Dear Supervisors,

I am sad to see that car free JFK was passed. As a senior who utilized jfk on a regular basis prior to the pandemic, my JFK 'joy' will never return. You see, my mom lived in J-town and I would drive from the Sunset district to J-town via JFK. I loved the beauty of driving in our beautiful park - what a great privilege to live in a city that allowed me to enjoy an oasis in an urban area. My mom passed on Dec 29, 2020. I don't drive to J-town much anymore because so many road blocks have been put in place due to the pandemic. I am slowly seeing some positive changes (the no right turns on Lincoln and the no left hand turn on 47th/Sloat signs have been removed-thankfully). But the memory of my drive to visit my mom to take her to appointments, shopping, etc is tainted because I am no longer allowed to experience that drive. Because I drive a car, I am banned from the joy (a joy that so many callers said they experienced on that stretch of JFK) that I appreciated for so long. I was hoping for a compromise - that would allow me to have joy again. I feel there should be access for those of us who feel our vehicles gives us a sense of security and control. Those who are car free JFK would have you believe I am a killer in my car. I have total respect for pedestrians and bikers. I think in our current society we lack respect for any mode of transportation that is not ours. I can't comprehend the 'the park is for all people' when I, as a driver am not considered a people. I am not wealthy as some would have you believe. I just happen to be a long time resident who learned to drive in SF - when we had blind intersections all over the Richmond & Sunset. I am proud of my driving record. Closing of JFK has only congested the rest of JFK for drivers. There is no flow anymore. Such a shame. Please consider making improvements in the transit system before you close off roads. Many senior folks like me, who will ever bike (osteoporosis), and will not take public trans (masking is no longer required - I have grands and immunocompromised family members) are being obstructed from safe routes because you feel closing off roads is safer than making improvements on existing roads. Improve the bike infrastructure, but don't shut off roads. Make our city flow. When you have a good transit system in place, people will use it and less cars will end up on the roads.

Our city has a behavior problem. Entitlement from all around. We have to learn to respect all modes of transportation and stop making one mode worse than the other. Rules of the road are no longer followed because there are no consequences for bad behavior. Did you hear the caller who suggested shooting the tires on any car that enters GGP?? Good grief, and no one called him out on that. Bikers say they are being attacked by car violence. What about the bikers who whizz by stop signs (yes, cars do too). We need to find a way for folks to be respectful. Thank you for letting me vent. I listened to much of the 12 hour session yesterday. It sounded to me that the rallying call of the Bike Coalition, Kidsafe and Walk SF was successful. Did you listen to the seniors? Like me, we have lived in this city for decades and ask that you recognize us. My immigrant mom worked 2 jobs - her car got her to both on time. Muni was not an option. I am sure that is the case for a lot of current working class citizens who don't have the time to pay attention to what the city is doing. They will only wonder why all the closures are happening. Please stop all the closures. Our city needs to flow. We need to be the inclusive, tolerant city we once were.

Have a peaceful day,

S Garrett D4 resident

RE: 4/26/2022 Public Comment – Joint Special Meeting San Francisco Board of Supervisors and County Transportation Authority

Dear Board Clerk Calvillo and Board Clerk Tsao:

Please find attached public comment (over 5,000 letters) for the record, concerning File No. 220370, File No. 220339 and File No. 220261, in **opposition** to the full and permanent closure of John F. Kennedy Drive.

Thank you,

Park Access 4 All

Sent From John Skinner to the Board of Supervisors on 4/25/2022 2:52:39 PM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

John Skinner

Sent From brendan cadam to the Board of Supervisors on 4/25/2022 5:16:01 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

brendan cadam

Sent From Karen Dold to the Board of Supervisors on 4/24/2022 11:20:41 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Karen Dold

Sent From Michael marden to the Board of Supervisors on 4/24/2022 7:00:13 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Michael marden

Sent From l. yaco to the Board of Supervisors on 4/23/2022 12:06:46 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

l. yaco

Sent From Karen Cliffe to the Board of Supervisors on 4/23/2022 2:12:12 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic. I am a senior, and a parent who raised two children in San Francisco. I have mobility issues and live north of GGP. It is very difficult to access with the Arguello entrance closed. Please restore access to all of us.

Teresa Shaw

Sent From Tommmy Tompsen to the Board of Supervisors on 4/18/2022 4:26:29 AM

Dear Board of Supervisors,

Subject: JFK

ENOUGH ALREADY!!! Go back to pre-Pandemic rules, JFK open except for Sundays and Holidays. A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID! Please open ALL OTHER ROADS in Golden Gate Park 100% with NO time or direction restrictions.

Tommmy Tompsen

Sent From Susan Wolff to the Board of Supervisors on 4/17/2022 11:32:17 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID. Closing the driveway to everyone except people on their electric vehicles and bikes is discriminatory towards those who cannot use that type of vehicle. Electric scooters and bikes have the capacity to go quite fast. A motor is a motor no matter how it is powered and it is discriminatory towards people who cannot use this type of motor driven vehicle or cannot afford one. Families, seniors and people with various degrees of disability cannot get to places in a public park they want and should be able to access. This closure favors affluent people living nearby the drive and that is not ok. Golden Gate Park is for all, not just the few who use these type of vehicles. Enough people have told you this and disrespecting them is not ok. Access to all, not just the privileged ones.

Susan Wolff

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID. Hello sir the opening of the JFK parkway if it truly is beneficial for people's safety you should be reopened even if it's certain times at night sundown before the sun comes up... Many of the streets in San Francisco I live in the just off of market and a lot of the lighting is the orange hue lighting and it doesn't really brighten things up enough there's a number of places where I've noticed that people could possibly be raster even worse around different parts of the city mainly with the market in this six blocks 7:00 surrounding area would be good if they got the in the darkest areas get the new lighting that they have increase the lumens in the area and make sure people feel safe and it doesn't give the opportunity for a perpetrator to take advantage of an innocent person Thank you, Bryan Vockie

Sent From Suki Jones to the Board of Supervisors on 3/22/2022 6:15:27 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Dear Board of Supervisors,

Subject: JFK open

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park. There have already been more than adequate measures out in place at significant expense to protect bikers and pedestrians. Cars need to be allowed back to provide access to families, disabled and elderly. AND the lower part of MLK needs to be opened from 41st Avenue to the beach!!! Opening up parking for the disabled and everyone else trying to park and access the windmills and south-westerly end of the park.

Georgie Faine

Sent From Dawn JABER to the Board of Supervisors on 3/22/2022 3:43:56 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Dawn JABER

Sent From Stacey Hunter to the Board of Supervisors on 3/22/2022 3:35:43 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It was, and should still be, closed all Sundays and half of the Saturdays every year. There are ample bike lanes and pedestrian walkways available every day of the week. We need to balance equity AND safety! For many years I had two kids playing soccer with twice-weekly practices at fields in GGP. While they sometimes rode their bikes to practice (on the roads with cars with no problems at all because they were taught proper bike safety!) biking was often not an option and they needed to be driven to or from practice. What used to be a 15-minute round trip through the park to drop off both of them or pick them both up, would now be 45-60 minute slog on city streets, creating additional traffic that doesn't need to be there, burning fossil fuels (apartment dweller with no parking, so can't get an EV, sorry) for 3 to 4 times longer that needed, simply because a bunch of selfish people want the street to stay closed permanently. I also have a dog that I walk 2 or 3 times a day in the park. I can tell you that on weekday mornings & early afternoons, there is often literally not another person in sight on JFK. Please open JFK.

Stacey Hunter

Sent From Aaron Goodman to the Board of Supervisors on 3/22/2022 3:27:59 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Sent From Norman Dito to the Board of Supervisors on 3/19/2022 1:27:42 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Norman Dito

Sent From Linda Saytes to the Board of Supervisors on 3/19/2022 1:06:44 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Linda Saytes

Sent From Monique Holsome to the Board of Supervisors on 3/19/2022 1:05:23 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Monique Holsome

Sent From Nicholas Davidson to the Board of Supervisors on 3/19/2022 12:42:01 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Nicholas Davidson

Sent From Linda Cresci to the Board of Supervisors on 3/19/2022 12:36:07 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Cabran Chamberlain

Sent From Vince Moreci to the Board of Supervisors on 3/18/2022 7:46:42 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Vince Moreci

Sent From Michael McCurley to the Board of Supervisors on 3/18/2022 7:13:37 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Michael McCurley

Sent From Jeannine Liebert to the Board of Supervisors on 3/17/2022 11:30:05 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

Golden gate park was already very creepy at night, before JFK drive closed. Now it's probably much creepier, I wouldn't know, I have no reason to go anywhere near there at night, but I'm concerned for my fellow San Franciscans who need it open for their safety. When an already unsafe place is even more isolated from general public, it's a perfect place for crimes to occur. It's not only dangerous to women due to homeless, the weirdos & the perverts in the park at night, it can be dangerous to anyone at night due to the wildlife, like wandering coyotes. My ex encountered one, when riding his bicycle thru there at night, about 6 years ago. luckily for him, at the time, a passing car scared the coyote off. That happened to him on 2 seperate occasions. If the street had been closed off to vehicles then, things could've turned out very differently. That is just one person, I'm sure theres many more out there with similar 'GG park wildlife encounter' stories. . With that said, it's definetly time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before. *I also hope you'll resume back to pre-covid business hours across the city. Having everything start later & close earlier does not prevent the spread of covid. If anything, now that masks are no longer enforced, limited businsss hours probably spread covid more than anything. The latest omicron variant of covid spreads like wildfire. Knowing this, San Franciscans are being forced into crowded into crowded businesses among many people without masks. This is exactly how covid spreads. Its contrary to common sense thinking. Please, either reenact the mask mandate, or reenact pre covid hours. Less people use businesses later hours, and I've always preferred to use hours with less people, covid or not.. If the city is willing to accomodate angry mask hating citizens, then why not accommodate those who dislike being crowded into stores & businesses like cattle with a bunch of sick people coughing into their hand not wearing masks. I want to avoid these careless daytime store users. No masks + limited business hours seems to contrast all the safety measures enacted the past 2 years. It's senseless to have a bunch of maskless san franciscans crowding together. At least if stores / businesses are open until later like before, there's a much lower chance of catching covid, because less people come in during later hours.. I dont appreciate being forced to use peak hours at stores, while filled with people who don't use a mask.. Also, there's no consistency. Some places have resumed their usual pre covid hours, while others haven't. Covid is beginning to feel like an excuse to for businesses to go home early. I really don't see how closing a place 2 hours early is prevents the spread of covid in a maskless society. If you know how that works, I'd love to hear back from you on that. I've taken a great deal of care to avoid covid. Please let me & others like me, continue to do so, by allowing people to use businesses at their pre covid hours.

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Alisha Blackford

Sent From Patricia Van Steenberge to the Board of Supervisors on 3/17/2022 1:57:34 PM

Dear Board of Supervisors,

Subject: JFK Drive

It is time to let all people enjoy the park again, not just the young and bicycles. There is plenty of room on the sidewalks to accommodate any foot traffic, just as it was before. It is just not necessary now. During the week the street is mostly empty. Perhaps partial closure on weekends would be okay. Please don't forget we are a diverse citizenry.

Patricia Van Steenberge

Sent From Julie Castro to the Board of Supervisors on 3/17/2022 1:47:42 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Julie Castro

Sent From Aliitasi Alapati to the Board of Supervisors on 3/17/2022 1:41:18 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Vladimir Sanchez

Sent From Charles Loy to the Board of Supervisors on 3/16/2022 2:53:47 PM

Dear Board of Supervisors,

Subject: Reopen JFK

As a resident of San Francisco for over 12 years and now a parent of two young children I have to say the closing of car access across the middle of the park has been extremely inconvenient. The detour was portrayed as a temporary closure due to the pandemic but has since become the norm for the city to just change traffic patterns without any planning or traffic studies and is completely unacceptable. I agree having more open space to the public is a great thing but I feel like the city's transportation network will become a disaster if we let the bicycle coalition and young walkable residents determine all of our road closures.

Charles Loy

Sent From John Tran to the Board of Supervisors on 3/16/2022 2:41:22 PM

I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Sam Gebler

Sent From Maria Sabado to the Board of Supervisors on 3/16/2022 2:32:35 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Maria Sabado

Sent From Edward Bird to the Board of Supervisors on 3/16/2022 2:23:23 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Edward Bird

Sent From Susan Calvillo to the Board of Supervisors on 3/16/2022 1:35:13 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Susan Calvillo

Sent From Patrick Rabbitt to the Board of Supervisors on 3/16/2022 1:12:32 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Sent From Kathe Hodgson to the Board of Supervisors on 3/15/2022 11:15:48 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! It is difficult to get small children and older parents who cannot walk very far to the museums. Many times I have had to go to the garage which is a fortune. It has become impossible to get into the park from Fulton and many times as I go by no one is there biking or walking. Stanyan street has become a mess because cars are blocked up from no entry into the park. Weekends are fine but weekdays are a waste and make the park unusable.

Kathe Hodgson

Sent From Anne Holly to the Board of Supervisors on 3/15/2022 11:09:58 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

THOMAS EDWARD MILES

Sent From Ernestine Gamble to the Board of Supervisors on 3/15/2022 7:15:40 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Ernestine Gamble

Sent From Elizabeth Gabac to the Board of Supervisors on 3/15/2022 5:17:19 AM

Sent From Alex Norby to the Board of Supervisors on 3/15/2022 4:25:41 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Alex Norby

Sent From Gwendolyn Haynie to the Board of Supervisors on 3/15/2022 4:06:40 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Gwendolyn Haynie

Sent From david larkin to the Board of Supervisors on 3/15/2022 4:05:40 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

david larkin

Sent From Jo Huerta to the Board of Supervisors on 3/15/2022 4:05:05 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Jo Huerta

Sent From Sumner Leyson to the Board of Supervisors on 3/15/2022 3:49:17 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Sumner Leyson

Sent From Andrea Chase to the Board of Supervisors on 3/15/2022 3:35:09 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. Al Koch

Sent From Sarah David to the Board of Supervisors on 3/15/2022 2:23:53 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before. Traffic has gotten more congested all around the park. Public transportation is not as efficient as SF officials and SFMTA would like to think. Let's bring back the pre-pandemic system -- open JFK Drive from Monday-Saturday and close it off to cars on Sundays.

Sarah David

Sent From Jim Hankey to the Board of Supervisors on 3/15/2022 2:11:18 AM

Dear Board of Supervisors,

Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic. If we are trying to be a more inclusive city we should reopen JFK Drive. Stop forcing seniors and other abled people from not being able to access the park!

Christina Badasow

Sent From Mahal Tran to the Board of Supervisors on 3/15/2022 12:12:02 AM

Dear Board of Supervisors,

Subject: Restore accessibility to JFK Drive & Golden Gate Park

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. San Francisco is already distinguished by its strong public transit system, and improved pedestrian friendly design. However, while JFK Drive remains inaccessible, Golden Gate Park, a key part of the City, is not fully accessible to pedestrians. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Mahal Tran

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Tracey Dunitz

Sent From Gretchen Merkle to the Board of Supervisors on 3/14/2022 12:21:19 AM

Dear Board of Supervisors,

Subject: JFK

Please open up JFK drive. Not everyone can hike or bike into the park to enjoy it. Cars are not the enemy. We can share the park again. The bus system is really horrible and my elderly mother and friends can wait at a stop and climb up into the bus for a two hour ride home. Let's be real and face facts. The accessibility is harmed for many citizens who are unable to use the park by car. A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID! I want to drive my 94 year old mother to the park. She can't walk far.

Gretchen Merkle

Sent From David Terry to the Board of Supervisors on 3/14/2022 12:06:42 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

David Terry

Sent From Kathleen Ogin to the Board of Supervisors on 3/14/2022 12:05:09 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Kathleen Ogin

Sent From Phil Sterlin to the Board of Supervisors on 3/13/2022 11:43:26 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Phil Sterlin

Sent From Beverly Atkins to the Board of Supervisors on 3/13/2022 11:30:57 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Beverly Atkins

Sent From Nuno Maher to the Board of Supervisors on 3/13/2022 11:09:37 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID. JKK just like slow streets and the Great Highway closures were supposed to be temporary to give people a place to recreate during the Pandemic. When the Pandemic is over things should go back to the way they were.

Nuno Maher

Sent From Carrie Lebel to the Board of Supervisors on 3/13/2022 11:08:45 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. Everyone should be able to access Golden Gate Park, including the museums within.

Carrie Lebel

Sent From Cassandra Stumer to the Board of Supervisors on 3/13/2022 11:05:15 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Cassandra Stumer

Sent From Sabrina Dooley to the Board of Supervisors on 3/13/2022 11:00:48 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Sabrina Dooley

Sent From Elizabeth Sack to the Board of Supervisors on 3/13/2022 10:51:16 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Elizabeth Sack

Sent From Joanne Woo to the Board of Supervisors on 3/13/2022 10:30:16 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVIDâ€closed on Sundays, open on the weekdays. I believe there are other roads in the Park that can be closed for walkers/bikers that will not impede the access to the main attractions in the park, Academy of Science, de Young, Japanese Tea Garden, Botanical Garden, Conservatory of Flowers. Why not begin the closure at 8th Ave. and go west rather than starting where it currently begins at McLaren Lodge? The purpose of closing was to give people space to exercise and recreate during the pandemic. First, we are now in the endemic stage. Second, since we are in the endemic stage, doesn't that mean people should be returning to work and recreating on the weekends??

Joanne Woo

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park. Please open JFK drive back up every weekend on that JFK drive was open I will take me a quiet ride from the beginning of Golden gate Park all the way out to the beach I can truly miss that along the way I will stop off and see the buffalo please I know I'm only one person but I truly beg you to reopen it

Joseph Tokes

Sent From Chris Flesher to the Board of Supervisors on 3/13/2022 2:56:47 PM

Dear Board of Supervisors,

Subject: Reopen JFK

Personal message first. Yes, I ride a human powered bike in the park and it's nice when it's closed to traffic. But I don't work from home, and I still have to get to actual places in San Francisco. So when you close both Great Hwy AND routes through GGP, it makes getting around town very difficult from the 94116. Either keep Great Hwy permanently open, or open JFK. You really have to give the De Young a say, as I'm sure their business has suffered. The pandemic is over. Let us get back to work. Side note, e-bikers love it to be closed because they ride TOP SPEED with little regard for others' safety, and often blow the stop at Transverse Dr. San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Chris Flesher

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Carlos Cordova

Sent From Kent Soule to the Board of Supervisors on 3/12/2022 6:15:49 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Kent Soule

Sent From Jacqueline Eubanks to the Board of Supervisors on 3/12/2022 5:09:53 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Jacqueline Eubanks

Sent From Nellie Blosser to the Board of Supervisors on 3/12/2022 4:44:36 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is ACCESSIBLE TO EVERYONE. Sure, bicyclists and pedestrians want access to Golden Gate Park, but we need to BALANCE that with access for EVERYONE. I urge you to RESTORE ACCESS to Golden Gate Park as it was before the pandemic.

Nellie Blosser

Sent From Lorraine Wong to the Board of Supervisors on 3/12/2022 4:21:50 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Lorraine Wong

Sent From Bill SARGEANT to the Board of Supervisors on 3/12/2022 3:54:01 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Bill SARGEANT

Sent From Rachel Grant to the Board of Supervisors on 3/12/2022 3:28:00 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Oscar Cabrera

Sent From Cheryl Vanderbilt to the Board of Supervisors on 3/12/2022 5:33:14 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

I want JFK reopened to car traffic. I suffer from mobility issues (bad hip, and plantar fasciitis), and find it difficult to walk long distances. I can walk about a block, but on busy days, the road closure forces me to walk several blocks and causes me pain. I also often work late in the park, leaving long after sunset, and it's not safe to walk long distances by oneself late at night. I've had several close calls over the years, to the point where I've had to beat off a stalker. It's certainly safer to be able to park as close as possible to my destination. Please reopen the park to all.

Cheryl Vanderbilt

Sent From Deborah Paz to the Board of Supervisors on 3/12/2022 5:24:55 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Deborah Paz

Sent From Sara McNulty to the Board of Supervisors on 3/11/2022 6:51:40 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Sara McNulty

Sent From Rydell Downward to the Board of Supervisors on 3/11/2022 6:40:43 PM

Dear Board of Supervisors,

Subject: JFK Drive

Closing JFK (and the West end of MLK) to give people open space for recreation during the pandemic was a sensible move which I supported. But now, as the public health situation has been steadily improving, it's time to return to the way matters stood prior to COVID. The closures have created negative impacts to accessibility as well as traffic to the surrounding neighborhoods. It slows down emergency response vehicles by limiting the routes they can take. As people go back to work, traffic in the area has increased substantially, and access to JFK provides some relief to that. People sitting in traffic increases the incidents of cars idling while burning substantial amounts of fossil fuels. In any case, paved roads for automobiles only occupy a fraction of the vast open space that Golden Gate Park provides. There is plenty of room for everybody to enjoy their favorite recreational activities without commandeering the much-needed roads. I'm willing to cede them on weekends, and I believe that's a realistic compromise.

Rydell Downward

Sent From Amy Wong to the Board of Supervisors on 3/11/2022 6:27:29 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Margaret Bruno

Sent From Shelia Auzenne to the Board of Supervisors on 3/11/2022 6:02:51 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Shelia Auzenne

Sent From Ronald Guerrero to the Board of Supervisors on 3/11/2022 5:38:12 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Ronald Guerrero

Sent From Bill Tanaka to the Board of Supervisors on 3/11/2022 5:26:44 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Bill Tanaka

Sent From Pedro Chiang to the Board of Supervisors on 3/11/2022 5:11:39 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Pedro Chiang

Sent From David Krucik to the Board of Supervisors on 3/11/2022 4:42:37 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. I don't know if you've tried to drive from the Richmond to the Sunset recently, or even just across the Richmond, but traffic is noticeably worse and we haven't even reached pre-pandemic levels again! The street closures are madness. Please reopen the roads! We need your voice on this issue!

David Krucik

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Sikharin Jarungjit

Sent From Efim Shinkarsky to the Board of Supervisors on 3/10/2022 7:08:09 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Efim Shinkarsky

Sent From Calvin Hom to the Board of Supervisors on 3/10/2022 6:56:36 PM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Calvin Hom

Sent From Cindy Meyer to the Board of Supervisors on 3/10/2022 6:56:11 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Cindy Meyer

Sent From Tom Dooner to the Board of Supervisors on 3/10/2022 6:36:47 PM

Dear Board of Supervisors,

Subject: Please keep JFK Car free

I support a Golden Gate Park that is accessible to everyone, and I believe that this can be accomplished without reopening JFK to cars. I urge you to support SF Rec's plan to provide equitable access to Golden Gate Park, without allowing cars to use it like a high-speed cutthrough as it was before the pandemic.

Tom Dooner

Sent From Gladys Lau to the Board of Supervisors on 3/10/2022 6:24:22 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

Our family home is on Lincoln Way. The closure impacts the safety of all residents here. Traffic is insane on a daily basis. All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Gladys Lau

Sent From eun lee to the Board of Supervisors on 3/10/2022 6:13:18 PM

Dear Board of Supervisors,

Subject: JFK Drive

Hello, My name is Eun. I teach painting for developmental disability adults in Marin who also have various physical disabilities. For them going to the museum is very special because their lives are very limited. Therefore if JFK RD is reopened, it would be great. Please reopen the road. Thanks,
Eun

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Noel Martinez

Sent From Jeff Raymond to the Board of Supervisors on 3/10/2022 5:40:35 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Jeff Raymond

Sent From Sarah Cherny to the Board of Supervisors on 3/10/2022 5:36:18 PM

Dear Board of Supervisors,

Subject: Reopen JFK

The closure of that segment, in particular, of JFK made no sense and should be opened again to cars, at least Monday through Friday. The closed segment of JFK is FAR WIDER than the segment of JFK west of Transverse Drive; further, the closed segment of JFK *already had protected bike lanes* unlike the segment west of Transverse Drive. There simply never was any logic in closing the segment EAST of Transverse Drive. Environmentally, the traffic backups one encounters trying to drive between the Inner Richmond and Inner Sunset is unprecedented, prior to this closure. Stanyan and Crossover are the only options, and they are consistently backed up, turning what used to be a <10 minute drive into what is now typically a 20-30 minute drive, depending on time of day. Please, PLEASE, either re-open from Monday through Friday, OR, consider reopening every day, but closing the segment of JFK WEST of Transverse Drive, which is so narrow that *it* is the segment that represents a greater hazard for cyclists, pedestrians, etc.

Sarah Cherny

Sent From Bobbi Marshall to the Board of Supervisors on 3/10/2022 5:26:35 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I DON'T UNDERSTAND HOW ELECTED OFFICIALS ARE IGNORING THEIR CONSTITUENTS ON THIS MATTER. Park&Rec and SFMTA say they have reached out to 10,000 people out of 800,000. And not all 10k are for permanent closure. They put out a misleading and biased survey which was responded to multiple times by repeat individuals so it's not even valid. Muni is not fully operational nor sufficient to support the road closure. Clearly the Board of Supervisors are more concerned with their own agenda instead of the valid needs of the many citizens of SF that cannot ride a bike or walk to their destinations. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Bobbi Marshall

Sent From Dan Kent to the Board of Supervisors on 3/10/2022 5:06:02 PM

Dear Board of Supervisors,

Subject: JFK Drive - is there a hybrid model??

Can we look for a hybrid model?? The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year. Can we look for a hybrid model??

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Martha Walker

Sent From Ted Olsson to the Board of Supervisors on 3/10/2022 4:02:50 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

Dear Supervisors, As a third generation San Franciscan who bicycled cross city daily for more than a decade and who has walked regularly in Golden Gate Park for decades, once from home (near Church & Market to the beach & back), I think that it is very important to keep JFK drive open to ALL, for walking, cycling as well as for people from distant parts of the city (especially the SE quadrant to use and park in the park while recreating there or attending our major museums & attractions there. Now, as an advanced senior, it is all the more important to me to have this option, though I currently I usually take Muni there. Muni too should run shuttles up and down JFK, no longer than 10 minutes apart. Parking should be allowed all along JFK which will not interrupt the flow of other traffic, particularly since bicyclists, skaters, skateboarders and similar personal but non-motorized vehicles at times are heedless of pedestrians & others. I cannot tell you how many kids from the SE come to CalAcademy without even the knowledge that the world's largest ocean is beside our beach! All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic. Sincerely yours, ~ TED OLSSON

Polly Taylor

Sent From CHRISTINE KIESSLING to the Board of Supervisors on 3/10/2022 3:15:44 AM

Dear Board of Supervisors,

Subject: JFK Drive

To the Supervisors! The closure of JFK drive was initiated as a response to a crisis and offering a solution for having a large amount of land so that people and families could get out of their homes and exercise and engage in socially distanced communion in the midst of a massive lockdown. We in San Francisco are very lucky to have such a resource of beautiful environments to allow us to enjoy what might be enjoyed under this unusual circumstance. But now that the pandemic has lessened it is time to open up JFK again. The museums and the Academy have suffered from a much lower attendance, and they need the funding that comes from people going through the turnstiles and enjoying the offerings of science, education, and art in the middle of Golden Gate Park. Too many San Franciscans and people who do not live in the city have been shut out by the insistence by a loud minority that the street remain closed. There were already closed streets for bicycling and skating on weekends. Do we really need this to be our everyday reality, full time, now and forever? No. It is time to re-open JFK Drive. I leave the balance of my communication to the well-articulated concerns on behalf of poor, elderly, and disabled people who deserve access to our world class park and its attractions as much as the well-healed and able-bodied do. The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

CHRISTINE KIESSLING

Sent From Donna Aldrich to the Board of Supervisors on 3/10/2022 3:13:51 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Donna Aldrich

Sent From Vickie Brown to the Board of Supervisors on 3/10/2022 3:12:43 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Vickie Brown

Sent From Jay Davies to the Board of Supervisors on 3/10/2022 3:11:39 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before. I have mobility issues and find it difficult to get to the eastern portion of JFK Drive. It was better before the closure.

Jay Davies

Sent From Irene Kaus to the Board of Supervisors on 3/9/2022 11:53:45 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

The park was originally designed to be open to ALL WHO COME TO VISIT. Your action to close its most popular venues to a select few who desire to use it for their exclusive interests is the height of arrogance and exclusion to all of the residents and visitors from around the world who will be denied unlimited access to this jewel. There are many other locations in this park, as well as others in the city for those who wish to bike, skate and walk. To privatize this CENTRAL, PUBLIC LOCATION which houses the institutions most visited and cherished for their arts, science, botanical and educational offerings is an insult. How elitist and arrogant of them to even present such a concept! Golden Gate Park is for

Paul Cummins

Sent From Trina Enriquez to the Board of Supervisors on 3/9/2022 5:14:17 PM

Dear Board of Supervisors,

Subject: JFK Drive

Please reopen JFK Drive in Golden Gate Park. I realize that as a FAMSF employee I may be biased in asking for this, and I don't doubt that cyclists, strollers, and walkers enjoy having lots of open space in a park setting for their recreational activities. However, as we slowly emerge from the pandemic, more and more people will want to get out and use the park more as well, and that includes people like myself who don't live nearby and can't afford to pay for parking regularly; people with disabilities for whom it is difficult to walk very far, if at all; families with children; tourists; et al. Over the long term I believe more people will be hurt by the closing of JFK than helped. Please reconsider the closure to be more inclusive of everyone in our community, and reopen JFK Drive.

Trina Enriquez

Sent From Greg Montana to the Board of Supervisors on 3/9/2022 5:10:54 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Greg Montana

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic. And, slow streets and closures discriminate and accelerate traffic in SF neighborhoods and make streets mini highways.

Alana O'Brien

Sent From Freda Milke to the Board of Supervisors on 3/9/2022 4:02:33 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Sent From Arthur Nguyen to the Board of Supervisors on 3/9/2022 3:52:02 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Arthur Nguyen

Sent From jeremy ritter to the Board of Supervisors on 3/9/2022 3:41:41 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

jeremy ritter

Sent From Kim Forwood to the Board of Supervisors on 3/9/2022 3:03:06 PM

Dear Board of Supervisors,

Subject: JFK Drive

I agree! Keeping any streets closed (west end MLK, 41st ave, Cabrillo, Lake,...) now that everyone is back to work and school is ridiculous. Park areas like JFK should only be closed on weekends during daylight hours. I support a compromise, just like with Great Highway. Anything else does not respect the needs of all City residents.

Kim Forwood

Sent From Spencer Seidman to the Board of Supervisors on 3/9/2022 1:47:30 PM

Dear Board of Supervisors,

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Spencer Seidman

Sent From Barbara Dwyer to the Board of Supervisors on 3/9/2022 12:46:40 PM

Dear Board of Supervisors,

Subject: Keep JFK Drive open! This issue should be on the ballot

During COVID, the supervisors approved a number of 'temporary' measures that since have become permanent. Streets that belong to the public have been closed. We have lost our parking spaces and sidewalks to the restaurants and parklets. Bicycle lanes have sprung up everywhere -- between these lanes, the red lanes, and the parklets, traffic has slowed to a crawl. The city feels constricted and claustrophobic. I would like to see such major issues as street closures be on the ballot for the voters to decide and not left up to the vocal special interest groups. We need your voice on this issue! Barbara J Dwyer 3630 17th St SF 94114

Barbara Dwyer

Sent From John Golding to the Board of Supervisors on 3/9/2022 12:31:23 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic during the week. I would support closing JFK Drive on weekends and holidays. Why can't we share the road - does it have to be all or nothing? Please consider opening the roadway so everyone can use it during the week, especially seniors and those with disabilities.

John Golding

Sent From Jennifer Shockley to the Board of Supervisors on 3/9/2022 10:19:48 AM

Sent From Susan Hendrickson to the Board of Supervisors on 3/8/2022 9:33:38 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we already have sidewalks for pedestrians and roads for bicyclists who are supposed to follow the same rules as cars. Quite truthfully as someone who walks in that part of GG Park once a week with a friend, we often have to get off the closed road because the bikers are dangerous and Rec and Park trucks still come through. Most days we walk on the sidewalks. I'd also like to work as a volunteer in the dahlia garden, but you have to park and carry stuff in so far. And I'm 50! Most volunteers for the garden are senior citizens and really struggling with being able to volunteer for that now. How about a compromise, JFK closed on weekends and open to cars during the weekdays?

Susan Hendrickson

Sent From Penne Soltysik to the Board of Supervisors on 3/8/2022 7:23:45 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

Golden Gate park road closures on some days for special events is acceptable. But those roads were built to give EVERY person access to the green spaces of Golden Gate Park. The city and county spent a lot of money to build those roads as access points to the park. The 'powers that be' don't want large groups having a picnic in the park, or for there to be blankets of people celebrating a birthday. They want to see single people riding bikes, people just passing through. Not in cars. Twice in 2 weeks I experienced an ambulance trying to get through on Fulton, the driver had to pull a wreckless move to get around the traffic. I urge you to support JFK Drive and ALL 'slow streets' returning to serving as what they are, roads for cars. The taxes I pay for my car AND my hefty parking permit that has almost doubled in my time living here thank you.

Penne Soltysik

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. The bikes have ENOUGH access to S.F. and the park on Sundays!!! Enough is enough of bowing down to theses bikers. Streets are for CARS!!! Open Cabrillo Street as well!!! It's STUPID to have it closed for CARS! Great Hwy?? Yes. lets close it so ALL THE CARS ARE FORCED ON 19th AVE for an HOUR COMMUTE HOME from 280 to Crossover. Sunset Blvd USED TO BE OK UNTIL NOW YOU CLOSED LEFT TURN TO GET TO CHAIN OF LAKES. CLOSING STREETS DOESN'T MEAN LESS CARS...DUH!!!!!! We still have to GET TO WORK. We still have to BUY GROCERIES. We still have to take our kids to APPTS and EXTRA CURRICULAR. We still have to RUN ERRANDS. Yes. lets all give up our cars and load our family on a BIKE to go on the freewaygive me a break!! Your progressive politics have RUINED S.F.!!!! I'm born/native S.F. and can't wait to MOVE OUT in a year after my youngest graduates next year. CLOSING STREETS DOESN'T MAKE LESS CARS...JUST MAKES THE ONLY FEW STREETS AVAIL TO DRIVE ON, TAKE AN HOUR TO DRIVE. Thanks alot!! the streets are FOR CARS!!!! Bikes have pathways and Great Hwy was completely rebuilt with an entire pathway for walkers/bicyclists and the STREET is for CARS!!! I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Lorna Williams

Sent From Robert Clark to the Board of Supervisors on 3/8/2022 2:26:21 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Robert Clark

Sent From Regina Casciato to the Board of Supervisors on 3/8/2022 2:06:13 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Regina Casciato

Sent From Margaret Clarke to the Board of Supervisors on 3/8/2022 1:56:27 AM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Margaret Clarke

Sent From Alyssa Strull to the Board of Supervisors on 3/8/2022 1:51:49 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Alyssa Strull

Sent From Susan Berkhout to the Board of Supervisors on 3/8/2022 1:40:41 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Susan Berkhout

Sent From Julia Murray to the Board of Supervisors on 3/8/2022 1:04:37 AM

Sent From Chris Fitzsimons to the Board of Supervisors on 3/8/2022 12:36:46 AM

Dear Board of Supervisors,

Subject: JFK

Although it was very helpful during shelter in place, it is time to reopen JFK during the week. The traffic in our neighborhood is very stressful for people trying to get to work on time and kids to school efficiently. The incidents of road rage, dangerous driving and illegal driving is observed daily. Also, fire and emergency response time is significantly delayed. I had to call 911 due to an incident in GGP and it took over 20 minutes for the police to arrive. Finally, when there is an event in the park, those of us who live close to the park, are basically landlocked in our homes. As a voter, it is very frustrating when temporary changes in the city become permanent without much thought to all parties. Time to reopen JFK!

Chris Fitzsimons

Sent From Mitzi Fata to the Board of Supervisors on 3/8/2022 12:01:24 AM

Sent From Steven Holland to the Board of Supervisors on 3/7/2022 5:29:34 PM

Dear Board of Supervisors,

Subject: My elderly parents and I need JFK open!

I have lived in San Francisco for 12 years and even moved my elderly parents into my home to take care of them. I am currently in the Outer Sunset. Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things and directly impacts my family. I need to be able to take them to this park and my parents struggle with transit. Tumlin has already removed so many of the bus lines they depend on and looking at the shuttle map, it does not even serve the outer communities and is a shill for tourists coming from downtown. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park. The parks have plenty of pedestrian only areas, keep these roads open for cars.

Steven Holland

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Sue Escobar

Sent From Arthur Hilmoe-Javier to the Board of Supervisors on 3/7/2022 12:45:29 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Arthur Hilmoe-Javier

Sent From Jaime Cid to the Board of Supervisors on 3/7/2022 12:31:31 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Jaime Cid

Sent From Scott Laidlaw to the Board of Supervisors on 3/7/2022 12:23:25 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Scott Laidlaw

Sent From Susan Rolovich to the Board of Supervisors on 3/6/2022 11:47:19 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Susan Rolovich

Sent From John Doricko to the Board of Supervisors on 3/6/2022 11:45:49 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

John Doricko

Leslie Sullivan

Sent From Michael Mullen to the Board of Supervisors on 3/6/2022 9:52:07 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

The reasons I want to open JFK drive again are 1) it provides parking for people visiting the park from other neighborhoods not served directly by transit; 2) it provides access to the DeYoung and the Academy of Science and the Botanical Gardens, etc., and 3) there is currently no way to enter the park from the north before 25th avenue, and therefore no way through the park. Cyclists and runners have ample space to cycle and run. We also need to provide access to museums and the park to old people and infirm people and San Franciscans who happen to live far away. I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Michael Mullen

Sent From Mike Kirschner to the Board of Supervisors on 3/6/2022 9:35:02 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! Because MUNI is so unreliable and untenable in so many parts of, if not throughout, San Francisco, the foolhardy idea of shutting down any street - including JFK Drive - demonstrates an idealism that is not appropriate. Be realists; stop being performative idealists. We live here; we have to be able to get around. Focus on improving public transportation rather than penalizing the only alternative many in SF have. JFK Drive should be reopened to the way it was before COVID.

Mike Kirschner

Sent From Jonathan Belmares to the Board of Supervisors on 3/6/2022 9:25:43 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Sent From Lorraine Grumet to the Board of Supervisors on 3/6/2022 12:48:17 AM

Dear Board of Supervisors,

Subject: JFK Drive

It's been tougher since our Crocker Amazon clubhouse hasn't opened up for our return to exercising for 2 years. I work for Community Living Campaign, a non-profit supporting wonderful San Franciscos neighborhood Senior's and Disabled persons. The current closure of JFK Drive severely impacts me and people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. In wanting to get ourselves safely out and about to the SF Botanical Garden is the closest accessible automotive delivery/drop off I've had. I haven't been able to bring seniors & my friends directly to the museums As we emerge from COVID, it's high time to reopen JFK Drive for the rest of us. Golden Gate Park belongs to all neighborhoods and the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year. Lorraine Grumet

Sent From Bernie Honigman to the Board of Supervisors on 3/6/2022 12:33:32 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Bernie Honigman

Sent From Sharon Jones to the Board of Supervisors on 3/6/2022 12:30:07 AM

Sent From Thomas Yaussy to the Board of Supervisors on 3/6/2022 12:25:34 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Thomas Yaussy

Sent From Lauren Rischel to the Board of Supervisors on 3/6/2022 12:18:03 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Lauren Rischel

Dear Board of Supervisors,

Subject: Golden Gate Park

John F. Kennedy Drive must reopen. Keeping it closed will be a disaster for San Francisco's tourist industry. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Timothy Raymond

Sent From kelly malia to the Board of Supervisors on 3/4/2022 7:17:46 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Sent From Kenneth Muller to the Board of Supervisors on 3/4/2022 7:03:37 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Kenneth Muller

Sent From Maria Torre to the Board of Supervisors on 3/4/2022 6:55:32 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Maria Torre

Sent From Harvey Garn to the Board of Supervisors on 3/4/2022 6:49:06 PM

Dear Board of Supervisors,

Jocelyn Carter

Sent From Kay Franklin to the Board of Supervisors on 3/4/2022 5:07:30 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people like me, a senior with two children with disabilities. It is difficult to manage to get three people near the different areas we would like to visit with JFK closed. Golden Gate Park has plenty of wide sidewalks and robust biking areas for people to use. It doesn't make sense to close down an important access point to many people in order to benefit a few who already have access to areas to walk and bike. The closure served its purpose during Covid; now it's time to open it back up for ALL the people of this city and our visitors. I strongly encourage you to support JFK Drive returning to its pre-COVID use.

Kay Franklin

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Frank Quon

Sent From Diane Quintana to the Board of Supervisors on 3/3/2022 9:19:21 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Diane Quintana

Beate Boulton

Sent From Vincent Wong to the Board of Supervisors on 3/3/2022 8:27:22 PM

Dear Board of Supervisors,

Subject: JFK Drive

When there is a medical need and the response time takes 5-8 minutes longer, you know why. Imagine if it's a family member. If the attractions, museums raise prices because lack of visitors, you know why. San Francisco is expensive as is and with robberies and car breackins, this city is moving in the wrong direction. The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Vincent Wong

Sent From Jyoti Singh to the Board of Supervisors on 3/3/2022 8:23:59 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

I have been faculty at UCSF School of Dentistry since 2001. A lot has changed, I have become disabled, though still working. Not being able to drive and park close by or on Martin Luther King Drive makes my well being and enjoyment pitiful. Kindly consider opening it. All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Jyoti Singh

Sent From Marilyn Dempster to the Board of Supervisors on 3/3/2022 8:22:33 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Cynthia Shiraev

Sent From Gregory Quintana to the Board of Supervisors on 3/2/2022 5:26:36 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Sent From Anatoliy Kalika to the Board of Supervisors on 3/2/2022 5:18:50 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Anatoliy Kalika

Sent From Steve McKibbin to the Board of Supervisors on 3/2/2022 5:06:41 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Steve McKibbin

Sent From Eddy Sapiro to the Board of Supervisors on 3/2/2022 5:05:58 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Eddy Sapiro

Sent From Marr Akers to the Board of Supervisors on 3/2/2022 5:05:27 PM

Dear Board of Supervisors,

Dear Board of Supervisors,

Subject: JFK this is the shortest way to the Golden Gate Bridge for me but having lived most of my life in SF

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Ann Radel

Sent From Diane Amos-Medellin to the Board of Supervisors on 3/1/2022 4:53:42 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Diane Amos-Medellin

Sent From Sharon Quintana to the Board of Supervisors on 3/1/2022 4:45:35 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It seems like JFK Drive has been closed for ever. Please open the park to all San Franciscans. My husband is disabled and a ride through the park helps lift the spirit. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Sharon Quintana

Sent From Beverly Becker to the Board of Supervisors on 3/1/2022 4:44:51 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Beverly Becker

Sent From Mike Orlando to the Board of Supervisors on 3/1/2022 4:43:24 PM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Mike Orlando

Sent From Judith Parks to the Board of Supervisors on 3/1/2022 4:36:49 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Sent From Janie Worster to the Board of Supervisors on 2/28/2022 5:17:49 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I have lived in the inner Richmond for 17 years. I bike, walk and drive. I have 2 children who (due to the messed up lottery system) go to school in the outer Sunset. It's a 30-45 min bike ride, made impossible by music instruments, massive backpacks, tired children and weather. They are interning at Stow Lake this spring and we would normally walk, but have to bring heavy sandwich boards and equipment, which means that we have to go all the way around the park (waste of gas!!) every weekend to get to a place that would be a 5 min drive if JFK was open!! I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Nan Shea

Sent From Molly Harrigan to the Board of Supervisors on 2/28/2022 4:07:29 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Molly Harrigan

Sent From Kristine Lee to the Board of Supervisors on 2/28/2022 4:02:32 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Kristine Lee

Sent From James Murphy to the Board of Supervisors on 2/28/2022 3:59:36 PM

Dear Board of Supervisors,

Subject: JFK Drive & GREAT HIGHWAY TOO!

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year. AND OPEN THE GREAT HIGHWAY TOO!

James Murphy

Sent From J Morrice to the Board of Supervisors on 2/28/2022 3:55:56 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. And it creates a traffic nightmare for locals. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

J Morrice

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, and holidays. As a family with members who have disabilities we feel discriminated against by the City's policies that make access to most of Golden Gate Park only available to active able bodied individuals. This City belongs to ALL people, not just those that are physically fit to ride a bike or skate. As a Civil Servant you have been elected to serve us all and I'm asking you to stop discriminating against disabled people by blocking off JFK Drive.

Mary Molly Mullaney

Sent From Ilia Shuvalov to the Board of Supervisors on 2/27/2022 2:08:28 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures only occurring on Sundays.

Ilia Shuvalov

Sent From Penelope Skwish to the Board of Supervisors on 2/27/2022 1:54:26 PM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Penelope Skwish

Sent From Juliet Karnes to the Board of Supervisors on 2/27/2022 1:53:43 PM

Sent From Paula Burket to the Board of Supervisors on 2/27/2022 11:05:47 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Paula Burket

Sent From Rosanne Torre to the Board of Supervisors on 2/27/2022 10:43:46 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Rosanne Torre

Sent From William Hickey to the Board of Supervisors on 2/27/2022 10:43:09 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

William Hickey

Sent From Mark Mosher to the Board of Supervisors on 2/27/2022 10:27:21 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Mark Mosher

Nancy R Holmes

Sent From Pamela Sebastian to the Board of Supervisors on 2/27/2022 8:22:59 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Pamela Sebastian

Sent From Heather Powers to the Board of Supervisors on 2/26/2022 9:16:51 PM

Dear Board of Supervisors,

Subject: JFK

I personally am suffering as a disabled person trying to get around bough the JFK and Great Highway Closures. I can not safely cross streets, get to appointments without double the cost or visit many parts of the park I used to enjoy. The bike coalitions have scared my neighbors against speaking out by going door to door, blocking roads and review bombing any businesses that speak out against these closures. The roar of engines through our neighborhoods to avoid these closures starts at 7am, with car clubs revving at each crosswalk and speed hump where children and disabled people walk. Crosswalks have become danger zones. The bicycles seen about are not from saving the environment, they are exercise enthusiasts who drive in, leave their trash and want the right to drive full speed without stopping on any road without consequences. It is the local elderly and our park gardeners who are out there picking up trash after it is decimated each weekend. I should have the right to cross the street without worry of being run over if I am not fast enough. I should be able to walk with my cane down the street without having to watch out for needles and broken glass because our neighborhoods are overwhelmed with no additional resources. Barring that I should at least be able to park close enough to have a fighting chance to enjoy it too! Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park and the Great Highway.

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID. I am a disabled single parent with multiple sclerosis. The closures of JFK and the Great Highway have been very negatively impactful for my family. We are one of those families that has been highly impacted by the pandemic because I am immunocompromised, because our housing situation is poor, unsafe and unstable and we are arguably in greater need of utilizing our outdoor spaces than those who have the resources to flee to Tahoe, etc. There has been so much done to consider disadvantaged communities here, but the one that seems to get overlooked again and again are your disabled communities. Please please please think about your policies' effect on us. Thank you.

Heather Iger

Sent From Jeff Stoffer to the Board of Supervisors on 2/26/2022 1:59:05 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Jeff Stoffer

Sent From Lor Gi to the Board of Supervisors on 2/26/2022 1:11:13 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Lor Gi

Sent From Nada Klanjac to the Board of Supervisors on 2/26/2022 1:04:57 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Nada Klanjac

Sent From Ilja Eckstein Eckstein Eckstein to the Board of Supervisors on 2/26/2022 12:13:40 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Ilja Eckstein Eckstein Eckstein

Sent From Mallory Salmeron Graf to the Board of Supervisors on 2/25/2022 3:23:48 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Mallory Salmeron Graf

Sent From Tiffany Guerry to the Board of Supervisors on 2/25/2022 3:15:32 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic. My children go to GWHS and Presidio Middle School. I travel from Cesar Chavez through the park daily and take the children I care for to Golden Gate Park but can't even drive to the side I would like to enter on off of Stanyan or Fulton. It's hard to walk either 3 children under 2 by myself without being to drive in. I also have challenges with one of my ankles so it makes it harder when I have to walk around unlevelled areas filled with branches and rocks just to get to and from my car.

Tiffany Guerry

Sent From D. Boone Ashlock to the Board of Supervisors on 2/25/2022 3:14:59 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample pedestrian walkways each day of the week. We need to balance equity AND safety!

D. Boone Ashlock

Sent From Sandy Johnson to the Board of Supervisors on 2/25/2022 3:14:06 PM

Sent From Leticia Oâ€™Sullivan to the Board of Supervisors on 2/25/2022 10:42:46 AM

Dear Board of Supervisors,

Subject: JFK

I'm a teacher and live on Fulton St, near the Music Concourse. There is no parking in my building, so my family relies on street parking. Since the reopening of the park attractions, with the continued closure of JFK, tourists and SF residents park in my neighborhood to access the park, leaving very few available parking spots for us residents. I'm eight months pregnant and have a 2 year old child. Sometimes I have to park several blocks from home, and walk with my child at night, carrying her backpack and my bag from work. Two weeks ago we were confronted by a man who was on drugs or mentally ill, who followed us for two blocks and said obscene things to my child. I was terrified! Please reopen JFK and give tourists and park goers the option of parking inside the GG park, leaving the parking on Fulton for us residents.

Leticia Oâ€™Sullivan

Sent From Deane Hartley to the Board of Supervisors on 2/24/2022 7:54:59 PM

Dear Board of Supervisors,

Subject: JFK

I am a west-side bicyclist who has to suffer the anarchy of eastern JFK regularly. It's a heart-in-my throat experience to dodge all the inattentive pedestrians, strollers, mopeds and runners in the bike lane (where the California vehicle code obligates cyclists to ride). Occasionally I glance over at the wide, peaceful, well-paved, buffer-zone-protected pedestrian pathways that run parallel to JFK and see...almost nobody there. This is a silly state of affairs and there's no good reason for it. Yes, none. City Hall tyrannized us with 'Slow Streets' based on some delusion of a public-health 'emergency' in which the sidewalks were, what?...overcrowded with thousands of sick people? Maybe they only went outside when I was indoors because I never encountered these unhygienic throngs in my 4500 miles per year of walking and pedaling San Francisco streets. JFK was well designed for ALL conveyances to co-exist in their own designated zones. Please end this embarrassment and re-open JFK to the way it was before Covid.

Deane Hartley

Wayne Hemer

Sent From Eveline Darroch to the Board of Supervisors on 2/24/2022 6:46:54 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive with all roadways open to vehicle traffic and street closures on HOLIDAYS ONLY. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. As I have gained mobility issues, it is a deterrent to not be able to drive into to partake in the de young. The closure creates more traffic and harder parking. Contrary to the idea that SF is transit friendly, the muni is slow, unreliable and pretty dirty. Removing parking lanes and traffic lanes all through out the city reduces the availability to partake in the local shops and entertainment. I have been forced to leave SF due to ridiculous pricing on rents but it is still my home and being squeezed out through it become physically inaccessible is painful. Please restore the JFK drive to everyone one and not just those with out disabilities.

Eveline Darroch

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Bill Alvarado

Sent From Justine Chiu to the Board of Supervisors on 2/24/2022 6:42:27 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Justine Chiu

Sent From James Davidson to the Board of Supervisors on 2/24/2022 6:42:04 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

James Davidson

Sent From Jake Yue to the Board of Supervisors on 2/24/2022 6:38:46 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Jake Yue

Sent From Linda Ravano to the Board of Supervisors on 2/23/2022 3:04:27 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic. I have a 92 year old mother who cannot access the park. She was unable to go during the holidays at night to see the lights . I used to see older people in the park every day sitting on benches near their cars . Now never . The 150+ free parking spaces we voted for are gone . That means people from the outer districts have no place to park. Having JFK drive closed is not equitable. You allow electric bikes ?! That is motorized . Do you know who owns those ? Rich , white men€ that is who this closure favors . I have met the rudest cyclists who fly by and scream for people to get out of the way. If SF wants a closed PORTION of JFK we should vote on it and put money to. Pave a whole section . Like one way . SF has never put money into the upkeep of the running path. It is time for SF to live up to its name of being a city for all.

Linda Ravano

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Elaine Chan-Scherer

Sent From Alycia Kennedy to the Board of Supervisors on 2/23/2022 6:34:15 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Alycia Kennedy

Sent From Diane De Martini to the Board of Supervisors on 2/23/2022 6:27:54 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Diane De Martini

Sent From Beatriz De luna to the Board of Supervisors on 2/23/2022 6:24:14 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Beatriz De luna

Sent From Martin Murphy to the Board of Supervisors on 2/23/2022 6:22:57 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Martin Murphy

Sent From Raquel Lainez to the Board of Supervisors on 2/23/2022 6:16:05 AM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Raquel Lainez

Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Jennifer Kopatz

Sent From Salvador Valdevieso to the Board of Supervisors on 2/22/2022 9:08:51 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Salvador Valdevieso

Sent From Cliff Gerrish to the Board of Supervisors on 2/22/2022 9:07:44 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Cliff Gerrish

Sent From Patricia Huey to the Board of Supervisors on 2/22/2022 9:04:10 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Sandra Wong

Sent From Brayton Fisher to the Board of Supervisors on 2/22/2022 8:10:57 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive is causing major headaches for commuters. I believe it should be open to drivers Monday-Friday for this reason. Also, it severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Brayton Fisher

Sent From Jennifer Xavier to the Board of Supervisors on 2/22/2022 5:33:50 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

San Francisco is a busy city. As we reopen for business, start to frequent businesses that have been suffering, and people start back to work, they must be able to get around, find parking, and get to where they need to go without getting delayed in unnecessary traffic jams. You can do something about this! It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before. The time to act is now!

Jennifer Xavier

Sent From Leo Villacorte to the Board of Supervisors on 2/22/2022 5:25:04 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

You can't close a major street, even one in a park, without making concessions for how to get around the lack of a thoroughfare that gets a large portion of people north and south of the park (Arguello entrance) as well as allows people to get through the park (east/west) without having to trudge through street traffic on Lincoln and Fulton. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Leo Villacorte

I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Karen Politz

Sent From Sara mcDonald to the Board of Supervisors on 2/22/2022 5:28:18 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Sara mcDonald

Sent From Lillian Wong to the Board of Supervisors on 2/22/2022 5:19:04 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Lillian Wong

Sent From Jeff Kaliss to the Board of Supervisors on 2/22/2022 4:54:56 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Jeff Kaliss

Sent From Gregg Garcia to the Board of Supervisors on 2/22/2022 4:13:18 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Gregg Garcia

Sent From Claudette Scharf to the Board of Supervisors on 2/22/2022 4:10:31 AM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Claudette Scharf

Sent From John Toepfer to the Board of Supervisors on 2/21/2022 9:49:13 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

Street closures were meant to be a temporary situation during shelter in place and social distancing requirements. We are well beyond that stage and the need for closures. There's 1017 acres of park for people to enjoy; cars need to use JFK. I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

John Toepfer

Sent From Janice Alden to the Board of Supervisors on 2/21/2022 9:46:40 PM

Dear Board of Supervisors,

Subject: Please open JFK drive for muni, people to get to hospitals, other outings, cabs, I'm a native San Fr

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Janice Alden

Sent From Kathleen Gee to the Board of Supervisors on 2/21/2022 9:36:25 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Kathleen Gee

Sent From Mark S. Weinberger to the Board of Supervisors on 2/21/2022 9:32:32 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Mark S. Weinberger

Sent From Adriana Carlton to the Board of Supervisors on 2/21/2022 8:55:31 PM

Dear Board of Supervisors,

Subject: JFK

please open JFK drive! This is a land grab by less than one percent who ride bicycles. I'm old and it's difficult for me to walk. Please represent all of San Franciscans not just the minority who scream the loudest

Adriana Carlton

Sent From Maurice Meyer to the Board of Supervisors on 2/21/2022 8:05:31 PM

Dear Board of Supervisors,

Subject: JFK

As a 30 year resident of the inner-Sunset I'd like to request that JFK drive be reopened to traffic at night and during the week days. I find it very annoying that I have to drive 20 blocks out of my way to cross over from 9th Ave on the Sunset side to the Richmond side. It's especially annoying at night or in the rain when there is obviously very little recreational use if any. Primarily though, I think it should be noted by city government with the recent ousting of the three school board members that a lot of us long time residents are tired of knee-jerk decisions made without proper planning. And, with the added bait and switch aspect where a temporary measure is used as a foothold to end-run any actual planning work. SF government needs to get back to a common-sense and fair approach.

Maurice Meyer

Sent From Gary Mootz to the Board of Supervisors on 2/21/2022 8:01:17 PM

Sent From Matthew Crom to the Board of Supervisors on 2/21/2022 5:36:10 PM

Dear Board of Supervisors,

Subject: Please Reopen JFK & Grant Access for All

Dear Custodians of the City by the Bay, My wife and I lived in San Francisco for ten years in the Sunset District, a block from the zoo and six blocks up from Ocean Beach. We have seen many changes in The City, and some of the most appalling changes have been the shutting down of The Great Highway and JFK Drive during the onset of the 2020 SARS-2 Pandemic. It is truly unfair for someone who may not have the luxury of being able to live in or bike to the wealthy western part of town, which has exploded in popularity during the pandemic. And anyone who has lived in SF and has taken public transit to work and back, know it is not practical to tell someone who lives nowhere nearby Golden Gate Park to take public transit to Golden Gate Park. With all due respect, you really do need a car to easily get to the Park and back, especially if you have physical handicaps or are elderly, and this trip often serves as the outlet needed for the green space in a dense city for recreation and stress relief that Mr. McLaren designed this beautiful and amazing space for. To block cars from going up and down JFK Drive, is simply blocking more people's access to enjoying this space. San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park. Especially the elderly, the handicapped and those that live far away from the Park and can't practically take public transit there. JFK Drive should be reopened to the way it was before the COVID-19 Pandemic. Many thanks for your attention to this matter.

Matthew Crom

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Joni Dillane

Sent From Kelsey Placek to the Board of Supervisors on 2/21/2022 7:19:25 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else specifically those who drive VEHICLES. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Kelsey Placek

Sent From jenny fong to the Board of Supervisors on 2/21/2022 7:12:50 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

jenny fong

Sent From Alan Chu to the Board of Supervisors on 2/21/2022 7:09:51 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Alan Chu

Sent From Alexander Lim to the Board of Supervisors on 2/21/2022 7:06:58 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Alexander Lim

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue! Also, remove the parklets that all have code violations and contact the CDC regarding the tent cities. Thanks...

Michael Oroszi

Sent From S G to the Board of Supervisors on 2/21/2022 5:47:33 AM

Dear Board of Supervisors,

Subject: Reopen JFK

As a person with disabilities who lives in Glen Park, I can't reliably walk to get to GGP. As a woman who has been sexually assaulted on MUNI, I can't reliably take public transit. The street closures have caused traffic congestion on surrounding streets. I've lived in SF for 20 years and there has never been a problem with having JFK open. GGP has always been accessible, easy parking, not congested, and easy to navigate on an average day. There is no need to take this thoroughfare away from people who don't live in the neighborhood. I understood street closures in neighborhoods during the height of covid, but GGP is literally a park - there are massive wide open spaces throughout. There is no logic to having this street closed. And yes, I've seen the plans. San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID. And all other streets should reopen as well. What's the need to have Waller closed when GGP or Buena Vista park are right there? Why have Keller or Lake closed when they're the street with the fewest stop signs? It's time to open streets for all of us, not just the convenience of the people who live in those neighborhoods. I live on Bosworth, no one closed down my street; I'm sure it would be nice to have some peace and quiet and go for walks, but the street is there for a reason. Stop catering to these people. They can move to Marin if they don't want to live in an urban environment.

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Gary Goerss

Sent From Liz Thor to the Board of Supervisors on 2/21/2022 12:08:16 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Liz Thor

Sent From Ray O'Connor to the Board of Supervisors on 2/21/2022 12:08:04 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park. I would also add that all such street closures in San Francisco need to be reversed and access to public thoroughfares be restored. These are PUBLIC lands and should not be closed off to benefit a few people.

Ray O'Connor

Sent From John Donohue to the Board of Supervisors on 2/21/2022 12:03:35 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

John Donohue

Sent From James Ernst to the Board of Supervisors on 2/21/2022 12:02:24 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

James Ernst

Sent From Richard Redmond to the Board of Supervisors on 2/21/2022 12:01:01 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Richard Redmond

Sent From Claudia Landivar to the Board of Supervisors on 2/20/2022 11:53:15 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

When JFK Drive was closed at the height of the pandemic, it was done to provide needed comfort to nearby residents who were sheltering in place - at least for those with the mobility to access the park. It's time for John F. Kennedy Drive to reopen so everyone has access to Golden Gate Park, critical open space. It would be a mistake to keep it the way it is now in favor of a single ableist constituency. The pre-COVID conditions on JFK Drive, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays, have the benefit of allowing more people of all physical abilities to access that space. Changes to those conditions should be carefully thought out, and include serious consideration of opportunities to make things better for everyone. I urge you to support JFK Drive returning to those pre-COVID conditions.

Claudia Landivar

Sent From MICHAEL MOORE to the Board of Supervisors on 2/20/2022 11:34:48 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

Sent From Karen Myers to the Board of Supervisors on 2/20/2022 8:02:36 PM

Dear Board of Supervisors,

Subject: JFK

I am an Outer Sunset resident with a disability who wants to be able to use the park again. I can't access the beautiful eastern JFK or Western MLK Drives, which I used to drive to (and through) so I could spend time in nature. So, is the plan to only allow healthy, active people go to the Dahlia Gardens, the Conservatory of Flowers, the Rose Garden, the ponds and gardens and tourist sites? This is heartless. Our city's natural beauty should be accessible to EVERY ONE. A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Sent From Ellen Newman to the Board of Supervisors on 2/20/2022 2:08:04 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Ellen Newman

Sent From Keli Grijalva to the Board of Supervisors on 2/20/2022 2:07:39 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Keli Grijalva

Sent From Robert Saletta to the Board of Supervisors on 2/20/2022 1:58:10 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Robert Saletta

Sent From Michael Williamson to the Board of Supervisors on 2/20/2022 9:47:12 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Michael Williamson

Sent From Elaine Breen-Brown to the Board of Supervisors on 2/20/2022 9:07:15 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Sent From Ivy Tong to the Board of Supervisors on 2/20/2022 8:04:58 AM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID. Open ALL of the slow streets that have been hijacked by the SFMTA. The SFMTA has made it increasingly aggravating to drive around the city which is detrimental to businesses in San Francisco. I now do most of my shopping for groceries/clothes/household items, etc in San Mateo County. My veterinarian and the majority of restaurants I frequent are also in San Mateo County. That's thousands of dollars of revenue lost to SF county.

Ivy Tong

Sent From Judith Berkowitz to the Board of Supervisors on 2/20/2022 8:02:40 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. Judith Berkowitz

Sent From Aaron Gomez to the Board of Supervisors on 2/20/2022 7:26:20 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

GG park is huge. JFK is the best way to get through it. Bikers and pedestrians have PLENTY of space to have fun in the park, and plenty of ability to traverse it (via sidewalks, grass, and roads - all of which were *perfectly* sufficient before). Closing JFK provides zero new options for mobility - it only gives them concrete to play on. It's fantastic that residents have that option now, but there are so many other places for that... NOT THE MAIN ROAD. If you're going to close park to help with covid, allow kids to learn roller blading, etc.... then why on earth wouldn't you just pick some smaller side road!? PLEASE make a sensible change. While I'm at it - why on earth would you remove a lane (25% reduction) from one of the biggest thoroughfares in the city - Fell St - when you could have just *made the existing bike/walk path wider*!? I've lived right next to the panhandle for almost 10 years - there was never even a business problem on that path to begin with! I'm definitely not a 'stick it to the man' / screw-the-government kind of guy, but damn this reeks of some political career-move type of decision! Absolutely pointless!!

Aaron Gomez

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park..

Patricia La Sala

Sent From Joe Thom to the Board of Supervisors on 2/20/2022 3:37:34 AM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Joe Thom

Sent From David Williams to the Board of Supervisors on 2/20/2022 3:37:33 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

David Williams

Sent From Elizabeth Fox to the Board of Supervisors on 2/20/2022 3:34:49 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Elizabeth Fox

Sent From Sama Meshel to the Board of Supervisors on 2/20/2022 3:27:13 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Sama Meshel

Sent From Joseph Cox to the Board of Supervisors on 2/20/2022 3:26:35 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Joseph Cox

Sent From Lucille Fukuda to the Board of Supervisors on 2/20/2022 3:17:30 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Lucille Fukuda

Sent From Sandra Lynnette Jones to the Board of Supervisors on 2/20/2022 3:16:19 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Sandra Lynnette Jones

Sent From Robert Larsen to the Board of Supervisors on 2/20/2022 3:14:38 AM

Sent From Martha Arbouex to the Board of Supervisors on 2/20/2022 2:17:44 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Martha Arbouex

Sent From Carol Gould to the Board of Supervisors on 2/20/2022 2:04:21 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. My good friend is a volunteer at the Dahlia Dell, one of the most beautiful spots in the Park. She is over 80 years old, as are many of her fellow volunteers. They have bulky equipment they use to tend the garden, and can't lug it from wherever they can park, which is usually at least half a mile or more from the Dell. This is ridiculous and needs to be addressed. Many of the volunteers in the Park are retired people who may have mobility issues. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Carol Gould

Sent From ELIZABETH NAYLOR to the Board of Supervisors on 2/20/2022 1:52:19 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

ELIZABETH NAYLOR

Sent From Elaine Low to the Board of Supervisors on 2/20/2022 1:51:11 AM

Helen Gee

Sent From Jessica Tanzer to the Board of Supervisors on 2/19/2022 9:51:43 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I live up on Twin Peaks where the road is closed. I have a movement disorder that is degenerative and a life threatening condition that brings me to the hospital with emergencies, with the road closed, tourists bottleneck at Burnett and Twin Peaks Blvd and we get stuck unable to get out of or in to our neighborhood. The street closures on Page St and other streets that aren't thoroughfares are really lovely but closing Twin Peaks Blvd at Burnett, The Great Highway and JFK in the park are all completely unfair to those of us who have disabilities. I should include not being able to bring folding chairs to Dolores Park. I have been a San Francisco resident for 35 years and I am no longer able to enjoy these four city treasures. Please consider this from an ADA perspective. I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Jessica Tanzer

Sent From Shirley Wing to the Board of Supervisors on 2/19/2022 9:40:53 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Sent From Jenifer Copple to the Board of Supervisors on 2/19/2022 5:50:18 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Jenifer Copple

Sent From Phillip Shinn to the Board of Supervisors on 2/19/2022 5:48:12 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Phillip Shinn

Sent From Sharon Brown to the Board of Supervisors on 2/19/2022 5:46:47 PM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Sharon Brown

Sent From Fred Johansen to the Board of Supervisors on 2/19/2022 5:46:08 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Fred Johansen

Sent From Julia Clark to the Board of Supervisors on 2/19/2022 5:37:28 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Julia Clark

Sent From Eric Mathewson to the Board of Supervisors on 2/19/2022 5:36:54 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

Reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. Balance between the needs of Access to San Francisco Museums and ability to use the roads as pedestrian/bike paths.

Eric Mathewson

Sent From Laura Ossa to the Board of Supervisors on 2/19/2022 5:35:58 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Laura Ossa

Sent From Annegret Sellers to the Board of Supervisors on 2/19/2022 5:25:25 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic. My husband and I are senior citizens with my husband disabled and we no longer can visit this area. Your closure is absolutely not fair. It seems that you don't care !

Annegret Sellers

Sent From Ann Spivack to the Board of Supervisors on 2/19/2022 5:25:12 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Ann Spivack

Sent From Don Climent to the Board of Supervisors on 2/19/2022 5:23:14 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 12 months of the year.

Don Climent

Sent From Moura Borisova to the Board of Supervisors on 2/17/2022 2:40:54 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Moura Borisova

Sent From Veronica Mui to the Board of Supervisors on 2/17/2022 2:30:42 PM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Veronica Mui

Sent From Rosana Bratt-Perieff to the Board of Supervisors on 2/17/2022 1:18:15 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Rosana Bratt-Perieff

Sent From Andy Leavitt to the Board of Supervisors on 2/17/2022 12:26:08 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Andy Leavitt

Sent From heidi breuer to the Board of Supervisors on 2/17/2022 8:44:42 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

heidi breuer

Sent From Janice Gloe to the Board of Supervisors on 2/17/2022 5:27:23 AM

Dear Board of Supervisors,

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic! This also applies to the Great Highway. You lot are closing streets and roads all over SF, and those of us who rely on our (small) car to get around are forced to drive much further. Those of us who also have mobility challenges, and are not high-paid tech workers, cannot afford the extra parking. Frequently, we also lack the extra couple of hours it would take to drive to and from those areas. ALL of us pay for these roads and areas. I don't think the pedestrians are paying anything extra, nor the bicyclists, skaters, scooters and so forth. If you remove GENERAL PUBLIC use of the roads we pay for, you are likely to find yourselves in litigation. Please, just for once, be INCLUSIVE of ALL SF residents, not just the rich ones with lots of time.

MH Cliver

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue! yes Should open asap

Sent From Katheryne Erigero to the Board of Supervisors on 2/14/2022 1:38:07 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Katheryne Erigero

Sent From Timothy Lucier to the Board of Supervisors on 2/14/2022 1:23:31 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Timothy Lucier

Sent From Illona Root-Chang to the Board of Supervisors on 2/14/2022 11:13:03 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Illona Root-Chang

Sent From Marie Visto to the Board of Supervisors on 2/14/2022 10:22:06 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before. As a disabled person it has been a hardship to have JFK Dr closed, it is imperative to REOPEN JFK Dr. for access to & thru the park. And as a REASONABLE ACCOMMODATION REQUEST I implore you to REOPEN JFK DR. No one should be allowed to 'enjoy' while others suffer & are deprived, especially people like myself that are disabled.

Marie Visto

Sent From Jennie Chin to the Board of Supervisors on 2/13/2022 4:07:39 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I am a senior resident of district 11 who uses JFK Drive to access GG Park venues and also to visit relatives, friends and restaurants in the Richmond area. Closure of JFK Drive is an elitist move to discourage residents of neighborhoods distant from the park from accessing the museums, restaurants and other sites in GG park that require driving from southern parts of the city across the park. Combined with the closure of the Great Highway on weekends (since when does the weekend start at noon on Friday????), it is a harrowing experience to navigate access, not to mention the extra traffic time required. Not everyone wants to be on Muni, especially in these covid times (I am immune compromised). I also don't need to spend a chunk of time exposed to the questionable people on the bus. Closure of the roadways in GG Park just caters to the able bodied, generally younger people. You didn't ask what the rest of us taxpayers want! I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. Everyone should be able to access Golden Gate Park and not be forced to take the bus. Only the people who live near the park are for this closure!! How elitist and discriminatory!! We need your voice on this issue!

Jennie Chin

Sent From Angelo DiPietrantonio to the Board of Supervisors on 2/13/2022 3:57:44 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Angelo DiPietrantonio

Sent From Debra Pas to the Board of Supervisors on 2/13/2022 3:48:04 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Sent From Kirsten Selberg to the Board of Supervisors on 2/12/2022 4:12:16 PM

Dear Board of Supervisors,

Subject: Reopen JFK

My mother had congestive heart failure and spinal stenosis. She recently passed away. The last three years of her life showed me the absolute importance of keeping ALL of San Francisco open to visitors, especially our parks. Without easy vehicle access, many people - like my Mom - who have a variety of mobility issues cannot enjoy amenities our city offers. It must be nice to be young and/or healthy enough to bike, walk, or even catch MUNI, or wealthy enough to catch an Uber everywhere, but we're not all like that and our representatives consistently or conveniently seem to forget that. My Mom needed a car and easy access everywhere she went in this city, and she is NOT alone. One of her very favorite things was to drive to the upper reservoir in McLaren and watch the dogs play in the water. During COVID, the street leading to the reservoir was shut to vehicles. The last two years of her life she was unable to participate in one of the things that have her joy. To this day that street remains closed, robbing people with mobility issues from using a public accommodations they pay taxes for. That is NOT right. JFK Drive - and all of the streets closed under the cover of COVID - should be reopened to the way it was.

Kirsten Selberg

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

Whereas most people agree that pedestrians and bicyclists should be accorded safe access to Golden Gate Park, we need to balance that with access for everyone else. In the case of the de Young Museum, the current almost unbelievable pandemic closure of the main drive has basically strangled access to one of San Francisco's major arts institutions on which the city spends tax revenue and which attracts people from all over the world. Foreign friends say this sort of 'blockade' should be considered intolerable in a city supposedly supportive of the arts. It is especially terrible for older people and families with children who find it challenging to walk long distances, basically tiring themselves before they even get to their arts destination, the de Young! I urge you to restore access to Golden Gate Park as it was before the pandemic. This is critical. Why donate or spend the city's money on works of art for the public benefit if the public cannot fully benefit because of publicly imposed restrictions on access??? It's crazy--irrational policy!!! Regards,
Joseph Goldyne jgol@aol.com

Joseph Goldyne

Sent From Jamie Bowles to the Board of Supervisors on 2/10/2022 5:53:28 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Sent From robert laiks to the Board of Supervisors on 2/9/2022 2:07:18 AM

Dear Board of Supervisors,

Subject: Reopen JFK

I moved to SF in 1971 and lived in both the Richmond and inner Sunset, using the park to walk, jog, bike and drive. I covered every inch. Even when my job moved to East Bay I frequently made it to the park on weekends. With countless trails and sidewalks there was never a problem getting around even when cars are present. I think McLaren's design is intended for this use I read that only 15% of locals bike in the city, and I was a member of the SF Bicycle Coalition back in 72, so I know how to get around by bike in the city. Altering the design and use of the park excludes many people, such as seniors and the handy capped, there is no need to close JFK Drive. It diminishes the park for so many, 85% and benefits so few, 15%. Please don't ruin this great park . There is a strong vocal group who are totally anti-car, but the way to enhance the city would be to improve mass transit not just to ban cars everywhere. Also I believe the closure hurts the museums, open JFK Drive!

robert laiks

Sent From Cheryl Hori to the Board of Supervisors on 2/7/2022 9:06:23 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Cheryl Hori

Sent From Nancy Roberts to the Board of Supervisors on 2/5/2022 12:07:05 AM

Dear Board of Supervisors,

Subject: JFK

Please re-open JFK Drive. I am elderly and handicapped and can only walk short distances. Access to the outside of the museums is important to me. Pedestrians, automobiles, bicycles, and scooters are capable of sharing the road. The parking spaces are very valuable to the elderly and people with small children. We can learn to share. It is time to reopen JFK Drive back to the way it was before COVID.

