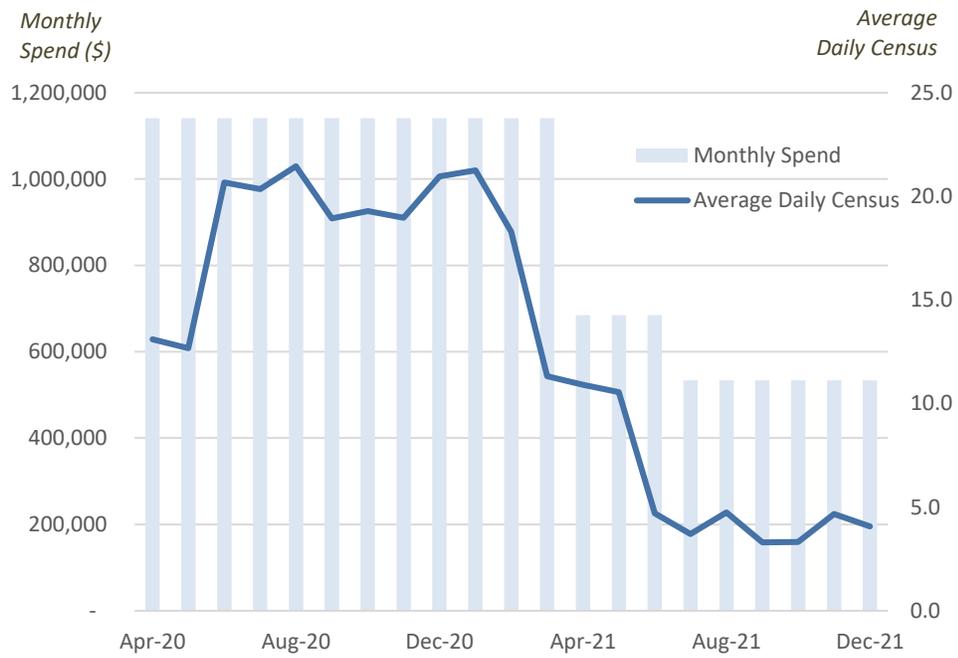

³ The \$9.5 million for 2022 Chinese Hospital contract costs divided by \$1,369 per day per day divided by 365 days is equal to 19 beds per day.

⁴ Six months of the 2022 Chinese Hospital contract costs is \$4,750,000 (half of \$9,500,000), which is \$2,014,000 more than the cost of 19 beds per day at \$800 per day for six months (\$2,736,000).

RECOMMENDATIONS

1. Request that (a) DPH undertake a competitive solicitation for skilled nursing bed overflow, and (b) DPH enter into a six-month contract extension with a revised not to exceed amount of \$14,250,000.
2. Reduce the proposed resolution's not to exceed amount from \$19 million to \$14,250,000.
3. Approve the proposed resolution, as amended.

3.1 Certification of Funds; Budget and Fiscal Provisions; Termination in the Event of Non-Appropriation.

This Agreement is subject to the budget and fiscal provisions of the City's Charter. Charges will accrue only after prior written authorization certified by the Controller, and the amount of City's obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This Agreement will terminate without penalty, liability or expense of any kind to City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, liability or expense of any kind at the end of the term for which funds are appropriated. City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. Contractor's assumption of risk of possible non-appropriation is part of the consideration for this Agreement.

THIS SECTION CONTROLS AGAINST ANY AND ALL OTHER PROVISIONS OF THIS AGREEMENT.

3.2 **Guaranteed Maximum Costs.**

The City's payment obligation to Contractor cannot at any time exceed the amount certified by City's Controller for the purpose and period stated in such certification. Absent an authorized Emergency per the City Charter or applicable Code, no City representative is authorized to offer or promise, nor is the City required to honor, any offered or promised payments to Contractor under this Agreement in excess of the certified maximum amount without the Controller having first certified the additional promised amount and the Parties having modified this Agreement as provided in Section 11.5, "Modification of this Agreement."

3.3 **Compensation.**

Contractor shall provide an invoice to the City on a monthly basis for Services completed in the immediate preceding month, unless a different schedule is set out in Appendix B, "Calculation of Charges." Compensation shall be made for Services identified in the invoice that the Director of Health, in his or her sole discretion, concludes has been satisfactorily performed. Payment shall be made within 30 calendar days of receipt of the invoice, unless the City notifies the Contractor that a dispute as to the invoice exists. In no event shall the amount of this Agreement exceed **\$9,500,000 (nine million five hundred thousand dollars and no cents)**. The breakdown of charges associated with this Agreement appears in Appendix B, "Calculation of Charges," attached hereto and incorporated by reference as though fully set forth herein. A portion of payment may be withheld until conclusion of the Agreement if agreed to by both parties as retainage, described in Appendix B. In no event shall City be liable for interest or late charges for any late payments.

