14 Registrant shall notify the Director, who shall remove the Registrant from the online system described
15 in Section 1075.2.2(b).

16 (b) A sale of the Registrant's business or a change of ownership does not make the Person
17 that is the new owner a Registrant. To act as an Event Promoter, the Person that is the new owner
18 must become a Registrant by complying with Sections 1075.2 and 1075.2.1.

19 (c) For a Registrant that is a corporation, a change of ownership occurs when (i) a Person
20 who, at the time of the Registrant's submitting information to the Director under Section 1075.2.1, did
21 not own or control more than 50% of the shares of stock in the corporation, acquires or gains control
22 over more than 50% of the shares, or (ii) Persons who, at the time of the Registrant's submitting
23 information to the Director under Section 1075.2.1, did not cumulatively own or control more than
24 50% of the shares of stock in the corporation, cumulatively acquire or gain control over more than
25

1 50% of the shares, provided that each of those Persons has acquired or gained control over at least
2 10% of those shares.

3 (d) For a Registrant that is a partnership, a change of ownership occurs when (i) a Person
4 who, at the time of the Registrant's submitting information to the Director under Section 1075.2.1, did

6 than 50% of the partnership or its assets, or (ii) Persons who, at the time of the Registrant's submitting
7 information to the Director under Section 1075.2.1, did not cumulatively own or control more than
8 50% of the partnership or its assets, cumulatively gain ownership or control of more than 50% of the
9 partnership or its assets, provided that each of those Persons has gained ownership or control over at
10 least 10% of the partnership or its assets.

11 **SEC. 1075.3. EVENT PROMOTER RECORDS AND INFORMATION.**

12 Any Event Promoter or Permittee shall cooperate with City officials, including but not limited to
13 the Director and the Commission, in providing access to records or any other information relevant to
14 determining:

15 (a) The Event Promoter's compliance with this Article or with any Order imposed under
16 Sections 1075.5 or 1075.5.1;

17 (b) A Permittee's compliance with this Article; and

18 (c) The Event Promoter's role and involvement in promoting an Event. The purpose of this
19 subsection (c) is to ascertain the Event Promoter's connection, if any, to the risk or actual occurrence
20 of injury to persons, damage to property, or other safety problems associated with an Event.

21 **SEC. 1075.4. PERMITTEES' USE OF REGISTERED EVENT PROMOTERS.**

22 A Permittee may not have a Person act as an Event Promoter at or in connection with an Event
23 at a Place of Entertainment, Extended-Hours Premises, location of a One Time Event, or Dance Hall
24 unless the Event Promoter is a Registrant. For purposes of this requirement, the Permittee may
25 conclude that an Event Promoter is a Registrant if the Event Promoter is listed online in the system

1 described in Section 1075.2.2(b). In circumstances where the Permittee does not have access to the
2 online system, or where a Registrant is not included in the online system due to the City's delay, failure,
3 or error, the Permittee may conclude that the Event Promoter is a Registrant based on (1) the Event
4 Promoter's possession of a valid Registration Receipt and (2) confirmation from the Director that the
5 Event Promoter is a Registrant.

6 **SEC. 1075.5. DIRECTOR'S POWERS REGARDING EVENT PROMOTERS.**

7 If an Event Promoter has promoted one or more Events (i) whether or not within the territorial
8 limits of the City, at which the Director determines, in consultation with the Police Department, that
9 there has been a significant risk or actual occurrence of injury to persons, damage to property, or other
10 serious safety problems, or (ii) within the territorial limits of the City, at which the Director determines,
11 in consultation with the Police Department, that there has been an actual occurrence of serious
12 neighborhood disturbance including but not limited to traffic, litter, and noise problems, and if the
13 Director determines, in consultation with the Police Department, that the Event Promoter bears
14 significant responsibility for the risk or actual occurrence referenced in (i) above or the actual
15 occurrence referenced in (ii) above, the Director may issue an Order that:

16 (a) Requires the Event Promoter to report to the Director some or all future Events within
17 the City for which the Event Promoter will be Holding the Event. The report shall be promptly made
18 following the Event Promoter's knowledge that the Event Promoter will be Holding the Event;

19 (b) Requires that enhanced Security Plan requirements shall apply to some or all Permittees
20 that use the Event Promoter to hold an Event;

21 (c) Requires that the Event Promoter hold commercial general liability insurance to cover
22 bodily injury and property damage arising from an Event. The Director's Order shall specify the
23 amount of insurance to be held and other conditions pertaining to the insurance. The Director's Order
24 may extend to insurance for a particular Event or for all Events promoted by the Event Promoter;
25

1 (d) Requires that the Event Promoter's managers, employees, and other personnel be
2 subject to criminal background checks; and/or

3 (e) Requires that the Event Promoter adhere to other conditions and requirements that are
4 warranted in light of the facts and circumstances giving rise to the Order.

