All Revenues received by the Trustee and all amounts on deposit in the funds and accounts created hereunder and held by the Trustee shall be held in trust for the benefit of the holders from time to time of the Bonds, but shall nevertheless be disbursed, allocated and applied solely for the uses and purposes hereinafter set forth in this Article V.

None of the City, the members of the Board of Supervisors, the directors, officers, officials, employees, attorneys or agents of the City, or any person executing the Bonds is liable personally on the Bonds or subject to any personal liability or accountability by reason of their issuance. The Bonds are limited obligations of the City, payable only as provided herein, and are not a general obligation, nor are they secured by a pledge of the faith and credit, of the City, the State or any of its political subdivisions, nor are the Bonds payable out of any funds or properties other than those of the City expressly pledged for the payment thereof under this Indenture. The Bonds do not constitute indebtedness within the meaning of any constitutional or statutory debt limitation. The issuance of the Bonds shall not directly, indirectly, or contingently obligate the City, State of California or any political subdivision thereof to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment.

No recourse shall be had for the payment of the principal of or premium or interest on the Bonds against any past, present or future supervisor, officer, official, director, employee or agent of the City, or of any successor thereto, as such, either directly or through the City or any successor to the City, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such supervisors, officers, officials, directors, employees or agents, as such, is hereby expressly waived and released as a condition of, and consideration for, the execution and issuance of the Bonds.

The City shall not be liable for payment of the principal of or interest on the Bonds or any other costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Indenture, the Bonds or any other documents, except only to the extent amounts are received for the payment thereof from the Borrower under the Loan Agreement.

Section 5.02. <u>Bond Fund</u>. There is hereby created and established with the Trustee a separate fund which shall be designated the "Bond Fund," which fund shall be applied only as provided in this Section 5.02.

The Trustee shall credit to the Bond Fund from time to time, upon receipt thereof, all Revenues, including (i) income received from the investment of moneys on deposit in the Bond Fund, and (ii) any other Revenues, including insurance proceeds, condemnation awards and other Loan payments or prepayments received from or for the account of the Borrower.

Except as provided in Section 10.02, moneys in the Bond Fund shall be used solely for the payment of the principal of and premium, if any, and interest on the Bonds as the same shall become due, whether at maturity or upon redemption or acceleration or otherwise.

On each date on which principal of, premium, if any, or interest on the Bonds is due and payable, the Trustee shall pay such amount from the Bond Fund.

Section 5.03. <u>Investment of Moneys</u>. Except as otherwise provided in this Section 5.03, any moneys in any of the funds and accounts to be established by the Trustee pursuant to this Indenture shall be invested by the Trustee in Investment Securities selected and directed in a Written Request executed by an Authorized Borrower Representative, with respect to which payments of principal thereof and interest thereon are scheduled or otherwise payable not later than one day prior to the date on which it is estimated that such moneys will be required by the Trustee. In the absence of such a Written Request, the Trustee shall invest such moneys in the Investment Securities described in clause (f) of the definition of such term, provided, however, that any such investment shall be made by the Trustee only if, prior to the date on which such investment is to be made, the Trustee shall have received written direction of an Authorized Borrower Representative specifying a specific money market fund that satisfies the requirements of such subsection in which such investment is to be made and, if no such written direction is so received, the Trustee shall hold such moneys uninvested. The Trustee shall have no liability or responsibility for any loss resulting from any investment made in accordance with this Section 5.03.

Except as otherwise provided in the next sentence, all investments of amounts deposited in any fund or account created by or pursuant to this Indenture, or otherwise containing gross proceeds of the Bonds (within the meaning of Section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value. Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code shall be valued at their present value (within the meaning of Section 148 of the Code). The Trustee shall have no duty to determine Fair Market Value or present value hereunder.

For the purpose of determining the amount in any fund or account, all Investment Securities credited to such fund or account shall be valued at the lower of cost or par (which shall be measured exclusive of accrued interest) after the first payment of interest following purchase.

Any interest, profit or loss on such investment of moneys in any fund or account shall be credited or charged to the respective funds or accounts from which such investments are made.

Subject to the requirements of the Tax Certificate, the Trustee may sell or present for redemption any obligations so purchased whenever it shall be necessary in order to provide moneys to meet any payment, and the Trustee shall not be liable or responsible for any loss resulting from such sale or redemption.

The Trustee may make any and all investments permitted under this Section 5.03 through its own trust or banking department or any affiliate and may pay said department reasonable, customary fees for placing such investments. The Trustee and its affiliates may act as principal, agent, sponsor, advisor or depository with respect to Investment Securities under this Section 5.03.

The City (and the Borrower by its execution of the Loan Agreement) acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the City or the Borrower the right to receive brokerage confirmations of security transactions as they occur, the City and the Borrower will not receive such confirmations to the extent permitted by law. The Trustee will furnish the Borrower and the City (to the extent requested by it) periodic cash transaction statements which include detail for all investment transactions, if any, made by the Trustee hereunder.

Section 5.04. Assignment to Trustee; Enforcement of Obligations. The City hereby transfers, assigns and sets over to the Trustee, for the benefit of the Bondowner, and the Trustee hereby accepts, all of the Revenues, all moneys at any time held in the funds and accounts established hereunder and any and all rights and privileges the City has under the Loan Agreement, the Deed of Trust and the other Loan Documents (except for the City's rights under Sections 2.3, 2.4, 4.1, 5.1(d), 5.1(e), 6.2, 6.3, 6.5, 6.6, 6.7, 6.14, 7.4, 8.2 and 8.3 of the Loan Agreement and except for amounts payable to the United States of America pursuant to Section 6.14(i) of the Loan Agreement); and any Revenues which are collected or received by the City shall be deemed to be held, and to have been collected or received, by the City as the agent of the Trustee, and shall forthwith be paid by the City to the Trustee.

Upon the occurrence of an Event of Default, the Bondowner shall be entitled in its sole discretion to take all steps, actions and proceedings: (a) to enforce the terms, covenants and conditions of, and preserve and protect the priority of its interest in and under, the Loan Agreement, the Construction Disbursement Agreement, the Regulatory Agreement, the Deed of Trust and any other Loan Documents, and (b) to request compliance with all covenants, agreements and conditions on the part of the City contained in this Indenture with respect to the Revenues.

### ARTICLE VI COVENANTS OF THE CITY

Section 6.01. <u>Payment of Principal and Interest</u>. The City shall punctually pay, but only out of Revenues as herein provided, the principal and the interest (and premium, if any) to become due in respect of the Bonds issued hereunder at the times and places and in the manner provided herein and in the Bonds, according to the true intent and meaning thereof. When and as paid in full, the Bonds shall be delivered to the Trustee and shall forthwith be destroyed.

Section 6.02. <u>Preservation of Revenues; Amendment of Documents</u>. The City shall not take any action to interfere with or impair the pledge and assignment hereunder of Revenues and

the assignment to the Trustee of rights of the City under the Loan Agreement and the Deed of Trust and other collateral documents, or the Bondowner's enforcement of any rights hereunder or thereunder, shall not take any action to impair the validity or enforceability of the Loan Agreement, the Deed of Trust or the other Loan Documents, and shall not waive any of its rights under or any other provision of or permit any amendment of the Loan Agreement, the Deed of Trust or the other Loan Documents, without the prior written consent of the Bondowner.

Section 6.03. <u>Compliance with Indenture</u>. The City shall not issue, or permit to be issued, any Bonds secured or payable in any manner out of Revenues other than in accordance with the provisions of this Indenture; it being understood that the City reserves the right to issue obligations payable from and secured by sources other than the Revenues and the assets assigned herein. The City shall faithfully observe and perform all the covenants, conditions and requirements hereof. So long as any Bonds are Outstanding, the City shall not create any pledge, lien or charge of any type whatsoever upon all or any part of the Revenues, other than the lien of this Indenture.

Section 6.04. <u>Further Assurances</u>. Whenever and so often as requested so to do by the Trustee, the City, at the expense of the Borrower, shall promptly execute and deliver or cause to be executed and delivered all such other and further instruments, documents or assurances, and promptly do or cause to be done all such other and further things, as may be necessary or reasonably required in order to further and more fully vest in the Trustee and the Bondholders all of the rights, interests, powers, benefits, privileges and advantages conferred or intended to be conferred upon them by this Indenture and to perfect and maintain as perfected such rights, interests, powers, benefits, privileges and advantages.

Section 6.05. No Arbitrage. The City shall not take, nor knowingly permit nor suffer to be taken by the Trustee or otherwise, any action with respect to the gross proceeds of the Bonds which if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of the issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code and Regulations promulgated thereunder.

Section 6.06. <u>Limitation of Expenditure of Proceeds</u>. To the best knowledge of the City, not less than 97 percent of the amount advanced as the purchase price of the Bonds, plus premium (if any) paid on the purchase of the Bonds by the original purchaser thereof from the City, less original issue discount, will be used for Qualified Project Costs and less than 25 percent of such amount will be used, directly or indirectly, for the acquisition of land or an interest in land.

Section 6.07. Rebate of Excess Investment Earnings to United States. The City hereby covenants to cause the Borrower (solely by the inclusion of Section 6.14(i) in the Loan Agreement and Section 2(g) in the Regulatory Agreement) to calculate or cause to be calculated excess investment earnings to the extent required by Section 148(f) of the Code and the Borrower shall cause payment of an amount equal to excess investment earnings to the United States in accordance with the Regulations, all at the sole expense of the Borrower.

Section 6.08. <u>Limitation on Issuance Costs</u>. The Issuer covenants that, from the proceeds of the Bonds and investment earnings thereon, an amount not in excess of exceed two percent (2%) of the proceeds of the Bonds, will be used for costs of issuance of the Bonds, all within the meaning

of section 147(g)(1) of the Code. For this purpose, if the fees of the original Bondowner are retained as a discount on the purchase of the Bonds, such retention shall be deemed to be an expenditure of Proceeds of the Bonds for said fees.

Section 6.09. <u>Federal Guarantee Prohibition</u>. The City shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code.

Section 6.10. <u>Prohibited Facilities</u>. The City covenants that no proceeds of the Bonds shall be used directly or indirectly to provide any airplane, skybox or other private luxury box, health club facility, facility used for gambling or store the principal business of which is the sale of alcoholic beverages for consumption off premises, and no portion of the proceeds of the Bonds shall be used for an office unless (i) the office is located on the premises of the facilities constituting the Project and (ii) not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

Section 6.11. <u>Use Covenant</u>. The City shall assure that the proceeds of the Bonds are used in a manner such that the Bonds will satisfy the requirements of section 142(d) of the Code relating to qualified residential rental projects. The City shall assure that not less than 95 percent of the net proceeds of the Bonds (within the meaning of section 150(a)(3) of the Code) are paid for Qualified Project Costs. The City shall assure that no proceeds of the Bonds shall be used for the acquisition of any tangible property or an interest therein, other than land or an interest in land, unless the first use of such property is pursuant to such acquisition; provided, however, that this limitation shall not apply with respect to any building (and the equipment therefor) if rehabilitation expenditures (as defined in section 145(d) of the Code) with respect to such building equal or exceed 15 percent of the portion of the cost of acquiring such building (and equipment) financed with Proceeds; and provided, further, that this limitation shall not apply with respect to any structure other than a building if rehabilitation expenditures with respect to such structure equal or exceed 100 percent of the portion of the cost of acquiring such structure financed with the proceeds of the Bonds.

Section 6.12. <u>Income Targeting</u>. The City hereby elects to have the Project meet the requirements of section 142(d)(1)(B) of the Code in that forty percent (40%) or more of the residential units in the Project shall be occupied by persons or families whose Adjusted Income (as defined in the Regulatory Agreement) is sixty percent (60%) or less of Median Income for the Area (as defined in the Regulatory Agreement), adjusted for household size. The City shall comply with the Regulatory Agreement.

Section 6.13. <u>Maintenance of Tax Exemption</u>. The City shall take all actions necessary to assure the exclusion of interest on the Tax-Exempt Bonds from the gross income of the owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Bonds.

### Section 6.14. <u>Immunities and Limitations of Responsibility of City</u>.

(a) The City shall be entitled to the advice of counsel (who, except as otherwise provided, may be counsel for any Bondholder), and the City shall be wholly protected as to action taken or omitted in good faith in reliance on such advice. The City may rely

conclusively on any communication or other document furnished to it hereunder and reasonably believed by it to be genuine. The City shall not be liable for any action (a) taken by it in good faith and reasonably believed by it to be within its discretion or powers hereunder, or (b) in good faith omitted to be taken by it because such action was reasonably believed to be beyond its discretion or powers hereunder, or (c) taken by it pursuant to any direction or instruction by which it is governed hereunder, or (d) omitted to be taken by it by reason of the lack of any direction or instruction required hereby for such action; nor shall it be responsible for the consequences of any error of judgment reasonably made by it. The City shall in no event be liable for the application or misapplication of funds or for other acts or defaults by any person, except its own officers and employees. When any payment or consent or other action by it is called for hereby, it may defer such action pending receipt of such evidence (if any) as it may require in support thereof. The City shall not be required to take any remedial action (other than the giving of notice) unless indemnity in a form acceptable to the City is furnished for any expense or liability to be incurred in connection with such remedial action, other than liability for failure to meet the standards set forth in this Section 6.14. The City shall be entitled to reimbursement from the Borrower for its expenses reasonably incurred or advances reasonably made, with interest at the rate of interest on the Bonds, in the exercise of its rights or the performance of its obligations hereunder, to the extent that it acts without previously obtaining indemnity. No permissive right or power to act which the City may have shall be construed as a requirement to act; and no delay in the exercise of a right or power shall affect its subsequent exercise of the right or power.

- (b) In furtherance of the covenants in Sections 6.05, 6.06, 6.07, 6.08, 6.09, 6.10, 6.11, 6.12, 6.13 and 6.14 hereof, the City and the Borrower shall execute, deliver and comply with the provisions of the Tax Certificate, which are by this reference incorporated into this Indenture and made a part of this Indenture as if set forth in this Indenture in full. In the event of a conflict between the terms of this Indenture and the Tax Certificate, the terms of the Tax Certificate shall control. In making the representations and agreements set forth in Sections 6.05, 6.06, 6.08, 6.09, 6.10, 6.11, 6.12, 6.13 and 6.14 hereof, the City is relying solely upon the representations and warranties of the Borrower in the Loan Agreement, in the Regulatory Agreement and in the Tax Certificate. A default by the Borrower in any of its covenants, representations and agreements in the Loan Agreement, Regulatory Agreement or Tax Certificate upon which the City is relying in the various sections of this Article VI shall not be considered a default hereunder by the City.
- (c) The Borrower has indemnified the City against certain acts and events as set forth in Section 8 of the Regulatory Agreement. Such indemnity shall survive payment of the Bonds and discharge of the Indenture.

## ARTICLE VII DEFAULT

Section 7.01. Events of Default; Acceleration; Waiver of Default. Each of the following events shall constitute an "Event of Default" hereunder:

(a) failure to pay interest on the Bonds when due;

- (b) failure to pay the principal of the Bonds on the date fixed for payment thereof, whether upon the maturity thereof or pursuant to Section 4.01 hereof; and
- (c) failure by the City to perform or observe any other of the covenants, agreements or conditions on its part in this Indenture or in the Bonds contained, and the continuation of such failure for a period of thirty (30) days after written notice thereof, specifying such default and requiring the same to be remedied, shall have been given to the City, the Borrower and the Trustee by the Bondowner.

No default specified in (c) above shall constitute an Event of Default unless the City or the Borrower shall have failed to correct such default within the applicable period; provided, however, that if the default shall be such that it cannot be corrected within such period, it shall not constitute an Event of Default if corrective action is instituted by the City or the Borrower within the applicable period and diligently pursued until the default is corrected; and provided, further, that the time elapsed until completion of corrective action shall not exceed sixty (60) days without the consent of the Bondowner, which consent shall not be unreasonably withheld. With regard to any alleged default concerning which notice is given to the Borrower under the provisions of (c) above, the City hereby grants the Borrower full authority for the account of the City to perform any covenant or obligation the non-performance of which is alleged in said notice to constitute a default in the name and stead of the City with full power to do any and all things and acts to the same extent that the City could do and perform any such things and acts and with power of substitution.

The Investor Limited Partner (as defined in the Borrower's partnership agreement) shall be entitled (but not obligated) to cure any Event of Default hereunder within the time frame provided to the Borrower hereunder. The Issuer and the Trustee agree that cure of any default or Event of Default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Following the occurrence of an Event of Default, the Bondowner may (i) by notice in writing to the Trustee, the City and the Borrower, declare the principal of all the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Bonds contained to the contrary notwithstanding, and/or (ii) pursue such other remedies as are permitted under applicable law. Upon any such declaration of acceleration, the Trustee, at the direction of the Bondowner, shall fix a date for payment of the Bonds.

The preceding paragraph, however, is subject to the condition that if, at any time after the principal of the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, there shall have been deposited with the Trustee a sum sufficient to pay all the principal of the Bonds matured or required to be redeemed prior to such declaration and all matured installments of interest (if any) upon all the Bonds, with interest on such overdue installments of principal, and the reasonable fees and expenses of the Trustee, its agents and counsel, and any and all other defaults actually known to a Responsible Officer of the Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the

Bondowner to be adequate shall have been made therefor, then the Bondowner, by written notice to the City and the Trustee, may rescind and annul such declaration and its consequences and waive such default; but no such rescission, annulment or waiver shall extend to or shall affect any subsequent default, or shall impair or exhaust any right or power consequent thereon.

Section 7.02. Institution of Legal Proceedings by Bondowner Representative. If one or more of the Events of Default shall occur, the Bondowner in its discretion may proceed to protect or enforce its rights as owner of the Bonds under the Act or under this Indenture, the Note and/or the Loan Agreement, by a suit in equity or action at law, either for the specific performance of any covenant or agreement contained herein or therein, or in aid of the execution of any power herein or therein granted, or by mandamus or other appropriate proceeding for the enforcement of any other legal or equitable remedy as the Bondowner shall deem most effectual in support of any of its rights or duties hereunder.

Section 7.03. Application of Moneys Collected by Bondowner or Trustee. Any moneys collected by the Bondowner or the Trustee pursuant to Section 7.02 shall be deposited with the Trustee and applied in the order following, at the date or dates fixed by the Bondowner with written notice to the Trustee and, in the case of distribution of such moneys on account of principal (or premium, if any) or interest, upon presentation of the Bonds and stamping thereon the payment, if only partially paid, and upon surrender thereof to the Trustee, if fully paid:

*First*: For payment of all amounts due to the Trustee under Section 8.06.

Second: For deposit in the Bond Fund to be applied to payment of the principal of all Bonds then due and unpaid and interest thereon with application as between principal and interest as the Bondowner shall determine in its sole discretion.

*Third*: For payment of all other amounts due from the Borrower to any person hereunder or under the Loan Agreement.

Fourth: To the Borrower.

Section 7.04. Effect of Delay or Omission to Pursue Remedy. No delay or omission of the Trustee or of any owner of the Bonds to exercise any right or power arising from any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every power and remedy given by this Article VII to the Trustee or to any owner of the Bonds may be exercised from time to time and as often as shall be deemed by the Bondowner to be expedient. In case the Bondowner shall have proceeded to enforce any right under this Indenture, and such proceedings shall have been discontinued or abandoned because of waiver or for any other reason, or shall have been determined adversely to the Bondowner, then and in every such case the City, the Trustee and the owner of the Bonds, severally and respectively, shall be restored to their former positions and rights hereunder in respect to the trust estate; and all remedies, rights and powers of the City, the Trustee and the owner of the Bonds shall continue as though no such proceedings had been taken.

Section 7.05. <u>Remedies Cumulative</u>. No remedy herein conferred upon or reserved to the Trustee or to any owner of the Bonds hereunder is intended to be exclusive of any other remedy,

but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity.

Section 7.06. Covenant to Pay Bonds in Event of Default. The City covenants that, upon the happening of any Event of Default, the City will pay to the Trustee upon demand, but only out of Revenues, for the benefit of the holders of the Bonds, the whole amount then due and payable thereon (by declaration or otherwise) for interest or for principal, or both, as the case may be, and all other sums which may be due hereunder or secured hereby, including reasonable compensation to the Trustee, its agents and counsel, and any expenses or liabilities incurred by the Trustee or the Bondowner hereunder. In case the City shall fail to pay the same forthwith upon such demand, the Trustee, at the written direction of the Bondowner, as trustee of an express trust, and upon being indemnified by the Bondowner to its satisfaction, shall be entitled to institute proceedings at law or in equity in any court of competent jurisdiction to recover judgment for the whole amount due and unpaid, together with costs and reasonable attorneys' fees, subject, however, to the condition that such judgment, if any, shall be limited to, and payable solely out of Revenues and any other assets pledged, transferred or assigned to the Trustee under Section 5.04 as herein provided and not otherwise. The Bondowner shall be entitled to recover such judgment as aforesaid, either before or after or during the pendency of any proceedings for the enforcement of this Indenture, and the right of the Bondowner to recover such judgment shall not be affected by the exercise of any other right, power or remedy for the enforcement of the provisions of this Indenture.

Section 7.07. <u>Appointment of Servicer</u>. The City and the Trustee acknowledge and agree that Bondowner shall have the right to appoint a servicer (the "Servicer") to service and administer the Loan and act as Bondowner's agent with respect to its interests, rights and obligations as set forth in the Construction Disbursement Agreement and other Loan Documents and with respect to the Bonds. The Bondowner shall deliver written notice of any such appointment to the City, the Trustee and the Borrower, together with notice of any and all rights and duties assigned and delegated by the Bondowner to the Servicer in connection therewith. The Bondowner may, in its sole discretion, terminate or replace the Servicer and shall deliver notice thereof to the City, the Trustee and the Borrower. Neither the City nor the Trustee shall be responsible for monitoring the performance of the Servicer or for any acts or omissions of the Servicer.

Section 7.08. Power of Bondowner to Control Proceedings. Notwithstanding any other provision of this Indenture, the Bondowner shall have exclusive control of the remedies set forth herein upon an Event of Default by the Borrower or the City. In the event that the Bondowner, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, it shall have full power, in the exercise of its sole discretion for the best interests of the holders of the Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action.

Section 7.09. <u>Limitation on Trustee's Right to Sue.</u> The Trustee shall not have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, except upon the written consent or direction of the Bondowner. The right of the owner of the Bonds to receive payment of the principal of (and premium, if any) and interest on such Bond out of Revenues, as herein and therein provided, on and after the respective due dates expressed in such Bond shall not be impaired or affected without the consent of the Bondowner, notwithstanding the foregoing or any other provision of this Indenture.

Section 7.10. <u>Limitation of Liability to Revenues</u>. Notwithstanding anything herein or in any other instrument to the contrary, the City shall not be required to advance any moneys derived from the proceeds of taxes collected by the City, by the State of California or by any political subdivision thereof or from any source of income of any of the foregoing other than the Revenues for any of the purposes mentioned in this Indenture, whether for the payment of the principal of or interest on the Bonds or for any other purpose of this Indenture. The Bonds are limited obligations of the City, and are payable from and secured by the Revenues only.

# ARTICLE VIII THE TRUSTEE AND AGENTS

Section 8.01. <u>Duties, Immunities and Liabilities of Trustee</u>. In consideration of the recitals hereinabove set forth and for other valuable consideration, the City hereby agrees to employ the Trustee to receive, hold, invest and disburse the moneys received pursuant to the Loan Agreement for credit to the various funds and accounts established by this Indenture; to execute, deliver and transfer the Bonds; and to apply and disburse the payments received from the Borrower pursuant to the Loan Agreement to the Owners of Bonds; and to perform certain other functions; all as herein provided and subject to the terms and conditions of this Indenture. The Trustee shall perform such duties and only such duties as are specifically set forth in this Indenture and no additional covenants or duties of the Trustee shall be implied in this Indenture.

The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as reasonable persons familiar with such matters would exercise or use under similar circumstances in the conduct of their own affairs.

No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action or its own negligent failure to act, except that:

- (a) The duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Trustee conforming to the requirements of this Indenture;
- (b) At all times (1) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or officers or by any agent or attorney of the Trustee appointed with due care unless (except as otherwise provided in Section 8.02(e)) the Trustee was negligent in ascertaining the pertinent facts; and (2) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the City, accompanied by an opinion of Bond Counsel as provided herein or in accordance with the directions of the holders of not less than a majority, or such other percentage as may be required hereunder, in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of

conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture;

- (c) The Trustee shall not be required to take notice or be deemed to have notice of (i) any default hereunder or under the Loan Agreement, except defaults under Section 7.01(a) or (b) hereof, unless a Responsible Officer of the Trustee shall be specifically notified in writing of such default by the City or the owners of at least a majority in aggregate principal amount of all Bonds then Outstanding, or (ii) any default under the Regulatory Agreement unless a Responsible Officer of the Trustee shall be specifically notified in writing of such default by the City;
- (d) Before taking any action under Article VII hereof or this Section 8.01 at the request or direction of the Bondholders, the Trustee may require that a satisfactory indemnity bond be furnished by the Bondholders, for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful misconduct in connection with any action so taken;
- (e) Upon any application or request by the City or the Bondowner to the Trustee to take any action under any provision of this Indenture, the City or Bondowner, as applicable, shall furnish to the Trustee a certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with, and an Opinion of Counsel stating that in the opinion of such counsel all such conditions precedent, if any, have been complied with, except that in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Indenture relating to such particular application or request, no additional certificate or opinion need be furnished;
- (f) The Trustee may execute any of the powers hereunder or perform any duties hereunder either directly or through agents or attorneys;
- (g) Neither the City nor the Borrower shall be deemed to be agents of the Trustee for any purpose, and the Trustee shall not be liable for any noncompliance of any of them in connection with their respective duties hereunder or in connection with the transactions contemplated hereby;
- (h) The Trustee shall be entitled to rely upon telephonic notice for all purposes whatsoever so long as the Trustee reasonably believes such telephonic notice has been given by a person authorized to give such notice;
- (i) The immunities extended to the Trustee also extend to its directors, officers and employees;
- (j) Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Bonds, it being the sole obligation of the Trustee to administer, for the benefit of the Bondholders, the various funds and accounts established hereunder:

- (k) No permissive power, right or remedy conferred upon the Trustee hereunder shall be construed to impose a duty to exercise such power, right or remedy;
- (l) The Trustee shall not be liable for any action taken or not taken by it in accordance with the direction of the Bondowner related to the exercise of any right, power or remedy available to the Trustee; and

- (b) If any property, other than cash, shall at any time be held by the Trustee subject to this Indenture, or any supplemental indenture, as security for the Bonds, the Trustee, if and to the extent authorized by a receivership, bankruptcy or other court of competent jurisdiction or by the instrument subjecting such property to the provisions of this Indenture as such security for the Bonds, shall be entitled to but not obligated to make advances for the purpose of preserving such property or of discharging tax liens or other prior liens or encumbrances thereon. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 8.07, the Trustee shall resign immediately in the manner and with the effect specified in Section 8.08(b) below.

If no qualified successor Trustee shall have been appointed and have accepted appointment within 45 days following giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or the Bondholder may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing and delivering to the City and its predecessor Trustee a written acceptance thereof, and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the written request of the City or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance, including a quitclaim deed, and further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trust and conditions herein

Section 8.10. <u>Paying Agents</u>. The Trustee, with the written approval of the City and the Bondowner, may appoint and at all times have one or more paying agents in such place or places as the Trustee may designate, for the payment of the principal of, and the interest (and premium, if any) on, the Bonds. It shall be the duty of the Trustee to make such arrangements with any such paying agent as may be necessary and feasible to assure, to the extent of the moneys held by the Trustee for such payment, the availability of funds for the prompt payment of the principal of and interest and premium, if any, on the Bonds presented at either place of payment. Upon receipt of the consent of the Bondowner thereto, the City and the Trustee may execute any such supplemental indenture, unless such supplemental indenture affects the rights or obligations of the Borrower or any general partner or limited partner of the Borrower hereunder or under the Loan Agreement or any other document, in which case the City and the Trustee may enter into such supplemental indenture only if they have received the Borrower's, or such general partner's or limited partner's, as applicable, written consent thereto.

Notwithstanding the foregoing, the City and the Trustee may make amendments to Exhibit D hereto at any time, without any requirement for the consent of the Bondowner thereto.

Section 9.02. <u>Effect of Supplemental Indenture</u>. Section 9.04. <u>Notation of Modification on Bonds</u>; <u>Preparation of New Bonds</u>. Bonds authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article IX may bear a notation, in form approved by the City as to any matter provided for in such supplemental indenture, and if such supplemental indenture shall so provide, new Bonds, so modified as to conform, in the opinion of the City, to any modification of this Indenture contained in any such supplemental indenture, may be prepared and executed by the City and authenticated by the Trustee and delivered without cost to the holders of the Bonds then Outstanding, upon surrender for cancellation of such Bonds in equal aggregate principal amounts.

The fees, expenses and charges of the Trustee (including reasonable counsel fees) must be paid in order to effect such discharge. The satisfaction and discharge of this Indenture shall be without prejudice to the rights of the Trustee to charge and be reimbursed by the Borrower for any expenditures which it may thereafter incur in connection herewith.

The City or the Borrower may at any time surrender to the Trustee for cancellation by it any Bonds previously authenticated and delivered which the City or the Borrower lawfully may have acquired in any manner whatsoever, and such Bonds upon such surrender and cancellation shall be deemed to be paid and retired.

In the event of the payment of any such moneys to the City as aforesaid, the holders of the Bonds in respect of which such moneys were deposited shall thereafter be deemed to be unsecured creditors of the City for amounts equivalent to the respective amounts deposited for the payment of such Bonds and so paid to the City (without interest thereon).

Section 11.08. Evidence of Rights of Bondholders. (a)Any request, consent or other instrument required by this Indenture to be signed and executed by Bondholders may be in any number of concurrent writings of substantially similar tenor and may be signed or executed by such Bondholders in person or by agent or agents duly appointed in writing. Proof of the execution of any such request, consent or other instrument or of a writing appointing any such agent, or of the ownership of any Bonds, shall be sufficient for any purpose of this Indenture and shall be conclusive in favor of the Trustee and of the City if made in the manner provided in this Section 11.08.

disregarded. Bonds so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this subsection (d) if the pledgee shall establish to the satisfaction of the Trustee and the City the pledgee's right to vote such Bonds and that the pledgee is not a person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the City or any other direct or indirect obligor on the Bonds. The actual unpaid principal hereof shall be equal to the funds advanced by the owners of the Bonds in respect of the purchase price thereof, less any portion of the principal hereof paid or redeemed pursuant to the Indenture. Capitalized terms used in this Bond and not defined herein shall have the meanings given such terms in the Indenture referenced below, or in the Note, dated as of [CLOSING DATE], made by Mercy Housing California 97, L.P., a California limited partnership (the "Borrower"), to the order of the City.

The Bonds shall bear interest, payable on each Interest Payment Date, at the same rate of interest as that of the Note (as such term and the other capitalized terms used in the following sentences of this paragraph are defined in the Indenture). In furtherance of the foregoing, the Bonds shall bear interest at the same rate as the Note. Notwithstanding the foregoing, upon the occurrence of an Event of Default hereunder or under the Loan Agreement, or the occurrence of an event of default under any of the other Loan Documents, the Bonds shall bear interest at the Default Rate (as defined below). Interest on the Bonds shall be computed, on the basis of a 360-day year and actual days elapsed.

This Bond shall bear interest from the date to which interest has been paid on this Bond next preceding the date of authentication hereof, unless this Bond is authenticated as of an Interest Payment Date for which interest has been paid, in which event it shall bear interest from such

Interest Payment Date, or unless it is authenticated on or before the first Interest Payment Date, in which event it shall bear interest from the Closing Date.

In the event the City fails to make the timely payment of any monthly payment, the City shall pay interest on the then Outstanding Balance at a default rate (the "Default Rate") equal to the interest rate then in effect under this Bond plus four percent (4%); provided, however, that such rate shall under no circumstances exceed the Maximum Rate.

This Bond is one of a duly authorized issue of bonds of the City designated as "City and County of San Francisco, California Multifamily Housing Revenue Bonds (600 7th Street Apartments), Series 2022B-1" (the "Bonds"), in the aggregate principal amount of up to \$[PRINCIPAL AMT B-1], authorized to be issued pursuant to and in accordance with Section 9.107 of the Charter of the City, Article I of Chapter 43 of the San Francisco Administrative Code of the City and, to the extent applicable, Chapter 7 of Part 5 of Division 31 of the California Health and Safety Code (collectively, the "Act"), and issued under and secured by an Indenture of Trust, dated as of [BOND DOCS DATE] (the "Indenture"), between the City and [TRUSTEE], as trustee (the "Trustee"). Reference is hereby made to the Indenture and all indentures supplemental thereto for a description of the rights thereunder of the owners of the Bonds, of the nature and extent of the security, of the rights, duties and immunities the Trustee, and of the rights and obligations of the City thereunder, to all of the provisions of which Indenture the holder of this Bond, by acceptance hereof, assents and agrees. The proceeds of the Bonds will be used to make a loan to the Borrower pursuant to a Loan Agreement, dated as of [BOND DOCS DATE] (the "Loan Agreement") between the City and the Borrower, and under the terms of a Construction Disbursement Agreement, dated as of [BOND DOCS DATE], between the Borrower and the owner of the Bonds, all in order to finance the construction of a residential rental project in the City.

NONE OF THE CITY, THE MEMBERS OF ITS BOARD OF SUPERVISORS, THE OFFICERS, OFFICIALS, EMPLOYEES, ATTORNEYS OR AGENTS OF THE CITY, OR ANY PERSON EXECUTING THE BONDS IS LIABLE PERSONALLY ON THE BONDS OR SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BY REASON OF THEIR ISSUANCE. THE BONDS ARE LIMITED OBLIGATIONS OF THE CITY, PAYABLE ONLY AS PROVIDED IN THE INDENTURE, AND ARE NOT A GENERAL OBLIGATION, NOR ARE THEY SECURED BY A PLEDGE OF THE FAITH AND CREDIT, OF THE CITY OR THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF, AND NEITHER ARE THEY LIABLE ON THE BONDS, NOR ARE THE BONDS PAYABLE OUT OF ANY FUNDS OR PROPERTIES OTHER THAN THOSE OF THE CITY EXPRESSLY PLEDGED FOR THE PAYMENT THEREOF UNDER THE INDENTURE. THE BONDS DO NOT CONSTITUTE **INDEBTEDNESS WITHIN** THE **MEANING** OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION. THE ISSUANCE OF THE BONDS SHALL NOT DIRECTLY OR INDIRECTLY OR CONTINGENTLY OBLIGATE THE CITY OR THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT.