3.3.2 Payment Limited to Satisfactory Services. Contractor is not entitled to any payments from City until Department of Public Health approves Services, including any furnished Deliverables, as satisfying all of the requirements of this Agreement. Payments to Contractor by City shall not excuse Contractor from its obligation to replace unsatisfactory Deliverables, including equipment, components, materials, or Services even if the unsatisfactory character of such Deliverables, equipment, components, materials, or Services may not have been apparent or detected at the time such payment was made. Deliverables, equipment, components, materials and Services that do not conform to the requirements of this Agreement may be rejected by City and in such case must be replaced by Contractor without delay at no cost to the City.

3.3.3 Withhold Payments. If Contractor fails to provide Services in accordance with Contractor's obligations under this Agreement, the City may withhold any and all payments due Contractor until such failure to perform is cured, and Contractor shall not stop work as a result of City's withholding of payments as provided herein.

3.3.4 Invoice Format. Invoices furnished by Contractor under this Agreement must be in a form acceptable to the Controller and City, and must include a unique invoice number. (a) **Disallowance.** If Contractor requests or receives payment from City for Services, reimbursement for which is later disallowed by the State of California or United States Government, Contractor shall promptly refund the disallowed amount to City upon City's request. At its option, City may offset the amount disallowed from any payment due or to become due to Contractor under this Agreement or any other agreement between Contractor and City.

(b) **Reserved. (Grant Terms)**

3.4 Audit and Inspection of Records.

3.4.1 Contractor agrees to maintain and make available to the City, during regular business hours, accurate books and accounting records relating to its Services. Contractor will permit City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not fewer than five years, unless required for a longer duration due to Federal, State, or local requirements of which the City will notify contractor in writing, after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any Federal agency having an interest in the subject matter of this Agreement shall have the same rights as conferred upon City by this Section. Contractor shall include the same audit and inspection rights and record retention requirements in all subcontracts.

3.4.2 Contractor shall annually have its books of accounts audited by a Certified Public Accountant and a copy of said audit report and the associated management letter(s) shall be transmitted to the Director of Public Health or his /her designee within one hundred eighty (180) calendar days following Contractor's fiscal year end date. If Contractor expends \$750,000 or more in Federal funding per year, from any and all Federal awards, said audit shall be conducted in accordance with 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. Said requirements can be found at the following website address: https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl.

If Contractor expends less than \$750,000 a year in Federal awards, Contractor is exempt from the single audit requirements for that year, but records must be available for review or audit by appropriate officials of the Federal Agency, pass-through entity and General Accounting Office.

Contractor agrees to reimburse the City any cost adjustments necessitated by this audit report. Any audit report which addresses all or part of the period covered by this Agreement shall treat the service components identified in the detailed descriptions attached to Appendix A and referred to in the Program Budgets of Appendix B as discrete program entities of the Contractor.

3.4.3 The Director of Public Health or his / her designee may approve a waiver of the audit requirement in Section 3.4.1 above, if the contractual Services are of a consulting or personal services nature, these Services are paid for through fee for service terms which limit the City's risk with such contracts, and it is determined that the work associated with the audit would produce undue burdens or costs and would provide minimal benefits. A written request for a waiver must be submitted to the DIRECTOR ninety (90) calendar days before the end of the Agreement term or Contractor's fiscal year, whichever comes first.

3.4.4 Any financial adjustments necessitated by this audit report shall be made by Contractor to the City. If Contractor is under contract to the City, the adjustment may be made in the next subsequent billing by Contractor to the City, or may be made by another written schedule determined solely by the City. In the event Contractor is not under contract to the City, written arrangements shall be made for audit adjustments.

3.5 Submitting False Claims.

The full text of San Francisco Administrative Code Chapter 21, Section 21.35, including the enforcement and penalty provisions, is incorporated into this Agreement. Pursuant to San Francisco Administrative Code §21.35, any contractor or subcontractor who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A contractor or subcontractor will be deemed to have submitted a false claim to the City if the contractor or subcontractor: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

3.6 Payment of Prevailing Wages. (Reserved)

3.7 Contract Amendments; Budgeting Revisions.

3.7.1 **Formal Contract Amendment:** Contractor shall not be entitled to an increase in the Compensation or an extension of the Term unless the Parties agree to a Formal Amendment in accordance with the San Francisco Administrative Code and Section 11.5 (Modifications of this Agreement).

