Upon the Effective Date of this Agreement, Contractor shall provide to the City, and shall maintain throughout the Term of this Agreement and for a period of at least ninety (90) days after expiration or termination of this Agreement, or until all of Contractor’s obligations have been performed under this Agreement, whichever date is later, a performance guarantee of two million dollars (\$2,000,000), which shall consist of a Performance Surety Bond of two million dollars (\$2,000,000) in favor of the City and County of San Francisco, a municipal corporation, acting by and through its Municipal Transportation Agency, guarantying the faithful performance by Contractor of this Agreement, of the 2650 Bayshore License, of the 7th Street License, and of the covenants, terms and conditions of this Agreement the 2650 Bayshore License, and the 7th Street License, including all monetary obligations set forth herein, and including liquidated damages and any dishonesty on the part of Contractor.

The City may draw upon such Performance Surety Bond in circumstances which include, but are not limited to:

(a) To ensure regulatory compliance in the event that Contractor receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over Contractor’s operations or the properties used by Contractor for the performance of this Agreement and Contractor does not achieve compliance with the notice of violation or order to the satisfaction of the issuing agency within the time specified by the agency, or by the City if the agency does not specify a timeframe.

If Contractor receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over the designated facilities or its operations, and such notice is not cured within fourteen (14) days, the City may draw from this deposit to reimburse the City for staff costs incurred by the City while inspecting site conditions and enforcing and administering the Hazardous Materials provisions of the licenses. Once City completes such move, Licensee shall commence its Towing Agreement operations at the new space and the new location shall become part or all of the Premises hereunder. Licensee shall enter into any amendment requested by City to reflect such new location.

2.1.3 City may, at City's sole and absolute discretion, modify the original configuration of the Premises; provided that such modification shall not materially interfere with Licensee's ability to meet its obligations under the Towing Agreement, unless such modification is required under the Lease.

2.1.4 Licensee acknowledges that the interest of City in the Premises is limited to those rights conveyed to City pursuant to the Lease. Licensee hereby agrees to assume all responsibility for and be bound by all covenants, terms and conditions made by or applicable to City under the Lease, and shall not take any actions that would cause the City to be in default under the Lease. In the event there are any inconsistencies between the provisions of this License and the Lease, the provisions of the Lease shall govern Licensee's use of the Premises hereunder.

2.2 Subordinate to Lease. This License is expressly made subject and subordinate to all the terms, covenants and conditions of the Lease, which are incorporated herein by reference (collectively, the "Lease Terms"). Licensee agrees to use the Premises in accordance with the Lease Terms and not take or fail to take any act that City would be required to not take or take under the Lease to comply with the Lease Terms.

2.3 Performance of Lease Obligations. Licensee further agrees to assume the obligation for performance of all City's obligations under the Lease with respect to the Premises, except as may be specifically modified by this License and excluding City's obligation to pay rent to Caltrans under the Lease.

2.4 Amendments to Lease. Licensee agrees that City shall have the right to enter into amendments or modifications to the Lease without Licensee's prior written consent; provided, however, that if such proposed amendment or modification would materially affect Licensee's rights under this License, Licensee shall not be subject to such amendment or modification unless it

consents to be subject thereto in writing. In the event Licensee fails within fifteen (15) business days to respond in writing to City's written request for such consent, then Licensee shall be deemed without further notice to have consented to City's request for consent.

2.5 Contact with Caltrans. Licensee has no authority to contact Caltrans or make any agreement with Caltrans concerning the Premises or the Lease without City's prior written consent, and Licensee shall make payments of any charges payable by Licensee under this License only to City.

2.6 Caltrans Duties. The Lease describes Caltrans' duties with respect to the Property. City is not obligated to perform such Caltrans' duties. If Caltrans fails to perform its duties, Licensee shall provide notice to City. In no event shall City incur any liability, or otherwise be responsible, nor shall there be any set-off, deduction or abatement of any amounts owed by Licensee to City pursuant to this License arising from Caltrans' failure to comply with its duties.

2.7 Termination of Lease. If the Lease is terminated for any reason during the Term, this License shall automatically terminate as of such Lease termination date.