5 **SEC. 1075.5.1. PROCEDURES AND APPEAL RIGHTS.**

6 (a) The Director shall send an Order imposed under Section 1075.5 to the Event Promoter
7 electronically and by mail or personal delivery. The Order shall state its date of issuance and its
8 effective date.

9 (b) To provide the Event Promoter an opportunity to appeal, the Director's Order shall not
10 take effect for ten City business days from the date the Order issues. Any Event Promoter directed to
11 comply with the Director's Order may appeal the Director's Order within ten City business days of the
12 date that the Order issues by filing a written request for review with the Secretary of the Commission.
13 The Event Promoter shall not be required to comply with the Director's Order pending the
14 Commission's action on the matter. If the Event Promoter withdraws the appeal, the Director's Order
15 shall take effect immediately upon the withdrawal of the appeal or upon the effective date of the
16 Director's Order, whichever is later.

17 (c) When acting on the appeal, the Commission may affirm, overturn, or modify the
18 Director's Order.

19 **SEC. 1075.5.2. DURATION OF DIRECTOR'S OR COMMISSION'S ORDER.**

20 (a) An Order imposed by the Director under Section 1075.5 may, at the Director's
21 discretion, include an expiration date. An Order imposed by the Commission under Section
22 1075.5.1(c) that modifies the Director's Order may, at the Commission's discretion, include an
23 expiration date.

24 (b) An Event Promoter who is the subject of an Order imposed by the Director under
25 Section 1075.5 may at any time request that the Director lift the Order or shorten its duration. The

1 Director's decision in response to the request shall not be appealable to the Commission. An Event
2 Promoter who is the subject of an Order imposed by the Commission under Section 1075.5.1(c) that
3 modifies the Director's Order may at any time request that the Commission lift the Order or shorten its
4 duration. The Commission may make a decision in response to the request, or delegate the decision to
5 the Director.

6 **SEC. 1075.5.3. ONLINE DISCLOSURE OF DIRECTOR'S OR COMMISSION'S ORDER.**

7 (a) The Director shall include in the online system described in Section 1075.2.2(b) a
8 reference to any Order that is in effect, imposed by the Director under Section 1075.5 or by the
9 Commission under Section 1075.5.1, against an Event Promoter. The Director shall determine the
10 degree of detail pertaining to the Order to be included in the online system.

11 (b) When using an Event Promoter in connection with an Event, Permittees have an
12 obligation to ascertain whether there is an Order in effect, imposed by the Director under Section
13 1075.5 or by the Commission under Section 1075.5.1, against an Event Promoter that requires
14 enhanced Security Plan requirements for Events to be Held by the Event Promoter or requires the
15 Event Promoter to have commercial general liability insurance in connection with an Event. If a
16 Permittee contracts with or otherwise engages the services of an Event Promoter, the Permittee (in
17 addition to the Event Promoter) has a duty to proceed with the Event in a manner that is consistent with
18 the requirements of the Director's or Commission's Order.

19 **SEC. 1075.6. MULTIPLE EVENT PROMOTERS FOR A SINGLE EVENT.**

20 (a) The definition of Event Promoter does not limit the number of Persons who may qualify
21 as an Event Promoter for a single Event. There can be more than one Event Promoter for a single
22 Event.

23 (b) An Event Promoter may not contract with or otherwise engage another Event Promoter
24 to Hold the same Event unless the other Event Promoter ("Other Event Promoter") is a Registrant. For
25 purposes of this requirement, the Event Promoter may conclude that the Other Event Promoter is a

1 Registrant if the Other Event Promoter is listed online in the system described in Section 1075.2.2(b).
2 In circumstances where the Event Promoter does not have access to the online system, or where the
3 Other Event Promoter is not included in the online system due to the City's delay, failure, or error, the
4 Event Promoter may conclude that the Other Event Promoter is a Registrant based on (1) the Other
5 Event Promoter's possession of a valid Registration Receipt and (2) confirmation from the Director
6 that the Other Event Promoter is a Registrant.

7 (c) An Event Promoter that contracts with or otherwise engages another Event Promoter to
8 Hold the same Event must promptly notify the Permittee that the Other Event Promoter is also Holding
9 the Event.

10 (d) A Permittee's obligation under Section 1075.4 to only use registered Event Promoters
11 for an Event applies to all Event Promoters Holding the Event.

