EXECUTIVE SUMMARY**Legislative Objectives**

- The proposed resolution would approve a new grant agreement between HSA and the San Francisco IHSS Public Authority to replace the current grant agreement, which is scheduled to end in June 2022. The proposed new grant is for the period of July 1, 2022 through June 30, 2026, in an amount not to exceed \$434,709,670

Key Points

- In-Home Supportive Services (IHSS) is a federally-, state-, and locally-funded program administered by each county. IHSS provides funding for eligible low-income seniors (over the age of 65) and disabled persons to receive non-medical personal care and other household assistance in their home. IHSS service hours are provided to clients via two modes of service delivery: (a) the Independent Provider mode or (b) the contract mode for clients who are unable to find and/or supervise their own Independent Providers. According to HSA, there are currently approximately 24,500 IHSS clients, of which 2,500 clients (10 percent) were not connected to a provider as of March 2022.
- Grant services include program administration, health and dental benefits for IHSS providers, and other services to IHSS providers.
- The IHSS Public Authority is adding 1.0 Full-Time Equivalent (FTE) Recruitment Manager and 1.0 FTE Community Engagement Coordinator (for a total of 2.0 FTE Community Engagement Coordinators in the agency) to enhance recruitment of contract providers.

Fiscal Impact

- Total costs over the four-year term are \$434,709,670. Health and dental benefits constitute approximately \$376.5 million or 95 percent of the proposed grant amount. Salary and Benefits for IHSS Public Authority staff total \$13.1 million over the four-year term, including \$0.9 million for the 3.0 new FTEs to support recruitment efforts for the IHSS worker registry.
- The grant is funded by a combination of federal funding (50 percent), state funding (30 percent), and the City's General Fund (20 percent)

Recommendation

- Approve the proposed resolution.

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

In-Home Supportive Services (IHSS) is a federally-, state-, and locally-funded program administered by each county. IHSS provides funding for eligible low-income seniors (over the age of 65) and disabled persons to receive non-medical personal care and other household assistance in their home. IHSS care allows seniors and disabled persons to remain in their own homes and thereby avoid unnecessary and expensive hospitalization or institutionalization.

Each eligible IHSS client is allocated a specified number of monthly IHSS service hours based on an annual needs assessment conducted by the Human Services Agency's (HSA) Department of Disability and Aging Services (DAS). In San Francisco, IHSS service hours are provided to clients via two modes of service delivery: (a) the Independent Provider mode or (b) the contract mode for clients who are unable to find and/or supervise their own Independent Providers. According to HSA, there are currently approximately 24,500 IHSS clients, 95 percent of whom utilize the Independent Provider mode of service.¹

In May 1995, the Board of Supervisors established the San Francisco IHSS Public Authority per Administrative Code Chapter 70 as an independent public agency, pursuant to California Welfare and Institutions Code Section 12301.63, to be the designated public authority for the County of San Francisco to: (a) provide administrative and operations support services for IHSS Independent Providers and (b) administer health and dental benefits to IHSS Independent Providers. The IHSS Public Authority's administrative and operations support services include maintenance of an Independent Provider registry for clients who need help finding care providers, background investigations of new providers including fingerprinting, a mentorship program for providers, and other services.

In June 2019, the Board of Supervisors approved a grant agreement between HSA and the San Francisco IHSS Public Authority for the provision of administration, health, and dental benefits to

¹ The five percent of clients who do not utilize the Independent Provider mode receive services through Homebridge, which is currently San Francisco's contract mode provider. According to HSA, the Homebridge grant serves a higher need client while also providing both wages and benefits to IHSS providers. The Homebridge grant serves IHSS recipients who are unable to hire and supervise their own home care providers, as well as IHSS recipients who have behavioral health issues and/or cognitive impairment that create barriers to service delivery. The home care providers employed by Homebridge do not receive benefits from the IHSS Public Authority. Homebridge is responsible for providing health benefits to their employees in compliance with the Affordable Care Act and all other relevant laws.

IHSS Independent Providers from July 1, 2019 to June 30, 2022 in the amount of \$255,912,584 (File 19-0484).

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve a new grant agreement between HSA and the San Francisco IHSS Public Authority to replace the current grant agreement, which is scheduled to end in June 2022. The proposed new grant is for the period of July 1, 2022 through June 30, 2026, in an amount not to exceed \$434,709,670.² Grant services include program administration, health and dental benefits, and other services to IHSS providers.