3.7.2 **City Revisions to Program Budgets:** The City shall have authority, without the execution of a Formal Amendment, to purchase additional Services and/or make changes to the work in accordance with the terms of this Agreement (including such terms that require Contractor's agreement), not involving an increase in the Compensation or the Term by use of a written City Program Budget Revision.

3.7.3 **City Program Scope Reduction.** Given the local emergency, the pandemic, and the City's resulting budgetary position, and in order to preserve the Agreement and enable Contractor to

continue to perform work albeit potentially on a reduced basis, the City shall have authority during the Term of the Agreement, without the execution of a Formal Amendment, to reduce scope, temporarily suspend the Agreement work, and/or convert the Term to month-to-month (Program Scope Reduction), by use of a written Revision to Program Budgets, executed by the Director of Health, or his or her designee, and Contractor. Contractor understands and agrees that the City's right to effect a Program Scope Reduction is intended to serve a public purpose and to protect the public fisc and is not intended to cause harm to or penalize Contractor. Contractor provides City with a full and final release of all claims arising from a Program Scope Reduction. Contractor further agrees that it will not sue the City for damages arising directly or indirectly from a City Program Scope Reduction.

Article 4 Services and Resources

4.1 Services Contractor Agrees to Perform.

Contractor agrees to perform the Services provided for in Appendix A, "Scope of Services." Officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for, Services beyond the Scope of Services listed in Appendix A, unless Appendix A is modified as provided in Section 11.5, "Modification of this Agreement."

4.2 Qualified Personnel.

Contractor shall utilize only competent personnel under the supervision of, and in the employment of, Contractor (or Contractor's authorized subcontractors) to perform the Services. Contractor will comply with City's reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.

4.3 Subcontracting.

4.3.1 Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All Subcontracts must incorporate the terms of Article 10 "Additional Requirements Incorporated by Reference" of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this section is void.

4.3.2 Contractor will not employ subcontractors.

4.4 Independent Contractor; Payment of Employment Taxes and Other Expenses.

4.4.1 **Independent Contractor.** For the purposes of this Article 4, "Contractor" shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Contractor, its agents, and employees will not represent or hold themselves out to be employees of the City at any time. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or

local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with this section. Should City determine that Contractor, or any agent or employee of Contractor, is not performing in accordance with the requirements of this Agreement, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor, or any agent or employee of Contractor, warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 Payment of Employment Taxes and Other Expenses. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor or a Contractor staff member is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the employment tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority find an employment tax liability for past services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to this Section 4.4 shall be solely limited to the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this section.

4.5 Assignment.

The Services to be performed by Contractor are personal in character. Neither this Agreement, nor any duties or obligations hereunder, may be directly or indirectly assigned, novated, hypothecated, transferred, or delegated by Contractor, or, where the Contractor is a joint venture, a joint venture partner, (collectively referred to as an "Assignment") unless first approved by City by written instrument executed and approved in the same manner as this Agreement in accordance with the Administrative Code. The City's approval of any such Assignment is subject to the Contractor demonstrating to City's reasonable satisfaction that the proposed transferee is: (i) reputable and capable, financially and otherwise, of performing each of Contractor's obligations under this Agreement and any other documents to be assigned, (ii) not forbidden by applicable law from transacting business or entering into contracts with

City; and (iii) subject to the jurisdiction of the courts of the State of California. A change of ownership or control of Contractor or a sale or transfer of substantially all of the assets of Contractor shall be deemed an Assignment for purposes of this Agreement. Contractor shall immediately notify City about any Assignment. Any purported Assignment made in violation of this provision shall be null and void.

4.6 **Warranty.**

Contractor warrants to City that the Services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the Services are performed so as to ensure that all Services performed are correct and appropriate for the purposes contemplated in this Agreement.

Article 5 Insurance and Indemnity

5.1 **Insurance.**

5.1.1 **Required Coverages.** Insurance limits are subject to Risk Management review and revision, as appropriate, as conditions warrant. Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

(a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than \$1,000,000 each accident, injury, or illness; and

(b) Commercial General Liability Insurance with limits not less than \$2,000,000 each occurrence for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations; policy must include Abuse and Molestation coverage.