3. INSPECTION OF PROPERTY; AS IS CONDITION

3.1 Inspection of Premises. Licensee represents and warrants that Licensee has conducted a thorough and diligent inspection and investigation of the Property and the suitability of the Premises for Licensee's intended use, either independently or through its officers, directors, employees, agents, affiliates, subsidiaries licensees and contractors, and their respective heirs, legal representatives, successors and assigns, and each of them. Licensee is fully aware of the needs of its operations and has determined, based solely on its own investigation, that the Premises is suitable for its operations and intended uses.

3.2 As Is Condition. WITHOUT WAIVING ANY OF LICENSEE'S RIGHTS ESTABLISHED IN SECTIONS 24.3 AND 24.8 BELOW, LICENSEE ACKNOWLEDGES AND AGREES THAT THE PREMISES ARE BEING LICENSED AND HAVE BEEN ACCEPTED IN THEIR "AS IS" AND "WITH ALL FAULTS" CONDITION, WITHOUT REPRESENTATION OR WARRANTY OF ANY KIND, AND SUBJECT TO ALL APPLICABLE LAWS, RULES AND ORDINANCES GOVERNING THEIR USE, OCCUPANCY AND POSSESSION. LICENSEE ACKNOWLEDGES AND AGREES THAT NEITHER CITY NOR ANY OF ITS AGENTS HAVE MADE, AND CITY HEREBY DISCLAIMS, ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, CONCERNING THE RENTABLE AREA OF THE PREMISES, THE PHYSICAL, SEISMOLOGICAL OR ENVIRONMENTAL CONDITION OF THE PREMISES OR THE PROPERTY, THE PRESENT OR FUTURE SUITABILITY OF THE PREMISES FOR LICENSEE'S BUSINESS, OR ANY OTHER MATTER WHATSOEVER RELATING TO THE PREMISES, INCLUDING, WITHOUT LIMITATION, AND IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

3.3 Accessibility Inspection Disclosure. Licensee is hereby advised that the Premises have not been inspected by a Certified Access Specialist under California Civil Code Section 1938.

4. LICENSE TERM

4.1 Term.

4.1.1 The privilege given to Licensee pursuant to this License is temporary only and shall commence upon the Commencement Date (as described in the Basic License Information) and shall terminate on March 31, 2021, subject to extension pursuant to Section 4.1.2, or the date of earlier termination of this License pursuant to the terms of this License or the Towing Agreement (the "Expiration Date"). Without limiting any of its rights hereunder, City may at its sole option freely revoke this License at any time, without cause and without any obligation to pay any consideration to Licensee.

4.1.2 The original term of the Towing Agreement ends on March 31, 2021, subject to City's right to extend such term by up to five (5) years. If City extends the term of the Towing Agreement pursuant to Section 2.2 of the Towing Agreement, the term of this License shall be automatically extended to be the last day of the Towing Agreement term, and the word "Term" as used herein shall refer to the original five (5) year term and any extended term resulting from City's extension of the term of the Towing Agreement.

4.2 Early Termination. Without limiting any of its rights hereunder, City may at its sole option freely terminate this License as to all or a portion of the Premises without cause and without any obligation to pay any consideration to Licensee

5. FEES AND CHARGES

5.1 Rent. Licensee shall pay no rent to City for use of the Premises pursuant to this License; provided, however, that Licensee shall make the payments otherwise owed by Licensee to City pursuant to this License, including, but not limited to, any amounts owed to City pursuant to Sections 6.6, 9.1, 10.2, 17.3, and 24.11 of this License.

5.2 Late Charges. Notwithstanding that Licensee will pay no rent, Licensee is obligated to make other payments to City pursuant to this License. If Licensee fails to pay all or any portion of any payment to be made by Licensee to City pursuant to this License within five (5) days following the due date for such payment, such unpaid amount shall be subject to a late payment charge equal to six percent (6%) of the unpaid amount in each instance. The late payment charge has been agreed upon by City and Licensee, after negotiation, as a reasonable estimate of the additional administrative costs and detriment that City will incur as a result of any such failure by Licensee, the actual costs thereof being extremely difficult if not impossible to determine. The late payment charge constitutes liquidated damages to compensate City for its damages resulting from such failure to pay and shall be paid to City together with such unpaid amount.

5.3 Default Interest. Any payment to be made by Licensee to City pursuant to this License, if not paid within five (5) days following the due date, shall bear interest from the due date until paid at the rate of ten percent (10%) per year or, if a higher rate is legally permissible, at the highest rate an individual is permitted to charge under law. However, interest shall not be payable on late charges incurred by Licensee nor on any amounts on which late charges are paid by Licensee to the extent this interest would cause the total interest to be in excess of that which an individual is lawfully permitted to charge. Payment of interest shall not excuse or cure any default by Licensee.

