MEMORANDUM

TO:

Agency Commissioners

FROM:

Fred Blackwell, Executive Director

SUBJECT:

Approving proposed changes to the Budget for the period July 1, 2010 through June 30, 2011 and, authorizing the Executive Director to submit the

Budget to the Mayor's Office and the Board of Supervisors.

EXECUTIVE SUMMARY

At its May 4, 2010 meeting, the Commission approved, per Resolution No. 46-2010, a fiscal year 2010-11 budget ("Budget") and authorized its submission to the Mayor's Budget Office. At that meeting, Agency staff informed the Commission of the fiscal challenges facing the City and County of San Francisco ("City") and the likelihood that the Agency would have to make additional changes to the Budget. Since the Commission's approval of the budget, Agency staff has been in discussions with the Mayor's Budget Office about possible amendments to the Budget. These amendments are now before the Commission for its consideration and approval.

DISCUSSION

The California Community Redevelopment Law ("CRL") requires the Agency Commission to adopt an annual budget that contains the following: all of the activities to be financed by the Low and Moderate Income Housing Fund established pursuant to Section 33334.3 of the Law; the Agency's proposed expenditures; the proposed indebtedness that the Agency will incur; the Agency's anticipated revenues; the Agency's upcoming work program and goals; and an examination of the previous year's achievements and a comparison of the achievements with the goals of the previous year's work program. Cal. Health & Safety Code § 33606. The CRL also requires that "[w]hen the legislative body is not the redevelopment agency, the legislative body shall approve the annual budget and amendments of the annual budget of the agency." Id. Pursuant to this requirement, the Board of Supervisors ("Board") must approve the Agency's budget.

On May 4, 2010, the Agency Commission approved the Budget and transmitted it to the Mayor's Budget Office for review prior to submission to the Board. As noted in the Agency resolution approving the Budget, the Executive Director will seek Agency Commission review of any substantial changes that the Mayor's Budget Office proposes.

Several modifications were made to the draft budget presented to the Commission at the meeting of May 4, 2010. These additional changes to the Agency's budget has reduced the General Fund impact of our budget from \$63.32 million as set forth in the May 4, 2010

budget to \$62.17 million as submitted on May 30, 2009. Below highlights the most significant changes:

- 1) Inclusion of \$3.0 million of tax increment for HOPE SF;
- 2) Inclusion of \$5.0 million of bond proceeds to fund projects previously funded by the Hotel Tax allocation in the Mayor's Office of Housing.
- 3) Redirecting tax increment to provide funding of \$1.6 million for operating subsidies for homeless projects through work orders with Department of Health and Department of Human Services;
- 4) Reduction of pay as you go increment from \$11.8 to \$10.1 resulting from negotiations to reduce tax increment; reduction to be finance through debt issuance

Furthermore, the expenditure of Agency funds for these activities (as well as all other items in the Budget) will require additional Agency authorizations in the forms of contracts, loan agreements, letter agreements, and other documents. These authorizations will follow Agency policy and procedures and will include Commission approval of those matters involving \$50,000 or more.

In addition to the above changes resulting from negotiations with the Mayor's Budget Office, the Agency is also proposing an alternative budget amount for Personnel Positions ("Alternative Budget") that the Board of Supervisors will consider at a later date when it considers approval of the actions related to the Candlestick Point – Hunters Point Shipyard Phase II Project ("Project") that the Agency Commission approved on June 3, 2010. Implementation of the Project requires additional Agency staff. To that end, the Agency will be including the following positions totaling \$520,743 including salaries, taxes and fringe in the Alternative Budget.

| a. | Senior Project Manager | \$131,430 |
|----|---------------------------|-----------|
| b. | Assistant Project Manager | \$107,858 |
| C. | Staff Associate IV | \$107.874 |

The Agency will not submit the Alternative Budget until the Board of Supervisors schedules approval of the various actions related to the Project, e.g. the amendments to the Redevelopment Plans for the Bayview Hunters Point and the Hunters Point Shipyard Project Areas.

Accordingly, the Agency will initially submit the Budget, as set forth herein in Attachment 1 (which does not include the additional Project staffing) for the Board of Supervisors' review and approval. Subsequently, the Agency will submit the Alternative Budget, as set forth in Attachment 2 (which includes the additional Project staffing) at the same time that the Board of Supervisor considers the Project itself.