Sent From Catherine Lindberg to the Board of Supervisors on 1/24/2022 9:04:25 PM

Dear Board of Supervisors,

Subject: Reopen JFK

As a senior citizen from Contra Costa County taking public transportation during a pandemic is not smart. Even when not in a pandemic, it would require a bus to BART (Because there is no parking available mid morning, lots are full by 8 am or earlier at Concord, N. Concord, Pleasant Hill, Walnut Creek.) After bus and then BART, another bus is required to get to Golden Gate Park. Otherwise 3 or 4 busses is required if not wanting to take BART. This public transportation is a nightmare. I have not used my museum membership once since the museums opened because I won't expose myself to germs on public transportation. Asking senior citizens to do so is ludacris. JFK Drive should be reopened to the way it was before COVID.

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't just for the young and the nearby residents. I love the park and loved and refreshed whenever I was in the park or at the museums and tea garden etc. But no question that the closure of JFK has impacted my participation. I suspect for many others as well. Please reconsider permanently closing this important route off. As a senior citizen, this may impact my age group more than most.

Susanna Juarez

Sent From Louis Schubert to the Board of Supervisors on 1/21/2022 5:42:00 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

Please restore access to our museums. Some of us have health and ability issues that require JFK Drive to be open to vehicles. Please do not discriminate against those of us who need to drive to visit a museum or park. It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to all roadways open to vehicle traffic.

Louis Schubert

Sent From Gwendolyn Evans to the Board of Supervisors on 1/21/2022 5:19:31 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Gwendolyn Evans

Sent From Bonita Seaman to the Board of Supervisors on 1/21/2022 5:15:42 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Bonita Seaman

Sent From Diana Brito to the Board of Supervisors on 1/21/2022 4:34:50 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year. I was just in Golden Gate Park, the West side, and noticed all the elderly that drove in to that side of the park. Many folks who are elderly, disabled, or other no longer have access to the East side of JFK. The park was not just designed for neighbors or the able bodied to walk, jog or bike in. Thank you for considering us.

Diana Brito

Sent From Jean Busch to the Board of Supervisors on 1/21/2022 3:44:29 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Jean Busch

Sent From Patricia Ballard to the Board of Supervisors on 1/21/2022 2:09:40 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Patricia Ballard

Sent From Nadine Halusic to the Board of Supervisors on 1/21/2022 1:09:29 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Nadine Halusic

Sent From Karla McCormick to the Board of Supervisors on 1/21/2022 6:49:04 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. As a paying patron of the De Young it has been frustrating to visit the museum and drop off older guests. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Karla McCormick

Sent From Bonnie Cediel to the Board of Supervisors on 1/21/2022 6:44:03 AM

Dear Board of Supervisors,

Subject: JFK Drive

I am a 79-year-old retired teacher, and my senior membership in the DeYoung Museum is my most important cultural investment. The fact that I can usually find parking along Kennedy Drive near the museum allows me to share the museum with my friends who have mobility limitations. It would be a hardship for that access to the museum to be closed. Parking in the lot is beyond my budget. Please keep the street open for access for all. Thank you!

Bonnie Cediel

Sent From Barbara Shapiro to the Board of Supervisors on 1/21/2022 5:53:00 AM

Dear Board of Supervisors,

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Bob Aufuldish

Sent From Frank Briski to the Board of Supervisors on 1/20/2022 9:27:36 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic.

Frank Briski

Sent From Victoria Bradshaw to the Board of Supervisors on 1/20/2022 9:26:19 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Victoria Bradshaw

Sent From Mark Spriggs to the Board of Supervisors on 1/20/2022 7:45:06 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. It is time to return park access to the pre-pandemic schedule and open the park again.

Mark Spriggs

Sent From Karen Ryan to the Board of Supervisors on 1/18/2022 11:17:49 PM

Dear Board of Supervisors,

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Karen Ryan

Sent From Mary Chubb to the Board of Supervisors on 1/18/2022 10:07:24 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Mary Chubb

Sent From Richard Elliott to the Board of Supervisors on 1/18/2022 8:04:27 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Richard Elliott

Ron Grassi

Sent From Judith Tornese to the Board of Supervisors on 1/17/2022 10:32:07 AM

Dear Board of Supervisors,

Subject: Open JFK Drive

My husband & I are very upset about the possibility that JFK Drive may be closed permanently. We are retired & no longer bike or take Muni. We live close to the park but need to drive. It is a major inconvenience for us to get to the Park's many attractions, including the deYoung Museum and Botanical Gardens. Also crossing to the other side of the Park is a major hassle. We used to drive to 9th Ave to get to Irving St. but now have to go to Park Presidio Blvd, which is now more congested. People need to use JFK Drive to traverse the city. So please reopen JFK Drive & let's try to get back to normal in SF!!

Judith Tornese

Sent From Mary Beecroft to the Board of Supervisors on 1/17/2022 12:45:49 AM

Dear Board of Supervisors,

Mary Lee

Sent From Lily Ho to the Board of Supervisors on 1/13/2022 4:54:21 PM

Dear Board of Supervisors,

Subject: JFK Drive

My parents live in the Inner Richmond at Cabrillo and have enjoyed GGP everyday for 40 years. Now they're too old and frail to jaywalk Fulton Freeway. I want to take them to Peacock Meadow for the Entwined light show. I can't. The closest entrance on Fulton with stop lights are at 6th and Arguello. Arguello's incline is too steep for disabled and seniors to hike up. 6th Ave entrance is a half mile walk one way. My parents can't make that walk. The parking lot is even further. You have NO plans for how you will remedy use for 3.4 miles of JFK for my parents and seniors and disabled like them. For a City that totes compassionate care like its oxygen, I find it hypocritical that this proposal is even a conversation. You should be ashamed for considering it. I hope each one of you that votes in favor of the JFK closure gets personally sued with ADA lawsuits. Thank you for your time and consideration.

Lily Ho

Sent From Jennifer Marovich to the Board of Supervisors on 1/13/2022 3:00:10 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Jennifer Marovich

Sent From Jerry Winters to the Board of Supervisors on 1/13/2022 2:27:41 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Jerry Winters

Sent From Margaret Hinrichs to the Board of Supervisors on 1/13/2022 2:23:25 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Margaret Hinrichs

Iris Segal

Sent From Leon Hallacher to the Board of Supervisors on 1/12/2022 11:31:43 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely limits access to people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. It also limits access, for the vast majority of people, to the de Young Museum and the California Academy of Sciences; both of which are among The City's cultural gems. It is time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, and the world. To broadly limit access for the benefit of a relative few is unconscionable. I strongly encourage you to support JFK Drive returning to per-pandemic conditions. Open all of the Park's roads! I am a San Francisco native. While growing up in The City, the Cal Academy, de Young, Legion of Honor, and the like were critical to my education and enlightenment. Please do not deny other people the opportunities that I had. Open the roads! Thank you for considering my remarks.

Leon Hallacher

I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Lena Lundberg

Sent From Vincent Bausano to the Board of Supervisors on 1/12/2022 4:57:17 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Vincent Bausano

Sent From DONALD BISHOP to the Board of Supervisors on 1/12/2022 4:43:12 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. As a Southern Californian, but frequent visitor to the Bay Area, my wife and I love going to the de Young, as well as other museums and activities in Golden Gate Park. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

DONALD BISHOP

Sent From PAUL ROSCELLI to the Board of Supervisors on 1/12/2022 4:38:40 PM

Dear Board of Supervisors,

Subject: JFK reopened

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

PAUL ROSCELLI

Sent From Gertrude Nuttman to the Board of Supervisors on 1/12/2022 4:30:58 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year. There is plenty of space for cyclers, walkers, skaters and joggers to the side of the roadway.

Gertrude Nuttman

Sent From Lauren Dixon to the Board of Supervisors on 1/12/2022 4:28:58 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Lauren Dixon

Sent From Kenith Simmons to the Board of Supervisors on 1/12/2022 4:24:59 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Kenith Simmons

Sent From Cherri Farrell to the Board of Supervisors on 1/12/2022 4:23:05 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians and families with children and folks exercising need GFK Drive to remain closed so there is on open space not impacted by cars and most importantly, giving access to Nature. I urge you NOT to restore access to Golden Gate Park as it was before the pandemic.

Cherri Farrell

Sent From Sarah Cole to the Board of Supervisors on 1/12/2022 4:19:03 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic! We wanted take my elderly parents on a driving tour of the holiday lights at the conservatory and the at Peacock Meadow. Unfortunately, access was not feasible.

Sent From Michael Zaroni to the Board of Supervisors on 1/12/2022 2:52:56 PM

Dear Board of Supervisors,

Subject: JFK

SF Chronicle writer Heather Knight is using false statistics and worse, inflammatory language in her editorials regarding JFK Drive. The writer frequently says that 75% of drivers are using it as a shortcut, and that is outrageous, why would anyone want to drive through a slow street to get from point A to point B when you have Lincoln and Fulton Street nearby? In Sunday's editorial, she unbelievably started calling JFK Drive, a dangerous highway! Obviously anyone who had driven on it knows that it's a very slow road and people are respectful when driving and parking there. Then she criticized the museum for hiring a lobbying firm to help restore the street, there is nothing the matter with that and it sounds like she is acting as a paid lobbyist for the bicycle coalition and other groups to me, butcher we need to restore the badly needed 300 free parking spaces near the de Young and Academy of sciences that sit idle, and the 20 that are reserved for people like me that are disabled. I don't even go to the park anymore because it is too difficult to navigate and get to the museum conservatory garden area, so I hope you consider restoring what was before the pandemic, a Sunday closure and perhaps other areas can be closed like the one near the bocce ball courts but not the ones nearest the billion dollars of museums and gardens that need to be accessible by all forms of transportation. Thankyou, Michael Zaroni District 8 Please reopen JFK Drive like it was before COVID!

Michael Zaroni

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Tara Arnold

Sent From Lindy Matula to the Board of Supervisors on 1/12/2022 4:43:48 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Lindy Matula

Sent From Renee Halsing to the Board of Supervisors on 1/12/2022 4:40:56 AM

Dear Board of Supervisors,

Arthur Wong

Sent From Leslie Kaye to the Board of Supervisors on 1/12/2022 2:56:13 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

I used to go to GG Park frequently, particularly to visit the DeYoung or Botanical Garden. I've lived in SF a very long time, in fact at 8th Ave and Fulton for a while. I have always enjoyed and appreciated John F Kennedy Drive on Sundays or special days when it closed to cars. It is a nice change for the bicyclists, skate boarders, etc. However it loses its specialness when it remains open the entire time, especially as it is wide open, and not being used to full advantage or effect. Parking spaces are gone, the access to the Botanical Gardens is changed, Museum attendance is reduced. I like our roads being shared by autos and pedestrians and bicycles. It provides more access for all, it keeps traffic moving, it brings more people to the park, and our beloved DeYoung needs and deserves all the visitors from SF and surrounding areas, and far-away places, as it can get. Please re-open John F Kennedy to auto traffic shared with the bike lanes for others, and keep the special treat of no cars for Sundays, or special occasions. My two cents, Sincerely, Leslie Kaye

Sent From Daphne Alden to the Board of Supervisors on 1/12/2022 2:17:25 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. JFK is a public thoroughfare designed for cars that many people depend on for many reasons. I have heard no evidence from the government that keeping JFK closed will in fact improve the environment or lead to a decrease in car usage. Even if there was a marginal benefit, you could argue that keeping open access to our finest cultural institutions is more important than a small number of people being able to walk and bike in the middle of a street that already has large sidewalks and bike lanes. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few individuals who need 'more space.' This isn't about space its about ideology and eliminating cars. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Daphne Alden

Angela Hastings

Sent From Lynn Stelmah to the Board of Supervisors on 1/12/2022 2:12:17 AM

Dear Board of Supervisors,

Subject: JFK

By closing JFK Drive permanently to cars, you will be denying access to museum visitors who are blind and have mobility issues. That is against the law. We blind people go to the DeYoung and Cal Academy because of their wonderful programs for us. We shouldn't have to walk or roll a great distance to get to the museums' entrances. It is elitist to give over a right of way for disabled visitors to roller bladers and bicyclists. You can expect lawsuits if one of we disabled folks gets hit by a bicyclist who doesn't stop for us like cars do.

Lynn Stelmah

It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Pamela Bullen

Sent From Winifred Follin to the Board of Supervisors on 1/12/2022 1:59:57 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Winifred Follin

Sent From Rae Terry to the Board of Supervisors on 1/12/2022 1:59:20 AM

Dear Board of Supervisors,

Subject: JFK Drive

current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Rae Terry

Sent From Lorraine Cathey to the Board of Supervisors on 1/12/2022 1:58:15 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Lorraine Cathey

Sent From Sharon Wayne to the Board of Supervisors on 1/12/2022 1:57:57 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Sharon Wayne

Sent From Laura Catena to the Board of Supervisors on 1/12/2022 1:57:41 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Laura Catena

Sent From Jane Sweeney to the Board of Supervisors on 1/12/2022 12:51:43 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Jane Sweeney

Sent From Judy Adami to the Board of Supervisors on 1/12/2022 12:51:30 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I live in the Richmond Dist. and I love Golden Gate Park, the museums, the Academy of Science, the lakes. I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I am in my 70's and sometimes need to drive to attend the exhibits at the museum. There are over 100 free parking spaces in GG Park, which was a nice benefit to people/families on a budget. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Judy Adami

Sent From Barbara Wade to the Board of Supervisors on 1/12/2022 12:50:44 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Barbara Wade

Sent From Laurel Winzler to the Board of Supervisors on 1/12/2022 12:49:37 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Laurel Winzler

Sent From Stefan Salinas Google to the Board of Supervisors on 1/12/2022 12:49:15 AM

Dear Board of Supervisors,

Subject: JFK Drive

There are plenty of sidewalks and trails within the park. The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Stefan Salinas Google

Sent From Maureen Burtnett to the Board of Supervisors on 1/12/2022 12:48:57 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Maureen Burtnett

Sent From Deborah Benson to the Board of Supervisors on 1/12/2022 12:48:52 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Deborah Benson

Sent From Elyse Cargo to the Board of Supervisors on 1/12/2022 12:48:15 AM

Dear Board of Supervisors,

Subject: JFK Drive

I am a Legion of Honor member and frequently visit the museums and exhibits with my family. The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Elyse Cargo

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Barbara Williams-Sheng

Sent From Jennifer Haller to the Board of Supervisors on 1/12/2022 12:42:41 AM

Dear Board of Supervisors,

Subject: JFK Drive

My husband and I are members of the deyoung museum and in the past we were frequent visitors to the museum and park. We seldom go to the area anymore because of the limited parking. My husband has difficulty walking any distance and the parking lot is too far of a walk for him. It appears that golden gate park has become a park for the young and healthy. What about the older and disabled residents who want to enjoy the park? Sharing access seems much more reasonable than closing JFK drive. The park should be for everyone; young, old, healthy and disabled. Let's go back to the compromise and reopen JFK!

Jennifer Haller

Sent From Carolyn Broadus to the Board of Supervisors on 1/12/2022 12:42:19 AM

Dear Board of Supervisors,

Subject: JFK Drive

I would like to add my agreement to the following. The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Carolyn Broadus

Sent From Jackie Snell to the Board of Supervisors on 1/12/2022 12:41:57 AM

Dear Board of Supervisors,

Subject: JFK

The de Young needs to be accessible to all. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Jackie Snell

Sent From Beverly Rosselli to the Board of Supervisors on 1/12/2022 12:41:56 AM

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Beverly Rosselli

Sent From Lynn Carnes to the Board of Supervisors on 1/12/2022 12:40:10 AM

Dear Board of Supervisors,

Subject: JFK Drive

Although I know longer live in the Bay Area, I still visit Golden Gate Park, the DeYoung, and the Academy of Sciences when I visit friends and family. The move to permanently close JFK drive is poorly thought out. The current closure impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. Not all of us want to fight for parking in the underground garage. As much as I've enjoyed traffic-free Sundays, I also like to park along the road for a leisurely walk to the museums or Conservatory of Flowers. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year. To do otherwise simply is not practical. Attractions in our park require as many visitors as they can accommodate in order to survive. Thank you.

Lynn Carnes

Sent From Marci Sherman to the Board of Supervisors on 1/12/2022 12:39:58 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Marci Sherman

Sent From Ellen Moore to the Board of Supervisors on 1/12/2022 12:39:25 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. As a native born San Franciscan I continue to support and visit the DeYoung and Academy of Science. How are visitors and especially seniors going be able to visit the museum? We need your voice on this issue!

Marianne Ellis

Sent From Susan Simpkin to the Board of Supervisors on 1/12/2022 12:28:51 AM

Dear Board of Supervisors,

Subject: JFK Drive Closure

Born in SF and raised in SF and Marin County, I have enjoyed Golden Gate Park as a walker, runner and cyclist for decades. I have been a member of the DeYoung for decades, visiting first with my mother in the '60's and, now, with my daughters. While I recognize that driving in SF has become, shall I say, less courteous, especially in the last 10 years, complete 24/7, 365 closure of JFK is ridiculous and creates more reckless traffic patterns around the park. As most of GGP has now added speed bumps to slow traffic, this should be a consideration for JFK rather than a wholesale closure. I have a daughter with a disability and accessing the DeYoung and the Academy of Sciences has become untenable. Prior to her passing, my mother was in a wheelchair and loved an outing to the DeYoung and the Academy of Sciences. Now the same accessibility is a tremendous burden for anyone with mobility issues. The current 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We must return to the compromise that was struck and reopen JFK as it was before the pandemic!

Susan Simpkin

Sent From Maggie Smith to the Board of Supervisors on 1/12/2022 12:28:35 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Maggie Smith

Sent From Antoinette Sanders to the Board of Supervisors on 1/12/2022 12:13:54 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Antoinette Sanders

Sent From Peter Kretschmer to the Board of Supervisors on 1/12/2022 12:13:48 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park. Please think of seniors access by car to this park, not just young people and bicyclists!!

Peter Kretschmer

Sent From Gabriela Rosales to the Board of Supervisors on 1/12/2022 12:11:43 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Gabriela Rosales

Sent From Marie Nelson to the Board of Supervisors on 1/12/2022 12:11:23 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Marie Nelson

Sent From Sarah O'Reilly to the Board of Supervisors on 1/12/2022 12:11:12 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Sarah O'Reilly

Sent From Marie Moltke to the Board of Supervisors on 1/12/2022 12:11:05 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Marie Moltke

Sent From Donna De Santis to the Board of Supervisors on 1/12/2022 12:10:21 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety! Access to the north side of San Francisco from the south side where I live (in the Sunset District) has been severely impacted in a negative way with the continued road closures that provide access from the south to the north side of the city and places north of San Francisco. You have choked off access to a densely populated area, making moving around in the city extraordinarily difficult and frustrating. It is especially so on weekends and holidays and through the summer and fall months. Everyone is back on the roads yet the city has steadfastly choked off access to huge numbers of its citizens.

Donna De Santis

Sent From Elaine Lugo to the Board of Supervisors on 1/12/2022 12:10:20 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Elaine Lugo

Sent From Ellen LaVaccare to the Board of Supervisors on 1/12/2022 12:09:03 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Ellen LaVaccare

Sent From Susan Garbuio to the Board of Supervisors on 1/12/2022 12:08:45 AM

Dear Board of Supervisors,

BettyAnn Kram

Sent From Maurice Gregg to the Board of Supervisors on 12/8/2021 7:15:11 PM

Dear Board of Supervisors,

Subject: JFK Drive

It is unfortunate that the SF is again raising the issue of accessibility to the several science and cultural institutions adjacent to or near the the eastern section of JFK Drive, pitting especially older and disabled citizens of SF against those mostly younger. A compromise reached years ago closed JFK on weekends but allowed those wishing to drive to Golden Gate Park on weekdays to have access to parking, including many handicapped-restricted spaces. Because public transportation is usually not a viable alternative - too much walking to access Muni and then walk to destinations when departing Muni, problems in inclement weather, etc., and the only alternative is paying high parking fees in the underground garage, the city should retain the earlier compromise, only closing the eastern section of JFK on weekends.

Maurice Gregg

Sent From Jeanne Dorward to the Board of Supervisors on 12/8/2021 4:30:42 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year. Supporters of full-time closure never acknowledge the presence of major attractions at the eastern end of the Park: de Young Museum, California Academy of Sciences, Conservatory of Flowers, Ferris Wheel. They do like to point out that Central Park is car free but they overlook two key differences: topography (Manhattan is MUCH flatter than San Francisco) and a much more robust public transit system in New York. There are more people with mobility issues than those who qualify for a handicapped placard and the greatly diminished public parking due to a closed JFK Drive makes it difficult if not impossible for those folks to visit any of those major cultural and educational attractions. I'm sympathetic to those who want to teach their children to ride a bike but there are other areas in the Park that could be closed that aren't 'next door' to our world class attractions. And don't overlook the visitors from other parts of the Bay Area as well as outside the area who want to see these attractions. They need a simple way to get to the eastern end of the Park. The 44 O'Shaughnessy is great but you have to be able to get to it; not everyone can. Please consider the rest of the population not just those who are fit enough to ride a bike or a scooter.

Jeanne Dorward

Elise Clifford

Sent From D Peers to the Board of Supervisors on 12/6/2021 6:36:57 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

The pandemic closure of JFK drive has been dangerous for me as a senior pedestrian with osteoporosis who takes the 5R Fulton bus to the 8th Ave entrance of the park. The users of bicycles and other alternate transportation travel at high speeds all over the entire width of JFK with complete disregard for anyone walking in crosswalks to get to the Museum or the Academy of Science. The alternate options for entering the park at that location are narrow, dark, damp and slippery. I really shouldn't be necessary to transfer at 8th & Fulton to the 44 O'Shaughnessy in order to cross JFK safely. On the whole auto traffic has increased in the west end of the park and on Fulton due to Great Highway and Cabrillo St. closures. We need more public outreach and creative thinking to find better solutions. I hope the City does not rush into expensive solutions that we will all regret later. I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

D Peers

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Miles Ceralde

Sent From Shipra Shukla to the Board of Supervisors on 12/1/2021 12:02:44 AM

Dear Board of Supervisors,

Subject: JFK Drive

I live walking distance from the DeYoung, but I have family and friends in other parts of San Francisco, and all over the Bay Area, who can't walk to the DeYoung. many of them are seniors with mobility issues who need to be dropped off. Some people have families with young children that need to be dropped off. Traffic needs to be able to flow so that the park feels welcoming. It causes a lot of stress and anxiety when families have to fight through traffic just to get to the museum -- especially when they've traveled from far away already. Please stop catering to able bodied people aged 18-38 who live near the park.

Shipra Shukla

Sent From R'Sue Caron to the Board of Supervisors on 11/30/2021 10:10:47 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

R'Sue Caron

Sent From Janet Armour to the Board of Supervisors on 11/30/2021 7:18:55 PM

Dear Board of Supervisors,

Subject: JFK

It is very challenging to visit Golden Gate Park due to the closure of JFK Drive. It is important to provide access to those who are unable to take public transportation or to pay for the high cost of garage parking. Please reopen JFK Drive like it was before COVID!

Janet Armour

Sent From Julianne Cortino to the Board of Supervisors on 11/30/2021 3:49:56 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. If San Francisco would like the museum complex to be for SF city residents only, it is doing a good job of it. Getting to the complex from Novato, and parking, is close to impossible. And when I've come in there have been no people out and about enjoying that area. It is empty and hard to get to. Julianne Cortino

Julianne Cortino

Sent From Alison R to the Board of Supervisors on 11/30/2021 4:15:05 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. ADA parking spaces are vital, and without them, you deny me and many others access to the park and prevent us from financially supporting its wonderful museums and institutions. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Alison R

Sent From Craig Given to the Board of Supervisors on 11/30/2021 12:48:37 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety! I live in the Sunset and Park traffic is terrible. We need JFK open weekdays. It takes an hour there and back to bring kids to school across the Park from the Sunset to Washington. Trying to get across 19th Ave east is often blocked causing traffic on MLK and Irving that spans many blocks. PLEASE REOPEN JFK!!

Craig Given

Sent From Tomasita MedÃ¡l to the Board of Supervisors on 11/23/2021 7:50:50 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and cruelty and exclusion have no place in San Francisco. The current closure of JFK Drive is unfortunately all of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park. It is almost unfathomable that a city that considers itself progressive would callously exclude all of the persons with disabilities, the elders, and multigenerational families from throughout the Bay Area from full access to JFK Drive. Two years ago, during winter, we used to drive to park in front of the Conservatory of Flowers at night to sit in our car for an hour to watch the light show. Last year we were not able to access it nor attend the Festival of Lights installation which was off-limits to those of us who could not walk in. The Festival of Lights will be opening again in early December, and once again we are completely excluded. This is unfair and cruel. In this time of the Christmas season, when the coming of Christ is celebrated around the world, His words should be honored, as told by Mathew: 'Whatsoever you do to the least of my sisters and brothers, you do unto to me'.

Tomasita MedÃ¡l

Sent From rhonda rieken to the Board of Supervisors on 11/23/2021 7:11:41 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID. Some people like myself have mobility issues and more parking is important to persons like myself.

Sent From Kimberley Nemeth to the Board of Supervisors on 11/23/2021 4:28:08 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Kimberley Nemeth

Sent From Kim Griffin to the Board of Supervisors on 11/23/2021 4:24:40 PM

Dear Board of Supervisors,

Subject: JFK

Once again we see a proposal that hurts the very people who need easy access to the park and museums. Not only do we need to open the road back up, but we need to put a stop to the cost prohibitive parking fees that exclude many from visiting the museums.

Kim Griffin

Sent From Mary Dowley to the Board of Supervisors on 11/23/2021 6:03:59 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Mary Dowley

Sent From Alexandra Growney to the Board of Supervisors on 11/23/2021 3:30:19 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Alexandra Growney

Sent From Melissa Leventon to the Board of Supervisors on 11/22/2021 4:29:03 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

Dear Supervisors, I am a resident of the upper Haight district (District 5) and a former employee at the de Young. I am writing to urge you to reopen automobile access to Golden Gate Park as it was before the pandemic. I am especially concerned about access to the museums, the Conservatory, and other cultural attractions at the eastern end of the park. During my 16-year tenure at the de Young, the negative impact of the Sunday closure of JFK Drive was crystal clear when our Sunday attendance was compared to attendance on Saturdays, and I understand that museum visitorship now has been greatly impacted by the full closure of the drive. Is the City planning to compensate the de Young for all the lost revenue resulting from the street closure? We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. There are literally miles of park roads west of 10th avenue that can be reserved for cyclists, walkers and runners 24/7. In my view, this is a fairer way for the needs of San Franciscans and the city's important cultural institutions in the park to co-exist. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Melissa Leventon

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Fiona Hall-Roulac

Sent From Andrew Wiseman to the Board of Supervisors on 11/21/2021 7:59:46 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Andrew Wiseman

Sent From Kathleen Powell to the Board of Supervisors on 11/21/2021 6:53:44 AM

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

JOY STEWART

Sent From Akiko Arikawa to the Board of Supervisors on 11/21/2021 4:12:22 AM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. In particular seniors can't always use buses due to less physical stability. They can visit many areas of the park with family member driving and pick-up. The park was a blessed beautiful and extremely spirit lifting for all of us able to walk the many paths and observing families use of JFK during the intense 2020. I can notice that the use has become more weekend use as vaccines have improved much for the city. JFK Drive should be reopened to the way it was before COVID.

Akiko Arikawa

Sent From Deborah Fremming to the Board of Supervisors on 11/21/2021 3:24:28 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

A second generation San Franciscan, 3 generations buried in the Presidio, I definitely preferred the park before COVID. Open up Jfk blvd. Long time museum member, have lost interest. I used to take my students every year to get the city and museums. San Francisco is no longer the city I've loved all my life. Sad.

Deborah Fremming

Sent From Jan Slatter to the Board of Supervisors on 11/21/2021 2:43:52 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Jan Slatter

Sent From LILLIAN SHIIBA to the Board of Supervisors on 11/21/2021 2:20:26 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

LILLIAN SHIIBA

Elaine McKenna

Sent From Alex Darr to the Board of Supervisors on 11/20/2021 7:56:09 PM

Dear Board of Supervisors,

Subject: Keep JFK Drive Open to Park Users

I fully support bicyclist and pedestrian safety. That's why I am asking you to keep open JFK Drive as it has been since the start of COVID lockdowns. It was unsafe for Park users everyday except Sundays and half of the Saturdays every year - bike lanes blocked by cars and pedestrian walkways crowded to the point that people walked on the grass landscaping (note the disappearance of use paths alongside paved walkways) each day of the week. We need to balance equity AND safety! The park needs better transit access every day of the week from every neighborhood and the museum-controlled parking garage, approved by voters who were promised a 'pedestrian oasis' in exchange, needs to be made affordable to those who need to drive to the park, addressing accessibility. People with vision, hearing, and mobility disabilities, as well as seniors and children, deserve a safe place to walk, ride, roll, and play away from the noise and danger of cars. There are plenty of roads to drive in Golden Gate Park. At least part of it should be safe for other users.

Alex Darr

Sent From David Menke to the Board of Supervisors on 11/20/2021 7:23:18 PM

Valerie Campbell

Sent From Tamra Winchester to the Board of Supervisors on 11/20/2021 6:59:21 PM

Dear Board of Supervisors,

Subject: Open JFK Drive in Golden Gate Park

I feel very strongly about the issue of closing JFK Drive. The City of San Francisco must continue to earn its reputation for being a cultured city with world class art. As important, the current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. The initial intent of closing JFK Drive temporarily was to benefit the health of Golden Gate Park visitors, I would like to emphasize that art and exercise are equally essential for us to thrive. Opening the drive will not prevent the public from exercising and otherwise enjoying the park. Keeping it closed will definitely impact the ability of the museums to survive and severely restrict access to the park for visitors. Don't succumb to a false dichotomy. We don't have to choose between indoor and outdoor enrichment. Open the drive to pre-COVID conditions to benefit everyone. Please. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Tamra Winchester

Sent From Cheryl McDonald to the Board of Supervisors on 11/20/2021 6:42:47 PM

Sent From kristine harrison to the Board of Supervisors on 11/20/2021 8:06:34 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

kristine harrison

Sent From Kat Gelles to the Board of Supervisors on 11/20/2021 6:43:09 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. Parking is also a problem, especially on weekends. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Kat Gelles

Sent From strauss Strauss to the Board of Supervisors on 11/20/2021 6:19:30 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

strauss Strauss

Sent From Dale Thompson to the Board of Supervisors on 11/20/2021 6:17:51 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Dale Thompson

Sent From Jordan Faires to the Board of Supervisors on 11/20/2021 6:06:52 AM

Dear Board of Supervisors,

Subject: Keep JFK Safe and Closed to Cars

It's abhorrent that pedestrians and cyclists have to fight for scraps when it comes to safe, open streets. If a city committed to climate change and Vision Zero doesn't maintain open, car-free streets, it is failing in its mission. I urge you to reject bad-faith efforts to reopen JFK to cars and keep our city healthy, safe and beautiful.

Jordan Faires

Sent From Anne Kaiser to the Board of Supervisors on 11/20/2021 5:53:21 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Anne Kaiser

Sent From Lara Conte to the Board of Supervisors on 11/20/2021 1:00:40 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. The road closure contributes to more parking in adjacent neighborhoods, straining the relationship with neighbors. People coming in from out of town or visiting San Francisco will likely either opt to park in adjacent neighborhoods or not visit at all. Requiring all to park in paid parking lots likely limits the amount of people who will visit. It's often just enough to make one reconsider going to the museum for lunch, visiting the tea garden. or taking a stroll through the park. The park is closed every Sunday and that is enough.

Lara Conte

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic! The impact of internationally and historically valued art through exhibitions is extraordinary. It touches people in ways that cannot be over estimated. It raises the level of connection between all humans. It touches all ages. And it promotes the values that generate civilization, making it possible for so many to survive side by side on one lone planet. It is extraordinary to me that such a potent force would be reduced and impaired to benefit the privileged few that live within the local Golden Gate Park area zipcodes. It is a complete reversal of the purpose of this public park and the public museums within it.

Anne Nadler

Sent From Kathleen Henzerling to the Board of Supervisors on 11/19/2021 11:43:46 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Kathleen Henzerling

Sent From William Shaw to the Board of Supervisors on 11/19/2021 11:43:09 PM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

William Shaw

Jane Knight

Sent From Denise Malmquist-Little to the Board of Supervisors on 11/19/2021 11:38:31 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I am asking you to reopen JFK Drive to how it was before COVID. JFK is a main access to GGP and the museums. Everyone needs equal access. Many, like myself, cannot bicycle and cannot walk the distance, and cannot skate. I love our museums and the Academy and as a native San Franciscan senior citizen, I want to continue to enjoy them. Please re-open JFK to its pre-COVID status. Thank you.

Denise Malmquist-Little

Sent From Paula Bungen to the Board of Supervisors on 11/19/2021 11:38:12 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Paula Bungen

Sent From Vince Moreci to the Board of Supervisors on 11/19/2021 11:37:45 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Vince Moreci

Sent From Sherrill Clark to the Board of Supervisors on 11/19/2021 11:36:52 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Sherrill Clark

Sent From Joan Gill to the Board of Supervisors on 11/19/2021 11:15:10 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Joan Gill

Sent From John Marino to the Board of Supervisors on 11/19/2021 11:13:59 PM

Dear Board of Supervisors,

Subject: Reopen JFK

I am disabled. A recent attempt to visit sites within the Park was extremely frustrating to the point that I just gave up and went home. Most of the major attractions in the park are on JFK Drive, when you close it, you are making access for disabled people difficult, if not impossible. In other words, you are in violation of the ADA and I for one will be happy to support an effort to litigate against the city on this issue.

John Marino

Sent From John Adams to the Board of Supervisors on 11/19/2021 11:13:35 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

The closure of JFK triples the time of my frequent drive from 4th and Parnassas to the Kaiser facility between 5th and 6th on Geary. All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

John Adams

Sent From Joyce Reeder to the Board of Supervisors on 11/19/2021 11:13:27 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. I do not live in the City, but have always appreciated the City's strategy of closing JFK Drive only on weekend days. Please restore this access plan, as the City's shelter-in-place order has been lifted. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Joyce Reeder

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic! The Park is cut-off to many disabled people & Handicapped. There will only be a limited number of spots & once those are gone, we will have to turn around and go home, or pay to park. The park should return to being closed only on Sundays. Also it is creating a large traffic jam on Stanyan street on ALL days with much more emissions being created by stop & go traffic right in front of a Hospital! All this so people can go & play on their bikes. The bicycle coalition is completely greedy, in their relentless grabbing of any and all streets just for their exclusive use. It excludes the very large majority who use these streets for access to live & work in our daily lives.

Bill Alvarado

We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Mindy Beattie

Sent From Deni Asnis to the Board of Supervisors on 11/19/2021 10:06:16 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. As a former 40 year San Francisco resident who is now in Pacifica, I still come to the museums in Golden Gate Park and other activities. I am older and the accessibility is a really important issue for me in terms of being able to park and go to the museums and make use of the park. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Deni Asnis

Sent From michael sosin to the Board of Supervisors on 11/19/2021 10:01:27 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

michael sosin

Sent From Audra Katona to the Board of Supervisors on 11/19/2021 10:00:57 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Audra Katona

Sent From Yaeko Ozaki to the Board of Supervisors on 11/19/2021 9:55:53 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Yaeko Ozaki

Dear Board of Supervisors,

Subject: JFK

I'm a low income Fine Artist age 75 w/ bad knees who needs street parking to access DeYoung Museum. [Garage is expensive!] Please don't forget about me! A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Sent From Peter Dickstein to the Board of Supervisors on 11/18/2021 10:45:42 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I do not have an 'informed' opinion about this matter BECAUSE, there have been no objective studies that provide data about traffic patterns and parking space availability. After attending a meeting with the board of the Inner Sunset Merchants Association it became clear to me that public opinion is diligently being sought without first, and critically, providing data that enables the public to opine in an intelligent way. I urge City staff and Supervisors to do their homework by completing their traffic and parking studies, present the data to the public and only then, seek public opinion. Any other process is out of sequence, intellectually dishonest, illogical and a disservice to the public that will likely be exposed, with appropriate disapproval, after it's too late.

Peter Dickstein

Sent From Diane McKie to the Board of Supervisors on 11/18/2021 9:25:14 PM

Dear Board of Supervisors,

Subject: Reopen JFK, great highway and all slow streets

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID. Also please open the great highway to cars and stop the slow streets program. No one wants it (or at least not very many people). As life is getting back to normal, so is traffic. Lawton and other streets adjacent to slow streets are awful and VERY dangerous now that slow streets are closed. Very dangerous to drivers and pedestrians. People are also ignoring the signs, so what good is blocking it off anyway?? People going around the block need to drive on the slow streets. People who live there need to drive on the slow streets. So what's the point??? They aren't car free! The great highway shutdown is awful. The avenues are a mess because of the GH closure. Anyone who says otherwise is lying. It only benefits bikers because they don't stop for pedestrians. My dog almost got run over many times on the GH by bikers. I'm not anti bike but giving them the entire highway is ridiculous. SF supervisors are just making things harder for their constituents while appeasing a small number of people. Open it all up. Please!

Diane McKie

Sent From Glen Harvey to the Board of Supervisors on 11/18/2021 9:09:16 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic. As well, I had to go to Kaiser for a medical procedure last week. I left with time to spare under normal conditions at 10:00 AM. It took 45 minutes to get there from West Portal. If I went in the other direction I would have been in San Jose in another five minutes. This is ridiculous.

Sent From Renee Goree to the Board of Supervisors on 11/18/2021 8:36:05 PM

Dear Board of Supervisors,

Subject: JFK Dr

Hi there, I'd like express my thoughts on the JFK Drive closure as an employee of the de Young. I'm sure you've received a number of comments regarding the inequitable access to the museum that the closure causes, but what is most notable to me is that the current setup is dangerous to the pedestrians and bicyclists who believe that JFK is without vehicular traffic. Our dock doors are located on a stretch where JFK is closed, and there must be at least a dozen instances a day where vehicles drive down JFK to access those doors, which are absolutely necessary for the museum to function. Each one of these instances presents a dangerous combination of unaware pedestrians who assume that there are no vehicles around, and a vehicle (oftentimes a cargo truck with gaping blind spots) driving alongside them. I've personally seen instances of people walking in the road with headphones on, completely unaware that a massive truck is behind them. It's even worse now that the sun sets while the museum is still open, meaning that there are long periods of the day that these vehicles are also driving with reduced visibility, and I feel that it's just a matter of time before a collision occurs. I understand that open walkable space is precious, and that bicycles need greater priority, but I believe there are better solutions. Focusing on better bike lanes would be a vast improvement, and a welcome compromise could be to close JFK Saturday and Sunday, when our service vehicles aren't typically in use. Thanks for your time!

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to disregard the astroturf campaign being operated at parkaccess4all.org. When there's an empty parking garage available to museum patrons, replacing a vibrant pedestrian and cyclist thoroughfare with more parking and driving serves literally no one.

Chris Cassidy

Sent From Paul Dahlke to the Board of Supervisors on 11/18/2021 6:52:22 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Paul Dahlke

Sent From Ben Body to the Board of Supervisors on 11/18/2021 6:51:54 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Ben Body

Sent From Martin Chapman to the Board of Supervisors on 11/18/2021 6:46:29 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Martin Chapman

Sent From S Arnejo to the Board of Supervisors on 11/18/2021 6:45:31 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

S Arnejo

Sent From Jeffrey Espadilla to the Board of Supervisors on 11/18/2021 6:28:51 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Sent From Jennifer Henerlau to the Board of Supervisors on 11/17/2021 5:59:43 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I grew up in Marin County and have fond memories of packing our family's bikes in our VW bus and heading to Golden Gate Park on Sunday's to take advantage of the new idea of a car free Golden Gate Park. I still live in Marin County and find the best way for me to get to Golden Gate Park and all the Museums and attractions there is to drive my car. (at least I do drive an electric car) With having all of JFK closed it really impacts parking. I take my elderly aunt to the DeYoung and the CA Academy of Science regularly (I have memberships to both) and find it expensive to need to park in the garage. I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Sent From Diane E Mayer to the Board of Supervisors on 11/16/2021 6:04:33 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Diane E Mayer

Sent From Grace Jeung to the Board of Supervisors on 11/16/2021 5:26:48 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and as well as communities neighboring Golden Gate Park. Now that pandemic is over, which was why the park was originally closed, JFK must be reopened. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Grace Jeung

Sent From Laura DiPiano to the Board of Supervisors on 11/16/2021 5:19:38 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Laura DiPiano

Sent From camilla Bixler to the Board of Supervisors on 11/16/2021 4:52:44 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. As seniors we need the museum to be accessible! I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

camilla Bixler

Sent From Melissa Klar to the Board of Supervisors on 11/16/2021 4:23:20 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Melissa Klar

Sent From Pam Johns to the Board of Supervisors on 11/16/2021 4:13:09 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Pam Johns

Sent From Diane Almirol to the Board of Supervisors on 11/16/2021 3:26:55 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Diane Almirol

Sent From Jan Doyle to the Board of Supervisors on 11/16/2021 3:02:54 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Jan Doyle

Sent From Edna Quijano to the Board of Supervisors on 11/16/2021 1:44:03 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. Toni Belonogoff

Sent From Janice LeBon to the Board of Supervisors on 11/15/2021 8:06:16 PM

Dear Board of Supervisors,

Subject: Reopen JFK

I am a native San Franciscan who mostly walks, runs, and bikes to get around the city. While I am able-bodied, I am very concerned that closing JFK Drive will limit access to those who are not. I think of my mother-in-law, who has limited mobility because of knee pain and loves visiting the Dahlia Garden every time she visits. I think of families from the greater Bay Area who may not have access to green space and can't easily get to Golden Gate Park via public transportation. As someone who runs weekly in GGP, I know that JFK does not need to be closed during the week for me to feel safe exercising. Please don't privatize Golden Gate Park by closing JFK Drive Monday through Friday.

Janice LeBon

Sent From Lucy Carrasco to the Board of Supervisors on 11/15/2021 7:41:41 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Lucy Carrasco

Sent From Astrid Olsson to the Board of Supervisors on 11/15/2021 7:30:18 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Astrid Olsson

Sent From Naomi E Glenn to the Board of Supervisors on 11/15/2021 6:27:56 PM

Subject: access to golden gate park

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Naomi E Glenn

Sent From jackie holland to the Board of Supervisors on 11/15/2021 5:55:14 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

My mother very much enjoys using GGPark and all it has to offer. With the JFK Drive closed to vehicles 7 days per week, this limits her access and use of the park. i.e. the dalia garden, the de Young Museum, picnics with us playing croquet etc. All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic. Regards ~ Jackie

Sent From Sergey Dubenko to the Board of Supervisors on 11/15/2021 4:31:50 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Sergey Dubenko

Sent From Sandy Ritzo to the Board of Supervisors on 11/15/2021 3:50:33 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Sandy Ritzo

Sent From Donna Ames Heldfond to the Board of Supervisors on 11/15/2021 1:23:47 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Donna Ames Heldfond

Sent From Nora Luke to the Board of Supervisors on 11/15/2021 10:00:01 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and I am disabled and am a senior. I must use a taxi or Lyft. One day I waited for almost an hour because the driver coming to pick me up had to be told after many calls to come by the longer way around by way of Lincoln Ave and 9th Ave. It made me late to my next appointment. It was a good thing that I had used the bathroom before exiting the museum. Please open JFK again. That experience was terrible and would have been worse without my walker with a seat. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Nora Luke

Sent From Daniel O'Connor to the Board of Supervisors on 11/15/2021 9:35:41 AM

Dear Board of Supervisors,

Subject: Reopen JFK

We want JFK Drive and other critical streets re-opened to the public. It took us nearly 30 minutes to drive thru the park last Friday. The current policy discriminates against anyone who does not live nearby.

Phyllis Nabhan

Sent From Maria Rode to the Board of Supervisors on 11/15/2021 6:34:54 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

People with mobility limitations, families, the elders of San Francisco deserve access to our parks museums and our streets and highways. The many street closures have made life more difficult for persons who are unable to bike or to walk long distances. Please restore access for everyone now. It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive and the Great Highway returning to the conditions pre-COVID. All roadways should open to vehicle traffic with limited street closures on Sundays and some Saturdays as before. SF officials need to support functional streets and a transit system that works for everyone.

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Nellis Smith

Sent From Marlys Fassett to the Board of Supervisors on 11/14/2021 2:38:20 AM

Dear Board of Supervisors,

Subject: Reopen JFK for museum access

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID. Closure of JFK drive has impaired access to the museums, reduced free parking spaces inside the park, and increased traffic congestion on Lincoln and Fulton Streets. I believe it should be possible for BOTH pedestrians/cyclists and cars to co-exist on JFK drive.

Marlys Fassett

Sent From Jeffery Chinn to the Board of Supervisors on 11/14/2021 2:31:24 AM

Dear Board of Supervisors,

Jeffery Chinn

Sent From Steven Powell to the Board of Supervisors on 11/14/2021 2:22:31 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Steven Powell

Sent From Eileen Auerbach to the Board of Supervisors on 11/14/2021 1:56:28 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Eileen Auerbach

Sent From Randa Talbott to the Board of Supervisors on 11/14/2021 1:38:25 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety!

Randa Talbott

Sent From wendy friefeld to the Board of Supervisors on 11/14/2021 12:21:39 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Nick Watson

Sent From Betty Voris to the Board of Supervisors on 11/13/2021 8:10:42 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

We must reopen JFK Drive to make access to Golden Gate Park a reality. Those of us with disabilities simply cannot access the museum or the Conservatory of Flowers. Plus the cost of parking in the underground garage is prohibitive if we want to spend more than an hour enjoying the museums and plaza activities. A continuation of this closure will prohibit many of us from visiting those wonderful venues. It must return to its former plan. Access should be the same for everybody! JFK Drive should be open like it was pre-pandemic.

Betty Voris

Sent From Claudia Zamora to the Board of Supervisors on 11/13/2021 7:47:35 PM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Claudia Zamora

Sent From Edith Lockhart to the Board of Supervisors on 11/13/2021 7:43:10 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Edith Lockhart

Sent From Leslie Wong to the Board of Supervisors on 11/13/2021 7:31:26 PM

Dear Board of Supervisors,

Subject: JFK Drive

I am a resident who is affected by the JFK Closure. Traversing through and to alternate routes through the park is difficult. I am having mobility issues caused by hip, knee and joint issues and cannot just drive by areas to visually enjoy the gardens and park without having to pay huge parking fees at the museum. Access should not be only for the elite who can afford to pay for such accommodations or only those physically able to cycle to such sites. The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year. Clearly many needs and interests must be considered, but ascertaining what works best to ease commutes and accommodate varying transportation needs and access can only be ascertained if we start from complete opening and really work a plan through true open, transparent assessments to develop a plan that truly serves the public in the best way possible.

Leslie Wong

Sent From eleanor carpenter to the Board of Supervisors on 11/13/2021 7:08:29 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Sent From Margaret Schadt to the Board of Supervisors on 11/13/2021 2:22:36 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Margaret Schadt

Sent From Soko Ushijima to the Board of Supervisors on 11/13/2021 1:45:04 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before I took my elderly aunt to the DeYoung museum and had to park in the underneath parking lot which was very expensive. We were coming from the Richmond district. The Museums need our support more than ever and the elderly support the arts. Pls pls pls reopen the roads and also the Aruello Gate!

Soko Ushijima

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Paul Vermeulen

Sent From Kent Brown to the Board of Supervisors on 11/12/2021 4:39:05 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. As I live in Santa Rosa, it is likely that that street closure would force me to cancel my membership in both the Fine Arts museum and the California Academy of Sciences.

Kent Brown

Sent From Raffi Kondy to the Board of Supervisors on 11/12/2021 4:36:52 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Raffi Kondy

Sent From John Kollins to the Board of Supervisors on 11/12/2021 4:27:21 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

John Kollins

Sent From Terri DeSalvo to the Board of Supervisors on 11/12/2021 4:22:41 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Terri DeSalvo

Sent From Andrea Larrecq to the Board of Supervisors on 11/12/2021 4:21:44 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Andrea Larrecq

Sent From Dean Straw to the Board of Supervisors on 11/12/2021 4:13:27 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Dean Straw

Sent From Sherri Richards to the Board of Supervisors on 11/12/2021 4:12:55 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lines and pedestrian walkways each day of the week. We need to balance equity AND safety!

Sherri Richards

Sent From Margo Sims to the Board of Supervisors on 11/12/2021 4:12:47 PM

Dear Board of Supervisors,

Subject: JFK Drive

URGENT MESSAGE The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Margo Sims

Sent From Susan GREGORY to the Board of Supervisors on 11/12/2021 4:12:15 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park. Please do your research thoroughly and stop slanting your decisions towards cyclists and understand how this decision has affected so many activities in the park, e.g. elderly people living in homes having access for outings. The Dahlia Dell is one of the places they enjoy and has become inaccessible. It's a terrible decision to close JFK drive permanently. Thank you.

Susan GREGORY

Sent From Ward Smith to the Board of Supervisors on 11/12/2021 4:11:08 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Ward Smith

June Levin

Sent From Marcy Burris to the Board of Supervisors on 11/12/2021 8:19:09 AM

Dear Board of Supervisors,

Subject: Golden Gate Park/Reopen JFK Drive

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. You members of the BOS and the Mayor always make these moves barely thinking or never thinking are helpful to all of the community including the disabled. You absolutely ignore that the community includes disabled and elderly people for whom ease of mobility gives access to public buildings which are already difficult to enter. It seems as if the BOS members take great pleasure in making our disabled lives even more difficult and devoid of any participation or enjoyment from public facilities. Then you all pat yourselves on the back at what a great thing you've done, we disinvited and isolated the disabled and elderly. Excellent. Then karma strikes one of you and puts in our disabled ranks and suddenly you see how incredibly difficult and devoid of pleasure you've made the city for the disabled and elderly. You members of the BOS blindly make changes and never consider how your simpleminded decisions negatively impact people whose lives are already at a disadvantage for mobility. You never realize or accept that You Harmed Citizens of SF by catering only to the able bodied and young. The BOS's and Mayor's simpleminded changes to road access and even MUNI access have made this city an isolating hell for the disabled and elderly. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Marcy Burris

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Michelle Birch

Sent From William Wreden to the Board of Supervisors on 11/12/2021 7:17:11 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

As a member of the Fine Arts Museums living in Berkeley it will be very difficult to continue supporting and visiting the de Young and occasionally visiting the California Academy of Sciences if JFK Drive remains closed. I ask you to reopen JFK Drive to how it was before COVID: closed all Sundays and half of the Saturdays every year, with ample bike lines and pedestrian walkways each day of the week. JFK Drive needs to be open to people from the greater Bay Area and San Francisco visitors from around the world. The City needs to make its cultural attractions and museums easily accessible to all visitors.

William Wreden

Sent From Barbara Daley to the Board of Supervisors on 11/12/2021 7:12:21 AM

Dear Board of Supervisors,

Subject: Reopen JFK

Please consider reopening JFK Drive to cars. Going to Golden Gate Park and frequently visiting the De Young, Academy of Sciences and the Botanical Gardens has been one of the greatest pleasures of my family's life. The closure of the Great Highway and JFK has had a huge impact on our ability to access the park and, frankly, our enjoyment of San Francisco. We are much less inclined to pop in to the City now, and often find the traffic and difficulties of getting into and through the park not worth the hassle. We do appreciate the compromise you chose for opening Great Highway on weekdays, and hope something similar can be worked out for JFK Drive. We are senior citizens with memberships to the Fine Arts Museums and Academy of Sciences, as well as the Asian Art Museum, but living in Pacifica makes it necessary for us to drive to Golden Gate Park. JFK Drive should be reopened to the way it was before COVID.

Barbara Daley

Sent From Mary Cloutier to the Board of Supervisors on 11/12/2021 7:09:40 AM

Dear Board of Supervisors,

Subject: JFK

Access to the park is an ordeal with the Park cut off and access to the museum is so much more difficult. Roads are meant for all and I believe sharing as has been done in the past should be restored. Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Matt Carhartt

Sent From Jim Bolinger to the Board of Supervisors on 11/12/2021 7:05:12 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Jim Bolinger

Sent From Phil Harris to the Board of Supervisors on 11/12/2021 6:58:53 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Phil Harris

Sent From laura harris to the Board of Supervisors on 11/12/2021 6:48:42 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

laura harris

Sent From Ulrich Aldag to the Board of Supervisors on 11/12/2021 6:40:02 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Ulrich Aldag

Sent From Michel Quenon to the Board of Supervisors on 11/12/2021 6:35:48 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Michel Quenon

Sent From Maggie Collins to the Board of Supervisors on 11/12/2021 6:34:44 AM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID. This way would continue to close JFK Drive on many weekends and holidays and quite a bit in the summer. Going back to the old way would cease the disruptions to staff and operations at the de Young Museum. All of the features of Golden Gate Park are treasures in San Francisco; access to them needs to be restored to pre-pandemic configurations.

Maggie Collins

Sent From Sharon Jung-Verdi to the Board of Supervisors on 11/12/2021 6:34:33 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Sent From Cynthia Billings-Roan to the Board of Supervisors on 11/12/2021 4:25:11 AM

Dear Board of Supervisors,

Subject: JFK

Golden Gate Park has always been one of the main reasons to visit SF. Even more so that downtown has become a disgusting 3rd world sloppy dirty unsafe place. We have not renewed our yearly Museum passes for The DeYoung/Legion because it has become impossible to get to. We have lived in Oakland and visited the Golden Gate for 30+ years. Regretably the cost of visiting Strybing and the Museums have become burdensome. Keep those road closures if you want to insulate yourselves against the world and visitors. The only ones with access now are those who have the luxury of living around the Parks. What a shame. The same goes for the Shoreline drive by the Ocean.

Cynthia Billings-Roan

Sent From Deborah Stratmann to the Board of Supervisors on 11/12/2021 4:22:54 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic. As an elderly person with grandchildren, I depend on JFK Drive to be able to visit The Academy of Sciences and The de Young Museum.

Karel Kretzschmar

Sent From Michelle Goodman to the Board of Supervisors on 11/12/2021 3:46:37 AM

Jackie Fletcher

Sent From Judy Leep to the Board of Supervisors on 11/12/2021 3:43:59 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Judy Leep

Sent From Shirley Finfrock to the Board of Supervisors on 11/12/2021 3:40:29 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

My husband and I live in Palo Alto, long time members and visitors to the deYoung, Japanese Tea Garden, Academy of Science. Closing the park to cars a real deterrent to people who don't live in SF, but live in the Bay Area and will cause decline of tourists from out of the bay area and out of state access to the museums in Golden Gate Park. There has to be a better way than closing the roads in the park.

Shirley Finfrock

Sent From Margaret wisdom-lobo to the Board of Supervisors on 11/12/2021 3:40:17 AM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Margaret wisdom-lobo

Sent From Marjorie Cordova to the Board of Supervisors on 11/12/2021 3:38:51 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Marjorie Cordova

Sent From T Tanchelev to the Board of Supervisors on 11/12/2021 3:34:38 AM

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Arlinda Befort

Sent From James Heagy to the Board of Supervisors on 11/12/2021 3:28:59 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. Including us old folks who can't bike or skate and need to drive.

James Heagy

Sent From Jay Meindertsma to the Board of Supervisors on 11/12/2021 3:25:42 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Jay Meindertsma

Sent From Allyson Weir to the Board of Supervisors on 11/12/2021 3:24:08 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I have not visited the DeYoung because of the decreased access. The clientele of the museum includes a high proportion of older people, and walking 'a little farther' means not going at all. There is only one DeYoung, but there are more opportunities for outdoor recreation. Please consider us older folks. I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Allyson Weir

Sent From Olga Kist to the Board of Supervisors on 11/12/2021 3:17:01 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic. San Francisco needs more local visitors from the whole Bay Area.

Olga Kist

Sent From Suzanne McElwee to the Board of Supervisors on 11/12/2021 3:14:16 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lines and pedestrian walkways each day of the week. We need to balance equity AND safety!

Suzanne McElwee

Sent From Victoria Singh to the Board of Supervisors on 11/12/2021 3:08:26 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Sent From Pamela Webster to the Board of Supervisors on 11/12/2021 2:49:44 AM

Dear Board of Supervisors,

Subject: JFK

I am 67 and first went to the de Young before I was 10 years old with my parents and sibs. (My sibs would have been 8 and 6.5.) Getting into that part of GG Park was not easy. I know parking has been expanded but when my husband and I started taking our 5 y.o. there in 1990, we always went early on the free day (as we were living in UC student housing at the time). Not going early meant being in a bad traffic jam. We joined the museum just before the pandemic got underway and got to one exhibit. It's a project already to get in and out of that area without being stuck in MORE traffic. Give museum go-ers a break. Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Heather Reynolds

Sent From Ross Sappenfield to the Board of Supervisors on 11/12/2021 1:31:40 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

We must reopen JFK Drive to make weekday access to Golden Gate Park a reality. The only alternative for those in private vehicles to access the DeYoung and Academy of Sciences is via the extremely expensive Music Concourse parking garage. JFK Drive should be open like it was pre-pandemic.

Ross Sappenfield

Sent From Marie Contreras to the Board of Supervisors on 11/12/2021 1:30:49 AM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans with disabilities love Golden Gate Park and need the access that an open JFK Drive would provide. JFK Drive should be reopened to the way it was before COVID.

Marie Contreras

Sent From Bruce Huston to the Board of Supervisors on 11/12/2021 1:26:35 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Bruce Huston

Sent From Florence Bell to the Board of Supervisors on 11/12/2021 1:26:12 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Florence Bell

Sent From Elise Ravel to the Board of Supervisors on 11/12/2021 1:16:57 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Elise Ravel

Sent From susan hempstead to the Board of Supervisors on 11/12/2021 1:14:27 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

susan hempstead

Sent From Elizabeth Lincoln to the Board of Supervisors on 11/12/2021 1:14:18 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Elizabeth Lincoln

Sent From Cliff Culpeper to the Board of Supervisors on 11/12/2021 1:11:57 AM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID - what the politicians PROMISED, only now it looks like they want to renege on it. There are many people who like to see the Park and visit the Park's attractions via auto as they cannot bike or rollerskate or walk long distances.

Cliff Culpeper

Sent From Kay Yonemoto to the Board of Supervisors on 11/12/2021 1:09:59 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Kay Yonemoto

Sent From LESLE PAIGE to the Board of Supervisors on 11/12/2021 1:09:53 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

LESLE PAIGE

Sent From suzanne waxman to the Board of Supervisors on 11/12/2021 1:09:05 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

I feel that by closing JFK Drive access to the people who don't live close who want to go to the museum is compromised. Not everyone can walk the distance from the public transportation without some sort of help... All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

suzanne waxman

Sent From Jeanne Clinton to the Board of Supervisors on 11/12/2021 1:06:24 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone, especially on weekends. We all agree that bicyclists and pedestrians should have reasonable access to Golden Gate Park, BUT we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic. I live in the East Bay and for years have counted on finding parking on JFK Drive to visit the DeYoung Museum. The parking garage cost is too high.

Jeanne Clinton

Sent From Janice Chung to the Board of Supervisors on 11/12/2021 1:04:42 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic! My neighbor and I would visit the deYoung a limited number times mainly in the summer and usually on a weekday when the museum is not as crowded. We would enjoy parking along JFK Drive rather than the underground garage in order to stroll through the park and gardens. It must make parking on the streets even more congested for nearby residents to have JFK closed all the time too. Please do not make this permanent.

Janice Chung

Sent From Michael Fine to the Board of Supervisors on 11/12/2021 1:02:56 AM

Dear Board of Supervisors,

Sent From Joan Simmons to the Board of Supervisors on 11/11/2021 11:38:42 PM

Dear Board of Supervisors,

Subject: JFK Dr.

I am a docent at The SF Conservatory of Flowers. Very many of the cadre of volunteers here are elderly. Closing access to JFK Dr., and therefore the Dahlia Circle Dr. as well, causes an access hardship. Access to the northern end of Nancy Pelosi Dr. is similarly denied. I prefer not to park in the garage. It cost \$18.75 when I attended Bouquets to Art at the DeYoung this year. There are five institutions, the two addressed above, as well as the SFBG, THE California Academy of Sciences, and the Japanese Tea Garden affected negatively by this closure. It was parking bedlam when I attended the Flower Piano event at the SFBG this year. The city of San Francisco is justifiably proud of these beautiful star attractions and should not hinder accessibility.

Joan Simmons

Sent From Patricia Huey to the Board of Supervisors on 11/11/2021 11:38:09 PM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Sent From Alice Anne Martineau to the Board of Supervisors on 11/11/2021 11:32:44 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Alice Anne Martineau

Sent From Irene Kaus to the Board of Supervisors on 11/11/2021 11:31:07 PM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Sent From K Holliday to the Board of Supervisors on 11/11/2021 11:29:15 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

K Holliday

Sent From Elizabeth Hom to the Board of Supervisors on 11/11/2021 11:28:49 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

As a lifelong resident of the Richmond District, I utilize Golden Gate Park regularly for commuting and recreation. I appreciated the need to create more outside spaces during the shelter in place orders. However, it's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone, regardless of ability, should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before.

Elizabeth Hom

Sent From Sheila Perry to the Board of Supervisors on 11/11/2021 11:23:10 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lines and pedestrian walkways each day of the week. We need to balance equity AND safety!

Sheila Perry

Herman Bracey

Sent From ma kim to the Board of Supervisors on 11/11/2021 9:57:56 PM

Dear Board of Supervisors,

Subject: JFK Drive

I don't know who came up with this 'brilliant' idea to keep it closed or who on earth wants this road closed? not only this but entire SF looks so ugly with curbside restaurants, and also with slow streets? not very thoughtful for people with disability. SF really needs to go back to it's old self. These adjustments are our reminder of vocid time, which is very traumatic. so we need to get rid of these reminders. even current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Sent From Loretta Botta to the Board of Supervisors on 11/11/2021 9:55:01 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Loretta Botta

Sent From Barbara Heffernan to the Board of Supervisors on 11/11/2021 9:53:51 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Barbara Heffernan

Sent From Noreen Hagerty to the Board of Supervisors on 11/11/2021 9:52:40 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Noreen Hagerty

Sent From Katherine Hornbach to the Board of Supervisors on 11/11/2021 9:50:19 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Katherine Hornbach

Sent From Maureen Perry to the Board of Supervisors on 11/11/2021 9:49:27 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Maureen Perry

Sent From Doug Urbanus to the Board of Supervisors on 11/11/2021 9:45:02 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

I've been unable to take advantage of my membership to the de Young and the Legion of Honor due to the pandemic. Nevertheless I've maintained my membership and it's costs. I am on the brink of returning, which also means bringing my money to the Avenues. As a native San Franciscan I'm annoyed by the closing off of streets, the Great Hwy for one. Keeping JFK Dr closed to weekday traffic plainly cripples access to the de Young. Why pedestrians require such an expanse of pavement on weekdays is beyond me. Simply put: if I can't access with some modicum of convenience the de Young I will discontinue my membership to the de Young and the Legion of Honor. I'll take my restaurant money over to Sausalito and make my purchases that I might have made in San Francisco somewhere else. And naturally (should anyone ask) encourage friends to visit somewhere else as well.

Doug Urbanus

Sent From Tamra Winchester to the Board of Supervisors on 11/11/2021 9:11:20 PM

Dear Board of Supervisors,

Subject: JFK Drive

I feel very strongly about the issue of closing JFK Drive. The City of San Francisco must continue to earn its reputation for being a cultured city with world class art. As important, the current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. The initial intent of closing JFK Drive temporarily was to benefit the health of Golden Gate Park visitors, I would like to emphasize that art and exercise are equally essential for us to thrive. Opening the drive will not prevent the public from exercising and otherwise enjoying the park. Keeping it closed will definitely impact the ability of the museums to survive and severely restrict access to the park for visitors. Don't succumb to a false dichotomy. Open the drive to pre-COVID conditions to benefit everyone. Please.

Tamra Winchester

Subject: JFK Drive access

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID! Thank you, Andria

Andria Tay

Sent From Robert Leonard to the Board of Supervisors on 11/11/2021 8:35:55 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Sent From Nancy Sakamoto to the Board of Supervisors on 11/11/2021 8:31:33 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Nancy Sakamoto

Sent From Laura Julian to the Board of Supervisors on 11/11/2021 8:31:02 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Laura Julian

Sent From Francoise Rothstein to the Board of Supervisors on 11/11/2021 8:29:25 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Francoise Rothstein

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. To do otherwise is ableist and doesn't serve all the citizens of San Francisco but only the privileged. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Artana De Carlo

Sent From Candace Gianni to the Board of Supervisors on 11/11/2021 8:18:42 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I grew up going to the park an Museums with my family. I still attending events a visiting the park. I think to maintain access for all the park needs to go back to the way it was before Covid-19. The Sunday and holiday closure and few Saturday's are okay but many people need to park close and use the available parking that existed before. I live out of town now but am a member of the Deyoung and Academy of Sciences. But being a child of the ~50's am not a mobile as I used to be and need as other walk to get there. Going back to the previous schedule would make it equitable for all.

Candace Gianni

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Dave Charleston

Sent From Kate Lucchese to the Board of Supervisors on 11/11/2021 7:49:18 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

Older folks and those with disabilities need close curb access to reach the attractions in the park. It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Kate Lucchese

Sent From Barbara Styles to the Board of Supervisors on 11/11/2021 7:48:30 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic. Please open GGP, JFK Dr. from 8th Ave. to the 22nd exit cross over N & S. This will help individuals visit De Young Museum, Rose Garden, Stow Lake, Tea Gardens and the many walking paths into the redwood forest area. The garage is too expensive for most of us.

Barbara Styles

Sent From Autumn Monday to the Board of Supervisors on 11/11/2021 7:47:50 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lines and pedestrian walkways each day of the week. We need to balance equity AND safety!

Autumn Monday

Sent From Gabriella Gardella to the Board of Supervisors on 11/11/2021 7:46:04 PM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Gabriella Gardella

Sent From Joelle Vossbrink to the Board of Supervisors on 11/11/2021 7:45:56 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue! I am currently disabled and a dues paying member. I come from Marin when I can and find it difficult to park and too expensive for the garage.

Joelle Vossbrink

Sent From Marina Klochkov to the Board of Supervisors on 11/11/2021 7:43:10 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Marina Klochkov

Sent From Andie Rice to the Board of Supervisors on 11/11/2021 7:42:50 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before.

Sent From Carole Issel to the Board of Supervisors on 11/11/2021 7:41:41 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I was born in San Francisco 78 years ago. I am still here. I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. As a senior citizen with limited movement I urge you to restore access to Golden Gate Park as it was before the pandemic.

Carole Issel

Sent From Gary Parks to the Board of Supervisors on 11/11/2021 7:41:12 PM

Dear Board of Supervisors,

Subject: Reopen JFK

I have visited Golden Gate Park frequently--enjoying its many attractions and amenities--for over 50 years. Though San Francisco has never been my physical home, it is one of my spiritual homes--nourishing me culturally, and aesthetically. I do believe that our society needs to be less auto-dependent, but drastic permanent closures of major access streets is not the answer. Use of the Parks' museums and gardens by people from other parts of the City, and from out of town, will decrease because of the resulting parking headache. JFK Drive should be reopened to the way it was before COVID.

Gary Parks

Sent From Greg Reeder to the Board of Supervisors on 11/11/2021 7:40:40 PM

Dear Board of Supervisors,

Subject: JFK

STEPHANIE Miller

Sent From Richard Lanzerotti to the Board of Supervisors on 11/11/2021 7:38:19 PM

Dear Board of Supervisors,

Subject: Reopen JFK

We fought hard in the past (Coalition to Keep the de Young in the Park) to rebuild our magnificent institutions in GG Park where millions of visitors go yearly. Attempts again by skaters, skate boarders, scooterists, bicyclists, and others present a severe threat that the deYoung, the CAS, the Japanese Tea Garden and Botanical Garden will lose vital visitors. Closing JFK Drive permanently will significantly affect the elderly, infirm, tourists, and multigenerational families who wish to visit. Closing JFK must not be allowed. Most sincerely, San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Richard Lanzerotti

Sent From Jan Taradash to the Board of Supervisors on 11/11/2021 7:37:53 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

Sent From didi boring to the Board of Supervisors on 11/11/2021 7:35:51 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

didid boring

Sent From ken osborn to the Board of Supervisors on 11/11/2021 7:35:07 PM

Dear Board of Supervisors,

Subject: JFK

During the pandemic it makes sense to close JFK drive to provide outdoor space while practicing shelter-in-place. That time is or will be soon ending. I live in East Bay and drive with friends to visit Golden Gate Park and the de Young. Closing JFK drive permanently is counter productive to accessing one of San Francisco's finest. I have been visiting the de Young starting with my parent's visits in 1957 coming from Sacramento.

ken osborn

Sent From Elizabeth Mandranis to the Board of Supervisors on 11/11/2021 7:35:00 PM

Dear Board of Supervisors,

Subject: JFK

I am an older person who loves to visit SF and the wonderful museums and parks. But if access becomes limited permanently I won't be able to visit. San Francisco is for everyone- it holds world class treasures people come to see from all over the world. It should not just be locals who can jog and hike! Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID. For handicapped individuals, closing JFK prevents use of numerous convenient handicapped spaces near the museum on JFK forcing us Seniors to park far away and in the area where cars win dues are smashed daily. We have been museum members for 25 years but will not renew unless JFK Drive is reopened. Also... some police might be a good idea... ya think?

Ronni Randall

Sent From Kathleen Phelan to the Board of Supervisors on 11/11/2021 7:09:16 PM

Dear Board of Supervisors,

Subject: JFK

We are in our eighties and no longer able to walk great distances. We pretty much have been unable to really enjoy all that Golden Gate Park has to offer! Being San Francisco natives, I guess our lifetime of memories will have to suffice if JFK is closed to cars! Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Kathleen Phelan

Natalia Daniels

Sent From Nancy M Burrill to the Board of Supervisors on 11/11/2021 7:08:02 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Nancy M Burrill

Sent From Cecile Ehrmann to the Board of Supervisors on 11/11/2021 7:07:46 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Cecile Ehrmann

Sent From Cheryl Davis to the Board of Supervisors on 11/11/2021 7:07:27 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

I grew up on 38th Ave between Balboa and Cabrillo. My 86 year old mother still lives there. I would like to be able to take her to the park for a walk, but parking on Fulton and walking in is not an option. Access for elderly by car is severely limited in SF right now. Please reopen JFK so we can at least enjoy the park. Closing JFK on weekends is enough of an inconvenience to city residents. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Cheryl Davis

Sent From Corinne Beauvais to the Board of Supervisors on 11/11/2021 7:07:17 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! And so do out of towners who love the park. When JFK Drive is closed it takes away street parking and forces out of towners to park in the expensive garage. JFK Drive should be reopened to the way it was before COVID.

Corinne Beauvais

Sent From Lorraine Vilardo to the Board of Supervisors on 11/11/2021 7:06:47 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lines and pedestrian walkways each day of the week. We need to balance equity AND safety!

Lorraine Vilardo

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. I am considering dropping my museum memberships to the CalAcademy and deYoung because it is just too difficult to find affordable parking. The garage is too expensive, and street parking is very limited. I live in Petaluma, so taking MUNI is not an option. Part of the enjoyment of going to the museums has been driving along JFK and seeing all the landscaping, especially the flowers in front of the Conservatory. Closing JFK only benefits a limited few in S.F., and drives away many Bay Area residents as well as other tourists who would like to enjoy G.G. Park. Please reopen JFK Drive like it was before COVID!

Cynthia Powell

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Sally-Yu Leung

Sent From Gerald Meisel to the Board of Supervisors on 11/11/2021 6:48:22 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Gerald Meisel

Sent From Rose Williams to the Board of Supervisors on 11/11/2021 6:48:02 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! My partner is disabled veteran, he deserves to access the Park! JFK Drive should be reopened to the way it was before COVID.

Rose Williams

Sent From Tom Elliot to the Board of Supervisors on 11/11/2021 6:47:50 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lines and pedestrian walkways each day of the week. We need to balance equity AND safety!

Tom Elliot

Sent From Paul Snodgrass to the Board of Supervisors on 11/11/2021 6:47:11 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Paul Snodgrass

Sent From Linda Cantwell-Kum to the Board of Supervisors on 11/11/2021 6:47:02 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID. As a 37 year Community College Prof. Of Art I believe accessibility to museums equalizes educational outcomes.

Linda Cantwell-Kum

Sent From Denise Wey to the Board of Supervisors on 11/11/2021 6:46:35 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Denise Wey

Sent From Michael Lata to the Board of Supervisors on 11/11/2021 6:44:56 PM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Michael Lata

Sent From Julie Rubin to the Board of Supervisors on 11/11/2021 6:44:44 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Julie Rubin

Sent From Carole Ryan to the Board of Supervisors on 11/11/2021 6:44:37 PM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID! So many of the museums members are older, and this has severely impacted our access.

Carole Ryan

Sent From Curtis Larsen to the Board of Supervisors on 11/11/2021 6:44:13 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Curtis Larsen

Sent From Rochelle Kimball to the Board of Supervisors on 11/11/2021 6:30:17 PM

Dear Board of Supervisors,

Subject: Kindly reopen JFK Drive to pre-pandemic access

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! I am 73 years old & live in Bernal Heights. I cannot without great difficulty get to the park, yet alone access the park, DeYoung Museum, Arboretum, etc. without driving & parking a vehicle. JFK Drive should be reopened to the way it was before COVID.