5.4 Deduction from Amounts Due. In the event Licensee fails to pay any payment due hereunder for more than ten (10) days following the due date, City may deduct and withhold the amount of such payment, together with the amount of applicable late charges and default interest as provided herein, from any monies in City's possession due Licensee pursuant to the Towing Agreement.

6. USE OF PREMISES

6.1 Permitted Use. Licensee shall use and continuously occupy the Premises during the Term solely for temporary storage and transfer of vehicles, customer service operations, dispatch of tow trucks, and related office use as necessary to meet its obligations under the Towing Agreement and for such other uses, if any, as may be specified in the Basic License Information, all to the extent permitted under the Lease Terms. Except as provided below, Licensee shall not use the Premises for any other purpose without the prior written approval of City, including, without limitation, the following: (a) crushing or dismantling; (b) maintenance or fueling of vehicles, except as otherwise may be permitted under the Maintenance Plan (as defined in Section 22); (c) selling vehicle parts from the Premises; (d) parking or storage of vehicles not covered under the Towing Agreement; or (e) parking for Licensee's employees, without the prior written approval of City and subject to availability of space necessary to fully perform Licensee's obligations under the Towing Agreement. All available space for vehicle parking shall be used for the purposes set forth in the Towing

Agreement, except as otherwise expressly approved by City pursuant to this License. The washing of vehicles shall be with cleansing agents that are biodegradable and non-toxic, and shall be in compliance with the Maintenance Plan. No advertising or signage may be placed in or about the Premises without the prior written permission of City.

6.2 Use of Equipment and Machinery. Licensee shall have the right to place on the Premises all necessary equipment and machinery in connection with the permitted use of the Premises. It is understood and agreed that City is not responsible for loss of or damage to any Licensee-owned equipment herein involved, unless caused by the sole negligence of City's officers, agents, and employees.

6.3 Limitation to Described Purpose. Licensee may occupy and use the Premises solely for the purpose of fulfilling its obligations under the Towing Agreement to store any vehicles towed pursuant to the terms of the Towing Agreement, and for incidental purposes related thereto. Adequate drop-off space must be provided so that tow and transport trucks can load and unload on the Premises. No loading, unloading, queuing, parking or storage of vehicles will be permitted on any remaining portion of the Property or any public streets or rights-of-way adjacent to the Property. All storage activities authorized by this License shall be restricted to the designated enclosed and visually screened area. Any use of the Premises by Licensee shall be subject to the requirements of the Maintenance Plan.

6.4 No Unlawful Uses, Nuisances or Waste. Without limiting the foregoing, Licensee shall not use, occupy or permit the use or occupancy of any of the Premises in any unlawful manner or for any illegal purpose, or permit any offensive, noisy or hazardous use or any waste on or about the Premises. Licensee shall take all precautions to eliminate any nuisances or hazards relating to its activities on or about the Premises. Licensee shall not conduct any business, place any sales display, or advertise in any manner in areas outside the Premises or on or about the Property without the prior written permission of City.

6.5 Security. Licensee shall at all times provide security at a level acceptable to the City to protect the Premises and all vehicles stored therein, and the persons and property of owners of towed vehicles, against damage, injury, theft or other loss.

6.6 Fines. Without limiting City's other rights and remedies set forth in this License, if Licensee violates any of the following provisions governing its use of the Premises contained in this License or the Towing Agreement, City may impose a fine of \$300 per day during which Licensee is in violation of any of the specified provisions: Sections 2, 6, 7, 8, 11, 19, 22, and 24 of this License; and Sections 4.9 through 4.16 of the Towing Agreement. City may also impose this fine for Licensee's failure to submit any documents, reports or other items as and when required by any provision of this License.

The fines described in this Section 6.6 shall run from the date of City's notice to Licensee of the violation and shall continue until the violation is cured. All such accrued amounts under this Section shall be payable to City on the first day of each month during the period that such fines accrue by wire transfer to a bank account specified by City in writing unless otherwise specified herein. The parties agree that the charges described above represent a fair and reasonable estimate of the administrative cost and expense which City will incur due to such violations by reason of its inspections, issuance of charges and other costs.