The IHSS Public Authority is the employer of record for Independent Providers in San Francisco for the purposes of union negotiations and is responsible for the administration of health and dental benefits for all eligible Independent Providers. In 2019, the IHSS Public Authority concluded the collective bargaining process with SEIU Local 2015. According to HSA, there are approximately 23,930 active Independent Providers in the City. Currently, 11,642 or 55 percent of eligible Independent Providers are enrolled in health benefits, and 8,982 or 46 percent of eligible Independent Providers are enrolled in dental benefits.³

The major service areas provided through the proposed grant with the IHSS Public Authority include the following:

- Providing and administering health and dental benefits for Independent Providers;
- Maintaining a home care worker registry;
- Participating in Independent Provider group orientation, conducting LiveScans and processing of criminal background checks of potential Independent Providers;
- Providing a Mentorship Program for IHSS consumers;
- Providing a One Stop Resource Center for IHSS recipients and Independent Providers, which includes trainings for IHSS recipients and distribution of limited safety and protective supplies to Independent Providers; and
- Providing stipends to Union Stewards for performance of Union related activities in accordance with the current Collective Bargaining Agreement with SEIU Local 2015; and
- Staffing the IHSS Public Authority Governing Body.

² The grant is a sole source grant to the San Francisco IHSS Public Authority but does not require a waiver under Administrative Code Section 21.G because the IHSS Public Authority is the only governmental entity that can practically perform the programs or services of the IHSS program. Per Administrative Code Chapter 70, the San Francisco IHSS Public Authority has designated authority over the IHSS program.

³ According to HSA, an Independent Provider has to have worked two consecutive months with at least 25 hours per month in one of those months to be qualified to enroll for health insurance. For dental insurance, an Independent Provider has to have worked six consecutive months with at least 25 hours per month to be qualified to enroll. To maintain health and dental coverage, an Independent Provider has to work a minimum of 25 hours per month. As of April 2022, there were 21,052 Independent Providers who are eligible for health insurance, and 19,613 Independent Providers who are eligible for dental insurance.

According to HSA, the proposed grant's scope of work for the provision of benefits to Independent Providers has not changed from the existing grant with the IHSS Public Authority. The insurance carrier for health benefits is the San Francisco Health Plan and Liberty Dental is the insurance carrier for dental benefits. According to HSA, the current health and dental providers will remain the same for the proposed grant.

According to HSA, Independent Provider wages are set by the City, but are paid directly to Independent Providers by the State. In San Francisco, the Minimum Compensation Ordinance (MCO) approved in November 2018 sets wages for IHSS workers above the City's minimum wage (File 17-0538) and resulted in a staggered wage increase for Independent Providers.⁴ The wage increases were subsequently codified in the Collective Bargaining Agreement between SEIU Local 2015 and the IHSS Public Authority. While the IHSS Public Authority acts as the employer of record for purposes of bargaining, which includes setting wages in partnership with the City, the wages do not get paid through the Public Authority grant.

New Positions to Support IHSS Worker Registry

According to HSA, there were approximately 2,500 clients (10 percent) not connected to a provider as of March 2022. HSA reports that the existing IHSS worker registry is not sufficient to meet this need due to workforce shortages and does not adequately reflect the diversity of IHSS clients. Further, the IHSS Public Authority expects the number of IHSS clients to increase due to the expansion of Medi-Cal eligibility in May 2022 to include undocumented immigrants ages 50 and older. The Department reports that 458 registered providers are fully employed, 304 registered providers are seeking work, and 53 registered providers become fully employed every month.

The IHSS Public Authority is adding 1.0 Full-Time Equivalent (FTE) Recruitment Manager and 1.0 FTE Community Engagement Coordinator (for a total of 2.0 FTE Community Engagement Coordinators in the agency) to enhance recruitment efforts. The IHSS Public Authority is also adding 1.0 FTE On-Call Coordinator (for a total of 2.0 FTE On-Call Coordinators in the agency) to coordinate back-up providers for IHSS clients in need of an emergency provider. According to the IHSS Public Authority, the number of IHSS clients who are dependent on on-call care services has increased over the last year and is expected to continue. Under the proposed agreement, the IHSS Public Authority's staffing would increase from 25.0 to 28.0 FTE, an increase of 3.0 FTE as shown in Exhibit 1 below.

⁴ IHSS worker wages will increase from \$18.00 to \$18.75 on July 1, 2022 (the final year of the staggered wage increase schedule) and annual cost-of-living adjustments will be made in subsequent years beginning in July 2023.

Performance Monitoring

The existing grant agreement requires the IHSS Public Authority to provide monthly, quarterly, and annual reports, which include service measures on IHSS provider benefits administration and enrollment, the worker registry, Independent Provider enrollment services and IHSS consumer mentoring services. The IHSS Public Authority annual report also summarizes the grant activities, as well as accomplishments and challenges encountered by the agency. Performance measures and monitoring report activities for the proposed grant agreement will include similar requirements.

According to HSA, the IHSS Public Authority has not met service objectives for the IHSS worker registry due to workforce shortages described above but has met objectives for all other service areas. However, the Department did not provide the performance monitoring document for our review.

FISCAL IMPACT

The amount of the existing grant between HSA and the IHSS Public Authority during the three-year term between July 1, 2019 and June 30, 2022 was \$255,912,584, which includes a 10 percent contingency. According to HSA, estimated actual grant expenditures through June 30, 2022 will be approximately \$234,264,397, or \$21,648,187 (9.2 percent) less than the total grant not to-exceed amount.