Rochelle Kimball

Sent From Mark Kelly to the Board of Supervisors on 11/11/2021 6:30:03 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Mark Kelly

Sent From Diane Schneider to the Board of Supervisors on 11/11/2021 6:29:57 PM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Diane Schneider

Sent From Lydia Cassorla to the Board of Supervisors on 11/11/2021 6:29:15 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

Everyone deserves access to Golden Gate Park. PLEASE reopen JFK Drive to provide appropriate access to Golden Gate Park and its cultural facilities a reality. Not all can bike or walk. The park was designed for motorized vehicle access. There is plenty of pedestrian access. If necessary, sidewalks could be widened but NO more excluding those in vehicles. Thank you. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Lydia Cassorla

Sent From Kathy Knebel to the Board of Supervisors on 11/11/2021 6:28:25 PM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Kathy Knebel

Sent From Monica LeMaster to the Board of Supervisors on 11/11/2021 6:27:57 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Monica LeMaster

Sent From Michael Mazgai to the Board of Supervisors on 11/11/2021 6:27:48 PM

Sent From patricia holden to the Board of Supervisors on 11/11/2021 6:22:34 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. What about handicap folks, strollers w/babies, and elderly who need to be dropped off or enjoy walking as their exercise. Closing JFK will essentially close it to residents who aren't nearby. No one is going to take a shuttle bus (the Park Shuttle has failed miserably-zero usage). Or a Muni for an hour one way trip. Catering to the needs of bikers leaves out of the majority of SF residents. It's bad enough that sidewalks are used recklessly by bikers, scooters and tourists -- making it dangerous for us walkers!

patricia holden

Sent From Dana Christensen to the Board of Supervisors on 11/11/2021 6:22:12 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Pat Dunbar

Sent From sherri levine to the Board of Supervisors on 11/11/2021 6:13:39 PM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

sherri levine

Sent From Joan d Weinstein to the Board of Supervisors on 11/11/2021 6:13:35 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate. I am an older citizen, 75, and I cannot bike into the park. If someone is able to drive thru and find parking, then I can enjoy the park also. There needs to be alternatives for all of us, not just the young and able bodied.

Joan d Weinstein

Sent From Laurie Monroe to the Board of Supervisors on 11/11/2021 6:13:33 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Laurie Monroe

Sent From Cindy Hill to the Board of Supervisors on 11/11/2021 5:25:29 PM

Dear Board of Supervisors,

Subject: JFK Drove access for cars

Thank you for the months of pedestrian and bicycle access to JFK Drive during the height of the pandemic stay-at-home period. Now it's time to return to an open street for cars and other motorized vehicles; it's time to return to the previous schedule as it provided safer access to the park's amenities for mobility-compromised individuals and free parking for those who can not afford to pay. Thank you for considering my opinion. Regards, Cindy Hill

Cindy Hill

Sent From Diane Ridley to the Board of Supervisors on 11/11/2021 5:23:07 PM

Dear Board of Supervisors,

Subject: JFK

I would like to see JFK Drive reopened on weekdays and Saturdays. While it's closure was perhaps an innovative response to the perceived need for additional outdoor recreational space during the shelter-in-place phase of the pandemic, I believe it is underutilized and more of a hindrance to recreation in the Park than an enticement. Its closure has made navigating across and within the Park confusing and frustrating, and has served to increase the traffic and parking burden on other streets inside and adjacent to the Park. Despite the fact that restrictions on indoor activities have been reduced, the ongoing closure discourages people from experiencing some of the Park's biggest assets-the Conservatory of Flowers, the Fine Arts Museum, the Academy of Sciences, the Music Concourse, the Japanese Tea Garden, Stow Lake, and the Arboretum. Unless there is a integrated City plan and financial commitment to adding additional parking outside of the park and frequent, convenient public transportation to and within the park that will make its features easily accessible to residents and out-of town visitors, especially those with disabilities, I do not feel continuation of this experiment is of any benefit. Like a number of the 'slow streets' that have been created in the City, it feels elitist and exclusionary,

Dear Board of Supervisors,

Subject: Golden Gate Park

Since there is so limited street parking near the GG park, I feel that JFK Drive should be reopened for parking. Not everyone can afford the Museum's parking garage prices. City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Sent From Jeean shebanek to the Board of Supervisors on 11/11/2021 4:52:26 PM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lines and pedestrian walkways each day of the week. We need to balance equity AND safety!

Jeean shebanek

Sent From Elizabeth Barnhart to the Board of Supervisors on 11/11/2021 4:51:50 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Elizabeth Barnhart

Sent From JOAN SPAARGAREN to the Board of Supervisors on 11/11/2021 4:46:42 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

JOAN SPAARGAREN

Sent From Herman Haluza to the Board of Supervisors on 11/11/2021 4:45:38 PM

Sent From Lawrence Wong to the Board of Supervisors on 11/11/2021 10:52:39 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK Drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK Drive as it was before this pandemic (i.e., open on weekdays yearlong and Saturdays six months of the year, but close on Sundays and holidays yearlong and Saturdays the other six months of the year). Increased car and foot traffic from tourists and residents is needed to keep the institutions in GG Park open and financially solvent (which includes some of my favorite institutions like the CA Academy of Sciences, the DeYoung Museum, and the Japanese Tea Garden). Earlier, you did a good thing restoring service to most of the SF Muni lines (including the iconic cable car lines) to let the outside world know that SF has reopened for tourists and business. Please reopen JFK Drive to restore pre-pandemic car and foot traffic to GG Park for tourists and residents and help keep the aforementioned institutions at GG Park financially afloat. (Otherwise, those institutions will be forced to close indefinitely for lack of business. And that would be yet another loss for SF's culture on top of Cliff House and Stern Grove closed permanently earlier this year.)

Lawrence Wong

David Russel

Sent From Lizzie Jeremi to the Board of Supervisors on 11/11/2021 8:43:19 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park. You cannot make decisions that interrupt the flow of well established roads and traffic to our cultural city treasures. As citizens we all contribute to the roads that take us closer to the heart of our beautiful De Young Museum, Strybing Arboretum, Hall of iSciences, Japanese Tea Garden, Conservatory of Flowers, Planetarium and the performances in the Band Shell. You cannot put those treasured out of our reach. Please be equitable to all San Franciscans. We all need open roads to our park. Thank you,

Lizzie Jeremi

Mechell Keith

Sent From Howard Yellen to the Board of Supervisors on 11/11/2021 6:10:48 AM

Dear Board of Supervisors,

Subject: GGP

Keeping JFK Drive closed post-pandemic is absurd. I want to be clear, I'm not criticizing you personally. I believe that keeping park access by cars so limited is well intended, but misguided. How is a disabled person such as myself supposed to get to the museums? Muni is difficult for me to begin with, and due to being immunocompromised impossible it has been impossible in the last two years and I expect I won't get back to taking it until the spring. I live on Sanchez St. in Duboce Triangle, and Muni has been one of the big attractions of living here, but I have always driven to the park with my dogs. More broadly, one of the genuinely great things about the park is how multi-purpose it is. It is a place of great natural beauty, but it also is a place where people play exercise, go to museums and much more. It is not, should not and will never be a purely wild place. It is also inevitable that the closure of JFK will push parking and traffic to adjacent neighborhoods. The same thing has happened with the expansion of 'quiet streets.' The first few were terrific, but I've seldom seen folks walking or biking on Noe or Page. I live near Noe and walk down it (on the sidewalks) almost daily. Like the closure of JFK, quiet streets end up as a form of NIMBYism. They don't reduce parking and traffic much, but they do foist it on nearby residents. Noe in particular is a problem, because it pushes traffic to Sanchez, which is a critical and dangerous part of the Wiggle. I can't remember seeing a commuting biker take Noe instead of Sanchez, and with more road traffic they are put in further danger. As a lifelong progressive, the policies of my kindred spirits in fact dispirit me. It often feels like dogma trumps (lousy word) outcomes. I know that people play this card all the time, but FWIW, I've lived here since the 1980s. Thanks for taking the time to consider my opinion. HLY

Subject: JFK Drive

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park. It is so difficult as a senior to get to the museums from the streets in and around the park. Appreciate your attention!--

Sent From Peggy Osterkamp to the Board of Supervisors on 11/11/2021 5:16:21 AM

Dear Board of Supervisors,

Subject: JFK

Please reopen JFK Drive like it was before COVID! I couldn't park on the street and had to pay \$21 for parking in the garage. Please open JFK.

Peggy Osterkamp

Sent From Julie Fieber to the Board of Supervisors on 11/11/2021 5:15:48 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Julie Fieber

Sent From David Voorhees to the Board of Supervisors on 11/11/2021 5:14:15 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

David Voorhees

Sent From Allison Kozak to the Board of Supervisors on 11/11/2021 4:46:30 AM

Dear Board of Supervisors,

Subject: JFK Drive

The closure of JFK Drive during the beginning of the pandemic made sense, creating a place where people could be outdoors with plenty of room, and giving home-bound people an escape. But it's time to reopen JFK. Closure of JFK creates unnecessary difficulties of access, especially to people with disabilities. My husband has not been able to frequent our favorite areas around the park, Pioneer East Meadow & the Rose Garden, for almost 2 years because we can't park close enough. Remember, JFK was created as a thoroughfare through the park for a reason. It is the park's main access way, the only east-west artery. It was conceived and served as a thoroughfare from its creation. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Allison Kozak

Sent From Aya Van Zandt to the Board of Supervisors on 11/11/2021 4:31:35 AM

Dear Board of Supervisors,

Subject: JFK

I am a working mother of 3 kids. The kids have activities all over San Francisco - schools, sports, friends. The street closures in the city have added extra stress and driving time to our already stressed out, time-constrained family. I know we are not the only regular working family who are ready to truly get back to the normalcy, and can't help feeling that the city leaders are tone deaf to what working SF families are experiencing, or wondering if they even care. Take one of the 'slow streets' that we used to take to get the kids to school. We are rushing around at 8:15 am to get the kids to school, then ourselves to work, all the while some lucky folks who can take the leisurely walk or jog along one of these streets - why can't they walk or jog on the sidewalk? It is time for the city leaders to realize what the ORDINARY folks need. After all, the city claims that it is a 'family friendly city'. We are not asking for much.

Sent From Loretta Callies to the Board of Supervisors on 11/11/2021 3:55:35 AM

Dear Board of Supervisors,

Subject: JFK

The current closure of JFK Drive is unfortunate and causes weekday problems to access all the wonderful things GG Park has to offer. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park. It is now time to restore all streets that were closed and take down all the signs as I see no one using the blocked off streets as they have gone back to work, and no right turns on Lincoln that make it very difficult to get onto the Lower Great Highway. Restore our City to the Beautiful way it was. I'm sure if you needed to use all these streets you would be just as frustrated as we are. Take your concerns to clean up the Area next to the Asian Art Museum. It is very disconcerting to go to the theater and have to step over people shooting up and needles all over the sidewalk. Take a walk at night and see the sights that are driving people away. Thank you for your time.

Loretta Callies

Sent From David Deiwert to the Board of Supervisors on 11/11/2021 3:55:31 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

David Deiwert

Sent From Brighton Miller to the Board of Supervisors on 11/11/2021 3:51:34 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

The roads must open. This park should be inclusive to everyone in SF, and all park lovers visiting. To have the road shut discourages people who would like to come but it's too crowded to find parking, or the areas that there is parking there are mobs of people. If someone cannot walk or bike, they are unable to see the sights by taking a beautiful drive through the park. I believe having the street closed, it's an elitist move to keep out those who cannot walk to the park to enjoy it. It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Sent From Sally Griffin to the Board of Supervisors on 11/11/2021 3:40:38 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Sally Griffin

Sent From Daniele Cuzin to the Board of Supervisors on 11/11/2021 3:38:07 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Daniele Cuzin

Sent From Ann Papale to the Board of Supervisors on 11/11/2021 3:32:28 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

Ann Papale

Sent From Michael Yamashita to the Board of Supervisors on 11/11/2021 3:32:16 AM

Dear Board of Supervisors,

Subject: Reopen JFK

Can't we share Golden Gate Park for everyone? Closing it permanently to cars is unfair to institutions, visitors, and workers from accessing the park. And less people of all generations will be able to recreate in the park or visit museums and its features. San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Michael Yamashita

Sent From Wen Lin to the Board of Supervisors on 11/11/2021 3:31:44 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Paula Gross

Sent From Roger Smith to the Board of Supervisors on 11/11/2021 3:28:14 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Roger Smith

Sent From Pamela Williams to the Board of Supervisors on 11/11/2021 3:28:03 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Pamela Williams

Sent From roman pecot to the Board of Supervisors on 11/11/2021 3:27:52 AM

Dear Board of Supervisors,

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park. Because of my age and mobility challenges, I need to have access to the DeYoung from JFK Drive. I love to visit the museum, so please restore this access.

Adrienne Richardson

Sent From Ann Mayer to the Board of Supervisors on 11/11/2021 2:22:16 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Ann Mayer

Sent From Kathleen Young to the Board of Supervisors on 11/11/2021 2:21:13 AM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Kathleen Young

Sent From Jennifer Winters to the Board of Supervisors on 11/11/2021 2:21:07 AM

Dear Board of Supervisors,

Jennifer Winters

Sent From Larry Lackie to the Board of Supervisors on 11/11/2021 2:20:53 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Larry Lackie

Sent From Anne Spellberg to the Board of Supervisors on 11/11/2021 2:19:00 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Anne Spellberg

Sent From China Brotsky to the Board of Supervisors on 11/11/2021 2:18:54 AM

Dear Board of Supervisors,

Subject: JFK Drive

I am a disabled person and I have found closing of JFK drive has negatively affected my access to significant parts of the East end of the park. The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

China Brotsky

Sent From Barbara Kelly to the Board of Supervisors on 11/11/2021 2:14:02 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. Sent From Brenda Osborne to the Board of Supervisors on 11/11/2021 2:08:13 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Brenda Osborne

Sent From Angela Lee to the Board of Supervisors on 11/11/2021 2:07:32 AM

Dear Board of Supervisors,

Subject: JFK Drive and Great Highway

The current closure of JFK Drive and The Great Highway severely impacts people with disabilities, seniors, and communities surrounding Golden Gate Park and visitors from afar. As we emerge from COVID, it's time to reopen JFK Drive and The Great Highway. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year. The Great Highway is a major emergency evacuation route. How can you keep it close endangering your citizens for the few? Please consider the families you are putting in danger? When there is an emergency do we get on our bikes or walk to safety? We use fast transportation. GGPark is bordered on two sides of it with water. The safest evacuation is South. East is also a traffic jam as citizens would run into over evacuees who are boarded by the bay. Please truly rethink your plans. We already have enough lives lost to COVID 19.

Angela Lee

Sent From Margaret Cleland to the Board of Supervisors on 11/11/2021 1:55:57 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. Taxes are used from all. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic. The park has plenty of areas for recreation. The road closure not only limits access but also makes parking limited so that you may be forced to use the expensive museum parking or not go. Many people do not have the mobility needed to access this part of the park. I understand SF seems to be against cars but if your going to limit access to roadways in the City (Golden Gate Park, Great Highway, Slow Streets) maybe we should not have to pay taxes for these roads that we can no longer use.

Margaret Cleland

Sent From Emilia Jankowski to the Board of Supervisors on 11/11/2021 1:54:45 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue! I may live outside of the City but I visit the Golden Gate Park and the deYoung Art Museum on a regular basis when I visit my stepfather. The street in front of the museum should be open to traffic. Also street parking in the Park should be returned for public use so visitors can enjoy the many beautiful spots in the Park. Make the Park available to all visitors.

Emilia Jankowski

Sent From Marc Johnson to the Board of Supervisors on 11/11/2021 1:52:38 AM

Dear Board of Supervisors,

Subject: Reopen JFK

I love the Park. And really appreciated the closures when the Covid virus was rampant and we could not be close to each other, especially when walking, running, skating and other activities. Now that most of us are vaccinated, are still good with social distancing when appropriate, it's time to open JFK to traffic during the week. I am a sub contractor to the Museum and have used the 8th Ave entrance on occasion to make way to the loading dock area. On weekends (when the Park used to close this area), there are lots of people. During the week, even when it's a beautiful day, there are few folks using JFK between the tennis courts and Stow Lake. Please, please, please, open the park back up. There is just not enough parking underground or on Fulton, MLK and adjacent streets to handle all the people who would like to use the park, the Museum, the Academy, the 'Wheel' and the bandshell area. It's time to reopen and make it easy for *many* people to appreciate art once again.

Marc Johnson

Sent From Clare Bonsall to the Board of Supervisors on 11/11/2021 1:52:11 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Mary Grindeland

Sent From Carole Cassidy to the Board of Supervisors on 11/11/2021 1:42:33 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

EVERYONE, San Francisco resident or not, deserves access to Golden Gate Park. I implore you, reopen JFK Drive to allow this to happen. I, for one, at 80 have limited mobility...I can't walk, nor can I take public transportation from San Rafael (too demanding of my body), and I certainly can't bike to the park. San Francisco seems to have forgotten that not everyone who wants to visit is 25 and fit! What the park contains are PUBLIC asset, yet you seem on the verge of deciding which parts of the public should be allowed access. JFK Drive must be open to traffic as it was pre-pandemic. Someday perhaps you'll understand why the park is an asset to be enjoyed by all who wish to visit, not the few, when you too find getting around a problem. It's clear, by even proposing to close JFK Drive, you have no idea what it's like.

Carole Cassidy

Sent From Barbara Kenny to the Board of Supervisors on 11/11/2021 1:30:14 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Barbara Kenny

Sent From Barbara Bernhart to the Board of Supervisors on 11/11/2021 1:30:02 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lines and pedestrian walkways each day of the week. We need to balance equity AND safety!

Barbara Bernhart

Sent From Michael Levine to the Board of Supervisors on 11/11/2021 1:29:19 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

As an elderly disabled person who often visits SF, it would make access and parking considerably more difficult for me. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Michael Levine

Sent From Luann Schend to the Board of Supervisors on 11/11/2021 1:29:05 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Luann Schend

Sent From Nilda Hernandez-Scheir to the Board of Supervisors on 11/11/2021 1:28:50 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Nilda Hernandez-Scheir

Sent From Jorg Fockele to the Board of Supervisors on 11/11/2021 1:28:37 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Jorg Fockele

Sharon. Levy

Sent From Elissa Rubin-Mahon to the Board of Supervisors on 11/11/2021 1:16:29 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

As an elderly patron of the deYoung museum, I urge you to open at least parts of Golden Gate Park roadways for cars and parking. I travel to San Francisco via auto almost once a month, to shop in the city and visit the museums. Between the bridge toll, fuel prices and now parking fees at the museum, I am finding it difficult to cover the cost of the trips on my fixed income. If roads were closed on holidays and weekends, it would at least give those of us for which this situation is problematic a chance to enjoy the park more fully, instead of rushing in and out of an exhibit because we can't afford extended parking costs nor walk great distance to get to the attractions.

Elissa Rubin-Mahon

Sent From Jennifer Kriz to the Board of Supervisors on 11/11/2021 1:16:14 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Dennis Valentine

Sent From Deneb Karentz to the Board of Supervisors on 11/11/2021 12:47:16 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Deneb Karentz

Sent From Mariya Sergiyenko to the Board of Supervisors on 11/11/2021 12:47:14 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Mariya Sergiyenko

Sent From Marianne Kahn to the Board of Supervisors on 11/11/2021 12:46:23 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

JoAnn Burke

Sent From Judith Morrow to the Board of Supervisors on 11/11/2021 12:44:06 AM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Judith Morrow

Sent From Kristin Wood to the Board of Supervisors on 11/11/2021 12:43:56 AM

Dear Board of Supervisors,

Subject: Reopen JFK

The museums in Golden Gate park are a state and regional treasure. The museums have members from the greater Bay Area. It is not viable to take public transit from San Jose to visit the De Young. A car and a place to park are critical to being able to visit the exhibitions at the museum. Spilling parking out into the local neighborhoods is not viable as they are already very limited for non-resident parking.

Kristin Wood

Sent From Kitty Clark to the Board of Supervisors on 11/11/2021 12:43:49 AM

Dear Board of Supervisors,

Sarah Bacon

Sent From Margaret Fawcett to the Board of Supervisors on 11/11/2021 12:33:16 AM

Dear Board of Supervisors,

Subject: JFK

The de Young museum serves not only the neighborhood surrounding it but SF, the State and the World. I have been a member of the Fine Arts Museum for some 50 years but do not live in the City. I remember the fight and settlement over closing JFK Drive permanently or only on holidays and weekends. That was a good solution/accommo-dation. It's expensive parking in the garage and now that I'm in my late 70s I notice that fact, arrive early and park on JFK Drive. Please reopen it for parking and not keep it closed. Thank you. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Margaret Fawcett

Sent From Paul Simpson to the Board of Supervisors on 11/11/2021 12:33:03 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many others disabled people, seniors, people with children and Bay Area visitors unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic! JFK was never intended to be off limits to automobiles 7 days a week. Please do the right thing. As with many other senior citizens during the pandemic, we have all suffered enough.

Paul Simpson

Sent From Vivian Turner to the Board of Supervisors on 11/11/2021 12:32:40 AM

Dear Board of Supervisors,

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It is closed all Sundays and half of the Saturdays every year, with ample bike lines and pedestrian walkways each day of the week. We need to balance equity AND safety!

Gerald Anderson

Sent From Dee Miller to the Board of Supervisors on 11/11/2021 12:27:48 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Dee Miller

Sent From Catherine Chodorow to the Board of Supervisors on 11/11/2021 12:27:31 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Catherine Chodorow

Sent From Bill Bloomfield to the Board of Supervisors on 11/11/2021 12:27:31 AM

Dear Board of Supervisors,

Subject: JFK Drive

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Bill Bloomfield

Sent From Katherine Alba to the Board of Supervisors on 11/11/2021 12:27:05 AM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID!

Katherine Alba

Sent From Janet Archibald to the Board of Supervisors on 11/11/2021 12:26:40 AM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID. Please reopen JFK Drive. It's not fair that I can no longer drive my 90 year old friend through Golden Gate Park. The parks belong to all of us, not just the physically fit bike riders & walkers.

Janet Archibald

Sent From Dave Leback to the Board of Supervisors on 11/11/2021 12:26:30 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Dave Leback

Sent From Maria Cruz to the Board of Supervisors on 11/11/2021 12:26:20 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Maria Cruz

Robert Glynn

Sent From Kathy Holly to the Board of Supervisors on 11/11/2021 12:13:25 AM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Kathy Holly

Sent From Beth Goldstein to the Board of Supervisors on 11/11/2021 12:13:14 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Beth Goldstein

Sent From Lynn Van Dyke to the Board of Supervisors on 11/11/2021 12:13:02 AM

Dear Board of Supervisors,

Subject: JFK Drive

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

Lynn Van Dyke

Sent From Lori Nord to the Board of Supervisors on 11/11/2021 12:12:57 AM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Lori Nord

Sent From Sindhura Kodali to the Board of Supervisors on 11/11/2021 12:12:51 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Sindhura Kodali

Sent From Mary Handelin to the Board of Supervisors on 11/11/2021 12:12:51 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Mary Handelin

Sent From John Urbanik to the Board of Supervisors on 11/11/2021 12:12:48 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

John Urbanik

Sent From Grant Barringer to the Board of Supervisors on 11/11/2021 12:12:41 AM

Dear Board of Supervisors,

Subject: Support a JFK Drive compromise!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic. Creating equitable opportunity at art institutions for those that are disabled is imperative, especially after so many months of isolation, the effects of which disproportionately impact people who are disabled.

Grant Barringer

Sent From Joel Altman to the Board of Supervisors on 11/11/2021 12:12:27 AM

Dear Board of Supervisors,

Subject: JFK Drive

The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. There is a larger demographic that is prevented from attending the de Young Museum and the Academy of Sciences due to the elimination of free parking on Kennedy Drive. Don't privilege local residents. These institutions are for ALL VISITORS! To say nothing of the salaried people and volunteers who work there. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

Joel Altman

Sent From Kathryn Hobart to the Board of Supervisors on 11/11/2021 12:12:14 AM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Kathryn Hobart

Sent From Megan Griffith to the Board of Supervisors on 11/11/2021 12:12:07 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic.

Dear Board of Supervisors,

Subject: Please rPlease reopen FK Driveive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue! I'm a senior and makes it difficult to find a place to park close by to visit the museums as often as I would like to ...

Jeri Lucia-Johnson

Sent From Rick Waterman to the Board of Supervisors on 11/11/2021 12:11:57 AM

Dear Board of Supervisors,

Subject: Reopen JFK Drive

I fully support bicyclist and pedestrian safety. That's why I am asking you to reopen JFK Drive to how it was before COVID. It used to be closed all Sundays and half of the Saturdays every year, with ample bike lanes and pedestrian walkways each day of the week. We need to balance equity AND safety! The proposed permanent closure to automobiles would be a devastating blow to people like myself with mobility impairments. We would continue to be unable to visit our beloved museum and be deprived on this cultural treasure, just as we have been deprived during the prolonged COVID-related closure to automobiles. PLEASE be sensitive to the physical limitations of disabled people, and PLEASE restore JFK drive to its pre-pandemic configuration so that automobiles can make it possible for people like me to visit the museum.

Rick Waterman

Sent From Gwyneth Perrier to the Board of Supervisors on 11/11/2021 12:11:52 AM

Dear Board of Supervisors,

Subject: Reopen JFK

Dear Board of Supervisors,

Subject: Reopen JFK Drive to All!

I support a Golden Gate Park that is accessible to everyone. We all agree that bicyclists and pedestrians should have access to Golden Gate Park, but we need to balance that with access for everyone else. I urge you to restore access to Golden Gate Park as it was before the pandemic.

Kari Alexander

Sent From Rory Cox to the Board of Supervisors on 11/9/2021 6:17:02 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID. Elderly, heavy people, families that live all over SF and tourists alike are not able to use the park when it's closed off to people who live close enough, and who are able bodied, to walk to GG Park. The street is empty most of the time while traffic is backed up on Stanyan and 19th Ave. Slow Streets across the city are utterly Separate but NOT EQUAL! Rich housewives don't want people driving down their st so they lie and say it's about community. What community needs to walk in the middle of the street? Haight st small businesses are struggling already as are businesses on Church st. Diverting foot traffic off these streets makes it even harder to survive a post pandemic economy. Not to mention Haight is becoming increasingly less safe as pedestrians are choosing Page over Haight which has contributed to more homeless and criminal behaviors on Haight like multiple shootings the past few weeks. Please pull your heads out of the Sand. Stop pandering to Karens on Twitter. SLOW STREETS = SEPARATE BUT NOT EQUAL.

Rory Cox

Dear Board of Supervisors,

Subject: JFK

Please reopen JFK Drive to operate before the closure due to the pandemic.

Jennifer Hodapp

Sent From Benjamin Shaykin to the Board of Supervisors on 11/8/2021 9:44:21 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Benjamin Shaykin

Sent From Elaine Fry to the Board of Supervisors on 11/8/2021 8:27:21 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Elaine Fry

Sent From koryn Pachla to the Board of Supervisors on 11/8/2021 7:36:35 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. We need your voice on this issue.

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic. JFK Drive was never meant to be the private sanctuary of local residents forever! Although Johnny McLaren was a humble and modest man, as a Certified Tour Guide of San Francisco for over 50 years, I love to tell his story to my tour groups from around the world, as we pass his statue surrounded by his favorite rhododendrons! Uncle Johnny would be appalled at the decision to close one of the most scenic sections of JFK! Sunday closure acceptable. At this point, private and commercial vehicular traffic on JFK is easily sustainable. We may need to address this issue in the future, but at this point private and commercial vehicles are sustainable! Let's not let this iconic section of JFK be lost to visitors from around the world. It's a San Francisco memory that people remember for a lifetime. It is what makes our beloved city so special to locals and visitors alike. Please don't be bulldozed by a few radical voices that are being illogical, self centered and unreasonable! Thank you, -Ted Bravos Founder & CEO International Tour Management Institute Since 1976

The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. Please reopen JFK Drive like it was before COVID! I will also like to say with the slow street in place Stanyan st and Masonic Ave and 19th Avenue are the closest route to cross over from Richmond district to Sunset district. The traffic is very heavy and over crowded during the week days. I just pray every time that there is no accident or emergency occur during that time because is a fire engine needs to pass through and is coming across your path while you are on Stanyan st, you really dont have any where to turn. I just don't see why we can't have the same out come like the neighbors near the Great Highway. They all stated that the Great Highway should be open during the week days and just closed it on the weekend. I just feel that would make things a little easier for all of those who need to commute.

Doris Rhodes-Tsanakas

Craig Carraher

Sent From Paula Symonds to the Board of Supervisors on 11/6/2021 6:04:17 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

San Francisco is known for many things and one of them is its world class museums, one of which is located in Golden Gate Park just off of Martin Luther King Drive. The DeYoung Museum attracts San Franciscans across many age groups and visitors from all over California, other states and outside the US. One of its most faithful groups here in the city and the greater Bay Area is retirees. Once the work of a lifetime is completed many from this group seek the solace and the beauty found in art. They do this by becoming members of the museum and as such visit on a regular basis. Many from this group also become volunteers believing it is time to give back some of what San Francisco has offered them over the years. Many volunteers travel from outside the city to work at the museum. At the beginning of the pandemic San Francisco Park and Rec made a unilateral decision to close Martin Luther King Drive. At the time of the closure no one from the Senior group was impacted as all were closeted at home. Now with the reopening, Park and Rec wants to continue the closure not only on the weekends, which had already been the case but every day. JFK Drive, which borders the DeYoung Museum, has provided free parking close by both for volunteers and Senior visitors. This parking has included ADA compliance spots within 1/10th of a mile of the museum's side entrance on JFK Drive for those with mobility issues. As the museum opens and volunteers return many feel they will no longer be able to work their shifts if they cannot drive and park nearby. Public transportation is not a reliable or safe alternative. Many older patrons do not feel safe on San Francisco public transportation. On several occasions I have attempted to take the bus myself pre-pandemic from Noe Valley to the museum for my volunteer shifts. The bus never followed the schedule, on the weekend it didn't start early enough. To go from my house in Noe Valley by car takes 15 minutes while by bus the few times I tried almost an hour. My time is as valuable as a fully employed person. I don't like wasting it standing on a street corner waiting for a bus that never comes. On two occasions when the bus never appeared I decided to walk and was able to walk the distance in 40 minutes. I am not your average 76 year old and this is not a viable solution for the majority of Seniors nor would it be for me on a rainy cold winter day. The garage, which is not operated by the museum, is too expensive for people on fixed incomes who visit the museum regularly as volunteers and senior members do, and during popular exhibitions there are not enough regular or ADA parking spaces. On an average day during the Matisse exhibition last year the museum greeted approximately 5,000 visitors. For Bouquets to Art's first day the museum had over 500 visitors and the city had not yet fully opened. Volunteers often work evening events. It is hard to expect Seniors especially unaccompanied women to walk safely through a dark park back and forth to the museum, especially when we see seniors attacked fairly regularly on the City's streets. The problems Seniors have with the closure becomes one of equity. Just look at this picture and you will see not one senior engaging, but only a few feet away is the Museum they cannot access. Golden Gate Park is more than its roads. It is more than a place for five year olds to learn how to ride a bike. It is more than a bike path from the Zoo to the Embarcadero. It contains a science academy and world class museum, a lovely children's playground and merry-go-round. It contains soccer fields for the use of city kids. It has meadows for games, graduations, picnics and birthdays. It has a polo field and stables that are not being utilized now. You can boat in the park and feed ducks in many of its ponds. You can drive and race radio controlled boats. You can play tennis and bocce ball. You can practice archery. You can visit the world of plants and flowers in a

Victorian glass house. You can pretend you are in a garden in Japan and drink tea and eat cookies that are outside your usual experience. BUT Park and Rec seems to think it should only belong to the bikers and walkers thus diminishing all the other activities that it contains. The equity issues associated with the closure of JFK Drive don't only impact Seniors. They impact families who want to picnic or birthday but can't carry their supplies on a bike or trundle them on a bus. They impact children, especially children of color who come from the far flung corners of the city to visit the science museum or art museum or Arboretum or Japanese Tea Garden. They must endure several transfers on a bus or ride a bicycle! to get to the park. It makes sense for the white elite who live close to the park boundary to make it very difficult for them to come. The closure will keep tourists and out and City visitors away as well by making it too hard or forcing them to limit their use of ALL the wonders of the Park. The closure of JFK Drive would severely impact the operation of the DeYoung Museum already in debt due to the pandemic closure. The evening and daytime functions that the museum has for openings, meetings, some wedding receptions and other gettogethers are made very difficult with the closure. The museum's loading dock is located off JFK. Bringing in and taking out exhibits and other operation materials is problematic. It is my understanding that drivers who are simply doing their job delivering needed supplies to the museum are harassed for driving on the closed street. If visitors choose to drive they will be forced to park in the surrounding neighborhoods. This would increase traffic in the neighborhoods and take away all their parking. Parking meters would not solve the problem but rather turn more people away. Martin Luther King Drive is now the closest parking to the museum in the park. The 4 hour parking limit is strictly enforced. Staff and volunteers who are working longer than 4 hours must use their whole break time to move their cars to prevent ticketing and there is no guarantee that a new parking place can be found in the now very limited parking available. The closure simply makes no sense at all.

Paula Symonds

Sent From Peter Pirolli to the Board of Supervisors on 11/6/2021 6:03:25 PM

Dear Board of Supervisors,

Subject: JFK Drive

The current slate of politicians are creating a huge hole for a wave of challengers who will run on anti-elite messages and pledging to fight for working people, the disabled, and citizens of the neighborhoods. The current closure of JFK Drive severely impacts people with disabilities, seniors, and communities not directly neighboring Golden Gate Park. As we emerge from COVID, it's time to reopen JFK Drive. Golden Gate Park belongs to the people of San Francisco, not just a few. I strongly encourage you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays, holidays and Saturdays, 6 months of the year.

The 24/7 closure of JFK drive has left many people unable to access Golden Gate Park and its institutions. The current closure is for those who live close enough, have the money to pay for parking, or are able bodied enough to travel on foot or bicycle. We need to go back to the compromise that was struck and reopen JFK as it was before the pandemic!

FRANK TATKO

Sent From MN Ziman to the Board of Supervisors on 11/6/2021 4:12:55 PM

Dear Board of Supervisors,

Subject: JFK

Golden Gate Park should be available for all people to enjoy not just some. Please open the east end of JFK so that everyone can enjoy the Conservatory of Flowers, the Dahlia Dell to the De Young. We can close other areas for walkers and bikers. Please help us SHARE this great treasure.

MN Ziman

Sent From Paul Siegel to the Board of Supervisors on 11/6/2021 4:07:14 PM

Dear Board of Supervisors,

Subject: Golden Gate Park

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit. I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Paul Siegel

Sent From Devorah Joseph to the Board of Supervisors on 11/6/2021 3:50:34 PM

Dear Board of Supervisors,

Subject: JFK

A compromise for John F. Kennedy Drive was reached in 2007 that allowed all users of Golden Gate Park to share the roads. It is time to reopen JFK Drive back to the way it was before COVID. The select few that are the most vocal are doing us all a disservice that want a reasonable compromise. The City may also lose the beautiful Dahlia Dell because the growers can't transport their tools, fertilizers, etc. to the Dell without being able to drive there, nor take their flowers out for exposition. The park authorities will not allow them in with their vehicles. Please reopen JFK Drive like it was before COVID!

Devorah Joseph

Sent From Brian Bowen to the Board of Supervisors on 11/6/2021 3:05:23 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park.

Brian Bowen

Sent From Susan Smith to the Board of Supervisors on 11/6/2021 2:48:33 PM

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Susan Smith

Sent From Frances Gorman to the Board of Supervisors on 11/6/2021 9:55:48 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! This corridor can be shared safely by pedestrians, cyclists and motorized vehicles. In fact, This is safer than allowing everyone to mingle as it is with JFK closed to vehicles. JFK Drive should be open like it was pre-pandemic.

Respecfully,

Frances Gorman

Sent From Sherrie Rosenberg to the Board of Supervisors on 11/6/2021 8:46:00 AM

Dear Board of Supervisors,

Subject: Golden Gate Park

All families from around the City deserve access to Golden Gate Park. We must reopen JFK Drive to make access to Golden Gate Park a reality. Not all can take public transportation or walk/bike to Golden Gate Park. Access isn't the same for everybody! JFK Drive should be open like it was pre-pandemic. I live in the middle inner Richmond district I commute daily to the Deyoung museum in GG park for work then I need drive to the east bay Hayward to assist with the care for my mother after her heart attack. It has been a severe hardship during this whole process and the temporary closure of jfk has not helped. In addition several days week I need to explain the difficult of the passenger loading Uber pick especially for those elderly of town guest that are navigating museums and park it is difficult for them to understand it will be easier to leave the park due to the closure on 8 and Fulton. Pre-pandemic it was very simple for person less familiar with the park to use the passenger loading zone in the front of the build to be pick up. This is a great convenient way for the elderly, disable, parents with babies or young children or just about anyone that attends night time events at the museum. A car service is a safe and reliable way to get home safely especially for a woman late at night and closer the pick up is from the event or a secure build the safer someone will feel. I believe it is important to consider all possible and be mindful of access operation needs of institutions and overall safety and experience for all. Kindest Regards

Michael Rose

Sent From Paria Dea to the Board of Supervisors on 11/2/2021 7:46:02 PM

Dear Board of Supervisors,

Subject: Please Reopen JFK & Access to GGP

I am writing to ask for your support to reopen the roads inside of Golden Gate Park, specifically JFK Drive. As an employee of the de Young Museum, I am proud to represent the City's museum and welcome individuals from all backgrounds who visit. Golden Gate Park and the destinations inside of the Park belong to everyone. I agree with Supervisor Walton's comments that closing roads and limiting access to the Park is recreational redlining. We should be removing, not creating barriers for residents of all districts and diverse visitors to our City. When a compromise was made in 2007 between the various stakeholders, representatives of communities from all over the City were brought to the table and part of that conversation. This is not what is happening today. That compromise allowed for shared use of the Park roads and it is what we need to return back to. It does not make sense to limit access to this end of Golden Gate Park (which houses the California Academy of Sciences, the de Young Museum, the Japanese Tea Garden, the San Francisco Botanical Garden, the Conservatory of Flowers, Peacock Meadow, the Dahlia Garden, the new Goldman Tennis Center, and many other key spaces). I hope you will show your support in making Golden Gate Park a place for everyone and restoring equitable access to this beloved space for all. Thank you,

Paria Dea

Sent From Megan Bourne to the Board of Supervisors on 11/2/2021 7:13:43 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

As a SF Citizen and as a staff member at the de Young, I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. When I lived in Cole Valley, I walked to work and fully enjoyed the park on weekends. On weekdays, there was ample room for pedestrians, bikes and people who need to drive. Cyclists and pedestrians enjoyed the full use of the road on Saturdays and 1/2 of Sundays. Pre-closure my daughter learned to ride her bike there, my dog had great runs, we enjoyed picnics, reunions and innumerable soccer practices and games. Now, my five mile work commute from the Excelsion takes an hour on Muni. People who cannot walk or bike and who cannot afford the garage, are unable to access the east end of Golden Gate Park. de Young staff have to park further away, which is not safe on short winter days. Staff and vendors who need to access the loading dock are aggressively harassed. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Megan Bourne

Sent From Sheila Presssley to the Board of Supervisors on 11/2/2021 6:55:32 PM

Dear Board of Supervisors,

Subject: JFK

As a SF resident, I am deeply disturbed that my tax dollars are being used to promote ableism and gatekeeping in Golden Gate Park. My 90 year old parents cannot ride their bikes to GG Park, yet they still enjoy the many amenities of the park and the park institutions. Please let's not use tax payer funds to turn GG Park into a private 'back yard' for those wealthy enough to live close by. It is time to revert back to the compromise that was struck over a decade ago and restore access for all - including those who are disabled, low income, or live outside of adjoining neighborhoods to Golden Gate Park. Thank you so much for your consideration.

Sheila Presssley

Sent From Meghan McCauley to the Board of Supervisors on 11/2/2021 6:31:41 PM

Dear Board of Supervisors,

Subject: JFK

Ableism and gatekeeping have no place in San Francisco. The current closure of JFK Drive is unfortunately both of those things. SFMTA and Rec and Park are holding accessibility improvements in Golden Gate Park hostage, contingent upon the ongoing closure of JFK. Why are improvements to accessibility from Fulton Ave and an improved shuttle route only possible if JFK remains closed? Making accessibility improvements like this are Rec and Park and SFMTA's responsibility. Those who demand the ongoing closure of JFK to vehicles ignore the very real questions about how people who rely on cars for transit (many of whom are people with disabilities, seniors, families with young kids, out-of-towners) will get to this part of Golden Gate Park. They don't care. They are unable to visualize people whose lives are different than their own. It's NIMBYism in the park. The time for 'close first, ask questions later' is over. It is time to revert back to the compromise that was struck over a decade ago and restore access for all to Golden Gate Park. Otherwise, an actual real compromise that puts people (not politics) first is welcome.

Meghan McCauley

Sent From Anna Present to the Board of Supervisors on 11/2/2021 6:25:09 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. The closure has caused so many barriers to accessing parts of the park. We need your voice on this issue!

Anna Present

Sent From Jessica Lerma to the Board of Supervisors on 11/2/2021 6:19:36 PM

Dear Board of Supervisors,

Subject: Please reopen JFK Drive

I urge you to support returning John F. Kennedy Drive to its pre-COVID conditions, with all roadways open to vehicle traffic and street closures on Sundays, holidays, and some Saturdays. I haven't been able to enjoy Golden Gate Park with JFK Drive closed 24/7. Everyone should be able to access Golden Gate Park. We need your voice on this issue!

Jessica Lerma

Sent From Alex Dacks to the Board of Supervisors on 11/2/2021 5:11:41 PM

Dear Board of Supervisors,

Subject: Reopen JFK

San Franciscans of all ages and abilities love Golden Gate Park. We all need access to the Park! JFK Drive should be reopened to the way it was before COVID.

Alex Dacks

Date: April 25, 2022

Dear Supervisors, Staff and SF County Transportation Authority:

re: File# 220370 - Access Equity Study Hurts Vulnerable Communities

Please enter this email into the permanent record as my public comments re: the Joint Special Transportation Authority Board Meeting and the above file referenced as the Access Equity Study requested by Supervisor Walton.

Please acknowledge your receipt of my comments by emailing me at zrants@gmail.com

Dear Board of Supervisors and SF County Transportation Authority and staff:

Please vote against the continuation of road closures in Golden Gate Park and do not support any of the limited reports that the public has seen as they are inconclusive and flawed reports.

As I mentioned earlier in a number of phone calls to you offices, and it seems a lot of people agree with the following statements:

Regardless of what the Board agreed to in their request for a survey, the voters do not accept a partial study of 3 out of 11 district residents as representing us and our needs and desires, and therefore we find the report and the summary flawed for the following reasons:

1. The survey and report requested by Supervisor Walton that will be presented tomorrow only includes people from 3 districts - Districts 3, 10, and 11. The other 8 districts, including my own, were not included in the "city-wide" survey. We cannot accept such a limited survey. This incomplete survey presented to the public over the weekend, should not be accepted as it is written.
2. The results of the incomplete survey, do not represent the majority of the citizens and should not be admissible as a city-wide survey regardless of the directions and questionable methodology used to gather the data.
3. When the voters were given the opportunity to vote on road closures in Golden Gate Park, they voted NO closures.
4. You must give the voters an opportunity to vote on the use of their public streets before removing access to them on a permanent basis.
5. The streets and the city will not return to normal until all the COVID restrictions, including closed and slow streets, are returned to normal pre-COVID conditions.

Respectfully submitted,

Mari Eliza

forgive my typos

April 22, 2022

Mayor Breed, Supervisors, and Staff:

I am writing on the subject of reopening JFK Drive and the streets in Golden Gate Park because it has come to our attention that there may be a decision made regarding the use of JFK Drive and the streets in Golden Gate Park at a Special Joint Meeting of SFCTA and the Board of Supervisors on April 26, 2022 at 9 AM. The agenda was just posted and we barely have time to review the documents prior to the meeting, but, we will be able to make some comments now as our position has not changed.

For your reference, East Mission Improvement Association passed a resolution supporting returning JFK Drive and all other roads inside Golden Gate Park to their pre-pandemic status October 28, 2021. Coalition for San Francisco Neighborhoods passed a similar resolution in November 2021.

Families, neighbors, artists, employees, workers, nature lovers, and all those seeking access to the natural and cultural attributes in the park, including elderly and physically challenged citizens, need permanent free and easy access and enjoyment of Golden Gate Park and its many assets in the manner in which we have always appreciated them during our time in San Francisco, prior to the emergency order that shut down the city. Now that the emergency order is lifted, we need to open the streets so that we may resume our pre-COVID lives.

Twice the voters voted by ballot to oppose street closures in the park when given the chance to do so. You need to honor the voters' decision and re-open the streets in Golden Gate Park now. Any changes in the ordinary use of public streets should be thoughtfully designed, vetted and approved by public ballot, not be government edict.

This is such an important matter that you may expect phone calls and my presence at the meeting if I can possibly make it. We appreciate your thoughtful consideration of the needs of all San Francisco citizens to return to our normal lives without hesitation or delay.

I leave you with one other thought.

Why did the SFMTA and the city spend so much time, energy, and money, convincing the state authorities that the center bike lanes in Golden Gate park are safer for bikes than the ordinary curb side lanes if they are not safe now? When did those center bike lanes transition from being safe to not being safe? What physically altered the facts? Should we assume that none of the center bike lanes or other “experimental” bikes lane designs that do not conform to “normal” designs are also not safe? If so, why are they being suggested for other streets around the city? Are we going to spend more money on more “temporary safety experimental designs?”

Thanks for your time and thoughtful consideration.

Sincerely,

Mari Eliza

Subject: Car Free JFK and San Francisco Transportation Policy
Date: Monday, April 25, 2022 10:00:13 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear San Francisco Board of Supervisors,

The meeting to solicit public comment on car free JFK starts at 9 in the morning. As a person with a full time job, the opportunity costs of me taking a day off to wait three hours to comment for two minutes is not reasonable. I hope you will consider modifying the means of public comment such that people with jobs or children can reasonably participate. But I digress. The topic of this letter is car free JFK.

For the better part of a century, US transportation policy has prioritized the convenience and property of motorists above every other consideration including air quality, noise pollution, economic vitality and the health and safety of anyone not in a car. This is manifested in a myriad of ways. Examples include policies like level of service, road designs like slip lanes or wide turning ratios at crosswalks, and the provision of cheap or free, ubiquitous storage of multi-ton personal property on the public right of way. In many cases, the storage of motorists property is in direct conflict with and prioritized above the safe passage of residents on foot or, especially, bicycles or other micro-mobility.

I encourage you to spend 3 - 6 months as a person who does not drive or use cars for transportation; walk and bike everywhere, take the bus, ride muni.

Things that are almost impossible to see from behind a windshield become incredibly apparent. You'll notice cars are designed to blunt our senses, shield us from the noise, pollution and degradation of the road and grant anonymity and power in a system optimized for motorists convenience. Outside of a car you'll hear and see everything and notice it's harder to breathe if you're right behind a car. You'll notice the quality of pavement on every bike lane, degraded and torn up by vehicles which weigh 100 times more than yours. You'll notice almost every bike lane is in the door zone because the storage of motorists' property has been prioritized over your safety. You'll notice the inattention, distraction, aggression and ruthlessness of motorists. Of course you've always known people were aggressive during rush hour, but you'll experience this without the protection of 3 tons of steel. You'll have a lot of close calls, mostly in crosswalks or bike lanes when you have the right of way. You'll see that if you're a person who cannot drive due to physical or economic limitations or who does not want to contribute to the pollution and death caused by cars, you do this at greater risk and cost than someone selecting a car and that cities have not considered your welfare.

You'll be so grateful for a place that is truly safe; that is protected from the noise, exhaust and risks of large, fast moving cars. Creating such places - for example making JFK and the great highway safe and pleasant for people

outside of cars by restricting vehicle access is aligned with your stated goals and values. Cars are the #1 source of greenhouse gas emissions, child death and traumatic injury for young people. You cannot continue to prioritize their throughput and expect to reduce emissions or road deaths. You'll know the joy of human scaled transportation and the health and economic benefits of walking and biking.

San Francisco, with its mild climate, progressive population and historic density could easily achieve vision zero (Hoboken has actually had several years of vision zero - it's totally possible). Despite a professed desire for a pedestrian and transit centric city, getting a single street which is truly pleasant to walk on has been a pitched battle. Motorists have literally the entire city to drive in and on. I hope you will do the right thing and prioritize equity, sustainability, safety and the lived experience of people who don't happen to be in a car for every trip.

Create safe, healthy, quiet and beautiful streets. Close them to cars.

Best regards,

Isabella Chu

Subject: Permanently Closing JFK Road
Date: Friday, April 22, 2022 12:40:11 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

To all Honorable Supervisors,

I am just a small voice but I'm still hoping you could hear my call. I am a Security Guard working at De Young Museum on Graveyard Shift. My means of transportation is taking Uber/Lyft because my shift starts after midnight. It cost me a lot but for the sake of my safety, I don't mind as long as I could be at work ahead of time and safe. The only entrance is through the loading dock which will go through JFK Road but starting when the JFK Road is no longer available for all even at night time when nobody's using it, my ride won't care to dropped me off going through JFK Road all the way to De Young Loading Dock because they're scared of getting a ticket due to the Closed Road sign. Aside from that, it cost me more because they need to go a longer route dropping me off at 8th or 10th in Fulton. To make it short, I need to walked in the middle of the night dealing with all this wild animals walking around the park. It's even worst when it's raining. There are times when the Uber/Lyft Driver cares to dropped me off at the De Young Loading Dock taking chances and not minding the Close Road Sign but we encounter rude bikers blocking our way and shouting " This is a closed road." I need to show my badge to them and I said, "I worked at De Young Museum." Sometimes it's the Park Ranger following my ride and again, I need to show my badge and telling them to Please not give ticket to my ride. I don't know if you understand me because you're not in my shoes but what I'm asking is Please REMOVED THE CLOSE ROAD SIGN, even at certain time only especially during night time when not too many people are using the JFK Road so we can have access in coming to work freely and stress free from the neighborhood. Hope you could feel me and imagine what I'm dealing every time I'm coming to work for a living. In addition, Muni bus is good to take but still, the Loading area is far from my work place.

Thank you very much for your time reading my letter. God bless everyone. Life is too short, we need to make the most of it serving people in need of help. Now I'm shouting "HELP, please open the JFK ROAD for everybody to use just like before the pandemic starts.

Thank you and Peace to everyone.

Respectfully yours,
Maria

Dear Supervisors, I am writing as a museum employee. I have been with museums for 8 years, managing **city** staff for 6. I work closely with many city departments, unions and employees. My work supports the museum's operations, daily, and in big initiatives. Our teams welcome students, families, PWD and members to the **city's museums**.

I commute from the city of Richmond. My commute includes two bridge tolls, and gas mileage. It also means I am away from work and family for one hour each way. By not being able to park adjacent to the museum my time away from serving the city, and being with my family is increased. In order to park in the garage, adjacent to my work it means my cost of commuting is increased by \$30 a day.

Please show us that you value us as employees of the **city's museums** by granting us JFK to be reopened. Please honor us as managers of **city staff** by accommodating our needs. Please show that you are empathetic to the challenges presented to the community, specifically PWD by reopening the road adjacent to the **city's museums**.

Tourism season is upon us, please help us share our collections with those arriving by car.

Thank you for your consideration,
Anna

To the Board of Clerks and the Board of Supervisors

I am a SF resident, a city employee and Curator at the Fine Arts Museums of San Francisco.

Over the past two years, the closure of JFK Drive has caused significant access, operational, and financial challenges for the beloved de Young Museum in Golden Gate Park. This closure dramatically hampered our community's exposure to the arts and culture expressed by our Museum's public collections of American, African and Contemporary Art, inspiring exhibitions, and educational public programs.

As a full and permanent closure of JFK Drive would have substantial long term impacts on our ability to operate and serve the community -- especially hampering people's access to the deYoung's historic collections and exhibitions — I am supportive of Supervisor Chan's efforts to find a compromise.

Date: Thursday, April 21, 2022 9:33:05 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Supervisors San Francisco Board of Supervisors,

It has been incredible to see the JFK pedestrian promenade evolve as a car-free area for recreation and exercise, and I fully support making it permanently car-free.

JFK is safer now - it's not on the high-injury network anymore - and it is a blessing for the city. It's a respite for children and families, wonderful community gathering space, and a safe way for cycling commuters / walkers / scooters to get through the park. My son has learned to ride his bike on JFK, and our family enjoys spending time on JFK multiple times a week.

I want the SFMTA to continue to make changes to help mobility-impaired neighbors get to the park and move around. The park shuttle is a welcome improvement and I appreciate that there are more accessible parking spaces around JFK Drive than before the pandemic (plus my sons are enjoying watching the construction of even more accessible spots near the concourse at the moment - excited for those spaces to help improve accessibility even further!).

Many roads in the park remain open to cars, and the short stretch of JFK that's free of cars is a true sanctuary.

Please vote to make JFK permanently car-free for a better future for San Francisco. Thank you for taking the time to read my letter.

Best regards,

Allegra

Supervisors San Francisco Board of Supervisors,

Our family has utilized the JFK promenade so much more in recent years. Our 12-year-old daughter is learning to roller skate and our 16-year-old son is learning to skateboard. We are all considering buying bicycles for this purpose alone. We often walk it commuting from Cole Valley to Inner Richmond and always show it off to our Out-of-town friends. We are saying "Yes! We pay crazy rents but look at this gift. We are all welcome here. This is community. This is how SF brings all of us together and proves that we care about one another." Please don't take this away from our family, other SF families, and visiting families at large. It is a rare, noteworthy feat and something SF can offer, in this ho-hum age that continues to put us on the map.

I support maintaining JFK Drive in Golden Gate Park as a permanent pedestrian promenade. Car-Free JFK is wildly popular with San Franciscans of all ages and from all neighborhoods as a safe, peaceful destination and active transportation corridor in our park.

After nearly 2 years of public process and the new improvements to the shuttle and ADA accessible parking, it will become an even more inclusive destination and amenity for all San Franciscans.

Please vote to support a permanent car-free JFK for everyone.

Best,

Subject: Support for JFK Promenade + Slow Lake Street
Date: Thursday, April 21, 2022 2:21:58 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear City Leaders,

The move towards creating safe routes for cyclists and pedestrians during the pandemic is the best and most progressive development in San Francisco in recent years. We are writing to voice support for keeping these spaces reserved for non-motorized traffic. In particular, Lake Street and JFK are important thoroughfares for our cycling family. These streets are not just great places to play and build community, but they are the backbone of how we get around the city safely by bike. We live on 43rd Ave and Geary with our daughter. Lake Street allows us to access shops, restaurants and services in the Inner Richmond by bike and connects us to the Presidio and from there to the Marina green and Fort Mason. Slow Lake is an important piece of the puzzle that provides safe access to a wide part of the city by bike. Likewise, JFK (as well as Middle Drive in the West portion of GG Park) are the main way we access the Inner Sunset / Haight / Divisadero, etc.. We commute multiple times a week by bike to Mission Bay, a commute that is made much safer because of the car free path through the panhandle and park. These streets are not just about recreation, but enable people to live car-free or car-light lifestyles, which we hope we can agree is the right direction for the city. These street closures and slowings are so critical to cyclists and barely make a difference to motorists who retain the vast majority of public street infrastructure in the city. Fulton and Lincoln Aves are there to accommodate E/W traffic and there is no reason cars should be using the streets in the Park instead. Golden Gate Park is among San Francisco's most treasured outdoor community spaces and our city policies should reflect our commitment to preserving it for community use. No cars are permitted in New York's Central Park, why do we need them here? We understand the concerns about equitable access to the park and deliveries to the Museums, but we believe that these issues can be addressed in a way that preserves some small part of the city for bicycles and pedestrians.

Sincerely,

Board of Supervisor
Office of the Clerk of the Board
City Hall Room 244
1 Dr Carlton B Goodlett Pl,
San Francisco, CA 94102

Dear Supervisors:

The closure of JFK Drive in Golden Gate Park affects disability access in several different ways. We have learned that sometimes one accessible method may create a barrier for another. In the case of the proposed permanent closure of JFK Drive, we have two conflicting accessibility methods. One side is promoting street closure as a safety accessibility method for everyone. The other side is arguing that the use of cars is the only method available that provides accessibility for seniors and people with disabilities.

With all that said, SDA believes that Golden Gate Park can be made accessible for all city residents and visitors. First Rec and Park must provide the following accessibility improvements:

1. Ensure that the public shuttle runs on all roads closed to private vehicles, has a wait time of 15 minutes or less, operates 7 days a week from dawn to dusk (and later, if museums or festivals are open later), allows drop off at any safe site along the shuttle route, uses low-floor vehicles with boarding ramps, and shuttle operators have gone through disability training,
2. Fixed shuttle stops to have fully accessible bus shelters, with ADA compliant seating, and wayfinding signage,
3. Fixed and frequent ADA compliant sheltered shuttle stops that include popular designation sites and Muni bus stops along or near the shuttle route. Shuttles must have ADA compliant seating within,
4. An accessible website including clear information about shuttles, Paratransit access, loading and parking zones, and wayfinding,
5. The garage free parking time increases to 30 minutes, and parking is made affordable for seniors, people with disabilities, and low-income people,
6. Paratransit drivers are allowed and trained to do drop-offs on all roads closed to private traffic.
7. Taxi pick-ups are allowed in Golden Gate Park,
8. Accessible shared scooters, pedi-cabs and other alternative transit vehicles are allowed in the park,
9. There are clear accessible paths, sidewalks, and ramps to and from all public shuttle stops, bus stops, and popular destinations. Improve sidewalk and curb access, and wayfinding for the visually impaired as well as the hearing impaired throughout the park., and
10. Ensure that these conditions are enforced and monitored.

If and only if these accessibility improvements are made, will SDA support car-free JFK Drive.

In December 2021 SDA presented the list of required changes necessary in the closure of JFK Drive to both Rec and Park and SFMTA. Since then, to the credit of the Rec and Park and SFMTA staff, both have been working with community leaders in making the Park accessible for all visitors. On

March 10 during a special hearing held by SFMTA and Rec and Park, Phil Ginsburg declared that with all the accessibility improvements made to Golden Gate Park, it is time to permanently close JFK Drive.

SDA acknowledged that Rec and Park has made several needed improvements. But to say they have made enough to ensure everyone, especially seniors and people with disabilities can now access a closed JFK Drive and its surrounding sites ... We say **NOT**.

Let's review our first three stated requirements to make Golden Gate Park accessible for all to the current Golden Gate shuttle service.

For over a month SDA has conducted a survey for the senior and disability community. The survey is a simple poll addressing the accessibility of the Golden Gate Park shuttle service. So far SDA have received over 225 completed surveys, 215 by seniors and people with disabilities. The preliminary results indicate that:

- 48% of those who took the survey (51% being wheelchair users & 49% not) stated that they could not front board a vehicle with steps. This does not make the shuttles inaccessible but will definitely challenge the Rec and Park assumption that 3 vehicles would create a 15 minute wait time. Boarding for them would be via the rear lift entrance, which would cause at least a 5-minute delay for boarding wheelchair users and 7-8 minutes delay for those not using a wheelchair. One factor in qualifying for SF Paratransit service is inability to wait more than 15 minutes for a bus. With 3 shuttles in service during the weekends, 2 during the weekdays and the use of non-ramp shuttle the wait time will consistently be over 15 minutes.
- 56% of the people who completed the survey said they needed a shelter with ADA seating at the shuttle stops, in order to use the shuttle service. Currently Rec and Park does not provide either.
- 16% stated they could walk at most 1 block. While another 35% said 2 blocks was their limit. The shuttle stops are 3 blocks or more apart.
- 52% indicated that driving was their primary mode of travel to the park and additional 13% stated driving was one of their options, and finally
- 64% stated that the current closure of JFK Drive has a **negative** affect on their ability to visit JFK Drive and the surrounding destination sites. In of itself this may appear to be a subjective opinion. Yet the survey results point out that a projected 65% of the people who completed the survey would not be able to use the current Golden Gate Park shuttle service.

Following the survey question "The current closure of JFK Drive (negatively , positively or does not) affected your ability to visit JFK Drive and the surrounding destination sites." Over 120 people of 146 stated why the closure had a negative impact. One of which stated

"The seats inside the shuttles are not ADA compliant. The shuttles plan requires arduous parking outside the park, then walking to a shuttle stop, which is already a painful and insurmountable challenge, then laborious boarding, unboarding, boarding again, and unboarding, compared with just driving up to a place, parking, and being at the destination. Many seniors and other-abled people cannot climb steps. This makes boarding the shuttle impossible. Most who cannot climb steps do not use a wheelchair so the wheelchair lift does not help them, unless the driver would have to haul out a wheelchair for them to use. This would take a great deal of time, during which the elder would have to stand."

This is simply unfeasible. The shuttle does not provide equal access." Attached to this letter are the first 50 comments of 123 that state why the JfK Drive closure has had a negative impact on their visit to the Park.

In conclusion, Golden Gate Park is not adequately accessible for all seniors and people with disabilities to justify closing JFK Drive to private motorized traffic. And being such, SDA demands that Rec and Park submit to the public an accessibility implementation plan which includes a funding strategy.

Finally, for the last two years JFK Drive and it's attractions have been inaccessible to seniors and people with disabilities. SDA demands that Rec and Park immediately allow cars on JFK Drive for at least some days a week with a speed limit of no more than 15 mph that is strictly enforced.

Mayors' Office of Disabilities
Mayor's Disability Council

Senior and Disability Action, SDA educates, organizes, and mobilizes seniors and people with disabilities in San Francisco and throughout the bay area to fight individual rights and social justice. Through individual support and collective action, we work together to create communities in which seniors and people with disabilities can live well and safely

Since 1992, Senior and Disability Action, SDA have advocated for collective access, the concept that we share responsibility for creating accessible and inclusive spaces, in terms of disability, age, language, income, race, and other factors. We work to remove barriers for all and promote universal design concepts. Our belief in collective access has been the foundation in our successful pedestrian and transit campaigns such as Fully Restore Muni, Increasing the Pedestrian Crossing Time and Sidewalks are for Pedestrians.

The first 50 comments (of 123) stating why the closure of JFK had a negative affect on their ability to visit JFK Drive and the surrounding destination sites.

I have Rheumatoid Arthritis. I have a hip, knee and shoulder replacement. I have chronic pain for 16 years. I can get around in my car most times but I can't wait for a shuttle. Standing doesn't work well for me. I truly appreciate the Access days for years now and I hope they continue with them. I depend on the ability to park across the street from the museums. My Grandfather George Hopper Fitch was on the board of the de Young and Legion of Honor. He was in charge of acquisitions for years and donated one of the largest collections of American watercolors to the de Young. He introduced me to art when I was young. Now that I am disabled, enjoying the museums is one of the few passions I jump out of bed to get to. Disabled people have waited over two years for access to the museums. Waiting another 2 plus years for a garage to be built is too long. I frankly might not be mobile by then because RA is a degenerative, progressive disease. Please let us have our parking back until you decide on your plans and get your permits. At least let us have access during the week and you can close it on the weekends for those who enjoy the street closure. That would be a fair compromise. Thank you for reading all of this and taking into account my concerns. Dayna de Coppet

Access from the south side of the park, where I live, is clogged with double parking on 9th Ave. and lack of parking availability along MLK drive because it is filled with tourists that would have parked on JFK. The area is totally gridlocked by mid-day and on weekends, so I can't get to Flower Piano or other weekend/afternoon events. It is a huge walk to the Conservatory of Flowers from MLK so I don't go there anymore. I could not see the holiday light displays because of lack of close enough and safe parking at night. Bus service from my house (36) is infrequent and requires a transfer at Forest Hill Station vs a 10 minute drive to the park. I go to the park to rejuvenate several days a week and I should not have to be stressed/worn out waiting for buses and shuttles in order to enjoy the Botanical Garden, Stow Lake, or visit the Fine Arts Museum. The extremely negative gridlock impact from the closure of JFK on this part of the park has been totally ignored in this issue (9th Ave. to MLK to 19th Ave.).

Some friends have limited mobility to walk the distance. I do not feel safe without my car being close by if I am looking at the nice scenery. I would like to be able to travel the park solo sometimes and drive through is almost as good. One can pull over for a few minutes and move on. There are now coyotes, homeless that live in the bushes and I will never forget a man who was looking for young "prey" when I went to the Chuhuiy exhibit. Mid summer, he was dressed in ski cap, heavy glasses, snow gloves, etc. I figured if he was allergic to the sun, he shouldn't be wandering around. Bites and kicks don't hurt as much if one is bundled like that. Families with small children who decide to act up has to trek a long way back to their starting point. 8 shuttle stops in the entire GG park does not seem sufficient for the young or old. Consider the weather as well. ONE is rain drenched by the time they get to their destination and already tired. Food for thought. In theory isn't always the best.

I have cerebral palsy, and, with age, progressively increasing osteoarthritis that has greatly restricted my mobility and my ability to use conventional public transit. The closure has completely destroyed my ability to visit the facilities and access the public programs that are located along JFK Drive in Golden Gate Park. These are public programs that I and others in the Bay Area pay taxes to support. The JFK Drive closure has transformed Golden Gate Park from a public park with full and free access for all into what is essentially a private club with physically athletic admission criteria. This is completely unconscionable! It penalizes those who aren't affluent enough to live nearby to Golden Gate Park, and it completely excludes a great many people with disabilities. For

example, blind people will need wayfinding assistance to locate shuttle stops, and, if crossing JFK Drive, will be at risk of colliding with bicyclists, whom they cannot hear approaching. (They can hear most cars.)

I can't walk more than 1-2 blocks total because of advanced arthritis in my knees. With no disabled placard, I can't find a parking place close enough to enjoy the benefits of the city taxes I've paid. The shuttle only serves points east of Transverse Drive, and Muni does not serve the west side of the park from the Sunset. Driving is the only option for me, but I'm denied access to JFK Drive and cultural sites in the park because of street closures for the abled, the young, and the wealthy who own this city & can afford rideshares & taxis. Middle class seniors are completely left out of San Francisco policy, and denied their rights.

I learned that there are disabled parking spots by the tennis courts so I could in fact visit the conservatory and surrounding areas from there. I like the idea of closing off the street to make the park more tranquil and more friendly to walking and biking. I just want to make sure those of us with disabilities can continue to enjoy the park in ways that we haven't lately. I have visited botanical garden, for example, a lot because there is parking (\$\$\$) under museum. Can park, for example, put some handicap parking spaces inside the park off of eighth street? Or maybe more at tennis courts? (2 is not a lot)

I am a 77yr. old senior with A-Fib. I am limited in walking distances. I am an artist who has not been able to access the Hall of Fowers nor the Fern Grove for the past two years plus due to the restrictions of JFK access. I cannot walk with my drawing board and materials to either location. What used to be an accessible and desirable location for drawing, is now off limits. With further attempts to limit my accessibility to public places, I will expect a tax deduction for all seniors.

Lack of parking for disabled. I have not gone to DeYoung Museum or Academy of Science of which I am a member. I believe having the park open to traffic some of the week and maybe closed on a long week-end would work if more parking for people with disabilities is provided on the adjacent drive. I fear it may become too crowded however if JFK is closed. It is not worth it to me to make it down the stairs to my car and then to the park if I am not assured of entrance and parking.

The small section of road that links the Stow Lake loop road to JFK Drive has been closed in addition to JFK Drive. I used to park there for dog walks and picnics near the Pioneer Log Cabin. I can't carry picnic gear that far from the Stow Lake parking area. I'm effectively shut off from what was our family's favorite picnic spot for thirty years. If they'd just put the barrier at JFK Drive instead of up near the boathouse, the problem would be solved. Please do this.

I feel the permanent closure means I will rarely if ever visit GGP again. The museum, maybe because of the garage, but it is very expensive. It is a "Disability Tax." And I cannot park in garage and visit the conservatory of flowers. Too far to walk, too dangerous on JFK Drive because of the thoughtless bike riders who go too fast, putting pedestrians, especially seniors and the disabled in grave danger.

I'm a 90 plus senior who uses a walker and wheelchair, due to osteoporosis, age and memory problems. I also have a family who drives me through the park and its attractions but closed streets every day never gives me and my family as well as other residents of my senior facilities a chance to get out and enjoy the park again. We have been quarantined most of the last two years... give us a break now.

The current closure has not impacted my ability to visit JFK Drive and surrounding destination sites ONLY BECAUSE I have not traveled to Golden Gate Park during the Covid Pandemic. So, when I check "has negatively" I mean that it WILL have a negative affect. However, I want to get back to

the museums there and if it remains closed, and we can't drive or park there, it will prevent us from going.

I am unable to walk very far. I walk with a cane for support and walking is painful and difficult. Even if I can take the #44 bus there (three bus connections), I am unable to walk to the Arboretum or the Conservancy of Flowers building. I wanted very much to see the nighttime light show near there, but was unable to walk to see it. No parking around there due to the JFK road closure.

I am a senior. The cost of parking in the garage is quite high. Parking on neighborhood streets is not practical for the extended times I need to be in the Museum. Walking from streets that are not well-traveled, and/or through parts of the park that are not well-traveled, can be dangerous. For those with disabilities it has made the Museum much less accessible and far more costly.

Currently automobiles are able to enter the museum/tea garden/Stow Lake/concourse/science academy/tennis pavilion via the 7th and 9th Avenue entrances. Persons able or not can still access these areas by car, but would have difficulty accessing the rose garden or Conservatory. My understanding is the closure would continue to only be from Stanyan to Transverse Drive.

The DeYoung has always been our go to spot in SF. We meet friends and family there. I have not been able to safely navigate with a blind cane without the JFK disabled parking. Parking on Fulton is too far and unsafe. Caning down from JFK to Fulton via the wheelchair ramp I ended up in traffic with cars turning to the right across my path. It was terrifying.

Can't drive to anywhere on closed section. Or park. Conservatory of Flowers and dahlia garden. Other gardens. Museums. And all the ADA parking is gone. It used to be such a pleasure to drive through the park and see everything. Or go to the Museums and gardens there and the band shell concerts. We can't all afford to park in the underground garage.

Cars normally parked on JFK Drive would find parking lots on MLK Drive and thus taking over available lots on MLK Drive and making it difficult for me to find a spot. Then I'd have to park my car much, much further and often find it difficult to walk the great length to the de Young Museum. I have a knee transplant and sometimes get tired.

Because there's no parking on JFK Drive I have to park in the garage which is prohibitively expensive for me. I like to visit the deYoung and the Academy of science myself or with grandchildren. Therefore, I find I visit less or when I'm with a friend with whom I can share the cost.

cannot walk that far carrying my art materials and I have A-fib. A primary pleasure of mine was to drive in and park on JFK, unload my easel and drawing materials from the trunk, choose a spot in the fern garden or in the Hall of Flowers and draw all day. Gone is that joy!

Spinal cord damage causes walking impairment. My driver tried 3 times without success to get me access to light shows along JFK-- I finally saw the spectacle when he drove down JFK. My cousin did not see anything this year (when her husband did not drive down JFK).

Parking on City roadways outside of the Park is totally inadequate and is a direct attack on my rights. Up until the permanent closure, we could park in multiple locations within Golden Gate Park close to the many important features within the Park. Now we can't

My wife has Spinal Muscular Atrophy and is confined to her wheelchair. The only option we've had recently is the parking garage under the California Academy of Sciences. Sometimes parking is not available there, and it is a long walk to the DeYoung Museum.
My eye disorder doesn't prevent me from getting to JFK. However, I have close friends that can't walk long distance. Furthermore, I feel more unsafe with Bicyclists , because they go too fast, I can't hear them, and many times they don't follow the rules.
I'm angry and discouraged that this question is asked. This closure prevents my friends with and without disabilities and seniors from access unless they are carried, pushed in a wheelchair or supported for many blocks. What would John Kennedy say?
Parking outside park limited & too far to walk to access museums, etc. inside park. Driving through GGP to other places also a nice alternative - calming, relaxing to see all of the lovely flora - but haven't been able to do that with closure.
Is no convenient place to leave my van. It's too far and too steep to wheel up from Fulton. Further, there is little to no parking in that neighborhood. This makes it next to impossible to visit the park amenities at and near the museum.
Many people with disabilities I know who have limitations related to mobility, balance and fatigue have been denied access to all the facilities and programs adjacent to, or reached by, JFK Drive ever since the road has been closed.
I have herniated disks in my cervical, thoracic, and lumbar spine, so that my mobility is limited And comfort is a priority. Driving is the only way is would be able to see the wondrous sites along the route of my youth.
Golden Gate Park is huge. Having to walk to enter the park, and then get to a specific place within the park is not easy for those with limited mobility. And is not easy for many with non-limited mobility as well!
I would refrain from driving on JFK Drive, due to its restrictiveness and unavailability to motorists. Bicyclists, who do not represent the dominant population of the city, have selfishly pirated this driveway.
Accompanying someone in a motorized scooter has limitations, and motoring a long way to find a place to park is unfair, as it tires the person out before they even get to where they're going.
I can't get to JFK at all really. I haven't seen the Rose Garden or the Conservatory in two years and it's very hard for me to get to the de Young from Martin Luther King junior Drive.
I have Myalgic Encephalomyelitis (Chronic Fatigue Immune Deficiency) and now I have Long Covid. I'm exhausted and have to have an easy way to travel via car with someone else driving.
But I have not felt really comfortable being around people due to COVID though I would love to attend the bandshell concerts, or museum. So, I haven't made that trip yet, but want to.

Six degenerated discs in my back, no cartilage in my knees, collapsed arches in both feet. Not able to walk more than half a block. Not able to stand for more than five minutes.
Juvenile Rheumatoid Arthritis motorized wheelchair drive everywhere from my motorized wheelchair and nobody can drive my high tech van, has no seat, requires special training
It is not a disability which has made it negative for me, but longer walking distances and limited parking has made it extremely difficult for my husband and companions.
Cannot walk more than a few feet. My daughter needs to drive me as I have multiple disabilities and require her help. This is a tragedy what's happened - I'm mortified.
I usually drive to GG Park because I bring family and friends from out of town who don't have transit cards and are not comfortable using an unfamiliar transit system.
One point away from legally blind. I volunteered for 25+ years at the Fine Arts Museums and you focused on making accommodations for people with disabilities
Osteoporosis, Peripheral Neuropathy, Osteoarthritis, Congestive heart failure, Enlarged heart, Post-polio Syndrome, Asthma, Shortness of breath, Advanced Age
Currently I have a foot fracture. My friend and I always attended together on access days. She has RA and could not do this after JFK drive was shut down.
I support the closure because when the new museum was built and allowed to expand its footprint we built a big garage to address access to the park.
I moved out of town (because of the price of houses!) so it isn't relevant. I wouldn't stand there and wait for the shuttle, and wait and wait.

