To Whom it may Concern,

I live at 240 Palo Alto Avenue, next to the fence, Solon Singares. There is NO REASON to tear the fence down for an access road. The house in construction is two blocks away from the fence, their easement is on La Avanzada. Also, behind the fence there are elevated manhole covers that are two feet tall, owned by the Water Department.

To Whom it May Concern:

We are writing to support Katherine Bleich of 150 Glenbrook Ave in her appeal of the proposed lot split of 0 Palo Alto, Board of Supervisors file #220232 to ensure that neighborhood concerns regarding this matter are fully addressed.

Our specific concern is that the address 0 Palo Alto bears no relation to the other addresses on the street and implies that Palo Alto Avenue extends beyond the dead-end fence just past 240 Palo Alto Avenue at the west end of the street. This, in turn, suggests that the dead-end could be opened up at some point in the future. We oppose any such opening because it would change the character of the neighborhood, by dramatically increasing traffic flow.

Thank you for your consideration.

San Francisco Board of Supervisors--

We are strongly in opposition to the proposal for lot split of 0 Palo Alto Avenue - Board of Supervisors file #220232.

There is absolutely no reason to open Palo Alto Avenue to La Avanzada. It would be very undesirable for the entire Clarendon Heights community.

Dear Board of Supervisors,

It is outrageous that this development is going forward in the Greenbelt Nature Preserve under Sutro Tower.

I, as well as many neighbors, support Katherine Bleich of 150 Glenbrook Avenue in her appeal of the proposed lot split of 0 Palo Alto. There was to be no development here. Ever.

The neighborhood notification was non existent for this project.
