13 Be it ordained by the People of the City and County of San Francisco:

14

15 Section 1. Purpose and Findings.

16 (a) The City and County of San Francisco is facing an unprecedented public health
17 and economic crisis due to the COVID-19 pandemic. On February 25, 2020, the Mayor
18 proclaimed a state of emergency due to COVID-19 and the Board of Supervisors concurred in
19 the emergency. On March 13, 2020, the Mayor adopted the first of a series of emergency
20 orders to prevent the eviction of tenants who were unable to pay certain months' rent due to
21 the financial impacts of COVID-19. The City later adopted an ordinance (Ordinance No. 93-
22 20) to protect tenants from being evicted due to an inability to pay rent, if the tenant could not
23 pay due to the financial impacts of COVID-19 and the missed rent payments originally came
24 due between March 16, 2020, and September 30, 2020. The City also created a COVID-19
25 Rent Resolution and Relief Fund (Ordinance No. 227-20) to provide support to eligible

1 landlords whose tenants are unable to pay rent due to the financial impacts of the COVID-19
2 pandemic. The Mayor allowed the emergency orders specific to non-payment evictions to
3 lapse following the adoption of Ordinance No. 93-20, but the February 25, 2020 proclamation
4 remains in effect due to the ongoing circumstances of the emergency.

5 (b) At the state level, the Legislature adopted the Tenant, Homeowner, and Small
6 Landlord Relief and Stabilization Act of 2020 (hereafter, "AB 832"), which enacted additional
7 eviction protections for tenants who were unable to pay their rent due to COVID-19. AB 832
8 addresses evictions for non-payment of rent that came due between March 1, 2020 and
9 March 31, 2022, and states that it does not alter a local government's authority to extend,
10 expand, renew, reenact, or newly adopt an ordinance that requires just cause for termination
11 of a residential tenancy or amend existing ordinances that require just cause for termination of
12 a residential tenancy, provided that such provision not apply to rental payments that came due
13 between March 1, 2020, and March 31, 2022; and provided further that such provisions shall
14 have no effect before April 1, 2022.

15 (c) The City finds there is a compelling need to continue providing protections to San
16 Francisco tenants who remain unable to pay rent that comes due on or after April 1, 2022,
17 due to the financial impacts of COVID-19. The City has made progress in reopening its
18 economy, but the situation is still unstable and the recent surge of the highly infectious
19 Omicron variant highlights the serious consequences that could result if evictions of the City's
20 most vulnerable residents were to resume. Residents need to be able to stay safely in their
21 homes and find employment opportunities within a pandemic economy, and many will be at
22 risk of permanent displacement if evicted, and many potentially impacted renters are also
23 essential workers on whom the City depends.

24 (d) Following the creation in 2021 of two federal Emergency Rental Assistance
25 Programs, as well as the allocation of local funds, significant investments have been made to

1 COVID-19 rent relief programs for the benefit of San Francisco landlords and tenants,
2 including \$120 million in combined federal dollars, \$42 million in funding from Proposition I
3 (including a supplemental appropriation from FY20-21), and \$20 million in funding from
4 Proposition C. In addition, Governor Newsom publicly pledged in June 2021 to cover all of
5 the unpaid rent for low income tenants. But despite these developments, rent relief has
6 lagged. While many claims for rent relief have been processed, recent figures show that as of
7 February 1, 2022, approximately 11,000 applications for rent relief remain outstanding and
8 that of the \$266 million in requested relief from San Francisco residents, only \$81 million in
9 funds have been disbursed.

10 (e) The Board of Supervisors finds it is in the public interest to prevent tenant
11 displacement in San Francisco due to COVID-19 to the maximum extent permitted by law.
12 Pursuant to the City’s regular authority to regulate evictions, and consistent with AB 832, this
13 ordinance applies to rent payments that originally came due on or after April 1, 2022, through
14 the end of the Mayor’s proclamation of emergency related to the COVID-19 pandemic.
15 Nothing in this ordinance shall affect or impair the application of any other City law or AB 832
16 with respect to rent payments that originally came due before April 1, 2022.

17 (f) Finally, the Board of Supervisors finds it is appropriate to repeal Ordinance No.
18 157-21. The City adopted Ordinance No. 157-21 as an interim measure before AB 832 was
19 adopted, to amend the Administrative Code to restrict landlords from evicting tenants due to
20 the non-payment of rent that came due between October 1, 2021 and December 31, 2021.
21 Pursuant to its terms, Ordinance No. 157-21, although enacted, never became operative (and
22 thus was never codified), and at this point will not become operative, as the State of California
23 did not modify California Code of Civil Procedure Section 1179.05 in order to allow the City to
24 regulate evictions for non-payment during the time period that Ordinance No. 157-21 covered.

