14 (a) Under Chapter 43, Article X of the Administrative Code (“Code”), which Code

18 030-22 entitled “Resolution of intention to establish City and County of San Francisco Special  
19 Tax District No. 2022-1 (Power Station), Improvement Area No. 1 and a Future Annexation  
20 Area, and determining other matters in connection therewith” (“Resolution of Intention to

22 District No. 2022-1 (Power Station)” (“Special Tax District”), (ii) “Improvement Area No. 1 of  
23 the City and County of San Francisco Special Tax District No. 2022-1 (Power Station)”  
24 (“Improvement Area No. 1”), and (iii) “City and County of San Francisco Special Tax District  
25

25

1 No. 2022-1 (Power Station) (Future Annexation Area)” (“Future Annexation Area”), to finance  
2 the acquisition and construction of certain facilities and services.

3 (b) The property in the Special Tax District is proposed for development with a  
4 project known as the Potrero Power Station ("Project").

5 (c) In the Resolution of Intention to Establish, this Board of Supervisors determined  
6 that it may be necessary to designate additional improvement areas when territory in the  
7 Future Annexation Area annexes into the Special Tax District (each, a “Future Improvement  
8 Area”).

9 (d) Notice was published as required by the Code relative to the intention of this  
10 Board of Supervisors to form the Special Tax District, Improvement Area No. 1 and the Future  
11 Annexation Area, to provide for certain facilities and services and to incur bonded  
12 indebtedness and other debt (as defined in the Mello-Roos Act) for Improvement Area No. 1  
13 and the Future Improvement Areas.

14 (e) This Board of Supervisors has held noticed public hearings as required by the  
15 Code relative to (i) the determination to proceed with the formation of the Special Tax District,  
16 Improvement Area No. 1 and Future Annexation Area, and the rate and method of  
17 apportionment of the special tax to be levied within Improvement Area No. 1 to finance a  
18 portion of the costs of the facilities and services and (ii) the issuance of bonded indebtedness  
19 and other debt for Improvement Area No. 1 and the Future Improvement Areas.

20 (f) At said public hearings all persons desiring to be heard on all matters pertaining  
21 to the formation of the Special Tax District, Improvement Area No. 1 and the Future  
22 Annexation Area, and the levy of said special taxes were heard, substantial evidence was  
23 presented and considered by this Board of Supervisors and a full and fair hearing was held.

24 (g) Subsequent to the public hearings, this Board of Supervisors adopted its  
25 Resolution No. \_\_\_\_ entitled “Resolution of formation of City and County of San Francisco

1 Special Tax District No. 2022-1 (Potrero Power Station), Improvement Area No. 1 and a  
2 Future Annexation Area, and determining other matters in connection therewith” (“Resolution  
3 of Formation”), its Resolution No. \_\_\_\_\_ entitled “Resolution determining necessity to incur  
4 bonded indebtedness and other debt for the City and County of San Francisco Special Tax  
5 District No. 2022-1 (Power Station), and determining other matters in connection therewith”  
6 (“Resolution of Necessity”) and its Resolution No. \_\_\_\_ entitled “Resolution calling special  
7 election in Improvement Area No. 1 of the City and County of San Francisco Special Tax  
8 District No. 2022-1 (Power Station), and determining other matters in connection therewith,”  
9 which resolutions defined the facilities to be financed by the Special Tax District, (“Facilities”)

14 (“Improvement Area No. 1 Bonded Indebtedness Limit”) and other debt (as defined in the  
15 Mello-Roos Act) for Improvement Area No. 1 upon the security of the special tax to be levied  
16 in Improvement Area No. 1 and (ii) incur bonded indebtedness in the maximum aggregate  
17 principal amount of \$63 million (“Non-Improvement Area No. 1 Bonded Indebtedness Limit”)  
18 and other debt (as defined in the Mello-Roos Act) for the territory in the Special Tax District  
19 that is not in Improvement Area No. 1 upon the security of the special tax to be levied in such  
20 territory pursuant to the Code, and called an election within Improvement Area No. 1 on the  
21 propositions of incurring bonded indebtedness and other debt for Improvement Area No. 1,  
22 levying a special tax in Improvement Area No. 1, and establishing an appropriations limit for  
23 the Special Tax District, respectively.

24 The list of Facilities and Contingent Services in Exhibit A is included in this Ordinance  
25 in order to comply with Sections 43.10.15 and 43.10.16, respectively, of the Code.

4 are incorporated in this Ordinance as if set forth in their entirety herein.

5 (i) On March 21, 2022 a special election was held within Improvement Area No. 1  
6 at which the eligible landowner-electors approved such propositions by the two-thirds vote

8 Section 2. By the passage of this Ordinance this Board of Supervisors hereby  
9 authorizes and levies special taxes within Improvement Area No. 1, at the rate and in  
10 accordance with the formula (“Rate and Method”) set forth in the Resolution of Formation,  
11 which Resolution of Formation is by this reference incorporated herein. The special taxes are  
12 hereby levied commencing in fiscal year 2022-23 and in each fiscal year thereafter for the  
13 period and for the purposes provided in the Rate and Method, as contemplated by the  
14 Resolution of Formation and the Resolution of Necessity.

16 District, the maximum amount of bonded indebtedness for such improvement area, the rate  
17 and method of apportionment of special tax for such improvement area and the appropriations  
18 limit for such improvement area shall be identified and approved in the unanimous approval  
19 executed by property owners in connection with their annexation to the Special Tax District  
20 (each, a “Unanimous Approval”) and in accordance with the Annexation Approval Procedures  
21 described in the Resolution of Formation, and the amount of the maximum indebtedness for  
22 such improvement area shall be subtracted from the Non-Improvement Area No. 1  
23 Indebtedness Limit as set forth in a resolution of this Board of Supervisors, which shall result  
24 in a reduction in the Non-Improvement Area No. 1 Indebtedness Limit.

1           This Board of Supervisors hereby authorizes (i) the levy of special taxes on parcels in  
2 the Future Annexation Area that are annexed into the Special Tax District (whether as part of  
3 a then-existing improvement area or as a newly-designated improvement area) at the rate or  
4 rates approved in the applicable Unanimous Approval and in accordance with the Annexation  
5 Approval Procedures described in the Resolution of Formation, and (ii) the apportionment and  
6 collection of the special taxes approved pursuant to the applicable Unanimous Approval and  
7 the Annexation Approval Procedures in the manner specified in the Resolution of Formation.