NO RECOURSE SHALL BE HAD FOR THE PAYMENT OF THE PRINCIPAL OF OR PREMIUM OR INTEREST ON THIS BOND AGAINST ANY PAST, PRESENT OR FUTURE

OFFICER, OFFICIAL, DIRECTOR, EMPLOYEE, AGENT, OR MEMBER OF THE BOARD OF SUPERVISORS OF THE CITY, OR OF ANY SUCCESSOR THERETO, AS SUCH, EITHER DIRECTLY OR THROUGH THE CITY OR ANY SUCCESSOR TO THE CITY, UNDER ANY RULE OF LAW OR EQUITY, STATUTE OR CONSTITUTION OR BY THE ENFORCEMENT OF ANY ASSESSMENT OR PENALTY OR OTHERWISE, AND ALL SUCH LIABILITY OF ANY SUCH OFFICERS, OFFICIALS, DIRECTORS, EMPLOYEES, AGENTS OR MEMBERS, AS SUCH, IS HEREBY EXPRESSLY WAIVED AND RELEASED AS A CONDITION OF, AND CONSIDERATION FOR, THE EXECUTION AND ISSUANCE OF THIS BOND.

The Bonds are limited obligations of the City and, as and to the extent set forth in the Indenture, are payable solely from, and secured by a pledge of and lien on, the Revenues (as that term is defined in the Indenture), consisting primarily of amounts paid by the Borrower pursuant to the Loan Agreement.

The Bonds shall be subject to redemption prior to maturity, at a price and upon such terms as are provided in the Indenture. No notice of redemption of Bonds need be given to the registered owners of the Bonds, and the owner of this Bond, by acceptance hereof, expressly waives any requirement for any notice of redemption.

If an Event of Default, as defined in the Indenture, shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture.

This Bond is transferable by the registered owner hereof, in person, or by its attorney duly authorized in writing, at the Principal Office of the Trustee, but only in the manner, subject to the limitations (including those contained in Section 2.05(b) of the Indenture) and upon payment of the charges provided in the Indenture, and upon surrender and cancellation of this Bond. Upon such transfer a new, fully registered Bond will be issued to the transferee in exchange therefor. The City and the Trustee may treat the registered owner hereof as the absolute owner hereof for all purposes, and the City and the Trustee shall not be affected by any notice to the contrary.

The schedule of drawings attached as Exhibit A hereto shall be used by the Trustee to record the payment of the purchase price of the Bonds from time to time (such purchase price to be paid from time to time by the owners of the Bonds as provided in the Indenture), which shall evidence the principal amount of the Bonds purchased by the owners of the Bonds from time to time. The Trustee shall credit any advanced funds toward the purchase price of the Bonds on the schedule of drawings attached hereto as Exhibit A. The total amount outstanding under the Bonds may not exceed \$[PRINCIPAL AMT B-1] at any time and no portion of the purchase price therefor shall be accepted after the first to occur of (i) the Maturity Date (as defined in the Loan Agreement), or (ii) [\_\_\_\_\_\_].

The Indenture contains provisions permitting the City and the Trustee to execute supplemental indentures adding provisions to, or changing or eliminating any of the provisions of, the Indenture, subject to the limitations set forth in the Indenture.

The City hereby certifies that all of the conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of California (including the Act).

This Bond shall not be entitled to any benefit under the Indenture, or become valid or obligatory for any purpose, until the certificate of authentication hereon endorsed shall have been manually signed by the Trustee.

In the event of any conflict between the terms of this Bond and the terms of the Indenture, the terms of the Indenture shall control.

IN WITNESS WHEREOF, the City and County of San Francisco has caused this Bond to be executed in its name by the manual or facsimile signature of its Mayor as of the Closing Date.

The following provisions shall apply to this Indenture as if set forth in the body thereof. Capitalized terms used but not defined in this Exhibit D shall have the meanings given in the Indenture. As used herein, the Trustee shall be known as the "Obligated Party".

### 1. <u>Nondiscrimination; Penalties.</u>

- (a) Non Discrimination in Contracts. The Obligated Party shall comply with the provisions of Chapters 12B and 12C of the San Francisco Administrative Code. The Obligated Party shall incorporate by reference in any subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require any subcontractors to comply with such provisions. The Obligated Party is subject to the enforcement and penalty provisions in Chapters 12B and 12C.
- (b) Nondiscrimination in the Provision of Employee Benefits. San Francisco Administrative Code 12B.2. The Obligated Party does not as of the date of this Indenture, and will not during the term of this Indenture, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of employee benefits between employees with domestic partners and employees with spouses and/or between the domestic partners and spouses of such employees, subject to the conditions set forth in San Francisco Administrative Code Section 12B.2.
- (c) *Condition to Contract*. As a condition to the Indenture, the Obligated Party shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.
- 2. <u>MacBride Principles—Northern Ireland</u>. The provisions of San Francisco Administrative Code §12F are incorporated by this reference and made part of this Indenture. By entering into this Indenture, the Obligated Party confirms that it has read and understood that the City urges companies doing business in Northern Ireland to resolve employment inequities and to abide by the MacBride Principles, and urges San Francisco companies to do business with corporations that abide by the MacBride Principles.
- 3. <u>Tropical Hardwood and Virgin Redwood Ban</u>. Under San Francisco Environment Code Section 804(b), the City urges the Obligated Party not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.
- 4. <u>Alcohol and Drug-Free Workplace</u>. The City reserves the right to deny access to, or require the Obligated Party to remove from, City facilities personnel of such Obligated Party who the City has reasonable grounds to believe has engaged in alcohol abuse or illegal drug activity which in any way impairs the City's ability to maintain safe work facilities or to protect the health

and well-being of City employees and the general public. The City shall have the right of final approval for the entry or re-entry of any such person previously denied access to, or removed from, City facilities. Illegal drug activity means possessing, furnishing, selling, offering, purchasing, using or being under the influence of illegal drugs or other controlled substances for which the individual lacks a valid prescription. Alcohol abuse means possessing, furnishing, selling, offering, or using alcoholic beverages, or being under the influence of alcohol.

- 5. <u>Compliance with Americans with Disabilities Act</u>. The Obligated Party shall provide the services specified in the Agreement in a manner that complies with the Americans with Disabilities Act (ADA), including but not limited to Title II's program access requirements, and all other applicable federal, state and local disability rights legislation.
- 6. <u>Sunshine Ordinance</u>. The Obligated Party acknowledges that this Agreement and all records related to its formation, such Obligated Party's performance of services provided under the Agreement, and the City's payment are subject to the California Public Records Act, (California Government Code §6250 et. seq.), and the San Francisco Sunshine Ordinance, (San Francisco Administrative Code Chapter 67). Such records are subject to public inspection and copying unless exempt from disclosure under federal, state or local law.
- Limitations on Contributions. By executing this Agreement, the Obligated Party acknowledges that it is familiar with section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or the board of a state agency on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. The prohibition on contributions applies to each prospective party to the contract; each member of the Obligated Party's board of directors; the Obligated Party's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in such Obligated Party; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by such Obligated Party. The Obligated Party must inform each such person of the limitation on contributions imposed by Section 1.126 and provide the names of the persons required to be informed to City.
- 8. Requiring Minimum Compensation for Covered Employees. The Obligated Party shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12P. By entering into this Indenture, the Obligated Party certifies that it is in compliance with Chapter 12P.
- 9. <u>Requiring Health Benefits for Covered Employees</u>. The Obligated Party shall comply with San Francisco Administrative Code Chapter 12Q. The Obligated Party shall choose and perform one of the Health Care Accountability options set forth in San Francisco

Administrative Code Chapter 12Q.3. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12Q.

- 10. <u>Prohibition on Political Activity with City Funds</u>. In performing the services provided under the Indenture, the Obligated Party shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12G.
- 11. <u>Nondisclosure of Private, Proprietary or Confidential Information</u>. If this Agreement requires the City to disclose "Private Information" to the Obligated Party within the meaning of San Francisco Administrative Code Chapter 12M, the Obligated Party shall use such information consistent with the restrictions stated in Chapter 12M and in this Indenture and only as necessary in performing the services provided under the Indenture. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12M.

In the performance of services provided under the Indenture, the Obligated Party may have access to the City's proprietary or confidential information, the disclosure of which to third parties may damage the City. If the City discloses proprietary or confidential information to the Obligated Party, such information must be held by such Obligated Party in confidence and used only in performing the Indenture. The Obligated Party shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary or confidential information.

Obligated Party agrees to comply fully with and be bound by all of the provisions of Chapter 12T, "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code ("Chapter 12T"), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Indenture. The text of Chapter 12T is available on the web at http://sfgov.org/olse/fco. A partial listing of some of the Obligated Party's obligations under Chapter 12T is set forth in this Section. The Obligated Party is required to comply with all of the applicable provisions of Chapter 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Indenture shall have the meanings assigned to such terms in Chapter 12T.

The requirements of Chapter 12T shall only apply to the Obligated Party's operations to the extent those operations are in furtherance of the performance of this Indenture, shall apply only to applicants and employees who would be or are performing work in furtherance of this Indenture, and shall apply when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco which excludes City property. Chapter 12T shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

Under San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. - 16. <u>Assignment</u>. The services provided under the Indenture to be performed by the Obligated Party are personal in character and neither this Indenture nor any duties or obligations may be assigned or delegated by the Obligated Party unless first approved by the City by written instrument executed and approved in the same manner as this Indenture. Any purported assignment made in violation of this provision shall be null and void.
- 17. <u>Food Service Waste Reduction Requirements</u>. The Obligated Party shall comply with the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including but not limited to the provided remedies for noncompliance.
- 18. <u>Cooperative Drafting</u>. This Indenture has been drafted through a cooperative effort of the City and the Obligated Party, and all parties have had an opportunity to have the Indenture reviewed and revised by legal counsel. No party shall be considered the drafter of this Indenture, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Indenture.

### ARTICLE II REPRESENTATIONS AND WARRANTIES

- Section 2.1. <u>Representations and Warranties of the City</u>. The City represents, warrants and covenants that:
  - (a) The City is a municipal corporation, duly organized and validly existing under its charter and the constitution and laws of the State. Under the provisions of the Act, the City has the power to enter into the transactions on its part contemplated by this Loan Agreement, the Indenture and the Regulatory Agreement (collectively, the "City Documents") and to carry out its obligations hereunder and thereunder. The financing of the Project constitutes and will constitute a permissible public purpose under the Act. By proper action, the City has authorized the execution, delivery and due performance of its obligations under the City Documents.
  - (b) Neither the execution and delivery of the Bonds and the City Documents, nor the City's compliance with the terms, conditions or provisions on the part of the City in the Bonds and the City Documents, to the knowledge of the City without investigation, conflicts in any material respect with or results in a material breach of any of the terms, conditions or provisions of any constitution or statute of the State, or of any agreement, instrument, judgment, order or decree to which the City is now a party or by which it is bound or constitutes a material default by the City under any of the foregoing.
  - (c) The City has not created and will not create any debt, lien or charge upon the asset and monies explicitly pledged to the repayment of the Bonds under the Indenture, and has not made and will not make any pledge or assignment of or create any encumbrance thereon, other than the pledge and assignment thereof under the Indenture.
  - (d) The City has complied and will comply with all material provisions of the Act to be complied with by the City applicable to the Bonds and the transactions contemplated by this Loan Agreement and the other City Documents.
  - (e) The Bonds are being issued under the Indenture, and are secured by the Indenture pursuant to which the City's interest in this Loan Agreement (other than the Reserved Rights) is pledged and assigned to the Trustee. The City covenants that it has not

pledged and will not pledge or assign its interest in this Loan Agreement other than to the Trustee under the Indenture.

(f) No litigation or administrative action of any nature has been served on the City and is now pending (i) seeking to restrain or enjoin the execution and delivery of the Indenture, this Loan Agreement or the Regulatory Agreement, or in any manner questioning the proceedings or authority of the City relating thereto or otherwise affecting the validity of the Bonds, or (ii) challenging the existence or authority of the City or that of the members of the Board of Supervisors or its officers and, to the knowledge of the City, none of the foregoing are threatened.

The City makes no representation or warranty that the Project will be adequate or sufficient for the purposes of the Borrower. Nothing in this Loan Agreement shall be construed as requiring the Authority to provide any financing for the Project other than the proceeds of the Bonds.

- Section 2.2. <u>Representations, Warranties and Covenants of the Borrower</u>. The Borrower represents, warrants and covenants that:
  - (a) The Borrower is a California limited partnership, organized and existing under the laws of the State, is in good standing in the State, and has full legal right, power and authority under the laws of the United States of America and the State (i) to enter into this Loan Agreement and the other Loan Documents to which it is a party; (ii) to perform its obligations hereunder and thereunder; and (iii) to consummate the transactions on its part contemplated by the Loan Documents.
  - (b) Upon the execution and delivery thereof by the parties thereto, each of the Loan Documents to which it is a party will constitute valid and binding obligations of the Borrower, enforceable upon the Borrower in accordance with its respective terms, except as limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws or judicial decisions affecting creditors' rights generally and by judicial discretion in the exercise of equitable remedies.
  - (c) The execution and delivery of the Loan Documents to which it is a party, the performance by the Borrower of its obligations hereunder and thereunder and the consummation of the transactions contemplated hereby and thereby will not violate the Borrower's partnership agreement, or any law, regulation, rule or ordinance or any order, judgment or decree of any federal, state or local court and do not conflict with, or constitute a breach of, or a default under, any document, instrument or commitment to which the Borrower is a party or by which the Borrower or any of its property is bound.
  - (d) There is no action, suit, proceeding, inquiry or investigation by or before any court, governmental agency or public board or body pending or threatened against the Borrower which (i) affects or seeks to prohibit, restrain or enjoin the loaning of the amounts set forth herein to the Borrower or the execution and delivery of this Loan Agreement or the other Loan Documents, (ii) affects or questions the validity or enforceability of this Loan Agreement or the other Loan Documents, (iii) questions the power or authority of the Borrower to carry out the transactions on its part contemplated by, or to perform its

obligations under, this Loan Agreement and the other Loan Documents to which it is a party, or the powers of the Borrower to own, construct, equip or operate the Project.

- (e) The Borrower is not in default under any document, instrument or commitment to which the Borrower is a party or to which it or any of its property is subject which default would or could affect the ability of the Borrower to carry out its obligations under this Loan Agreement and the other Loan Documents.
- (f) Any certificate signed by an Authorized Borrower Representative and delivered pursuant to this Loan Agreement or the other Loan Documents shall be deemed a representation and warranty by the Borrower as to the statements made therein.
  - (g) The Project is located wholly within the City.
- (h) The Borrower will obtain all necessary certificates, approvals, permits and authorizations with respect to the construction and operation of the Project from applicable local governmental agencies and agencies of the State and the federal government.
- (i) The Borrower shall make no changes to the Project or to the operation thereof which would affect the qualification of the Project under the Act or impair the exclusion from gross income of the owners thereof for federal income tax purposes of the interest on the Bonds (other than a "substantial user" of the Project or a "related person," as such terms are used in Section 147(a) of the Code). The Borrower intends to utilize all of the units that comprise the Project as multifamily rental housing during the Qualified Project Period.
- (j) The Borrower covenants that, from the proceeds of the Bonds and investment earnings thereon, an amount not in excess of exceed two percent (2%) of the proceeds of the Bonds, will be used for costs of issuance of the Bonds, all within the meaning of section 147(g)(1) of the Code. For this purpose, if the fees of the original purchaser of the Bonds are retained as a discount on the purchase of the Bonds, such retention shall be deemed to be an expenditure of Proceeds of the Bonds for said fees.
- (k) The construction and operation of the Project in the manner presently contemplated and as described herein, in the Construction Disbursement Agreement and in the Regulatory Agreement will not conflict with any zoning, water or air pollution or other ordinance, order, law or regulation applicable thereto. The Borrower will cause the Project to be operated in all material respects in accordance with all applicable federal, state and local laws or ordinances (including rules and regulations) relating to zoning, building, safety and environmental quality.
- (l) The Borrower acknowledges, represents and warrants that it understands the nature and structure of the Project; that it is familiar with the provisions of all of the documents and instruments relating to the financing of the Project to which it is a party; that it understands the risks inherent in such transactions, including without limitation the risk of loss of the Project; and that it has not relied on the City for any guidance or expertise in analyzing the financial or other consequences of such financing transactions or otherwise

relied on the City in any manner except to issue the Bonds in order to provide funds to make the Loan.

- (m) The Borrower intends to hold the Project for its own account, has no current plans to sell (with the exception of an approximately 4,233 square foot commercial warm shell to be constructed on the site of the Project, with such improvements to be sold at a later date (the "Commercial Space"), and has not entered into any agreement to sell any of the units that comprise the Project. It is hereby acknowledged, however, that the Borrower's partnership agreement does refer to certain rights of one or more of its partners to acquire the Project, and for the possible acquisition of the Project following the fifteen-year tax credit compliance period as referenced in the Borrower's partnership agreement, and those provisions shall not result in a breach of this Section 2.2(m).
- (n) In the event the Loan proceeds are not sufficient to complete the construction and equipping of the Project and the payment of all Issuance Costs, the Borrower will furnish any additional moneys necessary to complete the acquisition, construction and equipping of the Project and pay all Issuance Costs.
- (o) With respect to the Tax-Exempt Bonds, all of the proceeds from the Loan plus the income from the investment of the proceeds of the Loan will be used to pay or reimburse the Borrower for Project Costs, and at least 97% of the proceeds of the Loan will be used to pay or reimburse the Borrower for Qualified Project Costs and less than 25% of such amount will be used to pay or reimburse the Borrower, directly or indirectly, for the cost of acquiring land or any interest therein. The Borrower shall assure that the proceeds of the Loan are expended so as to satisfy the requirements of section 142(d) of the Code relating to qualified residential rental projects.
- (p) The estimated total cost of the financing of the construction of the Project is equal to or in excess of the principal amount of the Loan.
- (q) The Borrower has not knowingly taken or permitted to be taken and will not knowingly take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on any of the Bonds to be included in the gross income of the owners thereof for purposes of federal income taxation (other than a "substantial user" of the Project or a "related person," as such terms are used in Section 147(a) of the Code).
- (r) The Borrower covenants that it shall not take, or knowingly permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Bonds which if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

Notwithstanding any other provision of this Loan Agreement, it is agreed and understood that in no event shall this Loan Agreement, with respect to the Note or other instrument of indebtedness, be construed as requiring the Borrower or any other person to pay interest and other costs or considerations that constitute interest under any applicable law which are contracted for, charged or received pursuant to this Loan Agreement in an amount in excess of the maximum amount of interest allowed under any applicable law.

In the event of any acceleration of the payment of the principal amount of the Note or other evidence of indebtedness, that portion of any interest payment in excess of the maximum legal rate of interest, if any, provided for in this Loan Agreement or related documents shall be cancelled automatically as of the date of such acceleration, or if theretofore paid, credited to the principal amount.

Section 6.12. <u>No Untrue Statements</u>. Neither this Loan Agreement nor any other document, certificate or statement furnished to the City, the Trustee or the Bondowner by or on behalf of the Borrower, contains to the best of the Borrower's knowledge any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein and therein not misleading or incomplete as of the date hereof. It is specifically understood by Borrower that all such statements, representations and warranties shall be deemed to have been relied upon by the City as an inducement to make the Loan, and by the Bondowner as an inducement to buy the Bonds, and that if any such statements, representations and warranties were materially incorrect at the time they were made, the City may consider any such misrepresentation or breach an Event of Default.

Section 6.13. <u>Insurance</u>. - (b) The Borrower covenants and agrees that it will not (i) use or permit the use of any of the funds provided by the City hereunder or any other funds of the Borrower, directly or indirectly, in such manner as would, or (ii) take or omit to take any other action that would, in each case cause the Tax-Exempt Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.
- (c) In the event that at any time the Borrower is of the opinion or becomes otherwise aware that for purposes of this Section 6.14 it is necessary to restrict or to limit the yield on the investment of any moneys held under the Indenture or under the

- (d) The Borrower will take such action or actions as may be reasonably necessary in the opinion of Bond Counsel, or of which it otherwise becomes aware, to fully comply with Section 148 of the Code as applicable to the Tax-Exempt Bonds.

- (f) The Borrower further warrants and covenants that it has not executed and will not execute any other agreement, or any amendment or supplement to any other agreement, with provisions contradictory to, or in opposition to, the provisions, of this Loan Agreement and of the Regulatory Agreement, and that in any event, the requirements of this Loan Agreement and the Regulatory Agreement are paramount and controlling as to the rights and obligations herein set forth and supersede any other requirements in conflict herewith and therewith.
- (g) The Borrower will use due diligence to complete the acquisition and construction of all of the units comprising the Project and reasonably expects to fully expend the entire \$[PRINCIPAL AMT B-1] authorized principal amount of the Loan by [October 1, 2025][NTD: To confirm internally this isn't too far out; more than 3 years.]
- (h) The Borrower will take such action or actions as necessary to ensure compliance with Sections 2.2(j), (o), (p), (q) and (r) hereof.
- (i) The Borrower shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Tax-Exempt Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code. The Borrower will make timely payment of any rebate amount due to the federal government by reason of Section 148(f) of the Code, as applicable to the Tax-Exempt Bonds.

requesting that it be remedied, given to the Borrower by the City or the Bondowner; provided, however, that in the event such breach or failure be such that it can be corrected but cannot be corrected within said 30-day period, the same shall not constitute an Event of Default hereunder if corrective action is instituted by the Borrower or on behalf of the Borrower within said 30-day period, is diligently pursued to completion thereafter and in any event is cured within 90 days after the initial notice of such failure is given to Borrower (provided, however, that, notwithstanding the foregoing, to the extent that a lesser or greater cure period is set forth in any Loan Document, the foregoing 30-day cure period shall not apply and such lesser or greater cure period shall govern and control with respect to defaults occurring thereunder); or

- (i) Any failure by the Borrower to pay at maturity, or within any applicable period of grace, any Indebtedness, or any failure to observe or perform any material term, covenant or agreement contained in any agreement by which it is bound, evidencing or securing any Indebtedness, for such period of time as would permit (assuming the giving of appropriate notice if required) the holder or holders thereof or of any obligations issued thereunder to accelerate the maturity thereof; or
- (j) The Borrower or its general partner (each an "Obligor" and collectively the "Obligors") shall file a voluntary petition in bankruptcy under Title 11 of the United States Code, or an order for relief shall be issued against any such Obligor in any involuntary petition in bankruptcy under Title 11 of the United States Code, or any such Obligor shall file any petition or answer seeking or acquiescing in any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief for itself under any present or future federal, state or other law or regulation relating to bankruptcy, insolvency or other relief of debtors, or such Obligor shall seek or consent to or acquiesce in the appointment of any custodian, trustee, receiver, conservator or liquidator of such Obligor, or of all or any substantial part of its respective property, or such Obligor shall make an assignment for the benefit of creditors, or such Obligor shall give notice to any

- (m) Any of the Loan Documents shall be canceled, terminated, revoked or rescinded otherwise than in accordance with the terms thereof or with the express prior written consent of the Bondowner (in its sole and absolute discretion), or any action at law, suit in equity or other legal proceeding to cancel, revoke or rescind any of the Loan Documents shall be commenced by or on behalf of any Obligor which is a party thereto, or any of their respective stockholders, partners or beneficiaries, or any court or any other governmental or regulatory authority or agency of competent jurisdiction shall make a determination that, or issue a judgment, order, decree or ruling to the effect that, any one or more of the Loan Documents is illegal, invalid or unenforceable in accordance with the terms thereof.

### Section 7.2. Remedies on Default.

  - (i) by notice in writing to the Borrower, declare the entire unpaid indebtedness under the Note and the other Loan Documents to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable; and
  - (ii) take whatever action at law or in equity or under any of the Loan Documents, as may appear necessary or desirable to Bondowner to collect the payments and other amounts then due and thereafter to become due hereunder or under the Note, and/or to exercise any right or remedy or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement, the Note or any other Loan Document.

- (b) Any amounts collected pursuant to action taken under this Section 7.2 (other than amounts collected by the City pursuant to the Reserved Rights) shall, after the payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the City, the Trustee or the Bondowner and their respective counsel, be paid into the Bond Fund (unless otherwise provided in this Loan Agreement) and applied in accordance with the provisions of the Indenture. No action taken pursuant to this Section 7.2 shall relieve the Borrower from the Borrower's obligations pursuant to Section 6.14 hereof.
- Section 7.3. No Remedy Exclusive. No remedy conferred herein or in any other Loan Document upon or reserved to the City or Bondowner is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement and each other Loan Document, or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Bondowner to exercise any remedy reserved to it herein or in any other Loan Document, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.
- Section 7.4. <u>Attorneys' Fees and Expenses</u>. If an Event of Default occurs and if the City, the Trustee or the Bondowner should employ attorneys or incur expenses for the enforcement of any obligation or agreement of the Borrower contained herein, the Borrower on demand will pay to the City, the Trustee and/or the Bondowner the reasonable fees of such attorneys and the reasonable expenses so incurred, including court appeals.
- Section 7.5. <u>City Exercise of Remedies</u>. - Section 7.6. <u>No Additional Waiver Implied by One Waiver</u>. In the event any agreement or covenant contained in this Loan Agreement should be breached by the Borrower and thereafter waived by the City or the Bondowner, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder including any other breach of the same agreement or covenant.

Section 7.7. <u>Limited Partner Cure Right</u>. Notwithstanding anything contained in this Article VII to the contrary, the City agrees that any cure of any default made or tendered by the limited partner of the Borrower shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

## CITY AND COUNTY OF SAN FRANCISCO MANDATORY CONTRACTING PROVISIONS

The following provisions shall apply to this Loan Agreement as if set forth in the text hereof. Capitalized terms used but not defined in this Exhibit shall have the meanings given in this Loan Agreement. As used herein, the Borrower shall be known as the "Obligated Party".

## 1. Nondiscrimination; Penalties.

- (a) Non Discrimination in Contracts. The Obligated Party shall comply with the provisions of Chapters 12B and 12C of the San Francisco Administrative Code. The Obligated Party shall incorporate by reference in any subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require any subcontractors to comply with such provisions. The Obligated Party is subject to the enforcement and penalty provisions in Chapters 12B and 12C.
- (b) Nondiscrimination in the Provision of Employee Benefits. San Francisco Administrative Code 12B.2. The Obligated Party does not as of the date of this Loan Agreement, and will not during the term of this Loan Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of employee benefits between employees with domestic partners and employees with spouses and/or between the domestic partners and spouses of such employees, subject to the conditions set forth in San Francisco Administrative Code Section 12B.2.
- (c) *Condition to Contract*. As a condition to the Loan Agreement, the Obligated Party shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.
- 2. <u>MacBride Principles—Northern Ireland</u>. The provisions of San Francisco Administrative Code §12F are incorporated by this reference and made part of this Loan Agreement. By entering into this Loan Agreement, the Obligated Party confirms that it has read and understood that the City urges companies doing business in Northern Ireland to resolve employment inequities and to abide by the MacBride Principles, and urges San Francisco companies to do business with corporations that abide by the MacBride Principles.
- 3. <u>Tropical Hardwood and Virgin Redwood Ban</u>. Under San Francisco Environment Code Section 804(b), the City urges the Obligated Party not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.
- 4. <u>Alcohol and Drug-Free Workplace</u>. The City reserves the right to deny access to, or require the Obligated Party to remove from, City facilities personnel of such Obligated Party who the City has reasonable grounds to believe has engaged in alcohol abuse or illegal drug activity which in any way impairs the City's ability to maintain safe work facilities or to protect the health

and well-being of City employees and the general public. The City shall have the right of final approval for the entry or re-entry of any such person previously denied access to, or removed from, City facilities. Illegal drug activity means possessing, furnishing, selling, offering, purchasing, using or being under the influence of illegal drugs or other controlled substances for which the individual lacks a valid prescription. Alcohol abuse means possessing, furnishing, selling, offering, or using alcoholic beverages, or being under the influence of alcohol.

- 5. <u>Compliance with Americans with Disabilities Act</u>. The Obligated Party shall provide the services specified in the Agreement in a manner that complies with the Americans with Disabilities Act (ADA), including but not limited to Title II's program access requirements, and all other applicable federal, state and local disability rights legislation.
- 6. <u>Sunshine Ordinance</u>. The Obligated Party acknowledges that this Agreement and all records related to its formation, such Obligated Party's performance of services provided under the Agreement, and the City's payment are subject to the California Public Records Act, (California Government Code §6250 et. seq.), and the San Francisco Sunshine Ordinance, (San Francisco Administrative Code Chapter 67). Such records are subject to public inspection and copying unless exempt from disclosure under federal, state or local law.
- Limitations on Contributions. By executing this Agreement, the Obligated Party acknowledges that it is familiar with section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or the board of a state agency on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. The prohibition on contributions applies to each prospective party to the contract; each member of the Obligated Party's board of directors; the Obligated Party's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in such Obligated Party; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by such Obligated Party. The Obligated Party must inform each such person of the limitation on contributions imposed by Section 1.126 and provide the names of the persons required to be informed to City.
- 8. Requiring Minimum Compensation for Covered Employees. The Obligated Party shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12P. By entering into this Loan Agreement, the Obligated Party certifies that it is in compliance with Chapter 12P.
- 9. <u>Requiring Health Benefits for Covered Employees</u>. The Obligated Party shall comply with San Francisco Administrative Code Chapter 12Q. The Obligated Party shall choose and perform one of the Health Care Accountability options set forth in San Francisco

Administrative Code Chapter 12Q.3. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12Q.

- 10. <u>Prohibition on Political Activity with City Funds</u>. In performing the services provided under the Loan Agreement, the Obligated Party shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Agreement from being expended to participate in, support, or attempt to influence any\_political campaign for a candidate or for a ballot measure. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12G.
- 11. <u>Nondisclosure of Private, Proprietary or Confidential Information</u>. If this Agreement requires the City to disclose "Private Information" to the Obligated Party within the meaning of San Francisco Administrative Code Chapter 12M, the Obligated Party shall use such information consistent with the restrictions stated in Chapter 12M and in this Loan Agreement and only as necessary in performing the services provided under the Loan Agreement. The Obligated Party is subject to the enforcement and penalty provisions in Chapter 12M.

In the performance of services provided under the Loan Agreement, the Obligated Party may have access to the City's proprietary or confidential information, the disclosure of which to third parties may damage the City. If the City discloses proprietary or confidential information to the Obligated Party, such information must be held by such Obligated Party in confidence and used only in performing the Loan Agreement. The Obligated Party shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary or confidential information.

12. Consideration of Criminal History in Hiring and Employment Decisions. The Obligated Party agrees to comply fully with and be bound by all of the provisions of Chapter 12T, "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code ("Chapter 12T"), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Loan Agreement. The text of Chapter 12T is available on the web at <a href="http://sfgov.org/olse/fco">http://sfgov.org/olse/fco</a>. A partial listing of some of the Obligated Party's obligations under Chapter 12T is set forth in this Section. The Obligated Party is required to comply with all of the applicable provisions of Chapter 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Loan Agreement shall have the meanings assigned to such terms in Chapter 12T.

The requirements of Chapter 12T shall only apply to the Obligated Party's operations to the extent those operations are in furtherance of the performance of this Loan Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Loan Agreement, and shall apply when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco which excludes City property. Chapter 12T shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

## 13. Reserved.

Under San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. - 16. <u>Assignment</u>. The services provided under the Loan Agreement to be performed by the Obligated Party are personal in character and neither this Loan Agreement nor any duties or obligations may be assigned or delegated by the Obligated Party unless first approved by the City by written instrument executed and approved in the same manner as this Loan Agreement. Any purported assignment made in violation of this provision shall be null and void.
- 17. <u>Food Service Waste Reduction Requirements</u>. The Obligated Party shall comply with the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including but not limited to the provided remedies for noncompliance.

This Loan Agreement has been drafted through a cooperative effort of the City and the Obligated Party, and all parties have had an opportunity to have the Loan Agreement reviewed and revised by legal counsel. No party shall be considered the drafter of this Loan Agreement, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Loan Agreement.
- 19. <u>Laws Incorporated by Reference</u>. The full text of the laws listed in this Exhibit, including enforcement and penalty provisions, are incorporated into this Loan Agreement by reference. - (g) No residential dwelling unit in the Project shall be occupied by the Owner. Notwithstanding the foregoing, if any building in the Project contains five (5) or more residential dwelling units, this subsection shall not be construed to prohibit occupancy of residential dwelling units by one or more resident managers or maintenance personnel any of whom may be the

Owner; provided that the number of such managers or maintenance personnel is not unreasonable given industry standards in the area for the number of residential dwelling units in the Project.

- (h) The Owner shall not discriminate on the basis of race, creed, religion, color, sex, source of income (e.g., TANF, Section 8 or SSI), physical disability (including HIV/AIDS), age, national origin, ancestry, marital or domestic partner status, sexual preference or gender identity in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the acquisition, construction, operation and management of the Project, except to the extent required hereby.
- (i) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Regulations be caused by fire, seizure, requisition, foreclosure, transfer of title by assignment of the leasehold interest in the Project in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the City from enforcing the requirements of the Code and the Regulations, or condemnation or similar event, the Owner covenants that, within a "reasonable period" determined in accordance with the Regulations, it will either prepay the Bonds or, if permitted under the provisions of the Security Instrument and the Indenture, apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.
- (j) The Owner agrees to maintain the Project, or cause the Project to be maintained, during the term of this Regulatory Agreement (i) in a reasonably safe condition and (ii) in good repair and in good operating condition, ordinary wear and tear excepted, making from time to time all necessary repairs thereto and renewals and replacements thereof such that the Project shall be in substantially the same condition at all times as the condition it is in at the time of the completion of the acquisition and construction of the Project with the proceeds of the Bonds. Notwithstanding the foregoing, the Owner's obligation to repair or rebuild the Project in the event of casualty or condemnation shall be subject to the terms of the Loan Agreement and the Security Instrument.
- (k) The Project will have and continue to have two hundred twenty-one (221) residential dwelling units, one (1) of which will be a manager's unit.
- (l) The Owner agrees that it shall at all times comply with the terms of the Ground Lease between it and the City and County of San Francisco, dated as of \_\_\_\_\_, pursuant to which the City has leased the Site to the Owner.
  - (m) The Owner will not sell dwelling units within the Project.
- 4. <u>Restricted Units</u>. The Owner hereby represents, as of the date hereof, and warrants, covenants and agrees with respect to the Project as follows:
- (a) <u>Income and Rent Restrictions</u>. In addition to the requirements of Section 5, hereof, the Project shall comply with the income and rent restrictions of this Section 4(a), and any conflict or overlap between any two (2) or more of such provisions shall be resolved in favor of the most restrictive of such provisions, that is in favor of the one that has the lowest income and rent restrictions.

