Appendix A: Services to be Provided by nters Point Foundation for Community In

Bayview Hunters Point Foundation for Community Improvement Bayview SAFE Navigation Center

I. Purpose of Grant

The purpose of this grant is to provide SAFE Navigation Center and Emergency Shelter services to the served population to obtain emergency nighttime sleeping accommodations, income, public benefits, health services, problem-solving, and housing, as available.

II. Served Population

A. SAFE Navigation Center

Grantee shall serve adults, without custody of minor children, who are experiencing homelessness, who have no fixed, regular, and adequate nighttime residence, are unsheltered, and have a need for adequate emergency nighttime sleeping accommodations.

B. Emergency Shelter

Grantee shall serve families who are experiencing homelessness and do not have a fixed, regular, or adequate nighttime residence. Families are defined as households consisting of at least one adult age 18 or older and at least one minor child under age 18, and people who are pregnant.

III. Referral and Prioritization

All guests shall be referred by the process established by the Department of Homelessness and Supportive Housing (HSH), unless City requires an alternate referral and/or prioritization process in order to maintain the health and safety of guests in accordance with City requirements.

The Bayview SAFE Navigation Center is not designed for or intended as a program that will accept open referrals or self-presentation to the program. Any individuals or families who are referred by entities other than the HSH established referral points or who self-present at the SAFE Navigation Center shall be directed to other resources. Grantee shall provide written and verbal information regarding other existing services to self-presenting individuals.

A. SAFE Navigation Center

An example of a referral point for the SAFE Navigation Center is the San Francisco Homeless Outreach Team (SF HOT). The actual identification, outreach and referral of specific guests will be coordinated under the supervision of HSH.

It is the intent of HSH to maximize use of the facility within the Navigation Center portfolio. However, types of stays may change as needed with HSH and Grantee approval, unless City requires Grantee to adjust stays in order to maintain the health and safety of guests in accordance with City requirements. Stay types at SAFE Navigation Center programs are outlined below.

<u>Housing Referral Status</u>: Housing Referral Status shall be used for guests who are referred after a clear path to a permanent housing is identified. With ongoing cooperation of the guest, the guest may stay at the SAFE Navigation Center until housing placement or transfer to another site. Exceptions include guests who do not cooperate or receive a Denial of Service (DOS) under the Grievance Policy (see Service Requirements). Grantee shall receive approval from HSH prior to any exits based on non-participation in support services of individuals in a Housing Referral Status.

Examples of Housing Referral Status referrals include, but are not limited to:

- Guests who have been designated as Housing Referral Status for HSH Permanent Supportive Housing via the Coordinated Entry process; or
- Unsheltered veterans awaiting a housing placement.

<u>Time-Limited Stays</u>: Time-Limited Stays are used to provide guests a respite from the streets, identify key next steps or referral placements when possible, and to start guests on the path to key service connections and benefits. Encouraging participation with Adult Coordinated Entry is key to identifying and making service connections. Time-Limited Stays are 30 days for initial placement, with the exception of Homeward Bound stays, 90-day emergency shelter stays, one-night emergency shelter stays, or other specialized stays as defined by HSH. Some guests on a Time-Limited Stay may be eligible for an extension of stay as defined by the HSH Navigation Center Extension Policy. Examples of Time-Limited Stay referrals include, but are not limited to:

- Guests who are referred by HSH Outreach programs for an Outreach Time-Limited Stay;
- Guests who are referred by Healthy Streets Operations Center (HSOC), San Francisco Police Department (SFPD), or Emergency Medical Services (EMS-6) for an HSOC Time-Limited Stay;
- Guests who are referred by Coordinated Entry with a Rapid Rehousing opportunity in process.
- Guests who are referred by Homeward Bound for a Homeward Bound stay until their travel departure.
 - Guests who are referred by 311.

Guests on a Time-Limited Stay may be transferred to a Housing Referral Status within the Navigation Center portfolio if a clear path to housing is identified and the change in stay is approved by HSH.

B. Emergency Shelter

All families will be referred by HSH via the Coordinated Entry System (CES), which organizes the Homelessness Response System (HRS) with a common, population specific assessment, centralized data system, and prioritization method.

All families must go through the Coordinated Entry process and engage Family Access Points. The Access Point staff will assess families for service needs, eligibility, and engage in Problem Solving. Access Points work to ensure those with the highest needs are able to access shelter and appropriate housing interventions. Stay types in the Family Emergency Shelter component of the SAFE Navigation Center are outlined below:

<u>Time-Limited Stays</u>: Time-limited stays are 60-days at initial placement, with the possibility of 30-day extensions for up to a six-month maximum stay. Guests on a Time-Limited Stay may be transferred to a Housing Referral Status within the Navigation Center if a family is accepted into a Rapid Rehousing program or if the family is slated to enter Permanent Supportive Housing (PSH), and the change in stay is approved by HSH.