8           The Director of the Office of Public Finance of the City is hereby authorized and  
9 directed each fiscal year to determine the specific special tax rate and amount to be levied for  
10 the next ensuing fiscal year for each parcel of real property within Improvement Area No. 1  
11 and each Future Improvement Area, in the manner and as provided in the Resolution of  
12 Formation or the applicable Unanimous Approval.

13           Except as provided in the Rate and Method or the rate and method of apportionment of  
14 special tax for a Future Improvement Area, properties or entities of the State, federal or local  
15 governments shall be exempt from any levy of the special taxes. Other parcels shall be  
16 exempt from the levy of the special tax as provided in the Rate and Method or the rate and  
17 method of apportionment of special for a Future Improvement Area. In no event shall the  
18 special taxes be levied on any parcel within Improvement Area No. 1 or a Future Improvement  
19 Area (including any parcels in the Future Annexation Area that are annexed into the Special  
20 Tax District) in excess of the maximum tax specified in the Resolution of Formation or the  
21 applicable Unanimous Approval for a Future Improvement Area.

22           All of the collections of the special tax shall be used as provided for in the Code, in the  
23 Resolution of Formation, or in the applicable Unanimous Approval, including, but not limited  
24 to, the payment of principal and interest on bonds and other debt (as defined in the Mello-  
25 Roos Act) issued by the City for Improvement Area No. 1 or a Future Improvement Area

1 (“Bonds”), the replenishment of the reserve fund for the Bonds, the payment of the costs of  
2 the Facilities and the Contingent Services, the payment of the costs of the City in  
3 administering the Special Tax District, and the costs of collecting and administering the  
4 special tax.

5 The special taxes shall be collected in the same manner as ordinary *ad valorem* taxes  
6 are collected and shall have the same lien priority, and be subject to the same penalties and  
7 the same procedure and sale in cases of delinquency as provided for ad valorem taxes;  
8 provided, however, that this Board of Supervisors may provide for other appropriate methods  
9 of collection by resolutions of this Board of Supervisors. In addition, the provisions of Mello-  
10 Roos Act Section 53356.1 shall apply to delinquent special tax payments. The Director of the  
11 Office of Public Finance of the City is hereby authorized and directed to provide all necessary  
12 information to the auditor/tax collector of the City and County of San Francisco in order to  
13 effect proper billing and collection of the special tax, so that the special tax shall be included  
14 on the secured property tax roll of the City and County of San Francisco for fiscal year 2022-  
15 23 and for each fiscal year thereafter until the Bonds or other debt is paid in full or such longer  
16 period of time provided in the Rate and Method with respect to Improvement Area No. 1, or  
17 the rate and method of apportionment of special tax for the applicable Future Improvement  
18 Area.

19 Section 3. If for any reason the special tax is found inapplicable to any particular parcel  
20 within Improvement Area No. 1 or a Future Improvement Area, by a court of competent  
21 jurisdiction, the application of the special tax to the remaining parcels within Improvement  
22 Area No. 1 or Future Improvement Area (including any parcels in the Future Annexation Area  
23 that are annexed into the Special Tax District) shall not be affected. Furthermore, if any  
24 section, subsection, sentence, clause, phrase, or word of this ordinance, or any application  
25 thereof to any person or circumstance, is held to be invalid or unconstitutional by a decision of

1 a court of competent jurisdiction, such decision shall not affect the validity of the remaining  
2 portions or applications of this ordinance, this Board of Supervisors hereby declaring that it  
3 would have passed this ordinance and each and every section, subsection, sentence, clause,  
4 phrase, and word not declared invalid or unconstitutional without regard to whether any other  
5 portion of this ordinance or application thereof would be subsequently declared invalid or  
6 unconstitutional.

7 Section 4. This ordinance shall become effective 30 days after enactment. Enactment  
8 occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or  
9 does not sign the ordinance within 10 days of receiving it, or the Board of Supervisors  
10 overrides the Mayor's veto of the ordinance.

## **LEGISLATIVE DIGEST**

[Levying Special Taxes Special Tax District No. 2022-1 (Power Station)]

### **Ordinance levying special taxes within the City and County of San Francisco Special Tax District No. 2022-1 (Power Station).**

#### **Existing Law**

This is new law.

#### **Background Information**

The Potrero Power Station Mixed-Use Project (“Power Station Project”) develops a large portion of the City’s Central Waterfront and make it accessible to the public for the first time in 150 years. The Power Station Project site is located on approximately 29 acres of land on 6 privately-owned parcels and approximately 2.75 acres of land owned by the City and the Port of San Francisco (“Port”). Current uses on the site include a small office building occupied by the California Barrel Company LLC (“Master Developer”), an electrical switchyard owned and operated by PG&E, and street rights of way or shoreline areas owned by the Port and City. The remainder of the site includes multiple vacant structures and unused infrastructure related to the site's previous use as a power station.

The Power Station Project will involve up to three phases and is planned for, among other uses, approximately 2600 of residential units, retail and office space, life science/laboratory space, the construction of a 240 room hotel, and other related uses, including 6.9 acres of open space.

The Board of Supervisors has previously taken legislative action to establish a special tax district (“Special Tax District”) under the City Special District Financing Law to levy special taxes and issue bonds payable from such special taxes to finance the costs of certain improvements including but not limited to the following:

- Shoreline improvements including maintenance, repair, and replacement of improvements;
- Future sea level rise improvements deemed necessary or appropriate by the City to ensure that the shoreline, related public or publicly accessible facilities (located on public or private property), and public access improvements will be protected should sea level rise at or near the Project Site;
- Additional community facilities including public facilities (located on public or private property) that serve the Project Site;
- Infrastructure to be constructed by the Master Developer as described in the Infrastructure Plan attached to the Development Agreement;

- Publicly accessible parks and open space in accordance with the Design for Development;
- Public improvements including streets, all Infrastructure and public utilities within such streets (such as electricity, water and sewer lines but excluding any non-municipal utilities).
- Privately-owned community improvements that are privately-owned and privately-maintained, at no cost to the City (other than any public financing set forth in the Financing Plan), for the public benefit and not dedicated to the City.

The Special Tax District may also levy a contingent services special tax to finance maintenance, repair, replacement and operation of improvements (including privately-owned community improvements), parks and open space.

Under the proposed Ordinance, the Controller's Director of the Office of Public Finance is authorized each fiscal year to determine the specific special tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the Special Tax District, in the manner and as provided in the Resolution of Formation and the Rate and Method, and to provide for the billing and collection of the special tax.