Good afternoon,

Attached is a letter of support from SPUR regarding JFK Drive, item 3 on the agenda for the joint special meeting with the Board of Supervisors and The San Francisco County Transportation Authority on April 26th.

Please include in the meeting packet.

Thank you!

Re: Support for a permanently car-free JFK Drive in Golden Gate Park

Dear Members of the Board of Supervisors:

While the COVID-19 pandemic brought considerable hardship, we have also learned the importance of adapting spaces to meet the needs of our community. In its [Temporary to Transformative Report](#), SPUR called for a redesigned network of streets that takes cars out of our parks and prioritizes cyclists and pedestrians. SPUR strongly supports fully incorporating JFK Drive into Golden Gate Park and keeping it a permanently car-free zone.

SPUR is a member-supported nonprofit organization that brings people together from across the political spectrum to develop solutions to the big problems our cities face.

We support car-free JFK Drive because it has quickly become one of the city's most used and well-liked public spaces. Over 7 million people have visited car-free JFK Drive since April 2020, and 72% of the over 10,000 respondents to a survey conducted by the San Francisco Municipal Transit Authority and San Francisco Recreation and Parks Department supported keeping JFK Drive car-free. At all times of the week, you see people from all walks of life – from newborns in strollers to seniors using walkers – enjoying this space. Prior to the pandemic, over 75% of drivers on the street were not even visiting the park - they were using it as a cut-through. Now JFK Drive is a real destination. With all the great challenges we face as a city, car-free JFK Drive provides us with an opportunity to make permanent a great space where people can just have fun.

San Francisco has pledged to be a carbon neutral city by 2045. One of the biggest sources of greenhouse gas emissions is vehicle trips. In order to achieve our climate goals, San Francisco must take steps to encourage biking, walking, and public transportation. Thousands of people visit Golden Gate Park each year, and making JFK Drive car-free would ensure more carbon free trips

In addition to pledging carbon neutrality, San Francisco has adopted the Vision Zero policy, committing to making streets safer and preventing traffic related deaths. Creating spaces like car free JFK advance Vision Zero.

We acknowledge the real concerns that some have brought up regarding maintaining access to the park and its institutions, especially for people with disabilities and historically underserved communities. However, we believe that there are solutions to provide access to the park and its institutions for all, particularly if the safety and access improvements proposed by SFMTA and Rec-Park are implemented, and the underutilized Music Concourse Garage is managed more efficiently and equitably.

SPUR strongly urges the City and County of San Francisco to keep JFK Drive permanently car-free for the public health, environmental and civic well-being of our residents for years to come.

Sincerely,

Nick Josefowitz, Chief Policy Officer
Sujata Srivastava, San Francisco Director

Supervisors San Francisco Board of Supervisors,

Hello Supervisors,

JFK has not only been one of the silver linings of the pandemic, it has become my absolute favorite place in San Francisco. Nothing beats the joy of relaxing by the conservatory of flower and hearing conversations, laughter, and the birds instead of the sound of engines that are omnipresent elsewhere in the city.

This wonderful place has done wonders for my mental health; my stress and anxiety are noticeably lower when I can take some deep breaths and relax on JFK.

What hasn't been good for my stress is the incredibly drawn out affair on whether to keep JFK car free. There is absolutely no reason why it should take 2 full years to make this decision, and it's drawing so many resources away from more urgent problems in the city. Please please please let this be over with, side with the huge majority of us who support car free JFK, and move on!

Best,
Benedict

Subject: GGP Street Closure
Date: Friday, April 22, 2022 4:17:39 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Supervisors,

Please, please reopen the streets in Golden Gate Park. I am a long time resident of this beautiful city. I would frequent the park several times a week but with the street closures my options have been limited. As a senior I want access to all of the park. Waking is limited to a half mile, making it untenable for me to visit my favorite spots.

I would consider sharing the streets. But please don't close the park to those of us who can't ride bikes, need wheel chairs, or come from distant parts of the city.

Sincerely,

Carol Satriani

Subject: Let's make Golden Gate Park a safe place for people of all ages
Date: Friday, April 22, 2022 2:59:18 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Supervisors San Francisco Board of Supervisors,

The JFK pedestrian promenade in Golden Gate Park is one of the few silver linings of the pandemic, and I support making it permanently car-free.

JFK is now a sanctuary for children and families, vibrant community gathering space, and safe route for active transportation, providing a critical link to western neighborhoods. I can't overstate how liberating it is to take my active, rambunctious 2-year-old to Golden Gate Park and let her rove through the park, without having to stay within three feet of her at all times for fear of cars.

I'm glad that the nearly 2-year public process has resulted in many improvements for my neighbors with mobility impairments, like a significantly improved park shuttle and more accessible parking spaces in the area around JFK Drive than we had before the pandemic.

It's time for the board of supervisors to vote on the future of car-free JFK. Please vote to make JFK permanently car free for a better future for our city.

Thanks,

Subject: SLOW STREETS GREAT HIGHWAY ETC...
Date: Friday, April 22, 2022 2:53:34 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

I am tired, tired of speaking what I think is common sense only to see it go nowhere. So I am going to be simple and to the point.

All your “closures” were done to address a pandemic. They were all temporary. We all understood that and expected them to be undone at the pandemic's end. That has not happened. The temporary burdens you imposed on those of us with “open streets” —extra traffic, extra noise now looks to be permanent. The burdens you place on those inconvenienced by these temporary policies, i.e. drivers who are in more traffic, beach residents who now see more cars due to the great highway’s closure now appear to be permanent burdens

Where is the financial compensation to us? Are you going to cut us checks?

Any environmental assessment seems to be finished when you conclude that since there are fewer cars at the beach there must be less pollution. No mention is every made of the additional environmental costs that come from added congestion, noise etc on the now more crowded “open streets”

Where are the environmental impact studies?

And what about those who benefitted from the temporary? The bikers, the people who now live on closed streets and have effectively seen their property boundaries extend to the sidewalks and beyond are they going to pay for that benefit?

Will there quiet homes, which will be more desirable and thus fetch more \$\$, be reassessed for higher taxes—as they should be if you want to be fair? Will those on bikes who “share equally” with drivers all streets be cited whenever they “roll a stop”—like cars. What about when they fail to signal—are they going to be cited at the same rate cars get cited?

No, right. You only play by the rules when you know the rules benefit you and your agenda.

What I will promise you is the following: I will support all of the following efforts

- 1) All lawsuits that attempt to impose due process on what is clearly not a due process followed outcome
- 2) All campaigns to recall anyone elected or appointed who fails to see that, at a minimum, what was a temporary covid burden should be now lifted and those who wish to see the character of a street or beach changed have to GO THROUGH THE PROPER PROCESS OF GATHERING SIGNATURES SO THAT THE CHANGE CAN BE VOTED ON—LIKE DEMOCRACIES ARE SUPPOSED TO WORK

peace.

April 22, 2022

April 22, 2022

Mayor Breed, Supervisors, and Staff:

I am writing on the subject of reopening JFK Drive and the streets in Golden Gate Park because it has come to our attention that there may be a decision made regarding the use of JFK Drive and the streets in Golden Gate Park at a Special Joint Meeting of SFCTA and the Board of Supervisors on April 26, 2022 at 9 AM. The agenda was just posted and we barely have time to review the documents prior to the meeting, but, we will be able to make some comments now as our position has not changed.

For your reference, East Mission Improvement Association passed a resolution supporting returning JFK Drive and all other roads inside Golden Gate Park to their pre-pandemic status October 28, 2021. Coalition for San Francisco Neighborhoods passed a similar resolution in November 2021.

Families, neighbors, artists, employees, workers, nature lovers, and all those seeking access to the natural and cultural attributes in the park, including elderly and physically challenged citizens, need permanent free and easy access and enjoyment of Golden Gate Park and its many assets in the manner in which we have always appreciated them during our time in San Francisco, prior to the emergency order that shut down the city. Now that the emergency order is lifted, we need to open the streets so that we may resume our pre-COVID lives.

Twice the voters voted by ballot to oppose street closures in the park when given the chance to do so. You need to honor the voters' decision and re-open the streets in Golden Gate Park

now. Any changes in the ordinary use of public streets should be thoughtfully designed, vetted and approved by public ballot, not by government edict.

This is such an important matter that you may expect phone calls and my presence at the meeting if I can possibly make it. We appreciate your thoughtful consideration of the needs of all San Francisco citizens to return to our normal lives without hesitation or delay.

I leave you with one other thought.

Why did the SFMTA and the city spend so much time, energy, and money, convincing the state authorities that the center bike lanes in Golden Gate park are safer for bikes than the ordinary curb side lanes if they are not safe now? When did those center bike lanes transition from being safe to not being safe? What physically altered the facts? Should we assume that none of the center bike lanes or other “experimental” bikes lane designs that do not conform to “normal” designs are also not safe? If so, why are they being suggested for other streets around the city? Are we going to spend more money on more “temporary safety experimental designs?”

Thanks for your time and thoughtful consideration.

Sincerely,

Mari Eliza

Speaking as a concerned citizen and on behalf of those organizations I represent

April 22, 2022

Mayor Breed, Supervisors, and Staff:

I am writing on the subject of reopening JFK Drive and the streets in Golden Gate Park because it has come to our attention that there may be a decision made regarding the use of JFK Drive and the streets in Golden Gate Park at a Special Joint Meeting of SFCTA and the Board of Supervisors on April 26, 2022 at 9 AM. The agenda was just posted and we barely have time to review the documents prior to the meeting, but, we will be able to make some comments now as our position has not changed.

For your reference, East Mission Improvement Association passed a resolution supporting returning JFK Drive and all other roads inside Golden Gate Park to their pre-pandemic status October 28, 2021. Coalition for San Francisco Neighborhoods passed a similar resolution in November 2021.

Families, neighbors, artists, employees, workers, nature lovers, and all those seeking access to the natural and cultural attributes in the park, including elderly and physically challenged citizens, need permanent free and easy access and enjoyment of Golden Gate Park and its many assets in the manner in which we have always appreciated them during our time in San Francisco, prior to the emergency order that shut down the city. Now that the emergency order is lifted, we need to open the streets so that we may resume our pre-COVID lives.

Twice the voters voted by ballot to oppose street closures in the park when given the chance to do so. You need to honor the voters' decision and re-open the streets in Golden Gate Park now. Any changes in the ordinary use of public streets should be thoughtfully designed, vetted and approved by public ballot, not be government edict.

This is such an important matter that you may expect phone calls and my presence at the meeting if I can possibly make it. We appreciate your thoughtful

consideration of the needs of all San Francisco citizens to return to our normal lives without hesitation or delay.

I leave you with one other thought.

Why did the SFMTA and the city spend so much time, energy, and money, convincing the state authorities that the center bike lanes in Golden Gate park are safer for bikes than the ordinary curb side lanes if they are not safe now? Comment for Public Meeting

April 26, 2022

Dear San Francisco Supervisors,

As an SF voter (District 7) and employee of the de Young Museum I am opposed to JFK Drive closure. This closure has created an undue hardship for the Museum's and for the Park's many visitors with disabilities. I have heard from those negatively impacted by the JFK Drive closure; they have shared how important access to art, nature, music and the many other amenities at Golden Gate Park are to them. Many affected visitors (including my 90 year old parents) have shared their fears and grief; they worry that their physical limitations will inhibit their ability to visit the de Young Museum again in the future. I advocate for a Golden Gate Park that can be enjoyed by all. I hope you will consider the impact on those most vulnerable and not vote for permanent closure of JFK Drive. Thank you.

I will vote against every political person in favor of street closures. They served a purpose during the pandemic perhaps and they don't anymore. They are not used. They create traffic jams and rage driving. Our streets are less safe. They have created much division in our city. I, personally, do not know of one person in our city in favor.

Dear Supervisors,

As a native San Franciscan, I am opposed to the permanent closure of JFK drive to cars. This roadway needs to be re opened to allow access to all, and not just a few. The closure of this vital road has led to less usage of the park and less access to all (Senior Citizens, Families, the disabled etc..) I used to visit the park with my family at least 3 times a month, but since the closure I only went once and found it too difficult to access. It is time to re- open this roadway and allow all San Franciscans and Tourists alike, to enjoy this very special place.

Thank You,

We love our park and I want to take my 92 year old dad that's a sf resident to the rose garden and conservatory but it's too painful and hard for him to get on and off the park bus. When the park is open I can drive him close and park with handicap placards and assist him getting out and using his walker or push him in a wheelchair. I too am unable to push long distances in hilly areas as he's too heavy for me to push for big distances.

I'd also say that with babies and little kids in tow we often need to carry a lot of stuff so being able to park close makes the park more doable for families. It feels these these closers are leaving sf families and seniors behind. In addition It makes those of us in the sunset further cut off from the rest of the city. All these knew closures somehow keep isolating the sunset more and more. We need reasonable ways to navigate through the city to bring our kids to school and enjoy all that our beautiful SF has to offer. Please reconsider the closing.

Thank you

Nicole

Please keep JFK Drive open to cars. In a recent survey of California cities, I believe SF ranked second with its area of park and open space. Let's keep our museums, the Japanese Tea Garden and the Arboretum open for those less mobile to enjoy as well. Closing vehicle access and parking in the area means crowded streets in the neighborhood and effectively limits access to these venues for people who are not able to arrive by public transit and can not afford to park in the understory garage.

Dear Board of Supervisors,

We live on the Peninsula and volunteer as docents at the DeYoung Museum. When we have guests our first place to take them is to the park to visit the Academy and the deYoung.

During COVID I came over during the week and walked JFK drive and it was not at all crowded with people. It was actually quite empty. And during the week it continues so now that we have reopened after the pandemic. I never minded JFK being closed on Sundays - in fact when I came to give a tour I enjoyed watching the fun people were having.

But as a deYoung volunteer I am having to avoid the museum. I cannot find parking since JFK is closed. Paying for parking in the garage is exorbitant which keeps myself and many others from visiting the park. There is no handicapped parking, and I cannot tell you how absurd and ridiculous it was to read in the minutes of the last meeting that these men offered to transport handicapped people. Could they be more insulting?

The museum is down 50% in visitor-ship and for an institution that is working hard to make art and art activities open to all people in San Francisco, closing JFK drive once again favors only the wealthy who can afford to pay for parking (because there is none on the streets, either.). By closing JFK drive the deYoung is not open to low-income people on free Saturdays, not open to the handicapped of all ages, and not open to tourists. The public transportation to the park involves many transfers. And there is none from the Peninsula.

Favoring a few, vocal bicyclists over the majority of people in the Bay Area and the world who want to visit would be an extremely short sighted move on the Board's part. We should be opening the world up for people, not limiting it to a noisy few.

Thank you for your consideration.

Dear Board and Clerk,

At the time, you were wise to close access to GG Park in the way you did as protection for us all. However, the time has come to re-open JFK Drive for us all.

We are managing the Covid threat outdoors quite well and now it is time to allow access. We disabled and handicapped deserve access to and enjoyment of the park as much as any other visitor.

Please do not discriminate against us. Allow us back into GG Park. Please vote to reopen to all.

Sincerely,
Linda Biolchino

Please don't close JFK seven days a week.

My husband is an invalid and he has been denied access to the Conservatory of Flowers displays, the light display that was created and much more. He can not take the shuttle so that isn't even an option.

Most people use JFK for biking and walking on the weekend. Can't we make a compromise like we have for the Great Highway so everyone can access the park at some time.

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Director Ginsburg, Mayor Breed, and Director Tumlin, Rec and Park Commissioners, and members of the Board of Supervisors,

Thank you for your continued support of Car-Free JFK! Having car-free space in our largest park has been an eye-opening and uplifting experience for me and countless other people in our city.

Writing to urge you to support keeping JFK car-free permanently — your support is needed now more than ever.

San Francisco deserves more people-first spaces where residents and visitors can be active, enjoy nature, and spend time with friends and family. People of all ages and abilities have been flocking to JFK to enjoy the car-free space.

Keeping JFK car-free would allow these people (and countless others) to get outside, enjoy nature, improve their health, and visit attractions in the Park.

Best of all, keeping JFK car-free would allow people of all ages, abilities, and means to access our beautiful park by whatever method they prefer — walking, biking, rolling, taking public transit, or driving a car — thanks to the ample access options, including buses, shuttles, the 3,000+ free parking spots throughout the Park and along Lincoln Way and Fulton Street, and the parking garages underneath the Music Concourse.

Finally, this 3+ mile car-free connection between the panhandle and ocean beach is a critical active-transportation corridor (walk, run, bike, scoot, roll) that encourages the most environmental and climate-conscious means of running errands, getting to work, visiting friends, and taking children to school.

Please join me, along with countless other residents and advocacy organizations, in supporting keeping JFK car-free forever.

Thanks again, and please take care.

Dear Board of Supervisors and Transportation Authority Board,

I am writing to urge you to reject a full and permanent closure of JFK Drive. The closure of JFK Drive limits access to Golden Gate Park and beloved San Francisco institutions for people with disabilities, seniors, multi-generational families and those who live far away from the park. Golden Gate Park belongs to everyone, not just those who can afford to live near the park or can easily bike and walk.

It may have made sense to close Kennedy Drive during the pandemic, but now that things are getting back to normal it is not necessary or desirable.

Thank you,

Subject: Compromise to Permanent Closure of JFK Drive
Date: Friday, April 22, 2022 8:16:16 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Board of Supervisors,
Rather than permanently closing JFK Drive, I would implore you to find a reasonable compromise that will satisfy all of your constituents.

Not everyone can be a bicyclist or pedestrian. People with access issues and older adults are being excluded from the park.

My concern is the Museums. The high parking fees, \$5.25/\$6.25 (weekends) per hour, are a deterrent to visiting them.

With people returning to office jobs, the weekday recreational closure of JFK Drive seems a relic of the Pandemic. I think weekend closures worked in the past and will work again.

Best,
Marsha Hallet

Thank you for eventually getting back to me on the eve of the vote. Attached is a copy of a recent Chronicle op-ed written by your Director this last fall. Please note the **mark-up arrows** that reveal the existence of an agreement among "stake-holders" to keep JFK open, in 2007. This is the kind of precedent that could have been used as leverage with the politicians and the lobbies that will stop at nothing, including causing the demise of a public monument, to bow to the needs of easy recreation.

It's surprising that no one in positions of authority, such as your own, saw the opportunity.

But alas the moment has passed, too late now.

Despite political lip service paid to the needs of low and middle income households, public access for the appreciation of fine art and the importance of an arts education is simply not valued in San Francisco. For those of us that can afford to visit any and all of our famous arts museums, the degradation of the deYoung will be a blip on the meter. But for those in San Francisco who cannot physically navigate or for whom multiple MUNI transfers are a bridge too far, the loss of the deYoung is irreplaceable.

Patricia Holden

On Apr 22, 2022, at 9:39 PM, Paria Dea <pdea@famsf.org> wrote:

Hello Ms. Holden,

I greatly apologize for my delayed response to your email. With a vote planned for 4/26 on this issue, the past few weeks have been especially busy. I appreciate your time and support on this matter.

I can look further into this, but I am not presently aware of this agreement. I do know that the construction of the underground parking garage has led to some complicated feelings about access, as some believe that this is sufficient to satisfy all of the needs of the de Young and the other park institutions.

I do want to share below about the meeting planned for April 26th. If I can help answer any questions, please let me know. I will get back to you as soon as possible regarding your questions about the agreement you referenced.

MARK YOUR CALENDARS - BOS VOTE on JFK DRIVE 4/26

On Tuesday at 9 AM, the SF Board of Supervisors will discuss the future of JFK Drive. The Board will be considering a proposal that would permanently close JFK Drive to cars. Tell the Board of Supervisors you're opposed to the permanent closure of JFK Drive! It's time to reopen the road.

The [meeting](#) will be held at San Francisco City Hall (1 Dr. Carlton B. Goodlett Place) in Legislative Chamber, Room 250.

RSVP to give public comment: https://docs.google.com/forms/d/1U-Xa3zt5nL1AJFb2PKJL_YghxuJdOYxstKhIhKyz210/viewform?edit_requested=true

Public comment on the closure should be given at the first public comment period (Agenda Item 1):
https://sfbos.org/sites/default/files/bag_cta_042622_agenda.pdf. It is likely that public comment will be limited to 1 or 2 minutes.

In Person: Public comment can be made in person at the meeting on April 26th. It is highly preferable that public comment be given in person. The Board of Supervisors needs to see and hear in-person the impact of the closure on the community.

By Phone: Since this is a hybrid meeting, public comment can also be made by calling into the meeting.

1 (415) 655-0001 / Meeting ID: 2486 137 0759 # #
(Press *3 to enter the speaker line; enter the speaker line early to limit wait time)

By Email: Public comment can be provided in advance of the meeting by emailing the board clerks of the SFCTA and Board of Supervisors (BoardofSupervisors@sfdem.gov, clerk@sfcta.gov)

Dear Ms. Dea,
Ms. Nordstrom has courteously forwarded to me your email address in order to communicate directly. I understand that you are the Gov't Relations Manager for the deYoung Museum. Many share my concerns about the permanent closure of JFK, which will impact customers of deYoung, but also unjustly restrict access by the handicapped, those on strollers and walkers as well as the low income due to unreliable transportation methods.
My question for you, however, is:

- I understand that when the deYoung rehab was being considered and reviewed, the option to re-locate the museum was raised (as a matter of increasing customer volume). Political lobbying by the Bicycle Coalition et. al. has been unrelenting for years.
- At this juncture, the City became involved and was firmly against this relocation idea, strongly preferring that the Museum continue to anchor itself in GGP, in its present location.
- To ensure deYoung remained in the GGP, the City officials contractually agreed to keep JFK open to cars in order to facilitate the growth and success of deYoung, as well as keep GGP a center for art.

Are you aware of this contractual agreement? If not, can you research this? Contractually agreeing then voting against it a few years later, is illegal is it not?

I look forward to your progress on the research and the issue.

Thank you.

Dear Ms Holden,

Thank you for reaching out to me to share your concerns and support for the reopening of JFK Drive. The recent developments in the status of JFK Drive are indeed very concerning. Currently we are assessing the new information that has surfaced as part of the city legislative process. We remain committed to working with stakeholders and city decision-makers to find a solution that provides access to our park and its attractions to as many city residents, and visitors as possible, and also sustains the operation of the de Young museum.

We appreciate your support and as a first step invite you to write a letter to the Board of Supervisors via parkaccess4all.org.

Let me also connect you with Paria Dea, our Government Relations manager, cc:d here who can let you know about other ways to become involved and more information regarding the legal status of negotiations and options put forward.

Paria - please meet Patricia Holden, a concerned resident who would like to support the work to reopen JFK Drive.

Best Wishes
Helena

On Tue, Mar 15, 2022 at 8:37 PM Patricia Holden <pbh308@gmail.com> wrote:

Dear Ms. Nordstrom,
I support you and all those who wish to keep JFK open for cars. Like everything else in this City, the able-bodied, those who can afford e-bikes or the bikers get the biggest stick. I won't belabor all the reasons why this is just wrong: the Park will be closed to everyone who isn't able-bodied, rides a bike or pushes a stroller. Haney was a great support for our "keep cars on JFK" because his constituents are one example of who will be shut-out of a PUBLIC PARK.

The "compromises" on the table are not functional: shuttles are slow and virtually non-existent. Should residents be forced to take multiple buses to enjoy their park? Will the handicapped in wheelchairs, walkers and canes be required to navigate buses? It's bad enough that the sidewalks (for walking) are now crowded with bikes: pretty scary when one is using a walker. Parks and Rec does zero to prevent injuries-I know because I worked long and hard at this due to several near-misses with tourist and resident bikers.

When the new architectural plan for deYoung was being created, I understand that the deYoung considered moving out of the Park, to ensure attendance, due to concerns about the historic lobbying to ban cars. And that the City contractually agreed to ensure car access in perpetuity.

Who reneged on this deal? Is it possible to retain legal counsel to defend this contractual agreement with the City?

I wish to support you and all efforts to keep the Park open for ALL.

Thank you for your attention.

Bd. Of Supervisors,

I am a 80 year old San Franciscan, I have gone to Golden Gate Park all my life, with my children and with my grandchildren. Over the years I have walked, take public buses, and driven. I most frequently use the Museum and Academy areas, the Botanical Gardens and the Arboretum. We grew up in these places, they need to be shared places, for all age groups. I physically I cannot use a bike, I find public transportation limiting, my experience with shuttles is more negative than positive. Fortunately I can afford to drive, making the parking garage less expensive would be a good way to improve access. (Yes I know about the environment).

Please let us share JFK, close the area on the week ends, holiday, special occasions, and leave it open to all traffic during the work week. Isn't our country divided enough, why is our City so divided on our crown jewel? We all love the park, we all want to use it, why make it difficult for some? Let's show our "only in San Francisco" spirit. Golden Gate Park for all.

As a senior with some mobility issues, I feel we should have a hybrid solution where the JFK Drive is closed only a few days a week, such as weekends.

I take MUNI to many things in San Francisco---and it is often difficult to navigate getting on and off MUNI, and coordinating the schedules and various road closures and routes with the constant city street repair. Sometimes you have to walk several blocks out of your way to get to MUNI, and often driving to the park is easier.

Please consider keeping JFK drive open at least part of the week.

I am unable to participate in the hearing on Tuesday but wish to voice my opposition to the closure of JFK Drive.

I am a long time resident of SF and I feel it is important to provide access to elderly and disabled residents that otherwise would have difficulty accessing the park.

Golden Gate Park should be inclusive and supportive to everyone including those communities who do not live close to the park

To be blunt, I believe this proposal is discriminatory.

I urge the Board of Supervisors to **oppose the closure of JFK Drive** and increase access to this public space as opposed to decreasing access for multiple residents.

Sincerely,

Elise Ravel

Good morning-

VOTE NO TO PERMANANT CLOSURE

I'm a retired senior, native San Franciscan

home owner in Sunset Heights and disabled. My family and I have been Members and Volunteers of De Young Museum and Academy of Sciences in GGPark over the past 60 years.

FREE ACCESS to the area is absolutely a must! Closing it down has caused more polution and traffic jams on Lincoln Way @ Hwy1 and Stanyan St. Interchange. I spend 15 minutes longer in my vehicle to reach schools, shopping and enjoying resturants in the Richmond District. I have stopped going to the area anymore or bringing friends and family because of the inconviences.

Using the last 2 years as an example is totally moot. Barely anyone used the area during the LOCKDOWN. It wasnt until

Stupidvisor Mendelman who doesn't represent the area organized his NGOs and hired a posse of Agenda 2030 leaning Progressive proponents to support his agenda. My own District 7 Stupidvisor Melgar is another W.E.F. Progressive Agenda 2030 proponent and could careless what her constituents want or need.

Good day

Honorable Supervisors,,

The new policy instituted by the City of street closures and traffic slow downs is horrible. JFK drive and other streets should stay open to all traffic. JFK drive constitute a major traffic artery for people living alongside of it .It should be reopened .City residents are tired of slow traffic grids .If people want to use public transportation they need to have a clean and viable way. This could be addressed with a super new subway system and not the current SFMTA systems Underground transport works best as proven overseas in such countries as Japan. We need out traffic to be moving efficiently by opening the streets.

Thanks.

Please re-open JFK Drive to everyone!

There are so many other places in the park... BEYOND the main attractions of the museums, Botanical Garden, Tea Garden, Conservatory of Flowers, where bicyclists can ride their bikes and get through the park.

They don't need JFK Drive! The museums desperately need access to JFK Drive as do people with mobility issues and families with children. Cultural activities and access to recreation activities are important to our whole community, not just the very vocal, well organized bicycle coalition. Please keep JFK Drive OPEN TO ALL!

I go to the deYoung Museum every week and I walk in the Botanical Garden and at Stow Lake every week.

I lived five minutes from the museum for 40 years and I can tell you from first hand experience that access to vehicles on JFK Drive is essential.

Thanks for listening.

Dear Board of Supervisors and Transportation Authority Board,

I am writing to urge you to reject a full and permanent closure of JFK Drive. The closure of JFK Drive limits access to Golden Gate Park and beloved San Francisco institutions for people with disabilities, seniors, multi-generational families and those who live far away from the park. Golden Gate Park belongs to everyone, not just those who can afford to live near the park or can easily bike and walk.

In 2007, when the deYoung was planning a major rehabilitation of the monument, an agreement among stakeholders was reached to keep JFK closed on weekends, but open on weekdays. This agreement has been buried by the lobbyists to promote yet another recreational outlet for tourists and the able-bodied. While politicians pay lip service to the needs of low and mid-income households, they are mute when it's time to ensure access to institutions paid for by the public dollar.

I live only a couple miles from the deYoung, but it is physically difficult for me to walk to the museum *and* then remain on my feet to enjoy the collections. This is simply another example of politician's disregard for those who have no funds to contribute to their campaigns.

Thank you for your attention.

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear San Francisco Board of Supervisors,

I grew up in the East Bay (Richmond / El Sobrante). My parents took us three small kids (three 1/4 year age span) to Golden Gate Park starting in the late 50's. My parents were not high-brow. My dad was a Teamster who delivered Hostess cake products to stores and my mom was a farm wife turned suburban housewife. They moved to the Bay Area from a failing farm in the midwest at the end of 1956.

I vividly remember hearing my first harpsichord at the DeYoung Museum. My many visits to the Japanese tea garden have left me with an appreciative, friendly, and open attitude toward Asian and international people. My family always took visiting Nebraska relatives—many of whom were elderly—to Golden Gate Park. Some of these relatives had mobility problems and they needed to be dropped off close to the attractions.

When I was older, my husband and I lived in the old UC Berkeley family student housing (University Village in Albany). We bought annual memberships to the California Academy of Sciences and drove to the park almost monthly from the time our daughter was three until she was seven years old. If you've ever taken a young child on an exciting outing, you know how quickly a melt-down might occur and you might need to head to the car fast.

It is sad to me to know that there is a move to close JFK drive. I understand that attendance at the museum is down. Access has always been a problem at the park, as long as I can remember going there (which is about 1959). When my husband and daughter and I used to go frequently we solved that problem by getting there early to get a parking place. (You could get into the old science center an hour early if you were a California Academy of Sciences member.)

Golden Gate Park is a unique gem, an international destination, and not just a local park. I am a practical Democrat (not left-wing) and an LICSW (licensed independent clinical social worker—now mostly retired). Public spaces should be maintained so that they can be enjoyed by the public and are accessible to the public. I realize there are more than twice as many people in the world since I enjoyed the park as a child and that parks can be “loved to death.” At the same time, since there is not good public transportation to the park for families with young children and for older people with mobility issues please **do not make access to this world-wide cultural attraction even more difficult.**

I hope "solving homelessness" is not part of the reason that you are considering reducing public car access to the park. To me, this is a very different, *dire*, problem which needs serious, immediate attention, but it is not a reason to make it harder for the general public to enjoy the park.

Sincerely,

Pamela Woods Webster, LICSW

I am writing to ask the Board to look favorably on reopening JFK Drive so that all citizens can better enjoy the park. Since its closure it is more difficult to get to the museums, navigate to Stow Lake and enjoy other park features. In addition, since its closure the traffic on Fulton Street has considerably increased and it now resembles a "mini freeway". Yes, I realize there is some public transportation available but when you use a walker or are otherwise impaired, public transportation isn't always a viable option. PLEASE VOTE TO REOPEN JFK (and other closed streets as well). Thank you for your consideration to this request!

Subject: JFK Drive Comment
Date: Saturday, April 23, 2022 11:24:39 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Here is some input for the upcoming vote on the future of JFK Drive in Golden Gate Park. I am a frequent bike rider through the park and also a docent at the DeYoung so I travel this area all the time on different days of the week. I've noticed the following issues since the Drive has been closed to cars:

1. There are no rules anymore - roller bladers, bikers, joggers and dog walkers go wherever they want - across yellow lines, inside designated bike lanes, stop in the middle of the road, have strollers and children go wherever without regard for normal traffic rules. It can be **more** dangerous for a biker than it was when cars followed the rules of the road.

2. Having left the deYoung Museum at 5pm on a busy Saturday, I saw first-hand that the parking garage is not prepared for the increase in people requiring parking. An enormous line to pay at only 2 machines, and then sit in another line to exit the garage only through the Fulton Street exit.

3. For the elderly and physically disabled the shuttle bus system doesn't work so they have limited options for coming to museums, gardens, or the music bandshell.

4. If we are going to eliminate cars on JFK Drive, more work needs to be spent on the issue of road safety when there aren't clear rules or policing, better accommodation for underground parking. More pay stations, another exit, more disabled parking close to the museum entrances, etc. Also, we need a better option to get the elderly and physically challenged to the museums and gardens inside the park.

Thank you,
Sara McGhie

To whom it may concern:

My husband and I live in Marin and drive over to visit the museums a number of times during the year. We have always tried to park on JFK rather than park in the underground garage. I totally agree closing JFK Drive on weekends would be great for the larger community. When everyone that can likes to get out and bike and walk in the park.

I totally disagree that it should be closed during the week for the few people that live close by and have the time to walk over to the park. The majority of people work, why would they want the street closed, which causes it to be harder to drive thru the park.

It is time to reopen the road.

Thanks, Christney

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Supervisors,

I think you've already made up your minds about JKF Drive being closed permanently, but I think it should just be closed on the weekends.

I am 75 years old and live on Potrero Hill. I used to go biking in GG Park; I had to drive with my bike on a rack. I don't bike anymore; they got rid of most of the parking spaces before they closed JFK Drive, and the traffic across town got so bad, I didn't want to drive to GG Park very often.

Now I enjoy visiting the De Young but have to find parking on the street, which isn't easy since I can't afford the parking lot. Plus I used to enjoy visiting the Dahlia Garden in the summer but now it involves a long hike downhill from Fulton Street. Taking buses from Potrero Hill would take hours. I think you don't want seniors to use the park; only the people who live near the park, which is discriminatory.

I don't have much else to say; I only wish it were easier for me to go to GG Park.

Thank you for your consideration,

(Ms) Ying Ying Wu

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Date: April 23, 2022

Dear Clerks for the Board of Supervisors and for the Transportation Authority Board,

Please enter this email into the permanent record as my public comments re the Joint Special Transportation Authority Board Meeting with the Board of Supervisors, 4/26/22, and deliver it to the members in time for them to read it prior to the meeting. Please acknowledge your receipt of my comments by emailing me at judigorski@gmail.com. Thank you.

Dear Board of Supervisors and Transportation Authority Board,

I am writing to urge you to reject a full and permanent closure of JFK Drive. The closure of JFK Drive limits access to Golden Gate Park and beloved San Francisco institutions for people with disabilities, seniors, multi-generational families and those who live far away from the park. Golden Gate Park belongs to everyone, not just those who can afford to live near the park or can easily bike and walk.

My in-laws who are in their 90's and incapable of walking far enough to access the amenities in Golden Gate Park without being able to drive and park close to the various exhibits, have felt discriminated against because of their ages and financial inability to pay high garage parking fees. They do not feel safe on the public transportation available to them. If JFK is closed, they may not ever return to Golden Gate Park. My husband and I are also senior citizens with compromising health issues who feel the same way. Our son and his wife live in Bernal Heights and without access by their own car, they too will avoid that area of the park. We are a family of artists and art appreciators who now wonder if memberships to the Science and Art Museums are worth it for us with the difficulties in accessibility to them by our private vehicles. Please reopen JFK so everyone can still safely drive, park and use all areas of Golden Gate Park as we were able to do before the closure. We've all suffered enough through what was promised to be a temporary measure during the Pandemic. Let's end it and open up JFK, the Great Highway, and the other temporarily closed streets and again be the San Francisco that welcomes everyone.

Thank you,

Subject: Don't close JFK Dr to cars
Date: Saturday, April 23, 2022 1:19:42 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Supervisors,

I'm sending this message to you by email because I can't show up in person, just as I can't walk or bicycle through the park. As a disabled person, a senior citizen, and a long-term resident near Golden Gate Park, I'm asking you not to close JFK Drive. My only access to seeing the park and taking in the beauty of our surroundings is by car.

It's a real deprivation, as well as a discriminatory action against the disabled and the old, to close off this access route forever. I love the park and I love San Francisco and it is painful to be told that I'll never see the interior of the park again because the able-bodied have the privilege of being there, but I will never see it again.

Please do not close JFK Drive to me and others who are old and disabled as I am.

Betty Kohlenberg

Subject: JFK Closure - how about a compromise?
Date: Saturday, April 23, 2022 1:06:06 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear members of the Board of Supervisors,

It's hard to believe that we are still talking about this. Why is it a black or white/all open or all closed issue. How about one side of the road for cars going west only from Kezar Drive to Crossover drive. One hour parking could be allowed on the North side of that roadway. People could stop and look at the Conservatory of Flowers Easter or Mother's Day or the other wonderful displays created by the Rec & Park gardeners. Speed limit is 10-15 MPH. The other side of the roadway would be for bicycles and pedestrians. There could be a moveable barrier between the two sections. I think that would give the non-drivers plenty of room and be open to the attractions.

Or, the road could be open to two way traffic at 8th avenue to Crossover drive. A roundabout or turnaround of some kind could be installed for cars.

Or, the road could be closed to traffic on Sunday, Monday, Tuesday and Wednesday. And open to two-way traffic at 15 mph Thursday, Friday Saturday.

I believe you 11 really intelligent people can come up with a solution that works for everyone. And, get it over with!

Sincerely,
Carole Glosenger

Subject: Closure of streets in SF
Date: Saturday, April 23, 2022 12:55:01 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

As a resident of SF for almost forty years, I beseech the Board to open up all of the slow streets, in particular the MLK Drive in the Park. The Sunday special event of closing it should be restored but otherwise it should be open. The other slow streets have become redundant as life returns to normal. Sidewalks are for pedestrians and streets are for autos and other vehicles. People randomly walking in the street has become hazardous. It is also a depressing reminder of the pandemic!

Thank you, Margo Leahy, MD

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Ladies and Gentleman:

I am writing to supplement my prior letters, which are attached. Since I last wrote, three additional issues have arisen.

1. On a March 25 visit to the De Young Museum, I was again able to observe the intersection of 8th Avenue and JFK Drive in the morning, at about 9:30 AM and in the afternoon at about 3:15 PM. I saw only one or two cyclists at the intersection. There were some walkers comfortably using the sidewalk. There is no reason to close a public street to safely accommodate that volume of cyclists.

It also raises the question whether the Board of Supervisors and other government entities have accurately surveyed the use of JFK Drive. I suggest that there should be a discrete, not announced in advance, visual and documented survey of Monday through Friday use of the road by cyclists and other non-vehicular uses.

2. The suggestion by Supervisor Chan to permit cars on Conservatory Drive does not resolve the problem of access to the attractions at the eastern end of JFK Drive. If cars are permitted on Conservatory Drive, but not JFK Drive, all sorts of confusion could arise. Observatory Drive, if permitted, can be reached from Arguello street on the North side of the park, and from JFK Drive on either of the two sides of the Conservatory grounds. Conservatory Drive arches over the Hill behind the Conservatory. It is almost totally a hill in either direction. However, once on that Drive, if there is no access to JFK Drive, there is no outlet, absent a U-turn on a relatively narrow road. Access to Conservatory Road will not assist people who need to use a car to safely reach the several gardens on the eastern end of JFK Drive.

The proposal to permit access to JFK Drive at 8th Avenue provides some relief for those wanting to use what ever parking spaces are available near the museum, but does not help with any of the attractions at the Eastern end of JFK. And if the cyclists entering the park at the Eastern end can coexist with cars at and beyond 8th Avenue, surely they can coexist the entire length of the drive.

3. In a San Francisco Chronicle article, dated April 7, 2022, Supervisor Melgar is quoted, "I like the car-free JFK. In fact, I love it." However, the standard is

not whether an individual decision-maker wants a particular outcome, or whether a particular group can produce a large crowd at a public meeting. **The standard should be the best interest of all the public.** The proposal to close JFK drive 7 days a week does not meet that test.

The closure of JFK Drive in the days of the complete shutdown on indoor activities during the pandemic may have provided a relief valve at that time of crisis. However, extending that closure after the crisis has passed, does not automatically serve the public interest. I have heard reported no study or evidence that a Monday through Friday closure is warranted by the actual usage of JFK Drive when cars are not permitted. There has been substantial acknowledgement that such a closure excludes many seniors, handicapped individuals of all ages, families, and residents across the city.

The answer to multiple uses of the roadway is not to exclude some users, but to make the road safe for all, with bike lanes, improved signage, and rules for all users of the road. Also other less used Golden Gate Park roads and paths could be better publicized for the use of cyclists and walkers. While the original compromise which closed JFK Drive on Sundays and some Saturdays took a different approach, it did seek to accommodate the various interests versus the winner take all approach now being urged. I urge you to return to the original compromise and to reopen JFK Drive to cars Monday through Friday and most Saturdays.

In addition, I suggest that the Board of Supervisors initiate a study of how to create new, and increase the use of, outdoor spaces throughout the city; for example, McLaren Park, the parks being created along with new developments on the southern side of the city, and the existing bike lanes in the Presidio.

I urge you to take the time to evaluate what is in the public interest of all residents of San Francisco.

Very truly yours.

Subject: Opposition to Closure of JFK Drive
Date: Saturday, April 23, 2022 12:35:38 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

To the Board of Supervisors,

I am unable to participate in the hearing on Tuesday but wish to voice my opposition to the closure of JFK Drive.

I am a long time resident of SF and I feel it is important to provide access to elderly and disabled residents that otherwise would have difficulty accessing the park.

Golden Gate Park should be inclusive and supportive to everyone including those communities who do not live close to the park

To be blunt, I believe this proposal is discriminatory.

I urge the Board of Supervisors to **oppose the closure of JFK Drive** and increase access to this public space as opposed to decreasing access for multiple residents.

Sincerely,

Elise Ravel

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Board of Supervisors, City of San Francisco,

Over the years I have supported and donated to different public spaces in the park by donation because they are my favorite destinations. I lived just 2 blocks from the parks entrance many years ago before moving to North Beach for even more years. No longer a city resident, I must travel in to visit The Academy of Sciences, The deYoung Museum, The Conservatory, and the Tea Gardens—places that I fell in love with when I first came to San Francisco. People visit the park for many reasons and there should be the continued ability for those of us who come to enjoy the destination points in this area of the park.

I also do not hear in this discussion that you are closing it to all traffic and that this area will be limited to foot traffic. This is also a strong part of my opposition to the closure. Bicyclists and e-cycles will be allowed as will Segways, and electric scooters. There is strong support of this closure by the vendors that do business in the park providing these devices. I should point out that they are renting to people who are often getting on a new to them device for the first time and the rest of us are at our own peril as a result. The bike coalition is also a very vocal community. I have had many occasions that I was put at risk by one of these riders and was run over by a bike as a young child so I am not sold on how benign they are.

This area of the park is anchored at the entrance, It was wisely created at the gateway to help insure that the other areas of the park could be enjoyed for other purposes. Of course the vendors are not interested in supporting that as the foot traffic is in the area mentioned above and that is their customer base.

San Francisco Recreation and Parks gives several interesting statistics to bolster their argument for closure. Let's look at a few of them below.

"Almost 7 million visits have been made to the JFK portion of the car-free route since the closure, that's 36% more daily park visits than before the closure."

<https://sfrecpark.org/1538/accessGGP>

"The closure' that they are citing was put in place during the time of COVID. Unfortunately they keep trying to divorce this fact from their statistic. So lets bring it back in alignment. There were several factors affecting this statistic:

People were only able to be in public spaces that were out of doors and where they could distance themselves from others. San Francisco did threaten to close the parks because people were abusing them and not practicing social distancing. They also don't mention this.

[Mayor Breed issues stern warning to city, threatens parks ...](#) SFGate

[National park visitors surge as Covid-19 pandemic ...](#) CNN

Many people were out of work due to COVID and it was one resource they could take advantage of without a prohibitive fee attached to it

[Bay Area coronavirus job losses will top 800,000:](#) Mercury News

"+ 93.4% of the regular weekday parking within the park is still available"

<https://sfrecpark.org/1538/accessGGP>

That means that the closure will remove almost a full 7% of the parking in the park and it is at its center, with destinations that many of those same people are trying to get to: the Tea Garden, The deYoung Museum, The Conservancy, or The Academy of Sciences. The underground parking is inadequate to meet this loss and the fees are also a financial barrier for many of the park visitors.

+ JFK Drive is only 9.6% of the roadways in the park

<https://sfrecpark.org/1538/accessGGP>

I am trying to reconcile this with the statistic above. If the closure creates a 7% loss of traffic and it is only 9.6% of the park roadway, simple logic seems to imply that JFK Drive is a critical access point for visitors to that area of the park and that the 93.4% they are directing us to for parking is away from our area of interest.

Many of your visitors are coming from communities that have not created the infrastructure to make mass transit an option. Many of your visitors are financially at risk and paid parking is an issue, or are elderly and not able to hop on a Segway to get around the park. On our last visit to the park my children's father was with us. We were there for the piano concert in the park last year and at the end of our day, wanted to visit The Conservancy. He was unable to walk that far due to both bad knees and serious respiratory issues. We decided to use an Uber to enable him to make the visit the the other area of the park. These are the kinds of issues your visitors are navigating in their personal lives and in the park. I think all of us deserve to be recognized and that this area especially needs to be accessible by all, regardless of age or physical limitations.

Please return to the pre-pandemic status of JFK Drive and keep it available to all of the Bay Area citizens.

Sincerely, Georgia Gibbs

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Those of us who are senior citizens and make frequent use of Golden Gate Park--the museums, the lake, the Botanical Garden, and all of its many delights--find it more and more difficult to have the access due to the citizenry of San Francisco.

Given all the ways that this city has shut down traffic for purposes of "slow streets," which themselves cause terrible traffic on nearby avenues, it's become painfully clear that diverting traffic for the use of people on bicycles or skates or skateboards has made life difficult for those of us too old to be on two wheels. In fact, many in our generation have to depend upon walkers and wheelchairs to get around.

The Great Highway closure and other limitations have become a kind of fad related to the COVID epidemic. But are these slow streets used to any capacity?

And, ultimately, has the JFK closure helped or hurt traffic patterns in and around the park? One kind of closure results in terrible traffic nearby, congestion, parking problems, etc.

Please consider that many of us will never again be on a bicycle. It's just no longer possible for us, and we see plenty of places for younger people to recreate. In fact, we share the road with many people who themselves, because they are on wheels but not in cars, regularly disobey traffic signals with abandon. Do they have more rights?

As a San Francisco resident, I am writing to ask you, respectfully, to expand access to the park and its surroundings by opening JFK to traffic. Thank you.

To whom it may concern

I am a Sunset, elderly resident who opposes the closure of JFK drive 7 days a week.

I think closure on Sat, Sun, and Holidays is ok; many folks are off work, kids are out of school so more people can enjoy the benefits of closure. During the week I do not see many people strolling, biking, skateboarding on JFK therefore a closure is unnecessary as well as it occurs unnecessary congested traffic on Lincoln Ave (my Sunset side of the park and I imagine the same is on Fulton St)..

Also many seniors use the weekday to to attend the museum and a closure is very much an inconvenience for them. While I understand there an environmental push to walk or use a bike; I do not see that this mandate has significantly decreased the number of cars in SF and so assume many people need to rely on cars to get around the city.

Thank you for your consideration

My husband and I have enjoyed the Deyoung museum and tea garden for years. Parking on JFK was a convenience. Now that my husband has difficulty walking it has become important to park as close to the museum as possible. I know that we are not alone in the desire to access the museum and tea garden more easily. Why should young people be given a priority over seniors? It feels ageist and unfair. Please consider opening JFK to all! Thank you. Respectfully, Jennifer Haller

Dear San Francisco Supervisors,

As a senior with a lifelong mobility disability who has lived in San Francisco for 44 years, and enjoyed Golden Gate Park for all of them, until two years ago, I must urge you in the strongest possible terms to **PLEASE VOTE DOWN MAYOR BREED'S PROPOSAL TO PERMANENTLY CLOSE JOHN F. KENNEDY DRIVE!**

Though **permanent closure of JFK Drive will bar me from the places I love most in Golden Gate Park for the rest of my life**, it is not for personal reasons alone that I take this stand.

Mayor Breed's callous and heedless proposal is blatantly discriminatory, not only against seniors and people with disabilities, but also against parents of young children, who must travel long distances with them and their strollers, diapers, toys and lunches in tow in order to be able to enjoy the unique gardens, facilities, programs and classes that Golden Gate Park offers to all members of the public.

Why penalize these parents? And why penalize the working people of San Francisco and its suburbs, who live farther from Golden Gate Park, but are equally entitled to enjoy its benefits? Many of them are the essential workers who risked their lives to provide for us during the worst months of the Covid-19 pandemic! They do not have enough free time to spend hours on our inadequate public transit system on their only day off to reach the Park they love.

Golden Gate Park is not merely a neighborhood park. It is a world-class jewel that was open and accessible to everyone before JFK Drive was closed two years ago. Now, it is only accessible to those who are physically fit enough to skate, jog or cycle long distances to reach it, or who are affluent enough to live nearby.

This is the most blatant, bald-faced, ableist discrimination I have witnessed in my entire life. And, as a seventy-year-old person with a disability, I can assure you I have experienced a lifetime of discrimination.

It now is abundantly clear that affluent, ableist San Franciscans, who behave as if they believe only in survival of the fittest, are attempting to appropriate the public greenery, gardens and programs in Golden Gate Park primarily for their own private use.

Supervisors, please don't be bullied into letting this happen! Don't confuse greed with "green." In the interest of Climate Justice for *all* San Franciscans, not just a few, **please vote Mayor Breed's proposal down!**

Respectfully yours,

Victoria Bruckner

I am vehemently opposed to permanently closing JFK Drive in GGPark. Not everyone is a biker, jogger, roller skater, etc. Many just want to drive to the park and park (albeit half a mile away) and enjoy the Museum Way attractions in the easiest and least expensive way possible.

I was an arts management major in college and visited frequently on weekday afternoons for coursework requirements. That would have been logistically and economically impossible in the circumstance that is being proposed. I'm sure many employees of the concourse venues would agree. I've also been a mother who wished to take a carload of kids to the park for a picnic and a bit of something special (tea garden, science or art museum, conservatory of flowers). Can't imagine doing that on a tight schedule and budget!

I would approve of a compromise situation, similar to what has been the policy in recent years, of weekend closure of the eastern section of the middle drive (to the highway crossover).

I live in Berkeley and am 83 years old. The road closure would discourage me from visiting the park and from taking out-of-town visitors there. I worry that not only would the road be closed to cars, but it would be full of fast traveling bikes, skate boards, scooters, skates, and all the other things young people use without regard to older, slower pedestrians.

"The continued closure of the road restricts access for people with disabilities, seniors, families with young children, people who do not live close to the Park, and low-income communities."

Dear Board of Supervisors,

Please re-open JFK drive.

I'm a home owner who lives at Cole and Grove and use the park regularly.

There has to be a compromise somewhere...

Close both Sat and Sunday for recreation, open Monday through Friday.

It's wide enough to have half of the road for bike and pedestrian and roller skaters and the other half for auto.

I am currently disabled and the closures makes it difficult for me to see and visit with friends in the Park.

We have to get past this current all or nothing attitude.

Please find a way to reach the middle ground.

Thank you.

Please, please allow JFK to be open to traffic at least during the weekdays. My friends and I are in our 70s, and need to drive across the park for medical appointments and other needs, Driving across Park Presidio is very stressful for us due to the speed and increased volume of traffic. Having the slower roads like JFK Drive closed to our cars makes our lives much more challenging. The park is huge and the city can surely think of other options for enjoying its amenities without creating difficulties in the lives of others. Providing access to cars on JFK is necessary for a sane level of traffic flow. Thank you for your attention. Marie Chan 2631 Lincoln Way, San Francisco

It is my understanding that the board will be voting on the continued closure of JFK Drive in Golden Gate Park. My supervisor is Catherine Stefani as I live in District 2. I would like to go on record as supporting a change of the complete closure of JFK Drive to cars. I am in Golden Gate Park to play tennis at Goldman Tennis Center 5 days a week and access and parking is becoming more and more difficult. I also am a member of the museum which is not easily accessible without parking in the underground parking garage which is not inexpensive. I also walk in the park and find that even though the road is closed to cars, the bicyclists and skateboarders make it almost impossible to walk in the roadway safely.

I strongly support weekdays open road and weekends closed to cars. For many years, JFK Drive was closed to cars on Sundays and special holidays which made sense.

Dear San Francisco Francisco Supervisors

Please reopen Golden Gate park for full access for all San Francisco Residents. It's empty on weekdays and we were told that this was a temporary closure. Now some small groups like the 10,000 members of the bike coalition what it closed for themselves. This prevents the majority of residents from accessing and using the park. I'm ok with going back to weekend closures as it was pre covid. That was a fair compromise. Full closure of JFK and Traverse drive is not and has created a host of other issues.

Thanks

I am opposed to road closure in Golden Gate Park as I am a senior. I need a cane, I don't live in the area, I often drive there with family and friends.

Road closure makes access for us very difficult.

Please open & keep open the roads in GG Park.

Thank you.

Dear Board of Supervisors and Transportation Authority Board,

I URGE you to reject a full and permanent closure of JFK Drive.
The closure of JFK Drive limits access to Golden Gate Park and beloved San Francisco institutions for people with disabilities, seniors, multi-generational families and those who live far away from the park. Golden Gate Park belongs to everyone, not just those who can afford to live near the park or can easily bike and walk.

I am a care manager for many disabled and elderly people in San Francisco. We love exploring GG Park, they love to be outside in the fresh air. I am not able to take my people to enjoy this great San Francisco park when I cannot drive them and their assistive device in.

This closure simply is not fair.

Sincerely,
Barbara N Blosser
California Licensed Professional Fiduciary
San Francisco, Calif.

As a native San Franciscan, a senior citizen and SF tax payer, I feel strongly that **closure** of the road restricts access for people with disabilities, seniors, families with young children, people who do not live close to the Park, and low-income communities.

Please vote No on this proposal!

Thank you,
Barbara Shapiro

Board of Supervisors,

JFK Promenade has been a silver lining of the pandemic, resulting in a 30%+ increase in park visitation from across our city (~8 million visits), and was supported by more than 70% of San Franciscans who engaged in the official City survey. Further outreach showed broad support for permanence with increased access and equity to this amazing space without compromising or amending the Mayor's legislation and City staff recommendations.

JFK Promenade makes our city a more connected, healthy, and sustainable city.

With Tuesday's meeting about the Mayor's legislation, the people of our city are looking to you to lead and pass the Mayor's legislation as is--please no more delays, continuations, or amendments. Now is the time to make a decision, lead, and move forward for the future of our city.

People who love and rely on JFK Promenade assume it is already permanent and they are looking to you to vote in their interest to make JFK Promenade permanent and allow City staff to continue increasing accessibility, equity, and safety in our park. The Mayor's legislation will increase access and equity to JFK Promenade without compromising on the joy, safety, community, beauty, and serenity that the space has created. We need constructive, programmatic, and collaborative leadership that focuses on solutions and takes necessary action to move our city forward towards a more connected, healthy, and sustainable future.

Among countless positive uses, JFK Promenade serves as an essential commute corridor for workers as well as kids and families, including as part of the JFK Promenade Bike Bus:
<https://url.ayaman.click/v2/https://sfbikebus.com/JFK/YXAeOsnZHQzOsnEfbzo2NGU5MWQsMmNnZjliM2YmNTU0ZG00Yjc3OGRIZjQ2NDc2OmlxZW06ZDhMDNlYWZmODAwODZlYjA0ODp5OWVlcjZlZWVlMzNkZW0wM1Y1WFYmNmNDUwMzVlMTNkNkY3YTc3ZjliODAwOTVlZjZlYm0KY>

For those thinking about compromise, JFK Promenade and the broader Golden Gate Park project is already a compromise. JFK Promenade represents less than 10% of the roads in Golden Gate Park--and less than 0.5% of the roads in San Francisco--and the only car-free space accessible 24 hours a day, 7 days a week in our city.

Please pass the Mayor's legislation as is at Tuesday's meeting, so we can move forward as a city making this space more accessible, equitable, and enjoyable for everyone in our city.

To hear from people who benefit from JFK Promenade, check out the videos on CommunitySpacesSF.com, where you can hear from people who love JFK Promenade and need you to make it permanent. In particular, listen to the stories of the following residents:

1) Carol, a senior with a disability who uses her mobility device on JFK Promenade with peace of mind that allows her to fully enjoy Golden Gate Park:
<https://url.ayaman.click/v2/https://youtu.be/cBG3pStsqwM/YXAeOsnZHQzOsnEfbzo2NGU5MWQsMmNnZjliM2YmNTU0ZG00Yjc3OGRIZjQ2NDc2OmlxZW06ZDhMDNlYWZmODAwODZlYjA0ODp5OWVlcjZlZWVlMzNkZW0wM1Y1WFYmNmNDUwMzVlMTNkNkY3YTc3ZjliODAwOTVlZjZlYm0KY>

2) Kingston, a kid from the Southeast who rides his bike with friends on JFK Promenade, in part to escape violence in his neighborhood:
<https://url.ayaman.click/v2/https://youtu.be/ZlUGDzQFPJH/YXAeOsnZHQzOsnEfbzo2NGU5MWQsMmNnZjliM2YmNTU0ZG00Yjc3OGRIZjQ2NDc2OmlxZW06ZDhMDNlYWZmODAwODZlYjA0ODp5OWVlcjZlZWVlMzNkZW0wM1Y1WFYmNmNDUwMzVlMTNkNkY3YTc3ZjliODAwOTVlZjZlYm0KY>

3) Phil, who rarely visited Golden Gate Park growing up and now bikes there with RideOut Posse SF and encourages inner-city youth to be active at JFK Promenade:
<https://url.ayaman.click/v2/https://youtu.be/IOXs34gUu8/YXAeOsnZHQzOsnEfbzo2NGU5MWQsMmNnZjliM2YmNTU0ZG00Yjc3OGRIZjQ2NDc2OmlxZW06ZDhMDNlYWZmODAwODZlYjA0ODp5OWVlcjZlZWVlMzNkZW0wM1Y1WFYmNmNDUwMzVlMTNkNkY3YTc3ZjliODAwOTVlZjZlYm0KY>

You can watch the full 'Safe Places, Community Spaces' video here:
<https://url.ayaman.click/v2/https://youtu.be/LYOymM7b7s/YXAeOsnZHQzOsnEfbzo2NGU5MWQsMmNnZjliM2YmNTU0ZG00Yjc3OGRIZjQ2NDc2OmlxZW06ZDhMDNlYWZmODAwODZlYjA0ODp5OWVlcjZlZWVlMzNkZW0wM1Y1WFYmNmNDUwMzVlMTNkNkY3YTc3ZjliODAwOTVlZjZlYm0KY>

Please lead on this issue by passing the Mayor's legislation as is at Tuesday's meeting, so we can move forward as a city making JFK Promenade more accessible, equitable, and enjoyable for everyone in our city.

Thank you, and please take care.

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Ms Melgar,

We are seniors and live in Golden Gate Heights.

Please vote to keep JFK open during the weekdays.

Young people can bike or walk in but to exclude cars driving on JFK during the weekdays is age discrimination. How can they even make use of the park when they are working on weekdays.

There is no reason to close this major street during the weekdays!

All of the other street closures in San Francisco are no longer necessary and should also be reopened.

Subject: San Francisco Mayor and Board of Supervisor Proposal to Permanently Close John F. Kennedy Drive in Golden Gate Park to Vehicles
Date: Saturday, April 23, 2022 6:34:28 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

San Francisco Mayor Breed and Board of Supervisors.

I am writing to ask that you, Mayor Breed, and the San Francisco Board of Supervisors, not vote to permanently close John F. Kennedy Drive (JFK Drive) to all vehicles.

The following describe the reasons for my request:

1. Golden Gate Park and its building, facilities, and gardens, has historically been open and accessible to everyone, including vulnerable seniors and people with disabilities. During the 15 years I worked for the City in the three positions I created, including Chief Building Inspector, Bureau of Building Inspection (1989 through 1991), Department of Public Works Americans with Disabilities Act Coordinator (1991 through 1998), and Deputy Director, Mayor's Office on Disability (1998 through 2004), I interacted with both the Recreation and Park Department and the San Francisco Metropolitan Transportation Agency staff in an effort to assure that San Francisco's public rights-of-way (including walkways in Golden Gate Park) and accessible on-street parking (including accessible on-street parking in Golden Gate Park) would be available to and usable by vulnerable seniors and people with disabilities. By closing JFK Drive to vehicles, you will be removing those historically available accessibility features like the close-in walkways and accessible on-street parking for those that need those close-in public rights-of-way systems available so they can more easily access the special, and in many cases, unusual (unlike those buildings, facilities, or programs found in any other City of San Francisco park) Golden Gate Park buildings, facilities and programs.

During my 15 years with the City, I worked for 5 Mayors and multiple Board's of Supervisors. During all of that time, although there were policies or projects where there were disagreements, I never felt that any of those Mayors or Supervisors proactively jeopardized the rights of the City's residents with disabilities, or for that matter, visitors to the City who were persons with disabilities. Apparently that has changed!

2. The City of San Francisco has, in the past, and continues to receive federal funds. Because of that, the City must assure that it meets all requirements of the federal 504 civil rights regulation: ***Section 504 of the Rehabilitation Act of 1973 requires that any entity receiving federal financial assistance must ensure that persons with disabilities are not discriminated against in any and all aspects of employment, or denied access to the goods or services that these federal fund recipients provide.***

Also, based on the Americans with Disabilities Act (ADA), the City of San Francisco's "programs, policies, and procedures", as well as its buildings and facilities, must be accessible to people with disabilities. If you vote to permanently remove vehicle access to JFK Drive, the City will be removing the access features that for at least many years, have been available and accessible to everyone, including people with disabilities, who are those that most need access to accessible close-in parking and paths-of-travel to Park buildings, programs and facilities. The ADA Standards allow for alternatives to specified requirements as long as those alternatives provide "**substantially equivalent or greater accessibility and usability as an "equivalent facilitation."**" Neither Mayor Breed's or Supervisor Chan's proposals to Close portions or all of JFK Drive, in my opinion, provide that **required** equivalency.

3. The shuttle that the City has apparently provided as "equivalent facilitation", that serves JFK Drive, does not make up for the removal of direct vehicle access to accessible on-street parking, that for years, has been available on JFK Drive close-in to the special facilities and features along JFK Drive. Additionally, for many vulnerable seniors who are semi-ambulatory, unlike City transit busses that "kneel", the shuttle vehicle doesn't kneel and has multiple stairs that, for many seniors, are too high and difficult to use, making the shuttle inaccessible to them. And for many vulnerable seniors, having to climb on and off the shuttle multiple times will make that service inaccessible to them. Also, for many, the need for standing and waiting for a shuttle makes using the shuttle an inaccessible option, especially in inclement weather. And, if the shuttle arrives and has no available wheelchair tie-down locations available or the shuttle seating is full, requiring those that may have already waited 15 or 20 minutes have to wait another 15 or 20 minutes, that "accessible" service to them becomes inaccessible. And for visitors with disabilities from out of town who are unfamiliar with the City's public transit system, closing JFK Drive and removing the accessible parking along that roadway will make the programs and facilities inaccessible to them. The Park Shuttle does not, in any way, make up for the loss of close-in on-street parking that has historically assured that Park programs and features served by JFK Drive are accessible.

4. For a number of years, and based on the effective advocacy of Walk SF and the SF Bike Coalition, the Mayor and Board of Supervisors has closed JFK Drive to vehicles on weekends. Although that has created a problem for some seniors and people with disabilities who are unable to use the Park

during the week because they work during the weekdays, for the most part, the public generally accepted that closure because it did provide accessible weekday alternative access. The present proposal does not provide any real equivalency.

5.. The following was taken from the March meeting minutes of San Francisco County Transportation Authority (SFCTA)

“Vice Chair Peskin reiterated his concern stated at the prior Board meeting about funding an organization – here, the San Francisco Bike Coalition, which was also involved in the endorsement process of supervisorial candidates, noting he raised similar concerns about a previous past contract the agency held with an outreach company that was simultaneously a lobbyist of the Board and agency. He continued that he found it troubling that an organization with the power of endorsement was also a recipient of taxpayer funds. Vice Chair Peskin stated his intent to dissent again.”

Safai joined in the dissent.”

Also, it appears there also may be an issue with City employees at both SFMTA and the Recreation and Park Department who are also possibly members of the SF Bike Coalition and Walk San Francisco.

Based on the concerns I've raised in this email (and possibly others I've failed to cover), I hope you, Mayor Breed, and you, members of the San Francisco Board of Supervisors, will reconsider and NOT vote to permanently close JFK Drive to vehicles.

I hope you won't force us to take legal action, but instead, consider the issues I've raised and **NOT** vote for the proposed permanent closing of JFK Drive in Golden Gate Park to vehicles.

Thank you.

Dear Members of the Board of Supervisors,

You were all elected to represent the ideas, needs and opinions of the people of your districts. Please vote to keep Golden Gate Park accessible for ALL, as it was intended, over 100 years ago. You have heard all of the arguments from the Elderly, the disabled and those who do not live near the park, able bodied or not. Increasing shuttles, public transportation and handicapped parking spaces will not improve access for these groups at all. They simply will go elsewhere and they shouldn't have to. Families who wish to enjoy a picnic in many of the lovely areas adjacent to JFK drive are not going to lug in 1/4 to 1/2 mile, all of their gear plus kids. And the neighborhoods surrounding the park have limited parking as it is and don't need more cars parking and driving all around looking for spots.

Alternatives:

Compromise and close it ONE day a weekend (Sunday) There is no need for it to be closed Monday - Friday And there are plenty of paths and bike lanes on JFK for the few that use it during the week day.

Put it on the BALLOT for the voters to decide. Don't make conclusions based on "surveys". I listened to the virtual meeting with SFMTA and Rec and Park and they referred to a survey with 800 people. There are 800,000,000 people in this City.

When I started working at The de Young Museum I was very pleased and glad we had all day parking on John F. Kennedy Drive. Working in San Francisco most of my adult life parking was not pleasant. Since the closure of JFK I have been parking at Stow Lake and walking into The de Young. My life has changed alot since 2015 when I started working at The de Young. It has been hard walking uphill after having Covid in 2021 and the added walking has also taken a toll on my body.

- **Health:** After starting working at The Fine Arts Museums of SF I have started suffering from: Plantar Fasciitis, Tophus Tendinitis. I'm only 34 years old. I cannot fathom those elder coworkers and the issues they endure and how JFK closure has impacted them. Covid has affected my breathing and I'm fighting to catch my breath when walking at a healthy pace.
- **Theft:** I have had my windows smashed and car ransacked while at work. My catalytic converter was stolen from my commuter car and also my coworker Arnaldo Lacayo. We both drive Honda Accords. I had the mechanic weld extra metal to divert future thefts and had to pay out of pocket thousands. I always worry if my car is still intact as I walk up to stow lake.
- **Commute:** I have sought after lateral transfers to leave The Fine Arts of SF due to commuting. I have turned down a position on the Peninsula with the SFPUC because of my family schedule. If I have to park further, use public transportation, add time to my commute I will not hesitate when the next position arises and also my family schedule is changing soon I won't need my work schedule to help.
- **JFK access and harrassment:** Sometimes we use our personal vehicles to transport tools between museums The New de Young and The Legion of Honor. We do not have a city vehicle but are required to have a Class: C Driver's License. We are supposed to be able to respond to emergencies at work after hours. Having a license is the only way we can respond within an hour to work. I have been avoiding maintenance requiring transportation of tools to avoid confrontation. I have encountered an individual on multiple occasions on JFK moving tools and sitting at my car parked at Stow Lake. I have avoided any negativity by giving the person a thumbs up and thanking them for their hard work. I have witnessed armed escorts delivering art being harrassed by people enjoying JFK drive walking, biking and running. It amazes me the entitlement and audacity by those enjoying JFK against those using JFK to access The de Young museum.
- **Handicap Access:** with JFK closure I have not seen as many guests on access days. On some Mondays the only day that we're closed the de Young would give access to those with mobility issues or special needs. There was quite a few handicap parking spaces on JFK drive.
- **Parking:** Many of my co-workers are forced to park in time restricted parking spaces and move their vehicles while on the clock.

Conclusion: The closure of JFK not only impacts me but, my coworkers, the disabled and our guests Please Re-Open JFK Drive!

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear San Francisco Board of Supervisors,

I'm writing to oppose the permanent closure of John F. Kennedy Drive to vehicular traffic. PLEASE think of all your constituents and visitors to the city who are not so mobile. I fit into several of these categories. I'm a senior who grew up in San Francisco and now lives in Marin, but who frequently goes into the city. I am not partially disabled and can't walk easily. A motorized wheelchair is not in my budget. Even now, when I go into the de Young Museum, I have to arrange for a volunteer in advance (not a museum volunteer) to push me through the museum and they're not always available; it's a significant loss of independence. Getting someone to push me down JFK Drive or through the bandshell area is a major imposition and is not an option. Shutting off JFK Drive to vehicular traffic means I will no longer be able to drive myself or out-of-town visitors through one most beautiful drives in the city and to the interior of Golden Gate Park. If they want to do it themselves on foot, they won't be able to include me. People who can walk easily will still have access to the drive, but for those who can't walk well or walk far, you would be removing a chief enjoyment. Please don't do this.

I'm not able to attend next Tuesday 04/26 Board of Supervisor Meeting regarding the permanent closing of JFK Drive.

I'm absolutely against the permanent closure.

As a senior, who, like many in San Francisco, I need to drive to access Golden Gate Park and cannot afford the very expensive parking garage I live across town from the park and public transportation is not a practical solution. As a grandmother, I need my car to take my grand-son to the park. I would like to be able to go see exhibits at both museum and visit the many attractions the park his offering.

Closing JFK to cars means that only very selected people - living close by or young enough to use their bike - can enjoy the park. . The park is for everybody and should not exclude the majority of the citizen living in San Francisco. Golden Gate Park is a public park for the enjoyment of all.

Thank you for adding my comment - to not close JFK Drive.

To the Board of Supervisors,

Please open JFK to cars. Walkers and bikers already have 125 parks, just as many trails, miles of beach and numerous bike lanes in the city. And 2 new parks in the Presidio are opening exclusively for them. People who can't walk far, have disabilities, have POOR energy reserve...people who live outside the city are shunned in favor of people that can walk or bike the distance. They don't count. The city cares only about the healthy, people and bikers, and provides them the extra recreational areas. Everybody else is excluded or made to park far, somehow get to a shuttle, wait for the shuttle, board the shuttle, and use what little energy they have left to exit the shuttle. Have some consideration for the marginalized communities in this city. It pains my heart to see young people on the news getting agitated and demanding to walk on asphalt streets rather than enjoying the beautiful trails that the city created for them.

If you're concerned about cars creating pollution in this city, the numerous road closures create even more pollution with cars driving extra distance around these closures and idling their engines with the increased traffic congestion. If one goal is to keep building more buildings to increase the population in the city, then traffic efficiency and infrastructure needs to be considered, not increasing no car zones for the people who want more exclusive recreational spaces.

To the Board of Supervisors,

San Francisco is known for many things and one of them is its world class museums, one of which is located in Golden Gate Park between JFK Drive and Martin Luther King Drive. The DeYoung Museum attracts San Franciscans across many age groups and visitors from all over California, other states and outside the US. One of its most faithful groups here in the city and the greater Bay Area is retirees. Once the work of a lifetime is completed many from this group seek the solace and the beauty found in art. They do this by becoming members of the museum and as such visit on a regular basis. Many from this group also become volunteers believing it is time to give back some of what San Francisco has offered them over the years.

Many volunteers travel from outside the city to work at the museum. At the beginning of the pandemic San Francisco Park and Rec made a unilateral decision to close Martin Luther King Drive. At the time of the closure no one from the Senior group was impacted as all were closeted at home. Now with the reopening, Park and Rec And The Mayor want to continue the closure not only on the weekends, which had already been the case but every day.

JFK Drive, which borders the DeYoung Museum, has provided free parking close by both for volunteers and Senior visitors. This parking has included ADA compliance spots within 1/10th of a mile of the museum's side entrance on JFK Drive for those with mobility issues. As the museum opens and volunteers return many feel they will no longer be able to work their shifts if they cannot drive and park nearby. Public transportation is not a reliable or safe alternative. Masks no masks what to do?! Many older patrons do not feel safe on San Francisco public transportation. On several occasions pre-pandemic I have attempted to take the bus myself from Noe Valley to the museum for my volunteer shifts. The bus never followed the schedule. On the weekend it didn't start early enough. To go from my house in Noe Valley by car takes 15 minutes while by bus the few times I tried almost an hour. My time is as valuable as a fully employed person. I don't like wasting it standing on a street corner waiting for a bus that never comes. On two occasions when the bus never appeared I decided to walk and was able to walk the distance in 40 minutes. I am not your average 76 year-old and this is not a viable solution for the majority of Seniors nor would it be for me on a rainy cold winter day.

The garage, which is not operated by the museum, is too expensive for people on fixed incomes who visit the museum regularly as volunteers and senior members do, and during popular exhibitions there are not enough regular or ADA parking spaces. On an average day during the Matisse exhibition the museum greeted approximately 5,000 visitors. For Bouquets to Art's first day last year the museum had over 500 visitors and the city had not yet fully opened.

Volunteers often work evening events. It is hard to expect Seniors especially unaccompanied women to walk safely though a dark park back and forth to the museum, especially when we see seniors attacked fairly regularly on the City's streets.

The problems Seniors have with the closure becomes one of equity. Just look at this picture and you will see not one senior engaging, but only a few feet away is the Museum they cannot access.

<!--[if !vml]-->

<!--[endif]-->

Golden Gate Park is more than its roads. It is more than a place for five year old's to learn how to ride a bike. It is more than a bike path from the Zoo to the Embarcadero. It contains a science academy and world class museum, a lovely children's playground and merry-go-round. It contains soccer fields for the use of city kids. It has meadows for games, graduations, picnics and birthdays. It has a polo field and stables that are not being utilized now. You can boat in the park and feed ducks in many of its ponds. You can drive and race radio-controlled boats. You can play tennis and bocce ball. You can practice archery. You can visit the world of plants and flowers in a Victorian glass house. You can pretend you are in a garden in Japan and drink tea and eat cookies that are outside your usual experience. **BUT** Mayor Breed and some supervisors seem to think it should only belong to the bikers and walkers thus diminishing all the other activities that it contains.