The proposed grant amount, including a 10 percent contingency, totals \$434,709,670 over a four-year term from July 1, 2022 through June 30, 2026, as shown in Exhibit 2 below.

According to HSA, the proposed grant's budget is based on projections accounting for the anticipated number of enrollments (based on averages of past actuals) multiplied by average monthly premiums. Health and dental benefits constitute approximately \$376.5 million or 95 percent of the proposed grant amount (not including the 10 percent contingency). As previously mentioned, the IHSS Public Authority buys health and dental insurance from the San Francisco Health Plan and Liberty Dental. Salary and Benefits for IHSS Public Authority staff total \$13.1 million over the four-year term, including \$0.9 million for the 3.0 new FTEs to support recruitment efforts for the IHSS worker registry.

The grant is funded by a combination of federal funding (50 percent), state funding (30 percent), and the City's General Fund (20 percent), as shown above.

Notwithstanding the foregoing, Grantee may retain and use copies for reference and as documentation of its experience and capabilities.

4.4 Works for Hire. If, in connection with this Agreement or the implementation of the Grant Plan, Grantee or any subgrantee creates artwork, copy, posters, billboards, photographs, videotapes, audiotapes, systems designs, software, reports, diagrams, surveys, source codes or any other original works of authorship or Publications, such creations shall be works for hire as defined under Title 17 of the United States Code, and all copyrights in such creations shall be the property of City. If it is ever determined that any such creations are not works for hire under applicable law, Grantee hereby assigns all copyrights thereto to City, and agrees to provide any material, execute such documents and take such other actions as may be necessary or desirable to effect such assignment. With the prior written approval of City, Grantee may retain and use copies of such creations for reference and as documentation of its experience and capabilities. Grantee shall obtain all releases, assignments or other agreements from subgrantees or other persons or entities implementing the Grant Plan to ensure that City obtains the rights set forth in this Grant.

4.5 Publications and Work Product.

(a) Grantee understands and agrees that City has the right to review, approve, disapprove or conditionally approve, in its sole discretion, the work and property funded in whole or part with the Grant Funds, whether those elements are written, oral or in any other medium. Grantee has the burden of demonstrating to City that each element of work or property funded in whole or part with the Grant Funds is directly and integrally related to the Grant Plan as approved by City. City shall have the sole and final discretion to determine whether Grantee has met this burden.

(b) Without limiting the obligations of Grantee set forth in subsection (a) above, Grantee shall submit to City for City's prior written approval any Publication, and Grantee shall not disseminate any such Publication unless and until it receives City's consent. In addition, Grantee shall submit to City for approval, if City so requests, any other program material or form that Grantee uses or proposes to use in furtherance of the Grant Plan, and Grantee shall promptly provide to City one copy of all such materials or forms within two (2) days following City's request. The City's approval of any material hereunder shall not be deemed an endorsement of, or agreement with, the contents of such material, and the City shall have no liability or responsibility for any such contents. The City reserves the right to disapprove any material covered by this section at any time, notwithstanding a prior approval by the City of such material. Grantee shall not charge for the use or distribution of any Publication funded all or in part with the Grant Funds, without first obtaining City's written consent, which City may give or withhold in its sole discretion.

(c) Grantee shall distribute any Publication solely within San Francisco, unless City otherwise gives its prior written consent, which City may give or withhold in its sole discretion. In addition, Grantee shall furnish any services funded in whole or part with the Grant Funds under this Agreement solely within San Francisco, unless City otherwise gives its prior written consent, which City may give or withhold in its sole discretion.

(d) City may disapprove any element of work or property funded in whole or part by the Grant Funds that City determines, in its sole discretion, has any of the following characteristics: is divisive or discriminatory; undermines the purpose of the Grant Plan; discourages otherwise qualified potential employees or volunteers or any clients from participating in activities covered under the Grant Plan; undermines the effective delivery of services to clients of Grantee; hinders the achievement of any other

purpose of City in making the Grant under this Agreement; or violates any other provision of this Agreement or applicable law. If City disapproves any element of the Grant Plan as implemented, or requires any change to it, Grantee shall immediately eliminate the disapproved portions and make the required changes. If City disapproves any materials, activities or services provided by third parties, Grantee shall immediately cease using the materials and terminate the activities or services and shall, at City's request, require that Grantee obtain the return of materials from recipients or deliver such materials to City or destroy them.

(e) City has the right to monitor from time to time the administration by Grantee or any of its subcontractors of any programs or other work, including, without limitation, educational programs or trainings, funded in whole or part by the Grant Funds, to ensure that Grantee is performing such element of the Grant Plan, or causing such element of the Grant Plan to be performed, consistent with the terms and conditions of this Agreement.

(f) Grantee shall acknowledge City's funding under this Agreement in all Publications. Such acknowledgment shall conspicuously state that the activities are sponsored in whole or in part through a grant from the Department. Except as set forth in this subsection, Grantee shall not use the name of the Department or City (as a reference to the municipal corporation as opposed to location) in any Publication without prior written approval of City.