## MEMORANDUM

**TO:** Honorable Members, Board of Supervisors

**FROM:** Anna Van Degna, Director of the Office of Public Finance  
Marisa Pereira Tully, Office of Public Finance  
Luke Brewer, Office of Public Finance  
Bridget Katz, Office of Public Finance

**DATE:** December 14, 2021

**SUBJECT:** Memorandum on the initial legislative steps to Form a Special Tax District (and a related Future Annexation Area) to finance improvements and ongoing services in the Power Station Mixed-Use Project located between 22<sup>nd</sup>, Illinois, 23<sup>rd</sup> streets and the San Francisco Bay

---

### Background

In April of 2020, the Board of Supervisors (Board) approved a package of legislation which provides the framework for the Power Station Project (Project), formerly known as the Potrero Power Station Project, consistent with prior approvals from the Port and Planning Commissions. The approved legislation included a ground lease between the City and County of San Francisco (City) and the California Barrel Company LLC (Master Developer) (file # 200217), General Plan Amendments (file # 200174), Planning Code Text and Map Amendments (file # 200039), and the Development Agreement (Agreement) between the City and the Master Developer (file # 200040). The Agreement commits the Master Developer to provide various public benefits including 30% affordable housing and approximately 6.9 acres of publicly accessible parks and open space.

Formation of the Special Tax District (District) and a related future annexation area (Future Annexation Area) is a key component of the Power Station Financing Plan (Financing Plan), which is Exhibit C of the Agreement. The process to form the Special Tax District is outlined below. Exhibit A of to this memorandum summarizes the proposed tax structure and rates for the District. The City will be authorized to levy Facilities Special Taxes to finance capital facilities as well as Contingent Services Special Taxes in the case of a Contingent Trigger Event, as outlined in the Financing Plan. After the formation of the District, project and City staff will pursue issuance of bonds that will be payable from the Facilities Special Taxes levied in the District, which will require future Board action.

## 2 | Power Station – Special Tax District Formation

Formation of the Future Annexation Area allows for additional parcels to annex into the District through a streamlined process; the Master Developer anticipates annexing property that is currently owned by Pacific Gas & Electric Company (PG&E) at a later date.

### Special Tax District Formation Process

Forming the District is a multi-step legislative process. The first legislative step is to declare the intention to form the District and the Future Annexation Area and the intention to incur bonded indebtedness and other debt for the District. The legislative packet before the Board with this introduction includes:

- Petition to Create a Special Tax District (Including Waivers), pursuant to which the Master Developer asks the Board of Supervisors to establish the District
- Resolution of Intention to establish City and County of San Francisco Special Tax District No. 2022-1 (Power Station), Improvement Area No. 1 and a Future Annexation Area, and determining other matters in connection therewith, which includes a list of authorized facilities and services and the RMA described below
- Resolution of Intention to Incur Bonded Indebtedness and Other Debt for the City and County of San Francisco Special Tax District No. 2022-1 (Power Station), and determining other matters in connection therewith
- Rate and Method of Apportionment of Special Taxes (RMA), which establishes the rate and method of levying the Facilities Special Taxes and the Contingent Services Special Taxes
- Certificate of Registrar of Voters confirming that there are no registered voters in the boundaries of the District
- Map of the Proposed Boundaries of the Special Tax District (exhibit to RMA)
- Deposit and Reimbursement Agreement, pursuant to which the Master Developer will deposit funds with the City in an amount sufficient to pay the City's non-contingent District formation costs

The second legislative step involves the Board holding a noticed public hearing, adopting a resolution forming the District, adopting a resolution declaring the necessity to incur bonded indebtedness and other debt for the District, and calling an election of the qualified elector(s); the only qualified elector for the District is expected to be the Master Developer, as the sole landowner in the District. Introduction of this second tranche of legislation is planned for late January. The election is anticipated to occur in March 2022.

The third legislative step involves the Board declaring the results of the election and introducing an ordinance levying special taxes in the District, which will be adopted at a subsequent meeting. At a subsequent meeting, the Board will adopt the ordinance levying special taxes in the District.

After the District is established, the Office of Public Finance (OPF) will return to the Board to request authorization to issue bonds, secured by the Facilities Special Taxes levied in the District, to finance the horizontal infrastructure improvements for the Project. This initial issuance of bonds is currently anticipated to occur in 2023.

### Power Station Project

The Power Station site is located on approximately 29 acres of land on 6 privately-owned parcels and approximately 2.75 acres of land owned by the City and the Port of San Francisco (Port). Current uses on the site include a small office building occupied by the Master Developer, an electrical switchyard owned and operated by PG&E, and street rights of way or shoreline areas owned by the Port and City; the remainder of the site includes multiple vacant structures and unused infrastructure related to the site's previous use as a power station.

The Project will be built in up to three phases and include:

- 2.5 million square feet (sq ft) of residential space (2,601 units);
- 100,000 sq ft of Retail Sales and Service;

- Shoreline improvements including maintenance, repair, and replacement of improvements;

The Public Improvements also include the SFPUC Infrastructure, and the SFMTA Infrastructure. The Public Improvements do not include Privately-Owned Community Improvements or, if any, privately owned facilities or improvements in the public right of way.

**“Rental Residential Square Footage”** means Square Footage that is or is expected to be used for one or more of the following uses: (i) Rental Units, (ii) any type of group or student housing which provides lodging for a week or more and may or may not have individual cooking facilities, including but not limited to boarding houses, dormitories, housing operated by medical institutions, and single room occupancy units, or (iii) a residential care facility that is not staffed by licensed medical professionals. The Administrator, in conjunction with the Review Authority, shall make the final determination as to the amount of Rental Residential Square Footage within a building, and such determination shall be conclusive and binding.

**“Rental Unit”** means (i) Residential Units within a Rental Residential Building, and (ii) all Rental Units within a Converted Rental Residential Building that have yet to be sold to an individual homeowner or investor. “Rental Unit” shall not include: (i) any Residential Unit which has been purchased by a homeowner or investor and subsequently offered for rent to the general public, or (ii) any Residential Units within a building that includes one or more For-Sale Units unless such building is a Converted Rental Residential Building. The Administrator shall make the final determination as to whether a Residential Unit is a For-Sale Unit or a Rental Unit, and such determination shall be conclusive and binding.

**“Required Coverage”** means the amount by which the Maximum IA1 Revenues must exceed the Bond debt service and priority Administrative Expenses (if any), as set forth in the Indenture, Certificate of Special Tax Consultant, or other formation or bond document that sets forth the minimum required debt service coverage.

