(a) On November 3, 2020, the voters approved Proposition B, which amended the Charter to create a Department of Sanitation and Streets (“Department”) to succeed to specific duties then and presently performed by the Department of Public Works, and a Sanitation and Streets Commission (“Commission”) to oversee the Department, as well as a Public Works Commission to oversee the Department of Public Works.

(b) On December 14, 2021, the Board of Supervisors approved Motion No. M21-181 establishing July 1, 2022, as the “Transition Date,” which, according to Charter Section

2 the Commission and the Department.

3 (c) Pursuant to Charter Section 4.138(a), the Department “shall come into existence  
4 three months after the Transition Date for the Sanitation and Streets Commission in Section  
5 4.139(d).”

6 (d) Pursuant to Charter Section 4.138(d), also added by Proposition B, no later than  
7 the Transition Date, the Board of Supervisors shall, by ordinance, require “the City  
8 Administrator, the Department of Public Works, and/or any other City department to provide  
9 administrative support for the Department, which shall include but need not be limited to  
10 human resources, performance management, finance, budgeting, technology, emergency  
11 planning, training, and employee safety services.” In addition, Section 4.138(d) states that  
12 “any time more than two years and three months after the Transition Date, the Board of  
13 Supervisors may adopt ordinances requiring the Department ... to assume responsibility for  
14 some or all of that administrative support.”
