## **Changing a Street name of one 600 block of Frederick Street in recognition of "Polytechnic Way" opened from 1894 - 1972.**

A high school that has been closed for over half a century. There are lists of grade schools and high schools in San Francisco that have closed, one being a high school I attended on 30th Street and Church. Changing a block may not affect the main population of Frederick Street but it affects the residents of the one city block of Frederick Street, and my family is one of them. Why spend taxpayers' money on changing a street name for one block of Frederick Street. *Commemorate the high school with contribution to better the public schools in San Francisco!* The high school's name is still standing on a commemorative plaque, as well as the gymnasiums, why tamper with addresses that will affect current residents? We have lived on the 600 block of Frederick Street for over 32 years. We have issues with the lack of residential parking. Why not focus on the people that are present. Who will pay for change of address fees, checking fees, PGE, Wills and Trust, in addition to the time and effort that the residents will need to make the changes. The effort and confusion that the delivery service will put in dropping off mail, packages, and meal deliveries.

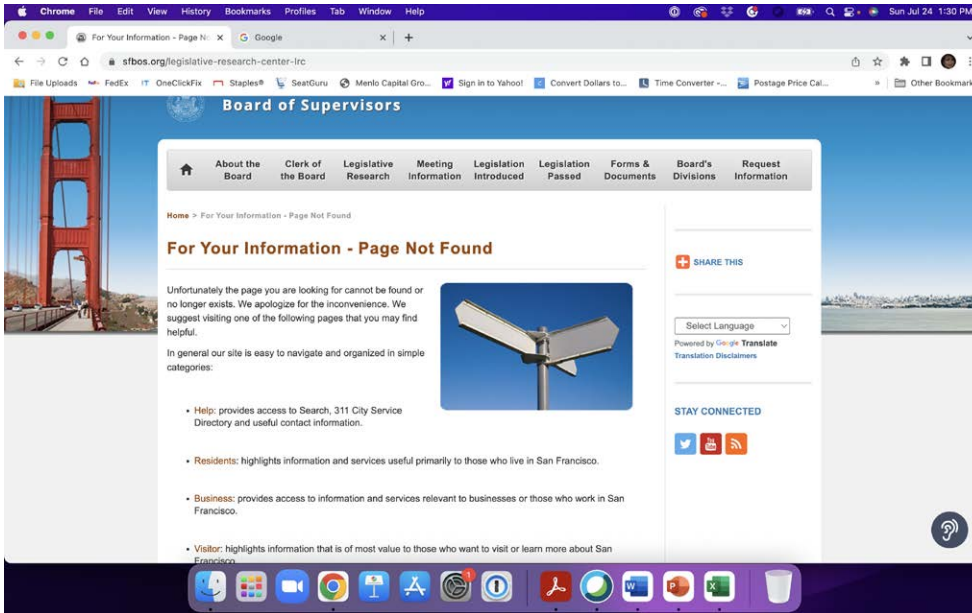

My neighbor was told that the name "Polytechnic Way" will be added to Frederick Street. Has the decision already been made? The Board of Supervisors should not have sole approval. Are the alumni of Polytech High, and their families demanding the change? Who benefits from this change? It is certainly not the residents of the one 600 block of Frederick Street. As a current resident, I say NO to the name change. Leave well enough alone!

Resident of 657 Frederick Street, San Francisco, CA 94117

Angela Calvillo,

I am strongly against adding the street name “Polytechnic Way” to the 600 block of Frederick Street, base on several reasons:

First, according to the Wikipedia, it has never mentioned the Polytechnics H.S was the San Francisco first public high school. They only mentioned the Mission H.S is the oldest high school in SF. During that period, a lot of High School were built after reconstruction of the school system in SF.

Second, if you look at the pictures below. On Frederick Street already has a cornerstone to commemorate the Polytechnic H.S. In addition, the original boys and girls gymnasiums are still on the Frederick Street. My suggestion is that the City can rename the gymnasiums to the “Polytechnic Gymnasium”. Plus, the cross street is the Kezar Stadium located. When 1950, the Polytechnic H.S Vs. the Lowell H.S had 50,000 attendants, it has broken the High School football game record. The Kezar is also able to rename to Polytechnic Stadium to commemorate the High School.

