15

16 Section 1. Environmental Findings. The Planning Department has determined that the
 17 actions contemplated in this ordinance comply with the California Environmental Quality Act
 18 (California Public Resources Code Sections 21000 et seq.). Said determination is on file with
 19 the Clerk of the Board of Supervisors in File No. 220945 and is incorporated herein by
 20 reference. The Board affirms this determination.

21

22 Section 2. General Findings.

23 (a) The California Building Standards Code is contained in Title 24 of the California
 24 Code of Regulations. It consists of 12 Parts, which are based upon model codes that are

25

1 amended by the State agencies with jurisdiction over the subject matter. The California
2 Plumbing Code is Part 5 of Title 24 of the California Code of Regulations.

3 (b) The State of California adopts a new California Building Standards Code every
4 three years (“triennial CBSC”) with supplemental amendments published in intervening years.
5 The triennial CBSC goes into effect throughout the State of California 180 days after its
6 publication by the California Building Standards Commission or at a later date established by
7 the Commission. The 2022 triennial CBSC will go into effect on January 1, 2023.

8 (c) Local jurisdictions must enforce the California Building Standards Code but they
9 may also enact more restrictive building standards that are reasonably necessary because of
10 local climate, geologic, or topographical conditions. Local amendments may be made both to
11 the triennial CBSC and to its individual Parts during the intervening years; however, local
12 amendments previously adopted are not automatically applicable to a triennial CBSC. Rather,
13 they must be re-enacted with the required findings of local climate, geologic, or topographical
14 conditions, expressly made applicable to the new triennial CBSC, and with an operative date
15 no earlier than the effective date of the triennial CBSC.

16 (d) As in past triennial CBSC adoption cycles, by this ordinance the Board of
17 Supervisors repeals the 2019 San Francisco Plumbing Code in its entirety, enacts the 2022
18 San Francisco Plumbing Code, and re-enacts the existing local amendments to make them
19 applicable to the 2022 California Plumbing Code.

20 (e) Pursuant to Charter Section D3.750-5, the Building Inspection Commission
21 considered and approved San Francisco’s amendments to the 2022 California Plumbing Code
22 at a duly noticed public hearing that was held on August 17, 2022.

23
24 Section 3. Findings Regarding Local Conditions.
25

1 (a) California Health and Safety Code Sections 17958.7 and 18941.5 provide that
2 before making any changes or modifications to the California Plumbing Code and any other
3 applicable provisions published by the California Building Standards Commission, the local
4 governing body must make an express finding that each such change or modification is
5 reasonably necessary because of specified local conditions. The local amendments together
6 with the required findings must be filed with the California Building Standards Commission
7 before the local changes or modifications can go into effect.

8 (b) The City and County of San Francisco is unique among California communities
9 with respect to local climate, geologic, topographical, and other conditions. A specific list of
10 findings that support San Francisco's modifications to the 2022 California Plumbing Code,
11 with a section-by-section correlation of each modification with a specific numbered finding, are
12 contained in Exhibit A entitled "Standard Findings for San Francisco Building Standards Code
13 Amendments."

14 (c) Pursuant to California Health and Safety Code Sections 17958.7 and 18941.5,
15 the Board of Supervisors finds and determines that the local conditions described in Exhibit A
16 constitute a general summary of the most significant local conditions giving rise to the need
17 for modification of the 2022 California Plumbing Code provisions published by the California
18 Building Standards Commission. The Board of Supervisors further finds and determines that
19 the proposed modifications are reasonably necessary based upon the local conditions set
20 forth in Exhibit A.

21
22 Section 4. Repeal of the 2019 San Francisco Plumbing Code and Enactment of the
23 2022 San Francisco Plumbing Code.

24 (a) The 2019 San Francisco Plumbing Code is hereby repealed in its entirety. The
25 San Francisco Plumbing Code being repealed was enacted on November 21, 2019, by

1 Ordinance No. 268-19, with an operative date of January 1, 2020. It was amended by
2 Ordinance No. 30-20. These ordinances are available on the Board of Supervisors' website
3 and in the Office of the Clerk of the Board of Supervisors.

4 (b) The 2022 San Francisco Plumbing Code is hereby enacted. It consists of the
5 2022 California Plumbing Code and San Francisco's existing local amendments, which are re-
6 enacted and expressly made applicable to the 2022 California Plumbing Code. Copies of the
7 2022 California Plumbing Code and the stand-alone San Francisco amendments are declared
8 to be part of Board File No. 220945 and are incorporated into this ordinance by reference as
9 though fully set forth. Existing San Francisco amendments that are being made applicable to
10 the 2022 California Plumbing Code are shown in unformatted ("plain") text and may include
11 bold and/or italicized formatting; new San Francisco amendments are underlined; and deleted
12 San Francisco amendments are in strikeout text.

13
14 Section 5. Continuance of Actions Under Prior Code. Nothing contained in this
15 ordinance shall be construed as abating any action now pending under or by virtue of any
16 ordinance of the City and County of San Francisco hereby repealed, nor shall this ordinance
17 be construed as discontinuing, abating, modifying or altering any penalties accruing, or to
18 accrue, or as waiving any right of the City under any such ordinance.

19
20 Section 6. Severability. If any section, subsection, sentence, clause, or phrase of this
21 ordinance is, for any reason, held to be invalid, such decision shall not affect the validity of the
22 remaining portions of this ordinance. The Board of Supervisors hereby declares that it would
23 have passed this ordinance, and each section, subsection, sentence, clause, or phrase of this
24 ordinance, irrespective of the fact that any one or more sections, subsections, sentences,
25 clauses, or phrases be declared invalid.

Section 7. Effective and Operative Dates. This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor’s veto of the ordinance. This ordinance shall take effect and be in full force on and after either January 1, 2023 or its effective date if the effective date is later.

Section 8. Directions to Clerk. Upon enactment of this ordinance, the Clerk of the Board of Supervisors is hereby directed to transmit to to the California Building Standards Commission pursuant to the applicable provisions of State law 1) this ordinance, 2) the Exhibit A attachment, and 3) the San Francisco amendments to the 2022 California Plumbing Code.