1 Section 2. Repeal of Ordinance No. 157-21.

2 (a) Ordinance No. 157-21 is deemed null and void and is hereby repealed.

3 (b) The Clerk of the Board of Supervisors shall place a copy of this ordinance in Board
4 File No. 210601, the file for Ordinance No. 157-21, and shall place a notation on the Board's
5 website indicating that Ordinance No. 157-21 has been repealed by this ordinance.
6

7 Section 3. The Administrative Code is hereby amended by revising Section 37.9, to
8 read as follows:

9 **SEC. 37.9. EVICTIONS.**

10 Notwithstanding Section 37.3, this Section 37.9 shall apply as of August 24, 1980, to all
11 landlords and tenants of rental units as defined in Section 37.2(r).

12 (a) A landlord shall not endeavor to recover possession of a rental unit unless:

13 (1) The tenant:

14 (A) Has failed to pay the rent to which the landlord is lawfully entitled
15 under the oral or written agreement between the tenant and landlord:

16 * * * *

17 (B) Habitually pays the rent late; or

18 (C) Gives checks which are frequently returned because there are
19 insufficient funds in the checking account;

20 (D) Provided, however, that subsection (a)(1) shall not apply with
21 respect to rent payments that initially became due during the time period when paragraph 2 of
22 the Governor's Executive Order No. N-28-20 (as said time period may be extended by the
23 Governor from time to time) was in effect, and where the tenant's failure to pay (i) arose out of
24 a substantial decrease in household income (including, but not limited to, a substantial
25 decrease in household income caused by layoffs or a reduction in the number of

1 compensable hours of work, or substantial out-of-pocket expenses]; (ii) that was caused by
2 the COVID-19 pandemic, or by any local, state, or federal government response to COVID-19;
3 and (iii) is documented. The types of documentation that a tenant may use to show an inability
4 to pay due to COVID-19 may include, without limitation, bank statements, pay stubs,
5 employment termination notices, proof of unemployment insurance claim filings, sworn
6 affidavits, and completed forms prepared by the Rent Board. A tenant shall have the option,
7 but shall not be required, to use third-party documentation such as a letter from an employer
8 to show an inability to pay. The provisions of this subsection (a)(1)(D), being necessary for
9 the welfare of the City and County of San Francisco and its residents, shall be liberally
10 construed to effectuate its purpose, which is to protect tenants from being evicted for missing
11 rent payments due to the COVID-19 pandemic. Nothing in this subsection (a)(1)(D) shall
12 relieve a tenant of the obligation to pay rent, nor restrict a landlord's ability to recover rent due;
13 ~~or~~

14 (E) Provided, further, that subsection (a)(1) also shall not apply with respect to
15 rent payments that initially became due during the time period between April 1, 2022, and the date that
16 the Mayor's proclamation of emergency related to the COVID-19 pandemic ceases to be in effect, if the
17 tenant can show inability to pay the rent because of the financial impacts of the COVID-19 pandemic
18 as set forth in subsection (a)(1)(D). Nothing in this subsection (a)(1)(E) shall relieve a tenant of the
19 obligation to pay rent, nor restrict a landlord's ability to recover rent due.

20 (2) The tenant has violated a lawful obligation or covenant of tenancy other than
21 the obligation to surrender possession upon proper notice or other than an obligation to pay a
22 charge prohibited by Police Code Section 919.1, the violation was substantial, and the tenant
23 fails to cure such violation after having received written notice thereof from the landlord.

24 * * * *

25

1 (E) Notwithstanding any lease provision to the contrary, a landlord may
2 not impose late fees, penalties, interest, liquidated damages, or similar charges due to a
3 tenant's non-payment of rent, if the tenant can demonstrate that it missed the rent payment
4 due to the COVID-19 pandemic as set forth in subsection (a)(1)(D) and/or (a)(1)(E). A
5 landlord may not recover possession of the unit due to a tenant's failure to pay late such
6 charges when subsection (a)(1)(D) and/or (a)(1)(E) ~~applies~~. The foregoing sentence shall not
7 enlarge or diminish a landlord's rights with respect to such charges when subsection (a)(1)(D) and/or (a)(1)(E)
8 ~~does~~ not apply; or

9 * * * *

10
11 Section 4. Severability. If any section, subsection, sentence, clause, phrase, or word
12 of this ordinance, or any application thereof to any person or circumstance, is held to be
13 invalid or unconstitutional by a decision of a court of competent jurisdiction, such decision
14 shall not affect the validity of the remaining portions or applications of the ordinance. The
15 Board of Supervisors hereby declares that it would have passed this ordinance and each and
16 every section, subsection, sentence, clause, phrase, and word not declared invalid or
17 unconstitutional without regard to whether any other portion of this ordinance or application
18 thereof would be subsequently declared invalid or unconstitutional.