12 **SEC. 1075.7. ADMINISTRATIVE PENALTIES FOR EVENT PROMOTERS.**

13 Any Event Promoter who violates Sections 1075.2, 1075.2.1, 1075.2.4, 1075.3, 1075.6, or an
14 Order imposed under Sections 1075.5 or 1075.5.1 shall be subject to administrative penalties as set
15 forth in Administrative Code Chapter 100, "Procedures Governing the Imposition of Administrative
16 Fines," which is hereby incorporated in its entirety and which shall govern the amount of fees and the

18 citations. The Director shall impose fines for violation of the aforementioned Sections or Orders as set
19 forth in Section 100.5(a) of the Administrative Code. Each day during which a Section or Order is
20 violated shall be considered a separate violation.

1 (b) Permit revocation under Section 1027 of the Police Code and, where applicable,
2 Sections 1060.20.4, 1060.20.5, 1070.20(a)(4), and 1070.20(a)(5) of the Police Code;

3 (c) Criminal penalties under Sections 1027, 1060.25(a), and 1070.24(a) of the Police Code;
4 and

5 (d) Administrative penalties as set forth in Administrative Code Chapter 100, "Procedures
6 Governing the Imposition of Administrative Fines," which is hereby incorporated in its entirety and
7 which shall govern the amount of fees and the procedure for imposition, enforcement, collection, and
8 administrative review of administrative citations. The Director shall impose fines for violation of this
9 Article as set forth in Section 100.5(a) of the Administrative Code. Each day during which a Section or
10 Order is violated shall be considered a separate violation.

LEGISLATIVE DIGEST (Revised)

[Registration and Other Requirements for Event Promoters]

Ordinance adding Article 15.7 to the San Francisco Police Code, requiring event promoters to register with the Entertainment Commission; prohibiting holders of certain entertainment-related permits, and registered promoters, from retaining an unregistered promoter to hold an event; and authorizing under certain circumstances for certain promoters reporting requirements, increased security plan requirements for events they promote, general liability insurance requirements, a criminal background check requirement, and other requirements.

Note: This legislative digest reflects changes made by the Amendment of the Whole (Board of Supervisors meeting, 11/23/10) and in the earlier substitute ordinance introduced at the Board meeting of 11/9/10 and heard at the 11/15 Public Safety Committee hearing.

Existing Law

No ordinance requires Event Promoters to register with the City, or otherwise regulates them.

Amendments to Current Law

Definition of "Event Promoter"

There are four components to the definition of "Event Promoter."

1. There must be an "Event." An Event is defined broadly as "an occasion or happening at which Entertainment is presented or a Dance occurs under circumstances where a Place of Entertainment Permit, Extended-Hours Premises Permit, OneTime Event Permit, and/or Dance Hall Permit is required." There is no requirement that the entertainment/dance occur in a venue that is actually permitted. There are seven limits placed on the definition of Event:

- The venue, if indoors, has a legal occupancy limit of at least 100 persons; the Event, if outdoors, is anticipated to have 100 persons or more in attendance at any one time.
- Some portion of the Event occurs between 10 p.m. and 6 a.m.
- The Event is not of a bona fide social character (to be of a bona fide social character, admission must be limited on invitation of the host, no fee may be charged, except to cover costs, and no profit is intended to be made or other commercial or marketing advantage intended to be sought).
- The Event is not a fundraiser for a charitable, political, religious, or similar purpose (to be a bona fide fundraiser, no proceeds can be used for any other purpose, except operating costs, provided that no proceeds benefit the Person promoting the Event).
- The Event is not held at certain City buildings.

- The Event is not one in which the City has a management role, either exclusively or in concert/partnership with a person or entity.
- The Event is not held at a recreational or social hall at a house of worship.

If there is a question whether an Event is not of a bona fide social character or is not a bona fide fundraiser, the Event Promoter must ask the Director in advance of the Event.

2. The Event Promoter must "Hold an Event." This means take action to (a) organize the Event, (b) arrange the program for the Event, or (c) encourage attendance at the Event. Some examples of Holding an Event are:

- Contracting for or renting the Event site.
- Exercising some control over the site during the Event.
- Selecting or contracting for entertainment for the Event.
- Advertising or publicizing the Event to the public.
- Soliciting the public to attend the Event.

3. The Event Promoter must also "Receive Compensation in Connection With the Event." This means (a) receiving or sharing in entrance fees paid by attendees, (b) receiving or sharing in compensation, revenue, or other consideration for Holding the Event, or (c) receiving or sharing in revenue from food, beverages, or items sold at the Event.

