# Moratorium Boundary for the Northeast Area Legend Moratorium Area San Carlos City Limit

On April 25, 2022, the City Council adopted an Interim Ordinance to establish a development moratorium for the Northeast Area. For additional information, visit <a href="https://www.cityofsancarlos.org/northeast">www.cityofsancarlos.org/northeast</a>

The extension of this interim ordinance is not a project subject to the requirements of the California Environmental Quality The extension of this interim ordinance is not a project subject to the requirements of the California Environmental Quality Act ("CEQA") because the interim ordinance will not result in a direct physical change in the environment nor a reasonably foreseeable indirect physical change in the environment. Further, even assuming the interim ordinance is a project as defined in CEQA, the interim ordinance is exempt from environmental review pursuant to section 15061(b)(3) of the State CEQA Guidelines because it is covered by the common sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment and where, as in the case of the interim ordinance, it can be seen with certainty that there is no possibility that the adoption of the interim ordinance may have a significant effect on the environment the adoption of the interim ordinance is not subject to CEQA