If City initiates notice of a fine under this Section, Licensee may appeal such charge to SFMTA's Director of Transportation within fourteen (14) days of the notice with evidence supporting Licensee's claim for relief from the fine imposed. SFMTA's Director of Transportation will respond within fourteen (14) days. Any failure of SFMTA's Director of Transportation to respond within the fourteen (14) day period shall be deemed a rejection of Licensee's claim for relief from the disputed fine. The provisions of Section 11.6.1 of the Towing Agreement shall not apply to fines imposed under this Section.

City's right to impose the foregoing fines shall be in addition to and not in lieu of any and all other rights under this License or at law or in equity; provided, however, that City agrees that if there is an Event of Default (as defined in Section 17 of this License), it will no longer impose any new fine with respect to such Event of Default. City shall have no obligation to Licensee to impose fines on or otherwise take action against any other person.

7. ALTERATIONS

7.1 Licensee's Alterations. Licensee shall not make, nor cause or suffer to be made, any alterations, installations, improvements, or additions to any improvements or to the Premises (including demolition or removal), installations, additions or improvements to the Premises, including but not limited to the installation of any appurtenances or trade fixtures affixed to the Premises, constructed by or on behalf of Licensee pursuant to the Towing Agreement, or any trailers, signs, roads, trails, driveways, parking areas, curbs, walks fences walls, stairs, poles, plantings or landscaping, (collectively, "Improvements" or Alterations," which words are interchangeable as used in this License) without first obtaining City's written approval and any required approvals of regulatory agencies having jurisdiction over the Premises. All Alterations shall be done at Licensee's expense in accordance with plans and specifications approved by City, only by duly licensed and bonded contractors or mechanics approved by City, and subject to any conditions that City may reasonably impose. City may require Licensee, at Licensee's expense, to obtain the prior written approval of City's Arts Commission with respect to any Alterations, to the extent the Arts Commission has jurisdiction over the design of such proposed alterations under City's Charter Section 5.103. All Alterations shall be subject to the following conditions:

7.1.1 All Alterations shall be constructed in a good and workerlike manner and in compliance with all applicable building, zoning and other laws, and in compliance with the terms of and the conditions imposed in any regulatory approval;

7.1.2 All Alterations shall be performed with reasonable dispatch, delays beyond the reasonable control of Licensee excepted; and

7.1.3 At the completion of the construction of the Alterations, Licensee shall furnish one (1) set of "as-built" drawings of the same made on or to the Premises. Unless otherwise stated as a condition of the regulatory approval, this requirement may be fulfilled by the submittal after completion of the Alterations of a hand-corrected copy of the approved permit drawing(s).

7.2 Title to Improvements. Except for Licensee's Personal Property (as defined in Section 7.3), or as may be specifically provided to the contrary in approved plans, all Alterations, equipment, or other property attached or affixed to or installed in the Premises at the Commencement Date or, by Licensee with the advance approval of City during the Term, shall, at City's sole discretion, remain City's property without compensation to Licensee or be removed at the termination of this License. Licensee may not remove any such Alterations at any time during or after the Term unless City so requests pursuant to Section 23 (Surrender of Premises), below.

7.3 Licensee's Personal Property. All furniture, trade fixtures, office equipment and articles of movable personal property installed in the Premises by or for the account of Licensee, without expense to City, and that can be removed without structural or other damage to the Premises (collectively, "Licensee's Personal Property") shall be and remain Licensee's property. Licensee may remove Licensee's Personal Property at any time during the Term, subject to the provisions of Section 23 (Surrender of Premises), below. Licensee shall pay any taxes or other impositions levied or assessed upon Licensee's Personal Property, at least ten (10) days prior to delinquency, and shall deliver satisfactory evidence of such payment to City upon request.

7.4 City's Alterations of the Building and Building Systems. City reserves the right at any time to make alterations, additions, repairs, deletions or improvements to the common areas of the Premises or any other part of the Building or the heating, ventilating, air conditioning, plumbing,

electrical, fire protection, life safety, security and other mechanical, electrical and communications systems located at the Premises ("Building Systems"), provided that any such alterations or additions shall not materially adversely affect the functional utilization of the Premises for the Permitted Use set forth in Section 6.1 (Permitted Use) unless otherwise required under the Lease.