19
20 Section 5. Effective Date; Retroactivity.

21 (a) This ordinance shall become effective on April 1, 2022, or 30 days after
22 enactment, whichever is later. Enactment occurs when the Mayor signs the ordinance, the
23 Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of
24 receiving it, or the Board of Supervisors overrides the Mayor's veto of the ordinance.

1 (b) If the effective date of this ordinance is not April 1, 2022, upon the effective date of
2 the ordinance, Section 3 of the ordinance shall be retroactive to April 1, 2022.

3
4 Section 6. Scope of Ordinance. Except as to Section 2 of this ordinance which repeals
5 Ordinance No. 157-21, which was never codified, in enacting this ordinance the Board of
6 Supervisors intends to amend only those words, phrases, paragraphs, subsections, sections,
7 articles, numbers, punctuation marks, charts, diagrams, or any other constituent parts of the
8 Municipal Code that are explicitly shown in this ordinance as additions, deletions, Board
9 amendment additions, and Board amendment deletions in accordance with the "Note" that
10 appears under the official title of the ordinance.

LEGISLATIVE DIGEST

[Administrative Code - COVID-19 Tenant Protections]

Ordinance amending the Administrative Code to prohibit landlords from evicting residential tenants for non-payment of rent that came due on or after April 1, 2022, and was not paid due to the COVID-19 pandemic; and to prohibit landlords from imposing late fees, penalties, or similar charges on such tenants.

Existing Law

City law prohibits landlords from evicting or imposing late fees on residential tenants based on unpaid rent that came due between March 2020-September 2021, if the tenant could not pay due to COVID-19. For unpaid rent from between October 2020-March 2022, State law, the Tenant, Homeowner, and Small Landlord Relief and Stabilization Act of 2020 (“AB 832”), controls. AB 832 does not address evictions based on unpaid rent that came due on or after April 1, 2022.

Amendments to Current Law

The proposed ordinance would prohibit landlords from evicting or imposing late fees on residential tenants based on unpaid rent that came due between April 1, 2022, and the date that the Mayor terminates her COVID-19 Emergency Proclamation. The Mayor has not yet announced an end date for the Emergency Proclamation.

Dear Land Use Committee Chair Melgar and the San Francisco Board of Supervisors,

The San Francisco Anti-Displacement Coalition urges you to support file #220131, the COVID-19 Tenant Protections that will be heard in the Land Use Committee this afternoon. State preemptions on our local authority to protect tenants from eviction due to non payment of rent during the COVID period are set to expire March 31. We can now reinstate the simple protections that we previously had in place and prevent an avalanche of eviction cases for tenants financially impacted by the pandemic.

Although state eviction protections are set to fully expire on March 31, we know that the economic impacts of COVID have not ended. Over 10,000 local households who have applied for rent relief have yet to see their applications processed by the state ERA Program. The most recent [Census Pulse](#) survey indicates that nearly 30% of tenants surveyed were unconfident or only slightly confident in their ability to make next month's rent payments, and this number jumps to over 70% of those waiting for their rent relief applications to be processed. A quarter of households with children are behind on rent. Nearly three quarters of households behind on rent make less than \$50,000 a year, and more than 80% are BIPOC. Without the extension of local protections, we can expect that many Black and Brown and low-income San Franciscans will face eviction, many displaced via harassment and intimidation before they ever get to court. Separating evictions from the debt accrued during this extraordinary period gives us time to ensure a recovery that includes *all* San Franciscans.

We thank the board for your leadership in this time and your support for this essential tool in stabilizing our communities through this recovery period.

MEMORANDUM

TO: Christina Varner, Acting Executive Director, Rent Board

FROM: Erica Major, Assistant Clerk, Land Use and Transportation Committee

DATE: February 9, 2022

SUBJECT: LEGISLATION INTRODUCED

The Board of Supervisors' Land Use and Transportation Committee has received the following proposed legislation, introduced by Supervisor Preston on February 1, 2022:

File No. 220131

Ordinance amending the Administrative Code to prohibit landlords from evicting residential tenants for non-payment of rent that came due on or after April 1, 2022, and was not paid due to the COVID-19 pandemic; and to prohibit landlords from imposing late fees, penalties, or similar charges on such tenants.

To the Board of Supervisors:

I am a small rental property owner in San Francisco.

I just completed an eviction of a tenant that caused huge problems with the 3 other tenants, forced all 3 other tenants to vacate the unit and stopped paying rent.

The eviction process took a month JUST to serve, as the State of California required a 30 Day period for the tenant to give us notice he did NOT have COVID.

During the 30 day period, the tenant did NOT pay rent and did not live in the unit.

Had I been able to evict the BAD tenant in a timely manner, the 3 other tenants WOULD have stayed in the unit. Unfortunately, the other tenants were forced to leave San Francisco or find other housing.

