RE: Official street name change of Hahn Street to Mrs. Jackson Way
File No. 220220, Resolution of Intention No. 118-22

Dear Ms. Calvillo:

On behalf of the San Francisco Board of Supervisors, San Francisco Public Works has completed its investigation to rename a segment of Hahn Street, between the intersections of Visitacion Avenue and Sunnydale Avenue.

On March 8, 2022, City agencies were notified of the proposed name change. There were no objections from City Agencies. We have also verified that the proposed name does not exist in our current list of official street names.

Letters were mailed to the fronting property owners on March 10, 2022. The letters provided the fronting property owners the opportunity to submit their comments concerning the street name change until April 14, 2022. Out of the 20 fronting property owners 7 were against and 1 were in favor of the name change.

Sincerely,

William E. Blackwell, P.L.S.
Acting City & County Surveyor

Aside from the fact that everyone living on the street would be required to update their mailing address, surely there must be a better way to honor Mrs. Jackson. Perhaps something like a statue of sorts?

Hello Mr. Wong,

I am sending you this email for clarity. On Mon., April 4th @ approx. 11:30am, I spoke with Jeannetta, Shamann Walton's assistant. I told her that I would not be able to participate in the 'Hahn St. Name Change'. Jeannetta asked for my name and phone number and I gave it to her. Jeannetta then told me she would give my information to Mr. Walton. I thanked her for taking care of that. However, I forgot to tell her that I was calling on behalf of my Mother, Mary Lawson. So, I was thinking with my name Lonna Dessman, without my Mother's name, my opinion will probably not be counted, which is why I am emailing you today.

My Mother graduated to heaven on January 28, 2022 and I am her Trustee. Since her funeral in February (and even before), my schedule has been extremely busy dealing with legal matters and estate matters, which is why "I am NOT in favor of the proposed street name change." I simply do not have the time.

Please let me be clear, Dr. Ruth Jackson was a dear friend of my Mother. Our family loved her! She and I had a pleasant telephone conversation (one of many over the years) a week before she graduated to heaven in November, 2021. I agree with the accolades/achievements you included in your Resolution, File No. 220220. However, I am not able to participate at this time.

Sincerely,
Lonna Dessman

To whom this may concern,

Regarding the name change propose from Hahn St to Mrs Jackson Street, I am not in favor of the proposed street name change. We as a family appreciated all the goods that Dr. Ruth Marie Jackson did, but it would be costly in time and money for us to update the address for all of our documents, mortgage documents, doctor records, bank accounts, work documents, professional licenses, and some pending applications that we have in the past year.

Sincerely,
Bieu Nguyen

Hello Mr. Wong,

My family has lived on Hahn Street for thirty years.

We are opposed to changing Hahn Street to Mrs. Jackson Way.

This change would require we update our numerous documents (e.g. vehicle registrations, mailing address, billing addresses, CA drivers licenses, CA ID cards, and more).

Said updates would be laborious, time intensive and expensive.

For these reasons, we request that Hahn Street's name remain unchanged.

Thank you.

Sincerely,

Chris Dowdell and family

Hello Jason!

I am NOT in favor of the proposed street name change. I have been living here over 30 years and there is no need to change the street name and make everything complicated for the residents.

First of all, I need to say this. The city is being racist. Everyone on Hahn Street is 90% Chinese home owner and the city sent a letter mail all in English without any Chinese translation. So EVERYONE won't understand and can't make any opinions. Inconsiderate and racist?? Most City letter would have Chinese and Spanish translations. If the residents don't read English, you are not notifying the residents about the proposed name change. Denying their rights to voice their opinions.

SF public work to make a major decision without involving the 90% of the minorities living on Hahn Street that don't read English. What up with this? Totally Racist in this century without translations.

I am NOT in favor , as I will need to change all my mailing address, driver license, over 30 years. All my history record will need to be change. How would you feel if your own street get changed when it had been the same over 30 years?? Everyone here been living in the same house for over 30 years plus. Older seniors , in their 70s, they will have issue changing all their address, they will need help. Who will help them?? Will you go through all their different accounts and update their mailing address for them?? Of course not.