**“Residential Unit”** means a room, or suite of two or more rooms, that is designed for residential occupancy for 32 consecutive days or more, including provisions for sleeping, eating and sanitation. “Residential Unit” will include, but not be limited to, an individual townhome, condominium, flat, apartment, or loft unit, and individual units within a senior or assisted living facility.

**“Review Authority”** means the City Planning Director or an alternate designee from the City who is responsible for approvals and entitlements of a Development Project.

**“Square Footage”** means the net saleable or net leasable square footage of each Land Use Category within a building on a Taxable Parcel, as determined by the Review Authority in conjunction with the Developer. If a Building Permit is issued that will increase Taxable Square Footage on any Parcel, the Administrator shall, in any Fiscal Year after the final Building Permit inspection has been conducted in association with such expansion, work with the Review Authority to recalculate (i) the Taxable Square Footage on each Taxable Parcel, and (ii) the Maximum Special Tax for each Taxable Parcel based on the increased Taxable Square Footage. The final determination of Square Footage for each Land Use Category on each Taxable Parcel shall be made by the Review Authority. Square Foot means, within a particular Land Use Category, a single square-foot unit of the Square Footage within that Land Use Category.

**“STD”** means the City and County of San Francisco Special Tax District No. 2022-1 (Power Station).

**“Taxable Non-Residential Square Footage”** means the Square Footage within a building that is or is expected to be: (i) Square Footage of a commercial establishment that sells general merchandise, hard goods, food and beverage, personal services, and other items directly to consumers, including but not limited to, museums, restaurants, bars, entertainment venues, health clubs, spas, laundromats, dry cleaners, repair shops, storage facilities, and parcel delivery shops; (ii) Square Footage used for office or industrial business operations; (iii) Hotel Square Footage; (iv) PDR Square Footage; and (v) any other Square Footage in the building that does not meet the definition of Rental Residential Square Footage, For-Sale Residential Square Footage, Exempt Square Footage, or Excess Exempt Square Footage. Taxable Non-Residential Square Footage shall be determined based on reference to the condominium plan, site plan, Building Permit, Certificate of Occupancy, Development Approval Documents, or as provided by the Developer or the City. The Administrator, in conjunction with the Review Authority, shall make

the final determination as to the amount of Taxable Non-Residential Square Footage on any Taxable Parcel within Improvement Area No. 1, and such determination shall be conclusive and binding. Incidental retail or commercial uses in an otherwise exempt building (e.g., a snack bar in a recreation center on Association Property) shall not constitute Taxable Non-Residential Square Footage.

**“Taxable Parcel”** means any Parcel within Improvement Area No. 1 that is not exempt from the Special Tax pursuant to law or Section H herein.

**“Taxable Public Property”** means in any Fiscal Year after the First Bond Sale, any Parcel of Public Property that satisfies all three of the following conditions: (i) the Parcel had not been Public Property on the date of the First Bond Sale; (ii) based on reference to Attachments 1 and 2 (as may be updated pursuant to Section D below), the Parcel was not anticipated to be Public Property as determined by the Administrator; and (iii) if the Parcel were to be exempt from the Facilities Special Tax because it is Public Property, the Expected Maximum Facilities Special Tax Revenues would be reduced to a point at which Required Coverage could not be maintained.

## **B. DATA FOR STD ADMINISTRATION**

On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor’s Parcel numbers for all Taxable Parcels. The Administrator shall also determine: (i) whether each Taxable Parcel is Developed Property, Undeveloped Property, Taxable Association Property, or Taxable Public Property (ii) within which Block each Assessor’s Parcel is located, (iii) for Developed Property, the For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and Excess Exempt Square Footage on each Parcel, (iv) whether the Conversion Date or the Contingent Trigger Event occurred in any prior Fiscal Year, and (v) the Facilities Special Tax Requirement and, if the Contingent Trigger Event occurred in any prior Fiscal Year, the Contingent Services Special Tax Requirement for the Fiscal Year.

The Administrator shall review Development Approval Documents and coordinate with the City and the Developer to identify Affordable Square Footage within each building. If there are transfers of Affordable Square Footage and For-Sale Residential Square Footage or Rental Residential Square Footage, as applicable, the Administrator shall refer to Section D.4 to determine the Maximum Special Taxes for each Taxable Parcel after such transfer. If, at any

time after the First Bond Sale, it is determined that a proposed increase in Affordable Square Footage will decrease Maximum IA1 Revenues to a point at which Required Coverage cannot be maintained, then some or all of the Affordable Square Footage that was not originally part of the Expected Land Uses shall be designated as Excess Exempt Square Footage and will be subject to the levy of the Facilities Special Tax pursuant to Section F herein. In such a case, the Administrator shall determine how much of the Affordable Square Footage must be subject to the Facilities Special Tax in order to maintain Required Coverage, and the City shall determine which Affordable Square Footage will be deemed Excess Exempt Square Footage. Based on the determination, the Administrator shall update Attachments 2 and 3 accordingly. Such update shall be maintained internally by the Administrator and will not require recordation of an amended RMA.

When a Taxable Parcel becomes Developed Property, the Administrator and Review Authority shall also identify and document the Initial Exempt Square Footage for the building or buildings on or expected on the Taxable Parcel. The Administrator shall keep a record of the Initial Exempt Square Footage broken down by Exempt Use. After the First Bond Sale, as Square Footage within a building is designated for Exempt Uses, the Administrator shall compare the actual Square Footage used for each Exempt Use to the Initial Exempt Square Footage by Exempt Use. If, at any point in time, there is determined to be Excess Exempt Square Footage within a building, the Administrator and Review Authority shall use this comparison to determine which Square Footage should be designated Excess Exempt Square Footage. In addition, the Administrator shall determine whether the Excess Exempt Square Footage resulted in a reduction in For-Sale Residential Square Footage, Rental Residential Square Footage, or Taxable Non-Residential Square Footage expected in the building and, based on this determination, identify the applicable Maximum Special Taxes for the Excess Exempt Square Footage pursuant to the tables in Section C herein.

Prior to the First Bond Sale, the Administrator, City, and Developer shall coordinate to review the Expected Land Uses and determine if changes should be made to reflect more current estimates for land uses on any Blocks within the Project. Based on this review, the Administrator shall update Attachments 2 and 3 with the then-current Expected Land Uses, Expected Maximum Facilities Special Tax Revenues, and Aggregate Project Revenues. The adjusted Expected Maximum Facilities Special Tax Revenues, escalated pursuant to Section D.1, will thereafter be the amount used to size Bond sales unless and until there are additional updates of Attachment 2. Such update shall be maintained internally by the Administrator and will not require recordation of an amended RMA.