- (i) <u>Income Restrictions Pursuant to the Code.</u> Pursuant to the requirements of Section 142(d) of the Code, for the Qualified Project Period, not less than forty percent (40%) of the total number of completed units in the Project (excluding the manager's unit), or eighty-eight (88) units (the "142(d) Units"), shall be designated as affordable units and during the Qualified Project Period shall be rented to and continuously occupied by Tenants whose Adjusted Income does not exceed sixty percent (60%) of the Median Income for the Area; provided, however, if all the occupants of a unit are students (as defined under Section 152(f)(2) of the Code), no one of whom is entitled to file a joint return under Section 6013 of the Code who fail to be described in Section 42(i)(3)(D) of the Code, such occupants shall not be Qualified Tenants pursuant to this sentence.
- <u>Very Low Income Units</u>. One hundred and forty-three (143) units, excluding the manager's unit, in the Project shall be rented to and continuously occupied by households who qualify as Very Low-Income Tenants, such one hundred and forty-three units being inclusive of the eighty-eight 142(d) Units as described in Section 4(a)(i) above, provided however that at least forty-one (41) units in the Project may be rented to and continuously occupied by households who qualify as Low-Income Tenants. The monthly rent charged for all the Very Low Income Units shall not exceed one-twelfth of the amount obtained by multiplying 30% times 50% of the lower of the City Median Income or the Median Income for the Area less the utility allowance. Notwithstanding the foregoing, the rent restrictions above may be altered, but only to the extent necessary for the Project to refinance and repay the full outstanding loan balance of the MOHCD Loan by its maturity date (which is at least 55 years from the date of this Agreement (the "Maturity Date")), as determined in the City's reasonable discretion, as follows: One hundred percent (100%) of the units in the Project must at all times be occupied by Qualified Tenants whose Adjusted Income does not exceed sixty percent (60%) of the Median Income for the Area as determined by TCAC, and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of sixty percent (60%) of the Median Income for the Area as determined by TCAC (b) less utility allowance. The maximum initial occupancy income level restrictions when averaged for all units in the Project may not exceed sixty percent (60%) of the Median Income for the Area as determined by TCAC and shall be subject to any applicable regulatory agreement, restrictive covenant, or other encumbrance. In such event, Owner will provide the City with a written request no less than one year prior to the Maturity Date, and the City will use good faith efforts to meet with Owner within fifteen (15) days after Owner's request to meet. To the extent financially feasible, as mutually determined by the Owner and City, any such rent increase will be limited to (or will be first implemented with) any vacant units.
- (iii) <u>Additional MOHCD Restrictions</u>. In addition to the above paragraph (a)(ii), all Restricted Units shall at all times be occupied, or held vacant and available for rental, as required by the Declarations of Restrictions and Affordable Housing Covenants, dated as of \_\_\_\_\_\_, 2022, by and between the Owner and the City, except where otherwise expressly restricted or prohibited by any CDLAC Requirements.
- (iv) <u>Income and Rent Restrictions Pursuant to the Housing Law.</u> Pursuant to the requirements of Section 52080(a)(1)(B) of the Housing Law, for the Qualified Project Period, not less than forty percent (40%) of the total number of completed units in the Project, (excluding the manager's unit), or eighty-eight (88) units, shall be designated as affordable units and during the Qualified Project Period shall be rented to and continuously

occupied by Tenants whose Adjusted Income does not exceed sixty percent (60%) of the Median Income for the Area; provided, however, that if all the occupants of a unit are students (as defined under Section 152(f)(2) of the Code), no one of whom is entitled to file a joint return under Section 6013 of the Code or who failed to be described in Section 42(i)(3)(D), such occupants shall not be Qualified Tenants pursuant to this sentence. Pursuant to the requirements of Section 52080(a)(1)(B) of the Housing Law, the monthly rent charged for such units shall not exceed one-twelfth of the amount obtained by multiplying 30% times 60% of the Median Income for the Area (excluding any supplemental rental assistance from the State, the Federal government, or any other public agency to those occupants or on behalf of those units). The Owner shall satisfy the requirements of this Section 4(a)(iv) by complying with the requirements of Subsection 4(a)(i) and Subsection 4(a)(ii), as applicable, to the extent such compliance meets the requirements of Section 52080(a)(1)(B) of the Housing Law.

- (v) <u>CDLAC Requirements.</u> To the extent the income and rent restrictions contained in the CDLAC Requirements are more restrictive, the Owner shall comply with the CDLAC Requirements.
- Income and Rent Restrictions in Event of Loss of Subsidy. If any (vi) Section 8 rental subsidy related to the Project is terminated or substantially reduced, the occupancy and rent restrictions set forth in Subsections 4(a)(i) and (ii) may be altered, but only to the minimum extent required for the financial feasibility of the Project, as determined by the City in its reasonable discretion in accordance with substantially similar underwriting criteria used by the City to evaluate the Project's financial feasibility prior to the Closing Date, provided that, in any event, one hundred percent (100%) of the units formerly under the Section 8 Contract, as applicable, must at all times be occupied by Qualified Tenants whose Adjusted Income does not exceed eighty percent (80%) of Median Income and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of eighty percent (80%) of Median Income, and provided, further, the Owner first obtains and delivers to the Trustee and the City an opinion of Bond Counsel, acceptable to the City in its sole discretion, to the effect that such alteration would not adversely affect any exclusion of interest on the Tax-Exempt Bonds from gross income for federal tax purposes. To the extent financially feasible, as mutually determined by the Parties, any such rent increase will be limited to (or will be first implemented with) any vacant units. In such event, the City shall use good faith efforts to meet with Owner, within fifteen (15) business days after Owner's written request to meet, in order to determine the amount of any rent increase. The relief provided by this section shall not be construed as authorizing the Owner to exceed any income or rent restrictions imposed on the Project by CDLAC, CTCAC or other agreements, and the Owner represents and warrants that it shall have obtained any necessary approvals or relief from any other applicable income and rent limitations prior to implementing the relief provided by this Section.
- (b) Over-Income Tenants. Notwithstanding the foregoing provisions of Section 4(a), no Tenant qualifying as a Tenant upon initial occupancy shall be denied continued occupancy of a Restricted Unit in the Project because, after admission, the aggregate Adjusted Income of all Tenants in the Restricted Unit increases to exceed the qualifying limit for such Restricted Unit. If, as of the date of issuance of the Bonds (i.e. the Closing Date), the Project, at least ten percent (10%) of the units in the Project are Available Units at all times during the date beginning on the Closing Date through the date that is sixty (60) days after the Closing Date, the

Project shall have a transition period of twelve (12) months, beginning on the Closing Date and ending on the date that is twelve (12) months after the Closing Date, to comply with the set-aside requirements under Section 142(d)(1)(B) of the Code as more fully set forth in Revenue Procedure 2004-39.

Following the end of such transition period, should the aggregate Adjusted Income of Tenants in a Restricted Unit, as of the most recent determination thereof, exceed one hundred forty percent (140%) of the applicable income limit for such Restricted Unit occupied by the same number of Tenants, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) a Low Income Tenant or a Very Low Income Tenant, as applicable. The unit occupied by such Tenants whose aggregate Adjusted Income exceeds such applicable income limit shall continue to be treated as occupied by a Low Income Tenant or a Very Low Income Tenant, as applicable, for purposes of the requirements of Section 4(a) hereof unless and until an Available Unit of comparable or smaller size is rented to persons other than Low Income Tenants or Very Low Income Tenants, as applicable. Moreover, a unit previously occupied by a Low Income Tenant or a Very Low Income Tenant, as applicable, and then vacated shall be considered occupied by a Low Income Tenant or a Very Low Income Tenant, as applicable, until reoccupied, other than a reoccupation for a temporary period, at which time the character of the unit shall be re-determined. In no event shall such temporary period exceed thirty-one (31) days. Because all of the units (except the manager's unit) in the Project are required by the City to be Restricted Units pursuant to Subsection 4(a), hereof, each next available unit must be rented to or held vacant for a Low Income Tenant or a Very Low Income Tenant, as applicable.

- (c) <u>Income Certifications</u>. The Owner will obtain, complete and maintain on file Income Certifications for each Tenant (i) immediately prior to the initial occupancy of a Restricted Unit by such Tenant, and (ii) thereafter, annually, in each case in the form attached hereto as <u>Exhibit B</u>, together with such information, documentation and certifications as are required therein or by the City, in its discretion, to substantiate the Tenant's income. In addition, the Owner will provide such further information as may be required in the future by the State, the City (on a reasonable basis), the Program Administrator and by the Act, Section 142(d) of the Code or the Regulations, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code.
- (d) <u>Certificate of Continuing Program Compliance</u>. Upon the commencement of the Qualified Project Period, and on each [June] 1st thereafter (or such other date as shall be requested in writing by the City or the Program Administrator) during the term of this Regulatory Agreement, the Owner shall advise the Program Administrator of the status of the occupancy of the Project by delivering to the Program Administrator (with a copy to the Trustee) a Certificate of Continuing Program Compliance (in the form of that which is attached hereto as <u>Exhibit D</u>). The Owner shall also timely provide to the City such information as is requested by the City to comply with any reporting requirements applicable to it with respect to the Bonds or the Project under any federal or State law or regulation, including without limitation, CDLAC regulations (Division 9.5 of Title 4 of the California Code of Regulations).

- (e) <u>Recordkeeping</u>. The Owner will maintain complete and accurate records pertaining to the Restricted Units, and will permit any duly authorized representative of the City, the Program Administrator (if other than the City), the Trustee, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Owner pertaining to the Project upon reasonable notice during normal business hours, including those records pertaining to the occupancy of the Restricted Units, but specifically excluding any material which may be legally privileged.
- (f) Annual Certification to Secretary of Treasury. The Owner shall submit to the Secretary of the Treasury annually on or before March 31 of each year, or such other date as is required by the Secretary of the Treasury, a completed Internal Revenue Service Form 8703, and shall provide a copy of each such form to the Program Administrator and the Trustee. Failure to comply with the provisions of this Subsection will subject the Owner to penalty, as provided in Section 6652(j) of the Code.
- Lease Provisions Regarding Income Certification Reliance. All leases pertaining to Restricted Units do and shall contain clauses, among others, wherein each Tenant who occupies a Restricted Unit: (1) certifies the accuracy of the statements made in the Income Certification Form, (2) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such Tenant, that such Tenant will comply promptly with all requests for information with respect thereto from the Owner or the Program Administrator on behalf of the City, and that the failure to provide accurate information in the Income Certification Form or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such Tenant; (3) acknowledges that the Owner has relied on the Income Certification Form and supporting information supplied by the Tenant in determining qualification for occupancy of the Restricted Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; and (4) agrees that the Tenant's income is subject to annual certification in accordance with Subsection 4(c) hereof and that failure to cooperate with the annual recertification process reasonably instituted by the Owner pursuant to Subsection 4(d) above may provide grounds for termination of the lease.
- (h) <u>Maintenance of Tenant Lists and Applications</u>. All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business which is unrelated to the Project and shall be maintained, as required from time to time by the Program Administrator on behalf of the City, in a reasonable condition for proper audit and subject to examination during normal business hours by representatives of the Project, the City or the Trustee. Failure to keep such lists and applications or to make them available to the City or the Trustee shall be a default hereunder.
- (i) <u>Tenant Lease Subordination</u>. All tenant leases or rental agreements shall be subordinate to this Regulatory Agreement.
- (j) <u>No Encumbrance, Demolition or Non-Rental Residential Use</u>. The Owner shall not take any of the following actions:

- (i) Except for the Permitted Encumbrances or as otherwise previously approved by the City, encumber any portion of the Project or grant commercial leases or subleases of any part thereof, or permit the conveyance, transfer or encumbrance of any part of the Project (except for apartment leases), except (a) pursuant to the provisions of this Regulatory Agreement and on a basis subordinate to the provisions of this Regulatory Agreement, to the extent applicable, (b) upon receipt by the Owner, the Trustee and the City of an opinion of Bond Counsel that such action will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Bonds, or (c) upon a sale, transfer or other disposition of the Project in accordance with the terms of this Regulatory Agreement;
- (ii) demolish any part of the Project or substantially subtract from any real or personal property of the Project (other than in the ordinary course of business); or
- (iii) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.
- (k) <u>Compliance with Regulatory Agreement</u>. The Owner shall exercise reasonable diligence to comply, or cause compliance, with the requirements of this Regulatory Agreement and shall notify the City within fifteen (15) days and correct any noncompliance within sixty (60) days after such noncompliance is first discovered or would have been discovered by the exercise of reasonable diligence, unless such noncompliance is not reasonably susceptible to correction within sixty (60) days and, in the opinion of Bond Counsel acceptable to the City, in its sole discretion, such noncompliance would not have an adverse effect on any exclusion of interest on the Tax-Exempt Bonds from gross income for federal income tax purposes, in which event the Owner shall have such additional time as the City determines to be reasonably necessary to effect such correction provided the Owner has commenced such correction after discovery, is diligently prosecuting such correction and is keeping the City updated on the progress.

## 5. Additional Requirements of the City.

- (a) <u>Minimum Lease Term.</u> The term of the lease for any Restricted Unit shall be not less than one (1) year.
- (b) <u>Limitation on Rent Increases</u>. Annual rent increases on a Restricted Unit shall be limited to the percentage of the annual increase in the lower of the City Median Income or Median Income for the Area, as applicable, for that Unit. Rent increases which are permitted but not made in a given year may not be carried forward and made in any subsequent year.
- (c) <u>Appointment of Program Administrator</u>. The Owner acknowledges that the City may appoint a Program Administrator (other than the City), at the sole cost and expense of the City, to administer this Regulatory Agreement and to monitor performance by the Owner of the terms, provisions and requirements hereof. In such event, the Owner shall comply with any reasonable request by the City and the Program Administrator to deliver to any such Program Administrator, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection during normal business hours with reasonable notice by the Program Administrator as an agent of the City. The City may change the Program

Administrator at its sole and exclusive discretion. The Owner shall have the right to rely on any consent or direction given by the Program Administrator on the same basis as if given by the City.

(d) <u>Management Agent</u>. The Owner shall not enter into any agreement providing for the management or operation of the Project with any party other than Mercy Housing Management Group without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed.

## (e) <u>Preference in City Affordable Housing Programs.</u>

- (i) <u>Certificate of Preference Program</u>. To the fullest extent permitted by law, the Owner shall comply with the City's Certificate of Preference Program pursuant to San Francisco Administrative Code Section 24.8 and attached Exhibit J, to the extent such compliance is not in conflict with any other requirements imposed on the Project pursuant to Section 142(d) of the Code, the Act, the CDLAC Resolution of CTCAC.
- (ii) Other Preferences in City Affordable Housing Programs. To the fullest extent permitted by law, the Owner shall comply with San Francisco Administrative Code Section 47.1, et seq. and the Operational Rules attached hereto as Exhibit J, to the extent such compliance is not in conflict with any other requirements imposed on the Project pursuant to Sections 42 and 142(d) of the Code, the Act, the CDLAC Resolution, CTCAC requirements or other applicable Federal or State law.
- Nondiscrimination Based on Section 8, Household Size, or Source of Income. The Owner shall accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, or any successor program or similar federal State or local governmental assistance program. The Owner shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants and the Owner shall not refuse to rent to any tenant on the basis of household size as long as such household size does not exceed two (2) persons for a studio unit; three (3) persons for a one-bedroom unit; five (5) persons for a two-bedroom unit and seven (7) persons for a three-bedroom unit. The Owner shall not collect any additional fees or payments from such a tenant except security deposits or other deposits required of all tenants. The Owner shall not collect security deposits or other deposits from Section 8 certificate or voucher holders in excess of that allowed under the Section 8 program. The Owner shall not discriminate against tenant applicants on the basis of legal source of income (e.g., TANF, Section 8 or SSI), and the Owner shall consider a prospective tenant's previous rent history of at least one year as evidence of the ability to pay the applicable rent (i.e., ability to pay shall be demonstrated if such a tenant can show that the same percentage or more of the tenant's income has been consistently paid on time for rent in the past as will be required to be paid for the rent applicable to the unit to be occupied, provided that such tenant's expenses have not increased materially). Further, Owner shall comply with all notice provisions set forth in the Housing Act prior to terminating any lease to which any Tenant is a party. The Owner acknowledges that (i) federal notice requirements under the Housing Act are distinct from those under State law or City law and the Owner shall comply with all federal, State and local laws in connection with any such notice requirements, and (ii) compliance with the law of one jurisdiction shall not be deemed compliance with the laws of all jurisdictions.

- Notwithstanding the provisions of Subsection 4(b), from and after the expiration of the Qualified Project Period, in the event that Owner's certification of the Tenant's income, pursuant to Subsection 4(c), indicates that the Tenant's income exceeds one hundred twenty percent (120%) of the lower of the City Median Income or of the Median Income for the Area, the Owner shall terminate such lease upon one hundred twenty (120) days prior written notice to the Tenant, and the lease for each Restricted Unit shall contain a statement to the foregoing effect. Notwithstanding the foregoing, the Owner shall not be required to terminate the Tenant's lease if any regulation or statute governing the Project or the financing thereof prohibits the termination of the Tenant's lease in this manner.
- (h) <u>Consideration for Restrictions</u>. It is hereby acknowledged and agreed that any restrictions imposed on the operation of the Project herein and which are in addition to those imposed pursuant to Section 142(d) of the Code or the Act are voluntarily agreed to by the Owner such additional restrictions in consideration of the financial assistance from the City and an allocation of private activity bond volume cap from CDLAC.
- (i) Amendment or Waiver by City; Conflicting Provisions. The requirements of Subsection 4(a)(i), Subsection 4(a)(ii) and of Section 5 hereof may be amended, modified or waived (but not increased or made more onerous), at the City's sole discretion, by written amendment signed by the City and the Owner, or expressly waived by the City in writing, but no such waiver by the City shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the City and the Trustee have received an opinion of Bond Counsel to the effect that any such provision is not required by the Code or the Act and may be waived without adversely affecting the Tax-Exempt status of interest on the Tax-Exempt Bonds. Any requirement of Subsection 4(a)(i), Subsection 4(a)(ii) or Section 5 shall be void and of no force and effect if the City, the Trustee and the Owner receive a written opinion of Bond Counsel to the effect that compliance with such requirement would be in conflict with the Act or any other applicable state or federal law.
- (j) Extension of Qualified Project Period. Notwithstanding any other provision herein, the Qualified Project Period shall not expire earlier than, and the requirements of this Section 5 shall be in effect until the later of (i) the date that is seventy-five (75) years from the Closing Date or (ii) the end of the Life of the Project, provided, however, that if the Life of the Project is less than 75 years due to casualty, then the term of the Life of the Project controls; provided that certain provisions of this Section 5 shall survive and remain in full force and effect following the end of the Qualified Project Period, as specified in Section 11 hereof.
- (k) <u>Marketing and Tenant Selection Plan</u>. Owner will market the Restricted Units in accordance with the marketing and tenant selection plan approved by the City, which shall be substantially in the form referred to in <u>Exhibit K</u>, as may be updated by the City from time to time.
- (l) <u>Annual Reporting</u>. Owner must file with the City annual reports (the "Annual Monitoring Report") no later than one hundred twenty (120) days after the end of Owner's fiscal year. The Annual Monitoring Report must be in substantially the form referenced in <u>Exhibit I</u>, as may be updated by the City from time to time. Thereafter and for the remainder

of the Life of the Project, the Owner shall maintain sufficient records of the information generally requested in the Annual Monitoring Report.

- 6. <u>Additional Requirements of State Law</u>. In addition to the requirements set forth herein, pursuant to Section 52080 of the Housing Law, the Owner hereby agrees that it shall also comply with each of the following requirements, in each case, for the Term of this Regulatory Agreement, including the following:
- (a) Tenants Under Section 8 of the Housing Act. The Owner shall accept as tenants, on the same basis as all other prospective tenants, low-income persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, and shall not permit any selection criteria to be applied to Section 8 certificate or voucher holders that is more burdensome than the criteria applied to all other prospective tenants.
- (b) <u>Availability on Priority Basis</u>. The Restricted Units shall remain available on a priority basis for occupancy at all times by Qualified Tenants.
- (c) <u>Binding Covenants and Conditions</u>. The covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Owner.
- (d) <u>Recordation of Regulatory Agreement</u>. This Regulatory Agreement shall be recorded in the office of the county recorder of the City and County of San Francisco, California, and shall be recorded in the grantor-grantee index under the names of the Owner as grantor and to the name of the City as grantee.
- (e) Restricted Income Units of Comparable Quality. The Restricted Units shall be of comparable quality and offer a range of sizes and number of bedrooms comparable to those units which are available to other tenants and shall be distributed throughout the Project. Notwithstanding the foregoing, the parties agree that this Section 6(e) shall have no practical effect because one hundred percent (100%) of the units in the Project are required to be Restricted Units pursuant to Section 4(a).
- (f) Availability Following Expiration of Qualified Project Period. Following the expiration or termination of the Qualified Project Period, except in the event of foreclosure and redemption of the Bonds, assignment of the leasehold interest in the Project in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, units reserved for occupancy as required by Subsection 4(a)(v) shall remain available to any eligible Tenant occupying a Restricted Unit at the date of such expiration or termination, at the rent determined by Subsection 4(a)(v), until the earliest of (1) the household's income exceeds 140% of the maximum eligible income specified therein, (2) the household voluntarily moves or is evicted for good cause, as defined in the Housing Act, (3) the Owner pays the relocation assistance and benefits to households if, and as, required by Section 7264(b) of the California Government Code, and (4) seventy-five (75) years after the date of the Commencement of the Qualified Project Periods.
- (g) <u>Availability Preceding Expiration of Qualified Project Period</u>. During the three (3) years prior to the expiration of the Qualified Project Period, the Owner shall continue to

make available to eligible households Restricted Units that have been vacated to the same extent that non-Restricted Units, if any, are made available to non-eligible households.

- (h) <u>Notice and Other Requirements</u>. The Owner shall comply with all applicable requirements of Section 65863.10 of the California Government Code, including the requirements for providing notices in Sections (b), (c), (d) and (e) thereof, and shall comply with all applicable requirements of Section 65863.11 of the California Government Code.
- Syndication of the Project. As provided in Section 52080(e) of the Housing Law, the City hereby approves the syndication of tax credits with respect to the Project, pursuant to Section 42 of the Code, to the Investor Limited Partner, or any affiliate thereof or successor thereto, pursuant to the terms of the Partnership Agreement. Any syndication of tax credits with respect to the Project to an affiliate of the Investor Limited Partner shall not require the prior written approval of the City if the Partnership Agreement will not be amended, modified or supplemented in connection with such syndication except to reflect such transfer of limited partnership interests; provided, however, that the Owner shall provide to the City, at least five (5) business days prior to the effective date of any such syndication, written notice of such syndication certifying that no other amendment, modification or supplement to the Partnership Agreement will be effected in connection with such syndication, together with copies of any assignments of limited partnership interests and any other syndication documents. Any other syndication of the Project shall be subject to the prior written approval of the Director of the Mayor's Office of Housing and Community Development of the City, which approval shall be granted only after the City determines that the terms and conditions of such syndication (1) shall not reduce or limit any of the requirements of the Act or regulations adopted or documents executed pursuant to the Act, (2) shall not cause any of the requirements of the City set forth in this Section 6 hereof to be subordinated to the syndication agreement, and (3) shall not result in the provision of fewer Restricted Units, or the reduction of any benefits or services, than were in existence prior to the syndication agreement.
- Indemnification. The Owner hereby releases the City (which includes MOHCD), 7. the Trustee and the Lender and their respective officers, members, directors, officials and employees from, and covenants and agrees, to the fullest extent permitted by law, to indemnify, hold harmless and defend the City, the Trustee and the officers, members, directors, officials, agents and employees of each of them (collectively, the "Indemnified Parties," and each an "Indemnified Party") from and against any and all claims, losses, costs, damages, demands, expenses, taxes, suits, judgments, actions and liabilities of whatever nature, joint and several (including, without limitation, costs of investigation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments), directly or indirectly (a) by or on behalf of any person arising from any cause whatsoever in connection with transactions contemplated hereby or otherwise in connection with the Project, the issuance, sale, transfer or resale of the Bonds, including any securitization thereof, any cancellation of the Bonds and any assignment or transfer of the Loan Documents, or the execution or amendment of any document relating thereto; (b) arising from any cause whatsoever in connection with the approval of financing for the Project or the making of the Loan or otherwise, including without limitation, any advances of the Loan, or any failure by the Lender, as defined in the Indenture, to make any advance thereunder; (c) arising from any act or omission of the Owner or any of its agents, servants, employees or licensees, in connection with the Loan or the Project; (d) arising in

connection with the issuance and sale, resale or reissuance of any bonds, including any secondary market transaction with respect thereto, or any certifications or representations made by any person other than the City or the party seeking indemnification in connection therewith and the carrying out by the Owner of any of the transactions contemplated by the Indenture, the Loan Agreement and this Regulatory Agreement; (e) arising in connection with the operation and management of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation, or construction of, the Project or any part thereof; and (f) arising out of or in connection with the exercise by the City, the Lender, or the Trustee of their powers or duties under the Indenture, the Loan Agreement, this Regulatory Agreement or any other agreements in connection therewith to which either of them is a party or assignee; provided, however, that this provision shall not require the Owner to indemnify (i) the Lender from any claims, costs, fees, expenses or liabilities arising from the negligence or willful misconduct of the Lender, or (ii) the City for any claims, costs, fees, expenses or liabilities arising solely from the willful misconduct of the City. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Owner, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the engagement of counsel selected by the Indemnified Party; and the Owner shall assume the payment of all reasonable fees and expenses related thereto (provided however that if the Indemnified Party is the City, the selection of the counsel rests in the sole discretion of the City Attorney and the Owner shall assume the payment of all attorneys' fees and expenses related thereto), with full power to litigate, compromise or settle the same in its discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Notwithstanding the foregoing, no indemnification obligation shall give rise to an obligation to pay principal and interest on the Loan, which is not otherwise set forth in the Indenture, the Loan Agreement, the Bonds or any other agreement relating to the Bonds.

Additionally, the Owner also shall, to the fullest extent permitted by law, pay and discharge and shall indemnify and hold harmless the City and the Lender from (i) any lien or charge upon payments by the Owner to the City and the Lender hereunder and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges, are sought to be imposed, the City or the Lender shall give prompt notice to the Owner, and the Owner shall have the sole right and duty to assume, and will assume, the defense thereof, including the engagement of counsel approved by the Indemnified Party in, and the payments of all reasonable fees and expenses related thereto (provided that if the Indemnified Party is the City, the selection of counsel rests in the sole discretion of the City Attorney) and the Owner shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. If a potential conflict exists between the Owner's defense and the interests of an Indemnified Party, then such Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Owner shall pay the reasonable fees and expenses (and in the case of the City, all such fees and expenses) of such separate counsel.

Notwithstanding any transfer of the Project to another Owner in accordance with the provisions of Section 10 of this Regulatory Agreement, the Owner shall remain obligated to indemnify the City pursuant to this Section 7 if such subsequent Owner fails to so indemnify the City, unless at the time of transfer the City has consented to the transfer to the extent such consent is required hereunder.

The provisions of this Section 7 shall survive the term of the Bonds and this Regulatory Agreement, including termination of this Regulatory Agreement pursuant to the second paragraph of Section 11 hereof and the earlier removal or resignation of the Trustee.

The obligations of the Owner under this Section are independent of any other contractual obligation of the Owner to provide indemnity to the Indemnified Parties or otherwise, and the obligation of the Owner to provide indemnity hereunder shall not be interpreted, construed or limited in light of any other separate indemnification obligation of the Owner. The Indemnified Parties shall be entitled simultaneously to seek indemnity under this Section and any other provision under which they are entitled to indemnification.

In addition thereto, the Owner will pay upon demand all of the fees and expenses paid or incurred by the Indemnified Parties in enforcing the provisions hereof.

- 8. <u>Consideration</u>. The City has issued the Bonds and made the Loan to provide funds for the purpose of financing the Project, all for the purpose, among others, of inducing the Owner to acquire, Construct, equip and operate the Project. In consideration of the making of the Loan by the City, the Owner has entered into this Regulatory Agreement and has agreed to restrict the use of the Project on the terms and conditions set forth herein.
- 9. <u>Reliance</u>. The City and the Owner hereby recognize and agree that the representations, warranties, covenants and agreements set forth herein may be relied upon by all persons interested in the legality and validity of the Bonds, and in the Tax-Exempt status of the interest on the Tax-Exempt Bonds. In performing its duties and obligations hereunder, the City may rely upon statements and certificates of the Owner and the Tenants, and upon audits of the books and records of the Owner pertaining to the Project. In addition, the City may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the City hereunder in good faith and in conformity with such opinion.
- 10. <u>Sale or Transfer of the Project</u>. The Owner intends to hold the Project for its own account, has no current plans to sell, transfer or otherwise dispose of the Project (except in accordance with the Right of First Refusal (as defined in the Partnership Agreement), and, except as otherwise provided herein, hereby covenants and agrees not to sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder and/or pursuant to the aforementioned Right of First Refusal) or interest therein, including any interest in the Owner, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld, and receipt by the City of (i) evidence satisfactory to the City that the Owner's Lender or transferee has assumed in writing and in full, the Owner's duties and obligations under this Regulatory Agreement, (ii) an opinion of counsel of the transferee that the transferee has duly assumed the obligations of the Owner under this Regulatory

Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) evidence acceptable to the City that either (A) the Lender or assignee has experience in the ownership, operation and management of rental housing projects in the City such as the Project without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects, or (B) the Lender or assignee agrees to retain a property management firm with the experience and record described in subparagraph (A) above or (C) if the Lender or assignee does not have management experience, the City may cause the Program Administrator to provide on-site training in program compliance if the City determines such training is necessary, (iv) evidence satisfactory to the City that no event of default exists under this Regulatory Agreement, the Loan Agreement or any document related to the Loan, and payment of all fees and expenses of the City and the Trustee due under any of such documents is current, and (v) an opinion of Bond Counsel to the effect that such transfer will not, in itself, cause interest on the Tax-Exempt Bonds to become includable in the gross income of the recipients thereof for federal income tax purposes except to the extent held by a "substantial user" of the Project or a "related person" within the meaning of Section 147(a) of the Code. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 10 shall be null, void and without effect, shall cause a reversion of title to the Owner, and shall be ineffective to relieve the Owner of its obligations under this Regulatory Agreement. Nothing in this Section 10 shall affect any provision of any other document or instrument between the Owner and any other party which requires the Owner to obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the Project. Not less than 60 days prior to consummating any sale, transfer or disposition of any interest in the Project, the Owner shall deliver to the City a notice in writing explaining the nature of the proposed transfer and providing relevant information regarding the proposed transfer.

Notwithstanding the foregoing, the provisions of this Section 10 shall not apply to the granting of the Mortgage or transfer of all or any portion of (a) the limited partner interest of the Investor Limited Partner in the Owner (which is instead subject to paragraph (i) of Section 6, (b) the General Partner interest to an affiliate of the General Partner or Investor Limited Partner if Investor Limited Partner has removed and replaced the General Partner for cause pursuant to the Partnership Agreement, or (c) the transfer of any non-managing member or limited partner interest in the Investor Limited Partner.

11. <u>Term.</u> Subject to the following paragraph of this Section 11, Section 7 hereof and to any other provision expressly agreed herein to survive the termination of this Regulatory Agreement, this Regulatory Agreement and all of the terms hereof shall become effective upon its execution and delivery and shall remain in full force and effect until the later of (a) the end of the Qualified Project Period or (b) seventy-five (75) years after the date on which at least fifty percent (50%) of the units in the Project are first occupied.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement shall terminate and be of no further force and effect in the event of (i) involuntary noncompliance with the provisions of this Regulatory Agreement caused by events such as fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date, which prevents the City from enforcing such provisions, or (ii) foreclosure, exercise of power of sale, transfer of title by assignment of the leasehold interest in the Project in lieu of foreclosure, or condemnation or a similar event, but only if, in case of the events described in either clause (i) or

(ii) above, within a reasonable period, either the Bonds are paid in full or cancelled or amounts received as a consequence of such event are used to provide a project that meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure, exercise of power of sale, or the delivery of an assignment of leasehold interest in the Project in lieu of foreclosure or a similar event, the Owner or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Owner hereby agrees that, following any foreclosure, exercise of power of sale, transfer of title by assignment of the leasehold interest in the Project in lieu of foreclosure or similar event, neither the Owner nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. Notwithstanding any other provisions of this Regulatory Agreement to the contrary, this entire Regulatory Agreement, or any of the provisions or sections hereof, may be terminated upon agreement by the City and the Owner subject to compliance with any of the provisions contained in this Regulatory Agreement only if there shall have been received by the City an opinion of Bond Counsel that such termination will not adversely affect the Tax-Exempt status of the interest on the Tax-Exempt Bonds or the exemption from State personal income taxation of the interest on the Bonds. The Owner shall provide written notice of any termination of this Regulatory Agreement to the City in the event of the occurrence of any of the events described in clause (i) above.

Upon the expiration or termination of this Regulatory Agreement, or certain terms hereof, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge said expired or terminated terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

- 12. Covenants to Run with the Land. The Owner hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Owner's successors in title to the Project; provided, however, that on the expiration or termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire except those terms which are expressly intended to survive expiration or termination. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. No breach of any of the provisions of this Regulatory Agreement shall defeat or render invalid the lien of a mortgage made in good faith and for value encumbering the Site.
- 13. <u>Burden and Benefit</u>. The City and the Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Owner's legal interest in the Project is rendered less valuable thereby. The City and the Owner hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants and Very Low Income Tenants, the intended beneficiaries of such covenants,

reservations and restrictions, and by furthering the public purposes for which the Bonds were issued.

- 14. <u>Uniformity; Common Plan</u>. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Site.
- 15. <u>Enforcement.</u> If the Owner defaults in the performance or observance of any covenant, agreement or obligation of the Owner set forth in this Regulatory Agreement, and if such default remains uncured for a period of sixty (60) days (the "Cure Period")after written notice thereof shall have been given by the City to the Owner and the Investor Limited Partner (and a copy of such notice shall also be given to the Trustee, provided however that the failure of the City to provide such copy to the Trustee shall have no effect on the sufficiency of the notice to the Owner), the City may, as its sole option, extend the Cure Period (provided, however, that the City may at its sole option extend such period if the default is of the nature which would reasonably require more than 60 days to cure <u>and</u> if the Owner provides the City, if requested by the City, with an opinion of Bond Counsel to the effect that such extension will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Bonds). Upon the expiration of the Cure Period, as the same may be extended, then the City may declare an "event of default" to have occurred hereunder, and, subject to the provisions of the Indenture, may take any one or more of the following steps:
- (a) by mandamus or other suit, action or proceeding at law or in equity, require the Owner to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder; or
- (b) have access to and inspect, examine and make copies of all of the books and records of the Owner pertaining to the Project or the Project; or
- (c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Owner hereunder.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, the City agrees that any cure of any default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

- 16. Recording and Filing. The Owner shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the City and County of San Francisco, California and in such other places as the City may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording. Additionally, upon the date of conveyance of the Commercial Space to a new owner, the Regulatory Agreement will be modified such that the Commercial Space will be considered automatically released from this Regulatory Agreement, without any additional actions required to be taken.
- 17. <u>Payment of Fees</u>. The Owner shall pay to the City, or to the Trustee at the direction of the City, (i) on the Closing Date, an initial issuance fee (the "Issuance Fee") equal to one

Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Indenture and/or the Loan Agreement, the Owner shall continue to pay the City's Annual Fee as calculated and described above. Upon the occurrence of an event of default hereunder, the Owner shall continue to pay to the City compensation for any services rendered by it hereunder and reimbursement for all expenses incurred by it in connection therewith.

In case any action at law or in equity, including an action for declaratory relief, is brought against the Owner to enforce the provisions of this Regulatory Agreement, the Owner agrees to pay reasonable attorney's fees and other reasonable expenses incurred by the City, the Lender, the Trustee, CDLAC and/or the Program Administrator in connection with such action.