5.1 Maximum Amount of Grant Funds.

The amount of the Grant Funds disbursed hereunder shall not exceed **Three Hundred Ninety-Five Million, One Hundred Ninety Thousand, Six Hundred Nine Dollars (\$395,190,609)** for the period from **July 1, 2022 to June 30, 2026, plus any contingent amount authorized by City and certified as available by the Controller.**

Contingent amount: Up to **Thirty-Nine Million, Five Hundred Nineteen Thousand, Sixty Dollars (\$39,519,060)** for the period from **July 1, 2025 to June 30, 2026, may be available, in the City's sole discretion as a contingency but only subject to written authorization by the City and if monies are certified as available by the Controller.**

The maximum amount of Grant Funds disbursed hereunder shall not exceed **Four Hundred Thirty-Four Million, Seven Hundred Nine Thousand, Six Hundred Seventy Dollars (\$434,709,670)** for the period from **July 1, 2022 to June 30, 2026.**

Grantee understands that the maximum amount of Grant Funds disbursement identified above in Section 5.1 of this Agreement, includes the amount shown as the contingent amount and may not to be used in Program Budget(s) attached to this Agreement as Appendix B, and is not available to Grantee without a written revision to the Program Budgets of Appendix B approved by Agency. Grantee further understands that no payment of any portion of this contingency amount will be made unless and until such funds are certified as available by Controller. Grantee agrees to fully comply with these laws, regulations, and policies and procedures.

5.2 Use of Grant Funds. Grantee shall use the Grant Funds only for Eligible Expenses as set forth in Appendix A and for no other purpose. Grantee shall expend the Grant Funds in accordance with the Budget and shall obtain the prior approval of City before transferring expenditures from one line item to another within the Budget.

5.3 Disbursement Procedures. Grant Funds shall be disbursed to Grantee as follows:

(a) Grantee shall submit to the Department for approval, in the manner specified for notices pursuant to Article 15, a document (a "Funding Request") substantially in the form attached as Appendix C. Any unapproved Funding Requests shall be returned by the Department to Grantee with a brief explanation why the Funding Request was rejected. If any such rejection relates only to a portion of Eligible Expenses itemized in a Funding Request, the Department shall have no obligation to disburse any Grant Funds for any other Eligible Expenses itemized in such Funding Request unless and until Grantee submits a Funding Request that is in all respects acceptable to the Department.

(b) The Department shall make all disbursements of Grant Funds pursuant to this Section through electronic payment or by check payable to Grantee sent via U.S. mail in accordance with Article 15, unless the Department otherwise agrees in writing, in its sole discretion. For electronic payment, City vendors receiving new contracts, contract renewals, or contract extensions must sign up to receive electronic payments through the City's Automated Clearing House (ACH) payments service/provider. Electronic payments are processed every business day and are safe and secure. To sign up for electronic payments, visit www.sfgov.org/ach. The Department shall make disbursements of Grant Funds no more than once during each **MONTH**.

5.4 State or Federal Funds

(a) **Disallowance.** With respect to Grant Funds, if any, which are ultimately provided by the state or federal government, Grantee agrees that if Grantee claims or receives payment from City for an Eligible Expense, payment or reimbursement of which is later disallowed by the state or federal government, Grantee shall promptly refund the disallowed amount to City upon City's request. At its option, City may offset all or any portion of the disallowed amount against any other payment due to Grantee hereunder or under any other Agreement. Any such offset with respect to a portion of the disallowed amount shall not release Grantee from Grantee's obligation hereunder to refund the remainder of the disallowed amount.

(b) **Grant Terms.** If the funding for this agreement is provided in full or in part by a Federal or State grant to the City then as part of the terms of receiving the funds, the City is required to incorporate some of the terms into this Agreement and include certain reporting requirements. Any such incorporated terms and requirements may be added in the attached appendices. By executing this Agreement, Grantee certifies that Grantee is not suspended, debarred or otherwise excluded from participation in state or federal assistance programs. Grantee acknowledges that this certification of eligibility to receive state or federal funds is a material term of the Agreement.

(c) **Single Audit Requirements.** Grantees that expend \$750,000 or more in a fiscal year that began after December 26, 2014 from any and all Federal awards shall have a single audit conducted in each of those fiscal years accordance with 2 CFR Part 200 Subpart F . Grantees that expend less than \$750,000 a year in Federal awards are exempt from the single audit requirements for that year, but records must be available for review or audit by appropriate officials of the Federal Agency, pass-through entity and General Accounting Office, and are still subject to other audit requirements as specified in 2 CFR Subpart F §200.501

ARTICLE 6
REPORTING REQUIREMENTS; AUDITS;
PENALTIES FOR FALSE CLAIMS

6.2 Organizational Documents. If requested by City, Grantee shall provide to City the names of its current officers and directors and certified copies of its Articles of Incorporation and Bylaws as well as satisfactory evidence of the valid nonprofit status described in Section 8.1.