(d) Professional Liability Insurance, applicable to Contractor's profession, with limits not less than \$1,000,000 for each claim with respect to negligent acts, errors or omissions in connection with the Services.

(e) Reserved. (Technology Errors and Omissions Coverage).

(f) Cyber and Privacy Coverage. Contractor shall maintain in force during the full life of the agreement Cyber and Privacy Insurance with limits of not less than \$2,000,000 per claim. Such insurance shall include coverage for liability arising from theft, dissemination, and/or use of confidential information, including but not limited to, bank and credit card account information or personal information, such as name, address, social security numbers, protected health information or other personally identifying information, stored or transmitted in any form..

5.1.2 Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to name as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.

5.1.3 Contractor's Commercial General Liability and Commercial Automobile Liability Insurance policies shall provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that the insurance applies separately to each insured against whom claim is made or suit is brought.

5.1.4 All policies shall be endorsed to provide thirty (30) days' advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in coverages. Notices shall be sent to the City address set forth in Section 11.1, entitled "Notices to the Parties."

5.1.5 Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

5.1.6 Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

5.1.7 Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

5.1.8 Before commencing any Services, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

5.1.9 The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

5.1.10 If Contractor will use any subcontractor(s) to provide Services, Contractor shall require the subcontractor(s) to provide all necessary insurance and to name the City and County of San Francisco, its officers, agents and employees and the Contractor as additional insureds.

5.2 **Indemnification.**

5.2.1 Contractor shall indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them from and against any and all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise) arising from or in any way connected with any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute or regulation, including but not limited to privacy or personally identifiable information, health information, disability and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising

from Contractor's execution of subcontracts not in accordance with the requirements of this Agreement applicable to subcontractors; so long as such injury, violation, loss, or strict liability (as set forth in subsections (i) – (v) above) arises directly or indirectly from Contractor's performance of this Agreement, including, but not limited to, Contractor's use of facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors, or either's agent or employee. Contractor shall also indemnify, defend and hold City harmless from all suits or claims or administrative proceedings for breaches of federal and/or state law regarding the privacy of health information, electronic records or related topics, arising directly or indirectly from Contractor's performance of this Agreement, except where such breach is the result of the active negligence or willful misconduct of City. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

5.2.2 In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter.

5.2.3 Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services.

Article 6 Liability of the Parties

6.1 Liability of City.

CITY'S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 3.3.1, "PAYMENT," OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT

6.2 Liability for Use of Equipment.

City shall not be liable for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented or loaned by City.

6.3 Liability for Incidental and Consequential Damages.

Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions.

Article 7 Payment of Taxes

7.1 Taxes.

Except for any applicable California sales and use taxes charged by Contractor to City, Contractor shall pay all taxes, including possessory interest taxes levied upon or as a result of this Agreement, or the Services delivered pursuant hereto. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by the City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 Possessory Interest Taxes.

Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply:

7.2.1 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

7.2.2 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a "change in ownership" for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

7.2.3 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax. Code section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

7.2.4 Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

7.3 Withholding.

Contractor agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Contractor further acknowledges and agrees that City may withhold any payments due to Contractor under this Agreement if Contractor is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations

Code. Any payments withheld under this paragraph shall be made to Contractor, without interest, upon Contractor coming back into compliance with its obligations.

Article 8 Termination and Default

8.1 Termination for Convenience

8.1.1 City shall have the option to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor a minimum of 90 day's written notice of termination. The notice shall specify the date on which termination shall become effective. In addition, no termination can take place unless and until the Parties mutually agree that there will be no impact to patient care. In the event of termination, Contractor shall present the City with a final invoice for all appropriate charges.

8.2 Termination for Default; Remedies.

8.2.1 Each of the following shall constitute an immediate event of default ("Event of Default") under this Agreement. No termination for default can take place unless and until the Parties mutually agree that there will be no impact to patient care. :

(a) Contractor fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement:

3.5	Submitting False Claims.	10.10	Alcohol and Drug-Free Workplace
4.5	Assignment	10.13	Working with Minors
Article 5	Insurance and Indemnity	11.10	Compliance with Laws
Article 7	Payment of Taxes	Article 13	Data and Security

(b) Contractor fails or refuses to perform or observe any other term, covenant or condition contained in this Agreement, including any obligation imposed by ordinance or statute and incorporated by reference herein, and such default is not cured within ten days after written notice thereof from City to Contractor. If Contractor defaults a second time in the same manner as a prior default cured by Contractor, City may in its sole discretion immediately terminate the Agreement for default or grant an additional period not to exceed five days for Contractor to cure the default.