If a Certificate of Occupancy has been issued for a structure, and additional structures are anticipated to be built within the Block, as shown in Attachment 2 and the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize the building(s) for which the Certificate of Occupancy was issued as Developed Property and any remaining buildings for which Certificates of Occupancy have not yet been issued as Undeveloped Property for purposes of levying the Special Taxes. If the buildings share an Assessor's Parcel, the Administrator shall take the sum of the Special Taxes determined for each building after application of the steps in Section F to determine the Special Tax levies for the Parcel.

In any Fiscal Year, if it is determined that (i) a parcel map or condominium plan was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created parcels into the then current tax roll), (ii) because of the date the map or plan was recorded, the Assessor does not yet recognize the newly-created parcels, and (iii) one or more of the newly-created parcels meets the definition of Developed Property, the Administrator shall calculate the Special Tax for the property affected by recordation of the map or plan by determining the Special Tax that applies separately to each newly-created parcel, then applying the sum of the individual Special Taxes to the Assessor's Parcel that was subdivided by recordation of the parcel map or condominium plan.

In addition to the tasks set forth above, on an ongoing basis, the Administrator will review the Development Approval Documents for property in Improvement Area No. 1 and communicate with the Developer regarding proposed Land Use Changes. The Administrator will, upon review of each Certificate of Occupancy, and upon any proposed Land Use Change that is made known to the Administrator, update Attachments 2 and 3 to reflect (i) the then-current Expected Land Uses for each Block, (ii) the Expected Maximum Facilities Special Tax Revenues, and (iii) the Aggregate Project Revenues. Such updates shall be maintained internally by the Administrator and shall not require recordation of an amended RMA.

## **C. MAXIMUM SPECIAL TAX**

### **1. *Undeveloped Property***

#### **1a. *Facilities Special Tax***

The Maximum Facilities Special Tax for Undeveloped Property in Improvement Area No. 1 shall be the Expected Maximum Facilities Special Tax Revenues shown in Attachment 2 of this RMA, as it may be amended as set forth herein. If, in any Fiscal Year, separate Assessor's Parcels have not yet been created for property within each Block, the Administrator shall sum the Expected Maximum Facilities Special Tax Revenues for all Blocks within an Assessor's Parcel to determine the Maximum Facilities Special Tax that shall apply to the Parcel in such Fiscal Year.

If an Assessor's Parcel contains a portion of one or more Blocks, or if a Block contains a portion of one or more Assessor's Parcels, the Administrator will coordinate with the Review Authority to estimate the Expected Land Uses that will occur on each Taxable Parcel in order to allocate the Expected Maximum Facilities Special Tax Revenues among the Taxable Parcels that are in effect for the Fiscal Year, and such allocation shall be conclusive and binding. If it is unclear as to where the Expected Land Uses will be located on the Taxable Parcels, the Expected Maximum Facilities Special Tax Revenues may be allocated based on the acreage of the Taxable Parcels. The Maximum IA1 Revenues after such allocation shall not be less than the Maximum IA1 Revenues prior to this allocation.

**1b. Contingent Services Special Tax**

No Contingent Services Special Tax shall be levied on Parcels of Undeveloped Property within Improvement Area No. 1.

**2. Developed Property**

**2a. Facilities Special Tax**

When a Taxable Parcel becomes Developed Property, the Administrator shall use the Base Facilities Special Taxes shown in Table 1 below and apply the steps set forth in this Section 2a to determine the Maximum Facilities Special Tax for the Taxable Parcel. If property annexes into Improvement Area No. 1, such property shall also be subject to the Maximum Facilities Special Taxes set forth in Table 1.

<b>Table 1 Base Facilities Special Tax</b>	
<b>Land Use Category</b>	<b>Base Facilities Special Tax (FY 2021-22) *</b>
For-Sale Residential Square Footage	\$3.75 per Square Foot
Rental Residential Square Footage	\$1.00 per Square Foot
Taxable Non-Residential Square Footage	\$1.50 per Square Foot
Excess Exempt Square Footage	\$3.75 per Square Foot if For-Sale Residential Square Footage was reduced, \$1.00 per Square Foot if Rental Residential Square Footage was reduced, or \$1.50 per Square Foot if Taxable Non-Residential Square Footage was reduced.

**\* The Base Facilities Special Taxes shown above shall be escalated as set forth in Section D.1.**

*Step 1.* Identify the For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and/or Excess Exempt Square Footage in the building(s) on the Taxable Parcel.

*Step 2.* Multiply the applicable Base Facilities Special Tax from Table 1 by the actual and/or expected For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on the Taxable Parcel. Prior to the First Bond Sale, the Maximum Facilities Special Tax for the Taxable Parcel shall be the sum of the amounts calculated for For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage, and Step 3 below shall not apply.

After the First Bond Sale, the Administrator shall apply Step 3 to determine the Maximum Facilities Special Tax for the Taxable Parcel.

Step 3. Compare the Estimated Base Facilities Special Tax Revenues from Step 2 to the Expected Maximum Facilities Special Tax Revenues, and, apply one of the following, as applicable:

- *If the Estimated Base Facilities Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Facilities Special Tax Revenues or (ii) less than the Expected Maximum Facilities Special Tax Revenues, but the Estimated Base Facilities Special Tax Revenues are still sufficient to provide Required Coverage, then the Maximum Facilities Special Tax for the Taxable Parcel shall be determined by multiplying the applicable Base Facilities Special Taxes by the actual and/or expected For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on the Taxable Parcel. The Administrator shall update Attachments 2 and 3 to reflect the change in the Expected Maximum Facilities Special Tax Revenues and Aggregate Project Revenues.*
- *If the Estimated Base Facilities Special Tax Revenues are less than the Expected Maximum Facilities Special Tax Revenues, and the Estimated Base Facilities Special Tax Revenues are insufficient to provide Required Coverage, then the Administrator and Review Authority shall coordinate with the Developer, and the Review Authority shall determine which of the following shall occur:*
  - (i) *the Base Facilities Special Taxes that were applied to For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on the Taxable Parcel in Step 2 shall be increased proportionately until the amount that can be levied on the Taxable Parcel, combined with the Expected Maximum Facilities Special Tax Revenues from all other Taxable Parcels in the STD, is sufficient to maintain Required Coverage, **or***
  - (ii) *if the Estimated Base Facilities Special Tax Revenues are less than the Expected Maximum Facilities Special Tax Revenues due to Excess Exempt Square Footage, then the Base Facilities Special Tax for Excess Exempt Square Footage shall be levied against all Excess Exempt Square Footage included on the Taxable Parcel.*

If, pursuant to (i) above, the Base Facilities Special Taxes are proportionately increased to maintain Required Coverage, the Administrator shall use the adjusted per-square-foot rates to calculate the Maximum Facilities Special Tax for each building on the Taxable Parcel. The Administrator shall revise Attachments 2 and 3 to reflect any changes to the Expected Land Uses (including the addition of Excess

Exempt Square Footage), the Expected Maximum Facilities Special Tax Revenues, and the Aggregate Project Revenues.