<u>Housing Referral Status</u>: Housing Referral Status stays are for families accepted into a Rapid Rehousing program or slated to enter Permanent Supportive Housing (PSH). They may remain in the SAFE Navigation Center through the duration of the housing search, or until the PSH unit is available, respectively. With ongoing cooperation of the guest, the guest may stay at the SAFE Navigation Center until housing placement or transfer to another site. Exceptions include guests who do not cooperate or receive a DOS under the Grievance Policy (see Services Requirements). Grantee shall receive approval from HSH prior to any exits based on non-participation in support services of individuals in a Housing Referral Status.

IV. Description of Services

Grantee shall provide a low barrier, harm reduction model, with limited rules, focused on specific guest actions rather than functional addictions or problems, to up to 186 adult SAFE Navigation Center guests and 17 family shelter guests at any given time, unless City requires Grantee to serve less guests in order to maintain the health and safety of guests in accordance with City requirements.

A. <u>Support Services</u>

Grantee shall provide support services as outlined below, unless otherwise directed by the City in cases of public health or other emergency situations.

Support Services offered may include, but are not limited to:

- 1. Intake: Grantee shall conduct an intake, and make any updates, to determine and document guest identification and stay information. The intake shall include a program orientation outlining the services available on site. The intake shall also include established consent forms that support exchange of guest information with program partners, including the data tracking partners for purposes of program analysis.
- 2. Orientation: Grantee shall provide weekly orientation meetings to new guests.
- 3. Assessment and Individual Service Plan: Grantee shall conduct a support services assessment to document guest needs. Grantee shall create service plans based on intake and assessment information. Service plans shall include issues identified by the guest and prioritize key issues, particularly those identified by HSH and the placement referral sources, which are the focus during the guest's stay.

- 4. Engagement: Grantee shall actively engage guests to support their connection to needed services, progress on their individual service plans and end guest homelessness. Grantee shall create a regular schedule of outreach to guests and shall provide services based on guest services plans and goals. Grantee shall provide outreach to and offer onsite services and/or referrals to all guests who display indications of placement instability. This includes, but is not limited to, discontinuance from benefits, services, rule violations or warnings, and conflicts with staff or other SAFE Navigation Center guests.
- 5. Case Management:
 - a. Grantee shall provide ongoing meetings and counseling services with guests to establish goals, support individualized action and service plans, and track progress toward meeting the goals.
 - b. Grantee shall offer individual and joint services to couples, as necessary and appropriate, and in accordance with confidentiality standards. Grantee shall use these interactions to present placement options that are individual, and couple focused, as appropriate to guest situation and needs.
 - c. Grantee shall assist guests in Housing Referral Status stays in applying for and securing the required documents needed to become "document ready" for permanent housing application. This includes, but is not limited to, the acquisition of identification, income and homelessness verifications, and other required documents as needed. Grantee shall communicate with the Coordinated Entry Housing Navigation staff regularly about the status of documentation acquisition and upload acquired documents into the ONE System via the protocol developed by HSH. Grantee shall engage the Coordinated Entry Housing Navigation staff in discussion and/or case conferencing when guests show signs of difficulty or lack of progress in acquiring necessary documentation.
- 6. Benefits Navigation: Grantee shall work in partnership with Human Services Agency (HSA) to assist eligible guests to obtain benefits such as Medi-Cal, CalFresh, and County Adult Assistance Program (CAAP) benefits. HSA will outstation SFBN and CAAP Eligibility Workers (EWs) at Navigation Center sites with the goals of fully integrating benefits application services into the Navigation Center environment and approving guests for benefits without requiring them to go to HSA offices. Grantee shall provide on-site services space for the HSA EWs.

Grantee shall assist guests in applying for benefits through MyBenefitsCalWIN (MyBCW), an online benefits application portal. Grantee shall participate in training provided by HSA on how to apply for benefits on behalf of a guest through MyBCW.

Grantee shall assist guests with keeping appointments related to HSA benefits applications and maintaining established benefits.

7. Wellness Checks: Grantee shall conduct Wellness Checks in accordance to HSH policy to assess guest safety when there is reason to believe the guest is in immediate and substantial risk due to a medical and/or psychiatric emergency.