Appendix A-1
San Francisco Novel Coronavirus (COVID-19) SFGH Surge Support
FY2020-2021

BACKGROUND:

COVID-19 is a serious respiratory illness caused by a new coronavirus that is easily spread from person to person. On February 25, 2020 Mayor London Breed issued an emergency declaration to strengthen San Francisco's response to COVID-19 to protect San Franciscans.

March 5, 2020 SFGH received its first two patients for COVID-19 and entered into a surge of cases. Concern about hospitals getting overwhelmed began to grow. It was important to ensure acute care beds remained available by transferring out lower level of care patients to maximize availability of acute care beds.

Scope of Work:

Placement for lower level of care patients to support maintaining acute surge capacity at SFGH.

Roles and Responsibilities:

1. Referrals come from SFGH inpatient units. If the referral is appropriate, they coordinate transportation to the alternate placement. If the referral is not appropriate, the alternate placement facility should work with SFGH staff to mitigate barriers to accept the placement.
2. Once admitted, Chinese Hospital Association will provide identified care needs and discharge planning.
3. Chinese Hospital Association will conduct standard Utilization Management and Care Coordination per CDPH standards.
4. Laguna Honda Hospital Utilization Management staff will conduct monthly audit of Chinese Hospital Association Utilization Management findings via HIPAA secure electronic record transfers.
5. Chinese Hospital Association will attempt to bill insurance or other appropriate payor sources to help reduce cost to SF DPH.
6. Chinese Hospital Association will invoice SF DPH monthly.
7. SF DPH will issue payment within 30 days from invoice receipt.
8. Chinese Hospital Association will provide census and discharge reports upon request.

Contractor further understands that no payment of any portion of this contingency amount will be made unless and until such modification or budget revision has been fully approved and executed in accordance with applicable City and Department of Public Health laws, regulations and policies/procedures and certification as to the availability of funds by Controller. Contractor agrees to fully comply with these laws, regulations, and policies/procedures.

C. A final closing invoice, clearly marked "FINAL," shall be submitted no later than forty-five (45) calendar days following the closing date of the Agreement, and shall include only those Services rendered during the referenced period of performance. If Services are not invoiced during this period, all unexpended funding set aside for this Agreement will revert to City. APPENDIX D FEMA EMERGENCY & EXIGENCY CONTRACTS REQUIREMENTS

1. Contract Requirements. This contract may be eligible for FEMA funding. FEMA requires inclusion of the following contract provisions for procurement under exigent or emergency circumstances. The Parties must comply with these provisions as a minimum. In the event of a conflict with other provisions in this contract that address the same or a similar requirement, the provisions that are stricter and impose the greater duties upon Contractor shall apply.

2. Remedies for Breach. In addition to all other remedies included in this contract, Contractor shall, at a minimum, be liable to the City for all foreseeable damages it incurs as a result of Contractor violation or breach of the terms of this contract. This includes without limitation any costs incurred to remediate defects in Contractor's services and/or the additional expenses to complete Contractor's services beyond the amounts agreed to in this contract, after Contractor has had a reasonable opportunity to remediate and/or complete its services as otherwise set for in this contract. All remedies provided for in this contract may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy.

3. Termination for Convenience. City shall have the option, in its sole discretion, to terminate this Contract, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective. In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the termination date specified by City, except for those costs reasonably necessary to effectuate demobilization from the work.

4. Termination for Cause. On and after any event of default, City shall have the right to exercise its legal and equitable remedies, including without limitation, the right to terminate this contract for cause or to seek specific performance of all or any part of this contract. In addition, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any event of default. Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. City shall have the right to offset from any amounts due to Contractor under this contract or any other contract between City and Contractor all damages, losses, costs or expenses incurred by City as a result of such event of default and any liquidated damages due from Contractor pursuant to the terms of this contract or any other contract.

5. Work Hours and Safety Standards. If this contract is for a price in excess of \$100,000, and involves the employment of mechanics or laborers, Contractor agrees as follows:

A. Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed

on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

B. Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (A) of this section the Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, Contractor and subcontractor(s) shall be liable to the United States for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (A) of this section, in the sum of \$26 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (A) of this section.

C. Withholding for unpaid wages and liquidated damages. The City shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (B) of this section.

D. Subcontracts. The Contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraphs (A) through (D) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The Contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (A) through (D) of this section.

E. This Section 5 does not apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