The equity issues associated with the closure of JFK Drive don't only impact Seniors. They impact families who want to picnic or celebrate birthday but can't carry their supplies on a bike or trundle them on a bus. They impact children, especially children of color who come from the far-flung

corners of the city to visit the science museum or art museum or Arboretum or Japanese Tea Garden. They must endure several transfers on a bus or ride a bicycle! to get to the park. It only makes sense for the white elite who live close to the park boundary to make it very difficult for these groups to come, though very un San Franciscan. The closure will keep tourists out and City visitors away as well by making it too hard or forcing them to limit their use of ALL the wonders of the Park.

The closure of JFK Drive would severely impact the operation of the DeYoung Museum already in debt due to the pandemic closure. The attendance at this point in time is down 50%. The evening and daytime functions that the museum has for openings, meetings, some wedding receptions and other get togethers are made very difficult with the closure. The museum's loading dock is located off JFK. Bringing in and taking out exhibits and other operation materials is problematic. It is my understanding that drivers who are simply doing their job delivering needed supplies to the museum are harassed for driving on the closed street.

If visitors choose to drive, they will be forced to park, if they can, in the surrounding neighborhoods. This would increase traffic in the neighborhoods and take away all the parking for homes and businesses. Parking meters would not solve the problem but rather turn more people away. Martin Luther King Drive is now the closest parking to the museum in the park. The 4- hour parking limit is strictly enforced. Staff and volunteers who are working longer than 4 hours must use their whole break time to move their cars to prevent ticketing and there is no guarantee that a new parking place can be found in the now very limited parking available. The closure simply makes no sense at all.

The weekends saw a closure of JFK pre-pandemic. Closures on Saturday or Sunday or both could continue. A speed limit that is enforced in the park of 20 miles an hour would help to alleviate any accidents that occur due to cars speeding through the park. JFK Drive is not a private road for bicyclists to access the city. Keep our park for those that want to experience it's wonders not just drive through it to get to work. The weekends will provide space for children to ride on the closed streets even though this compromise is not ideal. it is a COMPROMISE which the Mayor and the bicyclists seem unwilling to do.

Subject: Please Reopen JFK near the museums in Golden Gate Park, close it farther west instead!
Date: Sunday, April 24, 2022 4:08:51 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Board Members,

I am a Richmond District resident who enjoys Golden Gate Park on a daily basis and although I don't need the free parking close to the museums I know that many people do. It is unfair to give able bodied people the luxury of extra space to walk/bike/scooter as they please while others now find it difficult or impossible to visit our important cultural institutions without prohibitive parking costs.

There are ample areas in the park for people like me to continue walking and biking. **If you want to close part of JFK to vehicles, why not close a stretch to the west of Crossover Dr.? That makes far more sense to me. Closing that stretch of JFK would allow visitors to park closer to the museums once again and there would still be plenty of open road for others to enjoy.**

Best regards

Emily Sellers

Subject: Please support 220261 [Park Code - Golden Gate Park Access and Safety Program - Slow Street Road,Closures]
Date: Sunday, April 24, 2022 3:37:50 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Supervisors,

I urge approval for File 220261, Park Code - Golden Gate Park Access and Safety Program - Slow Street Road Closures, I thank Mayor Breed and Supervisors Preston, Mandelman and Haney for sponsoring this ordinance.

I also urge rejection of the Modified Configuration as proposed by Supervisors Chan and Walton.

I strongly oppose the proposed modified configuration, based on my experiences with a similar set up in Rhode Island's Lincoln Woods State Park.

A large public park such as Golden Gate Park should be a low stress space where people can relax - and that is exactly what the current JFK configuration provides. With JFK car free, it is quiet, with ample space for both pedestrians and wheeled device users to travel to and explore this glorious park.

The Lincoln Woods configuration, on the other hand, has pedestrians constantly looking back over their shoulders as they hear a car approach. And, as a driver, I worry about the dog on a long lead leaping towards a squirrel - and in front of my car. I worry about the wobbly bicycle rider - will their wobble take them into my path? Visiting Lincoln Woods does not offer the relaxing experience of Car Free JFK.

And having a stress-free, safe place for parents to teach their children to ride a bicycle, or to (re)learn how to use a bicycle themselves, is a critical tool to enable the behavior changes needed to transition people away from using the car as the primary means of transportation. For transit behavior changes to occur, people need to be comfortable with the new options. Car Free JFK provides a place to develop that comfort.

Let's keep JFK as it is now: Safe, quiet, and stress-free.

Thank you,
Paul Wermer

Subject: Please keep JFK car free
Date: Sunday, April 24, 2022 3:34:14 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Hello all,

I'm writing to you to ask for your support in keeping JFK car-free permanently. This isn't a copy pasted email, and I hope you read on.

I've lived in San Francisco for the past decade and am an alumnus of San Francisco State University. One of the reasons I fell in love with this town is the vast green space available to the residents. There are very few cities where you can almost always find a park less than a 15-minute walk from your house.

One of the best things to come out of the pandemic has been the slow streets, car-free great highway, and car-free jfk. In a time when America is more divided than ever, these shared community spaces have brought me closer to my fellow San Franciscans.

Seeing my neighbors walk, run, ride, bike, or roll down JFK on a sunny Thursday afternoon has brought optimism to a city that desperately needs it.

Our beautiful 7x7 city deserves as much car-free space as possible. We need to incentivize people to live in this city, work in this city, and walk in this city.

Keeping JFK free would be a big victory for our little city. If you don't believe me, I encourage you to get out there today and see the smiles on JFK drive.

Thank you very much,
Paul Klein

Yes, it would be a good idea for you young'uns, but since I am 85, I really need to get closer to the Museum and the Academy, and the garage prices are very high for someone on a limited income, like a whole lot of us older folk. I make room in my limited budget for membership in both the Museum and the Academy because I want access and also to support these institutions. Now you want to make it harder for me to visit? Please, no. I am against permanent closure of JFK Drive because I want access to these institutions. Thank you for considering my opinion.

As a resident of the Inner Richmond, I would very frequently bring my two young boys to ride bikes along JFK Drive BEFORE its closure. Additionally, I would ride to/from work along JFK Drive almost daily. I can attest that JFK Drive's design is the most effective example of how bikes, cars, and pedestrians may share the same road safely and efficiently. There is no need to close the road entirely to automobile traffic.

Even with cars on JFK, it is FAR SAFER for bikes and pedestrians than virtually every other street in SF. Further, the road is critical for accessing the multiple green spaces the park has to offer. I cannot imagine enjoying a kids' birthday party at the park ever again if I have to walk in two strollers, a cooler, a cake, presents, etc. A car is necessary for the full enjoyment of the park.

Please reopen JFK.

Thank you,
Steve Escamilla

I have been a member of the Fine Arts museums. The combination of Covid and the closure of JFK Drive has made it impossible to visit the de Young. And despite maintaining my membership have not used it for over 2 years. With the hoped for waning of Covid I'm prepared to resume visiting the de Young. However, I will neither visit nor renew my membership if the de Young remains marooned, unnecessarily barricaded by JFK's closure. Frankly it's ridiculous to close the main road through Golden Gate Park to enable strollers to mosey down the middle of a roadway. The pedestrian paths are already generously sized and can be made even wider if so desired. Access to the park and parking are quite another thing. I must drive from Santa Cruz. So my visits are not quixotic. They are deliberately planned with a wheelchair for my partner. The notion of offsite parking requiring additional inconvenience of taking a bus to the de Young is unacceptable. I am a native son of four generations. Visiting the City has been made exceedingly difficult and expensive over the years. I've already given up on the opera and symphony. Decisions to close roads to cars, such as the Great Highway, may satisfy some residents. But they alienate the additional people who support and pay for San Francisco's culture. Reopen JFK Drive!

Honorable Supervisors:

My urgent request as a frequent visitor to the de Young Museum concerns the scarcity of parking created by the closing of JFK Drive. I drive 55 miles one-way to get there, and I did notice from that museum's tower how relatively FEW people were using the closed street. I wonder how far they traveled to use that street.

A compromise is desperately needed – that is what this country was founded on. Don't let us down!

Subject: Please make JFK Promenade permanent by passing Mayor Breed's Golden Gate Park legislation
Date: Sunday, April 24, 2022 6:00:14 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Board of Supervisors,

JFK Promenade has been a silver lining of the pandemic, resulting in a 30%+ increase in park visitation from across our city (~8 million visits), and was supported by more than 70% of San Franciscans who engaged in the official City survey. Further outreach showed broad support for permanence with increased access and equity to this amazing space without compromising or amending the Mayor's legislation and City staff recommendations.

JFK Promenade makes our city a more connected, healthy, and sustainable city.

With Tuesday's meeting about the Mayor's legislation, the people of our city are looking to you to lead and pass the Mayor's legislation as is—please no more delays, continuations, or amendments. Now is the time to make a decision, lead, and move forward for the future of our city.

People who love and rely on JFK Promenade assume it is already permanent and they are looking to you to vote in their interest to make JFK Promenade permanent and allow City staff to continue increasing accessibility, equity, and safety in our park. The Mayor's legislation will increase access and equity to JFK Promenade without compromising on the joy, safety, community, beauty, and serenity that the space has created. We need constructive, programmatic, and collaborative leadership that focuses on solutions and takes necessary action to move our city forward towards a more connected, healthy, and sustainable future.

Among countless positive uses, JFK Promenade serves as an essential commute corridor for workers as well as kids and families, including as part of the JFK Promenade Bike Bus: <https://SFBikeBus.com/JFK>

For those thinking about compromise, JFK Promenade and the broader Golden Gate Park project is already a compromise. JFK Promenade represents less than 10% of the roads in Golden Gate Park—and less than 0.5% of the roads in San Francisco—and the only car-free space accessible 24 hours a day, 7 days a week in our city.

Please pass the Mayor's legislation as is at Tuesday's meeting, so we can move forward as a city making this space more accessible, equitable, and enjoyable for everyone in our city.

To hear from people who benefit from JFK Promenade, check out the videos on CommunitySpacesSF.com, where you can hear from people who love JFK Promenade and

need you to make it permanent. In particular, listen to the stories of the following residents:

1) Carol, a senior with a disability who uses her mobility device on JFK Promenade with peace of mind that allows her to fully enjoy Golden Gate Park:

<https://youtu.be/cBG3pS1qswM>

2) Kingston, a kid from the Southeast who rides his bike with friends on JFK Promenade, in part to escape violence in his neighborhood: <https://youtu.be/Z0LGDrOFPJ4>

3) Phil, who rarely visited Golden Gate Park growing up and now bikes there with RideOut Posse SF and encourages inner-city youth to be active at JFK Promenade:

<https://youtu.be/1QXo34gGIU8>

You can watch the full 'Safe Places, Community Spaces' video here:

<https://youtu.be/LVOymMfr7bc>

Please lead on this issue by passing the Mayor's legislation as is at Tuesday's meeting, so we can move forward as a city making JFK Promenade more accessible, equitable, and enjoyable for everyone in our city.

Thank you, and please take care.

Subject: JFK Drive closure to vehicular traffic
Date: Sunday, April 24, 2022 5:47:26 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

In the name of ADA accessibility, equity and equality for all, and fiscal responsibility directly related towards maintaining our two jewels of San Francisco science and culture, the Academy of Sciences and the de Young Museum, I implore you to reject a proposed permanent closure to vehicular traffic in Golden Gate Park on Tuesday morning. Even visitors from out of town would be adversely affected by this monumental mistake, by reducing their abilities to enjoy the many pleasures that Golden Gate Park has offered over these past hundred years. The affected parties to this backward proposal is really an untold number, which would impact negatively and have severe ramifications on our ability to attempt to recover from the setbacks of the last two years. Please resolve to decide to insure that future generations of visitors may be able to enjoy what we have always taken for granted. We owe them at least that much. Thank you.

People who love and rely on JFK Promenade assume it is already permanent and they are looking to you to vote in their interest to make JFK Promenade permanent and allow City staff to continue increasing accessibility, equity, and safety in our park. The Mayor's legislation will increase access and equity to JFK Promenade without compromising on the joy, safety, community, beauty, and serenity that the space has created. We need constructive, programmatic, and collaborative leadership that focuses on solutions and takes necessary action to move our city forward towards a more connected, healthy, and sustainable future.

Among countless positive uses, JFK Promenade serves as an essential commute corridor for workers as well as kids and families, including as part of the JFK Promenade Bike Bus:

<https://SFBikeBus.com/JFK>

For those thinking about compromise, JFK Promenade and the broader Golden Gate Park project is already a compromise. JFK Promenade represents less than 10% of the roads in Golden Gate Park—and less than 0.5% of the roads in San Francisco—and the only car-free space accessible 24 hours a day, 7 days a week in our city.

Please pass the Mayor's legislation as is at Tuesday's meeting, so we can move forward as a city making this space more accessible, equitable, and enjoyable for everyone in our city.

To hear from people who benefit from JFK Promenade, check out the videos on CommunitySpacesSF.com, where you can hear from people who love JFK Promenade and need you to make it permanent. In particular, listen to the stories of the following residents:

1) Carol, a senior with a disability who uses her mobility device on JFK Promenade with peace of mind that allows her to fully enjoy Golden Gate Park:

<https://youtu.be/cBG3pS1qswM>

2) Kingston, a kid from the Southeast who rides his bike with friends on JFK Promenade, in part to escape violence in his neighborhood: <https://youtu.be/Z0LGDrOFPJ4>

3) Phil, who rarely visited Golden Gate Park growing up and now bikes there with RideOut Posse SF and encourages inner-city youth to be active at JFK Promenade:

<https://youtu.be/1QXo34gGIU8>

You can watch the full 'Safe Places, Community Spaces' video here:

<https://youtu.be/LVOymMfr7bc>

Please lead on this issue by passing the Mayor's legislation as is at Tuesday's meeting, so we can move forward as a city making JFK Promenade more accessible, equitable, and enjoyable for everyone in our city.

Subject: PRO carfree PARK 4eva: pass Mayor Breed's Golden Gate Park plan
Date: Sunday, April 24, 2022 6:01:32 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Board of Supervisors,

50 years of climate talk is killing us. Climate action NOW!

Reduce CO2 emissions. Human induced climate chaos is killing off bees, butterflies & birds. Park is home to high vibe native California plants, ecosystems & wild animals. Time to restore habitats to bless up our natural blessings.

JFK Promenade has been a silver lining of the pandemic, resulting in a 30%+ increase in park visitation from across our city (~8 million visits), and was supported by more than 70% of San Franciscans who engaged in the official City survey. Further outreach showed broad support for permanence with increased access and equity to this amazing space without compromising or amending the Mayor's legislation and City staff recommendations.

JFK Promenade makes our city a more connected, healthy, and sustainable city.

With Tuesday's meeting about the Mayor's legislation, the people of our city are looking to you to lead and pass the Mayor's legislation as is—please no more delays, continuations, or amendments. Now is the time to make a decision, lead, and move forward for the future of our city.

People who love and rely on JFK Promenade assume it is already permanent and they are looking to you to vote in their interest to make JFK Promenade permanent and allow City staff to continue increasing accessibility, equity, and safety in our park. Dear Board of Supervisors,

It's time for John F. Kennedy Drive to reopen. Golden Gate Park is a critical open space that everyone should be able to visit.

I urge you to support JFK Drive returning to the conditions pre-COVID, with all roadways open to vehicle traffic and street closures on Sundays and some Saturdays as it was before

Thanks for your consideration,
brendan cadam

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Board of Supervisors and Transportation Authority Board,

I am writing to urge you to reject a full and permanent closure of JFK Drive. The closure of JFK Drive limits access to Golden Gate Park and beloved San Francisco institutions for people with disabilities, seniors, multi-generational families and those who live far away from the park. Golden Gate Park belongs to everyone, not just those who can afford to live near the park or can easily bike and walk.

Subject: "Comments" re: Take Action - JFK Drive Vote
Date: Sunday, April 24, 2022 8:26:17 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Greetings

Thank You for allowing the public to comment before this issue is settled. I hope I'm submitting this in enough time to be considered before the issue goes to vote.

My thoughts about JFK Drive being closed permanently, which I am adamantly against, but would be open to other alternatives if presented.

I feel closing JFK drive permanently is not the solution. This issue is not as "Black and White" as it appears and impacts many who need unobstructed access for various and sundry reasons.

- The biggest and greatest need to close JFK during the height of the Pandemic and for over 2 years, has passed.
- People are no longer hog tied to their homes.
- Getting out and about in nature, whether that be walking, hiking, riding a bike, scooter or whatever, exists not just in GGP. Options have opened up all over the city. Where access is "not such an issue" for folks with disabilities. And public transportation to these areas is not as scarce as trying to get to GGP.
- I'm 68 years young (not old); I don't have a bike because there is no place to store it; nor do I have a scooter or any other 2 or 3 wheel mobile options. Definitely not a skateboard.
- However, I do have a car and current mobility challenges. Awaiting a new hip. Walking, running, riding a bike or scooter is NOT AN OPTION FOR ME !
- Public transportation from my house in NOPA is almost non-existent, especially trying to get a bus close enough to GGP that I don't have to walk a mile or more to gain access. My bus options have dwindled from seven to only 1 bus. I'm

blocks away from any other bus (the 5 or 21) that may get me within a mile of the park. And I believe even one of these buses has not returned since the pandemic.

- I do have a car and a handicap placard, of which I would need and use both to gain access to the park. Sadly the parking garage charges "Way Too Much \$\$" to even consider parking there and it's also not a convenient option.
- When I am driving and reach my destination, I need to use my cane for additional support. I cannot walk a mile "In your shoes"!
- IF JFK Drive were to remain open to vehicles, at least during the week, I could enjoy the park, the surroundings, the museums and nature in general "because" I could park, using my placard.
- As it stands now, I cannot ! Why! Because of all the reasons I listed above.
- I am not the only person who has lost out on access to the park because the drive is closed.
- You don't know what challenges other folks face. You haven't even taken them / us / me into consideration.
- We should ALL have access by other means, than the 2 or 3 wheel kind.
- I seriously feel discriminated against because I don't fit what you seem to think are "adequate means of access and/or transportation".
- So ask yourself this, are you (the panel) considering EVERYONE when voting on this decision to keep JFK Drive closed. Do you know folks like myself who can no longer enjoy the park, because of a few (how many) who can use the other 1/2 dozen options, we can't. Maybe a friend, neighbor, family member, out of town guest, you name it, the options are endless.
- To allow one group of folks, possibly more mobile than many of us who aren't, to drive this decision to close JFK Drive permanently. That's absurd !!
- Might I also mention bike riders have the "Wiggle; Green stripes in the road for their own use; too many slow streets where all this activity can also take place (riding, biking, walking, scooter, etc.)

- What happened to the old days when people walked on the sidewalk, or in the green grass. WHY do we need to pay such special attention to those who feel the need to walk in the middle of the street, for gawd's sake. That is what sidewalks are for.
- I say STOP CATERING TO THOSE MORE FORTUNATE and consider those of us who are facing more challenges and deserve the same rights as others when it comes to accessing public spaces.
- Keeping JFK Drive closed to vehicle access 7 days a week is just stupid. The closure doesn't just impact me, think of deliveries, taxis, and all other reasons folks may need to drive through the park.
- This closure has impacted the traffic all around the park, congesting the roads, creating more exhaust, not to mention sucking up gas at a mere \$5.99 a gallon. Many trips that used to take me 15 min., now take me over 45 min., just to get around.
- So I plead and even beg you to reconsider this vote. Weigh the options and take ALL INTO CONSIDERATION, who would love access to our beautiful park.
- When it was closed to traffic on weekends (pre-pandemic) that didn't nearly have the impact it does now.
- This pandemic isn't going to last forever, please think "long term", not a short solution.
- We are a city of many, and all deserve access by whatever means works for all.

Thank you for considering how "all might feel" about this decision.

I pray a resolution that fits all can be obtained.

Kind regards,
MARLA J BLANCHARD
32 year resident of San Francisco

Subject: Why are we still discussing this?! JFK should remain car-free forever
Date: Sunday, April 24, 2022 7:31:56 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Supervisors San Francisco Board of Supervisors,

I support making JFK pedestrian promenade permanently car-free and you should, too.

How many traffic fatalities need to occur before we begin taking action to make streets for people not cars. JFK is no longer a part of our city's high-injury network. Instead it is a sanctuary for children and families, vibrant community gathering space, and safe route for active transportation, providing a critical link to western neighborhoods.

I'm glad that the nearly 2-year public process has resulted in many improvements for my neighbors with mobility impairments, like a significantly improved park shuttle and more accessible parking spaces in the area around JFK Drive than we had before the pandemic.

It's time for the board of supervisors to vote on the future of car-free JFK. Please vote to make JFK permanently car free for a better future for our city. And let's put this debate (which should have never gone on this long) to rest.

As long time city residents we are NOT in favor of closing JFK drive.
Closing this thoroughfare would restrict access to the museum, the aquarium, tea garden, etc.
Parking has become so difficult in the City, and now permanently closing more streets is just a BAD idea.

As a low income senior with limited mobility who comes to SF a few times a year to visit the deYoung, I can tell you that closing JFK Drive has major impact on my ability to enjoy this world class museum and the beautiful park that surrounds it.

From my perspective this closure will in essence make Golden Gate Park a large neighborhood park for the following reasons:

- 1) Street parking along the perimeter is very limited and forces individuals to walk long distances to reach most destinations.
- 2) The parking garage is very expensive if you spend more than a few hours.

I do understand and sympathize with your desire make the park more pedestrian friendly, but the irony is that in closing JFK Drive you would be reducing access to the park for a large portion of people who must drive here to become pedestrians and enjoy this wonderful park. Please keep in mind that many of those who will be impacted are tourists who are a major source of income for the City. It is an integral part of the lure of SF and one of the few attractions that can be enjoyed at relatively low cost.

By limiting access in this way you are making it an elitist park for locals.

Rose Decker

I am both a volunteer at the de Young museum and a person who frequently exercises in GGP and I urge you to find a way to compromise to allow everyone to enjoy and fully utilize the park. Making JFK closed to cars 24/7 is just plain stupid! This situation has become emblematic of SF's inability to reach compromise on any issue in order to appease special interests.

Yes, it's lovely to bike JFK at 11am on a weekday, but when I do that I literally see a handful of bicycles. Meanwhile, someone else is unable to enjoy the museums, tea garden, dahlia garden, flower conservatory, etc because politicians can't reach a compromise. Don't leave seniors, families and handicapped folks out of the equation!

Please, just do your jobs! Maybe everyone just has to give up a bit?

Subject: Keep GG Park open & open pandemic-era closed streets
Date: Monday, April 25, 2022 7:41:27 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Please vote to keep Golden Gate Park open to traffic on weekdays and Saturdays. I have been a San Francisco voter and taxpayer since 1979 and a homeowner since 1990. Before moving to Miraloma Park, I lived for many years at 10th and Fulton across from Golden Gate park. Then, I had no problem safely and regularly riding my bike through the park to Ocean Beach or running in the sidewalks and many pathways in the park. I did drive my mother, who used a cane, to see the rose garden, Conservatory of Flowers, museums and other parts of the park as she could not walk that far. Now that I am old and no longer running and biking, and have needed crutches and a cane, I too can no longer walk through the park. I wanted to see the Entwined light display in the park but could not. I would like to visit the Eastern part of the park but can not. Additionally, I have seen the adverse effects of not being able to cross the park by car and use JFK Dr to go from the Sunset to the Richmond District. This coupled with “slow street” closures has created more traffic problems than before the pandemic. Recently, it took an hour and a half to drive from the Pomeroy Recreation & Rehabilitation Center near Lake Merced at 1 pm on a weekday to the DMV on Fell Street for an appointment. It was bumper to bumper much of the way as cars could not use closed streets in the Sunset or go through GG Park. I regularly drive by Chenery and Kikham closed streets and have never seen anyone using the street to walk or run. I cannot ride a bike or take a bus to get groceries or other essentials. I could not even carry a bag of groceries into a bus. Seniors and families with young children rely on cars. Represent us with your vote.

Where access is "not such an issue" for folks with disabilities. And public transportation to these areas is not as scarce as trying to get to GGP.
- I'm 68 years young (not old); I don't have a bike because there is no place to store it; nor do I have a scooter or any other 2 or 3 wheel mobile options. Definitely not a skateboard.
- However, I do have a car and current mobility challenges. Awaiting a new hip. Walking, running, riding a bike or scooter is NOT AN OPTION FOR ME !
- Public transportation from my house in NOPA is almost non-existent, especially trying to get a bus close enough to GGP that I don't have to walk a mile or more to gain access. My bus options have dwindled from seven to only 1 bus. I'm blocks away from any other bus (the 5 or 21) that may get

me within a mile of the park. And I believe even one of these buses has not returned since the pandemic.

- I do have a car and a handicap placard, of which I would need and use both to gain access to the park. Sadly the parking garage charges "Way Too Much \$\$" to even consider parking there and it's also not a convenient option.
- When I am driving and reach my destination, I need to use my cane for additional support. I cannot walk a mile "In your shoes"!
- IF JFK Drive were to remain open to vehicles, at least during the week, I could enjoy the park, the surroundings, the museums and nature in general "because" I could park, using my placard.
- As it stands now, I cannot ! Why! Because of all the reasons I listed above.
- I am not the only person who has lost out on access to the park because the drive is closed.
- You don't know what challenges other folks face. You haven't even taken them / us / me into consideration.
- We should ALL have access by other means, than the 2 or 3 wheel kind.
- I seriously feel discriminated against because I don't fit what you seem to think are "adequate means of access and/or transportation".
- So ask yourself this, are you (the panel) considering EVERYONE when voting on this decision to keep JFK Drive closed. Do you know folks like myself who can no longer enjoy the park, because of a few (how many) who can use the other 1/2 dozen options, we can't. Maybe a friend, neighbor, family member, out of town guest, you name it, the options are endless.
- To allow one group of folks, possibly more mobile than many of us who aren't, to drive this decision to close JFK Drive permanently. That's absurd !!
- Might I also mention bike riders have the "Wiggle; Green stripes in the road for their own use; too many slow streets where all this activity can also take place (riding, biking, walking, scooter, etc.)
- What happened to the old days when people walked on the

sidewalk, or in the green grass. WHY do we need to pay such special attention to those who feel the need to walk in the middle of the street, for gawd's sake. That is what sidewalks are for.

- I say STOP CATERING TO THOSE MORE FORTUNATE and consider those of us who are facing more challenges and deserve the same rights as others when it comes to accessing public spaces.
- Keeping JFK Drive closed to vehicle access 7 days a week is just stupid. The closure doesn't just impact me, think of deliveries, taxis, and all other reasons folks may need to drive through the park.
- This closure has impacted the traffic all around the park, congesting the roads, creating more exhaust, not to mention sucking up gas at a mere \$5.99 a gallon. Many trips that used to take me 15 min., now take me over 45 min., just to get around.
- So I plead and even beg you to reconsider this vote. Weigh the options and take ALL INTO CONSIDERATION, who would love access to our beautiful park.
- When it was closed to traffic on weekends (pre-pandemic) that didn't nearly have the impact it does now.
- This pandemic isn't going to last forever, please think "long term", not a short solution.
- We are a city of many, and all deserve access by whatever means works for all.

Thank you for considering how "all might feel" about this decision.

I pray a resolution that fits all can be obtained.

Kind regards,
MARLA J BLANCHARD
32 year resident of San Francisco

Dear Board of Supervisors,

I am a senior homeowner in District 4 and use Golden Gate Park often to access and enjoy the Museums, California Academy, Hall of Flowers, the Arboretum and much more. The closure of JFK Drive has made it extremely difficult for me to get around the park, as well as through the city.

The continued closure of the road restricts access for people with disabilities, seniors, families with young children, people who do not live close to the Park, and low-income communities.

It's time to reopen the road, Golden Gate Park is for everyone, not just those who live near the park or are able to walk or bicycle around the park and city. I am absolutely opposed to the permanent closure of JFK Drive.

Sincerely,
Joyce Garabedian August

Subject: Reopen JFK Drive - Public Comment
Date: Monday, April 25, 2022 8:07:37 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Board Members -

I am unable to attend the April 26 Board of Supervisors meeting and submit these comments in lieu of an in-person comment.

I have served the visitors of the Fine Arts Museums of San Francisco for over 12 years as a docent guide. I've talked to a thousand visitors in that time. I've seen tears flow when an artwork's message was just the right message they needed. Laughter. Conversation. Connection. The deYoung especially provides us a chance to connect across cultures for a deeper appreciation of and connection with cultures other than one's own. I gave a tour once to a large group of visiting university students from China, most of whom could not speak English well and yet they connected to the art and stories of Oceania and Africa. As a docent, I was at the museum for hours twice a week, and often more, for art and history lectures and workshops, as well as giving 60 tours a year. Many of us do even more.

When you restrict road access to the museum you are making the city a smaller place, an insulated, inward serving place, ignoring the cultural and international significance of the museum to the city, and the role that it plays in the greater Bay Area region. Many of the museum's educators and guides as well as museum goers come from Bay Area counties outside San Francisco. You have an image of the museum as a forbidding place, a rarefied institution for the wealthy. Ha! The wealthy have fine art in their homes, the rest of us rely on museums to connect with great art and make cultural connections from the past to present. Isn't that valuable to the Board of Supervisors?

I am semi-retired. I contribute to the Bay Area community and the many, many visitors that visit the deYoung from all over the country and indeed, the world. I am not paid. I cannot afford to park in the garage once or twice a week, and off street parking is difficult to find and of too short a duration to give tours or attend a continuing education lecture or workshop. And how awful for the residents of the area around the deYoung to compete with an influx of parkers that closing JFK Drive will represent. I live in Marin County and there is NO transit service to the museum so I must drive and park in order to serve museum goers.

From what I've seen, there are so few recreational users of JFK Drive during the week, the street has a tiny fraction of visitors compared to the deYoung's visitors, and yet this closure policy so clearly favors the residents that can afford to be home on weekdays to use JFK Drive for bike riding and skating. Plus the JFK Drive closure policy has driven away museum visitors from around the Bay Area, which reduces revenue needed to maintain the artworks and museum.

I am saddened by the decline in visitors to the deYoung. I would think the city would be promoting such a long-standing cultural institution instead of restricting access to it.

Respectfully,
Darla Farr
Mill Valley

To All Supervisors,

Please oppose the permanent closure to JFJ Drive. On rainy days, those not biking, skating, walking, nor willing to wait in the rain for Muni to go to the De Young Museum, the California Academy of Science, the Hall of Flowers, will not be going.

If you think people do not go to the Hall of Flowers, the De Young Museum or the California Academy of Sciences, when it is a rainy day, think again.

Also, not everyone can afford to park their car in the garage.

Thank you for your consideration.

I find it short sighted that you are intent upon closing JFK drive permanently. You are limiting the park to those in the neighborhood who can walk or bike to the park. I am 82+ with one knee replacement and another knee replacement coming this year. I have previously enjoyed the DeYoung as a member. It is now impossible to get to the museum because of the distance of street parking and cost of parking in the garage. I have not renewed my membership to the museums. There are limits to how much retirement income can stretch. The last time we came for a full day we ate in the museum restaurant, parked in the garage and were staggered that the day's price was over \$75.00. When walking is limited and income is fixed, the joys of being in the beautiful park are not going to be available to me. With access to street parking on JFK drive, a trip to the park would be doable. Please consider the older, less able and leave the drive open.

Thank you,

K.Kastama

I am writing this note to say that I am *totally against* the proposed permanent closure of JFK Drive to automobiles. I believe that ALL of Golden Gate Park should remain accessible to ALL and not just to those who are physically fit. It was lovely to close it during the worst of the pandemic so that lots of people could get out, who live in the area, but now that we are no longer needing to shelter in place it is time to allow those, who aren't impaired in any way, to start to use the park again.

If you want to close an area of the park to cars you could consider an area away from all the attractions that we enjoy ie: The Botanical Gardens, Museums etc.

Thank you for thinking about this!and again.... Please vote NO on closing JFK Drive permanently!

Hello,

The continued closure of JFK drive is a real hardship for the volunteers who maintain the Dahlia Dell and for people wishing to visit this remarkable display of color in late summer. The Dell has been a labor of love for many hardworking devotees and it's future will be tenuous at best if a permanent banning of cars in the park were implemented.

Supervisors San Francisco Board of Supervisors,

I support maintaining JFK Drive in Golden Gate Park as a permanent pedestrian promenade. Car-Free JFK is wildly popular with San Franciscans of all ages and from all neighborhoods as a safe, peaceful destination and active transportation corridor in our park.

After nearly 2 years of public process and the new improvements to the shuttle and ADA accessible parking, it will become an even more inclusive destination and amenity for all San Franciscans.

Please vote to support a permanent car-free JFK for everyone.

Please do not close JFK drive or any other roads in SF. They have been attempting this hostile takeover of JFK drive since 1967 and until now they have failed. The voters have spoken on this issue a number of times and have plainly stated they do not want it closed.

With all the turmoil currently affecting our city (DA recall, School Board Recalls, homeless problems, rampant crime) the last thing we need to do is continue to divide our population because a few entitled people want to play in the streets. It is apparent that special interest groups have taken over not only our city government but have managed to gain positions within our city agencies to further their personal agendas at the expense of the citizenry. I am completely enraged by the pay to play that is going on in our city and demand that it be stopped. As a tax payer I resent our city departments providing tax monies to support these special interest groups. These groups have weaponized climate change in order to further their agendas.

Please revert to pre-pandemic usage and honor the compromise that was reached in April of 2007.

We have been unable to visit the park in over two years. Please allow us the ability to visit these locations. Shuttle buses are not the answer.

Please enter this email into the permanent record as my public comments re the Joint Special Transportation Authority Board Meeting with the Board of Supervisors, 4/26/22, and deliver it to the members in time for them to read it prior to the meeting. Hi Board Members,

I am in favor of reopening JFK drive to provide better access for visitors. I live outside of the park outside and am unable to walk long distances due to foot pain. When I come to the museum and academy it has been difficult to find parking near the area without a long walk. It was much better when JFK drive was open and the park is large enough for plenty of walking only areas,

Sincerely,

Date: Monday, April 25, 2022 9:52:33 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Board of Supervisors:

Tomorrow—Tuesday April 25—the Board of Supervisors' Agenda #1 concerns the status of the continued closure of Golden Gate Park's JFK Drive.

We **STRONGLY** support reopening this important road so ALL park visitors—families, visitors, aged, disabled—can access our City's iconic art and science and nature attractions.

There are already wide sidewalks, designated lanes for bikes, skaters, scooters and segues, as well as parking lanes and driving lanes—all clearly marked all along JFK Drive. We want JFK reopened to allow ALL visitors easy and fair access, including those who park their private cars as well as those who use public transportation.

Many visitors are now finding parking along Fulton Street (and the Avenues to the north of GG Park). This is negatively impacting Richmond residents who live close to the park; and this will only worsen if JFK Drive remains closed to automobiles and more visitors try to access the Park attractions post COVID.

We are among those who fought and successfully worked to have the de Young and the California Academy of Sciences rebuilt as beautiful, modern and accessible structures in Golden Gate Park after they were severely damaged by the Loma Prieta earthquake in 1989. This happened despite the Mayor and Board of Supervisors wishing to move them downtown. The Concourse between the two structures was also rebuilt and improved, and the underground parking facility—limited in size as it is—was also created.

Both of these important institutions—the Academy of Sciences and the deYoung Museum-- have thrived, and their futures should **NOT** be put in jeopardy by major changes to their accessibility as proposed by a group of skaters and bikers who really just want to keep JFK Drive for themselves.

Please **REOPEN JFK Drive** as it was pre-COVID.

Sincerely,

Richard and Ann Lanzerotti

Dear Supervisor Mandelman,

My name is James Mason, I live in your district at 866 Dolores St. I am writing to thank you for supporting Car Free JFK.

This has become such an important space for me. Every time I go I am struck by how happy everyone looks and how happy I feel. Children can play in the parks and run into the street and learn to ride their bikes. The elderly and mobility impaired are given space to move about and enjoy being outside without feeling like they are in anyone's way. It is a place of tranquility and joy. We desperately need more spaces like this throughout our city, not fewer.

I usually ride by bicycle to the park, but having now brought my friends and parents who are less comfortable biking, I have been struck by how accessible it is via Muni. Learning new muni routes has made me feel more connected to this city.

My parents do get to the park via car sometimes, and they are able to park on the other surface streets, and in the music concourse garage. Anyone who says the park is no longer accessible by car is mistaken.

Your commitment to keeping JFK car free gives me faith in your leadership for my district, and this city as we pursue our climate and vision zero goals.

Thank you,

James Mason

My husband and I have been members of the DeYoung Museum for many decades. We are seniors with some mobility issues. We normally drive in to SF from Marin County and park in one of the disabled spots along JFK Drive. Or -- we used to be able to do that. On our last visit to the museum to see the Judy Chicago exhibit we parked in a disabled spot in the museum's garage. It cost us \$26. This is not something we can afford to do on a regular basis, so we have now let our museum membership expire. What a disappointment and what a loss for us. Driving is the only realistic option for us to get to the park and the museum. We plead with you on behalf of all people who do not have easy access to public transportation or are not fit enough to walk long distances from parking spots to the museum entrance to reopen JFK drive -- at least part of the week. Please do not exclude us.

Hello,

I have worked within Access Programs at the Fine Arts Museums of San Francisco for 6 years and I am very worried about the permanent closure of JFK Drive behind the de Young Museum. During these past years, I have worked with visitors who need support and accommodations in order to come to the building and navigate inside of it successfully. Many people have told me that they are unable to afford the parking garage, that distances even as close as MLK Dr. are prohibitive, and they have given up visiting the museum. It may seem not many people fall into that category, but how we accommodate those who have real need, when there is a road available and directly next to the museum along with plentiful free parking, says a lot about a community. It would be wonderful if there could be a solution that recognizes the needs of those who require support as well as those who enjoy biking through the park. I am hopeful a compromise may be reached to keep the museum as accessible as possible to everyone.

Many thanks,

Subject: Support for Safe #CarFreeJFK
Date: Monday, April 25, 2022 10:52:36 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Director Ginsburg, Mayor Breed, and Director Tumlin, Rec and Park Commissioners, Supervisor Melgar, and other members of the Board of Supervisors,

I'm writing to urge you to support keeping JFK car-free permanently. As a resident of Supervisor Melgar's district I regularly use JFK to safely bike my daughter to preschool. We observe how people of all ages and abilities have been flocking to JFK to enjoy the car-free space.

Keeping JFK car-free would allow these people (and countless others) to get outside, enjoy nature, improve their health, and visit attractions in the Park.

Best of all, keeping JFK car-free would allow people of all ages, abilities, and means to access our beautiful park by whatever method they prefer — walking, biking, rolling, taking public transit, or driving a car — thanks to the ample access options, including buses, shuttles, the 3,000+ free parking spots throughout the Park and along Lincoln Way and Fulton Street, and the parking garages underneath the Music Concourse.

Finally, this 3+ mile car-free connection between the panhandle and ocean beach is a critical active-transportation corridor (walk, run, bike, scoot, roll) that encourages the most environmental and climate-conscious means of running errands, getting to work, visiting friends, and taking children to school.

Please join me, along with countless other residents and advocacy organizations, in supporting keeping JFK car-free forever.

Thanks again, and please take care.

File #'s 220370, 220261, 220339

Dear Board of Supervisors & Transportation Authority Board,

I am writing to urge you to reject a full & permanent closure of KFK Drive. The closure would limit access to Golden Gate Park and our beautiful deYoung & (I still call it) the Aquarium and the Tea Garden for anyone with mobility issues. Golden Gate Park is paid for by renters & property owners not just the Bike Coalition.

Why would you want to limit tourist access to the park our #1 revenue generator.

Free entry for San Franciscans to the "gardens of the park" is great but if you can not get there????

Thank you

Shawna McGrew

Sunsetfog@aol.com

P.S. It was working before I question who benefits from its closure?

Seven Reasons for Opening up the Park

Living on the south side of Lincoln, you are confronted by a “wall” almost 2 miles and 30 blocks long. If you are one of the hundreds of Kaiser Patients, or others that have destinations in the city you either have to face the grid lock on 19th or the race track on Lincoln to Masonic, to reach the other side of the park. What used to be a short, traffic free drive entering at 9th and exiting on Arguello is now a dangerous and anxious drive for older individuals. What used to be 8 or ten minutes can now be 45 minutes.

The underground garage in the Park is \$525. Per hour. Most people spend three or four hours visiting the museum, Academy of Science, Tea Garden, etc. The total could amount to more than 30 or 40 dollars which the average person cannot afford.

My wife is 87 and like a number of older women friends she does not feel safe parking underground.

I walk, every morning on Kennedy from Stow Lake to the end of the park, this side of Stanyan. At most I encounter 8 or 10 people during my daily 45 minute walk. Where are all of those people who are supposed to take advantage of the weekday closures? The area in front and back of Museum is almost vacant of people.

There has been a rapid increase in electric bikes that move twice as fast as normal bikes. They are very dangerous because they make no sound and riders never give a warning. As a result it is dangerous to walk in the road on Kennedy even though it is closed to traffic.

Park employees now park on the north side of Stow Lake for the entire day. Regular walkers or those visiting the museum or Tea Garden now find parking more difficult. Also parking at Stow Lake requires a steep climb of 20 steps to return to the lake which limits those with health problems using the lake to visit the museum.

Finally returning home from the North side of the park or those who work on the south side of the park, UC medical school and hospital workers have the same problems in reverse that confront those on the south side. Try driving down Stanyan early morning or late afternoon.

Reopen the park. My friends who live in the city and out hate it. It has decreased museum attendance. It is a barrier for disabled and people who can't afford the expensive parking garage.

Supervisors San Francisco Board of Supervisors,

I've thoroughly enjoyed walking, running and biking down a car free JFK over the past two years. This should not be a temporary enjoyment, vote to make this a permanent enjoyment for all San Franciscans.

It's time for the board of supervisors to vote on the future of car-free JFK. Please vote to make JFK permanently car free for a better future for our city.

Subject: Public Comment for Joint Special
Transportation Authority Board Meeting with the
Board of Supervisors, 4/26/22, 9:00 am

Dear Clerks for the Board of Supervisors and for the
Transportation Authority Board,

Please enter this email into the permanent record as my public
comments re the Joint Special Transportation Authority Board
Meeting with the Board of Supervisors, 4/26/22, and deliver it to
the members in time for them to read it prior to the meeting.

Dear Board of Supervisors and Transportation Authority Board,

I am writing to urge you to reject a full and permanent closure of
JFK Drive. The closure of JFK Drive limits access to Golden Gate
Park and beloved San Francisco institutions for people with
disabilities, seniors, multi-generational families and those who live
far away from the park. Golden Gate Park belongs to everyone,
not just those who can afford to live near the park or can
easily bike and walk.

As an example, in December, my 84 year old father who has
stage 4 cancer wanted to see some of the light installations for the
holidays at night during Christmas time. Due to JFK being
closed, we had to find a parking spot behind the Conservatory,
walk down the steep hill and several blocks round trip, then up the
steep hill again. Had to cut the trip short as he was cold and
getting exhausted. Had JFK been open, it would have been an
easy and enjoyable trip. His exact words were, " We're not doing
that ever again. It wasn't worth it". My Dad was born and raised
in the Richmond and GGP was his playground. I am
embarrassed for YOU that that is how you treat your Park
Patrons. (And all the shuttle busses in the world aren't going to
make it better)

It is not within your fiduciary duty to the citizens of SF to spend
vast amounts of tax payer's dollars to make " fixes " to the streets
which weren't broken in the first place and which were only
required due to your misguided policies extending well beyond
any reasonable time frame for "emergency pandemic use.". You
have greatly overstepped your bounds and crossed the line in
catering to the Bicycle Coalition and Parks Alliance in conjunction

with unelected appointee department heads in RPD and SFMTA running their own agendas instead of for ALL the people of SF. The people and the Feds will be following the money on this and other illegal road closures.

All RPD parks are GROSSLY understaffed to properly care for the parks we have currently and the misuse they are receiving due to your pandemic policies which are now well into their third year.

Interesting how you can host a giant 420 party with tens of thousands, but haven't lifted your "emergency road closures". I guess that's because they fit well with your agendas. "Slow streets" are a joke and have been for well over a year, especially Kirkham and Ortega. Not a soul on them all day. City sidewalks are plenty wide for walking, and bicyclists already have rights per the vehicle code. We'll get in to your Great HIGHWAY fiasco another day.

Perhaps lawsuits and special elections are the only way to wake you up to do the right thing in a timely fashion. Better hurry up before you have public egg on your faces and worse.

Regards,

Lauren Kerins

To all of the Supervisors:

We walked daily for 20 (twenty) years in the section of the Golden Gate Park that is most affected by the closure of JFK Drive; we observed the closure on Sundays - worked out well for most people and the street was happily busy. Observed the lane movement and different parking to accommodate the bike lane - but at no time did we see "freeway" racing by drivers on the street. There are several stop signs close enough to each other to slow the speeds. When the closure came during Covid, were unable to see the ferris wheel up close (from our car - we are in our 80's) and were unable to enjoy at all the light show that was installed at the east end of the drive, beyond the Conservatory of Flowers - no way to drive through, no way to park in the evening and walk a distance to that part of the park.

As we go through from Stanyan to Lincoln, never see a lot of people biking, walking or skating on the nearly empty drive - and there are still sidewalks - sidewalks - built for people on foot -

This push for permanent closure seems very selfish and not at all inclusive for everyone. The population of SF is not all young and able - and hopefully, the population of SF who is young and able are working and not available for play during the weekday. AND - there is a lot more Golden Gate Park open - all the way to the beach - that does not have two museums and Stow Lake and the Japanese Tea Garden, or the tennis courts, bowling greens, the Aids Grove, and last, but not at least, the great Big Rec fields and meadow.

We strongly urge a no vote on this issue - keep the Park open for ALL.

Elynor and William Schuppel
Residents of SF since 1960.

Dear Board of Supervisors and Transportation Authority Board,

I am writing to urge you to reject a full and permanent closure of JFK Drive. The closure of JFK Drive limits access to Golden Gate Park and beloved San Francisco institutions for people with disabilities, seniors, multi-generational families and those who live far away from the park. Golden Gate Park belongs to everyone, not just those who can afford to live near the park or can easily bike and walk.

I can guarantee that should you vote for permanent closure of JFK, your political aspirations will end. Lawsuits are already in place along with a ballot initiative to keep these roads of SF open. The same voters that recalled the school board, as all of you sat idle, will replace all of you. The DA is next. All of you can be next to go depending how you vote. Instead of making recreation areas, fix muni, fix the roads, fix the schools, fix the crime, fix the homeless, fix the people living in trailers, fix the city hall corruption, and fix our infrastructure. Between 1919 and 2022 you gave \$2,000,000 to the SF Bicycle Coalition and Walk SF as consultants without ever going out to bid? At one time, we had Janet Li, a Bart Board director, working as a consultant for SF Bicycle Coalition for a six figure income. This is San Francisco tax payer money!

We need a better city than having more places to ride our electric bicycles and skateboards. The park was designed for people to walk through the trees and enjoy a picnic on the grass with friends and family. Not to ride a skateboard on asphalt! Do what makes sense and do the right thing. All of us need to get to The De Young, Science Academy and enjoy the park. I was a member of SF Bike Coalition for over 20 years till this grassroots organization turned into a political lobby funded mostly by the city. I can no longer ride a bicycle, but still enjoyed driving through the park to smell the roses.

Thank you,

Tony Villa

Dear Board of Supervisors,

I am a disabled senior who lives north of San Francisco so I must drive to Golden Gate Park when I visit the deYoung Museum, the Academy of Sciences or other beautiful spots in Golden Gate Park. Handicapped Parking on JFK Drive makes it possible for me to park closer to those entrances without paying the exorbitant rates in the underground parking structure. GGP is a treasure for all of us regardless of city residence. Please open JFK Drive to vehicles in consideration of people with limited mobility.

Thank you,
Sonja Bedford

I have no objection to JFK Drive being closed on the weekend as it used to be but I do strongly object to the total closure. My husband is disabled and it is difficult to park close to various sites. For instance, where the light display is, there is very little access to parking. I walk on JFK on week days and there are not that many bikes or pedestrians to warrant the closure on week days. I know you can't please all the people all the time, but some compromise should be made.

Thank you.

From: [H. Smith](#)

Please vote to reopen JFK Drive to traffic! Having it closed adversely impacts senior residents and the disabled of our City who can't walk as far as young and able bodied people to get to the Conservatory or the Museum Concourse. They have to be dropped off near those locations from cars driven by friends and family.

The opening of JFK Drive to traffic still allows bicyclists to ride easily through the park. And residents and tourists alike can still stroll along the sidewalks.

Golden Gate Park should be convenient for ALL our residents.

Carolyn Lucas

Subject: I am opposed to the permanent closure of JFK Drive in GG Park
Date: Monday, April 25, 2022 2:16:14 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Board Members and Clerk of the City & County of San Francisco,

I am writing to request that you do not permanently close JFK Drive.

There are other less drastic options than permanent closure that would ensure sharing JFK Drive for recreation and for access to the world class DeYoung Museum and Academy of Sciences.

As a San Francisco native, I am saddened by the ruthless and careless driving tactics in SF that have necessitated speed bumps, "slow streets" and street shutdowns to bring a modicum of safety for pedestrians and cyclists. That being said, the complete permanent shutdown of JFK Drive just makes for worse traffic around the park on Fulton Street, Lincoln Way and Stanyan. There are fewer parking options and overall limited access for getting into the museum area. The shutdown of JFK makes parking lots of the few streets that are open for accessing the museum area.

I am the mother of a child with disabilities and, when my mother was alive and graduated from needing crutches to needing a wheelchair, it has been critical to have car access to the museum areas. The community must be able to have at the very least some days when the park is fully open on JFK in order to allow better traffic flow, more parking and, importantly, access to the bandshell area and museums for people with disabilities.

This doesn't have to be an all or nothing decision. Perhaps shutdown part of JFK or shutdown JFK on Saturdays and/or Sundays. Shutting down JFK completely is a poor decision and lacks consideration of anyone who isn't a cyclist or jogger.

Sincerely yours,

Susan Simpkin

Dear Clerks for the Board of Supervisors and for the Transportation Authority Board,

Please enter this email into the permanent record as my public comments re the Joint Special Transportation Authority Board Meeting with the Board of Supervisors, 4/26/22, and deliver it to the members in time for them to read it prior to the meeting. Please acknowledge your receipt of my comments by emailing me at judigorski@gmail.com. Thank you.

Dear Board of Supervisors and Transportation Authority Board,

Please vote against the continuation of road closures in Golden Gate Park and do not support any of the limited reports that the public has seen as they are inconclusive and flawed reports.

1. The survey and report requested by Supervisor Walton that will be presented tomorrow only includes people from 3 districts - Districts 3, 10, and 11. The other 8 districts, including my own were not included in the "city-wide" survey? How anything be concluded from such a limited survey? This incomplete survey presented to the public over the weekend, should not be accepted as it is written.
2. The results of the incomplete survey, do not represent the majority of the citizens and should not be admissible as a city-wide survey regardless of the questionable methodology used to gather the data.
3. When the voters were give the opportunity to vote on road closures in Golden Gate Park, they voted NO closures.
4. You must give the voters an opportunity to vote on the use of their public streets before removing access to them on a permanent basis.
5. The streets and the city will never return to normal until all the COVID restrictions, including closed and slow streets are returned to normal.

Respectfully submitted,
Judi Gorski

Dear Clerks for the Board of Supervisors and for the Transportation Authority Board,

Please enter this email into the permanent record as my public comments re the Joint Special Transportation Authority Board Meeting with the Board of Supervisors, 4/26/22, and deliver it to the members in time for them to read it prior to the meeting. Please acknowledge your receipt of my comments. Thank you.

Dear Board of Supervisors and Transportation Authority Board,

I am writing to urge you to reject a full and permanent closure of JFK Drive. The closure of JFK Drive limits access to Golden Gate Park and beloved San Francisco institutions for people with disabilities, seniors, multi-generational families and those who live far away from the park. Golden Gate Park belongs to everyone, not just those who can afford to live near the park or can easily bike and walk.

My grandparents, who are in their 90's and incapable of walking far enough to access the amenities in Golden Gate Park without being able to drive and park close to the various exhibits, have felt discriminated against because of their ages and financial inability to pay high garage parking fees. They do not feel safe on the public transportation available to them. If JFK is closed, they may not ever return to Golden Gate Park. My parents are also senior citizens with compromising health issues who feel the same way. My wife and I live in Bernal Heights and without access by our own car, we too will avoid that area of the park. We are a family of artists and art appreciators who now wonder if memberships to the Science and Art Museums are worth it for us with the difficulties in accessibility to them by our private vehicles. Please reopen JFK so everyone can still safely drive, park and use all areas of Golden Gate Park as we were able to do before the closure. We've all suffered enough through what was promised to be a temporary measure during the Pandemic. Let's end it and open up JFK, the Great Highway, and the other temporarily closed streets and again be the San Francisco that welcomes everyone.

Thank you,

Justin Gorski
Native San Franciscan, taxpayer and voter

I am rewriting the words of my neighbor and friend Tony Villa. It seems pointless to continue to persuade you of our stance on the closures of roads as it seems that you have all decided the fate of our cities roads without offering the voters the opportunity to share their voices. As tens of thousands of us have united to ask, beg and plead that the roads that are scarcely used Monday-Friday be opened back up to cars to alleviate the hellish traffic and congestion not to mention safely of the individuals who believe that walking in the center of a car traveled road with their children has become safe. I implore you to reconsider your closures because the next election will determine who and who you do not respond to. I have written upwards of more than 40 emails, calls and heard from only Connie Chan and one response from Mr. Mar.

Here is the letter that our Open the Great Highway Group and Open Lake Street have shared with us and I again ask you for your time to consider all of the needs of your constituents, not just the handful of lawless entitled bike riders.

Yours,
Nancy Zerner

Dear Board of Supervisors and Transportation Authority Board,

I am writing to urge you to reject a full and permanent closure of JFK Drive. The closure of JFK Drive limits access to Golden Gate Park and beloved San Francisco institutions for people with disabilities, seniors, multi-generational families and those who live far away from the park. Golden Gate Park belongs to everyone, not just those who can afford to live near the park or can easily bike and walk.

I can guarantee that should you vote for permanent closure of JFK, your political aspirations will end. Lawsuits are already in place along with a ballot initiative to keep these roads of SF open. The same voters that recalled the school board, as all of you sat idle, will replace all of you. The DA is next. All of you can be next to go depending how you vote. Instead of making recreation areas, fix muni, fix the roads, fix the schools, fix the crime, fix the homeless, fix the people living in trailers, fix the city hall corruption, and fix our infrastructure. Between 1919 and 2022 you gave \$2,000,000 to the SF Bicycle Coalition and Walk SF as consultants without ever going out to bid? At one time, we had Janet Li, a Bart Board director, working as a consultant for SF Bicycle Coalition for a six figure income. This is San Francisco tax payer money!

We need a better city than having more places to ride our electric bicycles and skateboards. The park was designed for people to walk through the trees and enjoy a picnic on the grass with friends and family. Not to ride a skateboard on asphalt! Do what makes sense and do the right thing. All of us need to get to The De Young Science Academy and enjoy the park. I was a member of SF Bike Coalition for over 20 years till this grassroots organization turned into a political lobby funded mostly by the city. I can no longer ride a bicycle, but still enjoyed driving through the park to smell the roses.

Thank you,

--

A good library will never be too neat, or too dusty, because somebody will always be in it, taking books off the shelves and staying up late reading them. ~Lemony Snicket

Dear Board of Supervisors and Transportation Authority Board,

I am writing to urge you to reject a full and permanent closure of JFK Drive **at this time**. The closure of JFK Drive limits access to Golden Gate Park and beloved San Francisco gardens and institutions for people with disabilities, seniors, multi-generational families and those who live far away from the park. Golden Gate Park belongs to everyone, not just those who can afford to live near the park or can easily bike and walk. It is incumbent upon the City, Parks and Rec and the MTA to make sure access is equitable for all citizens before permanent closure. The existing signs and instructions are not enough. Until the issues of convenient, reliable, and publically available access are in place and this information is readily available and easily accessible, please do not permanently close access.

Also of note, while the "pandemic" closure has provided benefits to some and privileges to many, the wanton disregard of safety rules by bicycle, scooter and skateboard riders creates discomfort and danger to walkers. There has also been a significant rise in motorized bikes/scooters/skateboards (and even unicycles) cruising upwards of 30 mph throughout the walking lanes obviating the closure strictly to motorized automobiles.

Thank you,

Jennie Lyons

Re: Public Comment for Joint Special Transportation Authority Board Meeting with the Board of Supervisors, 4/26/22

Dear Board of Supervisors and Transportation Authority Board,

I am writing to urge you to reject a full and permanent closure of JFK Drive.

I am a 4th generation SF Native who has not only a disabled child, but disabled Mother and disabled stepmother. By closing JFK and (also MLK) it makes it very difficult for me and my family to visit parts of the park which we actually use daily. I'm all for compromise and, sharing space I think it would be beneficial to paint bike Lanes and for Sunday closures like it was in the past. However, by closing JFK permanently you're not allowing ALL franciscans and Bay Area people to utilize the park and, keeping it for a select few.

You've included these little shuttle buses which we cannot maneuver, let alone get three individuals near to or even on to, it's absurd. Please GHP and JFK assessable public use for ALL of us, it would make life so much easier for families like ours (physically and legally.)

Please listen to ALL your people, not just a select few.

Loreen Bernardini & family

Dear Supervisors,

As a senior and as someone who has mobility issues I strongly recommend that you reopen JFK Drive to autos.

Not everyone can ride a bike to the park. Maybe someday MUNI will provide reasonable service to allow people to access that park without cars, but that is certainly not even close to happening now. The park should be available for all to enjoy. There is plenty of space for cars, bikes and pedestrians to share the road. There is a dedicated, protected bike path, extensive sidewalks and a road. Please return the park to a situation where all three can be used for their intended purpose and provide access for all.

Thank you,

John DeCock

Supervisors—I am 76 years old, a native San Franciscan (born here, raised in Los Altos) and have lived in the city for the past 45 years. I am also a bicyclist. I think it is crucial that JFK remain open to cars at least Monday-Friday.

There are too many people who are unable to take advantage of all the wonderful things GGP has to offer without the option of getting there by car.

I was a member of the bike Coalition but am not renewing my membership. I think the organization is too exclusionary. They don't understand that not everyone can get around without a car.

Also....Great Highway—please close to cars on weekends, open to cars on weekdays.

Thank you....

NO PERMANENT CLOSURE of JFK DRIVE, PLEASE! Some of us have age-related limitations & can only access parts of the park by car.

I once loved bicycling. I support limiting some streets to bikes only on the condition that some streets are limited to cars only (Pine & Bush, for example).

Some streets are big enough to accommodate all (Great Hwy).

Some streets can easily adopt an alternate day schedule (JFK).

It ain't rocket science.

Thank you.

Mark Cooper & Jose Romero / Twin Peaks

SaveMUNI

4/22/2022

SaveMUNI urges you to restore JFK Drive and all other roads inside Golden Gate Park to their pre-pandemic usage as soon as the COVID Emergency Order has been lifted. The continued closure of JFK Drive and other Golden Gate Park roads deprives persons with disabilities, seniors, families with young children, those who do not live close to the Park and those who cannot afford the high price of the Music Concourse Parking Garage of equitable access to the Park's many amenities.

The continued full-time closure of these roads also conflicts with the City's policy and Park Code Secs. 6.12(b)(i) and 6.13 (c)(i), which requires that physical accessibility is provided through the closure area compliant with the Americans with Disabilities Act.

Following this reopening, SaveMUNI recommends that the City conduct an international design competition that would be worthy of San Francisco.

SaveMUNI supports sound planning to transform public spaces and transit to benefit the most people, in the shortest time frame, at the lowest costs. The public process for the Better Market Street Project involved multiple city agencies and community partners, as well as environmental review, quick-build improvements and phased design and construction. A Better JFK Drive Project deserves an equally robust design process:

We need real time data. Visitor counts should be conducted at important locations (JFK Drive, DeYoung Museum, Academy of Sciences, Japanese Tea Garden, Music Concourse, Conservatory of Flowers, Botanical Gardens) as well as at venues and events during the JFK Drive road closure. In addition traffic counts should be conducted on adjacent streets and roads.

When the pandemic's emergency order is lifted, gather visitor and vehicle data at all the same locations after restoring JFK Drive's thru-traffic and weekend/holiday road closures. In keeping with SaveMUNI's mission to prioritize public transit, gather data on Muni buses, paratransit, taxis, Hop-On/Hop-Off buses and, drop-offs for seniors and disabled commuters and deliveries. Data-driven criteria can then inform design of JFK Drive and Golden Gate Park's roadways.

We believe that the roads in Golden Gate Park should be reopened to their pre-pandemic state until there has been a full data-driven process and a consideration of all alternatives. Only then will the Park be accessible to all regardless of age, ethnicity, or physical ability.

Bob Feinbaum

President, SaveMUNI

Date: Monday, April 25, 2022 3:14:33 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Supervisors San Francisco Board of Supervisors,

I live in District 3 and wanted to express my support for a car-free JFK. Parks should be for people, and not serve as a city-subsidized free parking lot for wealthy car owners. Thousands of people enjoy the car-free promenade everyday (not just weekends). San Francisco should set a great climate example and show that we don't have to maintain the harmful status quo of prioritizing the convenience of drivers over people's health and lives.

<clerk@sfcta.org>; Board.of.Supervisors@sfgov.org <board.of.supervisors@sfgov.org>

Subject: April 26, 2022 Joint Board of Supervisors and SFCTA Meeting: Board Files Nos. 220370; 220621; 220339

I am writing in reference to the April 26, 2022 Joint Meeting of the San Francisco Board of Supervisors and San Francisco County Transportation Authority.

Please include the attached documents in the Board Packets for the following Board File Numbers on the Agenda: **File Nos. 220370; 220621; 220339**

These attached documents must be part of the Record for this meeting.**To:** San Francisco County Transportation Authority and San Francisco Board of Supervisors

Dear Commissioners and Supervisors,

Regarding the Equity Study: There were only three districts included in the Equity Study: District 3, Supervisor Aaron Peskin's District; District 10, Supervisor Shamann Walton's District; and District 11, Supervisor Ahsha Safai's District. People from all of the other districts in San Francisco are severely negatively impacted by the road closure of JFK Drive; therefore we urge you not to accept this study, but to commission a thorough study that includes everyone in San Francisco; that is, from every district. This study is insufficient. The only true study would be for you Supervisors to put this on the ballot and ask the People of San Francisco if we want JFK Drive to return to its pre-pandemic protocols.

Regarding the Recreation and Parks Department mitigations: they will never equal equity because most disabled and elderly people are unable to park out of the park, walk to a shuttle stop, board a shuttle, dismount from the shuttle, then have to wait again for a return shuttle, board again, then dismount, then walk back to an out-of-park parking space. This is simply impossible. Most of us cannot climb steps, so any shuttle bus is impossible for us. There is no equal access without reopening JFK Drive to automobile traffic, with parking all along JFK Drive, so that we can drive to our destination, park, and be there.

PLEASE VOTE NO ON ITEM 3 FILE #220261 PARK CODE- GOLDEN GATE PARK ACCESS AND SAFETY PROGRAM - SLOW STREET ROAD CLOSURES. It is cruel, inhumane, ableist, classist, racist, and amounts to ethnic cleansing of Golden Gate Park. There is another perfectly viable, sylvan road with a pond, Middle Drive West, that was repaved after the 2007 Compromise Agreement and was supposed to be promoted as an alternative road closure site. It was repaved, then ignored. The agreed upon programs never happened.

All of this fighting over the segment of road that is called JFK Drive is really because the able-bodied elites don't want to share the road with families from the outer neighborhoods, the disabled, or the elderly. They just want to play in the sunshine with people who look like them. By the way, isn't the purpose of a park for people to visit the trees, the lawns, and the gardens? JFK Drive is supposed to be the means to get to the greenspaces, it is not supposed to be the end in itself. If people want to ride a bicycle, they can do that on Middle Drive West, or on any of the abundant Slow Streets throughout the City. The demand for exclusive use by the bicyclists of JFK Drive is simply selfish and mean, in total contempt for the suffering their privilege is bestowing upon the elderly and the disabled. Please do not enable the ethnic cleansing of Golden Gate Park. **Please vote NO on the proposed permanent road closure of JFK Drive.**

As for Item 4. **File #220339** [Park Code - Golden Gate Park Access and Safety Program - Slow Street Road Closures - MODIFIED CONFIGURATION] introduced by Supervisor Connie Chan and Supervisor Shamann Walton, **PLEASE VOTE YES.** It is not perfect, but at least it provides some relief, some measure of access. We feel that only fully reopening JFK Drive back to how it was before March 2020 when Mayor Breed used the excuse of the pandemic to impose draconian closures that have excluded the elderly, the disabled, and multi-generational families from everywhere from easy and free access to all of the amenities along JFK Drive, which our taxpayer dollars pay to maintain, would provide true equity. But since you are constantly being lobbied by the Bicycle Coalition, Walk SF, and SF Transit Riders staff members whose salaries our taxpayer dollars pay, you have the impression that their viewpoint is the majority of San Franciscans' viewpoint, which it is not. But you feel the pressure, especially since the mayor and the directors of the Recreation and Parks Department and the San Francisco Transportation department are determined to close our principal city park to cars, and for some reason the big-developer backed interests such as the YIMBY organization want the Park reserved for the elite and able-bodied to use. Just remember, that when you have a hearing, only those persons with the privilege to be able to attend are the ones you hear from. The vast majority of working class people are at work, unable to participate, if they even know that their access to the park is threatened. Please express compassion and respect for ALL San Franciscans and **VOTE NO ON PERMANENT JFK ROAD CLOSURE.**

Tomasita Medál
Park Access 4 All

Some of the organizations that we know have taken formal positions in support of fully reopening JFK Drive and in strong opposition to Mayor Breed, Supervisor Mandelman, Supervisor Preston and Supervisor Haney's proposal for 24/7 full road closure are:

The ARC, SF

Calle 24 Cultural District
Church Women United, SF
Coalition for San Francisco Neighborhoods
Concerned Residents of the Sunset
District 11 Council
District 11 Democratic Club
East Mission Improvement Association
Excelsior Action Group
Golden Gate Heights Neighborhood Association
Gray Panthers of San Francisco
Labor Council for Latin American Advancement

Here is what JFK looks like right now on this beautiful afternoon (below). No one but a few cyclists in the roadway. I need to come east from the ocean in the early morning every day, and I turn off Fulton every day before Park Presidio and drive on Cabrillo (with many other cars). Traffic on Fulton, Stanyan and Lincoln is crazy. ***Don't do this to these neighborhoods.*** Please see my photos below. Thank you.

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

There is hardly any walking on JFK during the week. I can send you literally hundreds of pictures at all times.....a few bikes, no pedestrians. They walk on the paved sides.

Not everyone can ride bikes.

Traffic on Stanyan is INSANE! Talk about gridlock and pollution!

People need cars to get to either side of the park, as well as the attractions.

COMPROMISE PLEASE!!!!

CLOSE IT ON THE WEEKENDS, OPEN IT DURING THE WEEKDAYS!!!!

Subject: stop permanent closure of JFK Drive
Date: Monday, April 25, 2022 2:44:31 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

To the Board of Supervisors and the SFCTA,

To this date the City of San Francisco's departments and agencies, principally Recreation and Park, Municipal Transportation Agency, and the Mayor's Office on Disability, have failed to create a comprehensive, integrated plan to close down JFK Drive permanently to gas powered vehicles. Scattered, small, isolated improvements to parking, drop off sites, the Shuttle, bus routes do not create an adequate service for visitors coming from near and far.

A negotiated plan in the manner of Supervisor Chan's at least makes an effort to serve more communities within the city and beyond. It deserves attention. The plan should be permitted at least for a term of years. At that point another vote could be taken on permanent road closure.

The rush to permanent closure at this moment is foolhardy. The proposed closure is not serving the visitor community as a whole, only that of the young and able.

No total, permanent closure of all JFK Drive to vehicles

Subject: Why won't the de Young talk about the car-friendly Legion of Honor?
Date: Monday, April 25, 2022 2:36:38 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Supervisors,

The de Young says attendance has dropped due to the car restrictions. Has anyone asked them to explain why the Legion of Honor attendance has also declined, without car restrictions? Seems like a consequence of COVID, not cars.

The JFK Promenade is such a bright spot in our city. The amount of joy I witness on people's faces while walking, running, rolling, or biking through is amazing.

Please do the right thing, for people and the planet, and make this permanent.

(And those of you who tweeted nonsense after meeting with the de Young's [expensive lobbyists](#), shame on you.)

Subject: Please vote AGAINST the Closing of JFK Drive
Date: Monday, April 25, 2022 5:33:10 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear SF Supervisors,

I am writing to urge you to vote against the closing of Golden Gate Park's JFK Drive. I have listed my reasons below:

- As a 65 year old Disabled San Francisco Native I had to cancel my De Young Museum Membership because five years ago I became disabled and now have no close and free Disabled parking. It also limits me to my favorite part of the park. I am not the only one who has had to cancel their membership because of the closing. Please vote against the closing of JFK Drive to automobiles.
- The closing of JFK Drive and the Slow Streets have created backups and unsafe surrounding streets as we are no longer able to cross the park via JFK Drive. I have lived at 12th Ave. and Lawton for over 20 years, three blocks from GGP and the open arteries are more dangerous than ever. It takes much longer to get to the other side of the park and the streets have become much more dangerous for walkers, runners, bicyclers, scooters, and drivers. There is back up in the surrounding open arteries. Please vote against the closing of JFK Drive to automobiles.
- There are so many other roads and streets that bicyclers can use in GGP if they don't feel safe using JFK Drive. JFK Drive should be a shared drive. Please vote against the closing of JFK Drive to automobiles.
- I am vehemently against Mayor London Breed's and Supervisor Connie Chan's proposals for JFK Drive. It needs to be fully opened for vehicles. The Disabled have been forgotten in this decision. I refuse to ride a shuttle because of Covid and do not feel safe from standing waiting for a shuttle. There are too many people being robbed and/or attacked in the streets and parks of our

city. Please vote against the closing of JFK Drive to automobiles.

- I am fine with the closing on Sundays. But JFK Drive should be open to all citizens of this city the remaining six days. Please vote against the closing of JFK Drive to automobiles.

I urge you to vote against the closing of JFK Drive.
Thank you for reading and taking my opinion into consideration.

Best,
Felicia Valmonte

Supervisors San Francisco Board of Supervisors,

I support maintaining JFK Drive in Golden Gate Park as a permanent pedestrian promenade. Car-Free JFK is wildly popular with San Franciscans of all ages and from all neighborhoods as a safe, peaceful destination and active transportation corridor in our park.

After nearly 2 years of public process and the new improvements to the shuttle and ADA accessible parking, it will become an even more inclusive destination and amenity for all San Franciscans.

Please vote to support a permanent car-free JFK for everyone.

Subject: Public Comment for Joint Special Transportation Authority Board Meeting with the Board of Supervisors, 4/26/22

Dear Board of Supervisors and Transportation Authority Board,

I am writing to urge you to reject a full and permanent closure of JFK Drive. The closure of JFK Drive limits access to Golden Gate Park and beloved San Francisco gardens and institutions for people with disabilities, seniors, multi-generational families and those who live far away from the park. Golden Gate Park belongs to everyone, not just those who can afford to live near the park or can easily bike and walk.

I am 80 years old and still attend exhibitions at the de Young

Museum and the Palace of the Legion of Honor. These have been special places in my life since I was a child, attending school in San Francisco. It was all free, and I miss that aspect of visiting these cultural treasures, also.

I have had two knee replacement surgeries and still have mobility issues. Please do not make it even more difficult for me to have access to Golden Gate Park at this time in my life. It continues to expand my world, and, therefore, means the world to me.

Thank you,

Subject: Please make JFK Promenade permanent by passing Mayor Breed's legislation...
Date: Monday, April 25, 2022 5:11:10 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Board of Supervisors,

JFK Promenade has been a silver lining of the pandemic, resulting in a 30%+ increase in park visitation from across our city (~8 million visits), and was supported by more than 70% of San Franciscans who engaged in the official City survey. Further outreach showed broad support for permanence with increased access and equity to this amazing space without compromising or amending the Mayor's legislation and City staff recommendations.

JFK Promenade makes our city a more connected, healthy, and sustainable city.

With Tuesday's meeting about the Mayor's legislation, the people of our city are looking to you to lead and pass the Mayor's legislation as is—please no more delays, continuations, or amendments. Now is the time to make a decision, lead, and move forward for the future of our city.

People who love and rely on JFK Promenade assume it is already permanent and they are looking to you to vote in their interest to make JFK Promenade permanent and allow City staff to continue increasing accessibility, equity, and safety in our park. The Mayor's legislation will increase access and equity to JFK Promenade without compromising on the joy, safety, community, beauty, and serenity that the space has created. We need constructive, programmatic, and collaborative leadership that focuses on solutions and takes necessary action to move our city forward towards a more connected, healthy, and sustainable future.

Among countless positive uses, JFK Promenade serves as an essential commute corridor for workers as well as kids and families, including as part of the JFK Promenade Bike Bus: <https://SFBikeBus.com/JFK>

For those thinking about compromise, JFK Promenade and the broader Golden Gate Park project is already a compromise. JFK Promenade represents less than 10% of the roads in Golden Gate Park—and less than 0.5% of the roads in San Francisco—and the only car-free space accessible 24 hours a day, 7 days a week in our city.

Please pass the Mayor's legislation as is at Tuesday's meeting, so we can move forward as a city making this space more accessible, equitable, and enjoyable for everyone in our city.

To hear from people who benefit from JFK Promenade, check out the videos on

CommunitySpacesSF.com, where you can hear from people who love JFK Promenade and need you to make it permanent. In particular, listen to the stories of the following residents:

1) Carol, a senior with a disability who uses her mobility device on JFK Promenade with peace of mind that allows her to fully enjoy Golden Gate Park:

<https://youtu.be/cBG3pS1qswM>

2) Kingston, a kid from the Southeast who rides his bike with friends on JFK Promenade, in part to escape violence in his neighborhood: <https://youtu.be/Z0LGDrOFPJ4>

3) Phil, who rarely visited Golden Gate Park growing up and now bikes there with RideOut Posse SF and encourages inner-city youth to be active at JFK Promenade:

<https://youtu.be/1QXo34gGIU8>

You can watch the full 'Safe Places, Community Spaces' video here:

<https://youtu.be/LVOymMfr7bc>

Please lead on this issue by passing the Mayor's legislation as is at Tuesday's meeting, so we can move forward as a city making JFK Promenade more accessible, equitable, and enjoyable for everyone in our city.