Pursuant to this Section C.2a, the Administrator may from time to time update Attachments 2 and 3 to reflect revised Expected Maximum Facilities Special Tax Revenues and Aggregate Project Revenues. Such updates shall be maintained internally by the Administrator and shall not require recordation of an amended RMA.

**2b. Contingent Services Special Tax**

In the first Fiscal Year after the Fiscal Year in which the Contingent Trigger Event occurs, and in each Fiscal Year thereafter, when a Taxable Parcel becomes Developed Property, the Administrator shall use the Base Contingent Services Special Taxes shown in Table 2 below and apply the steps set forth in this Section 2b to determine the Maximum Contingent Services Special Tax for the Taxable Parcel.

<b>Table 2</b>	
<b>Base Contingent Services Special Tax</b>	
<b>Land Use Category</b>	<b>Base Contingent Services Special Tax (FY 2021-22) *</b>
For-Sale Residential Square Footage	\$0.29 per Square Foot
Rental Residential Square Footage	\$0.29 per Square Foot
Taxable Non-Residential Square Footage	\$0.29 per Square Foot
Excess Exempt Square Footage	\$0.29 per Square Foot

**\* The Base Contingent Services Special Taxes shown above shall be escalated as set forth in Section D.2.**

- Step 1.* Identify the For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and/or Excess Exempt Square Footage on the Taxable Parcel.
- Step 2.* Multiply the applicable Base Contingent Services Special Tax from Table 2 by the actual and/or expected For-Sale Residential Square Footage, Rental Residential Square Footage, Taxable Non-Residential Square Footage, and/or Excess Exempt Square Footage on the Taxable Parcel. The Maximum Contingent Services Special Tax for the Taxable Parcel shall be the sum of the amounts calculated for each Land Use Category on the Taxable Parcel.

If additional structures are anticipated to be built on the Taxable Parcel as shown in the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize each building for which a Certificate of Occupancy has been issued as Developed Property, and any remaining buildings for which Certificates of

Occupancy have not yet been issued shall not be subject to a Contingent Services Special Tax until a Certificate of Occupancy is issued for such remaining buildings. To determine the Contingent Services Special Tax for any such Taxable Parcel, the Administrator shall take the sum of the Contingent Services Special Taxes determined for each building.

**3. *Taxable Association Property and Taxable Public Property***

**3a. *Facilities Special Tax***

If, in any Fiscal Year, the Administrator determines that there is Taxable Association Property and/or Taxable Public Property, the Administrator will, for each such Parcel, determine the Expected Land Uses and Expected Maximum Facilities Special Tax Revenues that had applied to the Parcel before it became Association Property or Public Property. The Expected Maximum Facilities Special Tax Revenues for the Parcel shall continue to be the Expected Maximum Facilities Special Tax that will apply to the Parcel, as well as the Maximum Facilities Special Tax that will apply for purposes of levying the Facilities Special Tax pursuant to Section F herein. The Maximum Facilities Special Tax assigned to the Parcel shall be adjusted pursuant to Section D.1.

**3b. *Contingent Services Special Tax***

No Contingent Services Special Tax shall apply to Taxable Association Property or Taxable Public Property.

**D. CHANGES TO THE MAXIMUM SPECIAL TAXES**

**1. *Annual Escalation of Facilities Special Tax***

Beginning July 1, 2022 and each July 1 thereafter, the Base Facilities Special Taxes in Table 1, the Expected Maximum Facilities Special Tax Revenues in Attachment 2, the Aggregate Project Revenues in Attachment 3, and the Maximum Facilities Special Tax assigned to each Taxable Parcel in Improvement Area No. 1 shall be increased by 2% of the amount in effect in the prior Fiscal Year.

**2. *Annual Escalation of Contingent Services Special Tax***

Beginning July 1, 2022 and each July 1 thereafter, the Base Contingent Services Special Taxes in Table 2 and the Maximum Contingent Services Special Tax assigned to each Taxable Parcel shall be adjusted by the Escalator.

**3. *Adjustment of Maximum Facilities Special Tax in the Conversion Year***

In the Conversion Year, the Administrator shall apply the following steps to calculate a reduced amount of Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 1 and

a corresponding reduction in the Maximum Facilities Special Tax for all Taxable Parcels in Improvement Area No. 1:

- Step 1.* Coordinate with the Review Authority to confirm the current expected land uses within the Project, including Square Footage expected within the PG&E Affected Area.
- Step 2.* Based on the information collected in Step 1, (i) update Attachment 3 and calculate the current Aggregate Project Revenues; and (ii) update the Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 1 in Attachment 2. For purposes of this Section D.3, the updated Expected Maximum Facilities Special Tax Revenues shall be deemed the “**Original Maximum Revenues**”.
- Step 3.* If the PG&E Affected Area has annexed or is still expected to annex into the STD, identify the Base Aggregate Facilities Special Tax Revenues for the current Fiscal Year. If the PG&E Affected Area is no longer expected to annex into the STD, calculate the Adjusted Base Aggregate Facilities Special Tax Revenues, as follows:
- 3a.** Using the information from Step 2, divide the Original Maximum Revenues by the Aggregate Project Revenues.
- 3b.** Multiply the quotient from Step 3a. by the Base Aggregate Facilities Special Tax Revenues to calculate the Adjusted Base Aggregate Facilities Special Tax Revenues, which shall also be the new Expected Maximum Facilities Special Tax Revenues for Improvement Area No. 1. This amount shall, beginning July 1 of the following Fiscal Year, be adjusted pursuant to Section D.1.
- Step 4.* If the PG&E Affected Area has annexed or is still expected to annex into the STD, divide the Base Aggregate Facilities Special Tax Revenues for the current Fiscal Year by the Original Maximum Revenues. If the PG&E Affected Area is no longer expected to annex into the STD, divide the Adjusted Base Aggregate Facilities Special Tax Revenues calculated in Step 3b by the Original Maximum Revenues from Step 2.
- Step 5.* Multiply the quotient calculated in Step 4 by the Maximum Facilities Special Tax assigned to all Taxable Parcels in Improvement Area No. 1 to calculate a reduced Maximum Facilities Special Tax that will (i) apply to each Parcel in the Conversion Year, and (ii) escalate on July 1 each Fiscal Year thereafter pursuant to Section D.1.
- Step 6.* Multiply the quotient calculated in Step 4 by the Base Facilities Special Tax for each Land Use Category, as determined pursuant to Section C.2a herein. The reduced Base Facilities Special Taxes shall, beginning in the Conversion Year,

be the effective Base Facilities Special Taxes for purposes of this RMA and will continue to increase each subsequent Fiscal Year pursuant to Section D.1.