Third, the original Polytechnic H.S was located on Powell Street between Clay and Sacramento in 1884, then the school was moved to Bush and Stockton Street. After the 1906 SF earthquake, the school was relocated again to the 701 Frederick Street in 1912. Meaning, if the City wants to add the commemorative street name to the existing street. The City should add “Polytechnic Way” to the Powell Street or Bush Street , definitely not Frederick Street.

Finally, as a Frederick street resident, after I have talked to my neighbors. This proposal will create a lot of inconvenience to us, which includes mess up our bankings, credit cards, hospitals, retirements, communication to our relatives, friends and other related address issues, etc.

In conclusion, I and my neighbors are strongly against the proposal adding  
“Polytechnic Way” to the 600 block of Frederick Street.

Sincerely,

Gary Lui

Resident of the Commons Parkview of the 600 block of Frederick Street, SF.

## Re: NO to Renaming Frederick Street to Polytechnic Way

July 18, 2022

To the Board to Supervisors/ Land Use Transportation Committee

File # 220771- current (July 25, 2022)

File #210744- previous version Nov 1, 2021 (wrong/non existing block named)

I am currently a resident on the 600 block of Frederick Street and have lived on this street since the 1990s. Renaming the street will be cause complications and confusion not just for the residents but also for the few businesses and the Kesar Stadium on the street. For dedication – there is already a nice monument and plaque at the site.

First off, the notice we residents recently received is for File #220771 was mailed to us with only a 10 day notice. We received a previous notice last year (for November 1, 2021) File #210744 but it states renaming the 700 block of Frederick which does not exist. This is confusing in itself. Did the 700 Frederick (wrong street) notice got approval for the 600 Frederick Street?

Secondly, renaming the street will be a headache, time consuming and cause complications. Having to change your address with your employer, financial institutions, insurances (home, health, car, etc), doctor offices, friends, family, business associates, DMV, etc. Our mail and packages may be lost/returned because the new street may not be reflected in their databases or navigation for months or years ( Google, USPS, Fed Ex, UPS).

Thirdly, confusing for directions. Frederick Street starts at Buena Vista Ave West and goes for 5-6 blocks west then it suddenly becomes “Polytechnic Way”? for 1 short block and then it feeds into Lincoln Way. This short 1 block break will confuse most people weather giving directions or taking directions.

Lastly, there is already a big monument and plaque dedicated to the history of Polytechnic High school. It is located at the end of the condominiums next to the Circus Center (old school gym). Come and see the monument. We don't need this street name changed it will

only cause more confusion and headache for everyone living and working on this street.

Dear Board of Supervisors, Erica and Tom

Thank you for the Notice of Public Hearing regarding changing the street name of Frederick Street to "Polytechnic Way."

I am submitting my public comment regarding opposition to the official file. Please distribute to members of the Board of Supervisors.

I am writing today on behalf of my family and the residents living on the 600 block of Frederick Street to ask for consideration to object changing the street name of Frederick Street to "Polytechnic Way." This will be a tremendous mental burden to all of us. I am opposed to the name change of Frederick Street to Polytechnic Way, because my entire online, banking and legal identification existence is tied to this address. This will be a massive hassle that will cause extra work, risk and expense to accommodate the name change. Please let me know what I will need to do and how to file for an appeal to object the change.

Thank you for your time and assistance with this matter. I greatly appreciate it.

Kind Regards,  
Betty Luu

**Subject:** Renaming 600 block Frederick St

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Hello, Ms. Major,

We have lived on the 600 block of Frederick St for over 32 years now. We've just received in the mail a letter that finally alerts us about such a monumental event, a hearing, only 7 days away, for re-naming our street.

This is definitely insufficient time for us to process such a tremendous change to our lives. We are adamantly AGAINST such re-naming of this part of Frederick street.

My neighbors on this affected block do NOT seem to be aware of this upcoming hearing that is virtual and requires adequate internet access, a computer or cell phone, and time to do so during normal work hours. This portion of the block houses mostly lower-middle income residents of this great city.

Is this hearing to basically alert the public to re-naming this portion of Frederick st to Polytechnic Way?

I am very disappointed in such lack of adequate time prior to getting notice to more of my neighbors and for more of us to try to be able to attend this hearing, whether virtual or not.

Pleas clarify.

Thank you.

Robert Luu
