

1 [Findings to Allow Teleconferenced Meetings During Declared Emergency]

2

3 **Motion making findings to allow teleconferenced meetings under California**  
4 **Government Code, Section 54953(e).**

5

6 WHEREAS, California Government Code, Section 54953(e), empowers local policy  
7 bodies to convene by teleconferencing technology during a proclaimed state of emergency  
8 under the State Emergency Services Act so long as certain conditions are met; and

9 WHEREAS, In March, 2020, the Governor of the State of California proclaimed a state  
10 of emergency in California in connection with the Coronavirus Disease 2019 (“COVID-19”)  
11 pandemic, and that state of emergency remains in effect; and

12 WHEREAS, In February 25, 2020, the Mayor of the City and County of San Francisco  
13 (the “City”) declared a local emergency, and on March 6, 2020, the City’s Health Officer  
14 declared a local health emergency, and both those declarations also remain in effect; and

15 WHEREAS, On March 11 and March 23, 2020, the Mayor issued emergency orders  
16 suspending select provisions of local law, including sections of the City Charter, that restrict  
17 teleconferencing by members of policy bodies; those orders remain in effect, so City law  
18 currently allows policy bodies to meet remotely if they comply with restrictions in State law  
19 regarding teleconference meetings; and

20 WHEREAS, On September 16, 2021, the Governor signed AB 361, a bill that amends  
21 the Brown Act to allow local policy bodies to continue to meet by teleconferencing during a  
22 state of emergency without complying with restrictions in State law that would otherwise  
23 apply, provided that the policy bodies make certain findings at least once every 30 days; and

24 WHEREAS, While federal, State, and local health officials emphasize the critical  
25 importance of vaccination (including a booster once eligible) and consistent mask-wearing,

1 regardless of vaccination status, to prevent the spread of COVID-19, the City’s Health Officer  
2 has issued at least one order (Health Officer Order No. C19-07y, available online at  
3 [www.sfdph.org/healthorders](http://www.sfdph.org/healthorders)) and one directive (Health Officer Directive No. 2020-33i,  
4 available online at [www.sfdph.org/directives](http://www.sfdph.org/directives)) that continue to recommend measures to  
5 promote safety for indoor gatherings, including vaccination, masking, improved ventilation,  
6 and other measures, in certain contexts; and

7 WHEREAS, The California Department of Industrial Relations Division of Occupational  
8 Safety and Health (“Cal/OSHA”) has promulgated Section 3205 of Title 8 of the California  
9 Code of Regulations, which requires most employers in California, including in the City, to  
10 train and instruct employees about measures that can decrease the spread of COVID-19; and

11 WHEREAS, Without limiting any requirements under applicable federal, state, or local  
12 pandemic-related rules, orders, or directives, the City’s Department of Public Health, in  
13 coordination with the City’s Health Officer, has advised that for group gatherings indoors, such  
14 as meetings of boards and commissions, people can increase safety and greatly reduce risks  
15 to the health and safety of attendees from COVID-19 by maximizing ventilation, wearing well-  
16 fitting masks regardless of vaccination status (and as required for unvaccinated people by the  
17 State of California’s indoor masking order), encouraging vaccination (including a booster as  
18 soon as eligible), staying home when sick or when experiencing any COVID-19 symptom,  
19 discouraging consumption of food or beverages in the meeting, following good hand hygiene  
20 practices, and making informed choices when gathering with people whose vaccination status  
21 is not known; and

22 WHEREAS, On February 10, 2022, the Mayor issued an emergency order that (1)  
23 requires decision-making boards and commissions established in the Charter (with the  
24 exception of the Board of Supervisors) to hold meetings in person at a physical location where  
25 members of the public may attend and provide comment, (2) allows members of those boards

1 and commissions to participate remotely in the in-person meetings for COVID-related health  
2 reasons, (3) allows but does not require subcommittees of those boards and commissions to  
3 meet in person at a physical location where members of the public may attend and provide  
4 comment, and (4) prohibits all other policy bodies (with the exception of the Board of  
5 Supervisors and its committees) from meeting in person under any circumstances, with limited  
6 exceptions; and

7 WHEREAS, On October 5, 2021, the Board of Supervisors approved Motion No. M21-  
8 132 making findings to allow teleconferenced meetings for 30 days, expiring on November 4,  
9 2021; and

10 WHEREAS, On November 2, 2021, the Board of Supervisors approved Motion No.  
11 M21-153 making findings to allow teleconferenced meetings for 30 days, expiring on  
12 December 1, 2021; and

