OFFICE OF THE CONTROLLER
CITY AND COUNTY OF SAN FRANCISCO

Ben Rosenfield
Controller

Todd Rydstrom
Deputy Controller

April 30, 2022

Jeffrey Tumlin, Director of Transportation
Municipal Transportation Agency
One South Van Ness Avenue, 7th Floor
San Francisco, CA 94102

Attention: Jonathan Rewers, Acting Chief Financial Officer

RE: Contracting for SFMTA Paratransit Services – FY 2022-23 & FY 2023-24

The cost information and supplemental data provided by your office on the proposed contract referenced above have been reviewed by my staff.

If these services are provided at the proposed contract price, it appears they can be performed at a lower cost than if the work were performed by City employees.

The requirements of Charter Section 10.104.15 relative to the Controller's findings that work or services can be practically performed under private contract at a lesser cost than similar work performed by employees of the City and County of San Francisco have been satisfied. Attached is a statement of projected cost and estimated savings for Fiscal Years 2022-23 and 2023-24 and the informational items provided by the department pursuant to San Francisco Administrative Code Section 2.15.

Following the approval of the Board of Supervisors, we will notify your department and the Purchaser that this Charter requirement has been met. Please contact Risa Sandler at Risa.Sandler@sfgov.org if you have any questions regarding this determination.

Sincerely,

/s/

Ben Rosenfield,
Controller

RE: Contracting for SFMTA Parking Meter Collections – FY 2022-23 & FY 2023-24

The cost information and supplemental data provided by your office on the proposed contract referenced above have been reviewed by my staff.

If these services are provided at the proposed contract price, it appears they can be performed at a lower cost than if the work were performed by City employees.

The requirements of Charter Section 10.104.15 relative to the Controller's findings that work or services can be practically performed under private contract at a lesser cost than similar work performed by employees of the City and County of San Francisco have been satisfied. Attached is a statement of projected cost and estimated savings for Fiscal Years 2022-23 and 2023-24 and the informational items provided by the department pursuant to San Francisco Administrative Code Section 2.15.

Following the approval of the Board of Supervisors, we will notify your department and the Purchaser that this Charter requirement has been met. Please contact Risa Sandler at Risa.Sandler@sfgov.org if you have any questions regarding this determination.

RE: Contracting for Port Janitorial Services – FY 2022-23 and FY 2023-24

The cost information and supplemental data provided by your office on the proposed contract referenced above have been reviewed by my staff.

If these services are provided at the proposed contract price, it appears they can be performed at a lower cost than if the work were performed by City employees.

The requirements of Charter Section 10.104.15 relative to the Controller's findings that work or services can be practically performed under private contract at a lesser cost than similar work performed by employees of the City and County of San Francisco have been satisfied. Attached is a statement of projected cost and estimated savings for Fiscal Years 2022-23 and 2023-24 and the informational items provided by the department pursuant to San Francisco Administrative Code Section 2.15.

Following the approval of the Board of Supervisors, we will notify your department and the Purchaser that this Charter requirement has been met.

Please contact Risa Sandler at Risa.Sandler@sfgov.org if you have any questions regarding this determination.

Sincerely,

RE: Contracting for Airport Security Services – FY 2022-23 & FY 2023-24

The cost information and supplemental data provided by your office on the proposed contract referenced above have been reviewed by my staff.

If these services are provided at the proposed contract price, it appears they can be performed at a lower cost than if the work were performed by City employees.

The requirements of Charter Section 10.104.15 relative to the Controller's findings that work or services can be practically performed under private contract at a lesser cost than similar work performed by employees of the City and County of San Francisco have been satisfied. Attached is a statement of projected cost and estimated savings for Fiscal Years 2022-23 and 2023-24 and the informational items provided by the department pursuant to San Francisco Administrative Code Section 2.15.

Following the approval of the Board of Supervisors, we will notify your department and the Purchaser that this Charter requirement has been met. Please contact Risa Sandler at Risa.Sandler@sfgov.org if you have any questions regarding this determination.
