***Disclosures:** Personal information that is provided in communications to the Board of Supervisors is subject to disclosure under the California Public Records Act and the San Francisco Sunshine Ordinance. Personal information provided will not be redacted. Members of the public are not required to provide personal identifying information when they communicate with the Board of Supervisors and its committees. All written or oral communications that members of the public submit to the Clerk's Office regarding pending legislation or hearings will be made available to all members of the public for inspection and copying. The Clerk's Office does not redact any information from these submissions. This means that personal information—including names, phone numbers, addresses and similar information that a member of the public elects to submit to the Board and its committees—may appear on the Board of Supervisors website or in other public documents that members of the public may inspect or copy.*

Hi

I am Anakh Sul Rama, formerly homeless, SRO resident and organizer. I am strongly in favor of independent and equitable oversight for SRO's and our homeless and supportive housing systems.

This means that the oversight needs to come from the people who are impacted, us SRO residents with that lived experience, ourselves. It is inequitable to have an oversight body with decision makers beholden to conflicting interests or power dynamics. SRO residents deserve more and we deserve more seats at the table than the representatives of conflicting financial and political interests. I stand with the 30 right now coalition in solidarity in asking that the oversight commission not be watered down and to ensure that oversight is by and for residents ourselves.

In Community,
Anakh Sul Rama