13 WHEREAS, On November 30, 2021, the Board of Supervisors approved Motion No.  
14 M21-165 making findings to allow teleconferenced meetings for 30 days, expiring on  
15 December 30, 2021; and

16 WHEREAS, On December 14, 2021, the Board of Supervisors approved Motion No.  
17 M21-174 making findings to allow teleconferenced meetings for 30 days, expiring on January  
18 13, 2022; and

19 WHEREAS, On January 11, 2022, the Board of Supervisors approved Motion No. M22-  
20 005 making findings to allow teleconferenced meetings for 30 days, expiring on February 10,  
21 2022; and

22 WHEREAS, On February 8, 2022, the Board of Supervisors approved Motion No. M22-  
23 018 making findings to allow teleconferenced meetings for 30 days, expiring on March 10,  
24 2022; and

25

1           WHEREAS, On March 8, 2022, the Board of Supervisors approved Motion No. M22-  
2 036 making findings to allow teleconferenced meetings for 30 days, expiring on April 7, 2022;  
3 and

4           WHEREAS, On April 5, 2022, the Board of Supervisors approved Motion No. M22-050  
5 making findings to allow teleconferenced meetings for 30 days, expiring on May 5, 2022; and

6           WHEREAS, On May 3, 2022, the Board of Supervisors approved Motion No. M22-074  
7 making findings to allow teleconferenced meetings for 30 days, expiring on June 23, 2022;  
8 and

9           WHEREAS, On May 24, 2022, the Board of Supervisors approved Motion No. M22-095  
10 making findings to allow teleconferenced meetings for 30 days, expiring on June 2, 2022; and

11           WHEREAS, On June 14, 2022, the Board of Supervisors approved Motion No. M22-  
12 106 making findings to allow teleconferenced meetings for 30 days, expiring on July 14, 2022;  
13 and

14           WHEREAS, On July 12, 2022, the Board of Supervisors approved Motion No. M22-121  
15 making findings to allow teleconferenced meetings for 30 days, expiring on August 12, 2022;  
16 and

17           WHEREAS, On August 8, 2022, the Board of Supervisors approved Motion No. M22-  
18 139 making findings to allow teleconferenced meetings for 30 days, expiring on September 7,  
19 2022; and

20           WHEREAS, The Board of Supervisors has begun holding some meetings in person,  
21 and will begin holding additional meetings, including committee meetings, in person, while  
22 allowing members to participate by video from a separate location for COVID-related health  
23 reasons and providing members of the public an opportunity to observe and provide public  
24 comment either in person or remotely; now, therefore, be it

25           MOVED, That the Board of Supervisors finds as follows:

1           1.       As described above, the State of California and the City remain in a state of  
2 emergency due to the COVID-19 pandemic. At this meeting, the Board of Supervisors has  
3 considered the circumstances of the state of emergency.

4           2.       As described above, State and City officials continue to recommend measures  
5 to promote physical distancing and other social distancing measures, in some settings.

6           3.       As described above, because of the COVID-19 pandemic, conducting meetings  
7 of this body and its committees in person without allowing certain members of this body to  
8 attend remotely due to COVID-related health reasons would present imminent risks to the  
9 health or safety of certain attendees due to COVID-19, and the state of emergency continues  
10 to directly impact the ability of those members to meet safely in person; and, be it

11           FURTHER MOVED, That for at least the next 30 days, the Board of Supervisors and its  
12 committees will hold in-person meetings, with some members possibly appearing remotely for  
13 COVID-health related reasons. If all members of the Board of Supervisors or a committee of  
14 the Board are unable to attend in person for COVID-related health reasons, then the Board of  
15 Supervisors or committee will hold the meeting remotely without providing an in-person  
16 meeting location. All meetings of the Board of Supervisors and its committees will provide an  
17 opportunity for members of the public to address this body and its committees and will  
18 otherwise occur in a manner that protects the statutory and constitutional rights of parties and  
19 the members of the public attending the meeting via teleconferencing; and, be it

20           FURTHER MOVED, That the Clerk of the Board of Supervisors is directed to place a  
21 Motion substantially similar to this Motion on the agenda of a future meeting of the Board of  
22 Supervisors within the next 30 days; if the Board of Supervisors does not meet within the next  
23 30 days, the Clerk of the Board of Supervisors is directed to place a such Motion on the  
24 agenda of the next meeting of Board of Supervisors.
