18	
19	Section 1. CEQA and General Plan Findings.
20	(a) The Planning Department has determined that the actions contemplated in this
21	ordinance comply with the California Environmental Quality Act (California Public Resources
22	Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of
23	Supervisors in File No. 220286 and is incorporated herein by reference. The Board affirms
24	this determination.
25	

1	(b) On, 2022, the Planning Department determined that the actions
2	contemplated in this ordinance are consistent, on balance, with the City's General Plan and
3	eight priority policies of Planning Code Section 101.1. The Board adopts this determination
4	as its own. A copy of said determination is on file with the Clerk of the Board of Supervisors in
5	File No, and is incorporated herein by reference.
6	
7	Section 2. The Administrative Code is hereby amended by adding Chapter 41H,
8	consisting of Sections 41H.1 through 41H.8, to read as follows:
9	
10	CHAPTER 41H: EXPANDING TRANSITIONAL HOUSING FOR TRANSITIONAL AGE
11	<u>YOUTH IN HAIGHT-ASHBURY</u>
12	
13	SEC. 41H.1. FINDINGS AND PURPOSE.
14	(a) Citywide, youth aged 18-24 make up 14% of the City's homeless population, according
15	to the last point-in-time count. Youth experiencing homelessness have unique trauma, unique needs,
16	and face unique barriers. According to the last point-in-time count, approximately two-thirds of youth
17	experiencing homelessness in San Francisco identify as LGBTQ.
18	(b) The Haight-Ashbury neighborhood (the "Haight-Ashbury") has long been a place of
19	refuge to many youth experiencing homelessness. An estimated 48% of youth experiencing
20	homelessness in San Francisco are homeless because they were displaced from housing in San
21	Francisco. As the Homeless Youth Alliance has noted, the Haight-Ashbury is a destination for youth
22	seeking refuge from abusive families, alienating foster care and group home situations, and juvenile
23	justice system involvement. And yet it is not a particularly safe refuge; these young people encounter
24	constant threats to both their physical and mental health while on the streets.
25	

1	(c) Housing options for youth in the Haight-Ashbury have been extremely limited. Several
2	<u>service providers – including Larkin Street Youth Services, Homeless Youth Alliance, and Huckleberry</u>
3	<u>House – provide services and housing assistance in various forms, but, as of 2022, no new housing</u>
4	<u>units – temporary or permanent – have been opened for youth in the Haight-Ashbury over the last</u>
5	<u>decade.</u>
6	(d) Services for youth experiencing homelessness in the Haight-Ashbury enjoys broad
7	support in the community. Neighborhood organizations, including the Haight Ashbury Merchants
8	Association, Haight Ashbury Neighborhood Council, and Cole Valley Haight Allies, have supported
9	efforts including the safe sleeping site and other youth services in the neighborhood. This is further
10	evidenced by the Haight Ashbury neighborhood voting in overwhelming support of 2018's Proposition
11	<u>C, the Our City, Our Home initiative.</u>
12	(e) Notwithstanding this community support, in October 2021, the City abandoned a
13	planned temporary drop-in center at 730 Stanyan Street after pressure from a small group of vocal
14	opponents of homeless services in the neighborhood. Despite having over \$10 million in uncommitted
15	funds for bridge housing for homeless transitional age youth ("TAY") in the Our City, Our Home
16	Fund, the program approved by the voters as Proposition C in November 2018, the City also rejected
17	calls for the purchase of The Red Victorian hotel, a 21-room vacant building on Haight Street that
18	many urged be acquired for homeless TAY bridge housing.
19	(f) With an ongoing need for transitional housing for youth experiencing homelessness, and
20	no plan or commitment from the City to acquire, build, or otherwise create such housing despite
21	possessing the financial resources to do so, this Chapter 41H seeks to direct the City to create such
22	housing opportunities in the Haight-Ashbury without further delay.
23	
24	SEC. 41H.2. DEFINITIONS.
25	For purposes of this Chapter 41H, the following definitions apply:

1	"Acquisition Deadline" means March 31, 2023.

6	neighborhood, the Board intends to use this definition solely for the purpose of this Chapter 41H.
7	"Homeless" means an individual or family that lacks a fixed, regular, and adequate nighttime
8	residence, and whose primary nighttime residence is one or more of the following: a shelter; a sidewalk
9	or street; outdoors; a vehicle; a structure not certified or fit for human residence, such as an

12	housing program; or in such other location that is unsafe or unstable.

1	some combination of purchase and such lease, 20 or more additional dwelling units in Haight-Ashbury
2	for use as Transitional Housing Units. For the purposes of this requirement, "additional" shall mean
3	additional as compared to the number of Transitional Housing Units in Haight-Ashbury owned or
4	leased by the City as of March 22, 2022.

