LEGISLATIVE DIGEST

[Administrative Code - Board of Appeals Surcharges on Permit Fees]

Ordinance amending the Administrative Code to adjust existing surcharges on permit fees, license fees, permit review fees, and permit and license renewal fees for permits and licenses issued by the Planning Department, Department of Building Inspection, Department of Public Works, Department of Public Health, Police Department, and the Entertainment Commission that may be appealed to the Board of Appeals; and affirming the Planning Department's determination under the California Environmental Quality Act.

Existing Law

Existing law imposes a surcharge on permit, license, and permit review fees and permit and license renewal fees for permits and licenses issued or approved by various City authorities based on each department's allocable share of Board of Appeals costs. The surcharges currently reflected in the Administrative Code have been adjusted annually to reflect changes in the consumer price index pursuant to Section 10G.2 of the Administrative Code. The current surcharges as adjusted for changes in the consumer price index since the last ordinance that updated the surcharges are as follows: Planning Department, \$22.50; Department of Building Inspection, \$22.50; Department of Public Works, \$9.00; Police Department, \$6.00; Entertainment Commission, \$4.00; Department of Public Health, \$50.50.

Amendments to Current Law

These amendments would adjust the surcharge on permit, license, permit review and renewal fees imposed in connection with permits and licenses issued, approved or renewed by the designated City departments, based on each department's history of appeals filed with the Board of Appeals and consistent with the fiscal year 2022-2023 budget for the Board of Appeals. These amendments also update references for surcharges applicable to the Planning Department, Department of Building Inspection, Department of Public Works, Police Department, Entertainment Commission, and the Department of Public Health. The proposed ordinance will adjust the surcharges as follows: Planning Department, \$37.00; Department of Building Inspection, \$37.00; Department of Public Works, \$9.00; Police Department, \$3.00, Entertainment Commission, \$2.00; Department of Public Health, \$45.00.

Background Information

This legislation is designed to reduce the dependency of the Board of Appeals on funding from the City's General Fund by adjusting surcharges in an equitable manner to generate sufficient revenue, together with Board of Appeals filing fees, to meet the operating expenses, including employee wage rates and fringe benefits, attributable to administering the administrative appeals process at the Board of Appeals.

SUBJECT: San Francisco Municipal Transportation Agency (MTA)
Mayor's FY 2022-23 & FY 2023-24 Proposed Budget

This memorandum outlines items included in the SFMTA FY 2022-23 & FY 2023-24 Mayor's Proposed Budget over which the Board of Supervisors has line-item approval authority.

Pursuant to Charter Article 8A.106, the Board of Supervisors (Board) may only approve or reject the entire MTA budget and has no discretion to modify or reject specific expenditures contained therein. The Board may allow the MTA's budget to take effect without any action on its part, or it may reject the MTA's budget by a seven-elevenths' vote. However, additional General Fund support to the MTA over the base amount stipulated in the Charter is subject to normal budgetary review and amendment under the general financial provisions of the Charter.

The FY 2022-23 & FY 2023-24 Mayor's Proposed Budget for the MTA appropriates the following General Fund and other revenue sources as below. Approval of expenditures related to these sources follows the general provisions of the Charter, under which the Board may modify proposed expenses at the level of appropriation.

Re: May 1 Department Interim Exceptions to the Annual Salary Ordinance and Annual Appropriations Ordinance

Dear Madam Clerk,

I herein present exceptions to the May 1 Departments' Annual Salary Ordinance (ASO) and Annual Appropriations Ordinance (AAO) for consideration by the Budget and Finance Committee of the Board of Supervisors. The City's standard practice is to budget new positions beginning in pay period 7, at 0.79 FTE and to hold funding for new initiatives until the budget is signed on August 1. Where there is justification for expedited hiring and spending, however, the Board may authorize exceptions to the Interim ASO and AAO, which allow new positions to be filled and expenditures related to new initiatives to begin in the first quarter of the fiscal year, prior to final adoption of the budget.

Exceptions are being requested for the following positions and non-personnel expenditures:

Non-General Fund Positions (30.0 FTE)

- **San Francisco Municipal Transportation Agency (SFMTA)**
9102 Transit Car Cleaners (30.0 FTE). These positions were added as temporary positions midyear in order to boost pandemic response efforts. The SFMTA anticipates that 30 of the additional Transit Car Cleaners will continue on a long-term basis. An interim exception for these positions will ensure that these car cleaners can continue their work uninterrupted and public health can be prioritized.

Please do not hesitate to contact me if you have any questions regarding the requested interim exceptions to the Annual Salary Ordinance and Annual Appropriations Ordinance.

Sincerely,
