Thanks Brent!

Also, please see the following explanation regarding “retroactive approval:”

The Public Defender Accept and Expend Grant is considered “retroactive” because the state grant technically began September 1, 2021. However, the Public Defender’s Office has not hired anyone yet nor has it begun activities that are related to the grant.”

Thank you!
Carolyn

Subject: BOS File No. 2220040 - Accept and Expend Grant and Amend the Annual Salary Ordinance - Retroactive - Board of State and Community Corrections - Resentencing Pilot Program - \$750,000

Good afternoon,

As you are aware, your following item was heard in the Budget & Finance Committee on February 16, 2022, and forwarded to the full Board for March 1, 2022:

- **File No. 220040** - Accept and Expend Grant and Amend the Annual Salary Ordinance - Retroactive - Board of State and Community Corrections - Resentencing Pilot Program - \$750,000

This legislation authorizes “retroactive” approval. Due to the full Board’s concerns regarding “retroactive” approvals, please make sure you - or a department representative - will be in

attendance to answer any questions or concerns when the full Board considers this matter.

If you would like to include additional written explanation regarding the “retroactive” approval, please forward to me and I will disseminate to the Members and include in the legislative file.

Thank you for your continued collaboration on the legislative process.

Regards,

Brent Jalipa