Approval of the proposed changes to the Budget is not a "Project," as defined by the California Environmental Quality Act ("CEQA") Guidelines Sections 15378(b)(4) and

15378(b)(5). The proposed action will not change conditions in any redevelopment project or survey area or at any affordable housing site, will not independently result in a physical change in the environment, and is not subject to environmental review under CEQA.

RESOLUTION NO. 84-2010

Adopted June 15, 2010

APPROVING PROPOSED CHANGES TO THE BUDGET FOR THE PERIOD JULY 1, 2010 THROUGH JUNE 30, 2011, INCLUDING AN ALTERNATIVE BUDGET, AND AUTHORIZING THE EXECUTIVE DIRECTOR TO SUBMIT THE BUDGET TO THE MAYOR'S OFFICE AND THE BOARD OF SUPERVISORS

BASIS FOR RESOLUTION

- 1. In accordance with the California Community Redevelopment Law ("Law"), the Redevelopment Agency of the City and County of San Francisco ("Agency") is required to establish and adopt a budget ("Budget") for fiscal year ("FY") 2009-10. Cal. Health and Safety Code § 33606.
- 2. Section 33606 of the Law requires that the Agency adopt an annual budget containing the following: all of the activities to be financed by the Low and Moderate Income Housing Fund established pursuant to Section 33334.3 of the Law; the Agency's proposed expenditures; the proposed indebtedness that the Agency will incur; the Agency's anticipated revenues; the Agency's upcoming work program and goals; and an examination of the previous year's achievements and a comparison of the achievements with the goals of the previous year's work program.
- 3. Section 33606 of the Law provides for approval of the annual Budget of the Agency and of any amendments to the Budget by the Board of Supervisors of the City and County of San Francisco ("Board").
- 4. On May 4, 2010, the Agency Commission approved, per Resolution No. 46-2010, the Budget and authorized its submission to the Mayor's Budget Office.
- 5. Since the Commission's approval of the Budget, Agency staff has been in discussions with the Mayor's Budget Office about possible amendments to the Budget in an effort to address the fiscal challenges facing the City and County of San Francisco ("City") and the Agency.
- 6. The Mayor's Budget Office and Agency staff have now agreed, subject to Agency Commission approval, upon several material changes to the Budget that would accomplish the following: add \$1.6 million of tax increment funding for operating subsidies for permanently affordable housing previously funded through the Department of Health and Department of Human Services; add \$8.0 million for projects that would have been previously funded through the Mayor's Office of Housing, of which \$3.0 million will utilize pay as you go tax increment from Transbay and the remaining \$5.0 million will be funded through bond proceeds.

- 7. In addition, Agency staff is seeking approval of an alternative budget ("Alternative Budget") in the event that the Board of Supervisors approves the actions related to the Candlestick Point Hunters Point Shipyard Phase 2 Project ("Project"). If the Agency begins to implement the Project in FY 2010-2011, the Agency will need additional staffing, including a Senior Project Manager, Assistant Project Manager, and Staff Associate position, and thus has prepared the Alternative Budget to include these positions. The Agency will transmit the Alternative Budget to the Board of Supervisors when it considers the actions related to the Project. The Alternative Budget will not be part of the proposed Budget that the Agency initially transmits to the Board of Supervisors for its consideration along with the other budgets of the various departments of the City.
- 8. If the Board approves the Budget (and subsequently, the Alternative Budget), the Agency Commission will authorize, at later dates, the expenditures for specific activities that the Budget (and the Alternative Budget) include. These authorizations will occur through approvals of contracts, letter agreements with City Departments, and other transactions.
- 9. Approval of the proposed changes to the Budget and of the Alternative Budget is not a "Project," as defined by the California Environmental Quality Act ("CEQA") Guidelines Sections 15378(b)(4) and 15378(b)(5). The proposed action will not change conditions in any redevelopment project or survey area or at any affordable housing site, will not independently result in a physical change in the environment, and is not subject to environmental review under CEQA.

RESOLUTION

ACCORDINGLY, IT IS RESOLVED by the Redevelopment Agency of the City and County of San Francisco that its proposed Budget, as amended, and its Alternative Budget, for the period July 1, 2010 through June 30, 2011 are adopted and the Executive Director is authorized to transmit initially the proposed Budget, and to transmit subsequently the Alternative Budget, to the Board of Supervisors.