Notwithstanding any other provision of this Section, the Issuance Fee and the Annual Fee described in this Section are intended to constitute the Issuance Fee and the Annual Fee for the entirety of the Bonds and all five scattered sites of the Project. Notwithstanding the duplicate fee payment obligations contained in Section 17 of the other four regulatory agreements described in recital D hereof, the Owner shall only be liable for the payment of the Issuance Fee and the Annual Fee under one such regulatory agreement, without duplication of payment, and any such Issuance Fee or Annual Fee payment under any such regulatory agreement shall be deemed to be credited against the corresponding Issuance Fee and/or Annual Fee obligation due under the other four such regulatory agreements.

- 18. <u>Governing Law</u>. This Regulatory Agreement shall be governed by the laws of the State of California.
- 19. Amendments. To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the City, the Trustee and the Owner, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement which must be complied with in order to maintain the Tax-Exempt status of interest on the Tax-Exempt Bonds, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements. Otherwise, this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, with the consent of the Bondowner, as defined in the Indenture, and duly recorded in the real property records of the City and County of San Francisco, California, provided that any amendment to the CDLAC Requirements shall also be subject to the consent of CDLAC, and provided further, that any amendment to Sections 3 and 4 thereof shall require an opinion of Bond Counsel filed with the City, the Trustee, the Lender and the Owner, to the effect that such amendment will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Bonds.

- 20. <u>City Contracting Provisions</u>. The Owner covenants and agrees to comply with the provisions set forth in <u>Exhibit H</u> to this Regulatory Agreement, which is incorporated in and made a part of this Regulatory Agreement by this reference.
- 21. <u>Notice</u>. All notices, certificates or other communications shall be sufficiently given and shall be deemed given on the date personally delivered or on the second day following the date on which the same have been mailed by first class mail, postage prepaid or the business day following delivery by a recognized overnight delivery service, addressed as follows:

- 22. <u>Interpretation</u>. The parties to this Regulatory Agreement acknowledge that each party and their respective counsel have participated in the drafting of this Regulatory Agreement. Accordingly, the parties agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Regulatory Agreement or any supplement or exhibit hereto.
- 23. <u>Severability</u>. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

- 24. <u>Multiple Counterparts</u>. This Regulatory Agreement may be executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.
- 25. Third-Party Beneficiaries. The parties to the Regulatory Agreement recognize and agree that the terms of this Regulatory Agreement and the enforcement of those terms are entered into for the benefit of various parties, including CDLAC. The parties hereto acknowledge that each of the Lender and Owner is a third party beneficiary of this Regulatory Agreement. CDLAC shall accordingly have contractual rights in this Regulatory Agreement and shall be entitled (but not obligated) to enforce, in accordance with Section 15 hereof, the terms hereof and the terms of the CDLAC Resolution. In addition, CDLAC is intended to be and shall be a third-party beneficiary of this Regulatory Agreement. Notwithstanding the above, CDLAC shall be entitled solely to enforce the terms of the CDLAC Resolution, and any enforcement of the terms and provisions of the CDLAC Resolution by CDLAC shall not adversely affect the interests of the Lender, and shall otherwise be subject to the terms, conditions and limitations otherwise applicable to the enforcement of remedies under this Regulatory Agreement. Pursuant to Section 52080(k) of the Housing Law, the provisions of Subsection 4(a)(v) hereof may be enforced either in law or in equity by any resident, local agency, entity, or by any other person adversely affected by the Owner's failure to comply with that Section.
- 26. <u>CDLAC Requirements</u>. In addition to the other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 2 through 6 hereof, the Owner hereby agrees: i) to comply with the CDLAC Resolution; ii) that the acquisition, construction and operation of the Project, of which the Project is a part thereof, and the financing thereof, is and shall be in compliance with the conditions set forth in Exhibit A ("CDLAC Requirements") to CDLAC Resolution No. 21-288 adopted on December 8, 2021, attached hereto as <u>Exhibit F</u> (the "CDLAC Resolution"), which CDLAC Requirements are incorporated herein by this reference; and iii) that the Owner will cooperate fully with the City in connection with the City's monitoring and reporting requirements as provided herein.

After the Tax-Exempt Bonds are issued and delivered, the terms and conditions set forth in the CDLAC Resolution shall be enforceable by CDLAC (or in its sole discretion the City) through an action for specific performance or any other available remedy. In addition, after the Bonds are issued, a) changes to Items #1, #6, #7, #10 thru #12, #14 thru #16, #18 thru #26, and #37 of the CDLAC Requirements require CDLAC's Committee or Executive Director's approval (or as otherwise required by CDLAC); and b) items #2, #13, #17, #27, and #39 thru #41 of the CDLAC Requirements cannot be altered. Changes to Items #3 thru #5 of the CDLAC Requirements require no CDLAC Committee or Executive Director's approval but any alterations must be reported to CDLAC staff for the affordability period. Changes to Items #8 and #9 of the CDLAC Requirements require no CDLAC notification and changes to Items #28 thru #36 and #38 of the CDLAC Requirements require CDLAC Committee or Executive Director's approval only prior to the Project being Placed in Service by the CTCAC.

Compliance with the terms of the CDLAC Requirements not specifically set forth in this Regulatory Agreement are the responsibility of the Owner to report to the City.

In addition to its obligations to CDLAC, set forth in the CDLAC Requirements, annually, on February 1<sup>st</sup>, until construction of the Project has been completed and the Owner has submitted to the City the Certificate of Completion, and thereafter on February 1<sup>st</sup> every three years, the Owner shall prepare and submit to the City a Certificate of Compliance II in substantially the form attached hereto as Exhibit G (or as otherwise required by CDLAC), executed by an Authorized Owner Representative.

Any of the foregoing requirements of CDLAC contained in this Section 26 may be expressly waived by CDLAC, in its sole discretion, in writing, but (i) no waiver of CDLAC of any requirement of this Section 26 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement, except to the extent that the City has received an opinion of Tax Counsel that any such provision is not required by the Act or the Code and may be waived without adversely affecting the Tax-Exempt status of interest on the Tax-Exempt Bonds for federal income tax purposes; and (ii) any requirement of this Section 26 shall be void and of no force and effect if the City and the Owner receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Tax-Exempt Bonds to cease to be Tax-Exempt or to the effect that any compliance with such requirement would be in conflict with the Act, the Code or any other state or federal law.

#### 27. California Debt and Investment Advisory Commission Reporting Requirements.

No later than January 31 of each calendar year (commencing January 31, 2023), the Owner, on behalf of the City, agrees to provide the California Debt and Investment Advisory Commission, by any method approved by such Commission, with a copy to the City, the annual report information required by Section 8855(k)(1) of the California Government Code. This covenant shall remain in effect until the later of the date (i) the Bonds are no longer outstanding or (ii) the proceeds of the Bonds and the Loan have been fully spent.

#### 1. Nondiscrimination; Penalties.

- (a) Nondiscrimination in Contracts. The Owner shall comply with the provisions of Chapters 12B and 12C of the San Francisco Administrative Code. The Owner shall incorporate by reference in any subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require any subcontractors to comply with such provisions. The Owner is subject to the enforcement and penalty provisions in Chapters 12B and 12C.
- (b) Nondiscrimination in the Provision of Employee Benefits. San Francisco Administrative Code 12B.2. The Owner does not as of the date of this Agreement, and will not during the term of this Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of employee benefits between employees with domestic partners and employees with spouses and/or between the domestic partners and spouses of such employees, subject to the conditions set forth in San Francisco Administrative Code Section12B.2.
- 2. <u>MacBride Principles—Northern Ireland</u>. The provisions of San Francisco Administrative Code §12F are incorporated by this reference and made part of this Agreement. By entering into this Agreement, the Owner confirms that it has read and understood that the City urges companies doing business in Northern Ireland to resolve employment inequities and to abide by the MacBride Principles, and urges San Francisco companies to do business with corporations that abide by the MacBride Principles.
- 3. <u>Tropical Hardwood and Virgin Redwood Ban</u>. Pursuant to San Francisco Environment Code Section 804(b), the City urges the Owner not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.
- 4. Alcohol and Drug-Free Workplace. The City reserves the right to deny access to, or require the Owner to remove from, City facilities personnel of the Owner who the City has reasonable grounds to believe has engaged in alcohol abuse or illegal drug activity which in any way impairs the City's ability to maintain safe work facilities or to protect the health and well-being of City employees and the general public. The City shall have the right of final approval for the entry or re-entry of any such person previously denied access to, or removed from, City facilities. Illegal drug activity means possessing, furnishing, selling, offering, purchasing, using or being under the influence of illegal drugs or other controlled substances for which the individual

- 6. <u>Sunshine Ordinance</u>. The Owner acknowledges that this Agreement and all records related to its formation, the Owner's performance under this Agreement, and the City's payment are subject to the California Public Records Act, (California Government Code §6250 et. seq.), and the San Francisco Sunshine Ordinance, (San Francisco Administrative Code Chapter 67). Such records are subject to public inspection and copying unless exempt from disclosure under federal, state or local law.
- 7. Limitations on Contributions. By executing this Agreement, the Owner acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with, or is seeking a contract with, any department of the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, for a grant, loan or loan guarantee, or for a development agreement, from making any campaign contribution to (i) a City elected official if the contract must be approved by that official, a board on which that official serves, or the board of a state agency on which an appointee of that official serves, (ii) a candidate for that City elective office, or (iii) a committee controlled by such elected official or a candidate for that office, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve months after the date the City approves the contract. The prohibition on contributions applies to each prospective party to the contract; each member of the Owner's board of directors; the Owner's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 10% in the Owner; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by the Owner. The Owner certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the contract, and has provided the names of the persons required to be informed to the City department with whom it is contracting.
- 8. Requiring Minimum Compensation for Covered Employees. If Administrative Code Chapter 12P applies to this Agreement, the Owner shall pay covered employees no less than the minimum compensation required by San Francisco Administrative Code Chapter 12P, including a minimum hourly gross compensation, compensated time off, and uncompensated time off. The Owner is subject to the enforcement and penalty provisions in Chapter 12P. Information about and the text of the Chapter 12P is available on the web at http://sfgov.org/olse/mco. The Owner is required to comply with all of the applicable provisions of 12P, irrespective of the listing of obligations in this Section. By signing and executing this Agreement, the Owner certifies that it complies with Chapter 12P.

- 9. Requiring Health Benefits for Covered Employees. If Administrative Code Chapter 12Q applies to this Agreement, the Owner shall comply with the requirements of Chapter 12Q. If the Owner chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission. Information about and the text of the Chapter 12Q, as well as the Health Commission's minimum standards, is available on the web at http://sfgov.org/olse/hcao. The Owner is subject to the enforcement and penalty provisions in Chapter 12Q. Any subcontract entered into by the Owner shall require any subcontractor with 20 or more employees to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section.
- 10. <u>Prohibition on Political Activity with City Funds</u>. In performing under this Agreement, the Owner shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. The Owner is subject to the enforcement and penalty provisions in Chapter 12G.
- 11. <u>Nondisclosure of Private, Proprietary or Confidential Information</u>. If this Agreement requires the City to disclose "Private Information" to the Owner within the meaning of San Francisco Administrative Code Chapter 12M, the Owner shall use such information consistent with the restrictions stated in Chapter 12M and in this Agreement and only as necessary in performing the services provided under this Agreement. The Owner is subject to the enforcement and penalty provisions in Chapter 12M.

In the performance of services provided under this Agreement, the Owner may have access to the City's proprietary or confidential information, the disclosure of which to third parties may damage the City. If the City discloses proprietary or confidential information to the Owner, such information must be held by the Owner in confidence and used only in performing this Agreement. The Owner shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary or confidential information.

Owner agrees to comply fully with and be bound by all of the provisions of Chapter 12T, "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code ("Chapter 12T"), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement. The text of Chapter 12T is available on the web at http://sfgov.org/olse/fco. A partial listing of some of the Owner's obligations under Chapter 12T is set forth in this Section. The Owner is required to comply with all of the applicable provisions of Chapter 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.

The requirements of Chapter 12T shall only apply to the Owner's operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to

References to Articles, Sections and Exhibits refer to this Agreement unless otherwise stated.

- (d) The terms and conditions of this Agreement and the other City Documents are the result of arms'-length negotiations between and among sophisticated parties who were represented by counsel, and the rule of construction to the effect that any ambiguities are to be resolved against the drafting party will not apply to the construction and interpretation of the City Documents. The language of this Agreement will be construed as a whole according to its fair meaning.

## ARTICLE 2 FUNDING.

- 2.1 <u>Funding Amount</u>. The City agrees to lend to Borrower a maximum principal amount equal to the Funding Amount in order to finance the development and construction of two hundred and twenty-one (221) Units, including one hundred (120) Units for Homeless Households, of which seventy (70) Units will be targeted to residents who qualify under the Homeless Household under NPLH Criteria, and the warm shell of the Commercial Space. Borrower acknowledges and agrees that a portion of the Funding Amount is the AHP Bridge Loan. The Funding Amount will be disbursed according to the terms and subject to the conditions set forth in this Agreement.
- 2.2 <u>Use of Funds</u>. Borrower acknowledges that the City's agreement to make the Loan is based in part on Borrower's agreement to use the Funds solely for the purpose set forth in **Section 2.1** and agrees to use the Funds solely for that purpose in accordance with the approved Table of Sources and Uses. Notwithstanding anything to the contrary contained herein, City will

not approve expenditure of Funds for expenses incurred by Borrower prior to November 15, 2019.

- 2.3 Accounts; Interest. Each Account to be maintained by Borrower under this Agreement will be held in a bank or savings and loan institution acceptable to the City as a segregated account that is insured by the Federal Deposit Insurance Corporation or other comparable federal insurance program. With the exception of tenant security deposit trust accounts, Borrower will use any interest earned on funds in any Account for the benefit of the Project.
- 2.4 Records. Borrower will maintain and provide to the City upon request records that accurately and fully show the date, amount, purpose and payee of all expenditures from each Account authorized under this Agreement or by the City in writing and keep all estimates, invoices, receipts and other documents related to expenditures from each Account. In addition Borrower will provide to the City promptly following Borrower's receipt, complete copies of all monthly bank statements, together with a reconciliation, for each Account until all funds (including accrued interest) in each Account have been disbursed for eligible uses.
- 2.5 <u>Conditions to Additional Financing</u>. The City may grant or deny any application by Borrower for additional financing for the Project in its sole discretion.

# 2.6 Additional Requirements.

- (a) At 50% Construction Completion, Borrower will provide market data supporting the proposed rents and lease up of the various commercial uses and will evidence what will make the commercial uses community serving. For potential commercial uses and tenants, the Sponsor should refer to the Planning Department's Greater SoMa Community Facility Needs Assessment and the City's Cultural, History, Housing and Economic Sustainability Strategy Report ("CHESS Report") for the nearby cultural districts.
- (b) At 100% Construction Completion, Borrower will use commercially reasonable efforts to provide executed Letters of Intent (LOIs) with neighborhood serving commercial tenants, a commercial development budget, and a tenant improvement proforma for MOHCD review and approval.
- ARTICLE 3 <u>TERMS</u>. Borrower's repayment obligations with respect to the Funding Amount will be evidenced and governed by the Note, which will govern in the event of any conflicting provision in this Agreement.
- 3.1 <u>Maturity Date</u>. Borrower will repay all amounts owing under the City Documents on the date that is the later of (a) the <u>fifty-seventh</u> (57<sup>th</sup>) anniversary of the date the Deed of Trust is recorded in the Recorder's Office of San Francisco County or (b) the fifty-fifth (<u>55<sup>th</sup></u>) anniversary of the Conversion Date, but in no event later than December 31, 2081 (the "Maturity Date").
- 3.2 <u>Compliance Term; Declaration of Restrictions</u>. Borrower will comply with all provisions of the City Documents relating to the use of the Site and the Project as set forth in the

Declaration of Restrictions to be recorded in the Official Records, for the period commencing on the date the Deed of Trust is recorded in the Official Records and continuing for the Life of the Project (the "Compliance Term"), even if the Loan is repaid or otherwise satisfied or the Deed of Trust is reconveyed before the end of the Compliance Term.

- 3.3 <u>Interest</u>. Except as provided in Section 3.4, the outstanding principal balance of the City Loan will bear simple interest at a rate of [three] percent ([3]%) per annum, as provided in the City Note. Except as provided in Section 3.4, no interest will be charged on the NPLH Loan.
- 3.4 <u>Default Interest Rate</u>. Upon the occurrence of an Event of Default under any City Document, the principal balance of the Loan will bear interest at the default interest rate set forth in the Note, with such default interest rate commencing as of the date an Event of Default occurs and continuing until such Event of Default is fully cured. In addition, the default interest rate will apply to any amounts to be reimbursed to the City under any City Document if not paid when due or as otherwise provided in any City Document.
- 3.5 Repayment of Principal and Interest. Except as set forth in Section 3.5.1 and Section 3.5.2 below, the outstanding principal balance of the Loan, together with all accrued and unpaid interest, if any, will be due and payable on the Maturity Date according to the terms set forth in full in the Notes.
- 3.5.1 Notification and Repayment of Excess Proceeds. Borrower will notify the City in writing within thirty (30) days after the later of the date on which Borrower receives its Form 8609 from the California Tax Credit Allocation Committee or the date on which Borrower receives Excess Proceeds from its Limited Partner or other financing sources. Borrower will repay all Excess Proceeds to the City no later than sixty (60) days after receipt of such notification, unless the City has elected to waive such payment. The City will use such Excess Proceeds to reduce the balance of the Loan as provided in Section 4.2 of the Note.
- 3.5.2 Notification and Repayment of AHP Bridge Loan. If Borrower is awarded AHP funding for the Project, Borrower will deliver to the City a copy of the award notice of such AHP funding award no later than ten (10) days of receiving written notice, unless the City has received such written notice prior to the Agreement Date. Borrower will make a payment with respect to the AHP Bridge Loan to the City within three hundred sixty-five (365) days of the date the Borrower is awarded AHP funding; provided, however, that if Borrower is not awarded AHP funding for the Project or receives AHP funding sufficient for only partial repayment of the AHP Bridge Loan, the unpaid principal balance of the AHP Bridge Loan will be due and payable at the Maturity Date according to the terms set forth in full in the City Note.
- 3.6 <u>Changes In Funding Streams</u>. The City's agreement to make the Loan on the terms set forth in this Agreement and the Note is based in part on Borrower's projected sources and uses of all funds for the Project, as set forth in the Table of Sources and Uses. Borrower covenants to give written notice to the City within thirty (30) days of any significant changes in budgeted funding or income set forth in documents previously provided to the City. Examples of significant changes include loss or adjustments (other than regular annual adjustments) in

funding under Shelter + Care, Section 8 or similar programs but significant changes do not include a reduction in anticipated rental income or reasonable delay in lease-up of the Project.

- 3.7 <u>Failure to Provide Budgeted Supportive Services</u>. If Borrower fails to provide Supportive Services in the amount shown in the approved 20-Year Cash Flow Proforma, Borrower will provide notice to the City within 10 business days of the date the Supportive Services were terminated, which notice will include, at a minimum, a proposed plan to restore the Supportive Services within a reasonable period of time. If at the time such notice is provided, Borrower is unable to propose a feasible plan for restoring the Supportive Service, Borrower will include in the notice a detailed explanation as to the cause of the termination of Supportive Services and the reasons why it would not be feasible to restore the Supportive Services within a reasonable period of time.
- Additional City Approvals. Borrower understands and agrees that City is 3.8 entering into this Agreement in its proprietary capacity and not as a regulatory agency with certain police powers. Borrower understands and agrees that neither entry by City into this Agreement nor any approvals given by City under this Agreement will be deemed to imply that Borrower will obtain any required approvals from City departments, boards or commissions which have jurisdiction over the Property. By entering into this Agreement, City is in no way modifying or limiting the obligations of Borrower to develop the Property in accordance with all local laws. Borrower understands that any development of the Property will require approvals, authorizations and permits from governmental agencies with jurisdiction over the Property, which may include, without limitation, the San Francisco City Planning Commission and the San Francisco Board of Supervisors. Notwithstanding anything to the contrary in this Agreement, no party is in any way limiting its discretion or the discretion of any department, board or commission with jurisdiction over the Project, including but not limited to a party hereto, from exercising any discretion available to such department, board or commission with respect thereto, including but not limited to the discretion to (i) make such modifications deemed necessary to mitigate significant environmental impacts, (ii) select other feasible alternatives to avoid such impacts, including the "No Project" alternative; (iii) balance the benefits against unavoidable significant impacts prior to taking final action if such significant impacts cannot otherwise be avoided, or (iv) determine not to proceed with the proposed Project.

#### ARTICLE 4 CLOSING; DISBURSEMENTS.

4.1 <u>Generally</u>. Subject to the terms of this Agreement, the City will make Disbursements in an aggregate sum not to exceed the Funding Amount to or for the account of Borrower in accordance with this Agreement and the approved line item budget contained in the Table of Sources and Uses.

- 4.2 <u>Closing</u>. Unless otherwise agreed by the City and Borrower in writing, Borrower will establish an escrow account with the title company issuing the Title Policy, or any other escrow agent Borrower chooses, subject to the City's approval (the "Escrow Agent"). The parties will execute and deliver to the Escrow Agent written instructions consistent with the terms of this Agreement. In the event the escrow does not close on or before the expiration date of escrow instructions signed by the City, or any other mutually agreed date, the City may declare this Agreement to be null and void.
- 4.3 <u>Conditions Precedent to Closing</u>. The City will authorize the close of the Loan upon satisfaction of the conditions in this Section.
- (a) Borrower will have delivered to the City fully executed (and for documents to be recorded, acknowledged) originals of the following documents, in form and substance satisfactory to the City: (i) the City Note; (ii) the NPLH Note; (iii) this Agreement (in duplicate); (iv) the Deed of Trust; (v) the Declaration of Restrictions; (vi) the Opinion; (vii) the Authorizing Resolutions; (viii) the Developer Fee Agreement; and (ix) any other City Documents reasonably requested by the City.

The Charter Documents will be delivered to the City in their original form and as amended from time to time and be accompanied by a certificate of good standing for Borrower issued by the California Secretary of State and, if Borrower is organized under the laws of a state other than California, a certificate of good standing issued by the Secretary of State of the state of organization, issued no more than ninety (90) days before the Agreement Date.
- (c) Borrower will have delivered to the City evidence of all insurance policies and endorsements required under **Exhibit L** of this Agreement and, if requested by the City, copies of such policies.
- (d) Borrower will have delivered to the City satisfactory evidence that Borrower has obtained commitments for any additional financing that may be required for the Project, in amounts and from lenders or investors satisfactory to the City in its sole discretion.
- (e) Borrower will have delivered to the City a preliminary report on title for the Site dated no earlier than thirty (30) days before the Agreement Date.
- (f) Borrower will have submitted a "Phase I" environmental report for the Site, or any other report reasonably requested by the City, prepared by a professional hazardous materials consultant acceptable to the City.

- (g) The Declaration of Restrictions and Deed of Trust will have been recorded as valid liens in the official records of San Francisco County, subject only to the Permitted Exceptions.
- (h) The Escrow Agent will have committed to provide to the City the Title Policy in form and substance satisfactory to the City.
- 4.4 <u>Disbursement of Funds</u>. Following satisfaction of the conditions in **Section 4.3**, the City will authorize the Escrow Agent to disburse Funds as provided in the City's escrow instructions.
- 4.5 <u>Disbursements</u>. The City's obligation to approve any expenditure of Funds after Loan closing is subject to Borrower's satisfaction of the following conditions precedent.
- (a) Borrower will have delivered to the City an Expenditure Request in form and substance satisfactory to the City, together with: (i) copies of invoices, contracts or other documents covering all amounts requested; (ii) a line item breakdown of costs to be covered by the Expenditure Request; and (iii) copies of checks issued to pay expenses covered in the previous Expenditure Request. The City may grant or withhold its approval of any line item contained in the Expenditure Request that, if funded, would cause it to exceed the budgeted line item as previously approved by the City. Additionally, the City will approve all requested reallocations of Funds for line items previously approved by the City, including, but not limited to, change order approved under Section 5.3.
- (b) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, may have occurred that remains uncured as of the date of the Expenditure Request.
- (c) With respect to any Expenditure Request that covers rehabilitation or construction costs, Borrower will have certified to the City that the Project complies with the labor standards set forth in **Exhibit E**, **Section 1**, if applicable.

- (ii) Air transportation expenses will use fares for coach-class accommodations, provided that purchases for air travel will occur no less than one week before the travel day.
- (iii) If ground transportation is required, the City urges the use of public transit or courtesy shuttles if provided by a lodging. If courtesy transportation is not provided by a lodging, ground transportation expenses for travel to or from regional airports will

For the purpose of this Section, the terms "lodging," "meals" and "incidental expenses" will have the same meanings defined in 41 CFR Part 300-3; the term "coach-class" will have the same meaning defined in 41 CFR Part 301-10.121(a); and the term "miscellaneous" means copying services, printing services, communication services, or other services reasonably related to travel for the Project and approved by the City.

- (e) The Loan will be in balance.
- 4.6 <u>Loan In Balance</u>. The City may require Borrower to pay certain costs incurred in connection with the Project from sources of funds other than the Loan at any time the City determines that the Loan is out of balance. When the City is satisfied that the Loan is again in balance, the City will recommence making Disbursements for Expenditure Requests meeting the conditions set forth above.
- 4.7 Retention. In addition to the other conditions to Disbursements, Borrower acknowledges that the amount of hard costs or tenant improvements costs included in any Expenditure Request associated with rehabilitation or construction, when added to previously approved costs, may not exceed ninety percent (90%) of the approved budgeted costs on a line item basis. The remaining ten percent (10%) of approved budgeted hard costs or tenant improvement costs associated with rehabilitation or construction will be held by the City and/or other Project lenders (the "Retention") and may be released only upon satisfaction of all requirements listed in the Construction Manager's Checklist for Release of Retention included in the Contracting Manual and as follows:
- (a) <u>Early Retention Release</u>.   (i) completion of rehabilitation or construction of the Project in accordance with the plans and specifications approved by the City, as evidenced by a certificate of occupancy or equivalent certification provided by the City's Department of Building Inspection, and an architect's or engineer's certificate of completion; (ii) timely recordation of a notice of completion; and (iii) either expiration of the lien period and the absence of any unreleased mechanics' liens or stop notices or recordation of the lien releases of all contractors, subcontractors and suppliers who provided labor or materials for the Project.
- 4.8 <u>Limitations on Approved Expenditures</u>. The City may refuse to approve any expenditure: (a) during any period in which an event that, with notice or the passage of time or both, would constitute an Event of Default remains uncured, or during the pendency of an uncured Event of Default; or (b) for disapproved, unauthorized or improperly documented expenses. The City is not obligated to approve expenditure of the full Funding Amount unless approved Expenditure Requests support disbursement of the full Funding Amount, and in no event may the aggregate amount of all Funds disbursed to Borrower under this Agreement exceed the Funding Amount.

## ARTICLE 5 DEMOLITION, REHABILITATION OR CONSTRUCTION.

5.1 <u>Selection Requirements</u>. Borrower's procurement procedures, contracts, and subcontracts will comply, and where applicable, require its contractors and subcontractors to comply, with the applicable labor requirements under **Exhibit E** of this Agreement, including, but not limited to, the selection of all contractors and professional consultants for the Project and payment of prevailing wage.

- <u>Plans and Specifications</u>. Before starting any demolition, rehabilitation or construction on the Site, Borrower will have delivered to the City, and the City will have reviewed and approved, plans and specifications and the construction contract for the Project entered into between Borrower and Borrower's general contractor and approved by the City (the "Construction Contract"). The plans approved by the City will also be approved by the City and County of San Francisco's Department of Building Inspection (the "Department of Building Inspection") (collectively, the "Approved Plans") prior to the start of any demolition, rehabilitation or construction on the Site. The Approved Plans will be explicitly identified in the Construction Contract. The specifications approved by the City, including the funder requirements and the technical specifications (the "Approved Specifications") will also be explicitly identified in the Construction Contract. The Construction Contract may include funder requirements not otherwise addressed in the Approved Specifications. After completion of the Project, Borrower will retain the Approved Plans as well as "as-built" plans for the Project, the Approved Specifications and the Construction Contract, all of which Borrower will make available to the City upon request. The City hereby approves the Construction Contract and plans and specifications for the Project provided to the City as of the Agreement Date.
- Change Orders. Borrower may not approve or permit any change orders to the plans and specifications approved by the City without the City's prior written consent. Borrower will provide adequate and complete backup documentation for analysis of the appropriateness of the change order request to the City. Such backup documentation will include confirmation that the requested change order has been reviewed, vetted/negotiated and accepted by (with modifications where appropriate) the Borrower and architect/engineer prior to submission to the City. The City will provide any questions, comments or requests for additional information to Borrower within five (5) business days of receipt of a change order request. In the event the City requests further information, the period will be extended by five (5) business days from receipt of that information. City will promptly review and approve or disapprove of a change order request within ten (10) business days of a complete submission by Borrower. In the event the City fails to approve or disapprove the change order request within such ten (10) business day period, the change order will be deemed approved. If the City denies a change order request, it will specify the reasons for the denial in writing. Borrower will submit on a monthly basis, or as requested by MOHCD, a contingency balance report (in Excel format or equivalent) which documents all change orders as approved, pending, or under review. Borrower acknowledges that the City's approval of any change order will not constitute an agreement to amend the Table of Sources and Uses or to provide additional Funds for the Project, unless the City agrees in its sole discretion to amend the Table of Sources and Uses or provide additional Funds for that purpose.
- 5.4 <u>Insurance, Bonds and Security</u>. Before starting any demolition, rehabilitation or construction on the Site, Borrower will deliver to the City insurance endorsements and bonds as described in **Exhibit L**. At all times, Borrower will take prudent measures to ensure the security of the Site.
- 5.5 <u>Notice to Proceed.</u> No demolition, rehabilitation or construction may commence until Borrower has issued a written notice to proceed with the City's approval.

Unless otherwise extended in writing by the City, Borrower will: (a) commence demolition, rehabilitation or construction by a date no later than <u>July 13, 2022</u>; (b) complete demolition, rehabilitation or construction by a date no later than <u>December 31, 2024</u>, in accordance with the plans and specifications approved by the City, as evidenced by a certificate of occupancy or equivalent certification provided by the City's Department of Building Inspection, and an architect's or engineer's certificate of completion (the "Completion Date"); and (c) achieve occupancy of one hundred percent (100%) of the Units by a date no later than <u>September 30, 2025</u>.
- 5.7 <u>Rehabilitation/Construction Standards</u>. All rehabilitation or construction will be performed in a first class manner, substantially in accordance with final plans and specifications approved by the City, as such may have been modified in accordance with Section 5.3, and in accordance with all applicable codes.

## ARTICLE 6 MARKETING.

- 6.1 Marketing and Tenant Selection Plan. No later than twelve (12) months before the Completion Date, Borrower will deliver to the City for the City's review and approval an affirmative plan for initial and ongoing marketing of the Units and a written Tenant selection procedure for initial and ongoing renting of the Units based on MOHCD's then-current form of marketing and tenant selection plan (the "Marketing and Tenant Selection Plan"), all in compliance with the restrictions set forth in **Exhibit A** and in form and substance acceptable to the City. Borrower will obtain the City's approval of reasonable alterations to the Marketing and Tenant Selection Plan. Borrower will market and rent the Units in the manner set forth in the Marketing and Tenant Selection Plan, as approved by the City.
- 6.2 <u>Affirmative Marketing and Tenant Selection Plan Requirements</u>. Borrower's Marketing and Tenant Selection Plan will address how Borrower intends to market vacant Units and any opportunity for placement on the Waiting List, as defined in 6.5. The Marketing and Tenant Selection Plan will include as many of the following elements as are appropriate to the Project, as determined by the City:
- (a) A reasonable accommodations policy that indicates how Borrower intends to market Units to disabled individuals, including an indication of the types of accessible Units in the Project, the procedure for applying, and a policy giving disabled individuals a priority in the occupancy of accessible Units.
- (b) A plan that satisfies the requirement to give preference in occupying units in accordance with the Preferences and Lottery Manual and the Preferences Ordinance. Notwithstanding the foregoing, in the event of a conflict between these provisions and the provisions of Section 42 of the Internal Revenue Code of 1986, as amended, and the regulations promulgated therewith, the provisions of such Section 42 (and the applicable regulations) shall control.

- (c) Advertising in local neighborhood newspapers, community-oriented radio stations, on the internet and in other media that are likely to reach low-income households. All advertising will display the Equal Housing Opportunity logo.
- (d) Notices to neighborhood-based, nonprofit housing corporations and other low-income housing advocacy organizations that maintain waiting lists or make referrals for below-market-rate housing.
  - (e) Notices to SFHA.
  - (f) Notices to MOHCD.
- (g) To the extent practicable, without holding Units off the market, the community outreach efforts listed above will take place before advertising vacant Units or open spots on the Waiting List to the general public.
- (h) An acknowledgement that, with respect to vacant Units, the marketing elements listed above will only be implemented if there are no qualified applicants interested or available from the Waiting List.
- (i) Borrower will use access points and accept referrals from HSH or its successor agencies.
  - (i) NPLH population targeting requirements for the 70 NPLH units.
  - 6.3 Marketing and Tenant Selection Plan & Tenant Screening Criteria Requirements:
- (a) Borrower's Marketing and Tenant Selection Plan will comply with the requirements of the Tenant Selection Plan Policy as set forth in the attached <u>Exhibit H</u>. The Marketing and Tenant Selection Plan will be kept on file at the Project at all times.
- (b) Borrower's tenant screening criteria will comply with the Tenant Screening Criteria Policy set forth in the attached Exhibit I.
- 6.4 <u>Marketing Records</u>. Borrower will keep records of: (a) activities implementing the Marketing and Tenant Selection Plan; (b) advertisements; and (c) other community outreach efforts.
- 6.5 <u>Waiting List</u>. Borrower's Marketing and Tenant Selection Plan must contain, at a minimum, policies and criteria that provide for the selection of tenants from a written waiting list that complies with the Marketing and Tenant Selection Plan (the "Waiting List"). The Marketing and Tenant Selection Plan may allow an applicant to refuse an available Unit for good cause without losing standing on the Waiting List but shall limit the number of refusals without cause as approved by the City. Borrower shall at all times maintain the Waiting List. Upon the vacancy of any Unit, Borrower shall first attempt to select the new Tenant for such Unit from the

Waiting List, and shall only market the Unit to the general public after determining that no applicants from the Waiting List qualify for such Unit. The Waiting List must be kept on file at the Project at all times.