15	Services at the acquired Transitional Housing Units, and the expected timeline to complete the
16	acquisition and the provision of TAY Services at the acquired Transitional Housing Units.
17	
18	SEC. 41H.6. UNDERTAKING FOR THE GENERAL WELFARE.
19	In enacting and implementing this Chapter 41H, the City is assuming an undertaking only to
20	promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an
21	obligation or duty for breach of which it is liable in money damages or any other relief to any person

4	decision of a court of competent jurisdiction, such decision shall not affect the validity of the remaining
5	portions or applications of this Chapter. The Board of Supervisors hereby declares that it would have
6	enacted this Chapter and every section, subsection, sentence, clause, phrase, and word not declared

LEGISLATIVE DIGEST

[Administrative Code - Transitional Housing for Homeless Transitional Age Youth in Haight-Ashbury]

Ordinance amending the Administrative Code to require the City to acquire at least 20 additional dwelling units for use as transitional housing for homeless transitional age youth in the Haight-Ashbury neighborhood no later than March 31, 2023; and to require the Department of Homelessness and Supportive Housing to report to the Board of Supervisors on its progress for such acquisition no later than 120 days after the effective date of this ordinance; affirming the Planning Department's determination under the California Environmental Quality Act ("CEQA"); and making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.

Existing Law

The City and County of San Francisco (the "City") provides an array of transitional and rental housing programs, including for transitional age youth. There is currently no legal requirement for the City to acquire transitional housing units for homeless transitional age youth in the Haight-Ashbury neighborhood.

Amendments to Current Law

This ordinance would require the City to acquire, via purchase and/or long-term lease, at least 20 additional dwelling units for use as transitional housing for homeless transitional age youth in the Haight-Ashbury neighborhood, beyond those units owned or leased by the City for this purpose as of March 22, 2022, no later than March 31, 2023. This ordinance would also require the Department of Homelessness and Supportive Housing to report on its progress in acquiring such units no later than 120 days after the effective date of this ordinance.

MANDATE STATEMENT

City Charter Section 2.105 states that all legislative acts shall be by ordinance, approved by a majority of the members of the Board of Supervisors.

BACKGROUND

Transitional Housing Program

Transitional Housing provides people with a place to temporarily stay while engaging with social services for up to two years. HSH has a portfolio of approximately 220 Transitional Housing beds across the City as of February 2022. Transitional Housing is considered to be part of HSH's Temporary Shelter portfolio as clients accessing the services are guests and do not have a lease.

Transitional Aged Youth (TAY) Housing Programs

Transitional Housing

As of February 2022, HSH provides over 150 beds of dedicated Transitional Housing to serve Transitional Aged Youth (TAY) across six programs. Four of these programs are site-based, while two are scattered site programs. The site-based programs serve an average of 27 guests per site. The site-based program facilities are typically leased by the operating non-profit provider. One of the TAY transitional housing sites, 1020 Haight Street, is located in the Haight-Ashbury neighborhood and provides transitional housing for to up to 15 TAY guests. Another transitional housing program, Hamilton Transitional Housing, serves families, which can include parenting TAY. Hamilton Housing is located directly above the Panhandle and is adjacent to the Haight-Ashbury neighborhood. The City does not currently own any of the properties providing Transitional Housing.

Site-Based Permanent Supportive Housing

The City has a total portfolio of 264 units of site-based Permanent Supportive Housing for Transitional Age Youth, with another 77 units anticipated to come online in calendar year 2022. There are currently no site-based Permanent Supportive Housing units in the Haight-Ashbury neighborhood.

Scattered Site Supportive Housing

In addition, there is a variety of scattered-site supportive housing resources available for TAY. As of May 1, 2022, there are up to 400 slots of Rapid Rehousing subsidies for TAY, which provide time-limited rental assistance and support services. There are also 176 HUD Emergency Housing Vouchers designated for Transitional Age Youth and an additional 53 slots of Flexible Housing Subsidy Pool housing for TAY that are currently under contract and expected to come online by Fall 2022.

Permanent Supportive Housing (PSH) Expansion

The City has prioritized acquisitions of properties to support long-term supportive housing which provides a permanent solution to homelessness. Since July 2020, the Department of Homelessness & Supportive Housing (HSH) has received approval to acquire eight properties that provide 987 units (1,485 bedrooms) for new permanent supportive housing. Unlike guests in transitional housing, tenants in Permanent Supportive Housing have a lease. Excluding the one-family property with multi-bedroom units, the average cost per unit has been \$388,852 including improvement costs estimated at the time of purchase. The properties have been located in the Lower Nob Hill, Tenderloin, South of Market, Western Addition, Crocker-Amazon, and Mission neighborhoods. A recently acquired property at 5630 Mission Street will provide up to 52 units of supportive housing for TAY.

The Department identified the properties through a request for information in 2021, which received approximately 100 responses, including two in the Haight-Ashbury neighborhood. However, one was acquired by a separate entity and one was not a residential building.

HSH plans to re-open RFI 100-A with narrowed criteria for properties best suited to provide permanent supportive housing for TAY. HSH plans to include geographic preference in this updated RFI to include key geographic areas within the City including the Haight-Ashbury neighborhood.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would require HSH to acquire or lease for 10 years at least 20 dwelling units in the Haight-Ashbury neighborhood¹ and provide onsite supportive services to transitional age youth in a Transitional Housing program for a period of two years or less. The acquisitions must be completed by March 31, 2023.

