Be it ordained by the People of the City and County of San Francisco:

Section 1. Environmental Findings.

The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 211295 and is incorporated herein by reference. The Board affirms this determination.

1           Section 2. Background.

2           (a)     In 2019, the City enacted Ordinance No. 194-19, which, among other things,  
3 authorized the Recreation and Park Department ("RPD") to set non-resident adult admission  
4 fees for the Japanese Tea Garden, the Conservatory of Flowers, and the San Francisco  
5 Botanical Garden (collectively, "the Gardens") through a defined system of flexible pricing.  
6 Under this system, RPD could increase non-resident adult admission fees once per year by  
7 up to 50% (at certain times only), and could authorize decreases of any amount, based on  
8 factors such as public demand, facility conditions, and rates at comparable facilities. This  
9 system was to remain in place until at least June 30, 2021. In 2021, the City extended flexible  
10 pricing at the Gardens by enacting Ordinance No. 131-21, which provided that flexible pricing  
11 could continue until December 7, 2021, "unless extended by ordinance."

12           (b)     San Francisco residents are already entitled to free admission at the Botanical  
13 Garden. The Board of Supervisors finds it is in the public interest to extend this policy to the  
14 other Gardens, to waive admission fees for veterans, and to authorize the Recreation and  
15 Park Department to develop further waivers and discounts in order to allow for coordination  
16 among the Gardens with respect to special conditions and exhibits. Likewise, the Board of  
17 Supervisors also finds it is reasonable to re-authorize flexible pricing for non-resident adults at  
18 the Gardens, with a modification that increases not be based on percentage and instead be  
19 limited to no more than \$7 per ticket, to help offset the costs of the waivers and discounts, and  
20 to help pay for general operating expenses, purchase or lease supplies, equipment, and  
21 materials for the facilities, and to raise funds for future capital projects necessary to maintain  
22 existing levels of service.