- Step 7.* Update Attachment 2 to reflect the reduced Expected Maximum Facilities Special Tax Revenues determined pursuant to the steps above. Attachment 2 may be further revised pursuant to Sections C, D, and E herein. Such updates will be maintained internally by the Administrator and will not require recordation of an amended RMA.

Attachment 4 to this RMA provides a sample calculation of the adjustment to the Maximum Facilities Special Tax in the Conversion Year pursuant to this Section D.3. This sample is based on assumptions that are likely to change before the Conversion Year and is intended simply to provide an illustrative example of how the steps set forth above will be applied.

#### ***4. Adjustments to Affordable Square Footage***

If, in any Fiscal Year after the First Bond Sale, the Administrator determines that Square Footage that had previously been designated as Affordable Square Footage no longer qualifies as such, the Maximum Facilities Special Taxes on such Square Footage shall be increased to the Maximum Facilities Special Taxes that would be levied on Market Rate Square Footage within the same Land Use Category. If, after the First Bond Sale, Market Rate Square Footage becomes Affordable Square Footage and, by exempting the Affordable Square Footage, the Administrator determines that Maximum IA1 Revenues would be reduced to a point at which Required Coverage cannot be maintained, then the Affordable Square Footage shall be designated as Excess Exempt Square Footage and shall be subject to the levy of the Facilities Special Tax pursuant to Section C herein.

#### ***5. Changes in Land Use Category on a Parcel of Developed Property***

If the Square Footage on any Parcel that had been taxed as Developed Property in a prior Fiscal Year is rezoned or otherwise changes Land Use Category, the Administrator shall multiply the Base Facilities Special Tax by the Square Footage within each of the new Land Use Category(ies); if the First Bond Sale has not occurred, this amount shall be the Maximum Facilities Special Tax for the Parcel. If the First Bond Sale has taken place, the Administrator shall apply the remainder of this Section D.5.

If the amount determined is greater than the Maximum Facilities Special Tax that applied to the Taxable Parcel prior to the Land Use Change, the Administrator shall increase the Maximum Facilities Special Tax for the Parcel to the amount calculated for the new Land Use Category(ies). If the amount determined is less than the Maximum Facilities Special Tax that applied prior to the Land Use Change, there will be no change to the Maximum Facilities Special Tax for the Parcel. Except as otherwise provided in this RMA, under no circumstances shall the Maximum Facilities Special Tax on any Parcel of Developed Property be reduced, regardless of changes in Land Use Category or Square Footage on the Parcel, including reductions in Square Footage that may occur due to demolition, fire, water damage, or acts of God.

**6. *Reduction in Maximum Facilities Special Tax Prior to First Bond Sale***

As set forth in, and subject to the requirements of, Section 2.3(m) of the Financing Plan, the Maximum Facilities Special Taxes assigned to Taxable Parcels in Improvement Area No. 1 may be proportionately or disproportionately reduced prior to the First Bond Sale. Such reduction shall be made administratively without Board action or a vote of the qualified STD electors following: (i) initiation by written request to the City, and (ii) consultation with the City regarding such request. The reduction shall be codified by recordation of an amended Notice of Special Tax Lien against all Taxable Parcels within Improvement Area No. 1.

**7. *Converted Rental Residential Building***

If a Rental Residential Building in the STD becomes a Converted Rental Residential Building, the Administrator will rely on information from the County Assessor, site visits to the sales office, data provided by the entity that is selling Residential Units within the building, and any other available source of information to track sales of Residential Units. In the first Fiscal Year in which there is a Converted For-Sale Unit within the building, the Administrator shall apply the Base Special Tax for For-Sale Residential Square Footage to calculate the Maximum Special Taxes for all Converted For-Sale Units in the building in that Fiscal Year. In addition, the Base Special Tax for For-Sale Residential Square Footage, escalated as set forth in Section D.1 or, as applicable, D.2 above, shall be used to calculate the Maximum Special Taxes for all future Converted For-Sale Units within the building. Rental Units within the Converted Rental Residential Building shall continue to be subject to the Maximum Special Taxes for Rental Units until such time as the units become Converted For-Sale Units. The Maximum Special Taxes for all Residential Units within the building shall escalate each Fiscal Year as set forth in Section D.1 or, as applicable, D.2 above.

**E. ANNEXATIONS**

If, in any Fiscal Year, a property owner within the Future Annexation Area wants to annex property into Improvement Area No. 1, the Administrator shall apply the following steps as part of the annexation proceedings:

- Step 1.** Working with City staff and the landowner, the Administrator shall determine the Expected Land Uses for the area to be annexed.
- Step 2.** The Administrator shall prepare and keep on file updated Attachments 1, 2, and 3 to reflect the annexed property and identify the revised Expected Land Uses and Expected Maximum Facilities Special Tax Revenues. After the annexation is complete, the application of Sections C, D and F of this RMA shall be based on the adjusted Expected Land Uses, Expected Maximum Facilities Special Tax Revenues, and Maximum IA1 Revenues including the newly annexed property.
- Step 3.** The Administrator shall ensure that a Notice of Special Tax Lien is recorded against all Parcels that are annexed to the STD.

**F. METHOD OF LEVY OF THE SPECIAL TAXES**

**1. *Facilities Special Tax***

Each Fiscal Year, the Facilities Special Tax shall be levied according to the steps outlined below:

*Step 1.* In all Fiscal Years prior to and including the earlier of (i) the Fiscal Year in which the City makes a finding that all Qualified Project Costs have been funded pursuant to the Financing Plan, or (ii) 42 years after the First Bond Sale for Improvement Area No. 1, the Maximum Facilities Special Tax shall be levied on the For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on all Parcels of Developed Property regardless of debt service on Bonds (if any), and any Remainder Special Taxes collected shall be applied as set forth in the Financing Plan.