6.3 Notification of Defaults or Changes in Circumstances. Grantee shall notify City immediately of (a) any Event of Default or event that, with the passage of time, would constitute an Event of Default; and (b) any change of circumstances that would cause any of the representations and warranties contained in Article 8 to be false or misleading at any time during the term of this Agreement.

6.4 Financial Statements. Pursuant to San Francisco Administrative Code Section 67.32 and Controller requirements, if requested, within sixty (60) days following the end of each Fiscal Year, Grantee shall deliver to City an unaudited balance sheet and the related statement of income and cash flows for such Fiscal Year, all in reasonable detail acceptable to City, certified by an appropriate financial officer of Grantee as accurately presenting the financial position of Grantee. If requested by City, Grantee shall also deliver to City, no later than one hundred twenty (120) days following the end of any Fiscal Year, an audited balance sheet and the related statement of income and cash flows for such Fiscal Year, certified by a reputable accounting firm as accurately presenting the financial position of Grantee.

6.5 Books and Records. Grantee shall establish and maintain accurate files and records of all aspects of the Grant Plan and the matters funded in whole or in part with Grant Funds during the term of this Agreement. Without limiting the scope of the foregoing, Grantee shall establish and maintain accurate financial books and accounting records relating to Eligible Expenses incurred and Grant Funds received and expended under this Agreement, together with all invoices, documents, payrolls, time records and other data related to the matters covered by this Agreement, whether funded in whole or in part with Grant Funds. Grantee shall maintain all of the files, records, books, invoices, documents, payrolls and other data required to be maintained under this Section in a readily accessible location and condition for a period of not less than five (5) years after final payment under this Agreement or until any final audit has been fully completed, whichever is later.

6.6 Inspection and Audit. Grantee shall make available to City, its employees and authorized representatives, during regular business hours all of the files, records, books, invoices, documents, payrolls and other data required to be established and maintained by Grantee under Section 6.5. Grantee shall permit City, its employees and authorized representatives to inspect, audit, examine and make excerpts and transcripts from any of the foregoing. The rights of City pursuant to this Section shall remain in effect so long as Grantee has the obligation to maintain such files, records, books, invoices, documents, payrolls and other data under this Article 6.

6.7 Submitting False Claims Grantee shall at all times deal in good faith with the City, shall only submit a Funding Request to the City upon a good faith and honest determination that the funds sought are for Eligible Expenses under the Grant, and shall only use Grant Funds for payment of Eligible Expenses as set forth in Appendix A. Any Grantee who commits any of the following false acts shall be liable to the City for three times the amount of damages the City sustains because of the Grantee's act. A

Grantee will be deemed to have submitted a false claim to the City if the Grantee: (a) knowingly presents or causes to be presented to an officer or employee of the City a false Funding Request; (b) knowingly disburses Grants Funds for expenses that are not Eligible Expenses; (c) knowingly makes, uses, or causes to be made or used a false record or statement to get a false Funding Request paid or approved by the City; (d) conspires to defraud the City by getting a false Funding Request allowed or paid by the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

6.8 Grantee's Board of Directors. Grantee shall at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors shall meet regularly and maintain appropriate membership, as established in Grantee's bylaws and other governing documents and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Grantee's board of directors shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Grantee of its obligations under this Agreement.

ARTICLE 7 TAXES

7.1 Grantee to Pay All Taxes. Grantee shall pay to the appropriate governmental authority, as and when due, any and all taxes, fees, assessments or other governmental charges, including possessory interest taxes and California sales and use taxes, levied upon or in connection with this Agreement, the Grant Plan, the Grant Funds or any of the activities contemplated by this Agreement.

7.2 Use of City Real Property. If at any time this Agreement entitles Grantee to the possession, occupancy or use of City real property for private gain, the following provisions shall apply:

(a) Grantee, on behalf of itself and any subgrantees, successors and assigns, recognizes and understands that this Agreement may create a possessory interest subject to property taxation and Grantee, and any subgrantee, successor or assign, may be subject to the payment of such taxes.

(b) Grantee, on behalf of itself and any subgrantees, successors and assigns, further recognizes and understands that any assignment permitted hereunder and any exercise of any option to renew or other extension of this Agreement may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Grantee shall report any assignment or other transfer of any interest in this Agreement or any renewal or extension thereof to the County Assessor within sixty (60) days after such assignment, transfer, renewal or extension.

(c) Grantee shall provide such other information as may be requested by City to enable City to comply with any reporting requirements under applicable law with respect to possessory interests.

7.3 Withholding. Grantee agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Grantee further acknowledges and agrees that City may withhold any payments due to Grantee under this Agreement if Grantee is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Grantee, without interest, upon Grantee coming back into compliance with its obligations.

ARTICLE 8 REPRESENTATIONS AND WARRANTIES

Grantee represents and warrants each of the following as of the date of this Agreement and at all times throughout the term of this Agreement:

8.1 Organization; Authorization. Grantee is a nonprofit corporation, duly organized and validly existing and in good standing under the laws of the jurisdiction in which it was formed. Grantee has established and maintains valid nonprofit status under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and all rules and regulations promulgated under such Section. Grantee has duly authorized by all necessary action the execution, delivery and performance of this Agreement. Grantee has duly executed and delivered this Agreement and this Agreement constitutes a legal, valid and binding obligation of Grantee, enforceable against Grantee in accordance with the terms hereof.