## ARTICLE 7 AFFORDABILITY AND OTHER LEASING RESTRICTIONS.

7.1 <u>Term of Leasing Restrictions</u>. Borrower acknowledges and agrees that the covenants and other leasing restrictions set forth in this Article will remain in full force and effect: (a) for the Compliance Term and survive the prior repayment or other satisfaction of the Loan, termination of this Agreement or reconveyance of the Deed of Trust; (b) for any Unit that has been subject to a regulatory agreement with TCAC, for a period ending three (3) years after the date of any transfer of the Project by foreclosure or deed-in-lieu of foreclosure; and (c) with respect to any Unit occupied by a Qualified Tenant at expiration of either the Compliance Term or the 3-year period referred to in **Subsection (b)** above, until the Qualified Tenant voluntarily vacates his/her Unit or is evicted lawfully for just cause. In addition, one hundred twenty (120) Units will be rented to Homeless Households during the period in which the City's Local Operating Subsidy Program is in operation and the City provides the Local Operating Subsidy to the Project, of which seventy (70) Units will be targeted to residents who qualify under the Homeless Household under NPLH Criteria.
- (b) A Tenant who is a Qualified Tenant at initial occupancy may not be required to vacate the Unit due to subsequent rises in household income, except as provided in **Section 7.3**. After the over-income Tenant vacates the Unit, the vacant Unit will be rented only to Qualified Tenants as provided in this **Article 7**.

## 7.3 Rent Restrictions.

- (a) Rent charged to each Qualified Tenant may not exceed the amounts set forth in **Exhibit A**, *provided that* Rents may be adjusted annually, subject to the limitations below.
- (b) Subject to the Hold Harmless Policy, rents for all Units may be increased once annually up to the maximum monthly rent by unit type as published by MOHCD.
- (c) With the City's prior written approval, Rent increases for Units exceeding the amounts permitted under **Section 7.3(b)** may be permitted once annually in order to recover increases in approved Project Expenses, provided that: (i) in no event may single or aggregate increases exceed ten percent (10%) per year unless such an increase is contemplated in a City-

approved temporary relocation plan or is necessary due to the expiration of Section 8 or other rental subsidies; and (ii) Rents for each Unit may in no event exceed the maximum Rent permitted under **Section 7.3(a)**. City approval for such Rent increases that are necessary to meet all approved Project Expenses will not be unreasonably withheld.

- (d) For any Qualified Tenant participating in a Rent or operating subsidy program where the Rent charged is calculated as a percentage of household income, adjustments to Rent charged may be made according to the rules of the relevant subsidy program. There is no limit on the increase/decrease in Rent charged under this provision, as long as it does not exceed the maximum Rent permitted under **Section 7.3(a)**. There is no limit on the number of Rent adjustments that can be made in a year under this provision.
- (e) For any Qualified Tenant that becomes ineligible to continue participating in a rent or operating subsidy program, there is no limit on the increase in Rent charged as long as it does not exceed the maximum Rent permitted under **Section 7.3(a)**.
- (f) Unless prohibited under any applicable Laws, including without limitation Section 42 of the Internal Revenue Code of 1986, as amended, if the household income of a Qualified Tenant exceeds the maximum permissible income during occupancy of a Unit, then, upon no less than thirty (30) days' prior written notice to the Tenant or as otherwise required under the Tenant's lease or occupancy agreement, Borrower may adjust the charges for Rent for the previously Qualified Tenant to be equal to thirty percent (30%) of the Tenant's adjusted household income. Rents charged under this provision may exceed the Maximum Rent permitted under **Section 7.3(a)**.

## 7.4 Certification.

- (a) As a condition to initial occupancy, each person who desires to be a Qualified Tenant in the Project will be required to sign and deliver to Borrower a certification in the form shown in **Exhibit C** in which the prospective Qualified Tenant certifies that he/she or his/her household qualifies as a Qualified Tenant. In addition, each person will be required to provide any other information, documents or certifications deemed necessary by the City to substantiate the prospective Tenant's income. Certifications provided to and accepted by the SFHA will satisfy this requirement.
- (b) Borrower will require each Qualified Tenant in the Project to recertify on an annual basis his/her household income.
- (c) Income certifications with respect to each Qualified Tenant who resides in a Unit or resided therein during the immediately preceding calendar year will be maintained on file at Borrower's principal office, and Borrower will file or cause to be filed copies thereof with the City promptly upon request by the City.
- 7.5 <u>Form of Lease</u>. The form of lease for Tenants will provide for termination of the lease and consent to immediate eviction for failure to: (i) qualify as a Qualified Tenant if the Tenant has made any material misrepresentation in the initial income certification, or (ii) submit

to Borrower an annual recertification of income. The initial term of the lease will be for a period of not less than one (1) year. Borrower will not terminate the tenancy or refuse to renew any lease of a Unit except for serious or repeated violation of the terms and conditions of the lease, for violation of applicable Laws or other good cause. Any termination or refusal to renew the lease for a Unit will be preceded by not less than thirty (30) days' written notice to the Tenant specifying the grounds for the action.

- 7.6 <u>Nondiscrimination</u>. Borrower agrees not to discriminate against or permit discrimination against any person or group of persons because of race, color, creed, national origin, ancestry, age, sex, sexual orientation, disability, gender identity, height, weight, source of income or acquired immune deficiency syndrome (AIDS) or AIDS related condition (ARC) in the operation and use of the Project except to the extent permitted by law or required by any other funding source for the Project. Borrower agrees not to discriminate against or permit discrimination against Tenants using Section 8 certificates or vouchers or assistance through other rental subsidy programs.
- 7.7 <u>Security Deposits</u>. Security deposits may be required of Tenants only in accordance with applicable state law and this Agreement. Borrower will segregate any security deposits collected from all other funds of the Project in an Account held in trust for the benefit of the Tenants and disbursed in accordance with California law. The balance in the trust Account will at all times equal or exceed the aggregate of all security deposits collected plus accrued interest thereon, less any security deposits returned to Tenants.

#### ARTICLE 8 MAINTENANCE AND MANAGEMENT OF THE PROJECT.

## 8.1 <u>Borrower's Responsibilities.</u>

(a) Subject to the rights set forth in **Section 8.2**, Borrower will be specifically and solely responsible for causing all maintenance, repair and management functions performed in connection with the Project, including selection of tenants, recertification of income and household size, evictions, collection of rents, routine and extraordinary repairs and replacement of capital items. Borrower will maintain or cause to be maintained the Project, including the Units and common areas, in a safe and sanitary manner in accordance with local health, building and housing codes, California Health and Safety Code 17920.10 and the applicable provisions of 24 CFR Part 35.

# 8.2 Contracting With Management Agent.

- (a) Borrower may contract or permit contracting with a management agent for the performance of the services or duties required in **Section 8.1(a)**, subject to the City's prior written approval of both the management agent and, at the City's discretion, the management contract between Borrower and the management agent, *provided*, *however*, that the arrangement will not relieve Borrower of responsibility for performance of those duties. Any management contract will contain a provision allowing Borrower to terminate the contract without penalty upon no more than thirty (30) days' notice. As of the Agreement Date, the City has approved Mercy Housing Management Group as Borrower's management agent, subject to approval of the management contract.
- (b) The City will provide written notice to Borrower of any determination that the contractor performing the functions required in **Section 8.1(a)** has failed to operate and manage the Project in accordance with this Agreement. If the contractor has not cured the failure within a reasonable time period, as determined by the City, Borrower will exercise its right of termination immediately and make immediate arrangements for continuous and continuing performance of the functions required in **Section 8.1(a)**, subject to the City's approval.
- 8.3 <u>Borrower Management</u>. Borrower may manage the Project itself only with the City's prior written approval. The City will provide written notice to Borrower of any determination that Borrower has failed to operate and manage the Project in accordance with this Agreement, in which case, the City may require Borrower to contract or cause contracting with a management agent to operate the Project, or to make other arrangements the City deems necessary to ensure performance of the functions required in **Section 8.1(a)**.

# ARTICLE 9 GOVERNMENTAL APPROVALS AND REQUIREMENTS.

- 9.1 <u>Approvals</u>. Borrower covenants that it has obtained or will obtain in a timely manner and comply with all federal, state and local governmental approvals required by Law to be obtained for the Project. Subject to **Section 17.2**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.
- 9.2 <u>Borrower Compliance</u>. Borrower will comply, and where applicable, require its contractors to comply, with all applicable Laws governing the use of Funds for the construction, rehabilitation and/or operation of the Project, including those set forth in **Exhibit E** and **Exhibit L**. Borrower acknowledges that its failure to comply with any of these requirements will constitute an Event of Default under this Agreement. Subject to **Section 17.2**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.

## ARTICLE 10 PROJECT MONITORING, REPORTS, BOOKS AND RECORDS.

## 10.1 Generally.

Borrower will cooperate with the monitoring by the City and ensure full access to the Project and all information related to the Project as reasonably required by the City.
- (b) Borrower will keep and maintain books, records and other documents relating to the receipt and use of all Funds, including all documents evidencing any Project Income and Project Expenses. Borrower will maintain records of all income, expenditures, assets, liabilities, contracts, operations, tenant eligibility and condition of the Project. All financial reports will be prepared and maintained in accordance with GAAP as in effect at the time of performance.
- (c) Borrower will provide written notice of the replacement of its executive director, director of housing development, director of property management and/or any equivalent position within thirty (30) days after the effective date of such replacement.

The MOHCD Monthly Project Update will be submitted by email in substantially the form requested by MOHCD until such time as the Project Completion Report is submitted to the City pursuant to **Section 10.5** below.

## 10.3 Annual Reporting.

- (a) From and after the Completion Date, Borrower will file with the City annual report forms (the "Annual Monitoring Report") that include audited financial statements with an income and expense statement for the Project covering the applicable reporting period, a statement of balances, deposits and withdrawals from all Accounts, line item statements of Project Expenses, Project Income, Partnership Fees (if any), Residual Receipts and any Distributions made, evidence of required insurance, a description of marketing activities and a rent roll, no later than one hundred fifty (150) days after the end of Borrower's fiscal year. The Annual Monitoring Report will be in substantially the form attached as **Exhibit G** or as later modified during the Compliance Term.
- (b) If the source of Funds is Federal Funding, Borrower will also provide an annual accounting of program income, as defined in applicable federal regulations.
- 10.4 <u>Capital Needs Assessment</u>. In accordance with the CNA Policy, Borrower will deliver to MOHCD an updated CNA every five (5) years after the Completion Date for approval.
- 10.5 <u>Project Completion Report</u>. Within the specific time periods set forth below after the completion of rehabilitation or construction, the lease-up and/or permanent financing of the Project, as applicable, Borrower will provide to the City the reports listed below certified by Borrower to be complete and accurate. Subsequent to the required submission of the reports listed below, Borrower will provide to the City information or documents reasonably requested by the City to assist in the City's review and analysis of the submitted reports:
- (a) within <u>ninety</u> (90) days after the Completion Date, a draft cost certification (or other similar project audit) performed by an independent certified public accountant identifying the sources and uses of all Project funds including the Funds;
- (b) within one hundred-eighty (180) days after the Completion Date, a report on compliance with the applicable requirements under **Section 5.1** of this Agreement, including the type of work and the dollar value of such work;
- (c) within <u>ninety</u> (90) days after the Completion Date, a report demonstrating compliance with all requirements regarding relocation, including the names of all individuals or businesses occupying the Site on the date of the submission of the application for Funds, those moving in after that date, and those occupying the Site upon completion of the Project.
- 10.6 <u>Response to Inquiries</u>. At the request of the City, its agents, employees or attorneys, Borrower will respond promptly and specifically to questions relating to the income, expenditures, assets, liabilities, contracts, operations and condition of the Project, the status of any mortgage encumbering the Project and any other requested information with respect to Borrower or the Project.

- 10.7 <u>Delivery of Records</u>. At the request of the City, made through its agents, employees, officers or attorneys, Borrower will provide the City with copies of each of the following documents, certified in writing by Borrower to be complete and accurate:
- (a) all tax returns filed with the United States Internal Revenue Service, the California Franchise Tax Board and/or the California State Board of Equalization on behalf of Borrower and any general partner or manager of Borrower;
- (b) all certified financial statements of Borrower and, if applicable, its general partner or manager, the accuracy of which will be certified by an auditor satisfactory to the City; and
- (c) any other records related to Borrower's ownership structure and the use and occupancy of the Site.
- Borrower's obligations under Sections 2.4, 10.1, 10.2, 10.3, 10.4, 10.5, 10.6 and 10.7 and any other obligations to provide reports or maintain records in any City Document, Borrower agrees that duly authorized representatives of the City will have: (a) access to the Project throughout the Compliance Term to monitor the progress of work on the Project and compliance by Borrower with the terms of this Agreement; and (b) access to and the right to inspect, copy, audit and examine all books, records and other documents Borrower is required to keep at all reasonable times, following reasonable notice, for the retention period required under Section 10.9.
- 10.9 <u>Records Retention</u>. Borrower will retain all records required for the periods required under applicable Laws.

## ARTICLE 11 <u>USE OF INCOME FROM OPERATIONS</u>.

# 11.1 Project Operating Account.

- (a) Borrower will deposit all Project Income promptly after receipt into a segregated depository account (the "Project Operating Account") established exclusively for the Project. Withdrawals from the Project Operating Account may be made only in accordance with the provisions of this Agreement and the approved Annual Operating Budget, as it may be revised from time to time with the City's approval. Borrower may make withdrawals from the Project Operating Account solely for the payment of Project Expenses and Project Fees. Withdrawals from the Project Operating Account (including accrued interest) for other purposes may be made only with the City's express prior written approval.
- (b) Borrower will keep accurate records indicating the amount of Project Income deposited into and withdrawn from the Project Operating Account and the use of Project Income. Borrower will provide copies of the records to the City upon request.

## ARTICLE 12 REQUIRED RESERVES.

## 12.1 Replacement Reserve Account.

- (a) Commencing no later than the Conversion Date, or any other date the City designates in writing, Borrower will establish or cause to be established a segregated interest-bearing replacement reserve depository account (the "Replacement Reserve Account"). On or before the 15<sup>th</sup> day of each month following establishment of the Replacement Reserve Account, Borrower will make monthly deposits from Project Income into the Replacement Reserve Account in the amount necessary to meet the requirements of this Section. The City may review the adequacy of deposits to the Replacement Reserve Account periodically and require adjustments as it deems necessary. All reserves held by any lenders or equity providers with respect to the Project will be credited toward the applicable City reserve requirement hereunder on a dollar for dollar basis.
- (b) Monthly deposits will equal the lesser of: (i) 1/12<sup>th</sup> of 0.6% of Replacement Cost; or (ii) 1/12<sup>th</sup> of the following amount: \$110,500. After the Project's first five (5) years of operation, Borrower may request adjustments every five (5) years based on its most recently approved CNA.
- (c) Borrower may withdraw funds from the Replacement Reserve Account solely to fund capital improvements for the Project, such as replacing or repairing structural elements, furniture, fixtures or equipment of the Project that are reasonably required to preserve the Project. Borrower may not withdraw funds (including any accrued interest) from the Replacement Reserve Account for any other purpose without the City's prior written approval, which approval will not be unreasonably withheld, conditioned or delayed.

#### 12.2 Operating Reserve Account.

- (a) Commencing no later than the Conversion Date, or any other date the City designates in writing, Borrower will establish or cause to be established a segregated interest-bearing operating reserve depository account (the "Operating Reserve Account") by depositing funds in an amount equal to fifty percent (50%) of the approved budget for Project Expenses for the first full year of operation of the Project. The City may review the adequacy of deposits to the Operating Reserve Account periodically and require adjustments as it deems necessary. All reserves held by any lenders or equity providers with respect to the Project will be credited toward the applicable City reserve requirement hereunder on a dollar for dollar basis.
- (b) No less than annually after establishing the Operating Reserve Account and continuing until the Compliance Term has expired, Borrower will make additional deposits, if necessary, to bring the balance in the Operating Reserve Account to an amount equal to twenty-five percent (25%) of the prior year's actual Project Expenses, as allowable by Project Income.
- (c) Borrower may withdraw funds from the Operating Reserve Account solely to alleviate cash shortages resulting from unanticipated and unusually high maintenance

expenses, seasonal fluctuations in utility costs, abnormally high vacancies and other expenses that vary seasonally or from month to month in the Project. Borrower may not withdraw funds (including any accrued interest) from the Operating Reserve Account for any other purpose without the City's prior written approval.

# ARTICLE 13 DISTRIBUTIONS.

- 13.1 <u>Definition</u>. "Distributions" refers to cash or other benefits received as Project Income from the operation of the Project and available to be distributed to Borrower or any party having a beneficial interest in the Project, but does not include reasonable payments for property management, asset management or other services performed in connection with the Project.
- Exhibit B-2 includes projections of annual Distributions. Exhibit B-2 is not intended to impose limits on the amounts to be annually distributed. Distributions for a particular fiscal year may be made only following: (a) City approval of the Annual Monitoring Report submitted for that year; (b) the City's determination that Borrower is not in default under this Agreement or any other agreement entered into with the City and County of San Francisco or the City for the Project; and (c) the City's determination that the amount of the proposed Distribution satisfies the conditions of this Agreement. The City will be deemed to have approved Borrower's written request for approval of a proposed Distribution unless the City delivers its disapproval or request for more information to Borrower within thirty (30) business days after the City's receipt of the request for approval.
- 13.3 <u>Prohibited Distributions</u>. No Distribution may be made in the following circumstances:
- (a) when a written notice of default has been issued by any entity with an equitable or beneficial interest in the Project and the default is not cured within the applicable cure periods; or
- (b) when the City determines that Borrower or Borrower's management agent has failed to comply with this Agreement; or
- (c) if required debt service on all loans secured by the Project and all operating expenses have not been paid current; or
- (d) if the Replacement Reserve Account, Operating Reserve Account or any other reserve account required for the Project is not fully funded under this Agreement; or
- (e) if the Loan is to be repaid from Residual Receipts, Borrower failed to make a payment when due on a Payment Date and the sum remains unpaid; or
- (f) during the pendency of an uncured Event of Default (including Borrower's failure to provide its own funds at any time the City determines the Loan is out of balance) under any City Document.

13.4 <u>Borrower's Use of Residual Receipts for Development</u>. To the extent that making a Distribution is not inconsistent with any other financing agreement for the Project, and subject to the limitations in this Article, with the City's prior written approval Borrower may retain and distribute 50% of Residual Receipts to pay deferred development fee in lieu of using them to repay the Loan in an amount consistent with the Residual Receipts Policy attached hereto as **Exhibit P**, until the earlier of (i) the fifteenth (15<sup>th</sup>) anniversary of the first Payment Date; or (ii) the payment in full of the deferred development fee in the approved amount payable by the Borrower to Developer pursuant to the Development Agreement by and between the Borrower and Developer. Borrower acknowledges that the City may withhold its consent to a Distribution in any year in which Residual Receipts are insufficient to meet Borrower's payment obligations under the City Note.

## ARTICLE 14 SYNDICATION PROCEEDS.

14.1 <u>Distribution and Use</u>. If Borrower is a limited partnership or limited liability company, and unless otherwise approved by the City in writing, Borrower will allocate, distribute and pay or cause to be allocated, distributed and paid all net syndication proceeds and all loan and grant funds as specified in the Table. Borrower will notify the City of the receipt and disposition of any net syndication proceeds received by Borrower during the term of this Agreement.

# ARTICLE 15 DEVELOPER FEES.

- 15.1 <u>Amount</u>. The City has approved the payment of development fees to the Developer in an amount not to exceed <u>Four Million Thirty-Five Thousand</u> and No/100 Dollars (\$4,035,000.00) for developing the Project ("Developer Fees"), subject to the Developer Fee Policy and the terms and conditions set forth in full in the Developer Fee Agreement between the City and Developer.
- 15.2 <u>Fee Payment Schedule</u>. Developer will receive payment of the Developer Fees pursuant to Section 2(b) of the Developer Fee Agreement, provided, however, if there is any conflict between the Partnership Development Fee Agreement and the Developer Fee Agreement, the Partnership Development Fee Agreement will control.

## ARTICLE 16 TRANSFERS.

16.1 Permitted Transfers/Consent. Borrower will not cause or permit any voluntary transfer, assignment or encumbrance of its interest in the Site or Project or of any ownership interests in Borrower, or lease or permit a sublease on all or any part of the Project, other than:

(a) leases, subleases or occupancy agreements to occupants of Units and/or Commercial Space in the Project; or (b) security interests for the benefit of lenders securing loans for the Project as approved by the City on terms and in amounts as approved by City in its reasonable discretion; (c) transfers from Borrower to a limited partnership or limited liability company formed for the tax credit syndication of the Project, where Borrower or an affiliated nonprofit public benefit corporation is the sole general partner or manager of that entity or is the manager of a limited

liability company that is the sole general partner or manager of that entity; (d) transfers of the general partnership or manager's interest in Borrower to a nonprofit public benefit corporation approved in advance by the City; (e) transfers of any limited partnership or membership interest in Borrower to an investor pursuant to the tax credit syndication of the Project; (f) the grant or exercise of an option agreement between Borrower and Borrower's general partner or manager or any of its affiliates in connection with the tax credit syndication of the Project where such agreement has been previously approved in writing by the City; (g) to remove or replace the General Partner in accordance with the terms of the Partnership Agreement, a transfer of any general partnership interest to a new general partner approved in advance by the City; or (h) as provided in Section 16.2 (Transfer of Commercial Space) below. Any other transfer, assignment, encumbrance or lease without the City's prior written consent will be voidable and, at the City's election, constitute an Event of Default under this Agreement. The City's consent to any specific assignment, encumbrance, lease or other transfer will not constitute its consent to any subsequent transfer or a waiver of any of the City's rights under this Agreement.

Transfer of Commercial Space. On or before the Conversion Date, Borrower may transfer the Commercial Space to an affiliated entity organized to own the Commercial Space, as reasonably approved by the City (the "Affiliated Commercial Owner"), and the City and the Borrower will amend the City Documents to the extent necessary to provide that the Loan applies to and the Deed of Trust and Declaration of Restrictions encumbers only the Residential Parcel, and the Affiliated Commercial Owner and the City will enter into a commercial ground lease pursuant to MOHCD's Commercial Underwriting Guidelines. Concurrently with execution of the ground lease for the Commercial Space with the Affiliated Commercial Owner, the City and the Affiliated Commercial Owner will enter into a loan agreement, and the Affiliated Commercial Owner will execute a Note and Deed of Trust on the same terms as set forth in the applicable City Documents (except as may be inapplicable to the Commercial Space) for a loan in an amount equal to the total costs incurred by the Borrower to complete the Commercial Space, projected to be \$\_\_\_\_\_\_\_, as set forth in Exhibit B-1, which amount will be subtracted from the amount due under the Note due from Borrower to the City.

## ARTICLE 17 INSURANCE AND BONDS; INDEMNITY.

- 17.1 <u>Borrower's Insurance</u>. Subject to approval by the City's Risk Manager of the insurers and policy forms, Borrower will procure and keep in effect, and cause its contractors and subcontractors to obtain and maintain at all times during any work or construction activities on the Site, the insurance and bonds as set forth in **Exhibit L** from the date the Deed of Trust is recorded in the Recorder's Office of San Francisco County until the expiration of the Compliance Term at no expense to the City.
- 17.2 <u>Borrower's Indemnity Obligations</u>. Borrower will indemnify, protect, defend and hold harmless each of the Indemnitees from and against any and all Losses arising out of:
  (a) any default by Borrower in the observance or performance of any of Borrower's obligations under the City Documents (including those covenants set forth in **Article 18** below); (b) any failure of any representation by Borrower to be correct in all respects when made; (c) injury or death to persons or damage to property or other loss occurring on or in connection with the Site

or the Project, whether caused by the negligence or any other act or omission of Borrower or any other person or by negligent, faulty, inadequate or defective design, building, construction, rehabilitation or maintenance or any other condition or otherwise; (d) any claim of any surety in connection with any bond relating to the construction or rehabilitation of any improvements or offsite improvements; (e) any claim, demand or cause of action, or any action or other proceeding, whether meritorious or not, brought or asserted against any Indemnitee that relates to or arises out of the City Documents, the Loan, the Site or the Project or any transaction contemplated by, or the relationship between Borrower and the City or any action or inaction by the City under, the City Documents; (f) the occurrence, until the expiration of the Compliance Term, of any Environmental Activity or any failure of Borrower or any other person to comply with all applicable Environmental Laws relating to the Project or the Site; (g) the occurrence, after the Compliance Term, of any Environmental Activity resulting directly or indirectly from any Environmental Activity occurring before the expiration of the Compliance Term; (h) any liability of any nature arising from Borrower's contest of or relating to the application of any Law, including any contest permitted under Sections 9.1, 9.2 and 18.2; or (i) any claim, demand or cause of action, or any investigation, inquiry, order, hearing, action or other proceeding by or before any Governmental Agency, whether meritorious or not, that directly or indirectly relates to, arises from or is based on the occurrence or allegation of any of the matters described in clauses (a) through (h) above, provided that no Indemnitee will be entitled to indemnification under this Section for matters caused solely by its own gross negligence or willful misconduct.

- Duty to Defend. Borrower acknowledges and agrees that its obligation to defend the Indemnitees under Section 17.2: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 17.2, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Borrower by the Indemnitee and continues at all times thereafter. In the event any action or proceeding is brought against an Indemnitee by reason of a claim arising out of any Loss for which Borrower has indemnified the Indemnitees, upon written notice, Borrower will answer and otherwise defend the action or proceeding using counsel approved in writing by the Indemnitee at Borrower's sole expense. Each Indemnitee will have the right, exercised in its sole discretion, but without being required to do so, to defend, adjust, settle or compromise any claim, obligation, debt, demand, suit or judgment against the Indemnitee in connection with the matters covered by this Agreement. The Indemnitee will give Borrower prompt notice of any Loss and Borrower has the right to defend, settle and compromise any such Loss; provided, however, that the Indemnitee has the right to retain its own counsel at the expense of Borrower if representation of such Indemnitee by the counsel retained by Borrower would be inappropriate due to conflicts of interest between such Indemnitee and Borrower. An Indemnitee's failure to notify Borrower promptly of any Loss does not relieve Borrower of any liability to such Indemnity under Section 17.2, unless such failure materially impairs Borrower's ability to defend such Loss. Borrower will seek the Indemnified Party's prior written consent to settle or compromise any Loss if Borrower contends that such Indemnitee shares in liability with respect thereto.
- 17.4 <u>No Limitation</u>. Borrower's obligations under **Section 17.2** are not limited by the insurance requirements under this Agreement.

17.5 <u>Survival</u>. The provisions of this Section will survive the repayment of the Loan and/or termination of this Agreement.

# ARTICLE 18 HAZARDOUS SUBSTANCES.

- Borrower's Representations. Borrower represents and warrants to the City that, to the best of Borrower's actual knowledge, without independent investigation or inquiry as of the Agreement Date, the following statements are true and correct except as disclosed in the Phase I Environmental Site Assessment performed by Langan Engineering and Environmental Services and dated October 2020 and the Phase II Environmental Site Assessment performed by Langan Engineering and Environmental Services and dated January 2021 or otherwise in writing: (a) the Site is not in violation of any Environmental Laws; (b) the Site is not now, nor has it been, used for the manufacture, use, storage, discharge, deposit, transportation or disposal of any Hazardous Substances, except in limited quantities customarily used in residences and offices and in compliance with Environmental Laws; (c) the Site does not consist of any landfill or contain any underground storage tanks; (d) the improvements on the Site do not consist of any asbestoscontaining materials or building materials that contain any other Hazardous Substances; (e) no release of any Hazardous Substances in the improvements on the Site has occurred or in, on, under or about the Site; and (f) the Site is not subject to any claim by any Governmental Agency or third party related to any Environmental Activity or any inquiry by any Governmental Agency (including the California Department of Toxic Substances Control and the Regional Water Quality Control Board) with respect to the presence of Hazardous Substances in the improvements on the Site or in, on, under or about the Site, or the migration of Hazardous Substances from or to other real property.
- 18.2 <u>Covenant</u>. Unless the City otherwise consents in writing, at all times from and after the date of this Agreement, at its sole expense, Borrower will: (a) comply with all applicable Environmental Laws relating to the Site and the Project, and not engage in or otherwise permit the occurrence of any Environmental Activity in violation of any applicable Environmental Laws or that is not customary and incidental to the intended use of the Site, *provided that* nothing contained in this Section will prevent Borrower from contesting, in good faith and by appropriate proceedings, any interpretation or application of Environmental Laws; and (b) deliver to the City notice of the discovery by Borrower of any event rendering any representation contained in this Section incorrect in any respect promptly following Borrower's discovery.
- 18.3 <u>Survival</u>. Borrower and City agree that this Article 18 is intended as City's written request for information (and Borrower's response) concerning the environmental condition of the Site as security as required by California Code of Civil Procedure § 726.5; and each provision in this Article (together with any indemnity applicable to a breach of any such provision) with respect to the environmental condition of the Site as security is intended by City and Borrower to be an "environmental provision" for purposes of California Code of Civil Procedure § 736, and as such it is expressly understood that Borrower's duty to indemnify City hereunder will survive: (a) any judicial or non-judicial foreclosure under the Deed of Trust, or

transfer of the Property in lieu thereof, (b) the release and reconveyance or cancellation of the Deed of Trust; and (c) the satisfaction of all of Borrower's obligation under the City Documents.

# ARTICLE 19 DEFAULT.

- 19.1 <u>Event of Default</u>. Any material breach by Borrower of any covenant, agreement, provision or warranty contained in this Agreement or in any of the City Documents that remains uncured upon the expiration of any applicable notice and cure periods contained in any City Document will constitute an "Event of Default," including the following:
- (a) Borrower fails to make any payment required under this Agreement within ten (10) days after the date when due; or
- (b) Any lien is recorded against all or any part of the Site or the Project without the City's prior written consent, whether prior or subordinate to the lien of the Deed of Trust or Declaration of Restrictions, and the lien is not removed from title or otherwise remedied to the City's satisfaction within thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or
- (c) Borrower fails to perform or observe any other term, covenant or agreement contained in any City Document, and the failure continues for thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or

- (f) Borrower is dissolved or liquidated or merged with or into any other entity; or, if Borrower is a corporation, partnership, limited liability company or trust, Borrower ceases to exist in its present form and (where applicable) in good standing and duly qualified under the laws of the jurisdiction of formation and California for any period of more than ten

- (10) days; or, if Borrower is an individual, Borrower dies or becomes incapacitated; or all or substantially all of the assets of Borrower are sold or otherwise transferred except as permitted under **Section 16.1**; or
- (g) Without the City's prior written consent, Borrower assigns or attempts to assign any rights or interest under any City Document, whether voluntarily or involuntarily, except as permitted under **Article 16**; or
- (h) Without the City's prior written consent, Borrower voluntarily or involuntarily assigns or attempts to sell, lease, assign, encumber or otherwise transfer all or any portion of the ownership interests in Borrower or of its right, title or interest in the Project or the Site except as permitted under **Article 16**; or
- (i) Without the City's prior written consent, Borrower transfers, or authorizes the transfer of, funds in any Account required or authorized under this Agreement; or
- (j) Either the Deed of Trust or the Declaration of Restrictions ceases to constitute a valid and indefeasible perfected lien on the Site and improvements, subject only to Permitted Exceptions; or
- (k) Borrower is subject to an order for relief by the bankruptcy court, or is unable or admits in writing its inability to pay its debts as they mature or makes an assignment for the benefit of creditors; or Borrower applies for or consents to the appointment of any receiver, trustee or similar official for Borrower or for all or any part of its property (or an appointment is made without its consent and the appointment continues undischarged and unstayed for sixty (60) days); or Borrower institutes or consents to any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, dissolution, custodianship, conservatorship, liquidation, rehabilitation or similar proceeding relating to Borrower or to all or any part of its property under the laws of any jurisdiction (or a proceeding is instituted without its consent and continues undismissed and unstayed for more than sixty (60) days); or any judgment, writ, warrant of attachment or execution or similar process is issued or levied against the Site, the improvements or any other property of Borrower and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or
- (l) Any material adverse change occurs in the financial condition or operations of Borrower, such as a loss of services funding or rental subsidies, that has a material adverse impact on the Project; provided that, if the Borrower provides an alternate funding source to cover a loss of funding or rental subsidy that is reasonably satisfactory to the City, a material adverse impact shall not be deemed to have occurred; or
- (m) Borrower fails to make any payments or disbursements required to bring the Loan in balance after the City determines that the Loan is out of balance; or

- (n) Before a certificate of occupancy or equivalent certification is issued for the Project, Borrower ceases rehabilitation or construction of the Project for a period of twenty-five (25) consecutive calendar days, and the cessation is not excused under **Section 19.3**; or
- (o) Borrower is in default of its obligations with respect to the Ground Lease or any funding obligation (other than the Loan) for the Project, and the default remains uncured following the expiration of any applicable cure periods; or
- (p) Borrower is in default of its obligations under any other material agreement entered into with the City and County of San Francisco, and the default remains uncured following the expiration of any applicable cure periods.

The limited partner of Borrower shall be entitled to cure any default described in this Section 19.1 on behalf of Borrower, and the City shall accept such cure on the same terms as cure by Borrower.

- 19.2 <u>Remedies</u>. During the pendency of an uncured Event of Default, the City may exercise any right or remedy available under this Agreement or any other City Document or at law or in equity. All of the City's rights and remedies following an Event of Default are cumulative, including:
- (a) The City at its option may declare the unpaid principal balance of the Notes, together with default interest as provided in the Notes and any other charges due under the Notes and the other City Documents, immediately due and payable without protest, presentment, notice of dishonor, demand or further notice of any kind, all of which Borrower expressly waives.
- (b) The City at its option may terminate all commitments to make Disbursements or to release the Site from the Deed of Trust or Declaration of Restrictions, or, without waiving the Event of Default, the City may determine to make further Disbursements or to release all or any part of the Site from the Deed of Trust or Declaration of Restrictions upon terms and conditions satisfactory to the City in its sole discretion.
- (c) The City may perform any of Borrower's obligations in any manner, in the City's reasonable discretion.
- (d) The City, either directly or through an agent or court-appointed receiver, may take possession of the Project and enter into contracts and take any other action the City deems appropriate to complete or construct all or any part of the improvements, subject to modifications and changes in the Project the City deems appropriate.
- (e) The City may apply to any court of competent jurisdiction for specific performance, or an injunction against any violation, of this Agreement or for any other remedies or actions necessary or desirable to correct Borrower's noncompliance with this Agreement.

- (f) Upon the occurrence of an Event of Default described in **Section 19.1(k)**, the unpaid principal balance of the Notes, together with default interest as provided in the Notes and any other charges due under the Notes and the other City Documents, will become due and payable automatically.
- (g) All costs, expenses, charges and advances of the City in exercising its remedies or to protect the Project will be deemed to constitute a portion of the principal balance of the Notes, even if it causes the principal balance to exceed the face amount of the Notes, unless Borrower reimburses the City within ten (10) days of the City's demand for reimbursement.
- 19.3 Force Majeure. The occurrence of any of the following events will excuse performance of any obligations of the City or Borrower rendered impossible to perform while the event continues: strikes; lockouts; labor disputes; acts of God; inability to obtain labor, materials or reasonable substitutes for either; governmental restrictions, regulations or controls, including, but not limited to, government health orders related to a pandemic or epidemic; judicial orders; enemy or hostile governmental actions; civil commotion; fire or other casualty and other causes beyond the control of the party obligated to perform. The occurrence of a force majeure event will excuse Borrower's performance only in the event that Borrower has provided notice to the City within thirty (30) days after the occurrence or commencement of the event or events, and Borrower's performance will be excused for a period ending thirty (30) days after the termination of the event giving rise to the delay.
- 19.4 <u>City's Recourse</u>. The City's recourse against Borrower following an Event of Default is limited as set forth more specifically in the Notes.