In all Fiscal Years after the earlier of: (i) the Fiscal Year in which the City makes a finding that all Qualified Project Costs have been funded pursuant to the Financing Plan, or (ii) 42 years after the First Bond Sale for Improvement Area No. 1, the Special Tax shall be levied Proportionately on For-Sale Residential Square Footage, Rental Residential Square Footage, and Taxable Non-Residential Square Footage on each Parcel of Developed Property, up to 100% of the Maximum Facilities Special Tax until the amount levied is equal to the Facilities Special Tax Requirement.

*Step 2.* If additional revenue is needed after Step 1 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Undeveloped Property for such Fiscal Year.

*Step 3.* If additional revenue is needed after Step 2, the Facilities Special Tax shall be levied Proportionately on (i) each Parcel of Taxable Association Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Taxable Association Property, (ii) each Parcel of Taxable Public Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Taxable Public Property, and (iii) all Excess Exempt Square Footage, up to 100% of the Maximum Facilities Special Tax for Excess Exempt Square Footage.

**2. *Contingent Services Special Tax***

Each Fiscal Year after the Fiscal Year in which the Contingent Trigger Event occurs, the Administrator shall coordinate with the City to determine the Contingent Services Special Tax Requirement for the Fiscal Year. The Contingent Services Special Tax shall then be levied Proportionately on each Parcel of Developed Property, in an amount up to 100% of the

Maximum Contingent Services Special Tax for each Parcel of Developed Property for such Fiscal Year until the amount levied is equal to the Contingent Services Special Tax Requirement. The Contingent Services Special Tax shall not be levied on Undeveloped Property, Taxable Association Property, or Taxable Public Property.

#### **G. COLLECTION OF SPECIAL TAXES**

The Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that the City may directly bill the Special Taxes, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods.

The Facilities Special Tax shall be levied and collected until the earlier of (i) the Fiscal Year in which the City determines that all Qualified Project Costs have been funded pursuant to the Financing Plan and all other Authorized Expenditures that will be funded by the STD have been funded, and (ii) Fiscal Year 2131-32. The Contingent Services Special Tax shall be levied in the Fiscal Year following the Contingent Trigger Event and in perpetuity thereafter. Pursuant to Government Code Section 53321(d) (to the extent incorporated in the Act), the Facilities Special Tax levied against a Parcel used for private residential purposes shall under no circumstances increase more than ten percent (10%) as a consequence of delinquency or default by the owner of any other Parcel or Parcels and shall, in no event, exceed the Maximum Facilities Special Tax in effect for the Fiscal Year in which the Facilities Special Tax is being levied.

#### **H. EXEMPTIONS**

Notwithstanding any other provision of this RMA, no Special Taxes shall be levied on (i) Exempt Square Footage other than Excess Exempt Square Footage, or (ii) Public Property or Association Property, except Taxable Public Property or Taxable Association Property.

#### **I. INTERPRETATION OF SPECIAL TAX FORMULA**

The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution and/or ordinance, as long as such interpretation, clarification, or revision does not materially affect the levy and collection of Special Taxes and security for any Bonds.

#### **J. SPECIAL TAX APPEALS**

Any taxpayer who wishes to challenge the accuracy of computation of Special Taxes in any Fiscal Year may file an application with the Administrator. The Administrator, in consultation with the City Attorney, shall promptly review the taxpayer's application. If the Administrator concludes that the computation of a Special Tax was not correct, the Administrator shall correct the Special Tax levy and, if applicable in any case, a refund shall be granted. If the Administrator concludes that the computation of the Special Tax was correct, then such

determination shall be final and conclusive, and the taxpayer shall have no appeal to the Board from the decision of the Administrator.

The filing of an application or an appeal shall not relieve the taxpayer of the obligation to pay Special Taxes when due.

Nothing in this Section J shall be interpreted to allow a taxpayer to bring a claim that would otherwise be barred by applicable statutes of limitation set forth in the Act or elsewhere in applicable law.

## PG&E Property

- New PG&E facilities
- Percentage of affordable housing remains unchanged in either scenario

## Contingent Services Tax

- Maintenance, repair, replacement and operation of improvements on shoreline parks and Craig Lane
- Contingent Tax provides “guarantee” to Port in the event of a default by Developer or HOA in providing these services

# Special Tax District

8

- Per the Development Agreement between the City and the Master Developer, the City is introducing legislation to allow for the formation of a Special Tax District.
- The Rate and Method of Apportionment (RMA) provides for two taxes for this District:
  - Facilities
  - Contingent Services
- The proceeds from the Facilities Tax are expected to be leveraged for future bond issuances.
- The not-to-exceed bonded indebtedness limit is \$800 million with an additional \$63 million should the PG&E annexation occur.
- Initially Qualified Project Costs under the Development Agreement will be financed from bonds issued by the Special Tax District (First Tranche Bonds). At the earlier of (i) 42 years or (ii) after the First Tranche bonds have been repaid, the special taxes will be reduced to \$3.3 million (in FY 2019-20\$) and the City may issue debt to fund Additional Community Facilities, which includes Future Sea Level Rise Improvements and Shoreline Improvements.

# Special Tax District – Tax Rates

<b>Table 1 Base Facilities Special Tax</b>	
<b>Land Use Category</b>	<b>Base Facilities Special Tax (FY 2021-22) *</b>
For-Sale Residential Square Footage	\$3.75 per Square Foot
Rental Residential Square Footage	\$1.00 per Square Foot
Taxable Non-Residential Square Footage	\$1.50 per Square Foot
Excess Exempt Square Footage	\$3.75 per Square Foot if For-Sale Residential Square Footage was reduced, \$1.00 per Square Foot if Rental Residential Square Footage was reduced, or \$1.50 per Square Foot if Taxable Non-Residential Square Footage was reduced.

Expected maximum Facilities Special Tax revenues of \$4,927,698 (in FY 2021-22 \$), not assuming a future PG&E annexation, and \$5,315,293 with the PG&E annexation, prior conversion. Annual escalator defined as 2%.

# Special Tax District – Tax Rates

<b>Table 2 Base Contingent Services Special Tax</b>	
<b>Land Use Category</b>	<b>Base Contingent Services Special Tax (FY 2021-22) *</b>
For-Sale Residential Square Footage	\$0.29 per Square Foot
Rental Residential Square Footage	\$0.29 per Square Foot
Taxable Non-Residential Square Footage	\$0.29 per Square Foot
Excess Exempt Square Footage	\$0.29 per Square Foot

If a Contingent Trigger Event occurs, the Contingent Services Special Tax would be levied to generate an estimate \$737,169 (in FY 2021-22 \$) with an annual escalator of the lesser of the change in CPI and 5%.
