AB 2417 (Ting D) Juveniles: Youth Bill of Rights.

Existing law establishes the Youth Bill of Rights, which includes the right to live in a safe, healthy, and clean environment conducive to treatment and rehabilitation, to contact attorneys, ombudspersons, and other advocates regarding conditions of confinement or violations of rights, and to receive a quality education. Under current law, the Youth Bill of Rights applies to youth confined in a facility of the Division of Juvenile Justice in the Department of Corrections and Rehabilitation. This bill would make the Youth Bill of Rights applicable to youth confined in any juvenile justice facility. The bill would further require, as part of the Youth Bill of Rights, that youth have access to postsecondary academic and career technical education and programs and access to information regarding parental rights, among other things. The bill would require the Division of the Ombudsperson of the Office of Youth and Community Restoration, in consultation with other specified parties, to develop standardized information explaining these rights no later than July 1, 2023.