Thank you, and please take care.

Best,

David L. Annicchiarico

Subject: Open JFK Drive
Date: Monday, April 25, 2022 4:55:50 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Good afternoon,

I submit these comments in connection with the April 26, 2022, SFCTA hearing on the proposal to close JFK Drive.

My wife and I have lived in District 7 for twenty-seven years, and District 4 for five years before that. I know I speak for the overwhelming majority of our friends and neighbors when I say we are sick and tired of all the road closures throughout the City and want things to revert to their pre-pandemic status quo. Mr. Ginsburg, Mr. Tumlin, and many other public officials and special interest groups have hijacked that COVID-19 pandemic and used it to advance their personal agendas, which are out of touch with the interests and needs of most of us. I will soon be submitting irrefutable proof by way of RPD internal documents demonstrating that their efforts have been rigged from the inception to achieve the desired result of closing the roads. Their studies, public outreach, etc. has been a matter of "going through the motions" and in truth is a worthless charade because Mr. Ginsburg, Mr. Tumlin, and their allies locked in on their unbending goal on day 1, drawbacks, facts, public preferences, etc. be darned. Their effort were never designed to evaluate the result that is best for San Francisco and to allow the decisionmakers (you) to render a truly informed decision. Their means have been based on intentional deception, use of false and misleading data and other information, manipulation, and propaganda. How public officials being paid by the taxpayers can get away with advancing major, controversial proposals, not through a neutral and unbiased process but a "fixed" one is mind boggling, and does not pass muster under any model of good government.

Tomorrow's JFK proposal is no exception. Their studies, surveys, and the like have zero integrity, and their presentation is tainted and biased. Most people go to Golden Gate Park to enjoy the meadows, walk on the paths, and see various attractions; not to play in the street. But Mr. Ginsburg and his allies now want to close roads so that people can come to Golden Gate Park to play in the street. Think about that. And in truth, however, a closed JFK is primarily just a large space for bicyclist to whiz through, with most pedestrians opting for the sidewalks, meadows, and paths anyway. This is a pure handout to the Bike Coalition, which does not represent the overwhelming majority of San Franciscans. I note too just a few years ago millions of our tax dollars were spent reconfiguring the parking along JFK to create protected bike lanes.

A closed JFK means my elderly in-laws were not able to appreciate the recent light shows at the Conservatory and the meadow just east because I could not drive them there. If my kids were still young and if I was still coaching youth baseball, a closed

JFK drive means we could not have held the many large park-gatherings with other families and team parties on the lawn in from of the Conservatory or the one near the log cabin because we could not have toted all of our picnic/bbq equipment, coolers, sports equipment, chairs, blankets, bikes, etc. there. And it means that so many of the disabled community is denies access to this wonderful area of the park.

Please immediately reopen JFK.

Charles Perkins

April 25, 2022

Re: Special Meeting April 26, 2022, at 9:00 a.m.
GGP Access and Safety Plans

Dear Members of the Board of Supervisors and Country Transportation Authority:

San Francisco Taxi Workers Alliance urges you to support taxi stands in the Concourse and access to the Concourse for taxis from 8th Avenue & Fulton.

Taxis provide a public service for many:

- Taxis provide crucial on-demand service for park visitors with limited mobility, providing people with limited mobility the freedom of travel they deserve.
- Taxis provide a public service to park visitors and employees who cannot easily take a bus to their destination, not only seniors and the disabled, but also tourists who are unfamiliar with Muni, families with tired children, or workers who have been on their feet all day.
- It is especially important to provide this service to visitors and employees at events held at night when bus service is infrequent, including wedding receptions, holiday parties, and regular events.
- **To provide this service, we must have taxi stands in the line of sight of the de Young Museum and Academy of Science exits.** Many people need to see a taxi to think of taking a taxi. Otherwise, they will call an Uber or Lyft.

Our ability to provide good service will be severely limited if our access to the Concourse is restricted:

- Access only via 9th & Lincoln limits the number of taxis willing to service the museums. Taxi drivers to the north of the park (where the majority of taxis will be) will be reluctant to drive all the way around the park in order to enter via 9th & Lincoln.
- Access only via 9th & Lincoln will generally cost passengers more. In our cumulative experience, very few rides have pickup points or destinations for which that route is best.
- The additional cost associated with the 9th Avenue route will inequitably impact senior, disabled, and low-income passengers the most.
- It is particularly important to provide good access for senior and disabled passengers. We anticipate access via the parking garage may work for drop-offs but will not work well for picking people up. The time limit on these spaces may not be long enough to wait for passengers with limited mobility or to accommodate passengers in wheelchairs.

Anything that makes us less efficient also has the potential to reduce our income. Restricting our access constitutes yet another blow to taxi workers who are already under unimaginable hardship.

Car Free JFK must allow taxis access from 8th Avenue to the Concourse along the route of Muni's 44 line:

- If we are going to challenge Uber's and Lyft's efforts to privatize our public transit system, we must

give taxis the same access to the City that Muni has.

- Public transit is given privileged access to the City in order to encourage people to use it. Taxis are part of our public transit system and must be treated the same way. We need to encourage people to use taxis over Uber and Lyft just like we encourage use of Muni.
- Taxis exist to supplement Muni service, not to replace it. But when we are denied the necessary visibility and access to provide that service well, people who need a taxi for whatever reason will likely take Uber or Lyft instead.

Lastly and perhaps most importantly, San Francisco cannot miss an opportunity to support its climate change goals:

- In order to reduce overall traffic congestion and empty vehicle miles traveled, we must take every opportunity to encourage sustainable modes of travel, including walking, biking, and taking Muni.
- But for those who regularly or occasionally need to travel by car, we must encourage use of taxis, whose numbers are limited, over Uber and Lyft who have no cap on the number of vehicles that are allowed to operate in San Francisco. Uber and Lyft are a climate change disaster.
- Taxi jobs are green jobs. We need to support green jobs.
- Denying taxis access to the Concourse will not help Muni, public transportation, or the climate. Denying taxis access will simply funnel more rides to Uber and Lyft, mega-corporations that cannot exist without draining ridership from Muni and other sustainable modes of transportation.

Finally, we understand that there is a public safety perspective. Not allowing taxis to cross JFK between 8th Avenue and the Concourse may help create a safer space on that one block, but what are the effects across the rest of the City? We need to decrease the number of vehicles on the road across our entire city, where the majority of traffic injuries occur. This block will not be entirely free of motor vehicles because Muni will be using it. The Muni 44 line operates 190 trips per day Monday to Friday, 189 trips per day on weekends, and runs every 12 minutes during peak times. Taxi access will be significantly less than Muni's. Given the benefits taxis provide, it is appropriate to allow access for taxis, too.

In order to provide good taxi service to the de Young Museum and Academy of Science, we must have taxi stands in the Concourse and access via 8th Avenue and Fulton as well as 9th Avenue and Lincoln.

Thank you for your consideration.

Sincerely,
San Francisco Taxi Workers Alliance

Subject: Free up JFK Drive for cars
Date: Monday, April 25, 2022 4:44:29 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Please keep JFK Drive open for cars Mon-Fri- closing on weekends is ok - but come on, streets are meant to be streets - where cars can drive on - walkers, bikers have the sidewalks to walk on; bike paths to bike on - what about us seniors who rely on our cars to actually drive on the streets we pay taxes for.

We need to have access to the park and it's many offerings - and we can only access the park by cars.

Thank you.

Board of Supervisors,

JFK Promenade has been a silver lining of the pandemic, resulting in a 30%+ increase in park visitation from across our city (~8 million visits), and was supported by more than 70% of San Franciscans who engaged in the official City survey. Further outreach showed broad support for permanence with increased access and equity to this amazing space without compromising or amending the Mayor's legislation and City staff recommendations.

JFK Promenade makes our city a more connected, healthy, and sustainable city.

With Tuesday's meeting about the Mayor's legislation, the people of our city are looking to you to lead and pass the Mayor's legislation as is—please no more delays, continuations, or amendments. Now is the time to make a decision, lead, and move forward for the future of our city.

People who love and rely on JFK Promenade assume it is already permanent and they are looking to you to vote in their interest to make JFK Promenade permanent and allow City staff to continue increasing accessibility, equity, and safety in our park. The Mayor's legislation will increase access and equity to JFK Promenade without compromising on the joy, safety, community, beauty, and serenity that the space has created. We need constructive, programmatic, and collaborative leadership that focuses on solutions and takes necessary action to move our city forward towards a more connected, healthy, and sustainable future.

Among countless positive uses, JFK Promenade serves as an essential commute corridor for workers as well as kids and families, including as part of the JFK Promenade Bike Bus:

<https://url.ayaman.click/y2/> — <https://SFbikeBus.com/JFK> — <https://www.youtube.com/watch?v=XXAaOnNmZHQyOmE6bzpINTNiNjc4NjA5NTQ5NDd6ZDM7ZDE5M2RmN2IsMmU5Mzo2QmU4MTc6N2Y1M2Q0YzcxOWE1ZWY4ZTRmZWZM3NuQ5ZTg6ZTU4ZWJlNjA5OWRlMmQ0MTBiZDZYyOmE2MmE4ZTM4OWE3NTQ1ZjpwOjQ1>

For those thinking about compromise, JFK Promenade and the broader Golden Gate Park project is already a compromise. JFK Promenade represents less than 10% of the roads in Golden Gate Park—and less than 0.5% of the roads in San Francisco—and the only car-free space accessible 24 hours a day, 7 days a week in our city.

Please pass the Mayor's legislation as is at Tuesday's meeting, so we can move forward as a city making this space more accessible, equitable, and enjoyable for everyone in our city.

To hear from people who benefit from JFK Promenade, check out the videos on CommunitySpacesSF.com, where you can hear from people who love JFK Promenade and need you to make it permanent. In particular, listen to the stories of the following residents:

1) Carol, a senior with a disability who uses her mobility device on JFK Promenade with peace of mind that allows her to fully enjoy Golden Gate Park:

<https://url.ayaman.click/y2/> — <https://youtu.be/RC1p8LqpwM> — <https://www.youtube.com/watch?v=XXAaOnNmZHQyOmE6bzpINTNiNjc4NjA5NTQ5NDd6ZDM7ZDE5M2RmN2IsMmU5Mzo2QmU4MTc6N2Y1M2Q0YzcxOWE1ZWY4ZTRmZWZM3NuQ5ZTg6ZTU4ZWJlNjA5OWRlMmQ0MTBiZDZYyOmE2MmE4ZTM4OWE3NTQ1ZjpwOjQ1>

2) Kingston, a kid from the Southeast who rides his bike with friends on JFK Promenade, in part to escape violence in his neighborhood:

<https://url.ayaman.click/y2/> — <https://youtu.be/Z0LGD5PFP4> — <https://www.youtube.com/watch?v=XXAaOnNmZHQyOmE6bzpINTNiNjc4NjA5NTQ5NDd6ZDM7ZDE5M2RmN2IsMmU5Mzo2QmU4MTc6N2Y1M2Q0YzcxOWE1ZWY4ZTRmZWZM3NuQ5ZTg6ZTU4ZWJlNjA5OWRlMmQ0MTBiZDZYyOmE2MmE4ZTM4OWE3NTQ1ZjpwOjQ1>

3) Phil, who rarely visited Golden Gate Park growing up and now bikes there with RideOut Posse SF and encourages inner-city youth to be active at JFK Promenade:

<https://url.ayaman.click/y2/> — <https://youtu.be/1QXo34gGIL8> — <https://www.youtube.com/watch?v=XXAaOnNmZHQyOmE6bzpINTNiNjc4NjA5NTQ5NDd6ZDM7ZDE5M2RmN2IsMmU5Mzo2QmU4MTc6N2Y1M2Q0YzcxOWE1ZWY4ZTRmZWZM3NuQ5ZTg6ZTU4ZWJlNjA5OWRlMmQ0MTBiZDZYyOmE2MmE4ZTM4OWE3NTQ1ZjpwOjQ1>

You can watch the full 'Safe Places, Community Spaces' video here:

<https://url.ayaman.click/y2/> — <https://youtu.be/1VOymMf7bse> — <https://www.youtube.com/watch?v=XXAaOnNmZHQyOmE6bzpINTNiNjc4NjA5NTQ5NDd6ZDM7ZDE5M2RmN2IsMmU5Mzo2QmU4MTc6N2Y1M2Q0YzcxOWE1ZWY4ZTRmZWZM3NuQ5ZTg6ZTU4ZWJlNjA5OWRlMmQ0MTBiZDZYyOmE2MmE4ZTM4OWE3NTQ1ZjpwOjQ1>

Please lead on this issue by passing the Mayor's legislation as is at Tuesday's meeting, so we can move forward as a city making JFK Promenade more accessible, equitable, and enjoyable for everyone in our city.

Thank you, and please take care.

Date: April 25, 2022

Dear Supervisors, Staff and SF County Transportation Authority:

re: File# 220370 - Access Equity Study Hurts Vulnerable Communities

Please enter this email into the permanent record as my public comments re: the Joint Special Transportation Authority Board Meeting and the above file referenced as the Access Equity Study requested by Supervisor Walton.

Please acknowledge your receipt of my comments by emailing me at zrants@gmail.com

Dear Board of Supervisors and SF County Transportation Authority and staff:

Please vote against the continuation of road closures in Golden Gate Park and do not support any of the limited reports that the public has seen as they are inconclusive and flawed reports.

As I mentioned earlier in a number of phone calls to your offices, and it seems a lot of people agree with the following statements:

Regardless of what the Board agreed to in their request for a survey, the voters do not accept a partial study of 3 out of 11 district residents as representing us and our needs and desires, and therefore we find the report and the summary flawed for the following reasons:

1. The survey and report requested by Supervisor Walton that will be presented tomorrow only includes people from 3 districts - Districts 3, 10, and 11. The other 8 districts, including my own, were not included in the "city-wide" survey. We cannot accept such a limited survey. This incomplete survey presented to the public over the weekend, should not be accepted as it is written.
2. The results of the incomplete survey, do not represent the majority of the citizens and should not be admissible as a city-wide survey regardless of the directions and questionable methodology used to gather the data.
3. When the voters were given the opportunity to vote on road closures in Golden Gate Park, they voted NO closures.
4. You must give the voters an opportunity to vote on the use of their public streets before

removing access to them on a permanent basis.

5. The streets and the city will not return to normal until all the COVID restrictions, including closed and slow streets, are returned to normal pre-COVID conditions.

Respectfully submitted,

Mari Eliza

Concerned SF Citizen,

with CSFN and EMIA, who submitted letters and resolutions on the subject. Those documents should be included in your records.

Supervisors San Francisco Board of Supervisors,

The JFK pedestrian promenade is a silver lining of the pandemic, and I support making it permanently car-free.

JFK is no longer a part of our city's high-injury network. Instead it is a sanctuary for children and families, vibrant community gathering space, and safe route for active transportation, providing a critical link to western neighborhoods.

I'm glad that the nearly 2-year public process has resulted in many improvements for my neighbors with mobility impairments, like a significantly improved park shuttle and more accessible parking spaces in the area around JFK Drive than we had before the pandemic.

It's time for the board of supervisors to vote on the future of car-free JFK. Please vote to make JFK permanently car free for a better future for our city.

Please please please open JFK Drive & other roadways in Golden Gate Park. The closures have horrible impact on the neighborhoods around the park. The closures also make it difficult for those not on bicycles or in foot to access the park. Please realize that many do not ride bicycles, scooters, skateboards, jog, run, or speed walk. Please realize that those on currently allowed vehicles are terrorizing those on foot. There are ample bicycle lanes for them. They don't need the lanes where motorized vehicles used to be allowed.

Thanks.

Dear board of Supervisors and County Transportation Authority members:

I am a senior who uses the park and the museum. I support the original road closure proposal you are voting on tomorrow. I do not support Supervisor Chan's proposal because a compromise does not meet the park master plan.

When Asian art museum moved out from the park the DeYoung sought and received approval to occupy the footprint of the two museums in exchange for certain guarantees to reduce the impact of the museum on the park under the park master plan. One of those things was the creation of a huge garage to accommodate all these museum goers including those with disabilities. You don't have to pay to drop off or pick up people in the garage allowing elders and people with disabilities to gain access to the museum thru the garbage entrance.

The proposed plan provides the right balance between the needs of the museum and the needs of park goers including seniors and the disabled. The closure of the roads during covid show the great need for safe outdoor recreation space. I believe the medical doctors also have written supporting the plan to reduce accidents and injuries in the park caused by adding automobiles to the mix.

Please prioritize the park as called for in the park master plan. I don't think a decline in museum membership during covid is caused by street closures nor should that be a reason to go back on prior agreements to limit the museums impact on the park.

Thank you.

Regina Sneed
San Francisco, California

It's nice to have my Twitter feed given play in 48 Hills to provide some balance to your otherwise terrible terrible piece of work on Car Free JFK Drive.

<https://48hills.org/2022/04/cars-bikes-and-equity-as-supes-consider-road-closure-in-golden-gate-park/>

Your conclusion is totally off the mark. The regrettable thing is. You know it. JFK Drive is used by a lot of other folks other than those you list in the following sentence.

None of this is to say that closing the road is a bad idea, or that cars aren't wrecking the planet, or that we all have to move toward a world with different types of transportation. But there are clearly important equity issues here, and I think sometimes the folks who are healthy, young, live near the park and have nice bikes and love to ride overlook that—as so many San Franciscans overlook the role of poverty, income inequality, and class in so many political debates.

Even more egregious is your climbing into the proverbial bed with Shamann Walton.

His entire insidious argument likening car free JFK Drive being akin to Segregation in the South is frankly horrific.

The fact you are trotting out this dangerous argument exposes Shamann, again, to the ridicule he deserves and to which you are now an accomplice.

<https://leesperspective.com/2021/05/15/segregated-south-bears-no-resemblance-to-car-free-jfk-drive-in-golden-gate-park/>

Moving along.

In case anyone needs a reminder I have nagged you over and over about Connie Chan's problematic and marginally ethical deep relationship with the FAMSF, Thomas Campbell and Platinum Advisors.

Supervisor Chan has been the most strident foe of a Car Free JFK Drive for over a year. You know this and refuse to write about it.

I have published findings resulting from my Public Records Requests with The Supervisor and the FAMSF. It is not a pretty picture.

SaveMUNI

To: Clerk of the SFCTA Board
Clerk of the SF Board of Supervisors

4/22/2022

SaveMUNI urges you to restore JFK Drive and all other roads inside Golden Gate Park to their pre-pandemic usage as soon as the COVID Emergency Order has been lifted. The continued closure of JFK Drive and other Golden Gate Park roads deprives persons with disabilities, seniors, families with young children, those who do not live close to the Park and those who cannot afford the high price of the Music Concourse Parking Garage of equitable access to the Park's many amenities.

The continued full-time closure of these roads also conflicts with the City's policy and Park Code Secs. 6.12(b)(i) and 6.13 (c)(i), which requires that physical accessibility is provided through the closure area compliant with the Americans with Disabilities Act.

Following this reopening, SaveMUNI recommends that the City conduct an international design competition that would be worthy of San Francisco.

SaveMUNI supports sound planning to transform public spaces and transit to benefit the most people, in the shortest time frame, at the lowest costs. The public process for the Better Market Street Project involved multiple city agencies and community partners, as well as environmental review, quick-build improvements and phased design and construction. A Better JFK Drive Project deserves an equally robust design process:

We need real time data. Visitor counts should be conducted at important locations (JFK Drive, DeYoung Museum, Academy of Sciences, Japanese Tea Garden, Music Concourse, Conservatory of Flowers, Botanical Gardens) as well as at venues and events during the JFK Drive road closure. In addition traffic counts should be conducted on adjacent streets and roads.

When the pandemic's emergency order is lifted, gather visitor and vehicle data at all the same locations after restoring JFK Drive's thru-traffic and weekend/holiday road closures. In keeping with SaveMUNI's mission to prioritize public transit, gather data on Muni buses, paratransit, taxis, Hop-On/Hop-Off buses and, drop-offs for seniors and disabled commuters and deliveries. Data-driven criteria can then inform design of JFK Drive and Golden Gate Park's roadways.

We believe that the roads in Golden Gate Park should be reopened to their pre-pandemic state until there has been a full data-driven process and a consideration of all alternatives. Only then will the Park be accessible to all regardless of age, ethnicity, or physical ability.

Stay safe and be well

November, 26 2021

Mayor London Breed
San Francisco Board of Supervisor
Phil Ginsburg, General Manager, Park and Recreation

Re: John F. Kennedy Drive

Golden Gate Park was created in the 1860s and opened to the public in 1870, as a spacious public space to be enjoyed by all San Franciscans and visitors to the city. Golden Gate Park is one of the largest and most popular urban parks in the United States, with 24 million visitors annually. Golden Gate Park is the crown jewel of San Francisco and home to many beloved San Francisco destinations.

It's the home to The California Academy of Sciences, The Conservatory of Flowers, The De Young Museum, The Japanese Tea Garden, and The Botanical Garden. It is also home to the new Goldman Tennis Courts, Dahlia Garden, Rose Garden, Fuschia Dell, Peacock Meadow, Rhododendron Dell, and others.

Since 1967, John F. Kennedy Drive, the main route of access to the attractions on the western end of the Golden Gate Park, between Kezar Drive and Transverse Drive, has been closed to vehicular traffic, from 6AM - 6PM on Sundays and Holidays.

On April 12 and 13, 2007, parties met to discuss a Saturday closure proposal for John F. Kennedy Drive and spent several hours working to find a mutually amenable compromise on this issue till the existing Saturday closure was agreed upon.

The parties to the Saturday closure compromise, among others, included then-Mayor Gavin Newsom, Sierra Club San Francisco, California Academy of Sciences, San Francisco Bicycle Coalition, Planning Association for the Richmond, Walk SF, District 11 Council, North Park Neighbors Association, de Young Museum, Recreation and Parks Department, Park Access for All, and California Outdoor Roller-Skating Association.

As described above, compromises have been previously made and agreed upon amongst stakeholders, and codified into San Francisco Park Code § 6.13, which allowed the Park roads to be shared by all diverse users.

Calle 24 is concerned that the current proposed park closure currently will not provide access to all communities. We must look at the proposed park closure through a race and social equity lens that will allow for all types of transportation access. The compromises codified in San Francisco Park code 6.13 does just that. We must think of communities of color with larger families and elderly parents, those who are disabled, seniors and low-income. Keep Golden Gate Park open for all.

Sincerely,

Erick Arguello
Founder and President
Calle 24 Latino Cultural District

To: Mayor London Breed; San Francisco Board of Supervisors; San Francisco Recreation and Park Commission; Board of Directors, San Francisco MTA; San Francisco County Transportation Authority; Jeffrey Tumlin, Director of Transportation, SFMTA; Phil Ginsburg, General Manager, SF Recreation and Parks Department

I am writing on behalf of Planning Association for the Richmond ("PAR") regarding the current closure of John F. Kennedy Drive, recently rebranded by SFMTA as *The JFK Promenade*, and other roadways in Golden Gate Park. As the largest and oldest neighborhood organization in the Richmond District, PAR urges you to restore JFK Drive and all other roads in the park to their pre-pandemic status.

These roads in Golden Gate Park were temporarily closed at the onset of the COVID-19 pandemic to create a recreation area where people could socially distance. The closures were not intended to be permanent. The impacts of the temporary closure of roads 24/7 in Golden Gate Park, most notably JFK Drive, have been significant.

- The road closures significantly impact traffic in the Richmond District, especially on Fulton Street, which has become dangerously crowded. It also makes access to the park from the Richmond District very difficult, effectively walling off the Park for drivers.
- The closures bar many members of our local community, including people with disabilities, those with ADA placards, the elderly, families with infants and young children, and others from large areas of the park, including access to the DeYoung Museum, the Academy of Sciences, and the Conservatory of Flowers. The closures have made it impossible to drop people off curbside at many destinations in the park and have also removed a significant portion of the free public parking that is critical to ensuring access for all. Many seniors and people with disabilities need to be dropped off at their destination or they require parking that is very close to their destination. And families with infants and young children also need easy access to the park. All of these people will be unfairly impacted if JFK Drive remains closed, since they are unable to navigate the long distances that are required if drop-offs and parking are removed.
- The closure of JFK Drive excludes the great majority of working families who live in the Mission, Bayview and Visitation Valley or who live in San Francisco's suburbs, who must drive, from visiting a large portion of the park.

5758 Geary Blvd., #356 San Francisco, CA 944121-9804
415-541-5652 Voicemail
sfparpresident@gmail.com

Much has been said about motorists that use Park roads for activities unrelated to the park activities. Our urban Park runs from Stanyan Street to the Great Highway, and effectively splits the entire western half of the city in two. With the current closures westside residents are forced to drive miles out of their way to attend to daily activities and business, endure horrendous traffic congestion and create new routes that are less safe for both motorists and pedestrians. While alternatives to cars may be a positive goal, notions of good government require that such alternatives be brought to the fore before implementing policy that so profoundly impacts people that must currently rely on cars.

The current closure was implemented based on emergency authority. What has followed is an effort by a small number of people, including bureaucrats and their partisan staffers, to advance a narrow agenda in an affront to democratic principles at the expense of residents citywide.

PAR is committed to collaborating with city leadership to find a solution that creates equitable and safe access to Golden Gate Park for everyone. Now that the city is reopening and Emergency Orders will no longer be in place, the roads in the park should be restored to their pre-pandemic status, which includes re-opening JFK Drive during the week and on many Saturdays. Only after there has been comprehensive data-driven research as well as extensive community engagement of all stakeholders should there be any changes to these roadways.

Thank you for your attention to this issue. PAR looks forward to working with you to reopening Golden Gate Park to everyone.

Respectfully

Nicholas C Belloni

Subject: April 26, 2022 Joint Meeting of the San Francisco Board of Supervisors and the San Francisco County Transportation Authority

Board Files Nos. 220370; 220261; 220339

Date: April 25, 2022

Dear Board of Supervisors and Transportation Authority Board:

I am writing to urge you to reject a full and permanent closure of JFK Drive and other roads in Golden Gate Park. The closure of these roads will significantly impact the ability of seniors, people with disabilities, tourists, multigenerational families, and others who need automobile access to all of the facilities and activities in Golden Gate Park. The Ordinances you will be voting on today were drafted before there has been a thorough discussion with all stakeholders in the City. Further, they are being considered without a hearing before a Committee of the Board of Supervisors. This rush to judgment of such an important issue subverts the democratic process of which San Francisco is so proud, and should not be supported by you, our elected representatives.

While they differ in certain aspects, the Ordinances sponsored by Mayor Breed and Supervisors Haney, Mandelman and Preston ("the Breed Ordinances") and Ordinances sponsored by Supervisors Chan and Walton ("the Chan Ordinances") create similar problems.

There are many reasons why JFK Drive and other roads in Golden Gate Park should not be closed:

1) Access to much of the parkland and the activities there will be impossible for countless San Franciscans and out-of-town residents.

Much of the parking inside the park will be eliminated, and additional parking will not make up for this lost parking. Additionally, much of the added parking is too far away for many disabled people and others to access the attractions on JFK Drive. The fee for parking in the garage underneath the Music Concourse is very expensive, and while there has been talk about lowering the prices for certain populations, so far there is no provision for reducing the fee. Adequate shuttle service has not yet been developed. Even the SF Recreation and Parks Department has repeatedly stated that getting adequate shuttles is still a work in progress. Signage is inadequate. There are not enough curb ramps, and many that are there now need to be repaired. So far, there are no plans to improve pedestrian safety and road crossings when cyclists will be permitted to ride on JFK Drive with no traffic control.

In short, this is a work in progress. Closure of JFK Drive is simply not yet ready for prime time. It is unreasonable to close the roads in Golden Gate Park unless and until

there has been a careful consideration of all of the accessibility impacts and full remediation has been implemented. Anything less than that is unacceptable.

2) The impact of the Breed Ordinance will make access to one of San Francisco's cultural treasures, the DeYoung Museum, very difficult for many and impossible for many others.

According to an accessibility study of museum attendance during the COVID pandemic, conducted by the Fine Arts Museum Society, since JFK Drive has been closed attendance at the DeYoung decreased much more than attendance at the Legion of Honor, despite the fact that attendance at the DeYoung usually exceeds attendance at the Legion of Honor. It is assumed that this significant decrease in attendance was due to the closure of JFK Drive between Stanyan St. and Crossover Drive, the closure proposed by the Breed Ordinance.

Access to other cultural destinations, such as the Conservatory of Flowers, California Academy of Sciences, Peacock Meadow, Dahlia Dell, etc. has been and will continue to be drastically impacted.

3) There must first be a study to determine the impact these closures will have on traffic both within and outside the Park before the roads can be closed.

So far, there has not been an objective, systematic, data-driven study of the impact of these proposed road closures on traffic within and outside the Park. Such a study must be conducted before any major changes to the configuration of traffic within Golden Gate Park can be considered. The proposed road closures will create a great deal of confusion in the park, with roads unexpectedly dead-ending or becoming only one way. Pedestrian crossings will be challenging. Traffic flow will radically change. Further, all the road closures will require cars to detour miles out of their way to reach their destinations within the park, raising concerns about the impact of greenhouse gas emissions from automobiles. For all of these reasons, the road closures you are considering cannot be made until there is a competent traffic impact/mobility study.

4) The impact of the Breed and Chan Ordinances will create parking problems on Fulton Street and Lincoln Way.

San Francisco is already facing a shortage of parking, and until public transportation is significantly improved, this problem will only grow. These Ordinances would eliminate over 900 parking spaces, cumulatively, between all of the roads. Removing hundreds of parking spaces from JFK Drive will result in parking and traffic problems on Fulton St., Lincoln Way, and adjoining streets. So far there has not been a study to determine the

impact of this loss of parking, and the increased traffic congestion that will occur as cars circle the neighborhood looking for parking.

5) Numerous organizations and individuals from throughout San Francisco have submitted letters and resolutions opposing the closure of these roads, the main arteries of Golden Gate Park.

These organizations represent thousands of your constituents from the great diversity of San Francisco communities. Copies of some of these letters are attached above. Additionally, you have received thousands of individual letters urging the reopening of JFK Drive. Among those groups opposing the closure of JFK Drive is Senior and Disability Action, representing thousands of the City's most vulnerable. Despite the fact that they receive a substantial amount of their funding from the City, they are standing up for their members and urging the reopening of JFK Drive at this time until the City makes all the necessary accessibility changes to maximize disabled people's ability to use Golden Gate Park.

Even Mayor London Breed's own Disability Council, which advises the Mayor on disability issues; works with the Mayor's Office on Disability to ensure ADA Compliance; and provides a public forum to discuss disability issues has passed a Resolution stating that the permanent closure of JFK should not be considered unless all access conditions have been met.

<https://sfgov.org/sfmdc/sites/default/files/Document/JFK%20Drive%20Closure%20resolution.pdf>

It is disheartening that you would disregard the needs and desires of so many.

6) The roles of the SF Bicycle Coalition and Walk SF in lobbying for the Breed and Chan Ordinances raise serious ethical and legal concerns.

The SF Bicycle Coalition and Walk SF receive almost \$1 million a year from SFMTA. Much of this money is for no-bid contracts. Further, according to journalist Paul Kozakiewicz: "It appears the primary responsibility of the two organizations is to lobby city officials to wage a war on motor vehicles. The two groups organize their members to testify and send letters in support of the JFK Drive closure."

(<https://sfrichmondreview.com/2022/04/09/commentary-paul-kozakiewicz-9/>)

And several people have been told that these two organizations were involved with drafting the legislation you are considering today.

That City money is being spent to support organization that, in turn, have undue access to and influence on legislators is unacceptable. Approval of an ordinance that these organizations have helped to draft should not be approved.

7) The proposed ordinances do not **require** that the SF Recreation and Parks Department mitigate the impacts of closing the roads.

The preambles to both the Breed Ordinance and the Chan Ordinance state the Ordinance amending the Park Code includes “...urging additional changes to improve public access ...”

This language, which is not mandatory, is too weak. Any legislation that impacts access in the Park must **require** comprehensive mitigations.

Weak language like this also raises concerns that there is not a sincere regard for the access needs of many, and is yet another indication of the disregard the sponsors of these ordinances appear to have for so many of the City’s most vulnerable, as well as for the world-famous institutions in the Park including the DeYoung Museum, the Academy of Sciences, the Japanese Tea Garden and the Conservatory of Flowers.

In addition, Sec. 6.12(d) “authorizes the Recreation and Park Department to implement the Program with adjustments as it deems necessary.” This unqualified authorization gives the Recreation and Parks Department a blank check to make changes to the roads and facilities in the Park with no oversight. The Recreation and Parks Department is not allowed to have that much unfettered independence. This provision is unacceptable.

8) The proposed ordinances improperly affirm the Planning Department’s determination under the California Environmental Quality Act that there is no need for an environmental review.

The San Francisco Planning Department recently issued an exemption from review under California Environmental Quality Act (“CEQA”) of the of the environmental impacts of the proposed closures. They claimed such a review is not required under Public Resources Code 21080.25. (San Francisco Planning Department CEQA exemption document No. 2021-010167ENV)

But that Exemption does not apply to this Project. Under PRC 21080.25, there are many exceptions to the exemptions to CEQA review. (See 21080.25 (b), <https://law.justia.com/codes/california/2020/code-prc/division-13/chapter-2-6/section-21080-25/>)

Accordingly, the Board of Supervisors does not have the authority to affirm the Planning Department’s determination by ordinance. Interested parties are entitled to appeal the Planning Department’s exemption decision to the Board of Supervisors. This legislation denies that right of appeal.

There are many environmental impacts that must be considered under CEQA, including but not limited to transportation; traffic congestion on surrounding streets; access to a public park that is of regional, national and global importance; historic resources;

parking; greenhouse gas emissions; energy consumption; emergency access; evacuation in case of earthquakes or other disasters; human impacts on those who need or want to drive into and through the Park; and impacts on the resources of major museums and cultural attractions. The proposed road closures may have all these impacts, and they must be thoroughly studied and reviewed in accordance with CEQA before the roads can be closed.

Additionally the sponsors have not substantiated with any evidence that the streets are no longer needed, and therefore they cannot make any decision on that basis. The streets are obviously needed to get access to a public park that is not just a neighborhood playground but is a global attraction and an historic resource.

Golden Gate Park is an international treasure that all San Franciscans, and people from throughout the world, are entitled to enjoy. The proposed Ordinances will make it difficult, if not impossible, for many within and outside San Francisco to partake in the many pleasures the Park provides.

But perhaps even more important is that the entire debate regarding who should have use of the roads in Golden Gate Park has been unfairly tilted in favor of a minority of San Franciscans mainly able-bodied young people who are supported with hundreds of thousands of dollars of taxpayer's money. They also had the support of an expensive public relations campaign mounted by the Recreation and Parks Department and paid for with additional taxpayer's dollars. This is not how decision-making should take place. I urge you not to approve either the Breed or Chan Ordinances, but instead do what is right and in the best interest of the City by taking the time to convene all stakeholders in a reasoned, informed discussion about the best way for everyone to have access to the Park. Anything less than that will be a stain on our City.

Thank you for your consideration.

Sincerely,

Jean B Barish
Resident, D1

**Resolution Supporting the Reopening of John F. Kennedy Drive and All Other Roads
inside of Golden Gate Park to Their Pre-pandemic State.**

Whereas, The current closures of John F. Kennedy Drive (JFK) and other streets in Golden Gate Park are unnecessarily limiting public access to the park; and

Whereas, The purpose of the street closures was to create a recreation area with social distancing for neighbors living close by the park during the height of the pandemic when the city was shut down for health reasons and people were encouraged to stay near their homes; and

Whereas, At the time we did not know how COVID-19 spread, and had no data and no vaccine; and

Whereas, Now we know how to protect ourselves, the pandemic Emergency Order will soon be lifted and citizens and businesses are trying to return to normal; and

Whereas, Road closures impact everyone, including but not limited to: underserved and vulnerable communities, the elderly and low-income, families with children and pets, individuals with disabilities, people who want to enjoy a day in the park with food, drinks, toys and gear, and people who want to enjoy nature, art or science as they have done since the park opened in 1870; and

Whereas, All parks and all areas of San Francisco must be accessible to all modes of transportation;

Therefore be it resolved, We request that London Breed immediately reopen JFK Drive and the other closed Park roads, restoring them to their pre-pandemic state; and

Be it further resolved, That Recreation and Parks Department and San Francisco Municipal Transportation Authority abide by San Francisco Park Code § 6.13 and not consider any road closures without going through extensive public process, and to stop using the COVID-19 pandemic as an excuse to bypass required protocols.

Respectfully submitted, November 2021

Charles Head, President
Coalition for San Francisco Neighborhoods (CSFN)

To: Mayor London Breed, and Board of Supervisors

RESOLUTION SUPPORTING THE REOPENING OF JOHN F. KENNEDY DRIVE AND ALL OTHER ROADS INSIDE OF GOLDEN GATE PARK TO THEIR PRE-PANDEMIC STATE

WHEREAS, Golden Gate Park was created in the 1860s and opened to the public in 1870, as a spacious public space to be enjoyed by all San Franciscans and visitors of the City; and

WHEREAS, Since 1967, John F. Kennedy Drive, the main route of access to the attractions on the western end of the Golden Gate Park, between Kezar Drive and Transverse Drive, has been closed to vehicular traffic, from 6AM - 6PM on Sundays and Holidays; and

WHEREAS, On April 12 and 13, 2007, parties met to discuss a Saturday closure proposal for John F. Kennedy Drive and spent several hours working to find a mutually amenable compromise on this issue till the existing Saturday closure was agreed upon; and

WHEREAS, The parties to the Saturday closure compromise, among others, included then-Mayor Gavin Newsom, Sierra Club San Francisco, California Academy of Sciences, San Francisco Bicycle Coalition, Planning Association for the Richmond, Walk SF, District 11 Council, North Park Neighbors Association, de Young Museum, Recreation and Parks Department, Park Access For All, and California Outdoor Rollerskating Association; and

WHEREAS, Since 2007, John F. Kennedy Drive, the main route of access to the attractions on the western end of the Golden Gate Park, between Transverse Drive and the western side of Hagiwara Tea Garden Drive and Stow Lake Drive between Stow Lake Drive East and John F. Kennedy Drive, has been closed to vehicular traffic, from 6AM - 6PM on Saturdays, from the first Saturday in April through the last Saturday in September; and

WHEREAS, In 2012, protected cycle tracks were added to John F. Kennedy Drive, providing separation between cyclists and moving vehicles; and

WHEREAS, In April 2020, Mayor London Breed, in response to the COVID-19 pandemic, allowed John F. Kennedy Drive to be temporarily closed 24/7, to provide additional open space to nearby residents; and

WHEREAS, A full reopening of the Park's art and cultural institutions, and many San Franciscans returning back to work, the continued closure of streets for additional recreating space and increased social distancing is no longer needed; and

WHEREAS, The continued closure of John F. Kennedy Drive and other Golden Gate Park roads continues to deprive persons with disabilities, seniors, families with young children, those who do not live close to the Park and those who cannot afford the high price of the Music Concourse Parking Garage, of equitable access and use of the Park's amenities;

WHEREAS, Golden Gate Park belongs to everyone and should be accessible to all; now, therefore, be it

RESOLVED, That East Mission Improvement Association, finds as follows:

1. As described above, Golden Gate Park is the crown jewel of San Francisco and home to many beloved San Francisco destinations.
2. As described above, compromises have been previously made and agreed upon amongst stakeholders, and codified into San Francisco Park Code § 6.13, which allowed the Park roads to be shared by all diverse users.
3. As described above, as we move past a tremendously challenging time resulting from the COVID-19 pandemic, the closure of roads, such as John F. Kennedy Drive, for additionally recreating space and social distancing is no longer needed.
4. As described above, the continued closure of John F. Kennedy Drive and other roads inside of Golden Gate Park creates barriers for countless individuals who are denied equitable access to the Park and its nature, art, and cultural experiences; and it be

FURTHER RESOLVED, That East Mission Improvement Association requests that Mayor London Breed immediately reopen John F. Kennedy Drive and the other closed Park roads, restoring them to their pre-pandemic state; and it be

FURTHER RESOLVED, That East Mission Improvement Association urges the Recreation and Parks Department and San Francisco Municipal Transportation Authority to abide by San Francisco Park Code § 6.13 and not consider any road closures without going through extensive public process, and to stop using the COVID-19 pandemic as an excuse to bypass required protocols.

RESOLUTION # 2022 – 01 MAYOR'S DISABILITY COUNCIL RESOLUTION ON ACCESSIBILITY OF GOLDEN GATE PARK AND CLOSURE OF JFK DRIVE

WHEREAS, Golden Gate Park is a unique, beautiful and world-famous attraction and venue that people with disabilities in San Francisco and beyond have enjoyed since its beginnings and;

WHEREAS, there are many facilities and programs within Golden Gate Park that are unique and of particular importance to people with disabilities such as the De Young Museum, the Academy of Sciences, the Conservatory of Flowers and many more and;

WHEREAS, many people with disabilities have relied on the use of their vehicles to get to Golden Gate Park and arrive at specific destinations. They have driven and parked on JFK Drive to use the Park and its amenities and;

WHEREAS, the closure of JFK Drive during the COVID pandemic posed significant barriers to and sometimes prevented people with disabilities from being able to access the park and its amenities as they had been able to do in the past and;

WHEREAS, people with disabilities who have experienced negative effects from the closure to private vehicles include Deaf and Hard of Hearing people, people with stamina and strength limitations, and blind and visually impaired people, as well as people with mobility limitations who rely on private vehicles, and;

WHEREAS, the closure also increased the ability for some people with disabilities to enjoy the park in a new and safe way and;

WHEREAS, San Francisco is known for having a strong commitment to disability accessibility and takes pride in going beyond the minimum requirements of the Americans with Disabilities Act and similar laws and;

WHEREAS, because of their different limitations, many people with disabilities have fewer options for accomplishing things. The solutions they rely on may be the only feasible way to accomplish particular goals, compared to others without disabilities who have more possibilities. Thus, external changes like the closure of JFK Drive are more likely to affect people with disabilities negatively and;

WHEREAS, the potential permanent closure of JFK Drive is part of an accelerating movement in SF away from encouraging the use of cars and towards other modes of transit and mobility. This movement must take into account in a thoughtful way the reliance of many seniors and people with disabilities on cars as a mobility device, and the resolution of this issue will influence the equitable treatment of people with disabilities and seniors as this trend continues and;

WHEREAS, the temporary closure of JFK Drive during the COVID pandemic was implemented with a minimum of planning and cost. A permanent closure should be the result of careful planning and analysis on the impact on people with disabilities and seniors, along with the necessary expenditures to achieve the goals of equitable access and to demonstrate that such a change can be beneficial for all.

NOW, THEREFORE BE IT RESOLVED that the MDC supports the closure of JFK Drive to personal vehicles only under the following conditions:

- Parking
 - Addition of blue spaces to replace and supplement those removed by the closure
 - Free parking as close to the De Young Museum as possible, including blue spaces within the parking garage, to be paid for by City and County of San Francisco entities
- Right of Way Access
 - Adequate number of curb ramps throughout area closed to private vehicles
 - Existing curb ramps must comply with current code requirements and be in good repair
 - Crosswalks in good condition
- Shuttle service and paratransit
 - Frequent shuttle service (no more than 15 minutes apart) at all hours the park is open
 - Code compliant shuttle stops
 - Kneeling or low-floor, ramped vehicles
 - Sheltered waiting areas
 - Access for all paratransit vehicles, including paratransit taxis
- Information and communication
 - Multiple ways to find information about the accessibility of this area and the park in general (website, phone, brochures in accessible formats)
 - Information about accessibility and park modifications for Deaf people in sign language.
 - WCAG 2.0 (Web Content Accessibility Guidelines) compliant website including directional wayfinding instructions whenever maps or routes are referenced
 - Ongoing outreach to the different constituencies within the disability community
- Wayfinding and signage
 - Easy to understand signs and maps on site to identify accessibility amenities
- Drive-through access for exhibits and events that occur on or near JFK Drive
- Safety for pedestrians
 - Measures to keep bicyclists from speeding and ignoring crosswalks

- Separation between slow moving (i.e. pedestrians) and fast moving (i.e. bicyclists, scooter users) people
 - Detectable warning for all areas where pedestrians could encounter vehicle traffic or fast moving users on bicycles or other devices
- A comprehensive accessibility plan with clear commitments and timeframes

The permanent closure of JFK Drive should not be considered unless these conditions are met.

SDA Statement On the Proposed Closure of JFK Drive

Accessibility means that any person should have the opportunity to acquire the same information, engage in the same interactions, enjoy the same services and visit the same sites as any other person. At Senior and Disability Action, we value collective access, the concept that we share responsibility for creating accessible and inclusive spaces, in terms of disability, age, language, income, race, and other factors. We work to remove barriers for all and promote universal design concepts.

The closure of JFK Drive in Golden Gate Park, or any other major road, to private vehicles affects disability access in several different ways. Unfortunately, sometimes disabled people face conflicting access needs. There may not be a solution that provides full and equal access to all people, considering that the disability community is diverse and varied.

Private cars and vans have also provided access for many seniors and people with disabilities to get to and around Golden Gate Park. It can be difficult for disabled people to get in and out of vehicles, wait for a shuttle, or walk from a shuttle stop to a destination. Being able to use one's own car to go directly to and from a destination is an important means for some disabled people and older people to have access.

Road closures eliminate a major accessibility barrier: vehicle and human collisions. Seniors and people with disabilities are hit and killed by cars more than any other group. SDA has pushed for street changes in San Francisco for many years to prevent collision, injury, and death. The surest way to prevent vehicle collision is to eliminate the presence of cars altogether.

Road closures inherently create a safer space for people with disabilities and seniors to move around and access sites without risk of being hit by cars. There were 36 reported injury collisions in the five year period prior to the closure. Unfortunately the current JFK Drive closures have led to an increase in bicycle speeds, causing a different set of risks to pedestrians. Bicycle collisions are far less likely to cause injury and death than vehicle collisions, but the City must take action to reduce bicycle speeds.

Using a racial and economic justice lens, it is important to note that disabled people are far less likely than non-disabled people in San Francisco to own cars (39% of disabled

people do not own cars as opposed to 22% of the non-disabled population). There is a clear income divide among disabled people who do and do not own vehicles: The average household income where at least one person has a disability and no one owns a vehicle is \$45,315, and the average income for households that own 1 vehicle is twice that, \$92,000. This data shows that lower-income disabled people are less likely to own cars than those with higher incomes. It is important to consider the needs of low-income disabled people who do not use private vehicles, as well as those who do. Access for those without vehicles involves pedestrian safety and good, accessible public transit.

SDA is encouraged by and engaged in the current meaningful ways that the Recreation and Park Department, with collaboration from SFMTA, is taking to improve accessibility in Golden Gate Park. The shuttle service was launched at the end of February, with three shuttles on weekends and two on weekdays, improved signage, and outreach. These are important steps, and we are in conversation with Rec & Park about getting low-floor vehicles to improve access. The planned addition of disabled parking spaces near key destinations (the de Young, Cal Academy of Sciences, Japanese Tea Garden and Botanical Gardens) is a marked improvement for those with disabilities who drive.

It is important to recognize that the disability community is diverse and varied. Different people with disabilities benefit from different forms of access. Some of SDA's members support the continuation of car-free JFK, and others oppose vehicle restrictions on roads in Golden Gate Park, especially JFK Drive.

Considering the conflicting access needs among different people with disabilities, SDA aims to identify and promote policies and practices that promote maximum access in our community, with a focus on the most marginalized disabled people and seniors, specifically those who are low-income and people of color.

We envision a city with multiple ways to get around.

With all that said, whether or not the city decides to close JFK Drive permanently, Golden Gate Park should be made accessible for all city residents and visitors. This can be addressed by providing:

- A shuttle service on all park roads,
- Wayfinding signage throughout the park,
- Slowing all traffic to 15 mph or slower,
- Clear and maintained accessible paths, sidewalks, and ramps,
- Increase Muni service from all parts of the city to Golden Gate Park entrances, and
- Affordable and free alternative transportation mode, (e.g accessible scooter & pedicabs).

SDA will support car-free JFK Drive only if the City and County of San Francisco execute a plan with appropriate funding to make the following accessibility changes to maximize disabled people's ability to use Golden Gate Park:

- Ensure that the public shuttle runs on all roads closed to private vehicles, has a wait time of 15 minutes or less, operates 7 days a week from dawn to dusk (and later, if museums or festivals are open later), allows drop off at any safe site along the shuttle route, uses low-floor vehicles with boarding ramps, and shuttle operators have gone through disability training.
- Fixed shuttle stops to have fully accessible bus shelters, with seating, and wayfinding signage.
- Fixed shuttle stops that include popular designation sites and Muni bus stops along or near the shuttle route.
- An accessible website including clear information about shuttles, Paratransit access, loading and parking zones, and wayfinding.
- The garage free parking time increases to 30 minutes, and parking is made affordable for seniors, people with disabilities, and low-income people.
- Paratransit drivers are allowed and trained to do drop-offs on all roads closed to private traffic.
- Taxi pick-ups are allowed in Golden Gate Park.
- Accessible shared scooters, pedi-cabs and other alternative transit vehicles are allowed in the park.
- There are clear accessible paths, sidewalks, and ramps to and from all public shuttle stops, bus stops, and popular destinations. A clear written plan with funding
- Improve sidewalk and curb access, and wayfinding throughout the park.
- Ensure that these conditions are enforced and monitored.
- Increase Muni service from all parts of the city to Golden Gate Park entrances.

If and only if these changes are made, will SDA support car-free JFK Drive.

In the meantime, we support allowing cars on JFK Drive some week-days with a speed limit of no more than 15 mph that is strictly enforced.

SDA's long-term vision is of a community in which all people have access to the park (and all places) through quality public transit or Paratransit, with fewer cars on the roads so that we endure fewer collisions and contribute less to climate change. We will continue to work with RPD and others to make this vision a reality.

Dear Ma'am or Sir,

I am writing in reference to the April 26, 2022 Joint Meeting of the San Francisco Board of Supervisors and San Francisco County Transportation Authority.

Please include the attached document in the Board Packets for the following Board File Numbers on the Agenda: **File Nos. 220370; 220621; 220339**

These attached documents must be part of the Record for this meeting.

Thank you for your assistance.

Resolution to Support the Re-opening of JFK Drive in San Francisco's Golden Gate Park

Whereas: The closure of JFK Drive in Golden Gate Park puts severe limitations on access to the surrounding attractions to seniors, disabled individuals and families, especially multi-generational families that are the working-class backbone of San Francisco;

Whereas: The City and County of SF adopted a policy expanding access to non-vehicular traffic on one week- end day and holidays from 6am – 6 pm and closure on both Saturday and Sunday from April to September in the Compromise Agreement of 2007 (Park Code 6.12 and 6.13.)

Whereas: Mayor Breed disregarded the Compromise Agreement of 2007 when she eased the Compromise Agreement of 2007 to create more environments to participate in the outdoor activities during the COVID outbreak, with the promise to re-establish the conditions of the Agreement when the City re-opened. Yet Mayor Breed has failed to re-open JFK Drive since the opening of the City as of March 12, 2022 when we achieved normalcy;

Whereas: Working families from distant neighborhoods and outlying Bay Area communities are detrimentally affected by the no-car policy as it greatly hinders their ability when bringing family members and all their belongings to enjoy the various elements of Golden Gate Park;

Therefore, be it resolved that SF LCLAA , is in support of the compromise proposal presented by Supervisor Chan for a partial reopening of JFK Drive to vehicles immediately.

Subject: Climate groups support car-free JFK as climate action.
Date: Monday, April 25, 2022 8:55:15 AM
Attachments: [Climate Groups Support Car Free JFK.pdf](#)

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Mayor London Breed, the San Francisco Board of Supervisors, SFMTA Director Jeffrey Tumlin, SFMTA Board of Directors, SF Recreation and Park General Manager Phil Ginsburg, and the SF Recreation and Park Commission:

On Friday we delivered the attached letter to City Hall signed by 7 groups in strong support of Mayor Breed's legislation to make car-free JFK Drive permanent. A car-free JFK IS climate action.

Amandeep Jawa on behalf of San Francisco League of Conservation Voters
Eva Holman on behalf of Mothers Out Front
Joni Eisen on behalf of the San Francisco Climate Emergency Coalition
Paul Werner on behalf of Climate Reality Project, San Francisco Policy Action
Sara Greenwald on behalf of 350 San Francisco
Becky Evans on behalf of San Francisco Group, Sierra Club
The Sunrise SOTA community

--

"Everybody can be great...because anybody can serve... You only need a heart full of grace. A soul generated by love." - Dr. Martin Luther King, Jr.

That's exactly what the latest [Intergovernmental Panel on Climate Change report](#) echoes. Every decision, every investment, every policy matters. There could be no higher stakes for humanity.

This means that bringing traffic back to JFK Drive in Golden Gate Park is a nonstarter for a city serious about climate action and climate leadership.

Transportation is our city's #1 source of greenhouse gasses – with private vehicles responsible for the lion's share (72%). The only way we become a city where many more people make many more trips in sustainable ways is to make those options safe, easy, and enjoyable. And what better place to start than in our city's biggest park?

A permanent car-free JFK would be a key piece of an integrated, sustainable transportation network across the entire city. Go there any weekday during commuter hours. *People are starting to shift how they get around our city.* And this is just the beginning. If car-free JFK is made permanent plus mobility and accessibility solutions continue to be added, it will change so much more than 1.5 miles of a street in Golden Gate Park. It will change how people think about what climate-friendly transportation can be in San Francisco – and beyond.

San Francisco must begin to truly prioritize walking, biking, and public transit in order to meet its climate goals. Car-free JFK is climate action. We urge you to support Mayor Breed's legislation for its permanence.

Sincerely,

Amandeep Jawa on behalf of San Francisco League of Conservation Voters

Eva Holman on behalf of Mothers Out Front

Joni Eisen on behalf of the San Francisco Climate Emergency Coalition

MOTHERS OUT FRONT
MOBILIZING FOR A LIVABLE CLIMATE

April 22, 2022

Dear Mayor London Breed, the San Francisco Board of Supervisors, SFMTA Director Jeffrey Tumlin, SFMTA Board of Directors, SF Recreation and Park General Manager Phil Ginsburg, and the SF Recreation and Park Commission:

This is a photo of the sky on September 9, 2020, in San Francisco.

Those of us who experienced this first hand will never forget that day. It brought the climate crisis home – literally.

For many, that day flipped a switch from “we need to do something” to “we need to do *everything possible*” when it comes to climate change.

April 2022

Dear Supervisors

RE: JFK Drive

The Older Women's League urges you to re-open JFK Drive to cars immediately in a compromise such as the one worked out in 2007 which has worked beautifully and fairly for everyone until the recent "temporary" closure.

We have these basic question now:

Why is this stretch of roadway closed when there are other stretches perfectly suited to skating and cycling yet this is the only one which provides such access to the beautiful gardens and the Conservatory?

There is a lot of talk about people using public transit to get to the Park but little or no attention to how difficult that would be for many elderly and disabled people to do. Why?

Why was this closure put in place and why has it been kept in place long before any work was done to accommodate seniors and disabled people who would desire to visit the gardens and Conservatory?

Why not open JFK Drive ala the Compromise of 2007 while a compromise is being worked out instead of keeping seniors and disabled people shut out?

Members of the Older Women's League have lived in San Francisco for decades and paid taxes and we are angry about being deprived of the best features of Golden Gate Park. This is unjust and blatantly discriminatory.

Sincerely,

Dr. Melanie Grossman
Older Women's League
Political Advocacy Committee

[Board.of.Supervisors@sfgov.org.](mailto:Board.of.Supervisors@sfgov.org)
Clerk@sfcta.org

SaveMUNI

To: Clerk of the SFCTA Board
Clerk of the SF Board of Supervisors

4/22/2022

SaveMUNI urges you to restore JFK Drive and all other roads inside Golden Gate Park to their pre-pandemic usage as soon as the COVID Emergency Order has been lifted. The continued closure of JFK Drive and other Golden Gate Park roads deprives persons with disabilities, seniors, families with young children, those who do not live close to the Park and those who cannot afford the high price of the Music Concourse Parking Garage of equitable access to the Park's many amenities.

The continued full-time closure of these roads also conflicts with the City's policy and Park Code Secs. 6.12(b)(i) and 6.13 (c)(i), which requires that physical accessibility is provided through the closure area compliant with the Americans with Disabilities Act.

Following this reopening, SaveMUNI recommends that the City conduct an international design competition that would be worthy of San Francisco.

SaveMUNI supports sound planning to transform public spaces and transit to benefit the most people, in the shortest time frame, at the lowest costs. The public process for the Better Market Street Project involved multiple city agencies and community partners, as well as environmental review, quick-build improvements and phased design and construction. A Better JFK Drive Project deserves an equally robust design process:

We need real time data. Visitor counts should be conducted at important locations (JFK Drive, DeYoung Museum, Academy of Sciences, Japanese Tea Garden, Music Concourse, Conservatory of Flowers, Botanical Gardens) as well as at venues and events during the JFK Drive road closure. In addition traffic counts should be conducted on adjacent streets and roads.

When the pandemic's emergency order is lifted, gather visitor and vehicle data at all the same locations after restoring JFK Drive's thru-traffic and weekend/holiday road closures. In keeping with SaveMUNI's mission to prioritize public transit, gather data on Muni buses, paratransit, taxis, Hop-On/Hop-Off buses and, drop-offs for seniors and disabled commuters and deliveries. Data-driven criteria can then inform design of JFK Drive and Golden Gate Park's roadways.

We believe that the roads in Golden Gate Park should be reopened to their pre-pandemic state until there has been a full data-driven process and a consideration of all alternatives. Only then will the Park be accessible to all regardless of age, ethnicity, or physical ability.

Bob Feinbaum

President, SaveMUNI

(bobf@att.net)

CALL TO ACTION!

Gray Panthers of San Francisco
graypanther-sf@sonic.net
<https://sfgraypanthers.wordpress.com/>

Ms. Angela Tsao.
Clerk of the Sf County Transportation Authority.
1455 Market Street, 22nd Floor SF 94103.

Gray Panther of San Francisco Board and members have voted to strongly opposes Car-Free JFK Drive.

1. There is no way to know if the access mitigations promised by the City, even if funded, and completed, would provide equal access to people with disabilities or for people in transit-poor areas of the City. If the City were seriously concerned over Car-Free's consequences, it would implement its planned mitigations, assure that they do indeed provide equal access, and only then permanently close JFK Drive.
2. The City is perfectly able to provide the walkability, beauty, and safety of a car-free area in Golden Gate Park without blocking access to the museums, gardens, and meadows for seniors, people with disabilities, and transit-poor residents. In fact, the 2007 Compromise explicitly called for creating such an area west of Transverse Drive. If the City had fulfilled its obligation, we would not be facing this controversy now. But it still exists as a preferable option.
3. The Introduction to de Young Museum's MIG Access Study states:
 - i. ADA Standards allow alternatives to specified requirements that provide **substantially equivalent or greater accessibility and usability as an "equivalent facilitation."** (Emphasis in original)

There is no evidence that the City intends to comply with this standard of access. Indeed, the City is providing temporary substitutes, such as vans and shelters which they themselves admit are disability-unusable and might take several years to become disability-usable, yet the City is saying these unworkable measures are enough evidence to warrant JFK closure now. Those most affected have not been adequately engaged on access issues. Nothing about us without us.

4. The proposed car-free areas of JFK can be made pedestrian-safe with extremely low speed limits, speed bumps, pedestrian crosswalks raised to sidewalk level with button-actuated warning lights, widening of pedestrian stroll-ways, and other legal and structural measures.
5. JFK closure, on the other hand, would cause dangerous congestion on streets adjacent to Golden Gate Park every day, even in night-time hours when people would not be using the Park for walking or biking.
6. The Mayor's own Office on Disability, Senior and Disability Action, and the Haight-Ashbury Neighborhood Council all insist that a specific and comprehensive list of access mitigation measures be in place, not promised or even funded, but actually in place, before permanently closing JFK. As these measures are unlikely to be implemented in near or even intermediate future, this position is functionally equivalent to complete opposition to closing JFK.
7. The 2007 compromise was arrived at after difficult negotiations, and already calls for car-free JFK Drive for daylight hours on all Sundays, Summer-months of Saturdays, and holidays. The City has already enacted this compromise solution which worked for 15 years.
8. San Francisco Park and Recreation Department has a history of privatization of SF public facilities and subsequent high admission fees, and we cannot help but wonder whether their insistence on closing JFK

is part of a longer-range plan to privatize a portion of the closed-off area. High prices at the de Young garage are a prominent example.

9. The very act of driving or riding through the park is itself a stress-reducing activity that must be accessible.

Do not endorse or implement closure of JFK Drive, which is so fundamentally unfair to seniors, people with disabilities, families with small children, and residents poorly-served by transit.

Gray Panthers of San Francisco Board

Art Persyko, Teresa Palmer, Karen Fishkin, Michael Lyon, Matthew Holtz, Ann Colichidas

To: Mayor London Breed; San Francisco Board of Supervisors; San Francisco Recreation and Park Commission; Board of Directors, San Francisco MTA; San Francisco County Transportation Authority; Jeffrey Tumlin, Director of Transportation, SFMTA; Phil Ginsburg, General Manager, SF Recreation and Parks Department

I am writing on behalf of Planning Association for the Richmond ("PAR") regarding the current closure of John F. Kennedy Drive, recently rebranded by SFMTA as *The JFK Promenade*, and other roadways in Golden Gate Park. As the largest and oldest neighborhood organization in the Richmond District, PAR urges you to restore JFK Drive and all other roads in the park to their pre-pandemic status.

These roads in Golden Gate Park were temporarily closed at the onset of the COVID-19 pandemic to create a recreation area where people could socially distance. The closures were not intended to be permanent. The impacts of the temporary closure of roads 24/7 in Golden Gate Park, most notably JFK Drive, have been significant.

- The road closures significantly impact traffic in the Richmond District, especially on Fulton Street, which has become dangerously crowded. It also makes access to the park from the Richmond District very difficult, effectively walling off the Park for drivers.
- The closures bar many members of our local community, including people with disabilities, those with ADA placards, the elderly, families with infants and young children, and others from large areas of the park, including access to the DeYoung Museum, the Academy of Sciences, and the Conservatory of Flowers. The closures have made it impossible to drop people off curbside at many destinations in the park and have also removed a significant portion of the free public parking that is critical to ensuring access for all. Many seniors and people with disabilities need to be dropped off at their destination or they require parking that is very close to their destination. And families with infants and young children also need easy access to the park. All of these people will be unfairly impacted if JFK Drive remains closed, since they are unable to navigate the long distances that are required if drop-offs and parking are removed.
- The closure of JFK Drive excludes the great majority of working families who live in the Mission, Bayview and Visitation Valley or who live in San Francisco's suburbs, who must drive, from visiting a large portion of the park.

5758 Geary Blvd., #356 San Francisco, CA 944121-9804
415-541-5652 Voicemail
sfparpresident@gmail.com

Much has been said about motorists that use Park roads for activities unrelated to the park activities. Our urban Park runs from Stanyan Street to the Great Highway, and effectively splits the entire western half of the city in two. With the current closures westside residents are forced to drive miles out of their way to attend to daily activities and business, endure horrendous traffic congestion and create new routes that are less safe for both motorists and pedestrians. While alternatives to cars may be a positive goal, notions of good government require that such alternatives be brought to the fore before implementing policy that so profoundly impacts people that must currently rely on cars.

The current closure was implemented based on emergency authority. What has followed is an effort by a small number of people, including bureaucrats and their partisan staffers, to advance a narrow agenda in an affront to democratic principles at the expense of residents citywide.

PAR is committed to collaborating with city leadership to find a solution that creates equitable and safe access to Golden Gate Park for everyone. Now that the city is reopening and Emergency Orders will no longer be in place, the roads in the park should be restored to their pre-pandemic status, which includes re-opening JFK Drive during the week and on many Saturdays. Only after there has been comprehensive data-driven research as well as extensive community engagement of all stakeholders should there be any changes to these roadways.

Thank you for your attention to this issue. PAR looks forward to working with you to reopening Golden Gate Park to everyone.

Respectfully

Nicholas C Belloni

Nicholas C Belloni

President Planning Association for the Richmond

**Resolution Supporting the Reopening of John F. Kennedy Drive and All Other Roads
inside of Golden Gate Park to Their Pre-pandemic State.**

Whereas, The current closures of John F. Kennedy Drive (JFK) and other streets in Golden Gate Park are unnecessarily limiting public access to the park; and

Whereas, The purpose of the street closures was to create a recreation area with social distancing for neighbors living close by the park during the height of the pandemic when the city was shut down for health reasons and people were encouraged to stay near their homes; and

Whereas, At the time we did not know how COVID-19 spread, and had no data and no vaccine; and

Whereas, Now we know how to protect ourselves, the pandemic Emergency Order will soon be lifted and citizens and businesses are trying to return to normal; and

Whereas, Road closures impact everyone, including but not limited to: underserved and vulnerable communities, the elderly and low-income, families with children and pets, individuals with disabilities, people who want to enjoy a day in the park with food, drinks, toys and gear, and people who want to enjoy nature, art or science as they have done since the park opened in 1870; and

Whereas, All parks and all areas of San Francisco must be accessible to all modes of transportation;

Therefore be it resolved, We request that London Breed immediately reopen JFK Drive and the other closed Park roads, restoring them to their pre-pandemic state; and

Be it further resolved, That Recreation and Parks Department and San Francisco Municipal Transportation Authority abide by San Francisco Park Code § 6.13 and not consider any road closures without going through extensive public process, and to stop using the COVID-19 pandemic as an excuse to bypass required protocols.

Respectfully submitted, November 2021

Charles Head, President
Coalition for San Francisco Neighborhoods (CSFN)

To: Mayor London Breed, and Board of Supervisors

RESOLUTION SUPPORTING THE REOPENING OF JOHN F. KENNEDY DRIVE AND ALL OTHER ROADS INSIDE OF GOLDEN GATE PARK TO THEIR PRE-PANDEMIC STATE

WHEREAS, Golden Gate Park was created in the 1860s and opened to the public in 1870, as a spacious public space to be enjoyed by all San Franciscans and visitors of the City; and

WHEREAS, Since 1967, John F. Kennedy Drive, the main route of access to the attractions on the western end of the Golden Gate Park, between Kezar Drive and Transverse Drive, has been closed to vehicular traffic, from 6AM - 6PM on Sundays and Holidays; and

WHEREAS, On April 12 and 13, 2007, parties met to discuss a Saturday closure proposal for John F. Kennedy Drive and spent several hours working to find a mutually amenable compromise on this issue till the existing Saturday closure was agreed upon; and

WHEREAS, The parties to the Saturday closure compromise, among others, included then-Mayor Gavin Newsom, Sierra Club San Francisco, California Academy of Sciences, San Francisco Bicycle Coalition, Planning Association for the Richmond, Walk SF, District 11 Council, North Park Neighbors Association, de Young Museum, Recreation and Parks Department, Park Access For All, and California Outdoor Rollerskating Association; and

WHEREAS, Since 2007, John F. Kennedy Drive, the main route of access to the attractions on the western end of the Golden Gate Park, between Transverse Drive and the western side of Hagiwara Tea Garden Drive and Stow Lake Drive between Stow Lake Drive East and John F. Kennedy Drive, has been closed to vehicular traffic, from 6AM - 6PM on Saturdays, from the first Saturday in April through the last Saturday in September; and

WHEREAS, In 2012, protected cycle tracks were added to John F. Kennedy Drive, providing separation between cyclists and moving vehicles; and

WHEREAS, In April 2020, Mayor London Breed, in response to the COVID-19 pandemic, allowed John F. Kennedy Drive to be temporarily closed 24/7, to provide additional open space to nearby residents; and

WHEREAS, A full reopening of the Park's art and cultural institutions, and many San Franciscans returning back to work, the continued closure of streets for additional recreating space and increased social distancing is no longer needed; and

WHEREAS, The continued closure of John F. Kennedy Drive and other Golden Gate Park roads continues to deprive persons with disabilities, seniors, families with young children, those who do not live close to the Park and those who cannot afford the high price of the Music Concourse Parking Garage, of equitable access and use of the Park's amenities;

WHEREAS, Golden Gate Park belongs to everyone and should be accessible to all; now, therefore, be it

RESOLVED, That East Mission Improvement Association, finds as follows:

1. As described above, Golden Gate Park is the crown jewel of San Francisco and home to many beloved San Francisco destinations.
2. As described above, compromises have been previously made and agreed upon amongst stakeholders, and codified into San Francisco Park Code § 6.13, which allowed the Park roads to be shared by all diverse users.
3. As described above, as we move past a tremendously challenging time resulting from the COVID-19 pandemic, the closure of roads, such as John F. Kennedy Drive, for additionally recreating space and social distancing is no longer needed.
4. As described above, the continued closure of John F. Kennedy Drive and other roads inside of Golden Gate Park creates barriers for countless individuals who are denied equitable access to the Park and its nature, art, and cultural experiences; and it be

FURTHER RESOLVED, That East Mission Improvement Association requests that Mayor London Breed immediately reopen John F. Kennedy Drive and the other closed Park roads, restoring them to their pre-pandemic state; and it be

FURTHER RESOLVED, That East Mission Improvement Association urges the Recreation and Parks Department and San Francisco Municipal Transportation Authority to abide by San Francisco Park Code § 6.13 and not consider any road closures without going through extensive public process, and to stop using the COVID-19 pandemic as an excuse to bypass required protocols.

March 8, 2022

Mari Eliza, President, East Mission Improvement Association

Mayor's Disability Council

Orkid Sassouni
Alex Madrid
Co-Chairs

Nicole Bohn
Director

RESOLUTION # 2022 – 01 MAYOR'S DISABILITY COUNCIL RESOLUTION ON ACCESSIBILITY OF GOLDEN GATE PARK AND CLOSURE OF JFK DRIVE

WHEREAS, Golden Gate Park is a unique, beautiful and world-famous attraction and venue that people with disabilities in San Francisco and beyond have enjoyed since its beginnings and;

WHEREAS, there are many facilities and programs within Golden Gate Park that are unique and of particular importance to people with disabilities such as the De Young Museum, the Academy of Sciences, the Conservatory of Flowers and many more and;

WHEREAS, many people with disabilities have relied on the use of their vehicles to get to Golden Gate Park and arrive at specific destinations. They have driven and parked on JFK Drive to use the Park and its amenities and;

WHEREAS, the closure of JFK Drive during the COVID pandemic posed significant barriers to and sometimes prevented people with disabilities from being able to access the park and its amenities as they had been able to do in the past and;

WHEREAS, people with disabilities who have experienced negative effects from the closure to private vehicles include Deaf and Hard of Hearing people, people with stamina and strength limitations, and blind and visually impaired people, as well as people with mobility limitations who rely on private vehicles, and;

WHEREAS, the closure also increased the ability for some people with disabilities to enjoy the park in a new and safe way and;

WHEREAS, San Francisco is known for having a strong commitment to disability accessibility and takes pride in going beyond the minimum requirements of the Americans with Disabilities Act and similar laws and;

WHEREAS, because of their different limitations, many people with disabilities have fewer options for accomplishing things. The solutions they rely on may be the only feasible way to accomplish particular goals, compared to others without disabilities who have more possibilities. Thus, external changes like the closure of JFK Drive are more likely to affect people with disabilities negatively and;

WHEREAS, the potential permanent closure of JFK Drive is part of an accelerating movement in SF away from encouraging the use of cars and towards other modes of transit and mobility. This movement must take into account in a thoughtful way the reliance of many seniors and people with disabilities on cars as a mobility device, and the resolution of this issue will influence the equitable treatment of people with disabilities and seniors as this trend continues and;

WHEREAS, the temporary closure of JFK Drive during the COVID pandemic was implemented with a minimum of planning and cost. A permanent closure should be the result of careful planning and analysis on the impact on people with disabilities and seniors, along with the necessary expenditures to achieve the goals of equitable access and to demonstrate that such a change can be beneficial for all.

NOW, THEREFORE BE IT RESOLVED that the MDC supports the closure of JFK Drive to personal vehicles only under the following conditions:

- Parking
 - Addition of blue spaces to replace and supplement those removed by the closure
 - Free parking as close to the De Young Museum as possible, including blue spaces within the parking garage, to be paid for by City and County of San Francisco entities
- Right of Way Access
 - Adequate number of curb ramps throughout area closed to private vehicles
 - Existing curb ramps must comply with current code requirements and be in good repair
 - Crosswalks in good condition
- Shuttle service and paratransit
 - Frequent shuttle service (no more than 15 minutes apart) at all hours the park is open
 - Code compliant shuttle stops
 - Kneeling or low-floor, ramped vehicles
 - Sheltered waiting areas
 - Access for all paratransit vehicles, including paratransit taxis
- Information and communication
 - Multiple ways to find information about the accessibility of this area and the park in general (website, phone, brochures in accessible formats)
 - Information about accessibility and park modifications for Deaf people in sign language.
 - WCAG 2.0 (Web Content Accessibility Guidelines) compliant website including directional wayfinding instructions whenever maps or routes are referenced
 - Ongoing outreach to the different constituencies within the disability community
- Wayfinding and signage
 - Easy to understand signs and maps on site to identify accessibility amenities
- Drive-through access for exhibits and events that occur on or near JFK Drive
- Safety for pedestrians
 - Measures to keep bicyclists from speeding and ignoring crosswalks

- Separation between slow moving (i.e. pedestrians) and fast moving (i.e. bicyclists, scooter users) people
 - Detectable warning for all areas where pedestrians could encounter vehicle traffic or fast moving users on bicycles or other devices
- A comprehensive accessibility plan with clear commitments and timeframes

The permanent closure of JFK Drive should not be considered unless these conditions are met.

Mission St., Suite 400
San Francisco, CA 94103

www.sdaction.org

SDA Statement On the Proposed Closure of JFK Drive

Accessibility means that any person should have the opportunity to acquire the same information, engage in the same interactions, enjoy the same services and visit the same sites as any other person. At Senior and Disability Action, we value collective access, the concept that we share responsibility for creating accessible and inclusive spaces, in terms of disability, age, language, income, race, and other factors. We work to remove barriers for all and promote universal design concepts.