8.2 Location. Grantee's operations, offices and headquarters are located at the address for notices set forth in Section 15. All aspects of the Grant Plan will be implemented at the geographic location(s), if any, specified in the Grant Plan.

8.3 No Misstatements. No document furnished or to be furnished by Grantee to City in connection with the Application Documents, this Agreement, any Funding Request or any other document relating to any of the foregoing, contains or will contain any untrue statement of material fact or omits or will omit a material fact necessary to make the statements contained therein not misleading, under the circumstances under which any such statement shall have been made.

8.4 Conflict of Interest.

(a) Through its execution of this Agreement, Grantee acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of the City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Agreement.

(b) Not more than one member of an immediate family serves or will serve as an officer, director or employee of Grantee, without the prior written consent of City. For purposes of this subsection, "immediate family" shall include husband, wife, domestic partners, brothers, sisters, children and parents (both legal parents and step-parents).

8.5 No Other Agreements with City. Except as expressly itemized in Appendix D, neither Grantee nor any of Grantee's affiliates, officers, directors or employees has any interest, however remote, in any other agreement with City including any commission, department or other subdivision thereof.

8.6 Subcontracts. Except as may be permitted under Section 13.3, Grantee has not entered into any agreement, arrangement or understanding with any other person or entity pursuant to which such person or entity will implement or assist in implementing all or any portion of the Grant Plan.

8.7 Eligibility to Receive Federal Funds. By executing this Agreement, Grantee certifies that Grantee is not suspended, debarred or otherwise excluded from participation in federal assistance programs. Grantee acknowledges that this certification of eligibility to receive federal funds is a material term of the Agreement.

ARTICLE 9 INDEMNIFICATION AND GENERAL LIABILITY

9.1 Indemnification. Grantee shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses arising from, in connection with or caused by: (a) a material breach of this Agreement by Grantee; (b) a material breach of any representation or warranty of Grantee contained in this Agreement; (c) any personal injury caused, directly or indirectly, by any act or omission of Grantee or its employees, subgrantees or agents; (d) any property damage caused, directly or indirectly by any act or omission of Grantee or its employees, subgrantees or agents; (e) the use, misuse or failure of any equipment or facility used by Grantee, or by any of its employees, subgrantees or agents, regardless of whether such equipment or facility is furnished, rented or loaned to Grantee by an Indemnified Party; (f) any tax, fee, assessment or other charge for which Grantee is responsible under Article 7; or (g) any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark of any person or entity in consequence of the use by any Indemnified Party of any goods or services furnished to such Indemnified Party in connection with this Agreement. Grantee's obligations under the immediately preceding sentence shall apply to any Loss that is caused in whole or in part by the active or passive negligence of any Indemnified Party, but shall exclude any Loss caused solely by the willful misconduct of the Indemnified Party. The foregoing indemnity shall include, without limitation, consultants and experts and related costs and City's costs of investigating any claims against the City.

9.2 Duty to Defend; Notice of Loss. Grantee acknowledges and agrees that its obligation to defend the Indemnified Parties under Section 9.1: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 9.1, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Grantee by the Indemnified Party and continues at all times thereafter. The Indemnified Party shall give Grantee prompt notice of any Loss under Section 9.1 and Grantee shall have the right to defend, settle and compromise any such Loss; provided, however, that the Indemnified Party shall have the right to retain its own counsel at the expense of Grantee if representation of such Indemnified Party by the counsel retained by Grantee would be inappropriate due to conflicts of interest between such Indemnified Party and Grantee. An Indemnified Party's failure to notify Grantee promptly of any Loss shall not relieve Grantee of any liability to such Indemnified Party pursuant to Section 9.1, unless such failure materially impairs Grantee's ability to defend such Loss. Grantee shall seek the Indemnified Party's prior written consent to settle or compromise any Loss if Grantee contends that such Indemnified Party shares in liability with respect thereto.

9.3 Incidental and Consequential Damages. Losses covered under this Article 9 shall include any and all incidental and consequential damages resulting in whole or in part from Grantee's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that any Indemnified Party may have under applicable law with respect to such damages.

9.4 LIMITATION ON LIABILITY OF CITY. CITY'S OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE AGGREGATE AMOUNT OF GRANT FUNDS ACTUALLY DISBURSED HEREUNDER. NOTWITHSTANDING ANY OTHER PROVISION CONTAINED IN THIS AGREEMENT, THE APPLICATION DOCUMENTS OR ANY OTHER DOCUMENT OR COMMUNICATION RELATING TO THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS

AGREEMENT, THE GRANT FUNDS, THE GRANT PLAN OR ANY ACTIVITIES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

10.4 Required Post-Expiration Coverage. Should any of the insurance required hereunder be provided under a claims-made form, Grantee shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three (3) years beyond the expiration or termination of this Agreement, to the effect that, should occurrences during the term hereof give rise to claims made after expiration or termination of the Agreement, such claims shall be covered by such claims-made policies.