# ARTICLE 20 REPRESENTATIONS AND WARRANTIES.

- 20.1 <u>Borrower Representations and Warranties</u>. As a further inducement for the City to enter into this Agreement, Borrower represents and warrants as follows:

- (b) When duly executed, the City Documents will constitute the legal, valid and binding obligations of Borrower. Borrower hereby waives any defense to the enforcement of the City Documents related to alleged invalidity of the City Documents.
- (c) No action, suit or proceeding is pending or threatened that might affect Borrower or the Project adversely in any material respect.
- (d) Borrower is not in default under any agreement to which it is a party, including any lease of real property.

- (e) None of Borrower, Borrower's principals or Borrower's general contractor has been suspended or debarred by the Department of Industrial Relations or any Governmental Agency, including the City, nor has Borrower, any of its principals or its general contractor been suspended, disciplined or prohibited from contracting with any Governmental Agency.
- (f) The Loan is in balance, and the Funding Amount, together with all other committed sources of financing for the Project, are sufficient to complete the Project in accordance with this Agreement.
- (g) All statements and representations made by Borrower in connection with the Loan remain true and correct as of the date of this Agreement.
- (h) The Borrower is duly organized and in good standing under applicable laws of the State of California and is qualified to do business in the City and County of San Francisco.

# ARTICLE 22 GENERAL PROVISIONS.

- Subordination. The Deed of Trust may be subordinated to other financing secured by and used for development of the Project (in each case, a "Senior Lien"), but only if MOHCD determines in its sole discretion that subordination is necessary to secure adequate acquisition, construction, rehabilitation and/or permanent financing to ensure the viability of the Project. Following review and approval by MOHCD and approval as to form by the City Attorney's Office, the Director of MOHCD or his/her successor or designee will be authorized to execute any approved subordination agreement without the necessity of any further action or approval. Pursuant to San Francisco Administrative Code Chapter 120, the Declaration of Restrictions will not be subordinated to any financing secured by and used for the Project.
- No Third Party Beneficiaries. Nothing contained in this Agreement, nor any act of the City, may be interpreted or construed as creating the relationship of third party beneficiary, limited or general partnership, joint venture, employer and employee, or principal and agent between the City and Borrower or Borrower's agents, employees or contractors.

- 22.3 <u>No Claims by Third Parties</u>. Nothing contained in this Agreement creates or justifies any claim against the City by any person or entity with respect to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services with respect to the Project. Borrower will include this requirement as a provision in any contracts for the development of the Project.
- 22.4 <u>Entire Agreement</u>. This Agreement and its Exhibits incorporate the terms of all agreements made by the City and Borrower with regard to the subject matter of this Agreement. No alteration or variation of the terms of this Agreement will be valid unless made in writing and signed by the parties hereto. No oral understandings or agreements not incorporated herein will be binding on the City or Borrower.
- 22.5 <u>City Obligations</u>. The City's sole obligation under this Agreement is limited to providing the Funds as described in this Agreement, up to the Funding Amount. Under no circumstances, including breach of this Agreement, will the City be liable to Borrower for any special or consequential damages arising out of actions or failure to act by the City in connection with any of the City Documents.
- 22.6 <u>Borrower Solely Responsible</u>. Borrower is an independent contractor with the right to exercise full control of employment, direction, compensation and discharge of all persons assisting in the performance contemplated under this Agreement. Borrower is solely responsible for: (a) its own acts and those of its agents, employees and contractors and all matters relating to their performance, including compliance with Social Security, withholding and all other Laws governing these matters and requiring that contractors include in each contract that they will be solely responsible for similar matters relating to their employees; (b) any losses or damages incurred by Borrower, any of its contractors or subcontractors and the City and its officers, representatives, agents and employees on account of any act, error or omission of Borrower in the performance of this Agreement or any other City Document and the development and operation of the Project; and (c) all costs and expenses relating to Borrower's performance of obligations under the City Documents, the delivery to the City of documents, information or items under or in connection with any of the City Documents and taxes, fees, costs or other charges payable in connection with the execution, delivery, filing and/or recording of any City Document or document required under any City Document.
- 22.7 <u>No Inconsistent Agreements</u>. Borrower warrants that it has not executed and will not execute any other agreement(s) with provisions materially contradictory or in opposition to the provisions of this Agreement.
- 22.8 <u>Inconsistencies in City Documents</u>. In the event of any conflict between the terms of this Agreement and any other City Document, the terms of this Agreement control unless otherwise stated; *provided, however,* that any provision in this Agreement in conflict with any Law will be interpreted subject to that Law.
- 22.9 <u>Governing Law; Venue</u>. This Agreement is governed by California law without regard to its choice of law rules and the City's Charter and Municipal Code without regard to its choice of law rules. Any legal suit, action, or proceeding arising out of or relating to this

Agreement shall be instituted in the Superior Court for the City and County of San Francisco, and each party agrees to the exclusive jurisdiction of such court in any such suit, action, or proceeding (excluding bankruptcy matters). The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action, or proceeding in such court and irrevocably waive and agree not to plead or claim that any suit, action, or proceeding brought in San Francisco Superior Court relating to this Agreement has been brought in an inconvenient forum. The Parties also unconditionally and irrevocably waive any right to remove any such suit, action, or proceeding to Federal Court.

- 22.10 <u>Joint and Several Liability</u>. If Borrower consists of more than one person or entity, each is jointly and severally liable to the City for the faithful performance of this Agreement.
- 22.11 <u>Successors</u>. Except as otherwise limited herein, the provisions of this Agreement bind and inure to the benefit of the undersigned parties and their heirs, executors, administrators, legal representatives, successors and assigns. This provision does not relieve Borrower of its obligation under the City Documents to obtain the City's prior written consent to any assignment or other transfer of Borrower's interests in the Loan, the Site or the ownership interests in Borrower.

# 22.12 Reserved.

- 22.13 <u>Severability</u>. The invalidity or unenforceability of any one or more provisions of this Agreement will in no way affect any other provision.
- 22.14 <u>Time</u>. Time is of the essence in this Agreement. Whenever the date on which an action will be performed falls on a Saturday, Sunday or federal holiday, the date for performance will be deemed to be the next succeeding business day.
- 22.15 <u>Further Assurances</u>. Borrower agrees to: (a) pursue in an effective and continuous manner; (b) use best efforts to achieve; and (c) take all actions reasonably required by the City from time to time to confirm or otherwise carry out the purpose of this Agreement.
- 22.16 <u>Binding Covenants</u>. The provisions of the City Documents constitute covenants running with the land and will be binding upon Borrower and Borrower's successors and assigns, and all parties having or acquiring any right, title or interest in whatever form, including leasehold interests (other than Tenants and approved commercial tenants), in or to any part of the Property, except that the same will terminate and become void automatically at the expiration of the Compliance Term of this Agreement. Any attempt to transfer any right, title or interest in the Property in violation of these covenants will be void.
- 22.17 <u>Consent</u>. Except as expressly provided otherwise, whenever consent or approval of a party is required in any City Document, that party agrees not to withhold or delay its consent or approval unreasonably.

- 22.18 <u>Counterparts</u>. This Agreement may be executed in any number of counterparts, all of which will constitute but one agreement.
- 22.19 <u>Borrower's Personnel</u>. The Project will be implemented only by competent personnel under the direction and supervision of Borrower.
- 22.20 <u>Borrower's Board of Directors</u>. Borrower, or Borrower's manager or general partner, or the General Partner's managing member, as applicable, will at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors will meet regularly and maintain appropriate membership, as established in the bylaws and other governing documents of Borrower, Borrower's manager or Borrower's general partner, or the General Partner's managing member, as applicable, and will adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Such board of directors will exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Borrower of its obligations under this Agreement.

## **EXHIBIT A**

# Schedules of Income and Rent Restrictions

1. <u>Income and Rent Restrictions</u>. Maximum rent is 30% of maximum income level. As used in this Agreement, the term "Qualified Tenant" includes each category of Tenant included below, with the exception of one unrestricted 2BR manager unit:

Unit Size	No. of	Maximum Income Level
	Units	
Studio (NPLH)	45	30% of Median Income
Studio (NPLH)	25	35% of Median Income
1BR	4	35% of Median Income
2BR	9	35% of Median Income
3BR	7	35% of Median Income
Studio	30	50% of Median Income
1BR	4	50% of Median Income
2BR	19	50% of Median Income
1BR	7	60% of Median Income
2BR	16	60% of Median Income
3BR	3	60% of Median Income
1BR	5	70% of Median Income
2BR	22	70% of Median Income
3BR	3	70% of Median Income
1BR	4	75% of Median Income
2BR	15	80% of Median Income
3BR	2	80% of Median Income

Borrower will comply concurrently with the TCAC Regulatory Agreement, and Borrower will comply with the <u>lower of</u> (i) the maximum income and rent set forth above for each Unit, or (ii) the maximum income level of sixty percent (60%) of area median income as determined by TCAC, and a maximum monthly rent paid by the Qualified Tenants of thirty percent (30%) of sixty percent (60%) of area median income as determined by TCAC.

One Hundred Twenty (120) Units will be made available to Homeless Households during the period in which the City's Local Operating Subsidy program is in operation and the City provides such subsidy to the Project under the LOSP Agreement.

Of those one hundred twenty (120) Units, seventy (70) Units will be NPLH studios and targeted to residents who meet the Homeless Household under No NPLH Criteria for a period of 55 years. Such NPLH units are restricted to 30% of AMI as Determined by NPLH Regulations, however the AMI for the NPLH units may be increased to a maximum of 50% AMI consistent with the provisions under the NPLH Program Guidelines.

NPLH units will be operated under the requirements of NPLH as listed in <u>Exhibit M</u> of this Agreement, and as also included in the MOHCD Underwriting Guidelines and Local Operating Subsidy Program Policies & Procedures Manual.

If the LOSP is terminated, discontinued or reduced at no fault of Borrower with respect to the Project, then the rent restrictions above may be altered but only to the extent necessary for the Project to remain financially feasible, as determined in City's reasonable discretion; provided that:

- (a) Borrower diligently pursues an additional or alternative source of income or subsidy acceptable to the City to replace the rental subsidies.
- (b) One hundred percent (100%) of the Units formerly under LOSP will at all times be occupied by Qualified Tenants whose Adjusted Income does not exceed sixty percent (60%) of Median Income and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of sixty percent (60%) of Median Income, (b) less utility allowance. To the extent financially feasible, as mutually determined by the Parties, any such rent increase will be limited to (or will be first implemented with) any vacant units.

In such event, the City will use good faith efforts to meet with Borrower within fifteen (15) days after Borrower's request to meet. The relief provided by the foregoing will not be construed as authorizing Borrower to exceed any income or rent restriction imposed on the Project by CDLAC, CTCAC, or under any other agreement. Borrower covenants and warrants that it will obtain all necessary approvals or relief from any other applicable income or rent limitations before implementing the relief provided in this paragraph.

- 2. <u>Rent and Utilities</u>. The total amount for rent and utilities (with the maximum allowance for utilities determined by the San Francisco Housing Authority) charged to a Qualified Tenant may not exceed the greater of:
- (i) thirty percent (30%) of the applicable maximum income level, adjusted for household size; or
- (ii) the tenant paid portion of the contract rent as determined by the San Francisco Housing Authority for Qualified Tenants holding Section 8 vouchers or certificates.

Rents may be increased as permitted pursuant to Section 7.3 of the Agreement.

3. To the extent the Borrower needs to repay the full outstanding loan balance by the Maturity Date, the rent restrictions above may be altered, but only to the extent necessary for the Project to refinance and repay the full outstanding loan balance by the Maturity Date, as determined in City's reasonable discretion. One hundred percent (100%) of the Units must at all times be occupied by Qualified Households whose adjusted income does

not exceed sixty percent (60%) of area median income as determined by TCAC, and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of sixty percent (60%) of area median income as determined by TCAC (b) less utility allowance. The maximum initial occupancy income level restrictions when averaged for all Residential Units in the Project may not exceed sixty percent (60%) of area median income as determined by TCAC and shall be subject to any applicable regulatory agreement, restrictive covenant, or other encumbrance. In such event, Borrower will provide the City with a written request no less than one year prior to the Maturity Date, and the City will use good faith efforts to meet with Borrower within fifteen (15) days after Borrower's request to meet. To the extent financially feasible, as mutually determined by the Parties, any such rent increase will be limited to (or will be first implemented with) any vacant units.

# First Source Hiring Requirements and Numerical Goals

Borrower's use of Funds triggers the following hiring requirements imposed by the City's First Source Hiring Ordinance (San Francisco Administrative Code Chapter 83) as incorporated into MOHCD's Section 3 Plan.

Borrower's use of Funds triggers the following hiring requirements imposed by the City's First Source Hiring Ordinance (San Francisco Administrative Code Chapter 83). Borrower will, or will require its general contractor to, separately execute a First Source Hiring Agreement with the City as set forth below, although the lack of such a separate execution will not affect the requirements of Chapter 83 as incorporated herein.

- A. <u>Incorporation of Administrative Code Provisions by Reference</u>. The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor will comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement have the meanings assigned to such terms in Chapter 83.
- B. <u>First Source Hiring Agreement</u>. On or before the effective date of the Ground Lease, Borrower will, or will require its general contractor to, enter into a first source hiring agreement ("FSH Agreement") with the City, that will include the terms as set forth in Section 83.9(b). Borrower also enter into a FSH Agreement with the City for any other work that it performs in the City.
- C. <u>Hiring Decisions</u>. Borrower or its general contractor will make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.
- D. <u>Exceptions</u>. Upon application by Contractor, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.
- E. Liquidated Damages. Borrower agrees:
  - 1. To be liable to the City for liquidated damages as provided in this Section;
  - 2. To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this Section;
  - 3. That the Borrower's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will

cause harm to the City and the public which is significant and substantial but extremely difficult to quantity; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.

- 4. That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;
- 5. That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this Section is based on the following data:
  - a. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and
  - b. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to a contractor and who is hired in an entry level position is at least one year; therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.
- 6. That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

7. That in the event the City is the prevailing party in a civil action to recover liquidated damages for breach of a contract provision required by this Chapter, the contractor will be liable for the City's costs and reasonable attorney's fees.

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors will be made by the FSHA.

F. <u>Subcontracts</u>. Any subcontract entered into by Borrower or its general contractor will require the subcontractor to comply with the requirements of Chapter 83 and will contain contractual obligations substantially the same as those set forth in this Section.

#### **EXHIBIT E**

### Governmental Requirements

- Prevailing Wages and Working Conditions. Any undefined, initiallycapitalized term used in this Section will have the meaning given to such term in San Francisco Administrative Code Section 6.1. Every contract for the rehabilitation or construction of housing assisted with Funds will comply with Chapter I (commencing with Section 1720) of Part 7 of the California Labor Code (pertaining to the payment of prevailing wages and administered by the California Department of Industrial Relations) and contain a provision requiring: (1) the payment of not less than the Prevailing Rate of Wage to all laborers and mechanics employed in the development of any part of the housing, (2) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (3) employ Apprentices in accordance with state law and San Francisco Administrative Code Section 6.22(n) (collectively, "Prevailing Wage Requirements"). The Prevailing Wage Requirements of this Section apply to all laborers and mechanics employed in the development of the Project, including portions other than the assisted Units. Borrower agrees to cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. If applicable, Borrower will include, and require its Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Chapter 6.
- 2. <u>Environmental Review</u>. The Project will meet the requirements of the California Environmental Quality Act (Cal. Pub. Res. Code §§ 2100 *et seq.*) and implementing regulations.

#### 3. Conflict of Interest.

- (a) Except for approved eligible administrative or personnel costs, no employee, agent, consultant, officer or official of Borrower or the City who exercises or has exercised any function or responsibilities with respect to activities assisted by Funds, in whole or in part, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in or benefit from the activities assisted under this Agreement, or have an interest, direct or indirect, in any contract, subcontract or agreement with respect thereto, or in the proceeds thereunder either for himself/herself or for those with whom he/she has family or business ties, during his/her tenure and for one year thereafter. In order to carry out the purpose of this Section, Borrower will incorporate, or cause to be incorporated, in all contracts, subcontracts and agreements relating to activities assisted under the Agreement, a provision similar to that of this Section. Borrower will be responsible for obtaining compliance with conflict of interest provisions by the parties with whom it contracts and, in the event of a breach, Borrower will take prompt and diligent action to cause the breach to be remedied and compliance to be restored.
- (b) Borrower represents that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of the San Francisco Campaign and Governmental Conduct Code, and Sections 1090 through 1097 and 87100 *et seq.* of the California Government Code, all of which relate to prohibited conflicts of interest in connection with government contracts. Borrower certifies that it knows of no facts that constitute a violation of any of these provisions and agrees to notify the City immediately if Borrower at any time obtains knowledge of facts constituting a violation.
- (c) In the event of any violation of the conflict of interest prohibitions, Borrower agrees that the City may refuse to consider any future application for funding from Borrower or any entity related to Borrower until the violation has been corrected to the City's satisfaction, in the City's sole discretion.
- 4. <u>Disability Access</u>. Borrower will comply with all applicable disability access Laws, including the Americans With Disabilities Act (42 U.S.C. §§ 1201 *et seq.*), Section 504 of the Rehabilitation Act (29 U.S.C. § 794) and the Fair Housing Amendments Act (42 U.S.C. §§ 3601 *et seq.*). Borrower is responsible for determining which disability access Laws apply to the Project, including those applicable due to the use of Funds. In addition, before occupancy of the Project, Borrower will provide to the City a written reasonable accommodations policy that indicates how Borrower will respond to requests by disabled individuals for accommodations in Units and common areas of the Project.
- 5. <u>Lead-Based Paint</u>. Borrower will satisfy the requirements of Chapter 36 of the San Francisco Building Code ("Work Practices for Exterior Lead-Based Paint") and the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821 *et seq.*) and implementing regulations at 24 CFR part 35. Borrower will also comply with the

provisions contained in 17 CCR 350000 *et seq.*, and 8 CCR 1532.1 and all other applicable Laws governing lead-based hazards.

- 6. <u>Relocation</u>. Borrower will meet any applicable requirements of the California Relocation Assistance Act (Cal. Gov. Code §§ 7260 *et seq.*) and implementing regulations in Title 25, Chapter 6 of the California Administrative Code and similar Laws.
- 7. Low-Income Hiring Requirements. The use of Funds triggers compliance with certain hiring requirements imposed by the City's First Source Hiring Ordinance (S.F. Admin. Code Chapter 83). To ensure compliance with those requirements, Borrower will include the provisions attached as **Exhibit D** in its contract with the general contractor for the Project. Borrower will be responsible to the City for ensuring compliance with the requirements listed on **Exhibit D**.

# 8. Non-Discrimination in City Contracts and Benefits Ordinance.

- (a) <u>Borrower Will Not Discriminate</u>. In the performance of this Agreement, Borrower agrees not to discriminate against any employee, City and County employee working with Borrower or any subcontractor, applicant for employment with Borrower or any subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services or membership in all business, social or other establishments or organizations operated by Borrower on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, height, weight, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.
- (b) <u>Subcontracts</u>. Borrower will incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code. Borrower's failure to comply with the obligations in this subsection will constitute a material breach of this Agreement.
- (c) <u>Non-Discrimination in Benefits</u>. Borrower does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

- (d) <u>Condition to Contract</u>. As a condition to this Agreement, Borrower will execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the executed form by the San Francisco Contract Monitoring Division.
- (e) <u>Incorporation of Administrative Code Provisions by Reference.</u>
  The provisions of Chapters 12B ("Nondiscrimination in Contracts") and 12C ("Nondiscrimination in Property Contracts") of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Borrower will comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Borrower understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Borrower and/or deducted from any payments due Borrower.
- 9. <u>MacBride Principles</u>. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Borrower acknowledges and agrees that he or she has read and understood this Section.
- 10. <u>Tropical Hardwood & Virgin Redwood Ban</u>. Pursuant to § 804(b) of the San Francisco Environment Code, City urges all grantees and borrowers not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.
- 11. Preservative-Treated Wood Containing Arsenic. Borrower may not purchase preservative-treated wood products containing arsenic until the Deed of Trust has been fully reconveyed unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" will mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Borrower from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" will mean a pressure-treated wood that is

used for construction purposes or facilities that are partially or totally immersed in saltwater.

- 12. <u>Submitting False Claims; Monetary Penalties</u>. Any borrower, grantee, contractor, subcontractor or consultant who submits a false claim will be liable to the City for the statutory penalties set forth in that section. A borrower, grantee, contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the borrower, grantee, contractor, subcontractor or consultant:
- (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval;
- (b) knowingly makes, uses or causes to be made or used a false record or statement to get a false claim paid or approved by the City;
- (c) conspires to defraud the City by getting a false claim allowed or paid by the City;
- (d) knowingly makes, uses or causes to be made or used a false record or statement to conceal, avoid or decrease an obligation to pay or transmit money or property to the City; or
- (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

# 13. Sunshine Ordinance.

- (a) Borrower acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, will be open to inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Borrower that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request. Further, Borrower specifically agrees that any meeting of the governing body of its general partner/manager that addresses any matter relating to the Project or to Borrower's performance under this Agreement will be conducted as a passive meeting.
- (b) By executing this Agreement, Borrower agrees to comply with the provisions of Chapter 12L of the San Francisco Administrative Code to the extent applicable.

- (c) In accordance with the Citizen's Right to Know Act of 1998 (S. F. Admin. Code Chapter 79), no officer, department, board or commission of the City may approve a City Project, as defined in Chapter 79, unless a sign has been posted on the applicable property at least fifteen (15) days before approval. A City Project is a project that involves new construction, a change in use or a significant expansion of an existing use where the City funding for the project is \$50,000 or more. If the Loan will be used for a City Project, this Agreement will not become effective until fifteen (15) days following the posting of the requisite sign, or, in the alternative, thirty (30) days following the delivery of written notices to residents and owners within 300 feet of the Site, and the City will have the right to nullify or revoke this Agreement without cost or liability of any sort whatsoever at any time before that date. If Borrower believes that this Agreement relates to a City Project and that the requisite sign has not been posted, Borrower will notify the City so that the City may determine the applicability of Chapter 79, and, if necessary, post the requisite sign.

Borrower agrees that any failure of Borrower to comply with the requirements of Section 12M.2 of this Chapter will be a material breach of the Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against Borrower pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar Borrower.
- of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti will be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.
- (a) Borrower will remove all graffiti from any real property owned or leased by Borrower in the City and County of San Francisco within forty eight (48) hours

of the earlier of Borrower's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a Borrower to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" will not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

- (b) Any failure of Borrower to comply with this section of this Agreement will constitute an Event of Default of this Agreement.
- 17. <u>Resource-Efficient Building Ordinance</u>. Borrower acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Chapter 7 relating to resource-efficient City buildings and resource-efficient pilot projects. Borrower hereby agrees it will comply with the applicable provisions of such code sections as such sections may apply to the Property.
  - 18. Consideration of Criminal History in Hiring and Employment Decisions.
- (a) Borrower agrees to comply fully with and be bound by all of the provisions of Chapter 12T "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code (Chapter 12T), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at www.sfgov.org/olse/fco. A partial listing of some of Borrower's obligations under Chapter 12T is set forth in this Section. Borrower is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement will have the meanings assigned to such terms in Chapter 12T.
- (b) The requirements of Chapter 12T will only apply to a Borrower's or Subcontractor's operations to the extent those operations are in furtherance of the performance of this Agreement, will apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, will apply only when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco, and will not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

- (c) Borrower will incorporate by reference in all subcontracts the provisions of Chapter 12T, and will require all subcontractors to comply with such provisions. Borrower's failure to comply with the obligations in this subsection will constitute a material breach of this Agreement.
- (d) Borrower or Subcontractor will not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.
- (e) Borrower or Subcontractor will not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection 16.16(d), above. Borrower or Subcontractor will not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.
- (f) Borrower or Subcontractor will state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be performed under this Agreement, that the Borrower or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.
- (g) Borrower and Subcontractors will post the notice prepared by the Office of Labor Standards Enforcement (OLSE), available on OLSE's website, in a conspicuous place at every workplace, job site, or other location under the Borrower or Subcontractor's control at which work is being done or will be done in furtherance of the performance of this Agreement. The notice will be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the workplace, job site, or other location at which it is posted.
- (h) Borrower understands and agrees that if it fails to comply with the requirements of Chapter 12T, the City will have the right to pursue any rights or remedies available under Chapter 12T, including but not limited to, a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Agreement.
- 19. <u>Food Service Waste Reduction Requirements</u>. Borrower agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Borrower agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Borrower

agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount will not be considered a penalty, but rather agreed monetary damages sustained by City because of Borrower's failure to comply with this provision.

- 20. <u>Bottled Drinking Water</u>. Unless exempt, Borrower agrees to comply fully with and be bound by all of the provisions of the San Francisco Bottled Water Ordinance, as set forth in San Francisco Environment Code Chapter 24, including the administrative fines, remedies, and implementing regulations provided therein, as the same may be amended from time to time. The provisions of Chapter 24 are incorporated herein by reference and made a part of this Agreement as though fully set forth.
- Public Power. From and after the effective date of the Ground Lease, 21. Borrower will procure water and sewer service from the City and electricity, telephone, natural gas, and any other utility service from the City or utility companies providing such services, and will pay all connection and use charges imposed in connection with such services. From and after the effective date of the Ground Lease, as between the City and Borrower, Borrower will be responsible for the installation and maintenance of all facilities required in connection with such utility services to the extent not installed or maintained by the City or the utility providing such service. All electricity necessary for operations on the Site will be purchased from the San Francisco Public Utilities Commission ("PUC"), at PUC's standard rates charged to third parties, unless PUC determines, in its sole judgment, that it is not feasible to provide such service to the Premises. PUC is the provider of electric services to City property, and the Interconnection Services Department of SFPUC's Power Enterprise coordinates with Pacific Gas and Electric Company and others to implement this service. To arrange for electric service to the Site, Borrower will contact the Interconnection Services Department in the Power Enterprise of the SFPUC.
- 22. <u>Local Business Enterprise and Non-Discrimination in Contracting Ordinance</u>. Borrower will comply with the applicable requirements of the Local Business Enterprise Utilization and Non-Discrimination in Contracting Ordinance under Administrative Code Chapter 14B ("LBE Ordinance") and will incorporate such requirements in contracts with any Contractors and Subcontractors.

# Notice of Availability of 2020 Annual Monitoring Report Form

(plus reminders of Marketing Procedure and Serious Incident Protocol)

The Mayor's Office of Housing and Community Development (MOHCD) is pleased to announce the availability of the Annual Monitoring Report (AMR) forms for Reporting Year 2020 (RY2020). The forms are now available to be downloaded from the <u>Asset Management page</u> of the MOHCD web site. In addition, training videos on how to complete the AMR are available. See below for more information.

#### **IMPORTANT INFORMATION RELATED TO COVID-19**

MOHCD recognizes the impact that the COVID-19 crisis is having on the organizations that we support, especially those providing essential services. It is vitally important to take measures to protect your staff, residents and clients from contracting and spreading COVID-19. We urge all affordable housing owners and managers to follow the guidelines, recommendations and orders from the U.S. Centers for Disease Control, the State of California and the San Francisco Department of Public Health. MOHCD is also taking action to address the needs of the projects under our purview:

- MOHCD <u>published a memo</u> clarifying MOHCD's current Operating Reserves requirements.
- MOHCD extended the 2020 AMR due date by one month (see below for detailed info) for projects whose business year ran from 7/1/2019 to 6/30/2020.

MOHCD is allowing project sponsors to retain a larger share of 2020 surplus cash/residual receipts than is allowed under their financing agreements with MOHCD. For more information, read the notice regarding the COVID-19 Allowance. This opportunity is limited to projects whose business year ran from 7/1/2019 to 6/30/2020. The COVID-19 Allowance may not be available to some projects that are subject to MOHCD financing, regulatory or ground lease agreements that include limits on distributions of surplus cash/residual receipts. To benefit from the Allowance, owners of such projects will have to request amendments to those agreements that would remove such limits. For more information, read the "Notice Regarding Option to Remove Caps on Distributions of Residual Receipts."

If this crisis is preventing you from responding thoroughly and quickly to any request from MOHCD, please do whatever you can to let us know of your limitations and to propose alternatives. Thank you for everything that you are doing on behalf of the people your organization serves and for all of the people of San Francisco.

**Deadline:** For projects whose business year ended June 30, 2020, the report will be due on January 8, 2021, for the period 7/1/2019-6/30/2020, unless noted otherwise in a project-specific notice sent by MOHCD. For any projects whose 2020 business year ended or will end on different dates than those above, the report will be due 5 months from the last date of that business year.

# **Completion and Submission Instructions**

The Annual Monitoring Report consists of the following four parts:

**I.** AMR\_RY2020 – project name.xlsx – This is a Microsoft Excel spreadsheet that is comprised of the following worksheets:

Instructions

1A. Property & Residents

1B. Transitional Programs

1C. Eviction Data

2. Fiscal Activity

3A. Occupancy & Rent Info

3B. Demographic Information

3C. Demographic Summary

4. Narrative

5. Project Financing

6. Services Funding

7. Supplementary Audit Information

Required by MOHCD

Completeness Tracker

Provide all applicable information that is requested in worksheets 1-7. Use the Instructions to help you complete each form and the Completeness Tracker to help you to determine when each worksheet is complete.

Use Question #1 on the Narrative worksheet to explain any data that you provide that may be unclear or better understood with additional information. In addition, certain questions in this report prompt you to supply an explanation for your answers on the Narrative worksheet. Failure to supply the required explanation will render your submission incomplete.

Submit this report as an Excel file only; do not convert it to pdf or another file type. Changing the format of AMR\_RY2020.xlsx without MOHCD's prior approval is not allowed. Do not overwrite any validations for any of the cells, alter any formulas or add or delete any rows or columns. If you need to revise the form in order to successfully complete the report, submit a request to <a href="mailto:moh.amr@sfgov.org">moh.amr@sfgov.org</a>.

# II. Owner Compliance Certification Form and Documentation of Insurance

The certification form is a Microsoft Word document that must be completed, signed and dated by the Executive Director (or other authorized officer) of the entity that owns the project. Scan the form along with documentation of insurance and email it to MOHCD as a single document. For each project, you must provide certificates of liability insurance and property insurance that are current as of the date of submittal of the AMR.

#### III. Audited Financial Statements

Provide financial statements for the project for Reporting Year 2020. They must be prepared by a certified public accountant in accordance with generally accepted accounting principles, applicable regulations and laws and with the City's "Audit Requirements for MOHCD-Funded Projects" a copy of which is posted on MOHCD's Asset Management web page. If the project is owned by a single asset entity, provide separate financial statements just for the project, otherwise provide audited statements for the parent corporation. Also include copies of any Management Letters and special notes from the auditor that pertain to the property and the financial statements.

MOHCD's audit requirements call for the preparation of a supplemental section to the financial statements that includes the following:

- schedule of operating revenues
- schedule of operating expenses
- computation of cash flow/surplus cash
- summary of project reserve activity

The supplemental section may be prepared by using worksheet #7 of the AMR or a form generated by the accounting system of the project owner or the auditor.

IMPORTANT: Audited financial statements are a required submittal of the Annual Monitoring Report. Do not submit the AMR until the audit has been finalized. AMRs that are submitted without an audit or with a draft audit will not be accepted.

# IV. Waiting List

Submit a copy of the project's waiting list that is current as of the date of submittal. The waiting list must include the following information for each person or household who has applied to live at the project and is still waiting to be considered for an available unit:

- name of head-of-household
- contact information
- date of application
- number of people in the household

- stated household income
- desired unit size

This requirement is not applicable to transitional housing projects, residential treatment programs, shelters, group homes or permanent supportive housing for homeless people that is leased through a closed referral system.

Completed AMRs must be submitted electronically, via one email message per project to moh.amr@sfgov.org. If the documents that comprise the report are too large to attach to a single email, compress the files into a zip file and attach it to the email.

# **AMR Training - On-Demand Videos**

To facilitate completion of the AMR by project sponsors, MOHCD has created training videos that provide step-by-step instructions on how to complete the Excel reporting form and how to submit the report overall. There are ten video modules that vary in length from two to 30 minutes and may be viewed on-demand from the <u>Asset Management page</u> of the MOHCD web site. We strongly encourage all persons who are involved in preparing the AMR to watch the videos. If you experience any technical difficulties with accessing and viewing the videos, please contact Ricky Lam at <u>ricky.lam@sfqov.org</u> or 415-701-5542.

# Marketing Procedure for Available Units and Waiting List Openings

Before advertising the availability of units for lease in a project or the opening of the waiting list, owners and property managers *must* notify MOHCD of this action by completing a Marketing Plan Template and submitting it to the assigned staff person on MOHCD's asset management and compliance monitoring team. The template is available on the Asset Management page of our web site, under "Marketing Requirements for MOHCD-Financed Multifamily Rental Projects." Once the marketing plan is approved, MOHCD will post information about the available units or opening of the waiting list on DAHLIA – the City's internet portal where members of the public may get information and apply for affordable housing. General information for people seeking affordable housing in San Francisco can also be found on our web site at this location.

# **Serious Incident Protocol**

To ensure that MOHCD is kept informed of serious incidents that occur at projects financed by this office, we have established the following protocol for reporting serious, negative events such as accidents, criminal activity or equipment failure. The report should be filed only after emergency procedures have been followed and the situation has been stabilized.

MOHCD requests that owners of projects financed by this office notify us in writing if a serious incident occurs at their properties and meets one or more of the following parameters:

- Involves serious injury or death
- Is a serious, violent crime that involves a major police action (e.g. shooting)
- Causes the building or a significant number of units to be off-line
- Requires a resident to move out of a unit one month or longer
- Damage to the building is significant enough to require the use of reserves

The owner should notify the MOHCD asset manager assigned to the project and provide the following information:

- The date of the incident
- A description of the incident
- A description of what has been and is being done in response
- The name, phone and email of the staff that should be contacted if there are questions
- Confirmation that 1) the property insurance is current and 2) the insurance company has been contacted; a brief summary of their response, if available
- Statement of whether or not the organization plans to use the project's reserves to pay for corrective action

## EXHIBIT H

## **Tenant Selection Plan Policy**

This policy is in addition to the obligations to comply with applicable federal, state and local civil rights laws, including laws pertaining to reasonable accommodation and limited English proficiency (LEP),<sup>1</sup> and the applicable provision of the Violence Against Women Act, Pub. Law 109-62 (January 5, 2006), as amended.

## **Application Process**

- **Application Materials**. MOHCD will provide an application to be used prior to the housing lottery. The housing provider agrees to use this application to determine lottery eligibility. The housing provider's written and/or electronic application materials should:
  - o outline the screening criteria that the housing provider will use;
  - be in compliance with San Francisco Police Code Article 49 or the Fair Chance Ordinance,
  - outline how an applicant may request a modification of the admission process and/or a change in admission policies or practices as a reasonable accommodation;
  - o be written in language that is clear and readily understandable,
- **First Interview**. In accordance with the housing provider policies, an initial interview is required to assess each applicant's minimum eligibility requirements for housing units. All applicants will be offered the opportunity for an interview in lottery rank order.
- **Second Interview**. Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.
- Confidentiality. All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process. All applicant information will be retained for 12 months after the final applicant interview.
- **Delays in the Process**. If delays have occurred or are likely to occur in the application and screening process or the process exceeds the housing provider's normal timeline for application and screening, the housing provider will immediately inform the referring agency and the funding agency, of the status of the application, the reason for the delay and the anticipated time it will take to complete the application process.