In a City that needs housing, your onerous Rent Control laws make it so difficult and expensive to provide units, owners finally say enough is enough.

When units are finally vacated, we sell and the City loses a place that FOUR tenants lived.

Please stop legislation that hurts property owners!!!

Hello,

I am a renter in District 2 of San Francisco. I would like to voice my support for No on the extension of the local eviction moratorium. I have personally seen that people "game the system" and take advantage of these types of ordinances. I know of two different people who have not paid rent in over 15 months, yet their incomes are the same as before the pandemic. At a time when the local and national governments are trying to open up communities, we should not be trying to take steps back from that progress.

Please vote no on #220131. No on extending the eviction moratorium. People are simply using this as a reason to not have to pay rent, when they are perfectly able.

Thank you,

Dear supervisors,

Taking care of residents and employees has been my priority over these last two years. We have worked tirelessly encouraging all residents to work with us and HIK to get the rent relief they might need if they suffered loss of income or increased costs. We applied on behalf of all who claimed hardship and hired additional staff to do so. We made concessions as needed and worked in good faith with every resident. Many have been helped by us, HIK and even SFAA for those who needed special assistance or access to a computer. In their ideal forms rent relief and staying eviction helped some, but it also gave rise to a darker path for those with ill intent. We have also sadly had many bad actors in our residential communities who have used the moratorium as a way not to pay rent even when they could. Some moved out leaving us mountains of bad debt. Others remained. Some residents even flaunted to my staff that they still had lucrative jobs and were not paying because they did not have to, and we had no recourse. Please give closer thought to levels of accountability and fairness that should go hand in hand with any thoughts of this moratorium extension. There should be means of proof for any with a true need. Our common goal is to keep people housed.

Thank you for your consideration.

Erica,

I was just made aware of the land use meeting and the eviction moratorium proposal. While I do truly understand the plight of those affected by the pandemic, especially those that may have had their job hours curtailed or eliminated. As I am sure you are aware, there are two sides to the story. While tenants can apply for rent relief, what can the owners do? They too have tried to work with their tenants, but there are some tenants that refuse to apply for rent relief, thinking that the owed rent will be forgiven.....however what has not changed is the fact that owning the property has gone up, between utilities, taxes, maintenance, etc. where do they get relief? Their bills are still due, there is no one to help defer or bail them out.

For every action, there should be an equal reaction, until then I can not support 220131.

All the best,

Dear Board of Supervisors, Supervisor Peskin, Mr Hepner, Mr. Yan, Ms. Major: Proposal #220131 does not take a balanced approach to the problem. Both parties must enter into an agreement in a good faith effort. Tenants must provide proof that they are unable to continue paying rent; they simply cannot be excused based on an unsubstantiated statement. Landlords cannot maintain their property without sufficient rental income. If tenants don't have to pay rent, how will landlords continue to provide affordable housing services? Landlording is a small business like any other -- restaurants, cafes, retail shops - no customers, no sales, no income. If tenants don't pay rent, landlords cannot survive and end up closing shop by selling their rental property to LLCs, corporations or non-profits, signifying the end of small-time landlording. Hence, if the tenant-landlord partnership is to be preserved, there must be a balanced approach to this dilemma such as providing government assistance to both tenant and landlord. Many landlords don't qualify for or find the existing rental assistance programs too burdensome to apply for. The Board should not propose across-the-board solutions and instead, should examine exactly how their proposals impact the various types of tenants and landlords, especially the small-time landlords who own and live in only one rental property. The small-time landlord ends up bearing the brunt of these generic, thoughtless solutions and suffer financially and end up giving up their rental properties to BIG CORP, which is exactly what we don't want to happen. Thank you.

Dear Honorable Supervisors:

I own rental apartments in District 8, as well as live in the district. I am respectfully writing to urge you to vote "No" on File #221031.

During the early part of the pandemic in 2020, I happily and permanently lowered tenant rents because it was unknown how long the pandemic would last as well as not knowing what sort of tenant support would be established by the government to help tenants. Most landlords I know did the same.

It is now almost 2 years later. The state has established financial aid to tenants in the form of rental relief for over a year now. From the original "Emergency Rental Relief Act" to what is now known as "Housing is Key," many Covid-related financially affected tenants and landlords are participating in the program. There is no need to further extend the eviction moratorium. Help and protection is in place for tenants. They have free legal counsel to aid them should they be served eviction papers who could help them apply for rent relief. We thankfully seem to be headed towards the end of this pandemic. We need to start moving towards normalcy. Continuing the moratorium when safefalls are already in place is creating a nanny state where both landlords and tenants lose rights and dignity.

I respectfully ask that you vote NO.

Thank you.
