Appendix A-2: Services to be Provided Low Income Investment Fund – Child Care Facilities Funding & Technical Assistance Effective July 1, 2020 – June 30, 2022

I. Purpose of Grant

The purpose of the grant is to provide both technical assistance and affordable capital to child care providers in order to retain and increase the quantity and enhance the quality of licensed child care available to families and children. This is accomplished through the administration of the Child Care Facilities Fund.

II. Definitions

ACCF	Affordable Child Care Fund. The Fund, established in 1985,
	is a development impact fee collected from new office and
	hotel development at occupancy. Fees are assessed on
	office/hotel developments adding 50,000 square feet or more
	in designated areas of downtown San Francisco. Developers
	can meet the mandate of legislation in one of three ways:

- ⇒ Developers can build a child care facility on-site.
- ⇒ Developers can establish a relationship with a nonprofit to provide a child care facility in the city.
- ⇒ Developers can pay \$1 per square foot of commercial space developed into the Fund.

In 2003 the legislation was modified to reflect state law requiring that development impact fees only be spent on capital and infrastructure improvements. The Affordable Child Care Fund was renamed the Child Care Capital Fund.

CCCF San Francisco's Child Care Capital Fund, revenues derived