<sup>&</sup>lt;sup>1</sup>See for e.g., Title VIII of the Civil Rights Act of 1968 (Fair Housing Act), 42 U.S.C. §§ 3601, et seq.; 24 C.F.R. Part 100; Title VI of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d-2000d-7; Executive Order 13,166, Improving Access to Services for Persons with Limited English Proficiency (August 11, 2000); Department of Housing and Urban Development Limited English Proficiency Guidance, 72 Fed. Reg. 2732 (Jan. 22, 2007); Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794; 24 C.F.R. Parts 8 and 9; Title II of the Americans with Disabilities Act of 1990, as amended; California Fair Employment and Housing Act, Gov't Code §§ 12,955-12,956.2; Unruh Civil Rights Act, Civil Code § 51; California Disabled Persons Act, Civil Code § 51.4; Dymally-Alatorre Bilingual Services Act, Gov't Code §7290-7299.8; San Francisco Language Access Ordinance, No. 202-09 (April 14, 2009)

- **Problems with the Referring Agency**. If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the housing provider will immediately contact the referring agency, if possible, and the funding agency, DPH or HSA.
- <u>Limited English Proficiency Policy.</u> Throughout the application process, the housing provider will comply with City policy for language access requirements for applicants with limited English proficiency.

## Reasonable Accommodation and Modification Policy

**Reasonable Accommodation**: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider's rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

**Reasonable Modification**: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- o a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

**Response to Request**: The housing provider will respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider will grant the request if the provider determines that:

- o the applicant has a disability;
- o reasonable accommodation or modification is necessary because of the disability; and
- o the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection will explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

## **Notice of Denial and Appeal Process**

- The housing provider will:
  - o Hold a comparable unit for the household during the entire appeal process.
  - o promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:
    - list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
    - explain how the applicant can request an in person appeal to contest the decision;
    - state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
    - inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
    - provide referral information for local legal services and housing rights organizations;
    - describe the evidence that the applicant can present at the appeal;
  - o give applicants denied admission a date within which to file the appeal, which will be at least ten (10) business days from the date of the notice;
  - o unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
  - o confine the subject of the appeal to the reason for denial listed in the notice;
  - o give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
  - o have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
  - o within 5 business days of the in person appeal, provide the applicant with a written decision that states the reason for the decision and the evidence relied upon. A copy of the written decision will be sent (electronically or otherwise) to the referring agency and the funding agency.
- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Chance Ordinance imposes additional notice requirements.

## EXHIBIT I

## **Tenant Screening Criteria Policy**

The screening criteria and considerations outlined below encourage providers to "screen in" rather than "screen out" applicants. These requirements are also designed to satisfy the requirements of San Francisco Police Code Article 49, Sections 4901-4920 or the Fair Chance Ordinance. This policy describes a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

## **Screening Criteria**

- Housing providers will not automatically bar applicants who have a criminal record<sup>2</sup> in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers will not consider:
  - o arrests that did not result in convictions, except for an open arrest warrant;
  - o convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;<sup>3</sup>
  - o juvenile adjudications.
- Housing providers will consider:
  - o the individual circumstances of each applicant; and
  - o the relationship between the offense, and
    - (1) the safety and security of other tenants, staff and/or the property; and
    - (2) mitigating circumstances such as those listed below.
  - only those offenses that occurred in the prior 7 years, except in exceptional situations, which will be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity.
  - o mitigating factors, including, but not limited to:
    - (1) the seriousness of the offense;
    - (2) the age and/or circumstances of the applicant at the time of the offense;
    - (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader;

<sup>&</sup>lt;sup>2</sup> The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

<sup>&</sup>lt;sup>3</sup> The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release "from all penalties and disabilities resulting from the offense."

- (4) if the offense is related to acts of domestic violence committed against the applicant;
- (5) if the offense was related to a person's disability.

Developer Fee Policy

## Mayor's Office of Housing and Community Development Policy on Development Fees For Tax Credit Projects Effective October 16, 2020

This MOHCD Policy on Development Fees for Tax Credit Projects applies to all developments seeking City funding in conjunction with new Tax Credit financing for the current project, including recapitalization projects with existing MOHCD loans. This does not apply to non-Tax Credit projects such as Small Sites Program (SSP) projects, which are subject to the SSP Program Guidelines. It also does not apply to HOPE SF or RAD projects, which are subject to separate developer fee policies.

Developers may include fees in their project budgets according to the terms below.

- **I. MINIMUM FEES:** 5% of total development costs.
- **II. MAXIMUM FEES:** Notwithstanding any other section of this Policy, the maximum Total Fee that may be included in basis is the Tax Credit limit (currently 15% of Eligible Basis) subject to the additional limitations identified below.

## A. <u>Total Development Fee</u>

("Total Fee") for different project types are further detailed below, and reflect the sum of the Cash-Out Fee (Base, Additional, and Deferred) and Non Cash-Out Fee (Deferred and General Partner Equity Contribution).

### **B.** Fee Components

1. Cash-Out Fee (Base and Additional)

	9% Project -		
Maximum		4% Project - Maximum	
Project Type	Cash-Out Fee	Cash-Out Fee	Notes
New Construction	TCAC Maximum	The lesser of TCAC Maximum or \$2,200,000 (Base) + \$10,000 per unit over 100 units (Additional), if additional cash-out requires no additional MOHCD gap funding.	
Newly Acquired and Substantially Rehabilitated (Per unit Hard Cost >= \$75,000)	TCAC Maximum	Same as new construction fee.	-Hard Cost is defined as "Total Construction Costs" summed in the MOHCD Application in cell K37, Tab 4b-PermS&U.
Substantial Rehabilitation (Per unit Hard Cost >=\$75,000) by Existing or Affiliate GP Includes New City Funds or Re-structured City Debt	50% TCAC Maximum	The lesser of TCAC maximum or \$1,100,000 (Base) + \$10,000 per unit over 100 units (Additional), if additional cash-out requires no additional MOHCD gap funding.	-Sponsor may take the allowable fee for Newly Acquired and Rehabilitated projects described above if 1) in the project's original syndication, sponsor did not take the maximum allowable developer fee; or 2) sponsor adds new affordable units to the project.

			-Hard Cost is defined as "Total Construction Costs" summed in the MOHCD Application in cell K37, Tab 4b-PermS&U.  -Sponsor cash out permissible only per MOHCD Cash Out Acquisition/Rehabilitation, Resyndication, and Refinancing Policy.
Recapitalization, acquisition, or transfer with less than \$75,000 Per unit hard cost capital improvements	No Foo	No Foo	-Hard Cost is defined as "Total Construction Costs" summed in the MOHCD Application in cell K37, Tab 4b-PermS&U.  -Sponsor cash out permissible only per MOHCD Cash Out Acquisition/Rehabilitation, Resyndication, and Refinancing Policy.
	No Fee	No Fee	

- a. A note about Cash-Out Additional Fee: If Eligible Basis is less than Threshold Basis, projects over 100 units may take up to \$10,000 per unit over 100 as cash-out fee, but only if such cash payment does not require additional gap funding from MOHCD (see MOHCD Application, Tab 8-DevFeeCalc, for calculation).
- 2. <u>Cash-Out Fee (Deferred)</u>: If Eligible Basis is less than Threshold Basis, Developers may include a Cash-Out Deferred Fee component in the Total Fee up to the aggregate of 50% of surplus cash flow taken over the project's first 15 years of operation (after typical payments of base ground rent, the general partner management fee, and investor asset management fee, if applicable). Cash-Out Deferred Fee is shown as both a source and a use of funds in the capital budget. Developers may use industry standard inflators of income and expenses to calculate Cash-Out Deferred Fee.
  - a. Distributions of surplus cash as Deferred Fee are in lieu of (not in addition to) the typical 33.3% distribution of surplus cash to the Sponsor. At Year 15 of operations, or earlier if the Deferred Fee is fully repaid before then, a surplus cash distribution shall commence at 33.3% of surplus cash (after typical payments of base ground rent, the general partner management fee, and investor asset management fee, if applicable).
  - b. For projects supported by the Local Operating Subsidy Program, Cash-Out Deferred Fee must be taken over a minimum time period of 5 years.
- 3. Non-Cash Out Fee (Deferred and General Partner Equity Contribution): Where Eligible Basis is less than Threshold Basis, Developers should include in Total Fee the maximum amount available for re-contribution as General Partner Equity or as Non-Cash Out Deferred Fee. It is

MOHCD's intent to use Deferred Fee and General Partner Equity Contribution up to 15% of Eligible Basis to reduce MOHCD's overall contribution to projects, so that MOHCD may invest its funds in the most projects possible. MOHCD will work with developers, lenders, and investors to ensure that the developer fee structure meets MOHCD financing goals and feasibility considerations.

4. Commercial Developer Fee is not addressed in this Policy. Please see MOHCD's Commercial Underwriting Guidelines for information regarding development fees associated with Commercial, Community Serving Commercial, and Public Benefit Use spaces.

**III. FEE DISTRIBUTION**: The Cash-Out Base Fee shall be divided equally between "Project Management Fee" and "At-Risk Fee" (subject to the "At-Risk Fee Adjustment" described below). Any Cash-Out Additional Fee will be distributed as At-Risk Fee. Cash-Out Fees (Base and Additional) shall be distributed according to achievement of certain development milestones, as follows:

Example below assumes Base Fee is \$2.2 M and Additional Fee is \$300,000.

#### % of Fee **Project Management Milestone** Distributed **Fee Amount** Acquisition, if applicable, or predevelopment loan closing (or another agreed-upon milestone if acquisition is not applicable, e.g. being awarded a City-owned site through a RFQ/RFP process)\* 15% \$165,000 During Predevelopment with no more than 50% of the total Project Management Fee to be disbursed prior to construction closing\* 35% \$385,000 At Construction Closing 20% \$220,000 During Construction (disbursed upon request depending on % of construction completion) or at Completion of Construction 20% \$220,000 Project Close-Out: Placed-In-Service application; 100% lease-up; City approval of sponsor's project completion report and documents; and City acceptance of final cost certification. 10% \$110,000 TOTAL PROJECT MANAGEMENT FEE 100% \$1,100,000

<sup>\*</sup>Joint Venture development team partners must split all Fee during the pre-development period 50%-50%. This helps ensure the new or emerging partner has access to Fee upfront to support their participation in the project and their capacity building.

TOTAL AT-RISK FEE	100%	\$1,400,000

#### A. At-Risk Fee Adjustment

When outside funding sources limit the Cash Out Fee to a value less than allowed under this Policy (e.g., California's Department of Housing and Community Development), the Developer may still be paid a maximum of \$1.1M as a Project Management Fee and the At-Risk Fee shall be reduced to bring the total Cash-Out Fee (Base and Additional) in line with the outside funding source cap.

#### IV. WAIVERS OF THE DEVELOPER FEE POLICY

The Citywide Affordable Housing Loan Committee may approve a waiver or modification of any portion of this Policy for the purpose of assuring project feasibility. All recommendations related to this Policy are subject to the Mayor's approval in his or her sole discretion.

#### V. CDBG or HOME REQUIREMENTS

If MOHCD uses CDBG or HOME funds to pay the development fee, it is considered "program income", and, should MOHCD request it, the Sponsor must provide a report to MOHCD on its use of developer fees.

Recipients of CDBG administrative funding may not also receive a Project Management Fee for the same project covering the same time period.

#### **VI. POLICY IMPLEMENTATION**

This Policy applies to any development that has not received its gap financing commitment or debt restructuring approval from MOHCD by the effective date of the Policy.

Hold Harmless Policy for MOHCD's Income Limits & Maximum Rents Effective: 5/3/2019 (update to the initial policy that was effective 2/19/2016)

#### **Background**

Every year, the United States Department of Housing and Urban Development ("HUD") publishes area median income ("AMI") data for jurisdictions across the United States. The City and County of San Francisco, acting through its Mayor's Office of Housing and Community Development ("MOHCD"), is a part of the San Francisco HUD Metropolitan Fair Market Rent Area ("SF HMFA"), which contains San Francisco, San Mateo and Marin County. MOHCD uses HUD's unadjusted AMI for SF HMFA as opposed to adjusted AMI, which is inflated to reflect high cost factors, to establish the income limits, maximum rents and sales prices that apply to affordable housing projects and programs regulated by MOHCD.

In 2016, MOHCD established a Hold Harmless Policy which stated that in any year when AMI decreased, MOHCD would maintain the income limits, maximum rents and sales prices at the previous year's levels in order to protect the operational integrity of affordable and inclusionary housing developments.

#### **Purpose**

This update to the Hold Harmless Policy (this "Policy") adds a limit to annual increases to income limits, maximum rents and sales prices published by MOHCD in order to mitigate the significant financial burden on low- and moderate-income tenants and homebuyers during periods of high escalation of AMI in San Francisco.

This Policy establishes the following:

- Limit annual increases to income limits, maximum rents, and sale prices to a maximum of 4%i
- Uphold the current policy of maintaining income limits, maximum rents and sales prices at the previous year's levels in years when AMI, as published by HUD, has decreased.

This Policy is intended to limit harm by:

- 1. Protecting tenants from displacement due to annual rent increases that would cause a significant financial burden; and
- 2. Protecting the operational integrity of housing developments so that owners are able to cover operating costs that typically increase annually, even when AMI decreases; and

3. Ensuring that San Francisco's low-, moderate- and middle-income workforce retain access to homeownership opportunities.

#### **Hold Harmless Limits**

For the purpose of this Policy:

"HUD SF AMI" means the maximum income by household size, maximum rent by unit type, and maximum sales prices as published annually by MOHCD, derived from the median income determined by HUD for the San Francisco area, adjusted solely for household size, but not high housing cost area, also referred to as "Unadjusted Median Income".

"MOHCD AMI" means the maximum income by household size, maximum rent by unit type, and maximum sales prices as published annually by MOHCD under this Policy.

"Housing Provider" means any person or entity that owns a multi-family property that is restricted for the purpose of affordable housing and/or subject to MOHCD administration, regulations, or policies.

<u>Limited Increases</u>: Annual increases to MOHCD AMI shall be limited to the <u>lesser of</u>: (1) the percentage amount necessary to adjust MOHCD AMI to match the then-current year's HUD SF AMI, or (2) four percent (4%)<sup>i</sup>. This Policy limits year-over-year increases to MOHCD AMI to 4% in periods of high HUD SF AMI escalation, while allowing MOHCD AMI to "catch up" to HUD SF AMI during periods when HUD SF AMI grows slowly, is static, or decreases.

<u>Limited Decreases</u>: This update to the Policy does not eliminate the Hold Harmless Policy adopted in 2016. In years when the MOHCD AMI matches the HUD SF AMI, and the subsequent year's HUD SF AMI decreases, MOHCD will maintain the MOHCD AMI from the previous year. If, in subsequent years, HUD SF AMI decreases again, stays flat, or increases to a level that is still lower than before the initial decrease, MOHCD will maintain its published AMI until such time as the HUD SF AMI increases to a level that is greater than the MOHCD AMI.

The application of this Policy may result in the creation of a calculation of MOHCD AMI that is different than the HUD SF AMI. The below chart demonstrates how this Policy would be applied over a hypothetical 6-year period:

	Base Year	Ye	ar 2	Year 3		Year 4		Year 5		Year 6	
	AMI	AMI	% Change	AMI	% Change	AMI	% Change	AMI	% Change	AMI	% Change
HUD SF AMI	100.0	108.0	8.0%	107	-0.9%	111	3.9%	109.0	-2.0%	112.5	3.2%
MOHCD AMI	100.0	104.0	4.0%	107	2.9%	111	3.9%	111	0.0%	112.5	1.2%

#### **Utility Allowances**

Notwithstanding anything to the contrary in this Policy, it is important to note that a Housing Provider will be required to lower net rents (i.e. tenant-paid rent) as the result of increases in utility allowances in years when the MOHCD AMI matches the HUD SF AMI, and HUD SF AMI has decreased or remained flat. MOHCD AMI establishes the limits for maximum gross rent (aka "Tier 2 rent" under the City's Inclusionary Housing Manual)," which consists of tenant rent plus utility allowance. If HUD SF AMI decreases or remains flat, and therefore MOHCD AMI remain the same as the previous year, an increase in the utility allowance means that the tenant rent would have to be lowered.

## MOHCD Hold Harmless Policy – Update Effective 5/3/2019 Page 3 of 3

#### Limited Hardship Waiver

MOHCD will consider, in its sole discretion, a waiver of this Policy from a Housing Provider with rental units restricted under contracts (i.e., loan agreement, grant agreement, or other agreement for funding from the City) with MOHCD upon demonstration that: (1) the MOHCD AMI imposes a financial hardship that puts at risk the Housing Provider's ability to cover reasonable operating costs and debt service, (2) existing tenants will not be unreasonably financially burdened by the Housing Provider's proposed rent increases, and (3) the Housing Provider is not in default under any contract with MOHCD. Any waiver from this Policy approved by MOHCD, in its sole discretion, shall apply for only one year. Housing Providers are solely responsible for providing MOHCD with any documentation requested by MOHCD to support a hardship waiver of this Policy.

<sup>1</sup> The application of the 4% increase is made on the amount for the 100% AMI level for a 4-person family. MOHCD continues to using rounding to the nearest \$50 on the calculations for all of the other income levels and household sizes. The use of rounding may create nominal differences in the percentage increases for all of the other max income levels and household sizes, as well as for all of the maximum rents.

## **Insurance Requirements**

Subject to approval by the City's Risk Manager of the insurers and policy forms, Borrower will obtain and maintain, or caused to be maintained, the insurance and bonds as set forth below from the date of this Agreement or other applicable date set forth below throughout the Compliance Term at no expense to the City:

- 1. <u>Liability Insurance</u>. Borrower will obtain and maintain, or cause its contractors, subcontractors, property managers and/or agents, as appropriate for each, to obtain and maintain, insurance and bonds as follows:
- (a) to the extent Borrower or its contractors and subcontractors have "employees" as defined in the California Labor Code, workers' compensation insurance with employer's liability limits not less than One Million Dollars (\$1,000,000) each accident, injury or illness;
- (b) commercial general liability insurance, with limits no less than Two Million Dollars (\$2,000,000) combined single limit per occurrence and Four Million Dollars (\$4,000,000) annual aggregate limit for bodily injury and property damage, including coverage for contractual liability; personal injury; fire damage legal liability; advertisers' liability; owners' and contractors' protective liability; products and completed operations; broad form property damage; and explosion, collapse and underground (XCU) coverage during any period in which Borrower is conducting any activity on, alteration or improvement to the Site with risk of explosions, collapse, or underground hazards;

If the professional liability insurance provided by the architects, engineers, or surveyors is "Claims made" coverage, Borrower will assure that these minimum limits are maintained for no less than three (3) years beyond completion of the constructions or remodeling. Any deductible over Fifty Thousand Dollars (\$50,000) each claim will be reviewed by Risk Management; and
- (e) a crime policy or fidelity bond covering Borrower's officers and employees against dishonesty with respect to the Funds of no less than Seventy-Five Thousand Dollars (\$75,000) each loss, with any deductible not to exceed Fifty Thousand Dollars (\$50,000) each loss, including the City as additional obligee or loss payee;
- (f) as applicable, pollution liability and/or asbestos pollution liability covering the work being performed with a limit no less than Two Million Dollars (\$2,000,000) per claim or occurrence and Two Million Dollars (\$2,000,000) annual aggregate per policy. This

coverage will be endorsed to include Non-Owned Disposal Site coverage. This policy may be provided by the Borrower's contractor, provided that the policy will be "claims made" coverage and Borrower will require Borrower's contractor to maintain these minimum limits for no less than three (3) years beyond completion of the construction or remodeling.

- 2. <u>Property Insurance</u>. Borrower will maintain, or cause its contractors and property managers, as appropriate for each, to maintain, insurance and bonds as follows:
  - (a) During the course of construction:
- (i) Builder's risk insurance, special form coverage, excluding earthquake and flood, for one hundred percent (100%) of the replacement value of all completed improvements and City property in the care, custody and control of the Borrower or its contractor, including coverage in transit and storage off-site; the cost of debris removal and demolition as may be made reasonably necessary by such covered perils, resulting damage and any applicable law, ordinance or regulation; start up, testing and machinery breakdown including electrical arcing, copy of the applicable endorsement to the Builder's Risk policy, if the Builder's Risk policy is issued on a declared-project basis; and with a deductible not to exceed One Hundred Thousand Dollars (\$100,000) each loss, including the City and all subcontractors as loss payees.
- (ii) Performance and payment bonds of contractors, each in the amount of One Hundred Percent (100%) of contract amounts, naming the City and Borrower as dual obligees or other completion security approved by the City in its sole discretion.
  - (b) Upon completion of construction:
- (i) Property insurance, excluding earthquake and flood, in the amount no less than One Hundred Percent (100%) of the replacement value of all completed improvements and City property in the care, custody and control of the Borrower or its contractor. For rehabilitation/construction projects that are unoccupied by residential or commercial tenants, Tenant will obtain Property Insurance by the date that the project receives a Certificate of Substantial Completion.
- (ii) Boiler and machinery insurance, comprehensive form, covering damage to, loss or destruction of machinery and equipment located on the Site that is used by Borrower for heating, ventilating, air-conditioning, power generation and similar purposes, in an amount not less than one hundred percent (100%) of the actual replacement value of such machinery and equipment with a deductible not to exceed Ten Thousand Dollars (\$10,000) each loss, including the City as loss payee.

The following notice is provided in accordance with the provisions of California Civil Code Section 2955.5: Under California law, no lender will require a borrower, as a condition of receiving or maintaining a loan secured by real property, to provide hazard insurance coverage against risks to the improvements on that real property in an amount exceeding the replacement value of the improvements on the property.

- 3. <u>Commercial Space</u>. Borrower will require that all nonresidential tenants' liability insurance policies include Borrower and the City as additional insureds, as their respective interests may appear. Throughout the term of any lease of Commercial Space in the Project, Borrower will require commercial tenants to maintain insurance as follows:
- (a) to the extent the tenant has "employees" as defined in the California Labor Code, workers' compensation insurance with employer's liability limits not less than One Million Dollars (\$1,000,000) each accident;
- (b) commercial general liability insurance, with limits not less than One Million Dollars (\$1,000,000) each occurrence, combined single limit for bodily injury and property damage, including coverage for contractual liability; personal injury; advertisers' liability; including coverage for loss of income due to an insured peril for twelve (12) months; owners' and contractors' protective; broadform property damage; explosion, collapse and underground (XCU); products and completed operations coverage;

## 4. General Requirements.

- (a) Required Endorsements. Borrower's insurance policies will include the following endorsements:
- (i) Commercial General Liability and Commercial Automobile Liability Insurance policies will be endorsed to name as "Additional Insured" the City and County of San Francisco, its officers, agents, and employees.
- (ii) The Workers' Compensation policy(ies) will be endorsed with a waiver of subrogation in favor of the City for all work performed by the Borrower, its employees, agents, contractor(s), and subcontractors.

- (iii) Commercial General Liability and Commercial Automobile Liability Insurance policies will provide that such policies are primary insurance to any other insurance available to the "Additional Insureds," with respect to any claims arising out of this Agreement, and that the insurance applies separately to each insured against whom claim is made or suit is brought.
- (iv) All policies will be endorsed to provide thirty (30) days' advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in coverages. Notices will be sent to the City address set forth in Section 21.1 of the Agreement.

Borrower will provide the City with copies of endorsements for each required insurance policy and make each policy available for inspection and copying promptly upon request.

- (b) Certificates of Insurance. By no later than Loan closing and annually thereafter, Borrower will furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Borrower's liability under this Agreement.
- (c) Waiver of Subrogation Property Insurance. With respect to any property insurance, Borrower hereby waives all rights of subrogation against the City to the extent of any loss covered by Borrower's insurance, except to the extent subrogation would affect the scope or validity of insurance.
- (d) Claims Based Policies. All claims based on acts, omissions, injury or damage occurring or arising in whole or in part during the policy period must be covered. If any required insurance is provided under a claims-made form, Borrower will maintain coverage as follows:
- (i) for builder's risk, continuously for a period ending no less than three (3) years after recordation of a notice of completion without lapse, to the effect that, if any occurrences give rise to claims made after completion of the Project, then those claims will be covered by the claims-made policies; or
- (ii) for all other insurance under this Exhibit L, continuously through the Compliance Term and, without lapse, for a period of no less than three (3) years beyond the expiration of the Compliance Term, to the effect that, if any occurrences during the Compliance Term give rise to claims made after expiration of the Agreement, then those claims will be covered by the claims-made policies.

## (e) Additional Requirements.

(i) If any of the required insurance is provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or

legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit will be double the occurrence or claims limits specified above.

- (ii) Any and all insurance policies required under this Exhibit L will contain a clause providing that the City and its officers, agents and employees will not be liable for any required premium.
- (iii) On City's request, Borrower and City will periodically review the limits and types of insurance carried under this Exhibit L. If the general commercial practice in the City and County of San Francisco is to carry liability insurance in an amount or coverage materially greater than the amount or coverage then being carried by Borrower for risks comparable to those associated with the Permit Area, then City in its sole discretion may require Permittee to increase the amounts or coverage carried by Borrower to conform to the general commercial practice, unless Borrower demonstrates to the City's satisfaction that the increased coverage is commercially unreasonable and unavailable to Borrower.
- (iv) Borrower's compliance with the insurance requirements under this Exhibit L will in no way relieve or decrease Borrower's indemnification obligations under this Agreement or any of Borrower's other obligations under this Agreement.

#### Exhibit M NPLH Requirements

#### VII. ADDENDUM 1: KEY REQUIREMENTS OF NO PLACE LIKE HOME PROGRAM

For supportive housing funded by the State of California's No Place Like Home Program, MOHCD has developed this addendum to summarize key requirements of the NPLH Program. Sponsors of NPLH-funded supportive housing must comply with all relevant requirements of the NPLH Program Guidelines. The full program guidelines are available at the State of California Housing and Community Development Department's website: <a href="http://www.hcd.ca.gov/grants-funding/active-funding/nplh.shtml#guidelines">http://www.hcd.ca.gov/grants-funding/active-funding/nplh.shtml#guidelines</a>.

The goal of MOHCD's NPLH Program is to facilitate acquisition, design, construction, rehabilitation, and preservation of affordable multifamily rental housing for persons with a serious mental illness who are homeless, chronically homeless, or at-risk of chronic homelessness. Qualifying multifamily structures must collectively contain five or more units and shall consist of scattered site housing and multifamily affordable developments. Shared housing is not an eligible development under MOHCD's guidelines.

Please disregard provisions of the HCD NPLH Program Guidelines in Article III, related to the Capitalized Operating Subsidy Reserve (COSR) and transition reserve requirements, as these are superseded by MOHCD's own guidelines found in the LOSP Policies and Procedures.

**Eligible Uses of Funds.** MOHCD will evaluate each qualified multifamily project for suitability for NPLH funding. Awarding NPLH funding is conditional on acceptance or eligibility for available state funding. The total amount of funds to be awarded to NPLH-assisted units shall not exceed the costs associated with assisted units. To determine these costs, the cost allocation rules from the State of California's Multifamily Housing Program Regulations (25 California Code of Regulations, Section 7304(c)) that govern eligible uses of funds shall apply.

http://www.hcd.ca.gov/grants-funding/already-have-funding/uniform-multifamily-regulations/docs/MHPandSHRegs5\_14\_05.pdf

**Selection Criteria.** MOHCD will evaluate the site's eligibility for NPLH funding utilizing the following criteria identified in the HCD NPLH Guidelines (section 301(a) 4-8 and 13-14), including, but not limited to:

- Suitability of each location for the NPLH residents, including proximity to transportation, services, and other amenities in a manner that ensures integration of the NPLH residents in the community;
- The Project site must be free from severe adverse environmental conditions, such as the presence of toxic waste that is economically infeasible to remove and that cannot be mitigated.
- All units must be on a permanent foundation and must meet all applicable State and local
  requirements pertaining to rental housing, including but not limited to, requirements for
  minimum square footage, and requirements related to maintaining the property in a safe and
  sanitary condition.

- Readiness to proceed to construction;
- Capital, operating subsidy, and supportive services leverage;
- Compliance with applicable state and federal relocation laws including California Government Code Section 7260 et seq., and 25 CCR Section 6000 et seq.; and
- Compliance with Article XXXIV Section 1 of the California Constitution, as clarified by Public Housing Election Implementation Law (H&S Code Section 37000 et seq.).

**Experience.** MOHCD will evaluate the experience of the project team including the development sponsor, property manager, and lead service provider to ensure that the following minimum experience requirements are met:

- (1) Development and ownership of at least two affordable rental housing projects in the last ten years, with at least one of those projects containing at least one unit housing a tenant who qualifies as a member of the NPLH target population
- (2) Property management operation of at least two affordable rental housing projects in the last ten years, with at least one of those projects containing at least one unit housing a tenant who qualifies as a member of the NPLH target population
- (3) Lead services provider, which may be the County, shall have three or more years of experience serving persons who qualify as members of the NPLH target population. If this experience does not include experience serving persons in supportive housing, it must include experience helping persons address barriers to housing stability or providing other support services related to housing retention (from Section 202 (e) that details Project Threshold Requirements)

**Integration.** Proposed projects must demonstrate integration of the NPLH target population with the general public. In order to demonstrate compliance with this requirement, following conditions must be met:

- (1) Assisted units must be integrated with other units in the project and not separated onto separate floors or areas in the building
- (2) To promote integration of the target population with other project tenants, in projects of greater than 20 units, MOHCD will fund no more than 49 percent of the project's total units as NPLH assisted units. This limitation shall not be interpreted to preclude occupancy of any project units by persons with disabilities, or restrictions by other funding sources, including but not limited to TCAC, that result in more than 49 percent of the total project units being restricted to persons with disabilities
- (3) Sponsors must certify that they will facilitate or provide regular community building activities and architectural design features that promote tenant interaction, as feasible depending on the scope of the construction or rehabilitation activity
- (4) The service plan and property management plan submitted with the funding application must document policies that promote participation by tenants in community activities, and impose no restrictions on guests that are not otherwise required by other project funding sources or would not be common in other unsubsidized rental housing in the community. (from Section 202 (g))

#### A. Uses and Terms of NPLH Program Assistance (from Section 302 of NPLH Program Guidelines)

MOHCD will allocate NPLH funds to finance capital costs of supportive housing development including but not limited to acquisition, design, construction, rehabilitation, or preservation of affordable multifamily rental housing. (from Section 302 (a))

MOHCD will not allocate NPLH funds to capitalize operating subsidy reserves for assisted units. (from Section 302 (b))

NPLH funds may be provided as predevelopment, construction, or post-construction permanent financing. If funding is used as predevelopment or construction financing, NPLH funding must convert to post construction permanent financing. (from Section 302 (d))

NPLH allocations to multifamily rental housing of five of more units shall be provided in the form of a deferred payment loan that shall have an initial affordability period of 55 years or longer commencing on the date of recordation of the NPLH regulatory agreement. (Section 302 (e)) The loan may bear a zero percent interest rate. Any interest payment, loan repayments, or other return of funds must be returned to the State Department of Housing and Community Development pursuant to Welfare and Institutions Code Section 5849.4 (b) that governs the NPLH Program. (from Section 302 (e))

https://leginfo.legislature.ca.gov/faces/codes\_displaySection.xhtml?lawCode=WIC&sectionNum=5849.
4 (included as reference only)

Program funds shall be secured by the project's real property and improvements, and subject only to liens, encumbrances and other matters of record approved by MOHCD. (from Section 302 (f))

MOHCD may charge reasonable and customary annual monitoring feeds to be used in conjunction with administration funds for compliance monitoring required under Section 311 of the NPLH Program Guidelines during the applicable period of affordability set forth in Section 302, paragraph (e). These fees must be based upon the average actual cost of performing the monitoring of the assisted units. The basis for determining the amount of the fee must be documented and the fee must be included in the costs of the project as part of the project underwriting analysis. (from Section 302 (g)). Currently, MOHCD has opted not to charge a separate NPLH monitoring fee. Any changes to this policy would be made to these Underwriting Guidelines.

NPLH funds not committed to projects within 24 months of award by the State Department of Housing and Community Development shall be returned to the State, and such funds shall be made available for award to applicants as part of the State's Competitive Allocations. Evidence of committed funds may include award letters, commitment letters, or other written agreements evidencing a commitment of funds. (from Section 302 (h))

#### B. Occupancy, Income and Rent Limit Requirements (from Section 303 of NPLH Program Guidelines)

Occupancy of all NPLH assisted units shall be restricted to households with at least one member who qualifies as a member of the target population. (from Section 303 (a)) The NPLH target population includes adults or older adults with a serious mental disorder or children or adolescents with serious emotional disturbance who are homeless, chronically homeless, or at-risk of chronic homelessness. This

includes persons with co-occurring mental and physical disabilities or co-occurring mental and substance use disorders. (from the State's Welfare and Institutions Code Section 5600.3 (a) and (b) that governs the Mental Health Services Act Program and the target population for the MHSA Program)

http://leginfo.legislature.ca.gov/faces/codes\_displaySection.xhtml?sectionNum=5600.3.&lawCode=WIC

Total household income at the time of move-in shall not exceed 30 percent AMI limit as published by the State Department of Housing and Community Development. (from Section 303 (a))

Income determination shall be made in accordance with the requirements in the State of California's Multifamily Housing Program Regulations that govern the calculation of gross income and net income for eligible households for assisted units (25 California Code of Regulations, Section 6914 and 25 CCR, Section 6916) (from Section 303 (b))

For assisted units, if at the time of recertification, a tenant household's income exceeds the 30 percent AMI level and this increase is based solely on the current SSI/SSP payment rate or cost of living adjustment, the household rent shall not exceed 30 percent of household income. These units shall continue to be designated as assisted units. (from Section 303 (c))

For assisted units, if at the time of recertification, a tenant household's income exceeds the 30 percent AMI level and this increase is based on factors other than or in addition to the current SSI/SSP payment rate or cost of living adjustment, to the extent a rent increase for the household is permitted by statutes and regulations governing the project's other financing sources, the sponsor:

- (1) Shall redesignate the tenant's unit as a unit at the higher income level, provided that there are non-assisted units restricted at the higher income level. These units shall not be designated as NPLH assisted units.
- (2) Shall increase the tenant's rent to the level applicable to units at the higher income level; and
- (3) Shall designate the next available comparable non-assisted unit as an assisted unit by the income level originally applicable to the household unit the unit mix required by the program regulatory agreement is achieved.
- (4) If all of the project units are assisted units, that project can continue with the over-income unit until such time as the over-income household(s) no longer reside in the project.
- (5) A unit shall be deemed comparable if it has the same number of bedrooms and reasonably similar square footage as the original unit. (from Section 303 (d))

For assisted units, if at the time of recertification, a tenant household's income exceeds the income limit designated for the household's unit, but does not exceed the limit for a higher income level applicable to new NPH tenants, the sponsor may increase the household's rent to an amount not exceeding the closest rent limit applicable to the household's income level at the time of recertification. (from Section 303 (e))

Projects shall maintain documentation of tenant eligibility consistent in all of the following ways, as applicable:

(1) Documentation of an adult or older adult with a serious mental disorder or a child or adolescent with a serious emotional disturbance, as provided by a qualified mental health worker in

- accordance with the requirements of WIC Section 5600.3 (from the State's Welfare and Institutions Code Section 5600.3 that governs the Mental Health Services Act Program and the target population for the MHSA Program)
- (2) Documentation of a person's status as homeless or chronically homeless as defined in Section 101 of the NPLH Program Guidelines and established through the local coordinated entry system or atrisk of chronic homelessness as defined in Section 101 of the NPLH Program Guidelines and established through the local coordinated entry system or other procedures for determining qualification
- (3) In no event shall a person be required to be a client of San Francisco County's behavioral health department or a recipient of mental health or other services in order to qualify for or remain in an assisted unit (from Section 303 (f))

These occupancy, income and rent limit requirements shall apply for the full term of the NPLH program loan (from Section 303 (g))

#### C. Underwriting Standards and Other Requirements (from Section 304 of NPLH Program Guidelines)

All assisted units shall have rents restricted to 30 percent AMI or below as specified in the project regulatory agreement with MOHCD, except as otherwise permitted in the above Occupancy, Income and Rent Limit Requirements (detailed in Section 303 (c) of NPLH Program Guidelines) (from 304 (a)).

