Subject: EVgo Comments at Board of Supervisors - withdraw comments / support legislation
Date: Monday, July 18, 2022 2:02:45 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Madam Clerk and Supervisor Peskin,

EVgo would like to withdraw the comments made this afternoon at the Board of Supervisors meeting regarding the EV Charging Legislation. We would like to instead formally express our **support for the legislation as amended and approved** in today's Board of Supervisors meeting.

Please let me know if you have any questions.

Thanks,
Jonah Eidus