The proposed ordinance would also affirm the Planning Department's determination that the acquisitions are not considered a project under the California Environmental Quality Act (CEQA) and are consistent with the policy priorities of the Planning Code. The ordinance sunsets at the end of December 2023.

Real Estate Division Survey of Properties

The Real Estate Division did a preliminary search of properties within Haight-Ashbury. According to the Director of Property, there are currently 11 properties (13 spaces) on the market available for lease and none for sale. None of the offerings were for lease of the entire building. No hotel or hospitality sites are currently available for lease. No vacant land was available for lease or purchase.

¹ The Haight-Ashbury neighborhood is defined in the ordinance as the area bound by Oak, Baker, Stanyan, and Frederick Streets and the northern border of Buena Vista Park.

Real Estate and HSH estimate that 7,500 square feet would be necessary for a 20-unit TAY facility. The available spaces within the area designated by this ordinance as of May 3, 2022 ranged from 448 square feet to 5,050 square feet, so multiple spaces would have to be leased in order to meet the requirements of the proposed ordinance.

The Director of Property also noted that offerings were predominately multi-tenant commercial or retail spaces with a few offices over retail. It may be difficult to convert these spaces to residential use unless the City could control the entire property. Lease of an entire building would likely only be possible if a landlord had a single tenant that was prepared to leave a suitable building and the City was prepared to step in and lease the entire building. The asking rents ranged from \$41.52 per square foot to \$58.20 per square foot (although there was one outlier at over \$100 per square foot). The outlier aside, the expected annual base rent would range from \$311,400 to \$436,500.

FISCAL IMPACT

Property Acquisition

Based on the range of costs from property acquisitions since July 2020, purchasing 20 units could range from approximately \$5.7 million to \$9 million depending on the characteristics, location, and condition of the building. This acquisition estimate does not include capital costs that may be required for immediate building improvements. Ongoing operating costs are estimated to be \$400,000 per year.

Leasing

Using current HSH contracts as a baseline, leasing, operating, and support service costs for a sitebased transitional housing could range from approximately \$715,000 to \$860,000 per year for 20 beds.

POLICY CONSIDERATION

Strategic Considerations

According to HSH, expansion of the Department's housing portfolio has been driven by the availability of properties on the market, rather than specific geographic areas. According to the Director of Property, the proposed ordinance may reduce the City's ability to negotiate on any properties that meet the geographic requirements of the proposed ordinance. We note however, that the City has often has a geographic preference in leasing, for example, when negotiating to continue using community-serving space such as the lease for 2712 Mission Street (22-0171).

At the October 6, 2021 Budget & Finance meeting and at the recommendation of the Budget & Legislative Analyst, HSH committed to developing formal policies to govern its property acquisition process by June 2022. Such policies would clarify for the Board of Supervisors and the public how HSH assesses and prioritizes properties for purchase.

SAN FRANCISCO BOARD OF SUPERVISORS

Point in Time Count

According to the 2019 Point in Time Count, there were 1,145 unaccompanied youth under the age of 25 experiencing homelessness. The five largest counts were in the following Supervisorial Districts: District 6 (439), District 10 (253), District 8 (129), District 9 (67), and District 5 (66). In addition, there were 36 homeless youth in Golden Gate Park. HSH expects to have the preliminary results of the 2022 Point in Time Count in June 2022.

Funding Availability

Proposition C

According to the Our City, Our Home (OCOH) 6-Month Projection Report for FY 2021-22, HSH budgeted \$89.1 million for TAY housing acquisitions, \$30.7 million of which is expected to have been expended by the end of FY 2021-22, leaving \$58.4 million available in FY 2022-23. Additional funding may be available for TAY acquisitions in FY 2022-23 if the City receives a Homekey Award for 5630 Mission Street (estimated up to \$15.3 million).

Proposition C funding allocated for acquisitions must be used for acquisition of long-term housing where tenants have leases. As the Transitional Housing model does not traditionally provide leases to tenants, HSH does not believe there is funding available from Proposition C to support the acquisition of a site to fund a Transitional Housing Program required by the proposed ordinance. To use this \$58.4 million in TAY funding, the proposed ordinance would need to be amended to change the programming requirement from transitional housing to permanent supportive housing. The spending plan for FY 2022-23 & FY 2023-24 Proposition C funds will be included in the HSH's June 2022 budget request.

Homekey

According to HSH, it is possible the City could pursue a future State Homekey Grant to support the acquisition of a property to support an interim housing usage. Without an identified property, it is not possible to speculate on the probability of the City submitting and receiving a Homekey Award for a program fulfilling the requirements of this legislation. HSH anticipates a Notice of Funding Availability for the third round of Homekey funding to be released in October 2022.

Approval of the proposed ordinance is a policy matter for the Board of Supervisors.
