ORDINANCE NO.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Purpose and Findings.

(a) The San Francisco Marina is supported by its own operating revenues within a special revenue Marina Yacht Harbor Fund. Every year, the City assumes various costs to operate the Marina West Harbor, including the costs to dredge the Entry Channel to the West Harbor which is necessary to keep the West Harbor operable. But the operating revenue has been insufficient to cover the full cost of these activities, and the General Fund has had to provide a subsidy to cover the dredging costs every year for at least the last four fiscal years. This ordinance would impose a surcharge on the berthing license fees at the West Marina, to cover the reasonable cost of the dredging activities, which are necessary to maintain service within the existing service area for those berthholders. The funds would be used solely for annual West Marina dredging. It is reasonable to require berthholders to pay these operating

costs in exchange for granting them permission to berth their vessels at the Marina.

(b) The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 220687 and is incorporated herein by reference. The Board affirms this determination.

Section 2. The Park Code is hereby amended by revising Sections, to read as follows: **SEC. 12.11. MARINA FEES.** 

The following fees shall be charged for goods and services at the Marina Small Craft Harbor:

(l) West Harbor Dredging Surcharge. The Recreation and Park Department may impose a surcharge on West Harbor licensees to cover the estimated cost of dredging the West Harbor, not to exceed the following amounts:

Berth Length	Fee Per Foot/Per Month
<u>25'</u>	<u>\$2.70</u>
<u>30'</u>	2.74
<u>35'</u>	<u>2.74</u>

<u>90'</u>	3.47

Section 3. Effective Date. This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the

1 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board 2 of Supervisors overrides the Mayor's veto of the ordinance. 3 4 Section 4. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors 5 intends to amend only those words, phrases, paragraphs, subsections, sections, articles, 6 numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal 7 Code that are explicitly shown in this ordinance as additions, deletions, Board amendment 8 additions, and Board amendment deletions in accordance with the "Note" that appears under 9 the official title of the ordinance. 10 11 Section 5. Undertaking for the General Welfare. In enacting and implementing this 12 ordinance, the City is assuming an undertaking only to promote the general welfare. It is not 13 assuming, nor is it imposing on its officers and employees, an obligation for breach of which it 14 is liable in money damages to any person who claims that such breach proximately caused 15 injury. 16

#### **LEGISLATIVE DIGEST**

[Park Code - Marina West Harbor Fees]

Ordinance amending the Park Code to impose a surcharge in addition to the license fees for berthing at the Marina West Harbor, to help fund the cost of dredging activities at the West Harbor; and affirming the Planning Department's determination under the California Environmental Quality Act.

#### **Existing Law**

The City operates a marina at the Marina West Harbor. Members of the public can obtain licenses to berth their vessels there, on payment of a license fee. The fees are meant to cover the Marina's operating costs.

#### Amendments to Current Law

The ordinance would impose an additional monthly surcharge on licensees at the Marina West Harbor, to help cover the estimated costs of dredging the entry channel to the West Harbor. The surcharges range from \$2.70 to \$3.47 per foot, depending on the length of the berth.

#### Background Information

The City has needed to dredge the entry channel to the Marina West Harbor annually, in order to keep the West Harbor operable for the berthholders. But operating revenue has not been sufficient to cover the full cost of these activities. The surcharge reflects the estimated cost that each berthholder would need to contribute in order to fund the dredging activities.
