MANDATE STATEMENT

City Charter Section 9.105 states that amendments to the Annual Appropriations Ordinance, after the Controller certifies the availability of funds, are subject to Board of Supervisors approval by ordinance.

BACKGROUND

Portsmouth Square Parking Garage is a public parking garage located at 733 Kearney Street in Chinatown and owned by the San Francisco Municipal Transportation Agency (SFMTA). The garage is operated under an agreement between SFMTA and IMCO Parking, LLC. The parking garage has 456 vehicle parking spaces and is open daily from 5:00 am to midnight. Parking fees consist of an hourly rate of \$4 prior to 5:00 pm and a maximum evening rate after 5:00 pm of \$8. The parking garage also offers monthly rates and special event rates.

The SFMTA Board of Directors approved two hours of free parking at Portsmouth Square Parking Garage from February 5, 2022 through February 28, 2022 in commemoration of Chinese New Year.

In addition, SFMTA offered free Muni for two days for Lunar New Year Parade Day and the following day. According to an email from the Director of Transportation, the cost of Muni operations for those two days was \$354,000.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance appropriates \$554,000 from the General Reserve to the SFMTA to support free parking in the Portsmouth Square Garage and two days of free Muni in February of FY 2021-22.

FISCAL IMPACT

According to SFMTA, the actual reduction in revenues due to the provision of two hours of free parking at Portsmouth Square Parking Garage was \$180,104 and \$354,000 for two days of free Muni. The proposed ordinance provides \$554,000 for SFMTA to cover the cost of both the free parking at Portsmouth Square and free Muni, including approximately \$20,000 buffer to cover unexpected costs such as higher than estimated revenue losses.

POLICY CONSIDERATION**General Reserve**

Administrative Code Section 10.60 requires the City to budget a General Reserve of at least 3.0 percent of General Fund revenues to address revenue weakness, excess spending, or other needs not anticipated during the annual budget process. The balance requirement is reduced to 1.5 percent of General Fund revenues if the City withdraws from the Rainy Day Reserve and then

increases 0.25 percent per year until the 3.0 percent balance requirement is full restored. According to the Controller's FY 2021-22 Six-Month Budget Status Report, the projected ending balance for the FY 2021-22 General Reserve is \$72.1 million, including a required \$3.1 million deposit during the year and uses of \$9.4 million for previously approved supplemental appropriations.¹

If the Board of Supervisors approves the \$554,000 million appropriation from the General Reserve to offset the revenue loss at Portsmouth Square Garage, the General Reserve balance would be reduced to approximately \$71.5 million. In addition, pending before the Board of Supervisors is an appropriation from the General Reserve of \$14.6 million to fund overtime in the Fire Department (File 22-0079), which if approved would further reduce the General Reserve balance to \$56.9 million. Draws on the General Reserve in the current year require the General Reserve to be replenished by a like amount in the budget year.

RECOMMENDATION

Approval of the proposed ordinance as amended is a policy matter for the Board of Supervisors.

¹ The Board of Supervisors approved two supplemental appropriations using \$9.4 million of the General Reserve for paramedic staffing and election expenses (Files 21-1173 and 21-1174).

Item 8 File 22-0129	Department: San Francisco Municipal Transportation Agency (SFMTA)
--------------------------------------	---

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed ordinance appropriates \$700,000 from the General Reserve to the SFMTA to support free parking in the Portsmouth Square Garage in February of FY 2021-22.

Key Points

- The SFMTA Board of Directors approved two hours of free parking at Portsmouth Square Parking Garage from February 5, 2022 through February 28, 2022 in commemoration of Chinese New Year. According to SFMTA, the estimated reduction in revenues due to the provision of two hours of free parking at Portsmouth Square Parking Garage is \$175,000. Therefore, we recommend reducing the appropriation from \$700,000 to \$200,000, which would provide a buffer to cover any additional revenue reduction.

Fiscal Impact

- If the Board of Supervisors approves the \$0.2 million appropriation from the General Reserve to offset the revenue loss at Portsmouth Square Garage, the General Reserve balance would be reduced from \$72.1 million to \$71.9 million. In addition, pending before the Board of Supervisors is an appropriation from the General Reserve of \$22.4 million to fund overtime in the Fire Department and Police Department (File 22-0079), which if approved would further reduce the General Reserve balance to \$49.5 million. Draws on the General Reserve in the current year require the General Reserve to be replenished by a like amount in the budget year.

Recommendations

- Amend the proposed ordinance to reduce the appropriation amount from \$700,000 to \$200,000.
- Approval of the proposed ordinance as amended is a policy matter for the Board of Supervisors.