Everyone will be confused of our mailing situation. Mail will get lost, utilities services may get cancelled. Are you going to take responsibility? There is no need to change a street name that have been there for decades.

Also, No one on Hahn Street know who Mrs Jackson is. Who is she??? I never seen or heard of her once since I live here. If she famous in Sunnydale avenue. Why not change Sunnydale Ave to her name?? They will enjoy it more??

She not a famous person like the president. Not anyone worth to make a living hell for all the 300 residents that live here on Hahn. Yes, each house have estimate around 8+ person living in it. Changing a mailing address is not a simple process. And she is not even famous! Go build a bench with a name plate for her instead.

Street name should not start with 'Mrs'.
Mrs is only use to indicate a real human being. and it will cause mail confusion with mail carrier, with the Jackson Street in Chinatown. I have seen mail get confused and sent to the wrong address due to similar street names. There is only one Jackson Street in San Francisco, leave it that way. Even Mr Jackson president don't have a "Mr" on his street nor any other street names starts with "Mrs or Mr"

The SF muni bus runs through Hahn Street. Won't it be confusing to change the street name? Hahn Street is not some minor street. It's considered to be a main road for traffic in and out of Visitacion Valley district. Bus routes runs through Hahn Street, not a minor street at all. It's not a great idea to change street names that public bus runs on, as it will confuse bus routes, Google map routes, etc.

Plus there is public swimming pool located right at the corner of Hahn Street and takes up half the block of Hahn Street. Known destination.

Why change something that's not broken?

Please denied the proposed name change.

If you don't hear many feedback, it's because the letter SF Public works sent out is in English and without a return letter envelope. Denying minorities residents that don't know English from voicing their opinions.

Thank you.

Karin

Hi SFDPW and Jason,

It has come to my attention that my street address (Hahn) is being up for debate to be changed. As someone who has lived here for 30 years, I'd love to understand the thought process behind this. Not only is this inconvenient, Hahn street is only 3 blocks long. With all the new construction going on down the block in Sunnydale, wouldn't it make more sense to have one of those streets named Mrs Jackson Way? Please let me know the significance of the potential new name and if there are any neighborhood meetings discussing this issue I would happily join.

Hi there,

I am not in favor of the proposed street name change, because the street name change will bring a lot of trouble. I have a big family. Once the street name is changed, I will need to change the address of ID, Bank, car registration, insurance, work information, etc. not only one person, but a whole family. This will cost me a lot of time and money for changing information. I also like the current street name more than the new one. Please stop this.

Regards,

Hi Jason,

I received a letter in the mail and I disagree with the name change.

Who is Mrs. Jackson? Never heard of her. It doesn't make sense to me to change my street name to someone that I never heard of. Mrs. Jackson Way doesn't sound like a street name, sounds more like a person than a location. Can I change the street name to my name also?

Street names should not be changed, it should stay the way it is for decades just so it will be recognized for generations. Everyone here has been living in the same household for generation and rarely moved. Why don't they change her own property street to her name?? It makes more sense if you name a community center after her instead, that's the common practice. "Mrs Jackson Community Center".

If everyone proposed to change all the street names in San Francisco whenever they want to, that would be crazy. It causes a headache to all the property owners just for someone being selfish that doesn't live on Hahn Street. It will cause traffic confusion, the muni bus pass through our street!

Did you know, there is a hidden mystery house on Hahn Street. An article was written about it, you can google online. 2 Hahn Street. Historical Hidden Mystery House that got relocated on Hahn. If the street name is changed, it makes it uninteresting and invalid article.

So listen! we don't want Hahn St name to change! Reject the proposal! It sounds like a person name than a street name! It will confuse everyone!

Hi Jason Wong.
I am a resident of Hahn St. San Francisco, CA 94134. My mom just got a letter from a neighbor about the Hahn St. name change. I hope this response is not too late. My whole family and the neighbors whom we talked to refused to change the name of Hahn St. It's a BIG trouble for us to change the the address of all documents including bills, banks, driver license, citizenship, and other documents that I don't remember. Again, please don't change the name of Hahn St.

Best regard
Alan.
Thanks.