7.5 Removal of Alterations. At City's election made in accordance with this Section 7.5, Licensee shall be obligated at its own expense to remove and relocate or demolish and remove (as Licensee may choose) any or all Alterations which Licensee has made to the Premises, including without limitation all telephone wiring and equipment installed by Licensee. Licensee shall repair, at its own expense, in good workerlike fashion any damage occasioned thereby.

7.5.1 Notice of Removal. Prior to the termination of this License, City shall give written notice to Licensee specifying the Alterations or portions thereof that Licensee shall be required to remove and relocate or demolish and remove from the Premises, in accordance with this Section 7.5 (herein "Notice of Removal"). If termination is the result of loss or destruction of the Premises or any improvements thereon, City shall deliver said Notice of Removal to Licensee within a reasonable time after the loss or destruction. If Licensee fails to complete such demolition or removal on or before the termination of this License, City may perform such removal or demolition at Licensee's expense, and Licensee shall reimburse City upon demand therefor.

7.5.2 Removal of Non-Permitted Improvements. If Licensee constructs any Alterations to the Premises without City's prior written consent or without complying with this Section 7, then, in addition to any other remedy available to City, City may require Licensee to remove, at Licensee's expense, any or all such Alterations and to repair, at Licensee's expense and in good workerlike fashion, any damage occasioned thereby. Licensee shall pay any special inspection fees required by the City for inspecting any Alterations performed by or for Licensee without required permits.

7.5.3 Alterations Not Subject to Removal. In conjunction with a request to make an Alteration under Section 7.1 above, Licensee may submit a request for a City determination of whether a proposed Alteration would or would not be required to be removed upon expiration or termination of this License. Licensee acknowledges that such a determination will be based, in part, on whether Caltrans would require the removal of the proposed Alteration upon expiration or termination of the Lease. This Section 7.5.3 shall not apply to Alterations that are required by any regulatory authority to conform the Premises or any building thereon to a requirement of statute, ordinance or regulation.

8. REPAIRS AND MAINTENANCE

8.1 Licensee's Repairs. Licensee shall maintain, at its sole expense, the Premises in good repair and working order and in a clean, secure, safe and sanitary condition. Licensee shall promptly make all repairs and replacements: (a) at its sole expense, (b) by licensed contractors or qualified mechanics approved by City, (c) so that the same shall be at least equal in quality, value and utility to the original work or installation, (d) in a manner and using equipment and materials that will not interfere with or impair the use or occupation of the Premises, and (e) in accordance with the Lease and all applicable laws, rules and regulations (collectively, "Applicable Law"). Licensee hereby waives all rights to make repairs at City's expense under Sections 1941 and 1942 of the California Civil Code or under any similar law, statute or ordinance now or hereafter in effect.

8.2 Removal of Refuse. All refuse, including tires, non-salvageable vehicle parts and litter, shall be removed from the Premises on a regular basis by an authorized refuse collection company. All trash areas shall be effectively screened from view and maintained in orderly manner. All trash and refuse containers shall be maintained in approved enclosures.

8.3 Storm Water Pollution Prevention. Licensee agrees to effect mechanisms to control storm water pollution at the Premises to the reasonable satisfaction of City, which mechanism may include

(by way of example and not limitation) good housekeeping and materials management practices, preventing run-on and run-off from materials storage areas, maintenance areas, or areas where contaminants may be present, installation and maintenance of catchments or absorbent pads in storm water drains located at or servicing the Premises, or other pollution prevention practices appropriate to the facility and operations. Documentation of Licensee's pollution prevention practices shall be provided as part of the Maintenance Plan. Licensee shall comply with all storm water pollution control regulations applicable to the Property, including those set forth in Section 5.11 of the Lease, and shall prepare and submit all storm water permit applications and storm water pollution control plans required for the Premises under any Applicable Law.

8.4 Repair of Any Damage. In the event that damage to any of the improvements to the Premises which are Licensee's obligation to maintain by reason of ordinary wear and tear or deterioration results in such improvements not meeting the standard of maintenance required by City for such uses as Licensee is making of the Premises, then Licensee shall have the independent responsibility for, and shall promptly undertake such maintenance or repair and complete the same with due diligence. If Licensee fails to do so after reasonable notice in writing from City, then in addition to any other remedy available to City, City may make such maintenance or repairs and Licensee shall reimburse City therefor. The City, in its sole discretion, may obtain reimbursement for damages from the Performance Surety Bond. Should the City obtain reimbursement for damages from the Performance Surety Bond, Licensee shall promptly restore the Performance Surety Bond to its original amount.

