Hello,

We received a notice of public hearing in the mail regarding the sidewalk repair that took place at the end of 2019.
We vaguely remember receiving a letter pertaining to the cost of the repair shortly after the project was completed, and when the big life altering event accrued in 2020 we never heard any further updates or received a bill.

Furthermore, it seems as though most of our neighborhood didn't have the side walk repair done, by the city or their privately hired contractors. I can attest no one on our block has their sidewalk repaired.

This brings me to a few questions

1. Is the neighborhood sidewalk rehabilitation that was imposed on us in late 2019 still ongoing in the sunset? This was an expense we didn't anticipate but weren't left with much choice at the time.
2. Is there a possibility of having this cost waived or reduced?
3. Is there a payment plan option we can look into without incurring additional charges or penalties?

As a family with full time jobs and 2 small children we would really appreciate getting this matter resolved ahead of time instead of appearing at the hearing.

We appreciate your feedback and looking forward to your response.

Best,

Diana and William Wheatley