10.5 General Annual Aggregate Limit/Inclusion of Claims Investigation or Legal Defense Costs. Should any of the insurance required hereunder be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in

such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

Before commencing any operations under this Agreement, Grantee shall furnish to City certificates of insurance, and additional insured policy endorsements, in form and with insurers satisfactory to City, evidencing all coverages set forth above, and shall furnish complete copies of policies promptly upon City's request. Before commencing any operations under this Agreement, Grantee shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.

10.7 Effect of Approval. Approval of any insurance by City shall not relieve or decrease the liability of Grantee hereunder.

10.8 Insurance for Subcontractors and Evidence of this Insurance. If a subcontractor will be used to complete any portion of this agreement, the grantee shall ensure that the subcontractor shall provide all necessary insurance and shall name the City and County of San Francisco, its officers, agents, and employees and the grantee listed as additional insureds.

10.9 Reserved. (Worker's Compensation).

ARTICLE 11 EVENTS OF DEFAULT AND REMEDIES

11.1 Events of Default. The occurrence of any one or more of the following events shall constitute an "Event of Default" under this Agreement:

(b) **Failure to Provide Insurance.** Grantee fails to provide or maintain in effect any policy of insurance required in Article 10.

In the sole discretion of the City, Grantee may be allowed ten (10) days to cure the default. In the event of termination for default, Grantee will be paid for Eligible Expenses in any Funding Request that was submitted and approved by City prior to the date of termination specified in such notice.

(b) **Withholding of Grant Funds.** City may withhold all or any portion of Grant Funds not yet disbursed hereunder, regardless of whether Grantee has previously submitted a Funding Request or whether City has approved the disbursement of the Grant Funds requested in any Funding Request. Any Grant Funds withheld pursuant to this Section and subsequently disbursed to Grantee after cure of applicable Events of Default, if granted by the City in its sole discretion, shall be disbursed without interest.

(c) **Offset.** City may offset against all or any portion of undisbursed Grant Funds hereunder or against any payments due to Grantee under any other agreement between Grantee and City the amount of any outstanding Loss incurred by any Indemnified Party, including any Loss incurred as a result of the Event of Default.

(d) **Return of Grant Funds.** City may demand the immediate return of any previously disbursed Grant Funds that have been claimed or expended by Grantee in breach of the terms of this Agreement, together with interest thereon from the date of disbursement at the maximum rate permitted under applicable law.

City shall exercise this option by giving Grantee written notice that specifies the effective date of termination. Contractor agrees that any failure of Contractor to comply with the requirements of Section 12M.2 of Chapter 12M of the San Francisco Administrative Code shall be a material breach of the Contract. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Contract, bring a false claim action against the Contractor pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Contractor.

b. Protected Social Service and Personal Health Information. Contractor, all subgrantees, and all agents and employees of Contractor and any subgrantee shall comply with any and all privacy laws regarding social service recipient information and/or the transmission, storage and protection of all private health information disclosed to Contractor by City in the performance of this Agreement. Contractor agrees that any failure of Contractor to comply with the requirements of federal and/or state and/or local privacy laws shall be a material breach of the Contract. In the event that City pays a regulatory fine, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible use or disclosure of protected social service or protected health information given to Contractor or its subgrantees or agents by City, Contractor shall indemnify City for the amount of such fine or penalties or damages, including costs of notification. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Contract.

c. Proprietary and Confidential Information of City. Grantee understands and acknowledges that, in the performance of this Agreement or in contemplation thereof, Grantee may have access to private or confidential information that may be owned or controlled by City and that such information may contain proprietary or confidential information, the disclosure of which to third parties may be damaging to City. Grantee agrees that all information disclosed by City to Grantee shall be held in confidence and used only in the performance of this Agreement. Grantee shall exercise the same standard of care to protect such information as a reasonably prudent nonprofit entity would use to protect its own proprietary or confidential data.

12.2 Sunshine Ordinance. Grantee acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals and all other

records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Grantee covered by Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request.

12.3 Financial Projections. Pursuant to San Francisco Administrative Code Section 67.32, Grantee agrees upon request to provide City with financial projections (including profit and loss figures) for the activities and/or projects contemplated by this Grant ("Project") and annual audited financial statements thereafter. Grantee agrees that all such projections and financial statements shall be public records that must be disclosed.

ARTICLE 13 ASSIGNMENTS AND SUBCONTRACTING

13.1 No Assignment by Grantee. Grantee shall not, either directly or indirectly, assign, transfer, hypothecate, subcontract or delegate all or any portion of this Agreement or any rights, duties or obligations of Grantee hereunder without the prior written consent of City. This Agreement shall not, nor shall any interest herein, be assignable as to the interest of Grantee involuntarily or by operation of law without the prior written consent of City. A change of ownership or control of Grantee or a sale or transfer of substantially all of the assets of Grantee shall be deemed an assignment for purposes of this Agreement.