9. LIENS AND ENCUMBRANCES

9.1 Liens. Licensee shall keep the Premises and the rest of the Property free from any liens arising out of any work performed, material furnished or obligations incurred by or for Licensee. In the event Licensee does not, within twenty (20) days following the imposition of any such lien, cause the lien to be released of record by payment or posting of a proper bond, City shall have, in addition to all other remedies, the right, but not the obligation, to cause the lien to be released by such means as it shall deem proper, including, but not limited to, payment of the claim giving rise to such lien. All such sums paid by City and all expenses reasonably incurred by it in connection therewith (including, without limitation, reasonable attorneys' fees) shall be payable to City by Licensee within thirty (30) days of demand by City. City shall have the right to post on the Premises any notices that City may deem proper for the protection of City, the Premises from mechanics' and materialmen's liens. Licensee shall give to City at least fifteen (15) days' prior written notice of commencement of any repair or construction on the Premises.

9.2 Encumbrances. Licensee shall not create, permit or suffer any liens or encumbrances affecting any portion of the Premises, the Property or City's interest therein or under this License.

10. UTILITIES AND SERVICES

10.1 Utilities and Services. Sewer, water, janitor service, telecommunications services and any other utilities or services shall be acquired and paid by Licensee, including the initial hook up to said utilities and services.

10.2 Utility Maintenance. Licensee shall be obligated, at its sole cost and expense, to repair and maintain in good operating condition all utilities located within the Premises and all utilities installed by Licensee (whether within or outside the Premises). If Licensee requests City to perform such maintenance or repair, whether emergency or routine, City may charge Licensee for the cost of the work performed at the then prevailing standard rates, and Licensee agrees to pay said charges to City promptly upon billing. Licensee shall pay for repair of utilities located outside the Premises (regardless of who installed the same) which are damaged by or adversely affected by Licensee's use of such utility and shall be responsible for all damages, liabilities and claims arising therefrom. The parties agree that any and all utility improvements shall become part of the realty and are not trade fixtures.

10.3 Mandatory or Voluntary Restrictions. . In the event any law, ordinance, code or governmental or regulatory guideline imposes mandatory or voluntary controls on City or the Property or any part thereof, relating to the use or conservation of energy, water, gas, light or electricity or the reduction of automobile or other emissions, or the provision of any other utility or service provided with respect to this License, or in the event City is required or elects to make alterations to any part of the Building in order to comply with such mandatory or voluntary controls or guidelines, such compliance and the making of such alterations shall in no event entitle Licensee to any damages, relieve Licensee of the obligation to perform each of its other covenants hereunder or constitute or be construed as a constructive or other eviction of Licensee. City shall have the right at any time to install a water meter in the Premises or otherwise to measure the amount of water consumed on the Premises, and the cost of such meter or other corrective measures and the installation and maintenance thereof shall be paid for by Licensee.

11. COMPLIANCE WITH LAWS AND RISK MANAGEMENT REQUIREMENTS

11.1 Compliance with Laws.

11.1.1 Licensee shall promptly comply, at its sole expense, with all present or future laws, judicial decisions, orders, regulations and requirements of all governmental authorities relating to the Premises or the use or occupancy thereof, whether in effect at the time of the execution of this License or adopted at any time thereafter and whether or not within the present contemplation of the parties.

11.1.2 Licensee further understands and agrees that it is Licensee's obligation, at its sole cost, to cause the Premises and Licensee's uses thereof to be conducted in compliance with the Americans with Disabilities Act, 42 U.S.C.A. §§ 12101 et seq. and any other disability access laws, rules, and regulations. Licensee shall not be required to make any structural alterations in order to comply with such laws unless such alterations shall be occasioned, in whole or in part, directly or indirectly, by Licensee's Alterations, Licensee's manner of using the Premises, or any act or omission of Licensee, its Agents or Invitees. Any Alteration made by or on behalf of Licensee pursuant to the provisions of this Section shall comply with the provisions of Section 8.1 (Licensee's Repairs), above.