Appendix A to G-150 F\$P: 1000020022

- 8. Emergency Response and Conflict Resolution: Grantee shall provide staff who are equipped to respond to emergency situations and are able to provide de-escalation and conflict resolution.
- 9. Support Groups, Social Events and Organized Guest Activities:
 - a. Grantee shall provide guests with opportunities to participate in organized gatherings for peer support, to gain information from presenters and each other, to form social connections with other guests, or to celebrate/commemorate significant individual, holiday and community events. These events may be planned with or based on input from guests. Grantee shall post a monthly calendar of events.
 - b. Grantee shall conduct monthly community meetings for guests during which guests may discuss concerns and program ideas.
 - c. Grantee shall provide community service, training, and/or employment opportunities to guests in partnership with local organizations or City agencies.
- 10. Referrals and Coordination of Services:
 - a. Grantee shall link Time-Limited SAFE Navigation Center guests to HSH Access Points, in order for the guests to receive Problem-Solving and/or a Coordinated Entry assessment. Grantee shall request the services of the Mobile Access Point team for any guests who display indications of difficulty getting to an HSH Access Point.
 - b. Grantee shall assist guests to identify and access services available within the community that meet specific needs or support progress toward identified goals. This may include providing information about services, calling to help establish appointments, assisting with the completion of applications, helping with appointment reminders, follow up/checking in with guests regarding the process, and, as necessary, re-referral.
 - c. Grantee shall escort guests to critical off-site appointments, particularly those related to benefits and exit placements, and support guests to keep appointments. When needed, Grantee shall provide bus tokens and/or transportation vouchers to assist guests in getting to critical appointments.
- 11. Exit Planning: Grantee shall provide exit planning to guests preparing to leave the SAFE Navigation Center for any number of reasons, including but not limited to guests moving into permanent supportive housing, guests about to be issued a DOS, and guests who are talking about leaving the program. Grantee shall notify Coordinated Entry and/or HSH Outreach as directed by HSH when Priority status guests exit their SAFE Navigation Center program.
- B. SAFE Navigation Center

Regarding the Support Services listed above, Grantee shall engage guests on a Time-Limited Stay to participate in the intake and program orientation process. Other support services offered to Time-Limited Stay guests will be determined by the guest's needs and the support service priorities established in conjunction with HSH. Participation in Support Services beyond the intake and program orientation process is optional for Time-Limited Stay guests. For Housing Referral Status guests, participation in support services is a requirement for continued placement in the SAFE Navigation Center program.

C. <u>Emergency Shelter</u>

In addition to the services listed above, Family Emergency Shelter services include:

- 1. Case Management: Grantee shall provide ongoing Case Management to households to support the goals of the Family Success Plan. Grantee shall review the Family Success Plan at the first Case Management meeting, at the end of 90 days in shelter, and every 30 days thereafter.
- 2. Financial Planning Assistance: Grantee shall develop a plan with households who reside in the shelter for more than 30 days to save 75 percent of their net earnings in a trust account. Grantee shall also work with households on a budget and financial literacy, including opening a bank account if households do not already have one.
- 3. Children's and Youth Services: Grantee shall employ background check cleared, experienced and qualified staff, to provide on-site age-appropriate activities and enrichment programming, which promote children's mental, social and physical development to children and youth under the age of 18.

 - 2. Grantee's Executive Director or Chief Financial Officer shall submit a letter of authorization designating specific users, including their names, emails and phone numbers, who will have access to CARBON to electronically submit and sign for invoices, submit program reports, and view other information that is in CARBON.

- 3. Grantee acknowledges that submittal of the invoice by Grantee's designated authorized personnel with proper login credentials constitutes Grantee's electronic signature and certification of the invoice.
- 4. Grantee's authorized personnel with CARBON login credentials shall not share or internally reassign logins.
- 5. Grantee's Executive Director or Chief Financial Officer shall immediately notify the assigned HSH Contract Manager, as listed in CARBON, via email or letter regarding any need for the restriction or termination of previously authorized CARBON users and include the name(s), email(s) and phone number(s) of those previously authorized CARBON users.
- 6. Grantee may invoice and submit related documentation in the format specified by HSH via paper or email only upon special, written approval from the HSH Contracts Manager.
- C. <u>Line Item Variance</u>: There shall be no variance from the line item budget submitted, which adversely affects Grantee's ability to provide services specified in the Appendix A(s), Services to be Provided of the Agreement; however, Grantee may invoice up to 110 percent of an ongoing General Fund or Prop C line item, provided that total expenditures do not exceed the total budget amount, per the HSH Budget Revision Policy and Procedure: http://hsh.sfgov.org/overview/provider-updates/.

D. Spend Down

- 1. Grantee shall direct questions regarding spend down and funding source prioritization to the assigned HSH Contract and Program Managers, as listed in CARBON.

Grantee shall report unexpected delays and challenges to spending funds, as well as any lower than expected spending to the assigned Contract and Program Managers, as listed in CARBON prior to, or in conjunction with the invoicing period.
- 3. Failure to spend significant amounts of funding, especially non-General Fund dollars, may result in reductions to future allocations. HSH may set specific spend down targets and communicate those to Grantees.

E. Documentation and Record Keeping:

1. In accordance with Article 5 Use and Disbursement of Grant Funds; Article 6 Reporting Requirements; Audits; Penalties for False Claims; and the Appendix A(s), Services to be Provided of the Agreement, Grantee shall keep electronic or hard copy records and documentation of all HSH invoiced costs, including, but not limited to, payroll records; paid invoices; receipts; and payments made for a period not fewer than five years after final payment under this Agreement, and shall provide to the City upon request.

- a. HSH reserves the right to modify the terms of this Appendix in cases where Grantee has demonstrated issues with spend down, accuracy, and timeliness of invoices.
- b. In addition to the instructions below, HSH will request and review supporting documentation on the following occasions without modification to this Appendix:
 - 1) Program Monitoring;
 - 2) Fiscal and Compliance Monitoring;
 - 3) Year End Invoice Review;