The closure of JFK Drive in Golden Gate Park, or any other major road, to private vehicles affects disability access in several different ways. Unfortunately, sometimes disabled people face conflicting access needs. There may not be a solution that provides full and equal access to all people, considering that the disability community is diverse and varied.

Private cars and vans have also provided access for many seniors and people with disabilities to get to and around Golden Gate Park. It can be difficult for disabled people to get in and out of vehicles, wait for a shuttle, or walk from a shuttle stop to a destination. Being able to use one's own car to go directly to and from a destination is an important means for some disabled people and older people to have access.

Road closures eliminate a major accessibility barrier: vehicle and human collisions. Seniors and people with disabilities are hit and killed by cars more than any other group. SDA has pushed for street changes in San Francisco for many years to prevent collision, injury, and death. The surest way to prevent vehicle collision is to eliminate the presence of cars altogether.

Road closures inherently create a safer space for people with disabilities and seniors to move around and access sites without risk of being hit by cars. There were 36 reported injury collisions in the five year period prior to the closure. Unfortunately the current JFK Drive closures have led to an increase in bicycle speeds, causing a different set of risks to pedestrians. Bicycle collisions are far less likely to cause injury and death than vehicle collisions, but the City must take action to reduce bicycle speeds.

Using a racial and economic justice lens, it is important to note that disabled people are far less likely than non-disabled people in San Francisco to own cars (39% of disabled

people do not own cars as opposed to 22% of the non-disabled population). There is a clear income divide among disabled people who do and do not own vehicles: The average household income where at least one person has a disability and no one owns a vehicle is \$45,315, and the average income for households that own 1 vehicle is twice that, \$92,000. This data shows that lower-income disabled people are less likely to own cars than those with higher incomes. It is important to consider the needs of low-income disabled people who do not use private vehicles, as well as those who do. Access for those without vehicles involves pedestrian safety and good, accessible public transit.

SDA is encouraged by and engaged in the current meaningful ways that the Recreation and Park Department, with collaboration from SFMTA, is taking to improve accessibility in Golden Gate Park. The shuttle service was launched at the end of February, with three shuttles on weekends and two on weekdays, improved signage, and outreach. These are important steps, and we are in conversation with Rec & Park about getting low-floor vehicles to improve access. The planned addition of disabled parking spaces near key destinations (the de Young, Cal Academy of Sciences, Japanese Tea Garden and Botanical Gardens) is a marked improvement for those with disabilities who drive.

It is important to recognize that the disability community is diverse and varied. Different people with disabilities benefit from different forms of access. Some of SDA's members support the continuation of car-free JFK, and others oppose vehicle restrictions on roads in Golden Gate Park, especially JFK Drive.

Considering the conflicting access needs among different people with disabilities, SDA aims to identify and promote policies and practices that promote maximum access in our community, with a focus on the most marginalized disabled people and seniors, specifically those who are low-income and people of color.

We envision a city with multiple ways to get around.

With all that said, whether or not the city decides to close JFK Drive permanently, Golden Gate Park should be made accessible for all city residents and visitors. This can be addressed by providing:

- A shuttle service on all park roads,
- Wayfinding signage throughout the park,
- Slowing all traffic to 15 mph or slower,
- Clear and maintained accessible paths, sidewalks, and ramps,
- Increase Muni service from all parts of the city to Golden Gate Park entrances, and
- Affordable and free alternative transportation mode, (e.g accessible scooter & pedicabs).

SDA will support car-free JFK Drive only if the City and County of San Francisco execute a plan with appropriate funding to make the following accessibility changes to maximize disabled people's ability to use Golden Gate Park:

- Ensure that the public shuttle runs on all roads closed to private vehicles, has a wait time of 15 minutes or less, operates 7 days a week from dawn to dusk (and later, if museums or festivals are open later), allows drop off at any safe site along the shuttle route, uses low-floor vehicles with boarding ramps, and shuttle operators have gone through disability training.
- Fixed shuttle stops to have fully accessible bus shelters, with seating, and wayfinding signage.
- Fixed shuttle stops that include popular designation sites and Muni bus stops along or near the shuttle route.
- An accessible website including clear information about shuttles, Paratransit access, loading and parking zones, and wayfinding.
- The garage free parking time increases to 30 minutes, and parking is made affordable for seniors, people with disabilities, and low-income people.
- Paratransit drivers are allowed and trained to do drop-offs on all roads closed to private traffic.
- Taxi pick-ups are allowed in Golden Gate Park.
- Accessible shared scooters, pedi-cabs and other alternative transit vehicles are allowed in the park.
- There are clear accessible paths, sidewalks, and ramps to and from all public shuttle stops, bus stops, and popular destinations. A clear written plan with funding
- Improve sidewalk and curb access, and wayfinding throughout the park.
- Ensure that these conditions are enforced and monitored.
- Increase Muni service from all parts of the city to Golden Gate Park entrances.

If and only if these changes are made, will SDA support car-free JFK Drive.

In the meantime, we support allowing cars on JFK Drive some week-days with a speed limit of no more than 15 mph that is strictly enforced.

SDA's long-term vision is of a community in which all people have access to the park (and all places) through quality public transit or Paratransit, with fewer cars on the roads so that we endure fewer collisions and contribute less to climate change. We will continue to work with RPD and others to make this vision a reality.

Stay safe and be well

April 24, 2022

Members of the Board of Supervisors,

My name is Ewan Barker Plummer, I am a youth advocate and organizer, and I am writing to you in my personal capacity to **urge you to support Mayor Breed's legislation for the future of JFK Drive.**

The JFK Promenade has been a silver lining of the pandemic, resulting in a **30%+ increase in park visitation from across our city** (~8 million visits), and was **supported by more than 70% of San Franciscans** who engaged in the official City survey conducted by SF Recreation and Parks and SFMTA. Further outreach showed broad support for permanence with increased access and equity to this amazing space without amending the Mayor's legislation and City staff recommendations.

JFK Promenade makes our city a more connected, healthy, and sustainable city. This new promenade, welcoming people from across the city to the center of Golden Gate Park's attractions, has become a special place for San Franciscans of all ages. Families with young children, and teens, have especially come to love this new resource.

The **Mayor's legislation will increase access and equity to JFK Promenade** without compromising on the joy, safety, community, beauty, and serenity that the space has created. We need constructive, programmatic, and collaborative leadership that focuses on solutions and takes necessary action to move our city forward towards a more connected, healthy, and sustainable future.

For those thinking about compromise, JFK Promenade and the broader Golden Gate Park project is already a compromise. **JFK Promenade represents less than 10% of the roads in Golden Gate Park**—and less than 0.5% of the roads in San Francisco—and the **only car-free space accessible 24 hours a day, 7 days a week** in our city.

Please lead on this issue by passing the Mayor's legislation as is at Tuesday's meeting, so we can move forward as a city making JFK Promenade more accessible, equitable, and enjoyable for everyone in our city.

Thank you,

Ewan Barker Plummer
San Francisco Youth Advocate and Organizer

San Francisco County Transportation Authority Board of Directors

RE: Golden Gate Park Access to Vehicles-Reopening JFK Drive

Dear Supervisors and SFCTA Board of Directors:

I have been a resident of San Francisco since 1974. I have been a professional tour guide since 1998. Both personally and professionally, I ask you to keep Golden Gate Park accessible to vehicles by permanently reopening the eastern section of John F. Kennedy Drive.

In 2021 San Francisco Travel reported 14.8 million visitors to the city, down 44% from a record high of 26.2 million visitors in 2019. Total spending by visitors was \$3.1 billion, down 70% from \$10.3 billion in 2019, including spending on visitors and conventions.

Most tour companies, including those for which I work, use some type of vehicle to bring a significant number of these visitors to see the world-class attractions of Golden Gate Park. These attractions include: the California Academy of Sciences; the DeYoung Museum; the Japanese Tea Garden; and the Conservatory of Flowers. Tour vehicles primarily use the main roads to conduct tours (John F Kennedy Drive, Martin Luther King, Jr. Drive, Music Concourse Drive and Transverse Drive). In addition to introducing our passengers to the beautiful views throughout the Park during our driving tours on the main thoroughfares, we often stop so our guests can enjoy the attractions. We also encourage our guests to return during their individual free time in San Francisco.

Before the economic disaster of the Covid-19 crisis, most tour professionals including me believed that a previous proposal to close JFK Drive to vehicles would have been extremely damaging to San Francisco's reputation as a major tour destination, and thus to our economy, by further restricting the main transportation arteries serving the Park. We still maintain this belief.

Covid-19 has devastated the global travel industry. As evidenced by the 2021 versus 2019 statistics, San Francisco's tourism levels may take years to recover. I therefore believe the City should not take any action to impede that recovery by limiting or eliminating vehicle access to Golden Gate Park.

Respectfully,

Frances Gorman
Professional Tour Guide since 1998

Dear San Francisco Board of Supervisors,

As a person with a disability, and resident of San Francisco since 1982, I am dismayed by the JFK Drive closure in Golden Gate Park. The JFK Drive closure has a tremendously negative impact on the members of the disability community, seniors, parents who need to drive their children, and tens of thousands of middle class and low income Bay Area residents who visit our park! Therefore, I urge you to **VOTE AGAINST MAYOR BREED'S PROPOSAL TO PERMANENTLY CLOSE JOHN F. KENNEDY DRIVE!**

Many adults, children with disabilities, and seniors require assistance from the drivers accompanying them. Drop-offs that are at a distance from the gardens and facilities that are accessed by JFK Drive are not feasible and safe options, and the ensuing accidents and injuries could result in lawsuits against the City!

The proposed ADA parking spaces are not viable options to replace those that are being eliminated by the JFK Drive closure. They are scattered around the park so that drivers have to travel from place to place to see if any are available. The parking garage is not an option; it is too expensive.

Recreation and Parks tell us they are providing shuttles in Golden Gate Park to mitigate the barriers to access caused by the JFK Drive closure. Shuttle stops are too far apart, and many have no seating, or inaccessible seating, available for people with disabilities, seniors, and others who are waiting for the shuttle.

Please do all you can to **Permanently REOPEN JFK Drive!!**

Sincerely,
Bill Bruckner
580 Capp St.

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Mayor Breed, Board President Walton and Supervisors:

I urge each Supervisor to vote against the proposed legislation approving and implementing the Golden Gate Park Access and Safety Program. I urge Mayor Breed to withdraw the proposed legislation. The entire length of JFK Drive should be immediately reopened to cars.

Please see the attached emails from me dated May 11, 2021; September 20/September 21, 2021; January 6, 2022; February 16, 2022; and March 9, 2022. They are hereby incorporated into this email, and I request that they be made part of the record for the Board file numbers stated above and for the proposed legislation.

Over 4,500 people have signed a petition on change.org asking for the immediate opening of JFK Drive to cars. In particular, please read the comments. Here's a link: <https://www.change.org/p/mayor-london-breed-keep-golden-gate-park-open-to-everyone-re-open-jfk-drive-459de70d-08fd-4bac-945b-8d79eb4fa5ee>

On February 18, 2022, the SF Mayor's Disability Council devoted an entire meeting to JFK Drive and extended it by almost 2 hours so more members of the public could be heard. There were ASL (as there always are), and Chinese and Vietnamese interpreters. Literally dozens of public commenters at the meeting described the hardship the car ban has caused them and asked that cars be allowed on JFK Drive again now, and there were many comments in the chat to the same effect. The mitigation measures described by MTA and Rec Park previously and again at the meeting didn't change anyone's mind. Only two public commenters supported the ban. The comments at the February 18 meeting are consistent with the many public comments and emails MDC has received during the past couple of years about JFK Drive, the overwhelming majority of which opposed banning cars.

Below are links to a recording and transcript of the meeting. Please listen to them and read them.

Recording https://sanfrancisco.granicus.com/player/clip/40618?view_id=17&redirect=true

Transcript -https://sanfrancisco.granicus.com/TranscriptViewer.php?view_id=17&clip_id=40618

Here's just one example of the barriers, discrimination and hardship caused by the car ban. Recently my 92.5-year-old mother was visiting from out of town. She's frail and she can't walk far. Ordinarily we would drive along JFK Drive so she could enjoy Golden Gate Park. But this was impossible. If the Dahlia Garden were in bloom, we would drive into Pompeii Circle, park near the Dahlia Garden, and she'd get out of the car and enjoy the garden; this also would have been impossible.

Current conditions on the part of JFK Drive that is closed to cars are dangerous to pedestrians, especially seniors and people with disabilities, because of speeding cyclists (especially those riding electric bicycles) and scooter riders. Vicki Bruckner and others have made detailed recommendations about safety measures, including speed bumps/humps, raised crosswalks, lighting at crosswalks, stop signs, and enforcement of traffic laws. Please implement those recommendations ASAP.

If you truly care about access for all, including disabled people and seniors, please defeat the proposed legislation and end the car ban. This issue is a test of whether San Francisco government officials' statements about equal access are sincere or just rhetoric.

Sincerely

Howard Chabner

Subject: Public comment on May 11, 2021, SFCTA meeting - Reopen JFK Drive to cars ASAP

Dear SFCTA Board members, Mayor Breed and others:

Please reopen JFK Drive to cars ASAP, except, as before the pandemic, for the eastern part on Sundays and some Saturdays.

Before the pandemic, a large percentage of visitors to Golden Gate Park came in cars, including San Franciscans, people who live elsewhere in the Bay Area, and tourists from around the world. Those who relied on cars include seniors, people with mobility and other disabilities, families with children, and residents from places within and outside San Francisco where driving is the only feasible option. Before the pandemic, JFK Drive was open to all transportation modes, including cars, except the eastern part was closed to cars on Sundays and some Saturdays. That was a fair compromise. In addition, there has been a parking-protected bike lane in both directions on JFK Drive for years (the creation of which resulted in the elimination of many parking spaces).

The closure was imposed by executive order of Mayor Breed at the beginning of shelter-in-place on a temporary, emergency basis in order to provide more space for social distancing. In essence, this has closed much of Golden Gate Park to anyone who can't walk or bike in, which is inequitable, but it was imposed quickly and justified as one of many temporary measures to deal with an unprecedented public health emergency.

Permanently closing JFK Drive to cars would create a permanent access barrier to Golden Gate Park for countless numbers of people, including many seniors, people with mobility and other disabilities, families, and people from places where driving is the only feasible option.

The closure of JFK Drive to cars during the pandemic has been touted as a success by some, and used to argue for permanent closure. But it hasn't been a success for those who have been unable to access Golden Gate Park because of the closure. It may be possible to measure the number of pedestrians and cyclists in the park, but it is utterly impossible to measure the number of people who couldn't go there because of the closure.

Permanently closing the eastern part of JFK to cars would permanently eliminate hundreds of parking spaces. Increasing the number of blue zones elsewhere in the park and in the surrounding areas would be insufficient to compensate for the loss. Disabled people parked not only in the blue zones on JFK,

but in regular spaces also, as we do throughout the city. When JFK was open to cars, people who couldn't walk, or couldn't walk far, could park close to destinations such as the Conservatory of Flowers, AIDS Memorial Grove, Dahlia Garden and others. With permanent closure, they will never be able to. Moreover, increasing the number of blue zones elsewhere would do nothing for the countless number of people who may not be disabled but rely on cars to get to the park.

I live close enough to roll to the park, which I do often when the weather is good, and it is truly delightful. But even though I live close, I'm not able to roll there in cold or rainy weather, or at night. For example, I was unable to see the light show in February. When my mother, age 91, visits from Chicago, we drive to the park to go to the museums and gardens. She can walk short distances, but it isn't possible for her to walk there no matter how good the weather.

Weather matters. Many visitors, whether disabled or not, are unable to stand in the rain or cold waiting for a shuttle, and are unable to walk long distances in the rain or cold.

Terminology matters. Rec Park, MTA and others refer to the days that JFK Drive is closed to cars as "Car-Free" days, which implies freedom, and implies that cars are bad. "Restricted Access" or "Car-Forbidden" would be just as accurate.

The City can't make the temporary, emergency closure of JFK Drive permanent without doing an environmental impact report. (The original bike plan was tied up in court for years because the City refused to do an EIR.) And you can't do an EIR about closing JFK without first doing a traffic study of the surrounding areas. One example of the environmental impact on the surrounding areas is the increased congestion on Fell Street from Masonic to Stanyan since JFK Drive has been closed. Any study also must include the impact of losing hundreds of spaces in GGP on parking in the surrounding areas. And it's impossible to do a meaningful traffic study until after the pandemic emergency is over, because current conditions aren't representative.

Closing JFK to cars permanently would violate Title II of the Americans with Disabilities Act. And the City has a mixed record in defending against ADA lawsuits.

Sincerely

Howard Chabner

To all the recipients of Victoria Bruckner's email:

I agree with Ms. Bruckner's comments, which are spot on and eloquently stated.

Regarding the shuttle, I would add that even if the shuttle were well-funded and well-functioning, it isn't equitable, feasible, safe or healthy to require disabled people, seniors, families with small children and others to wait outside in cold, rainy or windy weather for a shuttle (or to ride in a vehicle that's open to the elements). Moreover, it's quite likely that even if the shuttle were well-funded and well-functioning, few would use it in such weather (or perhaps at all, considering the difficulties), which the proponents of banning cars from JFK Drive would then use to justify the ban on the basis that there is little demand.

Also, there are nighttime events such as the Entwined Light Show, the lighting of the Conservatory of Flowers, evening events at both museums, and the fact that the Ferris Wheel is open until 10 PM. The shuttle would be unlikely to run late enough to provide access to these events, and even if it did, the health and safety problems would be even greater than during the day. The Music Concourse garage – touted as a solution by some – closes at 7 PM, is expensive, has poor security, very few van accessible spaces, and other limitations.

Attached is a memo I wrote dated September 9, 2021, which analyzes RPD/MTA's visitor data.

Sincerely

Howard Chabner

Subject: Public Comment for the Land Use and Board of Supervisors Meetings, 9-20-21 and 9-21-21

Dear Members of the Board of Supervisors and SF Government Staff,

Supervisor Chan's well-meaning resolution, attempting a "compromise" related to access barriers caused by the closure of JFK Drive in Golden Gate Park, unfortunately only attempts to solve one of the *myriad* problems caused by the closure.

Supervisor Chan, including much of the general public, has been misled by numerous articles and commentaries in the public media, which have erroneously framed the closure of JFK Drive as a struggle between the DeYoung museum and the Bicycle Coalition. Would that it were as simple as that!

The closure of JFK Drive cuts off easy access for the majority of San Franciscans, Bay Area residents, and tourists to *nearly all* of the most popular attractions in Golden Gate Park. These include, among others, the Rhododendron Dell, the Dahlia Garden, Stow Lake, Pioneer Falls, the Model Boat Lagoon, the Fly-Fishing Pond, and the Buffalo Paddock.

Access to all of these attractions is effectively eliminated for most people with vision and mobility disabilities, seniors, countless families with small children, and almost anyone who must travel to Golden Gate Park from outside the City, or from residents of neighborhoods in the South or Southeast of town, who are mostly working families of color. It is wildly impractical, exclusionary, and horribly inequitable.

In addition, the City currently lacks, and will lack for the foreseeable future, the public transit infrastructure that could support the proposed closure! Last month, Jeffrey Tumlin clearly stated on public radio that Muni only has adequate funding for full service until 2022. After that, Muni service will have to be significantly cut back.

Furthermore, during the pandemic, many who used to regularly ride public transit returned to driving because of fears of the transmissibility of Covid-19. Now, amid widespread concern about the even more transmissible Delta variant, people have continued to avoid buses and trains, preferring to remain in their cars for safety.

The Golden Gate Park Shuttle, the planned alternative to provide access for those who cannot walk, run, cycle or skate to the areas of the Park they want to visit, is barely functional. It has only one driver, and makes unpredictable and infrequent runs. Many of its stops, which are too far apart, lack benches, timetables, and other access features that visitors need to effectively use it. Fully staffing the Shuttle, and providing enough vehicles and appropriately furnished stops, will cost hundreds of thousands of dollars which neither RPD, MTA or the City itself currently have in their budgets.

All of these problems point to the main difficulty with this terrible, insane process. The planning for it was entirely reactive, and was done completely backwards.

Though I have no doubt that many at SFCTA, MTA, RPD, MOD, and Walk San Francisco worked very hard on the plan, it began with a pre-chosen goal, closing JFK Drive, and worked backwards from that point, overlooking many of the serious problems the closure would cause. The current neighborhood meetings, hosted by MTA, to get feedback from the public about how best to ameliorate these problems now that the plan is in place, resemble the actions of a software company that trumpets the release of a miraculous new product, only to be forced to develop patch after patch, year after year, to remedy its many serious faults, one by one.

An appropriate plan for the future of Golden Gate Park would have begun with questions, rather than preconceived answers. The question, "How can we provide the easiest and safest access to the most attractions for the most visitors, of all backgrounds, abilities and ages?" was clearly never asked at the outset.

As a positive contrast, consider what was accomplished by GGNRA when it provided full, world-class access during its renovations at Crissy Field and Lands End. These wonderful places now have universal access, by many different means, for young, old, disabled and non-disabled, athletic and non-athletic people from all over the Bay Area. The concepts and precepts of Universal Design were used throughout the entire endeavor. That is the reason, for example, that many of the drinking fountains at Crissy Field are at not two, but three heights: the tallest for adults, the middle height for wheelchair users and kids, and the lowest, for everyone's dogs!

Truly inclusive, open, tolerant and creative thinking was never used when developing the current plan for the closure of JFK Drive. It was shot through with implicit and partisan bias against people who weren't even considered at the outset! It was designed for the enjoyment of the most physically able and athletic San Franciscans, who live closest to Golden Gate Park, at the expense of *everyone* else!

I hope this isn't an indication that the inclusive, open and creative City that I moved to forty-three years ago hasn't morphed into a mere collection of self-interested, greedy, competitive and cruel individuals. I hope we can move back into the open, big-hearted, egalitarian and creative space we used to occupy, a space epitomized by Golden Gate Park itself.

JFK DRIVE CLOSURE TO CARS – ANALYSIS OF RPD/MTA VISIT DATA

By Howard Chabner

September 9, 2021

The Recreation and Parks Department and MTA have been touting large increases in pedestrian and cyclist usage of JFK Drive since the eastern part of the street has been closed to cars 24/7 during the pandemic, compared to before the full-time closure, when it was closed to cars during daytime hours every Sunday and Saturdays from April through September. For example, in a May 27, 2021, form email from RPD, and in other communications from RPD and MTA, the following statistics (or, in other communications, similar ones) were cited: “During the GGP Slow Street program, pedestrian visits increased 42% and bike visits increased 441%.” Also see RPD Director Phil Ginsburg quoted in an August 8, 2021, New York Times article by Adam Nagourney, [San Francisco’s Cyclists Cheer a Road Less Traveled. Museums Mourn It.](#)

RPD, MTA and their allies have been using the increases to advocate for closing JFK Drive to cars 24/7 permanently, arguing that the closure has led to increased usage of Golden Gate Park.

I asked RPD and MTA questions about the data, and received answers by emails of June 9 and June 23, 2021, from Tamara Barak Aparton, RPD’s Deputy Director of Communications and Public Affairs. Per RPD, pre-closure data was from October 2018 through April 2019, and data from the closure period was from October 2020 through April 2021. The data were collected by a single optical sensor on JFK Drive at the intersection of Tea Garden Drive. RPD collected the data; MTA wasn’t involved. (Email of MTA Director Jeff Tumlin of June 4, 2021.) I will forward RPD’s responses.

Note that the closure period was two years – not one – after the pre-closure period. The closure began on April 28, 2020, so RPD could have shortened each time period by only three days and provided data for three consecutive time periods – October 2018 through April 27, 2019; October 2019 through April 27, 2020; and October 2020 through April 27, 2021. That would have been more likely to show whether there was a trend, whether the pre-closure period of October 2018 through April 2019 was anomalous, and other important information. Ideally, RPD should have provided data for several such periods going back five years or more; this would have shown whether there were any trends, anomalies, etc. Comparing only two time periods, especially nonconsecutive ones, is far from a robust study.

It appears from RPD’s answers that the sensor was operating before October 2018, and continues to operate. Therefore, beginning the periods in October and ending in April seems arbitrary – or perhaps cherry picking – especially since there are only two time periods. Why not begin in December? Why not end in June?

If a visitor made a roundtrip across the sensor, it would count as two visits, per RPD. It’s likely that most pedestrians who crossed the sensor made roundtrips, which means that the actual pedestrian visits are probably closer to half the numbers cited.

It's quite likely that the number of cyclist visits counted by RPD is even more than twice the actual number. Many cyclists make roundtrips, but some cross the sensor more than twice on a ride. The following is from a friend who bikes daily: "On JFK Drive, I go the length to Crossover Drive first. On to Daly City and back, and then on JFK Drive from Crossover to the Concourse. Around Stow Lake a couple of laps and onto JFK Drive again. This time from the boathouse road to the Concourse. A couple of laps around that, and then down JFK Drive to Pelosi Drive. Then loop up around the tennis courts, bocci, and nursery to MLK and the Concourse, another two laps on that, and back onto JFK Drive to the crossing at Kezar Way back to the Haight. So, you can see that on most days, I might be counted as 5 visits! Maybe even more, depending upon where they measure, and how they sort the data. That's on most days. Occasionally, I do loops just around the eastern end of the park (between Kezar and Crossover) when I can hit JFK Drive, etc. another 10 times. Add to that the large number of other cyclists going through the park as well as doing loops around the eastern end, and the problem becomes a mythical exponential mistake."

If the degree of overcounting is the same during both time periods, which is impossible to know, the percentage increases cited wouldn't change if the absolute numbers were adjusted for overcounting.

But the absolute numbers are important, and are much smaller than what RPD and MTA claim. When a small number is increased, the resulting number may still not be large even though the percentage increase may be. A small GDP or an organism with a small number of cells may see a large percentage increase, but the GDP or organism may still be small. RPD says there were 122,822 cyclist visits pre-closure; if 40% of those were roundtrips, then only 73,693 visits were made – an average of 10,528 visits per month or only 350 visits per day, or, using the generous assumption that all cyclist visits were made during 10 hours, only 35 visits per hour. No wonder the percentage increase seems large.

During the pre-closure period, 2,511,570 cars went through the intersection. That's significantly more than the total 2,073,476 pedestrian and cyclist visits during closure, and more than double the total 1,117,534 pedestrian and cyclist visits during the pre-closure period. (These numbers count roundtrips as two visits.) If, as RPD and MTA assert, a significant percentage of cars used JFK Drive to get somewhere else, rather than to visit the park, it's likely that there is less overcounting of cars than pedestrians and cyclists because many cars would have driven on JFK Drive in one direction, exited the park, gone to one or more destinations, and returned home on a different route. Many wouldn't have made roundtrips across JFK Drive.

Cars carry an average of more than one person, so no matter how much the 2.5 million car trips are adjusted downward to eliminate double counting of roundtrips, far more people used cars to go to destinations along or near JFK Drive, or through it en route to destinations outside the park, during the pre-closure period than the total number of pedestrians and cyclists in either period.

Cars coming from JFK Drive east of Tea Garden Drive that parked on JFK Drive east of Tea Garden Drive (bringing people to visit Peacock Meadow, the Dahlia Garden or the Conservatory of Flowers, for example) and made a U-turn to exit the park, and those coming from JFK Drive west of Tea Garden Drive that parked on JFK Drive west of Tea Garden Drive (bringing

people to visit the Rose Garden, Spreckels Lake and Buffalo Paddock, for example) that made a U-turn to exit the park, weren't counted. If those cars – and the people in them – were counted, even more people would be shown as having visited GGP by car.

If a family of four drove to GGP westbound on JFK Drive, parked on JFK Drive east of Tea Garden Drive, walked to the California Academy of Sciences, Music Concourse, SkyStar Wheel or other destinations by way of the Rhododendron Dell, visited those destinations, walked back to their car along the same route, and made a U-turn to exit the park, it would count as zero pedestrian visits and zero car visits. If they parked in the same place, walked to the de Young, Music Concourse, Japanese Tea Garden or Botanical Garden by crossing the intersection of JFK Drive and Tea Garden Drive, visited those destinations, walked back to their car the same way, and made a U-turn to exit the park, it would count as eight pedestrian visits and zero car visits. If they drove west along JFK Drive, crossed the intersection of Tea Garden Drive, parked west of Tea Garden Drive, walked to any of those destinations, walked back to their car the same way and continued driving west along JFK Drive to exit the park, it would count as eight pedestrian visits and one car visit. If, instead, they made a U-turn to exit the park, driving east past Tea Garden Drive, it would count as eight pedestrian visits and two car visits.

Yet in all four examples, four people drove to and from the park, parked their car on JFK Drive, walked from their car to the same or nearby destinations, and walked back to their car. Their visit to the park was essentially the same, but RPD counted a different number of visits and modes for each visit – ranging from zero pedestrian visits and zero car visits to eight pedestrian visits and two car visits. RPD's data simply isn't very accurate.

RPD and MTA decry that many of the cars on JFK Drive were en route to destinations outside the park; the people in them didn't visit the park. But that's also true of many cyclists. Of course there's nothing wrong with cyclists using JFK Drive to go elsewhere, but to the extent the increased cyclist visits were cyclists en route to other destinations, those increased visits don't justify closing JFK Drive to cars. The rationale cited by RPD and MTA for continuing to ban cars is that the ban has led to increased usage of Golden Gate Park. If cut-through car traffic doesn't count as using the park, neither should cut-through bike traffic. It's important to keep in mind that if the car ban were lifted, cyclists would continue to be protected by the parking buffered bike lanes that have been there for around 10 years.

The cars that were diverted because of the closure were diverted – they didn't vanish into thin air! Any study of the impact of permanent 24/7 closure to cars must take into account increased traffic in the nearby streets, both in the park and outside. I live on Fell near Clayton, and congestion on Fell and on Stanyan (and the associated pollution and noise) has increased significantly since the closure.

The sensor provided visits by date, but neither RPD nor MTA totaled visits by day of the week, which means they haven't analyzed visits by day of the week. Both organizations argue that the closure of eastern JFK Drive to cars has led to huge increases in pedestrian and cyclist visits, and that those increases justify banning cars 24/7 permanently. It would be important to know, therefore, how much of those increases occurred on Sundays and on Saturdays in April, days in which eastern JFK Drive was closed in the pre-closure period. Increases on those days

obviously couldn't have been due to the closure; most likely they were due to pandemic conditions, when many people worked from home, some lost their jobs, students attended online classes, and fewer people traveled outside San Francisco. Yet neither RPD nor MTA has done this simple calculation. How difficult is it to add up 35 numbers, add up a second set of 35 numbers, and compare the two sets?

It's also important to compare visits during the two periods on each other day of the week. (Similarly, for each day of the week it would simply involve adding up 30 numbers, adding up a second set of 30 numbers, and comparing the two sets.) If the increased visits were relatively small on certain days of the week, perhaps Mondays and Tuesdays, then closure on those days isn't justified even on the grounds cited by RPD, MTA and their allies.

And if RPD didn't compile data by day of the week, they certainly didn't compile it by time of day. It's a safe bet, however, that the overwhelming majority of pedestrian and cyclist visits in both periods occurred during daylight hours. What justification can there be for closing JFK Drive to cars at night?

The sensor doesn't count unique visitors, just visits. (Tracking unique visitors would violate the City and State's privacy laws, per RPD.) So if someone visited five times per week during the closure period (perhaps she was working from home during the pandemic and didn't travel), whether on foot or by bike, RPD would count it as five visits each week, or 10 if she made roundtrips. It's wonderful that she enjoyed the park frequently, but Golden Gate Park (and all our parks) are for everyone. To the extent the increased visits were made by relatively few people, the argument for banning cars is even weaker.

RPD and MTA are analyzing anonymized location-based data from Streetlight Data and CityDash.ai. It appears that this data shows visitor origin. But this data also doesn't count unique visitors. So, again, it's impossible to know to what extent increased visits – even those from far – were made by relatively few people. (Collecting location-based data on individuals, even though anonymized, raises major privacy concerns, but that's an issue for another day.)

RPD doesn't know how visitors got to the park. Someone who drove from outside San Francisco or from another neighborhood in San Francisco, parked outside the park, and walked or biked in would be counted as a pedestrian or cyclist even though most of the trip was made by car and, indeed, might not have been feasible or possible without a car.

Visitor data, no matter how collected, sliced, diced and analyzed, doesn't measure – because it can't measure – the number of people who stayed away from Golden Gate Park because banning cars from JFK Drive made it too difficult to get there or to park there.

Banning cars from JFK Drive 24/7 effectively excludes many people (not only disabled people) from visiting many of the most important destinations in GGP. It's wrong. It's a violation of disability civil rights laws. The data about visits may be politically relevant, but the civil rights violations caused by banning cars from JFK Drive don't depend on data. The disability civil rights complaint filed by Bob Planthold, Vicki Bruckner and me with the California Department of Justice, and the one filed by Richard Skaff, which are

currently pending, are valid regardless of the data. Nothing herein is a waiver of these complaints, of our rights asserted therein, or of any other legal rights.

Subject: Exclusionary Winter Lights shows in Golden Gate Park; Disability discrimination complaint with US DOJ
Attachments: [JFKDriveUSDOJComplaintText11-17-2021.pdf](#)

Dear Mayor Breed, Board President Walton, Supervisors, Director Ginsburg, Director Tumlin, Director Bohn, staff members and others:

For the second year in a row, banning cars from (the eastern part of) JFK Drive made it impossible for many people with mobility disabilities, seniors, those who live far from Golden Gate Park and others to see the Winter Lights shows. In 2020 there was Entwined, which "transformed [Peacock Meadow] into an enchanted forest of otherworldly shapes and ever-changing light." This past December the Winter Lights event was larger, featuring, in addition to Entwined, "Photosynthesis by Illuminate on the Conservatory of Flowers, special ambient lighting among trees and ferns by the SF Park Alliance and the activation of the Music Concourse."

For many people with mobility disabilities, including me (I use a power wheelchair full-time), the only way to see these light shows is by car. I live a couple of blocks from Golden Gate Park and my wheelchair can go long distances, but because of my muscular dystrophy I don't do well in cold weather and it just isn't feasible or healthy for me to roll there at night. For others with mobility disabilities who don't live nearby, for those who walk with difficulty and precariously, for those who cannot walk far and for others similarly situated, it's literally impossible to get there, and to view the light shows, without a car. Winter evenings and nights are cold and often windy, and this past December – fortunately – there was a lot of rain. Many of us need the shelter of being in a car. And many, including women alone, don't feel safe walking in the park after dark; being in a car is safer.

Yet the only solution Rec and Park proffers is the shuttle. But it isn't a solution. Does RPD really expect people with mobility disabilities, seniors, families with small children, and women alone to wait in the cold, darkness, wind and rain for a shuttle? To stand because there are no benches at the stops? To wait multiple times in order to go from one display to another? To risk the shuttle being full of able-bodied people (for whom it may be workable), and being passed up? To risk missing the last shuttle? To risk the wheelchair lift (assuming every shuttle has one) malfunctioning?

Moreover, the shuttle operates only on weekends and holidays, and only until 8 PM.

It may well be that the shuttle runs with many empty seats, especially at night. RPD

might misinterpret this as a lack of interest by people with mobility disabilities in viewing the Winter Lights shows, or, during the day, a lack of interest in visiting the park entirely, when actually it's due to the fact that the shuttle is not a real solution.

On November 17, 2021, I filed a complaint with the US Department of Justice about discrimination against disabled people by the City and County of San Francisco due to the closure of JFK Drive to cars. It was assigned report number 116626-RTG. Attached is the text of the complaint. Others have filed similar complaints.

Please act according to the principles you profess. It's time to end the ban.

Sincerely

Howard Chabner

I have facioscapulohumeral muscular dystrophy (FSHD), cannot walk, and use a power wheelchair full-time.

In April 2020, as part of San Francisco's response to the pandemic, the eastern part of JFK Drive in Golden Gate Park was closed to cars 24 X 7 on a temporary, emergency basis to provide more space for social distancing. JFK Drive is the main east-west thoroughfare in the park, and many attractions are located along or near the eastern part, including the Conservatory of Flowers, Dahlia Garden, de Young Museum, California Academy of Sciences, Lily Pond, Rhododendron Dell, Peacock Meadow and SkyStar Observation Wheel. The Entwined Light Show and the lighting of the Conservatory of Flowers take place only at night. The observation wheel is open until 10 PM.

Before the pandemic, many people with mobility and other disabilities relied on cars (including paratransit, private regular vehicles and private vehicles adapted for wheelchair access) to access Golden Gate Park. JFK Drive was open to all transportation modes, including cars, except that the eastern part was closed to cars on Sundays (until around 5 PM) and some Saturdays (until around 5 PM). There are hundreds of parking spaces along JFK Drive, including some designated disabled parking spaces (blue zones). It's important to emphasize, however, that disabled people parked not only in blue zones, but also in regular spaces, as we do elsewhere.

Paratransit vehicles dropped off and picked up people with disabilities at various locations along the eastern part of JFK Drive, such as the attractions listed above. This includes parents with disabilities who take paratransit so they can accompany their able-bodied children to school outings, and parents of children with disabilities who accompany their children.

I live close enough to roll to the park in my power wheelchair during the day in good weather. But I'm not able to roll there in cold, foggy or rainy weather, or at night. In those conditions, before the eastern part of JFK Drive was closed to cars, my wife and I drove there in our wheelchair accessible minivan. The closure has prevented me from visiting the attractions described above except during warm, sunny days, and from planning visits in advance because the weather in San Francisco is an unknown factor.

Many people with disabilities who don't live close to the park, and/or who use manual wheelchairs, and/or who walk slowly, with difficulty, and can walk only short distances, and who may or may not use canes, crutches, or a walker, have been unable to access the eastern part of JFK Drive and the attractions along and near it.

There is no longer any pandemic-related justification for continuing to close the eastern part of JFK Drive to cars, yet San Francisco government is continuing to do so, and it's likely the closure will become permanent.

This situation is the subject of a complaint by Alyse Ceirante dated October 4, 2021, record number 106078-MGD. I agree with and support her complaint.

Subject: MTA survey results about JFK Drive are very flawed.
Attachments: [JFKDriveSurveyCommentsCleanV2MichaelCawthon2-4-2022.pdf](#)
[JFKDriveSurveyDetailsCleanMichaelCawthon2-2022.xlsx](#)
[JFKDriveSurveyAgeIncomeStratificationCleanMichaelCawthon2-2022.xlsx](#)

Dear Mayor Breed, Board President Walton, Members of the SF Board of Supervisors, Director Ginsburg, Director Tumlin, and Board, Commission and City staff members, MTA conducted a survey about JFK Drive in September through November 2021. Based on the results, City agencies and others claim that the overwhelming majority of San Franciscans support a car-free JFK Drive. Attached is an analysis by Michael Cawthon based on the survey database he received from MTA in response to a Sunshine request. Mr. Cawthon's expertise and experience are shown at the end of his analysis. Two spreadsheets detailing the data are also attached to this email.

Mr. Cawthon's analysis shows major flaws in the survey methodology and tabulation of the results, including duplicates, tabulation errors, filling in missing data, elimination of some responses that are probably valid, and the submission and acceptance of over 500 online surveys after the deadline. The late responses overwhelmingly supported car-free JFK.

Per the analysis: "Alleged support for a car-free JFK steadily declined in older age groups. Only 38% of responses from residents age 65 and above favored the existing car-free JFK option (among nearly 1,300 responses from these age groups). Survey responses that reported one or more disabilities also did not favor a car-free JFK Drive. Nearly 1,000 responses came from residents who reported one or more disabilities (the most common were mobility issues). Among those that answered the car-free JFK Drive question, only 38% allegedly favored the existing car-free JFK option." Paper surveys didn't ask about disabilities, so the number of people with disabilities who oppose banning cars is probably undercounted.

According to the analysis, Latinos, Blacks, Asians and Pacific Islanders were underrepresented in the survey responses relative to their proportions of San Francisco residents, as were certain geographic areas.

Sincerely

Howard Chabner

Golden Gate Park Access & Safety Program Survey

The comprehensive SFMTA survey database was obtained through a Sunshine Ordinance request. Many of the flaws and inconsistencies I will describe are baked into the structure of the survey itself. Others become rather obvious by just sorting and filtering the responses by different characteristics. Anybody with moderate spreadsheet skills could perform the same analysis.

Results of the Survey

City agencies, local journalists, and activist groups have promoted the apparently favorable response to the survey. Some have inaccurately claimed that 10,000 people responded to the survey and that the overwhelming majority of San Franciscans support a car-free JFK Drive. First of all, 10,000 people did not respond to the survey. There are 9,749 responses in the SFMTA database, and responses are not the same as people. As detailed below, there are many duplicate responses among the surveys submitted. The exact number of duplicates cannot be determined by anyone. However, there are certainly several hundred and potentially a couple thousand duplicate responses in the SFMTA database. Additional details are provided below. As a result, there may have only been 7,000 or fewer people that actually responded to the survey. In addition, not every survey respondent answered every question. For example, more than 900 responses did not answer the car-free JFK Drive question.

Second, the results of the survey cannot be extrapolated to the general population of San Francisco. You may be able to claim that a certain percentage of the survey responses favored car-free JFK Drive, but you cannot extend this claim to all of San Francisco. Responses to this survey were voluntary and anonymous. Only those who were aware of the survey and interested enough in the proposed changes in Golden Gate Park would have responded. As detailed later, many people responded to the survey multiple times. There was no attempt by SFMTA to ensure that the composition of responses reflected the actual demographic characteristics of San Francisco. Based on the demographic information that was provided on the surveys, the responses were clearly not representative of the general population of San Francisco. Non-white ethnic groups were significantly underrepresented. Many geographic areas of San Francisco were also significantly underrepresented. These issues are explained in greater detail below.

Advocates for a car-free JFK Drive have boasted that all income groups and ethnicities supported car-free JFK, based on the survey responses. However, they did not explain that the strongest apparent support came from high-income households, particularly those reporting incomes \$200,000 and above. Responses from households earning \$200,000 or more accounted for 30% of the total responses that provided income information on the survey. Advocates also failed to mention that ethnic diversity among the responses was severely lacking. Significantly inadequate representation by certain ethnicities in the survey is explained below in greater detail. Further, among all ethnicities, apparent support for a car-free JFK was strongest among White responses, which were heavily overrepresented in the survey. For example, there were nearly 1,200 survey responses from the following demographic group: White only, age 25-44, with household income of \$150,000 or more. More than 93% of this demographic reportedly favored a car-free JFK Drive.

Alleged support for a car-free JFK steadily declined in older age groups. Only 38% of responses from residents age 65 and above favored the existing car-free JFK option (among nearly 1,300 responses from these age groups).

Survey responses that reported one or more disabilities also did not favor a car-free JFK Drive. Nearly 1,000 responses came from residents who reported one or more disabilities (the most common were mobility issues). Among those that answered the car-free JFK Drive question, only 38% allegedly favored the existing car-free JFK option.

Inadequate Representation from Certain Ethnicities

Nearly 7,000 surveys provided ethnicity information. The remaining surveys left these questions blank or stated that they preferred not to answer. Of the 7,000 surveys with ethnic information, 66% reported that they were White only (i.e. they did not select Hispanic or any other ethnic category other than White). According to U.S. Census information, about 40% of the population of San Francisco is comprised of non-Hispanic White residents. While White residents were significantly overrepresented in the survey, virtually all other remaining ethnicities were significantly underrepresented relative to their actual proportions of total city residents. For example, Asian & Pacific Islander responses represented less than 16% of the surveys, but these groups account for 35% of the total San Francisco population. Similarly, Hispanic & Latinx responses (of any race) comprised 8% of the survey responses, but these groups make up 15% of the total city population. The scenario is the same for Black & African American responses.

Inadequate Representation from Certain Geographies

There have been public claims by advocates that support for a car-free JFK Drive is strong citywide, with survey responses from 24 of 25 San Francisco zip codes desiring a car-free JFK. This claim, while perhaps technically accurate, is highly misleading, because there were very few survey responses from many San Francisco zip codes. Survey responses were recorded from 34 valid San Francisco zip codes. Seven of these zip codes represent P.O Boxes or other zip codes with no reported residents. Of the remaining 27 valid San Francisco zip codes with residents, 16 had fewer than 200 responses to the car-free JFK Drive question. For example, the zip code for Treasure Island (94130) had one response to the car-free JFK question. Zip code 94111 had 12 responses, and zip code 94129 had 25 responses to the car-free JFK Drive question. Support for a car-free JFK Drive cannot be reasonably determined for thousands of residents in those zip codes based on so few responses.

The southeastern part of San Francisco (zip codes 94112, 94124, and 94134) was particularly underrepresented in the survey. These three zip codes include the Ingleside, Excelsior, Bayview, Visitacion Valley, and Portola neighborhoods. These zip codes had about 300 total survey responses to the car-free JFK Drive question. Based on U.S. Census information, these three zip codes have more than 150,000 residents. Claiming that citizens in all of these neighborhoods favor a car-free JFK Drive based on only 300 combined survey responses is extremely disingenuous.

Further, there are some discrepancies in the zip code data from the paper surveys. This problem is described in more detail below. However, the number of responses from two zip codes (94107 and 94110) are not accurate, because SFMTA employees improperly entered this data for some paper surveys that lacked this information.

Duplicate Online Surveys and Problems with “Over-Vote” Analysis

The SFMTA identification and analysis of multiple responses from identical IP addresses was included with the database they provided to me. Just to be clear, this was their analysis, not mine. They did not provide individual IP addresses in the database (personal information), but they did indicate how many responses came from duplicate IP addresses. SFMTA identified about 2,000 online responses from duplicate IP addresses and estimated that about 1,700 of these responses should be excluded from the results (i.e. “over-votes”). I believe this process was significantly flawed, but at least SFMTA acknowledged that there is a very large number of duplicate online survey responses in their database. Nonetheless, their methodology improperly excluded many legitimate responses, while failing to identify many more likely duplicates.

I will describe the SFMTA methodology to identify and exclude “over-votes” in more detail. First, SFMTA identified online responses from IP addresses that had two or more responses to the existing car-free JFK question on the survey (blank responses were not counted – not every response answered this question). Based on this analysis, SFMTA identified a total of 2,023 potential duplicate survey responses from 836 IP addresses. That means that out of the 8,037 total online surveys that answered the car-free JFK question, about 25% came from duplicate IP addresses. Most of these responses came from IP addresses that reportedly had two or three responses each. However, some IP addresses had ten or more responses, including one IP address that reportedly had 50 responses to this question.

It is important to note that multiple responses from the same IP address did not always answer the question the same way (e.g. one response from an IP address may have indicated the existing car-free JFK option was “Desirable” and another response from the same IP address may have found that option “Undesirable”). SFMTA calculated “over-votes” by only looking for identical responses from the same IP address. So if there were two “Desirable” responses to this question from one IP address, both were identified as “over-votes.” Unique responses from the same IP address were not considered “over-votes.” Based on this analysis, SFMTA identified 1,706 “over-votes” among the 2,023 potential duplicate responses for this question.

This is a very flawed methodology, and the process certainly excluded many legitimate survey responses. For example, if a single person actually submitted two or more identical online responses to this question, SFMTA excluded all of these responses as “over-votes.” Using this approach, such an individual would not have had any of their responses counted by SFMTA. In this situation, it would be more appropriate to count one response from such an individual, and to exclude any additional responses as invalid.

More importantly, it is virtually certain that different people sometimes submitted responses to the survey using a shared device (e.g. public computer) or from different devices that shared the same IP address (e.g. people using the same internet service provider network). Based on the SFMTA approach,

most of these responses would have been considered as “over-votes” and would have been excluded from the overall results, even though they likely originated from different people.

Remember, there was reportedly one IP address that had 50 responses to the car-free JFK question. Of these, 35 responses found the existing car-free JFK option “Very Undesirable.” However, seven other responses from this same IP address answered this question “Very Desirable.” The remaining eight responses from this IP address were distributed among all of the remaining options, including two responses that had “No Opinion.” One of the 50 responses from this IP address answered the question “Desirable.” In its calculation of “over-votes,” SFMTA only counted any duplicate answers from the same IP address. In this instance, SFMTA considered 49 of the 50 responses from this IP address to be “over-votes.” The only response that was counted was the single unique response for “Desirable.” All other responses from this IP address were excluded because they had two or more answers for each option. Based on the distribution of answers to this question from this IP address, these responses do not appear to have come from a single person or even a few different people. It appears much more likely that this was either a shared device or a shared IP address used by very many people. However, virtually all of these responses were excluded by SFMTA as “over-votes.”

There is another major problem with the analysis of duplicates and “over-votes.” It would have been very easy for a single individual to submit multiple online surveys from different devices with different IP addresses, or to use many other available methods to submit multiple surveys from fake IP addresses. For example, an individual could have submitted surveys from their personal cellphone, their work laptop, and their family tablet. These devices would likely each have a unique IP address and would not be apparent as duplicate responses to the SFMTA.

In addition, there is no way for anyone to know how many people submitted both online surveys and paper surveys. There were also major problems with the paper surveys, as described in detail below.

Duplicate Paper Surveys and Problems with Data Manipulation

Paper surveys only accounted for about 9% of the total number of responses in the SFMTA database. However, there were major problems with these surveys. There appears to be a large number of duplicate paper surveys, and it also appears that SFMTA employees inappropriately entered some survey data for questions that were not answered on the original surveys. I contacted SFMTA and provided them with my analysis. SFMTA refused to answer my questions or provide any additional information regarding these issues.

I am 100% certain that there is a large group of duplicate paper surveys in the database. I know this because I found many duplicate pairs of paper surveys by carefully reviewing the underlying data. There are numerous pairs of surveys that are identical in every single respect, including identical answers to every question, verbatim comments in every comment field, and identical demographic information (e.g. age range, income range, and ethnicity). The most conclusive proof came from the optional comment fields. I easily identified duplicates where surveys had identical lengthy comments in multiple comment fields. There is no possibility that two surveys would have the exact same responses to dozens of questions and verbatim comments in every field. I asked SFMTA to explain how the duplicates got into the database and to accurately identify all duplicate paper surveys. I did not ask them to

confirm whether or not there are duplicates, because I know that there are. I suspect that a large batch of paper surveys was inadvertently entered into the database twice by different SFMTA employees. I estimate that potentially 50-60% of the paper surveys consist of these duplicate pairs, meaning that about 25-30% of the responses from the paper surveys should be discarded. By the way, SFMTA responded to my additional request with “No responsive records exist.” I am following up with SFMTA with an additional request to obtain confirmation of my claims.

I am also 100% certain that SFMTA employees improperly entered zip codes for paper surveys that did not originally contain this information. I asked SFMTA to simply confirm this, and to identify any other instances where employees may have improperly entered or changed survey responses. I discovered the zip code discrepancies using the same methods I used to identify the duplicate paper surveys. Again, based on my review, it appears that at least two different SFMTA employees entered the paper surveys into the database. It appears that if the zip code was left blank, one employee always entered 94107 and the other employee always entered 94110 for these surveys. As a result, paper surveys from these two zip codes supposedly represent nearly 60% of all paper survey responses, which would be virtually impossible. For reference, these two zip codes aren’t even near Golden Gate Park and they only represent about 12% of the city’s population (there are more than 30 San Francisco zip codes). Also, these two zip codes only made up 10% of the online survey responses, which is much closer to the expected proportion. Another red flag: every single paper survey supposedly had a zip code entered. There were no blank responses for zip codes on any of the paper surveys. This is highly improbable. There were no other questions on the survey (paper or online) that didn’t have at least some blank entries among the surveys submitted. The fact is, people don’t always answer every question on a survey. By the way, SFMTA responded to my additional request with “No responsive records exist.” While I do not believe that there was any ill intent behind this practice, it is a significant weaknesses with the administration of the survey. Entering or changing answers on behalf of survey respondents is a huge problem, even if it didn’t affect a large number of surveys or change the overall survey results. This practice illustrates a significant weakness with survey controls. It has the potential to distort some of the survey results, and it calls into question the integrity of other survey responses.

Further, there is at least one other problem with the paper surveys. These surveys generally asked the same questions as the online surveys. However, the paper surveys did not ask for information regarding disabilities. Therefore, the total number of surveys from people reporting one or more disabilities is certainly undercounted by some degree. If the proportions were similar to the online surveys, there could have been another 100 responses from the paper surveys that would have reported one or more disabilities.

Additional Problems with the Surveys

I know for a fact that more than 500 online surveys were submitted and accepted after the public deadline of 5pm on November 24, 2021. The SFMTA database includes the submission date and time for every online survey. There were 552 online surveys submitted after the deadline, including 400 that were submitted after 12pm on November 28, 2021. Nearly 90% of these very late surveys favored car-free JFK. That should be a red flag, and all surveys received after the deadline should be discarded. The survey was well publicized and was open to the general public for more than two months. Anyone who

wanted to respond to the survey was perfectly capable of doing so within the established parameters, as understood by everyone.

I also know for a fact that there were nearly 600 surveys with contradictory responses. These included surveys that said they wanted both the existing car-free JFK and the No Project option (285 responses answered either “Desirable” or “Very Desirable” to both options). The total also includes responses that did not want either option (299 responses that found both options either “Undesirable” or “Very Undesirable”). Again, this is pretty easy to verify by using simple sorting and filtering techniques. These contradictions cloud the results, because some of the surveys that claim to support the existing car-free JFK also indicated that they wanted the roads reopened to cars (i.e. pre-pandemic status). This problem resulted from the poor structure and wording of the survey questions. The analysis of these two questions on the survey should exclude any contradictory responses.

About Michael Cawthon:

I have worked for a bank regulatory agency as an examiner and an analyst for over 30 years. The analysis and opinions in this paper are entirely my own and in no way reflect the work or views of my employer or any other organization.

Golden Gate Park Access and Safety Program

Survey available online 9/21/2021 through 11/24/2021 (although late responses were apparently accepted)
Paper surveys could also be submitted (although these surveys lacked questions about disabilities)

Subject: March 10, 2022, joint meeting of MTA Board and RecPark Commission - JFK Drive - end the exclusionary car ban now!
Date: Wednesday, March 9, 2022 2:08:01 PM
Attachments: [JFKDriveMIGAccessReportFinal11-2021.pdf](#)
[JFKDriveSurveyCommentsCleanV2MichaelCawthon2-4-2022.pdf](#)

Dear Board Members and Commissioners:

Please end the exclusionary ban on cars on eastern JFK Drive ASAP! Consider:

1 - On February 18, 2022, the SF Mayor's Disability Council devoted an entire meeting to JFK Drive and extended it by almost 2 hours so more members of the public could be heard. There were ASL (as there always are), and Chinese and Vietnamese interpreters. Literally dozens of public commenters at the meeting described the hardship the car ban has caused them and asked that cars be allowed on JFK Drive again now, and there were many comments in the chat to the same effect. The mitigation measures described by MTA and Rec Park previously and again at the meeting didn't change anyone's mind. Only two public commenters supported the ban. The comments at the February 18 meeting are consistent with the many public comments and emails MDC has received during the past couple of years about JFK Drive, the overwhelming majority of which opposed banning cars.

Below are links to a recording and transcript of the meeting. I strongly urge you to listen to them and read them.

Recording https://sanfrancisco.granicus.com/player/clip/40618?view_id=17&redirect=true

Transcript - https://sanfrancisco.granicus.com/TranscriptViewer.php?view_id=17&clip_id=40618

2 - For an example of the discriminatory impact of the car ban, consider my 92.5 year old mother, who lives in Chicago and will be visiting later this month. She is frail, can walk only limited distances, and uses a walker sometimes and a cane other times. Although most of her life she has not been disabled, she now fits both the common sense and legal definition of a person with a disability. She enjoys going to the Dahlia Garden. For the past 10 years or more before the car ban, she went with me and my wife in our wheelchair accessible minivan; one could drive along JFK Drive, then Pompeii Circle all the way to the Dahlia Garden. The garden will not yet be in bloom in late March, but the scenario I'm describing will apply to her and countless similarly situated people when it's in bloom. I live around two blocks from the beginning of the park. It is not feasible, physically possible, healthy, kind or legal to expect her to walk two blocks to the beginning of the park, cross a busy street (Stanyan), walk further

into the park to the first shuttle stop, wait up to 25 minutes for the shuttle, ride the shuttle to the Dahlia Garden, wait up to another 25 minutes for the shuttle, then walk more than two blocks back to my home. (The shuttle currently doesn't even operate on weekdays.)

For the second year in a row, the car ban excluded many disabled people from the recent Winter Lights shows and other nighttime events. For those with mobility disabilities who don't live nearby, for those who walk with difficulty and precariously, for those who cannot walk far, and for those who don't do well in cold and windy weather, it's impossible to view the light shows without a car. For example, because of my muscular dystrophy I don't do well in cold weather, and it just isn't feasible or healthy for me to roll there at night. So I couldn't go to the light shows. Winter evenings and nights are cold and often windy, and this past December – fortunately – rainy. Many require the shelter and safety of being in a car.

The shuttle isn't a solution. Does RecPark really expect people with disabilities, seniors, families with small children, and women alone to wait in the cold, darkness, wind, and rain for a shuttle? To risk being passed up because the shuttle is full? To risk missing the last shuttle?

Even during the day it's not feasible or fair or healthy to ask disabled people to wait for a shuttle when it's cold, rainy or windy. Even in good weather, it's burdensome for people who come from far away and already have had a long, complicated journey, to wait for a shuttle. Even during the day and in good weather, a shuttle is just too physically demanding and tiring for many people.

Providing a shuttle does not fulfill San Francisco's obligations to ensure full and equal access to people with disabilities.

3 – RecPark and MTA highlight some people with mobility disabilities who support the car ban. These are typically people who use a motorized mobility device such as a power wheelchair or scooter, or those who are physically capable of riding a recumbent bicycle. But the fact that they are able to navigate car free JFK Drive (in good weather) does not mean that the car ban complies with San Francisco's obligations under the ADA and California access laws.

Here are some analogies. Many people with mobility disabilities are able to climb stairs. That doesn't mean that a newly constructed building without an elevator complies with disability access laws. Many people who are legally deaf don't use sign language and aren't part of the deaf culture. That doesn't mean that governments and public accommodations aren't required to provide sign language interpretation and other accommodations.

4 - MIG, a respected architecture, planning and access firm, was hired by the de Young Museum to investigate the impact of closing (the eastern part of) JFK Drive to cars, and the resulting removal of accessible parking spaces, on disability access to the museum. MIG's November 2021 final report (attached) concludes: "By removing free accessible parking in the immediate vicinity of the museum and by not providing

equivalent **free parking** within a reasonable travel distance to the museum, the City is reducing program access **and is not meeting its obligations under title II of the ADA**. Alternative methods of accessing the museum, including passenger drop-off areas, the park shuttle service, and walkways within the park, all have identified barriers to accessibility and do not negate the need for accessible parking spaces." (Page 22. Emphasis added.)

MIG's assignment, and accordingly its report, was limited to the impact on disability access to the de Young Museum. But essentially the same facts, analysis and conclusions also apply to the City's title II obligations with respect to other places and programs on and near the eastern part of JFK Drive, including the Conservatory of Flowers, Dahlia Garden, Rose Garden, Stow Lake/Boathouse and nighttime events.

5 - There are major safety and accessibility problems with crosswalks, street paving and curb ramps along JFK Drive, which RecPark has acknowledged but says it doesn't have funding to repair. I've notified the Board of Supervisors, Mayor Breed, the MTA Board and the RecPark Commission about this, but nobody has responded or done anything. Apparently the Golden Gate Park Safety and Access Program doesn't have enough money to provide safe and accessible curbs, crosswalks and streets.

Thank you for considering this email.

Sincerely

Howard Chabner

In July 2021, the de Young Museum retained MIG to conduct an independent review of accessibility issues at the Museum within Golden Gate Park, stemming from the temporary road closure of John F. Kennedy Drive and removal of accessible parking surrounding the Museum. **This report details how the permanent elimination of these free ADA parking spaces that serve the de Young Museum, and the permanent closure of the street, causes a reduction of access through the removal of accessible features.**

ADA Standards allow alternatives to specified requirements that provide **substantially equivalent or greater accessibility and usability as an “equivalent facilitation.”**¹ The question of whether an alternative solution is “equivalent” involves considerations as to whether it is just as, if not more, effective in terms of accessibility, usability, convenience, and reliability for people with disabilities.

This report provides a discussion of the regulatory requirements to provide access for Museum visitors with disabilities, applicable technical codes, and a summary analysis based on existing conditions. The report includes an assessment of the existing accessible parking and associated paths of travel serving the Museum and an analysis of the impact of street closures on meaningful access to the Museum. Finally, the report considers the alternative proposals from SFMTA and RPD’s Golden Gate Park Access and Safety Program, if permanent road closure is pursued beyond the temporary COVID-19 closure.

The report’s key findings include:

- **JFK Drive Provides Most Accessible Parking:** The JFK Drive spaces represent the best existing option for accessible parking that serves the de Young Museum, based on distance and accessible route. Per 11B-208.3.1, accessible parking serving a building or facility must be on the shortest accessible route from parking to the accessible entrance. The JFK Drive spaces are the closest accessible spaces to the de Young Museum, at a distance of 200 feet. With their removal, the closest accessible street spaces are along MLK Drive, 1,250 feet from the entrance to the Museum. This is an increase of over 1,000 feet in the required path of travel from accessible street parking to the de Young Museum. In addition, removing these spaces reduces accessibility for those who use a van lift in their vehicle for wheelchair access.
- **Shuttle Service is Inadequate:** The shuttle service runs only on weekends and holidays, and during limited hours; its shuttle stops and associated paths of travel are not accessible. Its schedule is unreliable. This service is not “equivalent facilitation” as it limits the time allowed to visit the park, and the length of visit is determined by shuttle service availability. Furthermore, the shuttle service does not provide substantially equivalent or greater accessibility and usability as someone having the ability to drive their personal vehicle and park at an accessible parking space and does not encourage independent access to the site.

¹ Americans with Disabilities Act, ADA Update: A Primer for State and Local Governments
https://www.ada.gov/regs2010/titleII_2010/title_ii_primer.html

- **Parking Garage Not Accessible For Drop-Offs:** The Music Concourse Parking Garage does not provide the minimum requirements for accessible passenger loading and drop-off zones. CBC and ADAS require a minimum 20 foot long by 8 foot wide vehicle pull-up area (11B-503.2). Adjacent to that is a required 20 foot long by 5 foot wide access aisle to load/unload people from the vehicle (11B-503.3). This entire area must be located on the same level and connected to an accessible route (11B-503.4). The minimum height of the vehicle pull-up spaces is required to provide a minimum clearance of 114 inches. (11B-503.5). The minimum clearance would be required at the vehicle pull-up spaces, access aisles serving them, and a vehicular route from an entrance to the passenger drop-off and loading zone to a vehicular exit. The parking garage provides 98-inch clearance.

This option would not be allowed as equivalent facilitation to the removal of parking, or the removal of the existing accessible drop-off adjacent to de Young Museum, currently provided at the Music Concourse area in front of the Museum.

- **Fulton Street Loading Zone & Parking Not a Replacement:** Fulton Street is located outside of the park site, therefore parking spaces are not within the park right-of-way. This proposed option diminishes an already deficient accessible parking within the park site creating less access. Additionally, the segments of Fulton Street within the project area are located on San Francisco's High Injury Network (HIN)². Since it is located along a HIN, it may not be a safe alternative, and due to not being located within the park right-of-way, it does not comply with ADA or CBC scoping³ requirements.

The entrance from Fulton Street and 10th Street is the closest site arrival point for public transportation and from the public sidewalk. However, an accessible route is not provided leading from this location to the Museum entrance. Closing JFK Drive also affects the accessible route from Fulton Street in other ways. The designated accessible routes lead to the crosswalks that cross JFK Drive. A crosswalk intends to alert motorists that there is a pedestrian crossing and to yield to a pedestrian. While on-site, it was observed that the bicyclists and motorized skateboards were moving at rapid rates and not yielding to pedestrians crossing, creating hazards to those coming from site arrival points located at Fulton Street. This condition reduces the accessibility intended for people using mobility aides and pedestrians with low vision or who are blind.

- **Tour Bus Parking/Japanese Tea Garden Parking Lot Less Accessible:** The spaces themselves do not comply with 11B-502. The access aisles are not marked correctly; paint has faded and is not in contrast with the asphalt (11B-502.3.3), and the slopes of the access aisles exceed 2% (11B-502.4). These access aisles are not connected to the shortest accessible route leading to the Museum entrance (11B-208.3.1). Parking spaces are located at the far end of the parking lot. Vehicles were parked on what would be considered the shortest accessible route that leads to the Japanese Garden and de Young Museum both days of the site visit, so the route requires diverting to MLK Drive from the parking lot to access the Museum.

This route has multiple locations where slopes make the walk inaccessible and vertical discontinuities exceed 1/2-inch. Containers block an alternative route from the lot directly linked

² <https://www.sfmta.com/project-updates/initial-plan-fulton-street-safety-and-transit-project>

³ CBC 11B-206.2.1

to the Japanese Tea Gardens and the de Young Museum. One would need to travel an additional 730 feet from this parking lot from where the existing accessible parking is located along JFK Drive. In short, this parking lot is not functionally accessible for Museum guests.

Conclusion

The closure of JFK Drive to vehicles and the associated removal of accessible parking has increased the burden on people with disabilities by increasing the distances these individuals must travel between their cars and the entrance to the de Young Museum. By removing free accessible parking in the immediate vicinity of the Museum and by not providing equivalent free parking within a reasonable travel distance to the Museum, the City is reducing program access and is not meeting its obligations under title II of the ADA. Alternative methods of accessing the Museum, including passenger drop-off areas, the park shuttle service, and walkways within the park, all have identified barriers to accessibility and do not negate the need for accessible parking spaces.

By reviewing programmatic access as a whole, those with ambulation disabilities have experienced a reduction in both parking and access to the Museum within Golden Gate Park. The new alternative and newly proposed options provide much less access, as has been shown in this report.

1. INTENT OF REPORT

MIG was contacted as a consulting expert to examine access issues at the de Young Museum within Golden Gate Park in San Francisco, stemming from the removal of accessible parking surrounding the museum. This report provides a discussion of the regulatory requirements to provide access for museum visitors with disabilities, applicable technical codes, and a summary analysis based on existing conditions. The report includes an assessment of the existing accessible parking and associated paths of travel serving the museum and an analysis of the impact of street closures on meaningful access to the museum. Alternative methods of access are also examined, including the passenger drop-off area in front of the de Young Museum and parkwide shuttle service that includes a stop at the museum. MIG conducted a site visit on July 17 and 18, 2021, to verify existing conditions. MIG evaluated on-street parking provided in the park serving the museum, including the accessible parking spaces on John F. Kennedy (JFK) Drive and Martin Luther King Jr. (MLK) Drive. MIG also examined the parking lots and facilities serving the museum, passenger drop-off areas, and shuttle service stops.

2. PROJECT UNDERSTANDING

MIG was asked to evaluate whether the City of San Francisco is meeting its obligations under the Americans with Disabilities Act (ADA) in the wake of the temporary removal (and planned permanent removal) of the 17 free accessible parking spaces along JFK Drive due to the closure of JFK Drive to vehicles. These free parking spaces are the closest accessible parking in the immediate vicinity of the de Young Museum. MIG's understanding is that the COVID-19 pandemic has caused some extraordinary conditions and that the temporary closure of JFK Drive during the week provides more outdoor activity space. This temporary closure is allowed by the ADA. However, as this report will illustrate, the removal of these 17 free parking spaces that serve the de Young museum and the permanent closure of the street causes a reduction of access through the removal of accessible features. The accessible parking spaces on JFK Drive provide a crucial role in accessing the museum for visitors with disabilities.

As a title II agency, the City is responsible for providing accessible programs and facilities that are available without discrimination toward people with disabilities. A fundamental tenet of title II of the ADA is *"the principle that individuals with disabilities must be provided an equally effective opportunity to participate in or benefit from a public entity's aids, benefits, and services."*¹ As such, in addition to applying the codes and regulations outlined in this report, the City has an obligation to consult with people with disabilities when setting priorities for achieving program access.

MIG's client, the Corporation of the Fine Arts Museum (COFAM), asserts that the closure of JFK Drive places a burden on people with disabilities who wish to visit the museum significantly diminishes program accessibility. The closure increases the distance these individuals must travel between their cars and the entrance to the museum, and there is a lack of equivalent free parking within a reasonable travel distance to the museum. This assertion is supported by anecdotal evidence from stakeholders in the disability community, suggesting that the longer routes required have prevented many guests from visiting the museum and reduced programmatic access.²

3. HISTORY

JFK Drive is the main thoroughfare through Golden Gate Park, providing access to major destinations for both San Francisco residents and visitors from outside the City. Portions of JFK Drive have long been closed to vehicle traffic on the weekends to promote active transportation and safer spaces for recreation; the Sunday vehicle closure has existed since 1967, with Saturday closures beginning in 2007. In response to the COVID-19 pandemic, JFK Drive from Kezar Drive to Transverse Drive was closed to cars every day of the week as part of the City's effort to allow greater physical distancing during outdoor activities. Now, the City is proposing to close JFK Drive to vehicles permanently.

The closure of JFK Drive and associated roads has disproportionately impacted community members with limited mobility, including people with disabilities. JFK Drive closure removes 26 accessible parking spaces in total, with 17 in the immediate vicinity of the de Young Museum. These 17 spaces are the closest free accessible parking spaces to the museum within 1/10th of a mile of the de Young Museum entrance. They represent 57% of the free accessible parking within a 1/4 mile of the museum entrance and 41% of the free accessible parking within 1/2 mile.³ Stakeholders from the disability community and museum visitors have voiced their concerns: in 2020, the Mayor's Disability Council convened a focus group specifically on the road closure. Its participants "all agreed that having adequate free parking adjacent to the de Young Museum is essential to their ability to enjoy that area of the Park."⁴

Officially, the City of San Francisco is committed to equity and inclusivity and has made efforts since the 1960s to make Golden Gate Park and the various sites within it more accessible to people with disabilities while at the same time balancing pro-bike and pro-pedestrian concerns. Street closure policies related to JFK Drive are currently codified in the San Francisco Park Code Section 6.12, *Disability Access Standards and Authorized Vehicular Traffic Use for Golden Gate Park During Sunday Road Closures*, excerpted here:

*(b) **Disability Access Standards.** The following disability access standards shall apply to the Sunday and holiday road closures of John K. Kennedy Drive and related roads.*

(i) Disability access to Golden Gate Park shall comply with the Americans with Disabilities Act and the Golden Gate Park Revitalization Act of 1998.

(ii) All vehicular access points to the areas of closure shall contain directional signage that describes all access points and accessible surface parking areas for people with disabilities and provides directions to the underground parking facility in the Music

⁴ JFK Drive Closure and People with Disabilities. Summary of December 10, 2020 Focus Group. <https://www.sfcta.org/sites/default/files/2021-01/MOD%20focus%20group%20Dec%202020.pdf>

DE YOUNG MUSEUM AT GOLDEN GATE PARK – ACCESSIBILITY REVIEW

Concourse. Signage also shall include telephone and TTY/TDD contact numbers where callers can obtain information on disability access during the road closure periods.

(iii) The Department, in consultation with the Department of Parking and Traffic, Fine Arts Museums, Golden Gate Park Concourse Authority, and Mayor's Office on Disability, shall explore and adopt disability access measures. Such measures may include, but are not limited to:⁵

(A) The provision of eight (8) accessible parking spaces on 8th Avenue between Fulton Street and John F. Kennedy Drive during the closure period.

(B) An additional ten (10) accessible parking spaces to assist with access to the road closure areas.

(C) A signed drop-off zone for people with disabilities on Bowling Green Drive as close as practicable to its intersection with John F. Kennedy Drive.

(D) An authorized intra-park transit shuttle that is accessible and operates frequently on the closed sections of John F. Kennedy Drive, additional accessible parking spaces and additional signed drop-off zones for people with disabilities outside of the area of closure.

Although there are City policies to increase accessible parking within the park, the City is actively reducing access to the de Young Museum and other facilities within Golden Gate Park by removing the Music Concourse surface parking lot and the proposed removal of the accessible parking along JFK Drive. Paid parking is available at the Music Concourse Underground Garage, a privately -owned and operated parking garage built on city-owned property leased by the non-profit 'Music Concourse Community Partnership' (MCCP) located adjacent to the de Young Museum. Free or discounted parking for people with disability placards is not available in the garage. The Music Concourse surface parking Lot near the museum has been reallocated for other functions.

Recently, five new on-street accessible parking spaces were installed along MLK Drive at the entrance to the Music Concourse at the intersection with Nancy Pelosi Drive.⁶ These spaces are at a greater distance to the museum than the spaces on JFK Drive. Additionally, the parking spaces are located along a circulation path that does not meet the requirements of an accessible route due to uneven walks and a reduction in width. This location is discussed later in this report and shown in Exhibit 1.

DE YOUNG MUSEUM AT GOLDEN GATE PARK – ACCESSIBILITY REVIEW

Overall parking within Golden Gate Park lacks the minimum required accessible spaces, as detailed later in this document and depicted in Exhibit 2 and Exhibit 4, which illustrates the accessible spaces referenced in this report and located within the vicinity of the de Young museum. Additionally, the existing accessible spaces in the immediate vicinity of the de Young Museum do not meet code requirements, as described in Section 6 *Code Requirements Analysis* of this document and further detailed in the attached *Deficiency Report*.

4. PROGRAM ACCESS

The ADA is a comprehensive civil rights law that ensures programs, activities, and services of state and local public entities (title II agencies) do not discriminate on the basis of disability. As a title II agency, the City is responsible for the provision of accessible programs and facilities. This includes facilities it owns and leases to others, as is the case with the de Young Museum within Golden Gate Park. The City and the Recreation and Parks Department are thus responsible for access to the museum. The following subsections outline the applicable regulations that apply to evaluating meaningful programmatic access to the museum.

A. 28 CFR 35.149

Section 35.149 of the Code of Federal Regulations, *Discrimination prohibited*, states:

Except as otherwise provided in § 35.150, no qualified individual with a disability shall, because a public entity's facilities are inaccessible to or unusable by individuals with disabilities, be excluded from participation in, or be denied the benefits of the services, programs, or activities of a public entity, or be subjected to discrimination by any public entity.

A public entity may not deny the benefits of its programs to individuals with disabilities because its facilities are inaccessible. This standard, known as program accessibility, applies to all existing facilities of a public entity. It is the City's responsibility to ensure that the facilities of Golden Gate Park do not exclude individuals with disabilities from participation in programs at the de Young Museum, as it is with other programs occurring throughout the park.

