Summary

Existing law, commencing July 1, 2021, establishes the Office of Youth and Community Restoration in the California Health and Human Services Agency to, among other things, identify policy recommendations for improved outcomes and integrated programs and services to best support delinquent youth and identify and disseminate best practices to help inform rehabilitative and restorative youth practices. Existing law requires the office to have an ombudsperson and specifies the duties of the ombudsperson. Existing law requires the Division of Juvenile Justice to close on June 30, 2023, and provides for the transition of youth who are currently housed within a Division of Juvenile Justice facility to the care and custody of counties. Existing law further requires that, beginning July 1, 2021, counties are generally responsible for all youth adjudged wards of the court. This bill would make the Youth Bill of Rights applicable to youth confined in any juvenile justice facility. The bill would further require, as part of the Youth Bill of Rights, that youth have access to postsecondary academic and career technical education and programs and access to information regarding parental rights, among other things. The bill would require the Division of the Ombudsperson of the Office of Youth and Community Restoration, in consultation with other specified parties, to develop standardized information explaining these rights no later than July 1, 2023. This bill contains other related provisions and other existing laws. (Based on text date 2/17/2022)