13.2 Agreement Made in Violation of this Article. Any agreement made in violation of Section 13.1 shall confer no rights on any person or entity and shall automatically be null and void.

13.3 Subcontracting. If Appendix E lists any permitted subgrantees, then notwithstanding any other provision of this Agreement to the contrary, Grantee shall have the right to subcontract on the terms set forth in this Section. If Appendix E is blank or specifies that there are no permitted subgrantees, then Grantee shall have no rights under this Section.

(a) **Limitations.** In no event shall Grantee subcontract or delegate the whole of the Grant Plan. Grantee may subcontract with any of the permitted subgrantees set forth on Appendix E without the prior consent of City; provided, however, that Grantee shall not thereby be relieved from any liability or obligation under this Agreement and, as between City and Grantee, Grantee shall be responsible for the acts, defaults and omissions of any subgrantee or its agents or employees as fully as if they were the acts, defaults or omissions of Grantee. Grantee shall ensure that its subgrantees comply with all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Grant Plan. All references herein to duties and obligations of Grantee shall be deemed to pertain also to all subgrantees to the extent applicable. A default by any subgrantee shall be deemed to be an Event of Default hereunder. Nothing contained in this Agreement shall create any contractual relationship between any subgrantee and City.

(b) **Terms of Subcontract.** Each subcontract shall be in form and substance acceptable to City and shall expressly provide that it may be assigned to City without the prior consent of the subgrantee. In addition, each subcontract shall incorporate all of the terms of this Agreement, insofar as they apply to the subcontracted portion of the Grant Plan. Without limiting the scope of the foregoing, each subcontract shall provide City, with respect to the subgrantee, the audit and inspection rights set forth in Section 6.6. Upon the request of City, Grantee shall promptly furnish to City true and correct copies of each subcontract permitted hereunder.

13.4 Grantee Retains Responsibility. Grantee shall remain liable for the performance by any assignee or subgrantee of all of the covenants terms and conditions contained in this Agreement.

ARTICLE 14 INDEPENDENT CONTRACTOR STATUS

14.1 Nature of Agreement. Grantee shall be deemed at all times to be an independent contractor and is solely responsible for the manner in which Grantee implements the Grant Plan and uses the Grant Funds. Grantee shall at all times remain solely liable for the acts and omissions of Grantee, its officers and directors, employees and agents. Nothing in this Agreement shall be construed as creating a partnership, joint venture, employment or agency relationship between City and Grantee.

14.2 Direction. Any terms in this Agreement referring to direction or instruction from the Department or City shall be construed as providing for direction as to policy and the result of Grantee's work only, and not as to the means by which such a result is obtained.

14.3 Consequences of Recharacterization.

(a) Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Grantee is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Grantee which can be applied against this liability). City shall subsequently forward such amounts to the relevant taxing authority.

(b) Should a relevant taxing authority determine a liability for past services performed by Grantee for City, upon notification of such fact by City, Grantee shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Grantee under this Agreement (again, offsetting any amounts already paid by Grantee which can be applied as a credit against such liability).

(c) A determination of employment status pursuant to either subsection (a) or (b) of this Section 14.3 shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Grantee shall not be considered an employee of City. Notwithstanding the foregoing, if any court, arbitrator, or administrative authority determine that Grantee is an employee for any other purpose, Grantee agrees to a reduction in City's financial liability hereunder such that the aggregate amount of Grant Funds under this Agreement does not exceed what would have been the amount of such Grant Funds had the court, arbitrator, or administrative authority had not determined that Grantee was an employee.

(e) **Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Grantee shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Grantee understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of fifty dollars (\$50) for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Grantee and/or deducted from any payments due Grantee.

Grantee and its employees, agents or assigns shall comply with all terms and provisions of such Act and the rules and regulations promulgated thereunder.

16.6 Resource Conservation; Liquidated Damages. Chapter 5 of the San Francisco Environment Code (Resource Conservation) is incorporated herein by reference. Failure by Grantee to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract. If Grantee fails to comply in good faith with any of the provisions of Chapter 5, Grantee shall be liable for liquidated damages in an amount equal to Grantee's net profit under this Agreement, or five percent (5%) of the total contract amount, whichever is greater. Grantee acknowledges and agrees that the liquidated damages assessed shall be payable to City upon demand and may be offset against any monies due to Grantee from any contract with City.

Grantee acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a grantee, must be accessible to the disabled public. federal, state and local disability rights legislation. Grantee agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Agreement and further agrees that any violation of this prohibition on the part of Grantee, its employees, agents or assigns will constitute a material breach of this Agreement.

Grantee shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P, including a minimum hourly gross compensation, compensated time off, and uncompensated time off. Grantee is subject to the enforcement and penalty provisions in Chapter 12P. Information about and the text of the Chapter 12P is available on the web at <http://sfgov.org/olse/mco>.