Rent levels shall be expressed in five percent increments as a percentage of SMI (from 304 (b)).

Before committing funds to project, MOHCD must evaluate the project in accordance with underwriting standards it has chosen to use for this program. These standards must consider at a minimum, such things as: reasonableness of projected construction and operating expenses, income and expense escalators, vacancy rate assumptions, debt coverage ratio, operating reserves, replacement reserves, budgeted construction contingency, limits on development costs, developer fees, asset management and partnership fees, and use of operating cash flow (from 304 (c)).

The maximum amount of assistance per assisted unit shall take into account the number of bedrooms per unit or other measures of unit size, as well as the level of affordability provided per unit, with more affordable units being provided more subsidy (from Section 304 (d)).

The total amount of program assistance to a project shall not exceed the eligible costs associated with assisted units in accordable with a methodology that allocates costs among the assisted and non-assisted units in reasonable proportion to their anticipated share of costs (from Section 304 (e)). The total amount of NPLH funds per site will be determined at the sole determination of MOHCD, subject to funding availability and HCD limitations on State funds stacking, and in no case higher than the gap between the cost to build and the other available subsidies.

California Labor Code Section 1720 et seq. requires payment of prevailing wages for certain developments paid for in whole or in part from any public funding source, and exempts other developments from this requirement. All funds provided under this program are public funds within the meaning of these Labor Code sections. Program funding for a portion of a project shall not necessarily, in and of itself, be considered public funding of the entire project. MOHCD shall be responsible for determining on a case-by-case basis, the extent of the applicability of state prevailing wage law to each individual project. (from Section 304 (f)).

#### http://leginfo.legislature.ca.gov/faces/codes displaySection.xhtml?lawCode=LAB&sectionNum=1720.

Projects of five or more units must meet the accessibility requirements specified in the California Tax Credit Allocation Committee regulations, as may be amended and renumbered from time to time, including those of Section 10325(f)(7)(K) and, for senior projects, those of Section 10325(g)(2)(B) and (C), or a higher standard if required by MOHCD. Exemption requests, as provided for in the TCAC regulations, must be approved by MOHCD. Projects must also provide a preference for accessible units to persons with disabilities requiring the features of the accessible units in accordance with Section 10337(b)(2) of the TCAC regulations, or a higher standard if required by MOHCD. All projects must also ensure that any other applicable federal, state, and local accessibility requirements are met. (from Section 304 (g)).

https://www.treasurer.ca.gov/ctcac/programreg/2018/20180516/clean.pdf (CCR governing CTCAC regulations)

Projects shall have a transition reserve (further described in the LOSP Policies and Procedures) in an amount established by the MOHCD in the event that any project-based rental assistance is not renewed and the project cannot secure other rental or operating subsidies to continue without immediately raising rents on the assisted units.

- (1) If rent increases on the assisted units are necessary after exhausting all transition reserve funds such increases shall only be permitted to the minimum extent required for financial feasibility, as determined by MOHCD. In addition, rents on assisted units shall not, in any event, be increased to an amount in excess of 30 percent of 50 percent of AMI, adjusted by number of bedrooms.
- (2) MOHCD shall notify the State Department of Housing and Community Development at least 12 months in advance of any rent increase on the assisted units due to exhaustion of the transition reserve
- (3) If rent increases on the assisted units are necessary due to loss of rental or operating assistance, if it is determined that NPLH tenants will need to move after exhausting all transition reserve funds, a transition plan shall be implemented to identify other permanent housing options that may be more affordable to NPLH tenants who cannot afford the increased rent, and to assist those persons in accessing other available housing. Funds from the transition reserve may be used for these expenses. (from Section 304 (h))

#### D. **Operating Budget Requirements**

MOHCD shall review annually proposed annual operating budgets of funded projects to ensure that budget line items, including any proposed rent increases, are reasonable and necessary in light of costs for comparable permanent supportive housing projects and prior year budgets (from Section 306).

#### E. Supportive Services Requirements

Each application selected for funding must include a project-specific supportive services plan developed by the county in partnership with the project sponsor, supportive service providers, and the property manager. (from Section 203 (a))

The property management staff and service providers must make participation in supportive services by NPLH tenants voluntary. Access to or continued occupancy in housing cannot be conditioned on participation in services or on sobriety. The supportive services plan must describe the services to be made available to NPLH tenants in a manner that is voluntary, flexible and individualized, so NPLH tenants may continue to engage with supportive services providers, even as the intensity of services needed may change. Adaptability in the level of services should support tenant engagement and housing retention. (from Section 203 (b))

The following supportive services shall be made available to NPLH tenants based on tenant need. Available mental health services shall be provided directly by the County or through a subcontracted lead service provider. The County or the County's lead service provider for the Project shall coordinate the provision of or referral to services needed by individual tenants, including but not limited to substance use treatment services, for a minimum of 20 years. Except as otherwise noted below, the following required services can be provided onsite at the project or offsite at another location easily accessible to tenants:

- (1) Case management;
- (2) Peer support activities;
- (3) Mental health care, such as assessment, crisis counseling, individual and group therapy, and peer support groups;
  - (4) Substance use services, such as treatment, relapse prevention, and peer support groups;
  - (5) Support in linking to physical health care, including access to routine and preventive health and dental care, medication management, and wellness services;
  - (6) Benefits counseling and advocacy, including assistance in accessing SSI/SSP, enrolling in Medi-Cal; and
  - (7) Basic housing retention skills (such as Unit maintenance and upkeep, cooking, laundry, and money management). (from Section 203 (c))

The following additional information shall be provided in the supportive services plan:

- (1) Description of the Target Population to be served, and identification of any additional subpopulation target or occupancy preference for the NPLH Project that the Applicant wishes to undertake beyond what is permitted under the Target Population requirements. Any additional subpopulation targeting or occupancy preference for NPLH Project must be approved by the Department prior to construction loan closing and must be consistent with federal and state fair housing requirements;
- (2) Description of tenant outreach, engagement and retention strategies to be used;
- (3) Description of each service to be offered, how frequently each service will be offered or provided depending on the nature of the service, who is anticipated to be providing the services and the location and general hours of availability of the services;
- (4) For services provided off-site, the plan must describe what public or private transportation options will be available to NPLH tenants in order to provide them reasonable access to these services. Reasonable access is access that does not require walking more than ½ mile.
- (5) Description of how the supportive services are culturally and linguistically competent for persons of different races, ethnicities, sexual orientations, gender identities, and gender expressions. This includes explaining how services will be provided to NPLH tenants who do not speak English, or have other communication barriers, including sensory disabilities, and how communication among the services providers, the property manager and these tenants will be facilitated;

- (6) Estimated itemized budget, and sources of funding for services;
- (7) Description of how the supportive services staff and property management staff will work together to prevent evictions, to adopt and ensure compliance with harm reduction principles, and to facilitate the implementation of reasonable accommodation policies from rent-up to ongoing operations of the Project;
- (8) General service provider and property manager communication protocols;
- (9) Description of how the physical design of the Project fosters tenant engagement, onsite supportive services provision, safety and security, and sustainability of furnishings, equipment, and fixtures; and (10) Other information needed by the Department to evaluate the supportive services to be offered consistent with the Program. (from Section 203 (e))

Copies of draft written agreements or memoranda of understanding (MOUs) must be provided which identify the roles and responsibilities of the County, the project owner, other service providers, and the property manager. Specific organizations do not need to be identified unless those organizations are used to satisfy the experience requirements required to submit an application under NPLH Project Threshold Requirements. The draft written agreements or MOUs must be materially consistent with the information set forth in the supportive services plan. (from Section 203 (f))

MOHCD may request that any necessary updates to the supportive services plan or related documents, including fully executed written agreements between the County, service providers, the Project owner, and the property manager, be provided prior to the beginning of the initial rent-up period or prior to permanent loan closing. (from Section 203 (g))

#### F. Tenant Selection, Rental Agreements and Grievance Procedure Requirements

Chronically homeless and homeless persons shall be referred to NPLH assisted units through the local coordinated entry system (from Section 307 (a)).

If San Francisco's coordinated entry system cannot refer persons at-risk of chronic homelessness, the County will first prioritize chronically homeless and homeless persons through the local coordinated entry system. Then, San Francisco will develop an alternate system to prioritize those with the greatest need who are at-risk of chronic homelessness for NPLH assisted units. (from Section 307 (b))

Projects utilizing MOHCD's Noncompetitive Allocation of NPLH funding shall first prioritize homeless individuals with a serious mental illness and then individuals at-risk of chronic homelessness with a serious mental illness. (from Section 307 (c))

MOHCD shall have reasonable standards for project rental agreements, property management plans, and tenant grievance procedures to ensure compliance with the State's Housing First requirements (from the State's Welfare and Institutions Code Section 8255(b) that detail the core components of Housing First), and compliance with basic tenant protections established under federal, state and local law. (from Section 307 (d))

https://leginfo.legislature.ca.gov/faces/codes\_displayText.xhtml?lawCode=WIC&division=8.&title=&part=&chapter=6.5.&article=

Tenants shall be accepted regardless of sobriety, participation in services or treatment, history of incarceration, credit, or history of eviction in accordance with practices permitted pursuant to the

State's Welfare and Institutions Code Section 8255 that details core components of Housing First, or other federal or state project funding sources. (from Section 307 (e))

#### **G. Reporting Requirements**

MOHCD and project owners shall comply with the reporting requirements listed in the NPLH Program Guidelines Section 214, except for subsections (a) and (b). The State may extend the deadline for submission of a project completion report, if a project was completed less than 150 days prior to the deadline for submission of the report under the NPLH Program Guidelines Section 213 (e) in order to enable the project to submit occupancy information based on an initial rent-up period not to exceed 120 days. (from Section 309 (c))

#### **H.** Monitoring Requirements

MOHCD is responsible for ensuring that NPLH funds are used in accordance with all program requirements and Alternative Process County Program agreements (between the State Department of Housing and Community Development and MOHCD). MOHCD must take appropriate action when performance problems arise. The performance and compliance of each project must be reviewed as set forth in NPLH Program Guidelines Section 311 (b). (paragraph below) MOHCD must have and follow written procedures, and systems, including a system for assessing risk of activities and projects and a system for monitoring projects, to ensure developers, property managers, and service providers are meeting all program requirements. (from Section 311 (a))

To ensure that funded projects are completed, projects are able to meet long-term affordability, and project are meeting other program requirements as set forth in the NPLH Program Guidelines and relevant statutes, MOHCD must meet the following minimum requirements for project monitoring:

## EXHIBIT O Commercial Underwriting Guidelines

#### Mayor's Office of Housing and Community Development Commercial Space Underwriting Guidelines

Effective February 2, 2018

#### A. Applicability

The following Commercial Space Underwriting Guidelines (Guidelines) are intended to assist applicants for capital financing to prepare financing requests to the Mayor's Office of Housing and Community Development (MOHCD). They apply to new construction projects only. These Guidelines will also be used by MOHCD staff for purposes of evaluating funding requests and presenting them to the Citywide Affordable Housing Loan Committee for consideration. The Loan Committee maintains the right to set final terms and conditions for commitment of funds based on the actual circumstances of each project. MOHCD reserves the right to review and approve any requests for variations to these Guidelines. These Guidelines are subject to change.

#### B. Goals

- 1. To repay the City for costs related to the development of commercial spaces located within City-funded affordable housing properties.
- 2. To create vibrant neighborhoods, especially for those experiencing displacement of low-income residents, by facilitating the development of commercial space for Public Benefit and Community Serving Commercial Uses.
- To recognize the dynamism and relationship to market conditions in commercial real estate that is not found in affordable housing while also mitigating against the market risk inherent in this dynamism.

#### C. <u>Definitions</u>

- 1. Affiliated Entity: An entity that is either controlled by the Housing Owner, controls the Housing Owner, or is under common control with Housing Owner. Control, as used in the previous sentence, means the ownership, directly or indirectly, of the right to vote in or direct the ordinary operations of the entity.
- 2. Commercial Space: An entire undifferentiated commercial area for Public Benefit Use, Community Serving Commercial Use, or Commercial Use. If the Project is subdivided, then the Commercial Space would be a condominium or air rights parcel, separate from the Residential Space. It is possible to have more than one Commercial Space in a Project because the developer intends different uses (for example, a space finished to Warm Shell and where use will be Public Benefit Use, while another area is finished to Cold Shell and Commercial Use is intended). A Commercial Space may be demised into more than one Individual Tenant Space as appropriate.
- 3. Commercial Use: A land use, typically retail or other sales and services use, with the sole or chief emphasis on making financial gain and that is not a Public Benefit Use or Community Serving Commercial Use as defined below. Commercial Uses shall not include uses that, in MOHCD's sole discretion, are inconsistent with fostering a stable environment for families and children, including, but not limited to, bars, liquor stores,

tobacco product stores, recreational cannabis shops (medical cannabis dispensaries may be permitted in MOHCD's sole discretion, but only to the extent permitted by funding sources and applicable local, state, and federal law) or other uses that cater exclusively to adults.

- **4. Commercial Entity**: A legal entity, separate from the Housing Owner, who may either master lease the Commercial Space from the Housing Owner or ground lease the Commercial Space directly from the City, as provided in Permitted Legal Structures, below.
- **5. Commercial Project Costs:** The total of all hard and soft costs associated with the development of the Commercial Space.
- **6. Community Serving Commercial Use:** A land use, typically retail or other sales and services use, that provides a direct benefit to the community, e.g. a food market with affordable and healthy produce and other goods, community banking, or other neighborhood serving uses that have a demonstrated benefit to the residents of the Project, as determined by MOHCD in its sole discretion.
- 7. Commercial Space Master Tenant: A Commercial Entity that is an Affiliated Entity and that leases the Commercial Space from the Housing Owner and subleases Individual Tenant Space(s) to Individual Commercial Tenant(s).
- **8.** Housing Owner: The owner of the residential improvements at the Project.

Commercial Operating Income means all income and receipts in any form received by the Housing Owner or Commercial Entity (depending on legal structure) from the operation of the Commercial Space, including rents, fees, deposits, and reimbursements.
- **13. Project**: A mixed-use, multifamily residential and commercial project built with substantial reliance on City funding, which may include one or more subdivided residential condominium/air rights parcels and commercial condominium/air rights parcels.

corporations, and has been identified by the City or community as a priority use. Examples include, but are not limited to, childcare centers, adult day health centers, nonprofit office space, public libraries, supportive services for the residents of the affordable housing development, health clinics that serve the local community at no or low cost, arts-related spaces that provide programs, and classes and/or exhibition spaces available to community members at no or low cost.

- **15. Residential Space**: The entire undifferentiated residential area for future demising and occupancy by residential tenants. If the Project is subdivided, then the Residential Space would be a condominium or air rights parcel, separate from the Commercial Space(s).
- **16. Tenant Improvement Allowance:** A budget allowance sized to accommodate the build out of Warm Shell improvements, which MOHCD may approve when the Individual Commercial Tenant/s is unknown at construction loan closing.
- 17. Warm Shell: Commercial Space improvements as defined in detail under Item 18.
- **18.** Detailed definition of Cold Shell and Warm Shell improvements (see next page)

#### **D. Permitted Legal Structures**

- a. Each of the following legal structures may be used for a Project, as permitted by MOHCD, taking into account the location of the Project, the community that the Project intends to serve, financing requirements and restrictions, and the capacity and expertise of the developer and Housing Owner. These Guidelines assume MOHCD owns the land on which the Project is located. In the rare scenario in which that is not the case, MOHCD and the Housing Owner will adjust these Guidelines accordingly to achieve the Goals articulated in Paragraph B and the same financing principles related to the use of MOHCD funds.
  - 1. <u>No Subdivision; Single Ground Lease</u>. The real property is not subdivided and the entire property is ground leased to Housing Owner.
  - a. <u>Direct Leases</u>: Housing Owner leases directly to Individual Commercial Tenant(s); or
  - b. <u>Commercial Master Lease</u>: Housing Owner leases the Commercial Space to the Commercial Entity (which must be an Affiliated Entity) (the "Commercial Space Master Tenant"). The Commercial Space Master Tenant would then sublease the Individual Tenant Space(s) to Individual Commercial Tenant(s).
  - 2. <u>Subdivision</u>. The real property is subdivided into a separate residential condominium or air rights parcel and a separate commercial condominium or air rights parcel (or subdivided into more than one separate parcels of either use).
  - a. <u>Single Ground Lease</u>. The real property is subdivided, and the City ground leases the entire property to the Housing Owner.
  - (i) <u>Direct Leases</u>: Housing Owner retains ownership of the leasehold for the Commercial Space and leases directly to Individual Commercial Tenant(s); or
  - (ii) <u>Commercial Master Lease</u>: Housing Owner retains ownership of the leasehold for the Commercial Space and leases the Commercial Space to a Commercial Space Master Tenant. The Commercial Space Master Tenant would then sublease the Individual Tenant Space(s) to Individual Commercial Tenant(s).

#### b. Separate Ground Leases.

- (i) The City ground leases the Residential Space to the Housing Owner. The City separately ground leases the Commercial Space to the Commercial Entity. The Commercial Entity may or may not be an Affiliated Entity.
- (ii) Where the Commercial Entity is a for-profit company, not related to the Housing Owner, and the Commercial Space will be used for Commercial Use, the City's strong preference is that the subdivision be in the form of a condominium as opposed to an air rights parcel.

#### E. Underwriting Guidelines for All Permitted Legal Structures

- 1. The eligible uses of MOHCD Funds for Commercial Project Costs are:
  - a. <u>Hard Costs</u>: Subject to approval by MOHCD, Borrower may request the use of MOHCD funds for the following:
    - i. Commercial Uses: Cold Shell only. However, MOHCD may provide funding for Warm Shell improvements required to be installed concurrent with residential construction (e.g. restaurant flue shafts with grease ducts and access panels on each floor, drain lines and anchor bolts installed in PT floor and ceiling slabs). If Housing Owner is working with the Commercial Entity or an Individual Commercial Tenant before or during construction, Housing Owner may install ducting to the exterior (roof or louvers on building exterior) as a reimbursable cost to Housing Owner by the Commercial Entity or the Individual Commercial Tenant. Costs for all Cold Shell and Warm Shell improvements must be repaid to MOHCD, in full or in part, through non-housing sources, according to the requirements set forth in Section I below.
    - ii. <u>Community Serving Commercial Uses</u>: Cold Shell and Warm Shell. Borrower is required to seek funding from other City and private sources, such as commercial loans, OEWD or the Child Care Fund, New Market Tax Credits, etc., as appropriate for the proposed use for the purpose of reducing funding required from MOHCD.
    - iii. <u>Public Benefit Uses</u>: Cold Shell and Warm Shell. Borrower is required to seek funding from other City and private sources such as commercial loans, OEWD or the Child Care Fund, New Market Tax Credits, etc. as appropriate for the proposed use, for the purpose of reducing funding required from MOHCD.
  - b. Soft Costs: Subject to MOHCD approval and evaluated based on industry standards and market conditions for comparable projects and uses, including:
    - Construction management and consulting fees for coordination of tenant improvements with shell construction
    - Commercial broker fee
    - Commercial space lease-up reserve
    - Commercial space replacement reserve
    - Commercial space developer fee (see developer fee policy below)
    - Market analysis as is required by MOHCD
    - Future tenant improvements reserve
    - Pro rata share of Project development costs associated with Commercial Space (for example, financing costs and legal fees)

#### 2. Conditions of MOHCD Funds.

- a. <u>Market Analysis:</u> Developer shall provide MOHCD a third party prepared market analysis (e.g. from a broker, appraiser, or market analyst) to determine appropriate terms for Market Rents, Rent Growth, Annual Rent Adjustments, Rent Concessions and/or Tenant Improvement Allowances, Vacancy, Expenses, Expense Growth, Management Fees, Leasing Agent Fees, and Reserves.
- b. Operating Budget. Developer shall provide the Housing Owner's or Commercial Entity's (depending on legal structure) commercial operating budget based on proposed use and market conditions consistent with the third party prepared Market Analysis provided for the project as defined above in 2.a. Commercial rents charged must be sufficient to cover all direct, shared, and allocated costs attributable to commercial use, including, but not limited to: pro-rata share of cleaning, maintenance and utility costs for shared bathrooms and hallways; prorata share of maintenance of fire sprinkler and fire alarm systems; pro-rata share of cleaning, maintenance and repair of the trash room; pro-rata share of maintenance and repair of the sidewalk, street trees and bike racks; pro-rata share of hydro-jetting of the sewer laterals; and pro-rata share of back-flow testing of the water lines. Commercial operating expenses shall include all utilities payable by the property for the Commercial Space, commercial property management and asset management fees, commercial operating and replacement reserves, and property taxes and insurance attributable to the Commercial Space.
- c. <u>Leases and Letters of Intent</u>. The Commercial Master Lease and business terms for Direct Leases and subleases are subject to review and approval by MOHCD, in accordance with the Market Analysis and these Guidelines.

#### F. Commercial Space Developer Fee

- 1. Commercial Uses: The lesser of \$100,000 or 15% of the non-residential depreciable basis, so long as the sum of the Commercial Space Developer Fee and the Residential Developer Fee do not exceed the developer fee limits allowed by TCAC. A one-time additional \$50,000 incremental fee will be allowed for completion of the condominium or air rights subdivision, subject to MOHCD approval of the subdivision and legal structure. The Commercial Space Developer Fee is payable only from non-MOHCD sources, e.g. commercial loan proceeds or transfer of the leasehold estate in the Commercial Space, etc.
- 2. <u>Public Benefit Uses and Community Serving Uses</u>: The lesser of \$250,000 or 15% of the non-residential depreciable basis, so long as the sum of the Commercial Space Developer Fee and the Residential Developer Fee do not exceed the developer fee limits allowed by TCAC. A one-time additional \$50,000 in fee will be allowed for completing the condominium or air rights subdivision, subject to MOHCD approval of the subdivision and legal structure. Half of the Commercial Space Developer Fee is payable

- only from non-MOHCD sources, e.g. commercial loan proceeds, grants, or transfer of the leasehold estate in the Commercial Space.
- 3. <u>Commercial Space Developer Fee; Net Developer Fee Maximums</u>. To the extent allowable by TCAC, the Commercial Space Developer Fee is in addition to the net developer fee maximums pursuant to MOHCD Developer Fee Guidelines.

#### G. Change in Use

Change in use from Public Benefit Use or Community Serving Commercial Use to Commercial Use requires approval by MOHCD and will result in required repayment of the costs of Warm Shell improvements funded by MOHCD loan(s). Repayment will be calculated by amortizing the MOHCD-funded costs over the useful life of the improvements and sized based on the number of years the improvements did not serve a Public Benefit or Community Serving Commercial Use.

#### H. Single Ground Lease Additional Guidelines

The following ground lease terms apply where the City ground leases the entire property to the Housing Owner, whether or not the property has been subdivided.

#### 1. Direct Lease

- a. **40% City/60% Housing Owner:** 40% of Net Commercial Cash Flow will be paid by Housing Owner to City in the form of increased ground lease payment of Residual Rent (see MOHCD Policy on Ground Leases for defined terms). Housing Owner will retain 60% of Net Commercial Cash Flow.
- b. Limit on Commercial Revenue: City recommends tax counsel guidance to avoid issues of unrelated business income.

#### 2. Commercial Master Lease

- a. **40% City/60% Affiliated Entity:** 40% of Net Commercial Cash Flow will be paid by Commercial Entity to Housing Owner and subsequently paid to City in the form of increased ground lease payment of Residual Rent. 60% of Net Commercial Cash Flow is payable to the Commercial Entity (ie. the Commercial Space Master Tenant). The Commercial Entity must be an Affiliated Entity.
- b. Limit on Commercial Revenue: City recommends tax counsel guidance to avoid issues of unrelated business income.

#### I. Separate Ground Leases Additional Guidelines

The following MOHCD commercial loan repayment and commercial ground lease terms apply where the property has been subdivided, the City ground leases the Residential Space to the Housing Owner, and the City ground leases the Commercial Space(s) to the Commercial Entity(ies).

1. Reimbursement to MOHCD of Commercial Project Costs depends on the ownership structure and the type of use, as follows:

a. Public Benefit Uses, Community Serving Commercial Uses, and Commercial Uses when the Commercial Entity is an Affiliated Entity:

Within the earlier of 90 days after 75% occupancy is achieved for Commercial Space or one year after the issuance of a Temporary Certificate or Occupancy or Certificate of Occupancy for the Commercial Space, the Commercial Entity must obtain a commercial loan commitment to repay MOHCD for all Commercial Project Costs included in MOHCD financing. The terms for any repayment source that requires a lien against the Commercial Space are subject to MOHCD approval. The commercial loan must close within 90 days following the issuance of a loan commitment. In the event that the commercial loan is not large enough to fully repay MOHCD for Commercial Project Costs, MOHCD will retain a second position Deed of Trust against the Commercial Space, securing a Note in the amount of any unpaid balance. Any outstanding balance on a MOHCD commercial loan will be payable upon refinance or transfer of the Commercial Space.

b. Commercial Uses when the Commercial Entity is an unrelated third-party:

The Commercial Entity must repay MOHCD for all Commercial Project Costs included in MOHCD financing at close of purchase of the leasehold interest in the commercial condominium/air rights parcel and/or execution of the commercial ground lease. The terms for any repayment source that requires a lien against the Commercial Space are subject to MOHCD approval.

- 2. Commercial Space Ground Lease Payment and Payment on Any Outstanding MOHCD Commercial Loan
  - a. Public Benefit Uses & Community Serving Commercial Uses: Annual ground lease payment equal to 40% of Net Commercial Cash Flow. However, if there is an outstanding MOHCD commercial loan, the 40% Net Commercial Cash Flow will first be used to pay down the MOHCD commercial loan and then to the annual ground lease payment. Commercial Entity will retain 60% of Net Commercial Cash Flow.
  - b. Commercial Uses: Annual ground lease payment equal to market rent based on current comparable leases. Sizing of Base Rent and Residual Rent to be negotiated. If there is an outstanding MOHCD commercial loan (only applicable when the Commercial Entity is an Affiliated Entity), 40% Net Commercial Cash Flow will be used to pay off the MOHCD commercial loan and then go towards payment of Residual Rent, if applicable. Commercial Entity will retain 60% of Net Commercial Cash Flow.
- 3. Any transfer or sale of the Housing Owner's or Commercial Owner's ground lease interest in the Commercial Space parcel is subject to MOHCD approval as ground lessor. If the Project was developed as air rights parcels, MOHCD may require that the air rights subdivision be converted to condominiums before the Commercial Space may be transferred to an unaffiliated for-profit entity for Commercial Use.

4.	Ground Lease Term: To be negotiated based on Market Analysis (see section E.2.a. for requirements for Market Analysis.)		

#### EXHIBIT P

Residual Receipts Policy

## Mayor's Office of Housing and Community Development Residual Receipts Policy Effective April 1, 2016

#### **INTRODUCTION**

The Mayor's Office of Housing and Community Development (MOHCD) typically requires annual payments under the Ground Leases and Loans provided for the purpose of developing or preserving affordable housing to the extent that making payments is feasible and does not jeopardize the long-term affordability or maintenance of safe and secure housing for its residents. Payments may be required under one or a combination of several structures, including amortization, deferral, or payment from residual receipts, depending on the circumstances.

When a development financed by MOHCD is projected to enjoy more income than is needed to pay expenses, service other debt, fully fund its reserves, and make approved payments out of surplus, it is MOHCD's policy that a portion of the remaining "residual" income be directed toward repayment of MOHCD's investment.

MOHCD also permits a modest portion of "residual" income to be distributed by the borrower. Distribution of any portion of "residual receipts" is conditioned on MOHCD's annual determination that certain performance standards and benchmarks have been met.

#### I. Definition of Residual Receipts

- A. Residual Receipts is the amount remaining in the annual operating budget after calculation of Net Operating Income (Project Income less Project Expenses) and allowable payments from surplus.
- B. The project-specific Funding Agreements and/or Ground Leases define what Project Income entails and which Project Expenses are allowable. In general, the definition of allowable Project Expenses will include mandatory or "hard" debt service payments, minimum or Base Rent owed under a Ground or Land lease, and required annual payments into Reserve accounts. Each MOHCD contract will include a copy of the approved Operating Budget Proforma.
- C. When MOHCD requires repayments from Residual Receipts, the formula usually requires payment of a portion of the available Residual Receipts. The use of a proportional formula makes it is essential to clearly define which uses of surplus cash have been approved for payment prior to the calculation of the amount owed to MOHCD.
- D. The approved uses of any available surplus may also be referred to as the cash flow waterfall. The approved MOHCD Operating Budget Proforma is used to document the approved cash flow waterfall. In general, the following expenses may be a part of a cash flow waterfall:
  - 1. Fees payable to the project, the GP, the LP or the parent entity
  - 2. Fees payable to project funders
  - 3. "Soft" debt repayments to lenders / lessors

Please see the City's Developer Fee Policy and Operating Fees Policy for a list of allowable fees and any applicable limits.

E. Limited Partnership Agreements may also provide a narrative summary of the cash flow waterfall. In the event that a Limited Partnership Agreements is found to be inconsistent with the MOHCD Funding Agreement and/or the approved MOHCD Operating Budget Proforma, the MOHCD documents shall control.

#### II. Annual Residual Receipts Payments due under MOHCD Ground Leases & Loans

Except as recommended by the Loan Committee and approved by the Mayor on a project by project basis, the portion to be paid to the City shall be  $2/3^{rds}$  of Residual Receipts. Larger Tax Credit projects may be eligible to use an alternative  $\frac{1}{2}$  -  $\frac{1}{2}$  split for up the first 10 years of a new tax credit period and the borrower's portion of Residual Receipts shall be considered payment of Deferred Developer Fee. See the Developer Fee Policy for more details.

Any residual receipts payments shall be applied toward the unpaid balance of MOHCD loan/s according to the terms in the Promissory Note and/or Funding Agreement, and toward the payments required under the MOHCD Ground Lease.

#### III. When more than one MOHCD contract requires residual payments:

Some projects supported by MOHCD may be governed by more than one MOHCD contract. The MOHCD Operating Budget Proforma provides a comprehensive summary of the approved cash flow waterfall, a listing of all lenders, the relative position of each lien, the amounts owed and the relevant repayment terms, and will also reflect the cumulative amount of repayments owed to MOHCD annually across all MOHCD contracts. Projects governed by more than one MOHCD contract that extend or initiate a MOHCD contract after the effective date of this policy will be required to get approval of a new MOHCD Operating Budget Proforma.

#### IV. When a project has other Lenders in addition to MOHCD that require residual payments

- A. If any other project lenders besides MOHCD require repayment from residual receipts, the portion to be repaid to each Lender will typically be determined by the proportional amount of capital supplied under each loan. For example, if a project received a \$2 million loan from MOHCD and a \$3 million loan from another lender, MOHCD would receive 2/5<sup>ths</sup> of the amount available to be repaid, and the other lender would receive 3/5<sup>ths</sup> of the amount available to be repaid. The approved MOHCD Operating Budget Proforma must include a list of all Loans and provide an appropriate amount of detail about the projected amounts owed annually including details about how the portions to be paid to each lender will be calculated. If a project makes an agreement with any other lender/s after executing a MOHCD contract containing the final MOHCD-approved Operating Budget Proforma, prior to making any payments to such other lender/s, the project must request and be approved in writing to amend the MOHCD-approved Operating Budget Proforma to include the new lender/s.
- **B.** During operations, MOHCD will require Residual Receipts payments using MOHCD's method of calculating surplus and any amounts owed to the MOHCD. If there is a difference in the amount calculated to be owed to any other lenders under another lender's repayment calculation method when compared to MOHCD method, then each lender will be paid according to its calculation, so long as doing so would not result in a reduction in the amount payable to MOHCD.

#### V. Conditions to Distribution of Residual Receipts to Borrower

- A. Distribution of Residual Receipts to the borrower of a MOHCD loan, or lessee of a MOHCD ground lease, may be made only upon:
  - 1. MOHCD approval of the Annual Monitoring Report submitted for that year; and
  - 2. Determination by MOHCD that the borrower is not in default under terms of the Loan; and

- 3. Approval by MOHCD of the amount to be distributed.
- B. No distribution of Residual Receipts shall be made under any of the following circumstances:
  - 1. When a written notice of default has been issued by any lender or investor and such default has not been cured; or
  - 2. When the City determines that the borrower or the borrower's management agent has failed to maintain the housing and its surroundings in a safe and sanitary manner in accordance with local health, building, and housing codes; or
  - 3. If any operating expense, including debt service on non-City loans remains unpaid; or
  - 4. If any required reserve account is not fully funded according to the terms of the MOHCD contract/s; or
  - 5. In the event of any other material failure to comply with the provisions of the MOHCD contract/s.

#### VI. Use of Residual Receipts Distributed to the Borrower

MOHCD strongly encourages borrowers to use the portion of Residual Receipts that is not applied toward repayment of MOHCD's loan or payment of residual rent under a MOHCD ground lease for activities in San Francisco that would be eligible uses under the CDBG Program Income rules (except to the extent that those rules may prohibit the use of funds for new construction).

#### VII. Uses of Project Income for Services and other Extraordinary Costs Associated with the Project

- A. With the exception of Residual Receipts retained by a borrower pursuant to this policy, any other use of the income derived from housing developed or preserved with MOHCD financing apart from ordinary and routine operating expenses, debt service or required reserves must be approved by the Loan Committee and the Mayor at the time MOHCD financing is committed and approved.
- B. The Loan Committee may approve variations of this policy on a project-specific basis, including the payment of costs associated with the provision of social, educational, vocational, counseling or other supportive services to residents either as a project expense or out of that portion of Residual Receipts that would otherwise be repaid to the City.