4. If the above three components are satisfied, a Person is an Event Promoter unless the Person is within one of the following seven exclusions:

- A Permittee (holder of a Place of Entertainment, Extended-Hours Premises, One Time Event, or Dance Hall permit), when the Event is held at the permit venue.
- A print, broadcast, or internet medium paid solely for page space or broadcast time to advertise the Event.
- A ticket seller who sells tickets to an Event from its own place of business, not on the site of the Event, and in advance of the Event.
- An entertainer or performer who is not compensated, or is compensated only for the entertainment or performance.
- An agent of such an entertainer or performer.
- An employee of an Event Promoter.
- A City employee, official, or agent, acting in that capacity.

The definition of Event Promoter does not limit the number of Persons who may qualify as an Event Promoter for a single Event; there can be more than one for a single Event.

Registration Requirement for Event Promoters

All Event Promoters must register with the Entertainment Commission ("Commission"). Registration involves submitting a form to the Executive Director ("Director") that includes basic information about the Event Promoter. The ordinance does not become operative until there is in place an online system that makes it possible for Event Promoters to submit the form online, and allows the Director to post the submitted forms online or, alternatively, post online an Event Promoter registry.

When there is a sale or change of ownership of the Event Promoter's business, the registration lapses and the new owner must register anew as an Event Promoter.

Requirement that Permittees Only Retain Registered Event Promoters

Permittees (holders of a Place of Entertainment, Extended-Hours Premises, One Time Event, or Dance Hall permit) may not have a person act as an Event Promoter who has not registered with the Commission. Permittees may conclude that an Event Promoter is registered if the Event Promoter appears in the online registration system previously described. If a Permittee does not have access to the online system, the Permittee may conclude that an Event Promoter is registered based on both (a) the Event Promoter's possession of a valid registration receipt issued by the Director and (b) confirmation from the Director that the Event Promoter is registered.

Director or Commission Orders Regarding Event Promoters

For the Director to issue an Order against an Event Promoter, the Director must determine that the Event Promoter has promoted one or more Events at which:

- There has been a significant risk or actual occurrence of injury to persons, damage to property, or other safety problems, OR
- There has been an actual occurrence of serious neighborhood disturbance including but not limited to traffic, litter, and noise problems.

Further, the Director must determine that the Event Promoter bears significant responsibility for one of the above conditions. The Director's determinations referenced above are made in consultation with the Police Department.

If the above preconditions are met, the Director may issue the following Orders:

- Requiring the Event Promoter to report some or all future Events in the City that the Event Promoter will Hold.
- Requiring enhanced Security Plan requirements to apply to some or all Permittees using the Event Promoter to hold an Event.
- Requiring the Event Promoter to have general commercial liability insurance for some or all Events.

- Requiring the Event Promoter's personnel to be subject to criminal background checks.
- Requiring the Event Promoter to adhere to other conditions and requirements that are warranted given the circumstances that prompted the Order.

The Event Promoter may appeal the Director's Order to the Commission, which may affirm, overturn, or modify the Order. During the pendency of the appeal, the Director's Order is stayed. The Director must include in the online registration system previously described a reference to any Director's or Commission's Order that is in effect.

If the Permittee uses an Event Promoter against whom the Director or Commission has issued an Order, the Permittee (as well as the Event Promoter) must proceed with the Event in a way that is consistent with the Order.

Duties of Event Promoters

In addition to having to register with the Commission and follow any Order of the Director or Commission as specified above, Event Promoters have the following duties:

- To notify the Director when there is a sale or change of ownership of the Event Promoter, so that the Director will remove the Event Promoter from the online registration system.
- To cooperate with City officials in providing access to records or other information relevant to determining compliance with the ordinance or with a Director or Commission Order, or to understanding the Event Promoter's involvement in promoting an Event.
- To not contract with or engage another Event Promoter in connection with an Event if the other Event Promoter has not registered with the Commission.
- To notify the Permittee if the Event Promoter contracts with or engages another Event Promoter in connection with an Event.

Sanctions

An Event Promoter who violates the ordinance or a Director's or Commission's Order is subject to the range of administrative penalties outlined in Chapter 100 of the Administrative Code. In addition, if an Event Promoter (or a Person seeking to become an Event Promoter) has intentionally submitted registration information that is false or incomplete in a material respect, or has intentionally failed to update information resulting in a material omission, the Director may remove the violator from the registry for a period of one year, subject to an appeal process to the Commission.

A Permittee who violates the ordinance is also subject to administrative penalties, and, in addition, depending on the circumstances, may be subject to permit suspension, permit revocation, or criminal penalties.
