**Re: Technical Adjustments Round 1 to the Mayor's Proposed Budget**

Dear Chair Ronen,

Per Charter Section 9.101, I am submitting the attached adjustments to the Mayor's Proposed Budget for FY 2022-23 and FY 2023-24.

Technical adjustments include:

- Moving expenditures and/or revenues between department codes, project codes, activity codes, authority codes, and/or account codes in the Department of Children, Youth, and Their Families, Public Works, Sanitation and Streets, Port, Elections, City Administrator, Homelessness and Supportive Housing, Early Childhood, and Recreation and Parks to accurately reflect programmatic costs and sources;
- Correcting job classifications in the Fire Department and Human Services Agency to reflect accurate job responsibilities;
- Correcting off-budget position authority in the Department of Human Resources and the Office of Economic and Workforce Development;
- Correcting the action indicator to accurately reflect a position change in the Office of the Treasurer/Tax-Collector;
- Correcting the effective pay period date to reflect the anticipated start date of new positions in the Department of Technology;
- Removing the Municipal Transportation Agency's expenditures supported by Prop D Traffic Congestion Mitigation Tax (TCM) from the Controller's reserve.

This set of technical adjustments is at no cost to the General Fund, and will not impact the bottom line size of the budget. The attached table details these changes. Please contact me with any questions or concerns.

Sincerely,