B. 28 CFR 35.133 Maintenance of accessible features.

Section 35.133 of the Code of Federal Regulations, *Maintenance of accessible features*, states:

(a) A public entity shall maintain in operable working condition those features of facilities and equipment that are required to be readily accessible to and usable by persons with disabilities by the Act or this part.

(b) This section does not prohibit isolated or temporary interruptions in service or access due to maintenance or repairs.

(c) If the 2010 Standards reduce the technical requirements or the number of required accessible elements below the number required by the 1991 Standards, the technical requirements or the number of accessible elements in a facility subject to this part may be reduced in accordance with the requirements of the 2010 Standards.

The Department of Justice (DOJ) elaborates on this topic.⁷

*"Temporary access interruptions for maintenance, repair, or operational activities are permitted, but must be remedied as soon as possible and may not extend beyond a reasonable period of time. Staff must be prepared to assist individuals with disabilities during these interruptions. For example, if the accessible route to a biology lab is temporarily blocked by chairs from a classroom that is being cleaned, staff must be available to move the chairs so a student who uses a wheelchair can get to the lab. In addition, if an accessible feature such as an elevator breaks down, public entities must ensure that repairs are made promptly and that improper or inadequate maintenance does not cause repeated failures. Entities must also **ensure that no new barriers are created that impede access by people with disabilities**. For example, routinely storing a garbage bin or piling snow in accessible parking spaces makes them unusable and inaccessible to people with mobility disabilities."*

The permanent closure of JFK Drive creates a disruption to accessing the museum through increasing travel distance, not providing equivalent free parking in close proximity, and not ensuring accessible routes from the accessible parking provided. The shuttle service has been implemented to assist with the disruption of parking access. Still, the shuttle service is inconsistent, only runs on the weekends and holidays, and does not provide accessible bus stops or accessible routes to the bus stops.

The ADA Standards allow alternatives to specified requirements that provide substantially equivalent or greater accessibility and usability as an "equivalent facilitation." The question of whether an alternative solution is "equivalent" involves considerations as to whether it is just as, if not more, effective in terms of accessibility, usability, convenience, and reliability for people with disabilities. For example, the ADA Standards specify permanent or built-in features for independent access. Unless otherwise specified, alternatives involving temporary or portable solutions or requiring assistance from others are not generally deemed equivalent to the required minimum level of access.

The shuttle service does not provide substantially equivalent or greater accessibility and usability as someone having the ability to drive their personal vehicle and park at an accessible parking space and does not encourage independent access to the site.

Ongoing maintenance of accessible items is also addressed in the code and standard as noted in 11B-108 and as addressed in the DSA advisory, noting that this includes parking.

11B-108 Maintenance of accessible features: A public accommodation shall maintain in operable working condition those features of facilities and equipment that are required to

⁷ Americans with Disabilities Act, ADA Update: A Primer for State and Local Governments
https://www.ada.gov/regs2010/titleII_2010/title_ii_primer.html

be accessible to and useable by persons with disabilities. Isolated or temporary interruptions in service or accessibility due to maintenance or repairs shall be permitted.

DSA Advisory to 11B-108 is presented here for further context:

Advisory 11B-108 Maintenance of accessible features. Features for accessibility must be permanently functional, unobstructed and may not be removed. It is not sufficient to provide features such as accessible routes, parking, elevators, ramps or signage if those features are not maintained in a manner that enables individuals with disabilities to use them. ...”

While some may feel that this would only be applicable to facilities on site, the CBC is clear that this applies to the public right-of-way, as noted in the following sections.

Section 1.9.1 .1. notes the codes are applicable to “all buildings, structures, sidewalks, curbs and related facilities constructed in the state by the use of state, county or municipal funds, or the funds of any political subdivision of the state...”

Section 1.9.1.1.4 adds with respect to buildings, structures, sidewalks, curbs and related facilities not requiring building permits, building standards published in the California Building Standards code relating to access for persons with disabilities and other regulations adopted pursuant to Government Code Section 4450, and in effect at the time of construction is commenced shall be applicable.

Section 1.9.1.2.3 Any curb or sidewalk intended for public use that is constructed in this state with private funds.

C. 28 CFR 35.151(b) Alterations.

Section 35.151 of the Code of Federal Regulations, *Alterations*, states:

(b) Alterations.

(1) Each facility or part of a facility altered by, on behalf of, or for the use of a public entity in a manner that affects or could affect the usability of the facility or part of the facility shall, to the maximum extent feasible, be altered in such manner that the altered portion of the facility is readily accessible to and usable by individuals with disabilities, if the alteration was commenced after January 26, 1992.

(4) Path of travel. An alteration that affects or could affect the usability of or access to an area of a facility that contains a primary function shall be made so as to ensure that, to the maximum extent feasible, the path of travel to the altered area and the restrooms, telephones, and drinking fountains serving the altered area are readily accessible to and usable by individuals with disabilities, including individuals who use wheelchairs, unless the cost and scope of such alterations is disproportionate to the cost of the overall alteration.

11B-202.4 has the same requirements but has replaced the ‘primary function’ area to include an accessible path of travel to the specific area of alteration or addition.

*ALTERATION. [DSA-AC] A change, addition or modification in construction, **change in occupancy or use**, or structural repair to an existing building or facility. Alterations include, but are not limited to, remodeling, renovation, rehabilitation, reconstruction, historic restoration, resurfacing of circulation paths or vehicular ways, changes or rearrangement of the structural parts or elements, and changes or rearrangement in the plan configuration of walls and full-height partitions. Normal maintenance, reroofing, painting or wallpapering, or changes to mechanical and electrical systems are not alterations unless they affect the usability of the building or facility.*

The permanent closure of JFK Drive affects the usability of the program provided at the museum location and decreases the availability of accessible parking spaces that are within a manageable distance and along accessible routes to the museum facility. The closure of JFK Drive is defined as an alteration.

5. APPLICABLE CODES

The standards that mandate accessibility for the City of San Francisco and the San Francisco Recreation and Park Department are the Americans with Disabilities Accessibility Standards (ADAS) and the California Building Code (CBC). In addition to the ADA and the CBC, the 2011 Proposed Accessibility Guidelines for Pedestrian Facilities in the Public Right-of-Way (PROWAG) are used as a comparable design standard when addressing facilities in the right-of-way. The City's obligation as a public agency requires implementing the accessibility standards for new projects and alterations. Application of the accessibility standards is dependent on the context of the location of the project. Both the 2010 ADA and the 2019 CBC apply to facilities and sites, and neither addresses scoping or technical requirements for the public right-of-way. As the two codes have an overlapping scope, and the technical requirements of the 2019 CBC are either equivalent or more stringent than the 2010 ADA. CBC scoping references are presented below, and technical references in the following section, *Code Requirements*. Corresponding 2010 ADA references can usually be found under the same number.

A. 2019 CBC

The closure of JFK Drive and removal of associated parking meets the definition for alteration, as a change in occupancy or use of a vehicular way affecting the usability of a building or facility. The City is required to remove physical barriers when it alters a facility, and reduction of access is not allowed per 11B-202.3.1 *Prohibited reduction of access*.

An alteration that decreases or has the effect of decreasing the accessibility of a building or facility below the requirements for new construction at the time of the alteration is prohibited.

Like the ADA, the CBC applies to facilities of a site. Excerpts of scoping relevant to parking facilities and accessing the museum are presented here.

Section 11B-206.2.1 Site arrival points specifies that at least one accessible route shall be provided within the site from accessible parking spaces and accessible passenger drop-off and loading zones; public streets and sidewalks; and public transportation stops to the accessible building or facility entrance they serve. Where more than one route is provided, all routes must be accessible.

The CBC thus requires all arrival routes to the de Young Museum to be accessible.

Per CBC 11B-208.2, where more than one parking facility is provided on a site, the number of accessible spaces provided is calculated according to the number of spaces required for each parking facility.

Per 11B-208.3.1, parking spaces complying with 11B-502 that serve a particular building or facility shall be located on the shortest accessible route from parking to an entrance complying with 11B-206.4. Where parking serves more than one accessible entrance,

parking spaces complying with 11B-502 shall be dispersed and located on the shortest accessible route to the accessible entrances. In parking facilities that do not serve a particular building or facility, parking spaces complying with 502 shall be located on the shortest accessible route to an accessible pedestrian entrance of the parking facility.

Exception 2 to 11B-208.3.1 is presented here for further context:

*Exception 2: Parking spaces shall be permitted to be located in different parking facilities if substantially equivalent or greater accessibility is provided in terms of **distance from an accessible entrance or entrances, parking fee, and user convenience.***

The exception gives entities some flexibility in how it provides accessible parking, but notably, includes *distance*, as well as *parking fee*, as considerations for providing *substantially equivalent or greater accessibility*. Paid parking is not an equivalent substitute for free parking elsewhere.

Recently added circulation path requirements, given in CBC 11B-250, may also affect the area surrounding the museum. This new section requires circulation paths contiguous to vehicular traffic to be physically separated from traffic, including into and out of parking spaces. Circulation paths include all exterior ways of passage provided for pedestrian travel, including walks, sidewalks, courtyards, ramps, stairways, and landings. Basically, circulation paths must be elevated at least 4 inches above adjacent vehicular areas.

B. PROWAG

On-street parking is not addressed in the scoping requirements and technical standards of the 2010 ADAS or 2019 CBC. Still, title II of the ADA requires local governments to provide accessible on-street parking in the absence of regulatory design specifications for on-street parking facilities. As such, PROWAG is used as a best practice technical standard in the absence of an adopted technical standard.

The San Francisco Property Information Map – Map Viewer⁸ shows Golden Gate Park and the roads within the property lines of the park in one parcel, and the roadways within the park parcel are not identified as public right-of-way. However, per 2011 PROWAG R105.5, public right-of-way is defined as *public land acquired for or dedicated to transportation purposes, or other land where there is a legally established right for use by the public for transportation purposes*. The roads through the extensive Golden Gate Park are on public land, and there is a legally established right for use by the public on these roadways for transportation purposes. As such, they are part of the public right-of-way.

Per 2011 PROWAG R214 On-Street Parking Spaces, where on-street parking is provided on the block perimeter and the parking is marked or metered, accessible parking spaces

⁸ [https://sfplanninggis.org/pim/map.html?search=1832033&layers=Parcels%20\(Block/Lot\)](https://sfplanninggis.org/pim/map.html?search=1832033&layers=Parcels%20(Block/Lot))

DE YOUNG MUSEUM AT GOLDEN GATE PARK – ACCESSIBILITY REVIEW

complying with R309 shall be provided in accordance with Table R214. All parking within Golden Gate Park is technically *metered* because no parking is allowed in the park between the hours of 10 pm and 6 am, per Sec 6.01.g of the San Francisco Park Code. Thus, requirements to provide accessible parking spaces apply.

6. CODE REQUIREMENT ANALYSIS

Code requirements compared to existing conditions at Golden Gate Park surrounding the de Young Museum are presented below. Further detail is given in the attached *Deficiency Report*.

A. Shuttle

The Recreation and Parks Department provides a loop shuttle service in Golden Gate Park, depicted in Exhibit 3.

Scoping for bus stops and bus loading zones is provided in CBC 11B-209. The shuttle service in Golden Gate Park meets the criteria for designated or specified public transportation services provided by public entities as described in *Advisory 11B-209.2.2 Bus loading zones* and is thus subject to the provisions. 11B-209.2.2 requires that each bus loading zone must be accessible, complying with 11B-810.2, *Bus boarding and alighting areas*. Section 11B-209.2.3 *On-street bus stops* note that on-street bus stops shall comply with Section 11B-810.2 to the maximum extent practicable.

For each shuttle stop to be considered accessible, it must provide a 96 inch long, 60-inch wide boarding area (11B-810.2.2) with a slope of 2% maximum perpendicular to the roadway (11B-810.2.4) and also connect to an accessible route (11B-810.2.3).

Current Shuttle drop-off and pick-up locations are included in Exhibit 3 and are identified in the Deficiency Report. The shuttle locations are informal, lacking devoted infrastructure. If one did not know to look for the green signs designating *Bus Shuttle Stop* currently installed along the route, one would be unaware they exist. Lack of compliant boarding areas at shuttle stops and accessible routes to and from shuttle stop locations occur at the majority of the bus shuttle locations, as shown in the attached Deficiency Report.

Consumers have identified issues with the shuttle service. For example, the shuttle service is known to run on an unpredictable and infrequent schedule, distances between stops are too great to provide useful service through the park to people with disabilities, and the shuttle stops do not provide seating or shelter for inclement weather.⁹

While on-site, MIG observed that the shuttles averaged about 30 minutes frequency at each bus shuttle location. This frequency is double the anticipated time that is noted in the Golden Gate Park Stakeholder report.

⁹ Mayor's Disability Council Open Letter to San Francisco Recreation and Parks Department.
<https://www.sfcta.org/sites/default/files/2021-01/MOD%20Open%20Letter%20to%20RecPark%202018.pdf>

Chk'd SM
Scale NTS

ExteltNo:
??

Furthermore, the shuttle service runs only on weekends and holidays. Even if all shuttle stops and associated paths of travel were accessible, it is not an adequate replacement for the removed accessible parking spaces, as many museum guests visit during the week. Shuttle service is not provided during certain park events, including special events at the museum, as these events are conducted outside of the shuttle service designated hours of 9 am to 6 pm. This service is not “equivalent facilitation” as it limits the time allowed to visit the park, and the length of visit is determined by shuttle service availability.

B. Passenger Drop-Off Area

Passenger loading zones are provided on Hagiwara Tea Garden Drive in front of the de Young Museum on MLK Drive, as shown in Exhibit 4.

CBC 11B-209.2.1 requires at least one accessible passenger drop-off and loading zone (complying with 11B-503) for every 100 linear feet of drop-off and loading zone space provided. Approximately 334 total linear feet¹⁰ of passenger drop-off area is provided in front of the de Young Museum on Hagiwara Tea Garden Drive. This length would require four accessible passenger loading zones. Four curb ramps are provided in this area, but an accessible passenger loading zone is not provided. Access aisles are not marked with hatched lines and a border to discourage parking (11B-503.3.3), and slopes in the potential access aisle areas exceed 2% (11B-503.4). For reference, an image of code requirements for passenger loading zones is presented in Figure 1. The deficiencies at the passenger drop-off/loading area are noted in Appendix A. The items noted are relatively easy to resolve and will result in an accessible location for drop off and pick up to the de Young and surrounding museums.

The City is currently proposing multiple options. The following two options involve the Passenger Drop-Off Area:

- 1) **Parking Garage Signage and Upgrades**¹¹: *“The proposal would involve wayfinding signage updates both within the park and on surrounding city streets to better inform visitors of the permanent alignment of today’s carfree route as well as how to easily access the parking garage.
The proposal would also involve promotion of the garage for free 15-minute access for pick ups and drop offs. This service is offered today, but few park visitors know or utilize it.”*

Items that should be considered for this recommendation are that the parking garage does not provide the minimum requirements for accessible passenger loading and drop-

de Young Museum
Free Access Parking Exhibit

off zones. CBC and ADAS require a minimum 20 foot long by 8 foot wide vehicle pull-up area (11B-503.2). Adjacent to that is a required 20 foot long by 5 foot wide access aisle to load/unload people from the vehicle (11B-503.3). This entire area must be located on the same level and connected to an accessible route (11B-503.4). The minimum height of the vehicle pull-up spaces is required to provide a minimum clearance of 114 inches. (11B-503.5). The minimum clearance would be required at the vehicle pull-up spaces, access aisles serving them, and a vehicular route from an entrance to the passenger drop-off and loading zone to a vehicular exit. The parking garage provides 98-inch clearance.

This option would not be allowed as equivalent facilitation to the removal of parking, or the removal of the existing accessible drop-off adjacent to de Young Museum.

- 2) **Taxi Stand¹²:** *Taxis today can drop-off fares in Golden Gate Park but are not allowed to pick up passengers hailing them on streets within the park. In 2020, fully one quarter of all taxis rides in San Francisco used the Paratransit Debit Card, providing rides for seniors and residents with disabilities.*

This proposal would establish two taxi stands on Music Concourse: one adjacent to the DeYoung Museum and one adjacent to the CA Academy of Sciences. This would create queuing space for taxi operators in the Music Concourse, becoming a convenient and highly-visible alternative to travel by private vehicle.

This proposal would include allowing taxis to cross JFK at 8th Avenue in a Taxi/Muni-only lane, but this is not required to establish taxi stands in the Concourse.

To provide the taxi stand, it appears that the existing drop-off areas that are currently planned to be relocated to the parking garage would be replaced. However, for the reasons noted in item 1, that is not an option.

In addition to the inability to relocate the existing drop-off area, taxis are not considered an equivalent facilitation to driving one's vehicle. Accessibility taxis have limited availability, and this includes accessible vehicles provided through services such as Uber and Lyft.

These two options noted as proposals for providing additional access reduce the already limited access within Golden Gate Park.

Figure 1. Loading Zone Code Requirements¹³

FIGURE: PASSENGER DROP OFF AND LOADING ZONE ACCESS AISLE

C. Parking Lots

Parking facilities serving the de Young Museum are depicted in Exhibit 4. CBC 11B-208.2 states that parking spaces complying with Section 11B-502 shall be provided in accordance with Table 11B-208.2. Where more than one parking facility is provided on a site, the number of accessible spaces provided is calculated separately according to the number of spaces required for each parking facility. Table 1 depicts both the provided and required accessible parking spaces for parking facilities near the museum.

¹³ Image of accessible passenger drop-off and loading area image from the DOJ, modified by the City of Santa Clara.

DE YOUNG MUSEUM AT GOLDEN GATE PARK-ACCESSIBILITY REVIEW

Parking Area	Fee	Total Parking Spaces	Total Accessible Parking Spaces	Required Accessible Parking Spaces {ADA}	Total Accessible Parking Spaces Needed (ADA)
Japanese Tea Garden (Parking Lot #1)	\$15 per day	23	4	2	0
Music Concourse surface parking lot (<i>now signed no parking anytime</i>) (Parking Lot #2)	N/A	0	0	0	0
Music Concourse Garage	\$5.25/hr weekday \$6.25/hr weekends	836	33	17	0

The Music Concourse surface parking lot located behind the bandstand is the closest surface parking lot to de Young Museum is at the intersection of Hagiwara Tea Garden Drive and Music Concourse Drive, just south of the museum. This lot still exists physically and has marked accessible parking that is faded, but the lot has been closed and is no longer being used to provide parking. Instead, MIG observed during the site visit that the area has been repurposed as a food truck area and storage space for ped bikes, functionally removing the accessible parking.

While the number of accessible parking spaces provided in the Japanese Tea Garden lot is compliant, the spaces themselves do not comply with 11B-502. The access aisles are not marked correctly; paint has faded and is not in contrast with the asphalt (11B-502.3.3), and the slopes of the access aisles exceed 2% (11B-502.4). These access aisles are not connected to the shortest accessible route leading to the museum entrance (11B-208.3.1). Parking spaces are located at the far end of the parking lot. Vehicles were parked on what would be considered the shortest accessible route that leads to the Japanese Garden and de Young Museum both days of the site visit, so the route requires diverting to MLK Way from the parking lot to access the museum. As noted on Exhibit 1, one would need to travel an additional 730 feet from this parking lot from where the existing accessible parking is located along JFK Drive. This route has multiple locations where slopes make the walk inaccessible and vertical discontinuities exceed ½-inch. Containers block an alternative route from the lot directly linked to the Japanese Tea Gardens and the de Young Museum. In short, this parking lot is not functionally accessible for museum guests.

The private paid parking provided at the Music Concourse Garage is not an equivalent alternative to free street parking serving the museum. Many people are unwilling to pay at \$5.25/hour (weekday) or \$6.25/hour (weekend), especially people with disabilities or seniors on a fixed income. Van parking within the parking garage is also not compliant due to the size of the access aisles and structural columns located within the accessible stalls.

D. On-Street Parking Serving the de Young Museum

Since on-street parking within the right-of-way is not addressed in the scoping requirements and technical standards of ADAS and CBC, the 2011 PROWAG is used as the best practice technical standard.

Fulton Street

The entrance from Fulton Street and 10th Street is the closest site arrival point for public transportation and from the public sidewalk. The route is designated by an ISA sign as the accessible route to the site. However, upon further investigation, an accessible route is not provided leading from this location to the museum entrance. Park pathways present significant grade issues, with the slope in the direction of travel often well above the allowable 5% and additional cross slope issues (11B-405). Once on the path, these pathways also lack directional signage where paths intersect, leading to multiple directions for a route leading toward the museum (11B-216.6).

ADAS and CBC codes require that an accessible route be provided from all site arrival points, including bus stops and the public sidewalk. These also must be located within close proximity to the general circulation path. (11B-206.2.1) See Exhibit 1 'Accessible Routes'.

Closing JFK Drive also affects the accessible route from Fulton Street in other ways. The designated accessible routes lead to the crosswalks that cross JFK Drive. A crosswalk intends to alert motorists that there is a pedestrian crossing and to yield to a pedestrian. While on-site, it was observed that the bicyclists and motorized skateboards were moving at rapid rates and not yielding to pedestrians crossing, creating hazards to those coming from site arrival points located at Fulton Street. This condition reduces the accessibility intended for people using mobility aides and pedestrians with low vision or who are blind.

The City is currently proposing an option to relocate JFK Drive accessible parking to Fulton Street¹⁴.

¹⁴ Golden Gate Park Access & Safety Program
<https://storymaps.arcgis.com/stories/c44dfec403664e0ca3d2af6bd048b2ae>

1) Fulton Street Loading Zone:

“Under the current car-free route, Fulton Street has the street parking closest to the DeYoung Museum.

This project proposal would create loading zones and 14-16 new ADA blue zone spaces on Fulton Street to facilitate park access and drop-offs for trips coming from the north. This would also include sidewalk widening on Fulton Street and pathway upgrades between Fulton Street and the Music Concourse in order to meet ADA disability access guidelines.”

Fulton Street is located outside of the park site. ADAS requires at least one accessible route must be provided within the site to the accessible facility entrances from these site arrival points, where provided:

- Accessible parking and accessible passenger loading zones
- Public streets and sidewalks
- Each public transportation stop

Site arrival points include accessible parking spaces and accessible passenger loading zones, public transit stops located on sites, and public streets and sidewalks.

CBC goes beyond to state, “Where more than one route is provided, all routes shall be accessible.”¹⁵

This proposed option reduces an already deficient accessible parking within the park site creating less access.

Additionally, *“Segments of Fulton Street within the project area are located on San Francisco's High Injury Network (HIN) [sic], including the segments from 6th Avenue to 11th Avenue...” and ‘...Fulton between 6th and 11th Avenues is part of the City’s Vision Zero “High Injury Network” where the most collisions occur -- and each of the four locations where the crossing distance would be reduced is a pedestrian entrance to Golden Gate Park. The changes would require removal of just two auto and three motorcycle parking spaces, on the park side of the street at 6th Avenue.”*¹⁶ The proposed design moves 14 to 16 accessible parking spaces to Fulton Street along the HIN. Due to this area being dangerous for pedestrians, the other projects propose a reduction of parking within this area and adding bus bulb-outs. Since it is located along a HIN, it may not be a safe alternative, and due to not being located within the park right-of-way, it does not comply with ADA or CBC scoping¹⁷ requirements.

¹⁵ CBC 11B-206.2.1

¹⁶ <https://www.sfmta.com/project-updates/initial-plan-fulton-street-safety-and-transit-project>

¹⁷ CBC 11B-208.2

MLK Parking Spaces

On-street parking spaces on MLK Drive do not provide access aisles per R309.2.1. Five-foot minimum access aisles are required by PROWAG where the width of the adjacent sidewalk or available right-of-way exceeds 14 feet. Since the property is all City-owned, the City is not limited by right-of-way on park roads. Sufficient space exists in most places to provide access aisles and curb ramps, as provided at other locations in the park.

Were the *Narrow Sidewalks*¹⁸ criteria to be applied, negating the need for access aisles, several MLK spaces still would not meet the standards. Some spaces are located midblock, without a curb ramp to provide a connection to the accessible route. R309.2.2 requires accessible spaces to be located at the end of the block face when an access aisle is not provided.

JFK Parking Spaces

Van accessible signs are provided at some of the accessible spaces on JFK Drive. PROWAG does not specify a minimum number for providing van accessible on-street parking spaces. These spaces do not meet the CBC requirements for van spaces due to the widths of the spaces and potential access aisles, and the surface slopes. PROWAG does not require a minimum width of on-street parking spaces, nor a maximum slope, as it is tied to the road grade. However, it does require a connection to a pedestrian access route.

It is important to note that while the PROWAG does not provide minimum widths to the on-street parking, the City of San Francisco does require 8-foot minimum parking stalls width for on-street parking.

The JFK Drive spaces represent the best existing option for accessible parking that serves the de Young Museum, based on distance and accessible route. Removing these spaces reduces accessibility for those who use a van lift in their vehicle for wheelchair access.

Per 11B-208.3.1, accessible parking serving a building or facility must be on the shortest accessible route from parking to the accessible entrance. Exhibit 1 shows that the JFK Drive spaces are the closest accessible spaces to the de Young Museum, at a distance of 200 feet. With their removal, the closest accessible street spaces are along MLK Way, 1,250 feet from the entrance to the museum. This is an increase of over 1,000 feet in the required path of travel from accessible street parking to the de Young Museum.

Park-wide On-Street Parking

MIG also examined accessible on-street parking serving the greater Golden Gate Park for additional context. While PROWAG R214 references "block perimeter" as the unit for

¹⁸ PROWAG R309.2.2

DE YOUNG MUSEUM AT GOLDEN GATE PARK-ACCESSIBILITY REVIEW

calculating required accessible parking, the nature of the park roads do not adhere to block structure. As a result, MIGhas chosen to use sections of the park instead, as the sections are shown in Figure 5 of the *Golden Gate Park Stakeholder Working Group and Action Framework*.¹⁹ Table 3 summarizes the available versus required on-street parking that will remain if the JFK parking is removed.

As referenced in Exhibit 2, the park lacks the minimum number of accessible on-street parking spaces within Golden Gate Park. In the eastern areas of the park identified by the Golden Gate Park Stakeholder Group, the minimum accessible parking requirements have not been met. As a result, additional accessible on-street parking spaces are needed along the roadways in many areas of the park and will need to remain open to vehicle traffic. Any removal of existing parking condenses vehicle traffic into the other areas of the park, further congesting limited spaces.

Parking Area Section	Cost	Total Parking Spaces	Number of Accessible Parking Spaces	Required number of Accessible Parking Spaces (PROWAG)	Total Missing Accessible Parking Spaces (PROWAG)
Kezar Drive	Free	100	0	4	4
MLK East/Bowling Green	Free	290	6	12	6
MLK Central & Nancy Pelosi	Free	315	10	13	3
MLK West & Tea Garden	Free	215	5	9	4
Stow Lake East	Free	210	6	9	3
Stow Lake West	Free	190	1	6	5
Transverse	Free	300	0	12	12
Lindley & Marx Meadows, Hellman Hollow	Free	400	0	16	16
Elk Glen Picnic Area/Mallard Lake	Free	200	0	6	6
<i>Total based on individual roadways</i>		2220	28	87	59
<i>Total based on the total number of spaces within park roadways</i>		2220	28	89	61

¹⁹ *Golden Gate Park Stakeholder Working Group and Action Framework*, May 2021, [https://www.sfcta.org/sites/default/files/2021-05/GGP Stakeholder Working Group and Action Framework-2021-05-11-FINAL.pdf](https://www.sfcta.org/sites/default/files/2021-05/GGP%20Stakeholder%20Working%20Group%20and%20Action%20Framework-2021-05-11-FINAL.pdf)

7. CONCLUSION

The closure of JFK Drive to vehicles and the associated removal of accessible parking has increased the burden on people with disabilities by increasing the distances these individuals must travel between their cars and the entrance to the de Young Museum. Before the closure of JFK Drive, there were 26 accessible parking spaces in total, with 17 of the free accessible parking spaces located within 200 feet of the de Young Museum. There are now no accessible parking spaces on JFK Drive, and travel distance has increased by over 1,000 feet. While this may not appear to be very far to some, it can be an incredible feat for those using mobility devices. Some disabilities contribute to an overall loss of muscle, causing fatigue and the need for using mobility aides such as multiple sclerosis and amyotrophic lateral sclerosis. For those using walkers or canes, many people lack stamina, have poor balance, or use mobility devices because of respiratory, cardiac, or neurological disabilities. The longer travel distances required can result in the difference between making a museum visit or staying home, as the distance can be more than one can handle.

When parking is viewed in its entirety, Golden Gate Park lacks the minimum required accessible spaces, with the existing accessible spaces not meeting ADA or code requirements.

By removing free accessible parking in the immediate vicinity of the museum and by not providing equivalent free parking within a reasonable travel distance to the museum, the City is reducing program access and is not meeting its obligations under title II of the ADA. Alternative methods of accessing the museum, including passenger drop-off areas, the park shuttle service, and walkways within the park, all have identified barriers to accessibility and do not negate the need for accessible parking spaces.

While this area predates the mandatory ADA requirements for new construction after January 26, 1991, the City chose to add these parking spaces to accomplish program access for this area.

In summary, the de Young Museum and its patrons are not requesting additional access, only restoring and maintaining what was previously provided by the City to create program access initially. By reviewing programmatic access as a whole, those with ambulation disabilities have experienced a reduction in both parking and access to the museum within Golden Gate Park. The new alternative and newly proposed options provide much less access, as has been shown in this report.

Prior to the final closure of JFK Drive, it is recommended that the City reopen accessible parking spaces until a final agreement can be achieved that provide equivalent facilitation to the prior existing conditions to meet its title II obligations of making sure their programs remain accessible to all.

APPENDIX A: DEFICIENCY REPORT

Golden Gate Park
San Francisco, CA

Assessment Date: 7/16/2021

ACCESSIBLE ROUTE FULTON STREET

Comment#: 01

Deficiency: Accessible Route - Vertical Displacement - Height

Accessible route leading from bus stop and 2 accessible parking spaces located at Fulton Street entrance to accessible route has a large crack creating a 2-inch change of elevation and creates a tripping hazard along entire width of walk.

Measurement: 2 inches

Recommended Remediation:

Replace/grind locations where changes in elevation occur. Changes in level of ¼" high maximum shall be permitted to be vertical and without edge treatment. Changes in level between ¼" high minimum and ½" high maximum shall be beveled with a slope not steeper than 1:2. ADA Advisory: Change in level of ½" is permitted to be ¼" vertical plus ¼" beveled.

Floor/Area: Accessible Route
Room/Spot: Fulton Street

Comment #: 18

Deficiency: Accessible Route - Vertical Displacement - Height

Accessible route has a change of elevation of 1-1/4" where accessible route from accessible parking at Japanese parking lot connects to MLK Drive.

Measurement: 1.25 inches

Recommended Remediation:

Replace/grind locations where changes in elevation occur. Changes in level of 1/4" high maximum shall be permitted to be vertical and without edge treatment. Changes in level between 1/4" high minimum and 1/2" high maximum shall be beveled with a slope not steeper than 1:2. ADA Advisory: Change in level of 1/2" is permitted to be 1/4" vertical plus 1/4" beveled.

Floor/Area: Parking Lot #1
Room/Spot: Japanese Tea Garden

Comment #: 20

Deficiency: At Grade Transitions - Perpendicular Curb Ramp - Landing Slope

The slope of the landing at the top of the curb ramp near the drive thru ordering location is steeper than 1:48 (2.0%) in any direction. Grooves required to be maximum 1:48. Slopes at grooves is 3.1%. Typical at both drop off areas in front of de Young museum.

Measurement: 3.1 % grade

Recommended Remediation:

Replace landing. The slope of the landing in all directions shall be 1:48 maximum. This should be coordinated with additional comment on lack of passenger loading zone at same level as vehicular space.

Comment#: 59**Deficiency: On-Street Parking - Access Aisle - General**

No access aisle is provided at the on-street parking and parking space is located adjacent to a light pole. This will not allow sufficient space for passenger loading/unloading.

Measurement: 0 count

Recommended Remediation:

Where the width of the adjacent sidewalk or available right of way exceeds 14.0 feet, an access aisle 5 feet wide shall be provided at street level the full length of the parking space and shall connect to a pedestrian access route. The access aisle shall comply with R302.7 and shall not encroach on the vehicular travel lane. Exception is allowed at locations where adjacent street or sidewalks have not been altered, an access aisle would not be required provided that the parking space is located at the end of the block face.

Golden Gate Park Access & Safety Program Survey

The comprehensive SFMTA survey database was obtained through a Sunshine Ordinance request. Many of the flaws and inconsistencies I will describe are baked into the structure of the survey itself. Others become rather obvious by just sorting and filtering the responses by different characteristics. Anybody with moderate spreadsheet skills could perform the same analysis.

Results of the Survey

City agencies, local journalists, and activist groups have promoted the apparently favorable response to the survey. Some have inaccurately claimed that 10,000 people responded to the survey and that the overwhelming majority of San Franciscans support a car-free JFK Drive. First of all, 10,000 people did not respond to the survey. There are 9,749 responses in the SFMTA database, and responses are not the same as people. As detailed below, there are many duplicate responses among the surveys submitted. The exact number of duplicates cannot be determined by anyone. However, there are certainly several hundred and potentially a couple thousand duplicate responses in the SFMTA database. Additional details are provided below. As a result, there may have only been 7,000 or fewer people that actually responded to the survey. In addition, not every survey respondent answered every question. For example, more than 900 responses did not answer the car-free JFK Drive question.

Second, the results of the survey cannot be extrapolated to the general population of San Francisco. You may be able to claim that a certain percentage of the survey responses favored car-free JFK Drive, but you cannot extend this claim to all of San Francisco. Responses to this survey were voluntary and anonymous. Only those who were aware of the survey and interested enough in the proposed changes in Golden Gate Park would have responded. As detailed later, many people responded to the survey multiple times. There was no attempt by SFMTA to ensure that the composition of responses reflected the actual demographic characteristics of San Francisco. Based on the demographic information that was provided on the surveys, the responses were clearly not representative of the general population of San Francisco. Non-white ethnic groups were significantly underrepresented. Many geographic areas of San Francisco were also significantly underrepresented. These issues are explained in greater detail below.

Advocates for a car-free JFK Drive have boasted that all income groups and ethnicities supported car-free JFK, based on the survey responses. However, they did not explain that the strongest apparent support came from high-income households, particularly those reporting incomes \$200,000 and above. Responses from households earning \$200,000 or more accounted for 30% of the total responses that provided income information on the survey. Advocates also failed to mention that ethnic diversity among the responses was severely lacking. Significantly inadequate representation by certain ethnicities in the survey is explained below in greater detail. Further, among all ethnicities, apparent support for a car-free JFK was strongest among White responses, which were heavily overrepresented in the survey. For example, there were nearly 1,200 survey responses from the following demographic group: White only, age 25-44, with household income of \$150,000 or more. More than 93% of this demographic reportedly favored a car-free JFK Drive.

Alleged support for a car-free JFK steadily declined in older age groups. Only 38% of responses from residents age 65 and above favored the existing car-free JFK option (among nearly 1,300 responses from these age groups).

Survey responses that reported one or more disabilities also did not favor a car-free JFK Drive. Nearly 1,000 responses came from residents who reported one or more disabilities (the most common were mobility issues). Among those that answered the car-free JFK Drive question, only 38% allegedly favored the existing car-free JFK option.

Inadequate Representation from Certain Ethnicities

Nearly 7,000 surveys provided ethnicity information. The remaining surveys left these questions blank or stated that they preferred not to answer. Of the 7,000 surveys with ethnic information, 66% reported that they were White only (i.e. they did not select Hispanic or any other ethnic category other than White). According to U.S. Census information, about 40% of the population of San Francisco is comprised of non-Hispanic White residents. While White residents were significantly overrepresented in the survey, virtually all other remaining ethnicities were significantly underrepresented relative to their actual proportions of total city residents. For example, Asian & Pacific Islander responses represented less than 16% of the surveys, but these groups account for 35% of the total San Francisco population. Similarly, Hispanic & Latinx responses (of any race) comprised 8% of the survey responses, but these groups make up 15% of the total city population. The scenario is the same for Black & African American responses.

Inadequate Representation from Certain Geographies

There have been public claims by advocates that support for a car-free JFK Drive is strong citywide, with survey responses from 24 of 25 San Francisco zip codes desiring a car-free JFK. This claim, while perhaps technically accurate, is highly misleading, because there were very few survey responses from many San Francisco zip codes. Survey responses were recorded from 34 valid San Francisco zip codes. Seven of these zip codes represent P.O Boxes or other zip codes with no reported residents. Of the remaining 27 valid San Francisco zip codes with residents, 16 had fewer than 200 responses to the car-free JFK Drive question. For example, the zip code for Treasure Island (94130) had one response to the car-free JFK question. Zip code 94111 had 12 responses, and zip code 94129 had 25 responses to the car-free JFK Drive question. Support for a car-free JFK Drive cannot be reasonably determined for thousands of residents in those zip codes based on so few responses.

The southeastern part of San Francisco (zip codes 94112, 94124, and 94134) was particularly underrepresented in the survey. These three zip codes include the Ingleside, Excelsior, Bayview, Visitacion Valley, and Portola neighborhoods. These zip codes had about 300 total survey responses to the car-free JFK Drive question. Based on U.S. Census information, these three zip codes have more than 150,000 residents. Claiming that citizens in all of these neighborhoods favor a car-free JFK Drive based on only 300 combined survey responses is extremely disingenuous.

Further, there are some discrepancies in the zip code data from the paper surveys. This problem is described in more detail below. However, the number of responses from two zip codes (94107 and 94110) are not accurate, because SFMTA employees improperly entered this data for some paper surveys that lacked this information.

Duplicate Online Surveys and Problems with “Over-Vote” Analysis

The SFMTA identification and analysis of multiple responses from identical IP addresses was included with the database they provided to me. Just to be clear, this was their analysis, not mine. They did not provide individual IP addresses in the database (personal information), but they did indicate how many responses came from duplicate IP addresses. SFMTA identified about 2,000 online responses from duplicate IP addresses and estimated that about 1,700 of these responses should be excluded from the results (i.e. “over-votes”). I believe this process was significantly flawed, but at least SFMTA acknowledged that there is a very large number of duplicate online survey responses in their database. Nonetheless, their methodology improperly excluded many legitimate responses, while failing to identify many more likely duplicates.

I will describe the SFMTA methodology to identify and exclude “over-votes” in more detail. First, SFMTA identified online responses from IP addresses that had two or more responses to the existing car-free JFK question on the survey (blank responses were not counted – not every response answered this question). Based on this analysis, SFMTA identified a total of 2,023 potential duplicate survey responses from 836 IP addresses. That means that out of the 8,037 total online surveys that answered the car-free JFK question, about 25% came from duplicate IP addresses. Most of these responses came from IP addresses that reportedly had two or three responses each. However, some IP addresses had ten or more responses, including one IP address that reportedly had 50 responses to this question.

It is important to note that multiple responses from the same IP address did not always answer the question the same way (e.g. one response from an IP address may have indicated the existing car-free JFK option was “Desirable” and another response from the same IP address may have found that option “Undesirable”). SFMTA calculated “over-votes” by only looking for identical responses from the same IP address. So if there were two “Desirable” responses to this question from one IP address, both were identified as “over-votes.” Unique responses from the same IP address were not considered “over-votes.” Based on this analysis, SFMTA identified 1,706 “over-votes” among the 2,023 potential duplicate responses for this question.

This is a very flawed methodology, and the process certainly excluded many legitimate survey responses. For example, if a single person actually submitted two or more identical online responses to this question, SFMTA excluded all of these responses as “over-votes.” Using this approach, such an individual would not have had any of their responses counted by SFMTA. In this situation, it would be more appropriate to count one response from such an individual, and to exclude any additional responses as invalid.

More importantly, it is virtually certain that different people sometimes submitted responses to the survey using a shared device (e.g. public computer) or from different devices that shared the same IP address (e.g. people using the same internet service provider network). Based on the SFMTA approach,

most of these responses would have been considered as “over-votes” and would have been excluded from the overall results, even though they likely originated from different people.

Remember, there was reportedly one IP address that had 50 responses to the car-free JFK question. Of these, 35 responses found the existing car-free JFK option “Very Undesirable.” However, seven other responses from this same IP address answered this question “Very Desirable.” The remaining eight responses from this IP address were distributed among all of the remaining options, including two responses that had “No Opinion.” One of the 50 responses from this IP address answered the question “Desirable.” In its calculation of “over-votes,” SFMTA only counted any duplicate answers from the same IP address. In this instance, SFMTA considered 49 of the 50 responses from this IP address to be “over-votes.” The only response that was counted was the single unique response for “Desirable.” All other responses from this IP address were excluded because they had two or more answers for each option. Based on the distribution of answers to this question from this IP address, these responses do not appear to have come from a single person or even a few different people. It appears much more likely that this was either a shared device or a shared IP address used by very many people. However, virtually all of these responses were excluded by SFMTA as “over-votes.”

There is another major problem with the analysis of duplicates and “over-votes.” It would have been very easy for a single individual to submit multiple online surveys from different devices with different IP addresses, or to use many other available methods to submit multiple surveys from fake IP addresses. For example, an individual could have submitted surveys from their personal cellphone, their work laptop, and their family tablet. These devices would likely each have a unique IP address and would not be apparent as duplicate responses to the SFMTA.

In addition, there is no way for anyone to know how many people submitted both online surveys and paper surveys. There were also major problems with the paper surveys, as described in detail below.

Duplicate Paper Surveys and Problems with Data Manipulation

Paper surveys only accounted for about 9% of the total number of responses in the SFMTA database. However, there were major problems with these surveys. There appears to be a large number of duplicate paper surveys, and it also appears that SFMTA employees inappropriately entered some survey data for questions that were not answered on the original surveys. I contacted SFMTA and provided them with my analysis. SFMTA refused to answer my questions or provide any additional information regarding these issues.

I am 100% certain that there is a large group of duplicate paper surveys in the database. I know this because I found many duplicate pairs of paper surveys by carefully reviewing the underlying data. There are numerous pairs of surveys that are identical in every single respect, including identical answers to every question, verbatim comments in every comment field, and identical demographic information (e.g. age range, income range, and ethnicity). The most conclusive proof came from the optional comment fields. I easily identified duplicates where surveys had identical lengthy comments in multiple comment fields. There is no possibility that two surveys would have the exact same responses to dozens of questions and verbatim comments in every field. I asked SFMTA to explain how the duplicates got into the database and to accurately identify all duplicate paper surveys. I did not ask them to

confirm whether or not there are duplicates, because I know that there are. I suspect that a large batch of paper surveys was inadvertently entered into the database twice by different SFMTA employees. I estimate that potentially 50-60% of the paper surveys consist of these duplicate pairs, meaning that about 25-30% of the responses from the paper surveys should be discarded. By the way, SFMTA responded to my additional request with “No responsive records exist.” I am following up with SFMTA with an additional request to obtain confirmation of my claims.

I am also 100% certain that SFMTA employees improperly entered zip codes for paper surveys that did not originally contain this information. I asked SFMTA to simply confirm this, and to identify any other instances where employees may have improperly entered or changed survey responses. I discovered the zip code discrepancies using the same methods I used to identify the duplicate paper surveys. Again, based on my review, it appears that at least two different SFMTA employees entered the paper surveys into the database. It appears that if the zip code was left blank, one employee always entered 94107 and the other employee always entered 94110 for these surveys. As a result, paper surveys from these two zip codes supposedly represent nearly 60% of all paper survey responses, which would be virtually impossible. For reference, these two zip codes aren’t even near Golden Gate Park and they only represent about 12% of the city’s population (there are more than 30 San Francisco zip codes). Also, these two zip codes only made up 10% of the online survey responses, which is much closer to the expected proportion. Another red flag: every single paper survey supposedly had a zip code entered. There were no blank responses for zip codes on any of the paper surveys. This is highly improbable. There were no other questions on the survey (paper or online) that didn’t have at least some blank entries among the surveys submitted. The fact is, people don’t always answer every question on a survey. By the way, SFMTA responded to my additional request with “No responsive records exist.” While I do not believe that there was any ill intent behind this practice, it is a significant weaknesses with the administration of the survey. Entering or changing answers on behalf of survey respondents is a huge problem, even if it didn’t affect a large number of surveys or change the overall survey results. This practice illustrates a significant weakness with survey controls. It has the potential to distort some of the survey results, and it calls into question the integrity of other survey responses.

Further, there is at least one other problem with the paper surveys. These surveys generally asked the same questions as the online surveys. However, the paper surveys did not ask for information regarding disabilities. Therefore, the total number of surveys from people reporting one or more disabilities is certainly undercounted by some degree. If the proportions were similar to the online surveys, there could have been another 100 responses from the paper surveys that would have reported one or more disabilities.

Additional Problems with the Surveys

I know for a fact that more than 500 online surveys were submitted and accepted after the public deadline of 5pm on November 24, 2021. The SFMTA database includes the submission date and time for every online survey. There were 552 online surveys submitted after the deadline, including 400 that were submitted after 12pm on November 28, 2021. Nearly 90% of these very late surveys favored car-free JFK. That should be a red flag, and all surveys received after the deadline should be discarded. The survey was well publicized and was open to the general public for more than two months. Anyone who

wanted to respond to the survey was perfectly capable of doing so within the established parameters, as understood by everyone.

I also know for a fact that there were nearly 600 surveys with contradictory responses. These included surveys that said they wanted both the existing car-free JFK and the No Project option (285 responses answered either “Desirable” or “Very Desirable” to both options). The total also includes responses that did not want either option (299 responses that found both options either “Undesirable” or “Very Undesirable”). Again, this is pretty easy to verify by using simple sorting and filtering techniques. These contradictions cloud the results, because some of the surveys that claim to support the existing car-free JFK also indicated that they wanted the roads reopened to cars (i.e. pre-pandemic status). This problem resulted from the poor structure and wording of the survey questions. The analysis of these two questions on the survey should exclude any contradictory responses.

About Michael Cawthon:

I have worked for a bank regulatory agency as an examiner and an analyst for over 30 years. The analysis and opinions in this paper are entirely my own and in no way reflect the work or views of my employer or any other organization.

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Mayor Breed, Board President Walton, and Supervisors:

The San Francisco Planning Department issued a CEQA Exemption Determination dated March 10, 2022, finding that the Golden Gate Park Access and Safety Program (the "Project") that is the subject of the legislation proposed by Mayor Breed and several Supervisors (and that will be voted on by the BOS/SFCTA on April 26, 2022), is exempt from review under CEQA.

Attached is the Notice of Appeal of the Exemption Determination filed by Richard Skaff, Vicki Bruckner, Patricia Arack and myself on April 6, 2022. The four of us are seniors and have mobility disabilities. On page 3, I mention that I've lived on Fell Street for a long time and have observed increased traffic, congestion, pollution and noise on Fell since the closure of Eastern JFK Drive to cars. There has also been increased traffic, congestion, pollution and noise on streets near Eastern JFK Drive, including Lincoln, Kezar, Stanyan and Fulton, as a result of banning cars from Eastern JFK Drive.

I filed the notice of appeal electronically and brought a check to the Board of Supervisors clerk's office. Subsequently we received several emails and letters from the clerk's office attaching different opinions of the Planning Department regarding whether we could appeal to the Board of Supervisors. Initially we were told that we could appeal but it was premature because the action at issue hadn't yet occurred. Finally, we were told that we could not appeal at all because the governmental body that would approve the action – the Board of Supervisors – couldn't hear an appeal of a CEQA exemption determination regarding its own action. Attached is the Planning Department opinion.

The Planning Department's opinion that the CEQA Exemption Determination is not appealable to the Board of Supervisors is incorrect. See San Francisco Administrative Code Section 31.16. Therefore, we request that our appeal be

considered and heard by the Board of Supervisors.

I urge each Supervisor to vote against the proposed legislation approving and implementing the Project. I urge Mayor Breed to withdraw the proposed legislation. By a separate email, I will describe the myriad reasons why legislation should not be passed, and why JFK Drive should be immediately reopened to cars. Defeating the legislation would make the exemption determination and our appeal moot.

There will be significant direct, indirect and cumulative impacts from the Project, including impacts on transportation; traffic congestion on surrounding streets; access to a public park that is of regional, national and global importance; historic resources; parking; VMT, GHG, energy consumption; emergency access; evacuation in case of earthquakes or other disasters; human impacts on those who need or want to drive into and through the Park; and impacts on the resources of major museums and cultural attractions.

This appeal concerns the implications of the road closures that have been proposed as part of the Project (the “Road Closures”). While the Road Closures might appear small to certain audiences, there are vast ripple effects on the community. The City must proceed in a manner that protects the interests of all people who use and enjoy Golden Gate Park and the recreational facilities, scenic resources and cultural institutions located inside the park.

The City’s decision to conduct no environmental review to assess and mitigate the substantial adverse environmental impacts that will result from the Road Closures is simply wrong. This environmental review is required by the California Environmental Quality Act (“CEQA;” Pub. Resources Code, § 21000 et seq.) and the CEQA Guidelines (“Guidelines;” Cal. Code Regs., tit. 14, § 15000 et seq.). Also, the Road Closures will violate other federal, state, and local laws that strictly regulate road closures and park closures. (*See, e.g.*, Cal. Vehicle Code, § 21100 et seq.; S.F. Park Code, § 3.03.) Collectively, these laws require the City to maintain fair and equitable access to its parks through established public rights of way.

Background Information Regarding the Road Closures’ Adverse Impacts

Road closures in Golden Gate Park, including the closure of JFK Drive and the removal of public parking spaces near the Dahlia Garden, Rhododendron Dell, de Young Museum, Conservatory of Flowers, California Academy of Sciences, and other park attractions have caused and will continue to cause substantial adverse effects on the public. These closures disproportionately burden seniors and people with disabilities, and the adverse effects will only become worse if the proposed permanent Road Closures are approved by the City. The long-term, permanent effects of this action require analysis.

The closure of Eastern JFK Drive places a disproportionate burden on people with disabilities who wish to visit the Dahlia Garden, Rhododendron Dell, de Young Museum, Conservatory of Flowers, California Academy of Sciences, and other park attractions. The closures significantly diminish public accessibility. The closures increase the distance these individuals must travel between their cars and the entrance to the museum, and there is a lack of sufficient accessible free parking within a reasonable travel distance to the museum. Unfortunately, there is a lack of meaningful alternative forms of transportation for seniors and people with

disabilities.

Pedestrians traveling through Golden Gate Park will find that many paths and walkways contain uneven features, steep slopes, or other hazards. These hazardous features pose disproportionate challenges for seniors and persons with disabilities. Furthermore, seniors and people with disabilities are disproportionately targeted by criminal activity when traveling without their cars in Golden Gate Park.

Combined with other recent road closures in the City, the proposed road closures will cause cascading, indirect impacts on other public rights of way surrounding Golden Gate Park. Inevitably, these impacts interfere with the public's ability to use and enjoy the unique and irreplaceable cultural and recreational institutions in Golden Gate Park.

Background Information Regarding the Status of the Environmental Review of the Road Closures

CEQA requires public agencies to disclose and analyze adverse environmental effects of projects before approving those projects. "[I]t is the policy of the state that public agencies should not approve projects as proposed if there are feasible alternatives or feasible mitigation measures available which would substantially lessen the significant environmental effects of such projects." (Pub. Resources Code, § 21002.) CEQA is "intended to assist public agencies in systematically identifying both the significant effects of proposed projects and the feasible alternatives or feasible mitigation measures which will avoid or substantially lessen such significant effects." (*Ibid.*)

When reviewing whether a project will have adverse environmental impacts, public agencies must disclose, analyze and mitigate any environmental effects on "human beings, either directly or indirectly." (Pub. Resources Code, § 21083, subd. (b)(3); Guidelines, § 15065, subd. (a)(4).) California's environmental justice statutes require CEQA to be applied in a manner that fairly and equitably considers potential disparate impacts on the basis of age, disability, or other protected characteristics. (Gov. Code, § 11135, subd. (a); *id.* at § 65040.12, subd. (e).)

CEQA Exemptions Cannot be Used if Any Aspect of a Project, Either Individually or Cumulatively, May Cause a Significant Effect on the Environment

The purpose of CEQA is to enable decision makers and members of the public to make meaningful and fully-informed decisions about new development and land use planning in their community. (*See Vineyard Area Citizens for Responsible Growth, Inc. v. City of Rancho Cordova* (2007) 40 Cal.4th 412, 448-450.) As the Court of Appeal explained in *Save Our Big Trees v. City of Santa Cruz* (2015) 241 Cal.App.4th 694, 704-705, CEQA review procedures generally involve a "three-tiered process:"

"The first tier requires an agency to conduct a preliminary review to determine whether CEQA applies to a proposed project. If CEQA applies, the agency must proceed to the second tier of the process by conducting an initial study of the project. [Citation.] Among the purposes of the initial study is to help 'to inform the choice between a negative declaration and an Environmental Impact Report ["EIR"].' [Citation.] If there is 'no substantial evidence that the project or any of its aspects may cause a significant effect on the environment,' the agency prepares a negative declaration. (Guidelines,

§ 15063, subd. (b)(2).) Alternatively, if ‘ “the initial study identifies potentially significant effects on the environment but revisions in the project plans ‘would avoid the effects or mitigate the effects to a point where clearly no significant effect on the environment would occur’ and there is no substantial evidence that the project as revised may have a significant effect on the environment, a mitigated negative declaration may be used.” ‘ Finally, if the initial study uncovers ‘substantial evidence that any aspect of the project, either individually or cumulatively, may cause a significant effect on the environment’ (CEQA Guidelines, § 15063, subd. (b)(1)), the agency must proceed to the third tier of the review process and prepare a full EIR... “

CEQA mandates a finding of significant impact, and thus preparation of an EIR, when substantial evidence, in light of the whole record, shows that a project may have a significant cumulative effect, or has “effects [that] will cause substantial adverse effects on human beings, either directly or indirectly.” (Pub. Resources Code, § 21083, subd. (b)(2), (3); Guidelines, § 15065, subd. (a)(3), (4).)

CEQA and the Guidelines require a CEQA analyses to disclose and evaluate a project’s cumulative impacts and lead agencies may not, *ipso jure*, equate individually minor effects with cumulatively minor effects. Rather, CEQA mandates “a finding that a project *may* have ‘a significant effect on the environment’ ” where the “possible effects of a project are individually limited but cumulatively considerable.” (Pub. Resources Code, § 21083, subd. (b), emphasis added; Guidelines, § 15065, subd. (a)(3).) “[C]umulatively considerable means that the incremental effects of an individual project are considerable when viewed in connection with the effects of past projects, the effects of other current projects, and the effects of probable future projects.” (Pub. Resources Code, § 21083, subd. (b)(2).)

Cumulative impacts may compound or increase other environmental impacts, and a CEQA analysis must inquire into and discuss the incremental impacts of a project when added to closely related past, present, and reasonably foreseeable probable future development projects taking place over a period of time. (Guidelines, §§ 15130, 15355, 15358; *see North Coast Rivers Alliance v. Kawamura* (2015) 243 Cal.App.4th 647, 682; *Kings County Farm Bureau, supra*, 221 Cal.App.3d at p. 721.) Even when a combined cumulative impact associated with a project’s incremental effect and the effects of other related projects is not significant, the analysis still must “briefly indicate why the cumulative impact is not significant and is not discussed in further detail.” (Guidelines, § 15130, subd. (a)(2).) “A Lead Agency shall identify facts and analysis supporting the lead agency’s conclusion that the cumulative impact is less than significant.” (*Ibid.*)

Potentially significant environmental impacts of the Road Closures include (but are not limited to) the following:

a. Air Quality

Agencies must disclose, analyze, and mitigate whether a project will cause conflicts with or obstruct implementation of the applicable air quality plan, whether the project will result in a cumulatively considerable net increase of certain criteria pollutants, and whether the project will expose sensitive receptors to substantial pollutant concentrations. (Guidelines, Appendix G, subd. III.)

One of the objectives of the Proposed Road Closures is to block cut-through traffic in

Golden Gate Park. Redirecting traffic to nearby streets, including Stanyan Street, Fulton Street and Lincoln Way, will cause increased vehicular traffic on those streets. In turn, the altered traffic patterns will cause greater concentrations of vehicular emissions in proximity to residences and other sensitive receptors adjacent to those streets, as well as the displacement of traffic to museums and other amenities in the City that offer better access to seniors, the disabled, and other sensitive populations. (See *Taxpayers for Accountable School Bond Spending v. San Diego Unified School Dist.* (2013) 215 Cal.App.4th 1013, 1051.)

Changes in the circulation pattern, which potentially lengthens commutes and the duration during which vehicles are idling, also could increase vehicle miles traveled and otherwise increase greenhouse gas emissions. These impacts are further exacerbated by the cumulative effect of other street closures in the vicinity of Golden Gate Park, including the ongoing closure of the Great Highway. These potential impacts must be disclosed, analyzed, and mitigated in an appropriate CEQA document.

b. Biological Resources

Agencies must disclose, analyze, and mitigate whether a project will cause substantial adverse effects on biological resources, including *inter alia* certain protected and migratory bird species. (Guidelines, Appendix G, subd. IV.) Here, the Road Closures might cause pedestrians to take shortcuts through forested or other undeveloped portions of Golden Gate Park. This could, in turn, cause adverse environmental impacts to protected species, including potential migratory birds that may be nesting in forested areas of the park. Again, these potential impacts must be disclosed, analyzed, and mitigated in an appropriate CEQA document.

c. Cultural Resources

Agencies must disclose, analyze, and mitigate whether a project will cause substantial adverse effects on “[a]ny object, building, structure, site, area, place” that is “significant in the architectural, engineering, scientific, economic, agricultural, educational, social, political, military, or cultural annals of California.” (Guidelines, Appendix G, subd. V; *id.* at § 15064.5.)

The historic character and significance of Golden Gate Park and its various facilities and amenities is well documented in the Golden Gate Park Master Plan. In fact, Golden Gate Park is listed in the National Register of Historic Places, and several key contributing historic structures within the Park are accessed through JFK Drive. Examples are the Japanese Tea Garden and the Conservatory of Flowers. By cutting off seniors, people with disabilities, and other members of the public from these cultural and historic resources, the facilities will inevitably collect fewer admissions fees, and they may lose long-term institutional support from the community. Because these financial impacts will likely negatively impact the long-term upkeep of cultural resources in Golden Gate Park, the Road Closures could potentially cause significant impacts to the character and quality of key historic, artistic, and cultural institutions. Accordingly, an appropriate CEQA document must disclose, analyze, and mitigate the

Road Closure's potential adverse impacts on the quality, accessibility, and character of these cultural and historic resources.

d. Hazards and Hazardous Materials

Agencies must disclose, analyze, and mitigate whether a project will cause substantial adverse effects to human health and safety. (Guidelines, Appendix G, subd. IX.) Some of the pedestrian trails and walkways in Golden Gate Park have steep grades, uneven surfaces, or other features that could pose a hazard to pedestrians, especially seniors and people with disabilities. These potential hazards should be mitigated, and the City must analyze in an appropriate CEQA document whether pedestrian routes are accessible and ADA compliant.

City crime statistics also show high levels of crime against persons (e.g., assault, robbery, sexual assault) in Golden Gate Park in recent years. Seniors and people with disabilities are often disproportionately targeted by criminals. Some members of the public may find that it is safer to travel through the park by car, especially at night. In any event, these potential public safety risks must be disclosed, analyzed, and mitigated in an appropriate CEQA document.

e. Land Use and Planning

Agencies must disclose, analyze, and mitigate whether a project will cause a significant environmental impact due to a conflict with any land use plan, policy, or regulation adopted for the purpose of avoiding or mitigating an environmental effect. (Guidelines, Appendix G, subd. XI.) The City has adopted a number of planning documents that specifically require the preservation of access to the de Young Museum. For example, the General Plan's Art Element includes a variety of policies that require the preservation of fair and equal access to arts and cultural institutions. (See, e.g., Policy I-1.4.)

City planning documents also require the preservation of fair and equitable access through Golden Gate Park for seniors and people with disabilities. For example, the Golden Gate Park Master Plan requires the City to preserve "access to all, especially the mobility impaired, senior citizens, and families with children." (See p. 5-1.)

The Road Closures will significantly diminish public accessibility for seniors and people with disabilities. The closures increase the distance these individuals must travel between their cars and the entrance to the museum, and there is a lack of sufficient accessible free parking within a reasonable travel distance to the museum. There is a lack of meaningful alternative forms of transportation for seniors and people with disabilities. Again, these impacts must be disclosed, analyzed, and mitigated in an appropriate CEQA document.

f. Parks and Recreation

Agencies must disclose, analyze, and mitigate whether a project will cause damage or the deterioration in quality to parks and recreational facilities. (Guidelines,

Appendix G, subd. XVI.) Fundamentally, by making Golden Gate Park and its facilities less accessible to seniors and people with disabilities, the Road Closures will cause a deterioration in the quality of the park. The implementation of the Road Closures will also necessitate the construction of new or replacement pedestrian paths and walkways to remediate hazardous features (e.g., steep slopes or uneven surfaces), and the construction of these new paths could, in turn, cause indirect environmental impacts on other environmental features in Golden Gate Park.

Moreover, as noted above, the Road Closures may cause pedestrians to take shortcuts through forested or other undeveloped portions of Golden Gate Park. This could, in turn, cause a deterioration in the quality of the park. These impacts must be disclosed, analyzed, and mitigated in an appropriate CEQA document.

g. Transportation and Circulation

Agencies must disclose, analyze, and mitigate whether a project will conflict with adopted transportation plans and whether a project will cause traffic hazards. (Guidelines, Appendix G, subd. XVII.) As noted above, the Road Closures directly conflict with the transportation plans and policies in the Golden Gate Park Master Plan. By forcing seniors and people with disabilities to walk great distances through roads and pathways that will be shared by runners and bicyclists, the Road Closures will create new traffic hazards.

Furthermore, when a project eliminates parking spaces, thereby necessitating the construction of new parking elsewhere, the agency must analyze and mitigate potential indirect environmental effects associated with the construction of the replacement parking. (See *Save Our Access-San Gabriel Mountains v. Watershed Conservation Authority* (2021) 68 Cal.App.5th 8, 29.) Here, the permanent elimination of accessible parking spaces in close proximity to museums in the park could potentially necessitate the construction of replacement parking in other areas of the park. Again, these impacts must be disclosed, analyzed, and mitigated in an appropriate CEQA document.

By rerouting increased vehicular traffic onto portions of State Route 1 (part of the California State Highway System) that pass through Golden Gate Park, the Road Closures could potentially cause adverse direct, indirect, and cumulative impacts to state highways under the jurisdiction of the California Department of Transportation. And it is important to note that the Department of Transportation's jurisdiction over state highways extends to more than the "main-traveled way." As defined by the Streets and Highway Code, the concept of a "state highway" also includes "collateral facilities" such as frontage roads, ramps, auxiliary lanes, parking areas, and shoulders, as well as bridges, culverts, curbs, drains and all works "incidental to highway construction, improvement, and maintenance." (Streets & Highways Code, § 23; see also *id.* §§ 73, 660 ["highway" includes entire width of right of way, "whether or not the entire area is actually used for highway purposes."]; *City of Cloverdale v. Dept. of Transp.* (2008) 166 Cal.App.4th 488, 493.) It will be crucial for the City to involve the Department of Transportation in the CEQA process as a responsible and trustee agency, and the City should work collaboratively with the Department of

Transportation to identify mitigation measures that appropriately address impacts to all affected infrastructure. It is also imperative the City address whether any other state approvals or input are required given potential impacts on circulation elements within the jurisdiction of the Department of Transportation.

h. Mandatory Findings of Significance

Agencies must disclose, analyze, and mitigate whether a project will have impacts that are individually limited, but cumulatively considerable. (Guidelines, Appendix G, subd. XXI [“ ‘Cumulatively considerable’ means that the incremental effects of a project are considerable when viewed in connection with the effects of past projects, the effects of other current projects, and the effects of probable future projects”].) Here, the cumulative effect of successive road closures in the City, as well as the cumulative effects of increased demand for park and roadway services as a result of new development in the City, will have potentially significant environmental effects and those effects impacts must be disclosed, analyzed, and mitigated in an appropriate CEQA document.

The Road Closures Must Comply with Laws that Regulate Access to Streets

All members of the public have a “common and fundamental right” to use streets and highways “for purposes of travel and transportation” and have a fundamental right to travel within the State, including within a city. (Vehicle Code, § 21235.) The City cannot “interfere with the free flow of traffic, as by closing a street”, without being expressly authorized to do so by the Legislature. (*Citizens Against Gated Enclaves v. Whitley* (1994) 23 Cal.App.4th 812, 820.) Likewise, the City cannot place “gates or other selective devices” that “deny or restrict the access of certain members of the public to the street, while permitting others unrestricted access to the street.” (Vehicle Code, § 21101.6.)

City law also restricts permanent street closures. Section 3.03 of the Park Code contemplates that streets may be temporary closed if emergency conditions necessitate such a closure, but the streets must be “reopened to the public” at an appropriate time. (S.F. Park Code, § 3.03.)

Here, substantial evidence shows that the proposed Road Closures will cause substantial adverse impacts to public welfare and safety by obstructing access to Golden Gate Park and its facilities, including museums in the park. These impacts will cause disparate impacts to seniors and people with disabilities.

Proponents of the legislation, the Project and the Road Closures claim that these streets are “no longer needed” so that they can legislate closure under the Vehicle Code. But the Project sponsors have not substantiated with any evidence that the streets are no longer needed, and therefore they cannot make any decision on that basis. The streets are obviously needed to get access to a public park that is not just a neighborhood playground but is a global attraction and an historic resource. The Project is pre-empted because it conflicts with the Vehicle Code.

I urge each Supervisor to vote against the proposed legislation approving and implementing the Project. I urge Mayor Breed to withdraw the proposed legislation. By a separate email, I will describe the myriad reasons why legislation should not be passed, and why JFK Drive should be immediately reopened to cars. Defeating the legislation would make the CEQA exemption determination and our appeal moot.

Sincerely

Howard Chabner

**Subject: File No. 220391 - Appeal of California Environmental Quality Act (CEQA)
Determination of Exemption from Environmental Review - Proposed
Golden Gate Park Access and Safety Program Project**

Dear Mr. Chabner:

The Office of the Clerk of the Board is in receipt of a memorandum dated April 12, 2022, from the Planning Department regarding their determination on the filing of the appeal of the Exemption Determination issued by the Planning Department under CEQA as a Statutory Exemption for the proposed Golden Gate Park Access and Safety Program project.

Pursuant to Administrative Code, Sections 31.16(a) and (e), any person or entity may appeal an exemption determination to the Board of Supervisors during the time period beginning with the date of the exemption determination and ending 30 days after the date of Approval Action. However, Administrative Code, Chapter 31, does not provide appeals to the Board of Supervisors for CEQA determinations where the Approval Action for which the CEQA determination was issued is taken by the Board of Supervisors.

The Planning Department has determined that your filing is not appealable, as the approval action, which is the Board of Supervisors' adoption of File No. 220261, the Ordinance amending the Park Code to adopt the Golden Gate Park Access and Safety Plan, will be taken by the Board of Supervisors. I have attached a copy of the Planning Department's memo for further explanation.

If you have any questions, please feel free to contact Legislative Clerks Lisa Lew at (415) 554-7718, Jocelyn Wong at (415) 554-7702, or Brittney Harrell at (415) 554-4447.

Very truly yours,

Angela Calvillo
Clerk of the Board

**RE: SF PLANNING DEPARTMENT CEQA Exemption Determination, Case No.
2021-010167ENV (“Golden Gate Park Access & Safety Program”)**

NOTICE OF APPEAL OF CEQA EXEMPTION DETERMINATION

PLEASE TAKE NOTICE that Howard Chabner, Victoria Bruckner, Richard Skaff and Patricia Arack (“Appellants”) hereby appeal to the San Francisco Board of Supervisors the CEQA Exemption Determination of the San Francisco Planning Department, Case No. 2021-010167ENV, dated March 10, 2022, and all actions implementing the Recreation and Parks Department (“RPD”) and San Francisco Municipal Transportation Agency (“SFMTA”) Golden Gate Park Access & Safety Program (the “Project”), under the claim of an exemption from the California Environmental Quality Act (“CEQA”) under Public Resources Code 21080.25. (See EXHIBIT A: SF Planning Department CEQA Exemption Determination, Case No. 2021-010167 ENV.)

See EXHIBIT B: RPD Commission Resolution No. 0506-010, June 16, 2005, regarding a vehicular circulation plan for visitors to the Music Concourse in Golden Gate Park; EXHIBIT C: RPD Commission Resolution No. 2203-001, March 10, 2022, approving the Project; and EXHIBIT D: SFMTA Board Resolution No. 220310-020, March 10, 2022, approving the Project.

This appeal concerns the Planning Department’s decision not to conduct an environmental review to assess and mitigate the substantial adverse environmental impacts that will result from the proposed road closures, both partial and in whole, in Golden Gate Park. This environmental review is required by CEQA (Pub. Resources Code, § 21000 et seq.) and the CEQA Guidelines (“Guidelines,” Cal. Code Regs., tit. 14, § 15000 et seq.), and federal statutes and regulations including NEPA and NHPA. The Project also violates other federal, state, and local laws that require environmental review and strictly regulate road closures and park closures. (See, e.g., Cal. Vehicle Code, § 21100 et seq.; S.F. Park Code, § 3.03.) Collectively, these laws require the City to maintain fair and equitable access to its parks through established public rights of way.

The Project proposes restricting private vehicle access on certain streets and street segments within Golden Gate Park, modifying some two-way street segments into one-way traffic, implementing a protected two-way bikeway on the east side of a segment of Transverse Drive, and implementing a one-way westbound bike lane on a segment of Martin Luther King Jr. Drive. The Project would remove approximately 976 general unmetered parking spaces, and precisely 26 blue zones and two tour bus zones over almost 3 miles of roadway.

CEQA requires public agencies to disclose and analyze adverse environmental impacts of projects before approving those projects. “[I]t is the policy of the state that public agencies should not approve projects as proposed if there are feasible alternatives or feasible mitigation measures available which would substantially lessen the significant environmental effects of such projects.” (Pub. Resources Code, § 21002.) CEQA is “intended to assist public agencies in systematically identifying both the significant effects of proposed projects and the feasible alternatives or feasible mitigation measures which will avoid or substantially lessen such significant effects.” (*Ibid.*)

When reviewing whether a project will have adverse environmental impacts, public agencies must disclose, analyze and mitigate any environmental impacts on “human beings, either directly or indirectly.” (Pub. Resources Code, § 21083, subd. (b)(3); Guidelines, § 15065, subd. (a)(4).) California’s environmental justice statutes require CEQA to be applied in a manner that fairly and equitably considers potential disparate impacts on the basis of age, disability, or other protected characteristics. (Gov. Code, § 11135, subd. (a); *id.* at § 65040.12, subd. (e).)

RPD and SFMTA, and the San Francisco Planning Department, have taken the position that the Project is exempt from CEQA, and therefore they need not disclose, analyze, or mitigate the Project’s potential adverse environmental impacts. This approach is not consistent with CEQA and the CEQA Guidelines. An appropriate CEQA document must disclose, analyze, and mitigate the Road Closure’s potential adverse impacts on the quality, accessibility, and character of all cultural and historic resources.

Additionally, the exemption claimed, per Public Resources Code 21080.25, does not even apply to the Project. Since this is an exemption created by a statute, the Project must comply with the exemption guidelines provided under Public Resources Code 21080.25. Under Public Resources Code 21080.25, an exemption may be granted for the following:

Pedestrian and bicycle facilities, including new facilities. For purposes of this paragraph, “bicycle facilities” include, but are not limited to, bicycle parking, bicycle sharing facilities, and bikeways as defined in Section 890.4 of the Streets and Highways Code.

The Project does not comply with the definition provided above of new pedestrian and bicycle facilities. The complete closure of streets, partially or in whole, is different from the creation of bikeways and pedestrian walkways. In the case of John F. Kennedy Drive East, specifically, the Project proposes permanently closing this road to private car traffic,

even though the proposed area of closure has long had 6-foot-wide pedestrian walkways and protected bike lanes. In fact, the bike lanes on both sides of John F. Kennedy Drive East were redesigned by SFMTA in 2012 to become San Francisco's first parking-protected bikeway. (See Exhibit E.) And merely adding bicycle sharing facilities is not sufficient to qualify for an exemption – otherwise, many large projects with significant environmental impacts would be rendered exempt by the simple addition of a bicycle sharing facility. The Project does not fit within the narrowly construed definitions and provisions in Section 21080.25 and therefore does not qualify for that exemption.

Furthermore, while RPD, SFMTA, and the San Francisco Planning Department have claimed that the Project qualifies for a Statutory Exemption, per Public Resources Code Section 21080.25, the Project has significant impacts on a historic resource. Golden Gate Park is listed in the National Register of Historic Places, and several key contributing historic structures within the park are accessed through John F. Kennedy Drive, which is proposed to be permanently closed to private vehicles as part of the Project. As will be explained in further briefing on this Appeal, and/or already voiced in public comment to SFMTA and RPD, the Project will have other significant impacts, it is not exempt from CEQA, and it requires an Environmental Impact Report ("EIR") under CEQA, and an EIS under federal law.

Among the adverse environmental impacts are significantly increased traffic, congestion, noise, and vehicle emissions on the nearby streets. Appellant Howard Chabner has lived on Fell Street since 1988 and has observed significantly increased traffic, congestion, noise, and vehicle emissions on Fell Street since the eastern part of JFK Drive has been closed to motor vehicles.

Appellants will submit further briefing and comment on or before the scheduled hearing date on this appeal.

**Subject:** 220370 Access Equity Study Hurts Vulnerable Communities

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

To The Mayor and District Supervisors,

At the 4/26/22 JOINT SPECIAL MEETING WITH THE BOS AND SFCTA, you will be asked to approve the Access Equity Study (220370) that includes closing JFK Drive to cars.

A yes vote will effectively disconnect the vulnerable Communities of Concern on the East and South sides from Golden Gate Park. This Community does not have adequate public transportation to the Park. They depend primarily on their cars and will be forced to pay parking fees to use the Park.

**VOTE NO on the Access Equity Study. Preserve access equity for the City's vulnerable population.**

**Tell the MTA and CTA to fix Muni access first.**

Respectfully,

A handwritten signature in black ink, appearing to read 'EG', with a long horizontal line extending to the right.

Evelyn Graham | SF Resident since 1988  
Advocating for the Vulnerable Communities