11.1.3 Licensee shall comply with all Fire Code requirements in its use and occupancy of the Premises.

11.1.4 The parties acknowledge and agree that Licensee's obligation to comply with all laws as provided herein is a material part of the bargained for consideration under this License. Licensee's obligation under this Section shall include, without limitation, the responsibility of Licensee to comply with Applicable Law by making substantial or structural repairs and modifications to the Premises (including any of Licensee's Alterations), regardless of, among other factors, the relationship of the cost of curative action to the fee under this License, the relative benefit of the repairs to Licensee or City and the degree to which the curative action may interfere with Licensee's use or enjoyment of the Premises. This section shall not apply to any non-compliance with laws relating to changes in use or configuration of the Premises requested by City.

11.2 Regulatory Approvals.

11.2.1 Responsible Party. Licensee understands and agrees that Licensee's use of the Premises and construction of any Alterations permitted hereunder may require authorizations, approvals or permits from governmental regulatory agencies with jurisdiction over the Premises. Licensee shall be solely responsible for obtaining any and all such regulatory approvals. Licensee shall not seek any regulatory approval without first obtaining the written consent of City hereunder. Licensee shall bear all costs associated with applying for and obtaining any necessary or appropriate regulatory approval and shall be solely responsible for satisfying any and all conditions imposed by regulatory agencies as part of a regulatory

approval, other than any conditions that may arise out of Hazardous Materials in, on, or under any part of the Building or other portion of the Premises that were present immediately prior to July 1, 2016, to the extent that such regulatory conditions relate to property conditions existing at such time, and except to the extent that the regulatory conditions relate to Licensee's exacerbation of any pre-existing condition; provided, however, that City shall not be required to engage in any work or incur any costs necessary to secure any regulatory approval or satisfy any condition imposed by a regulatory agency. Any fines or penalties levied as a result of Licensee's failure to comply with the terms and conditions of any regulatory approval shall be immediately paid and discharged by Licensee, and City shall have no liability, monetary or otherwise, for any such fines or penalties. As defined in Section 18.2 herein, Licensee shall Indemnify City and the other Indemnified Parties hereunder against all Losses arising in connection with Licensee's failure to obtain or comply with the terms and conditions of any regulatory approval.

11.2.2 City Acting as Leasehold Owner of Real Property. Licensee further understands and agrees that City is entering into this License in its capacity as a leasehold owner with a proprietary interest in the Premises and not as a regulatory agency with police powers. Nothing in this License shall limit in any way Licensee's obligation to obtain any required approvals from City departments, boards, agencies, or commissions having jurisdiction over the Premises or Licensee's activities at the Premises. By entering into this License, City is in no way modifying or limiting Licensee's obligation to cause the Premises to be used and occupied in accordance with all Applicable Law, as provided further above.

11.3 Compliance with City's Risk Management Requirements. Licensee shall not do anything, or permit anything to be done, in or about the Premises which would be prohibited by or increase the rates under a standard form fire insurance policy or subject City to potential premises liability. Licensee shall faithfully observe, at its expense, any and all requirements of City's Risk Manager with respect to Licensee's use and occupancy of the Premises, so long as such requirements do not unreasonably interfere with Licensee's use of the Premises.

12. SUBORDINATION

This License is and shall be subordinate to the Lease (including Caltrans' rights and City's obligations thereunder) and any reciprocal easement agreement, ground lease, facilities lease or other underlying leases or licenses and the lien of any mortgage or deed of trust, that may now exist or hereafter be executed affecting the Property, or any part thereof, or City's interest therein. Notwithstanding the foregoing, City or the holder shall have the right to subordinate any such interests to this License. Licensee agrees, however, to execute and deliver, upon demand by City and in the form requested by City, any additional documents evidencing the priority or subordination of this License.

13. INABILITY TO PERFORM

If City is unable to perform or is delayed in performing any of City's obligations under this License, by reason of acts of God, accidents, breakage, repairs, strikes, lockouts, other labor disputes, protests, riots, demonstrations, inability to obtain utilities or materials or by any other reason beyond City's reasonable control, no such inability or delay shall constitute an actual or constructive eviction, in whole or in part, or entitle Licensee to any abatement or diminution of fee or relieve Licensee from any of its obligations under this License, or impose any liability upon City or its Agents by reason of inconvenience, annoyance, interruption, injury or loss to or interference with Licensee's business or use and occupancy or quiet enjoyment of the Premises or any loss or damage occasioned thereby. Licensee hereby waives and releases any right to terminate this License under Section 1932, subdivision 1 of the California Civil Code or any similar law, statute or ordinance now or hereafter in effect.

14. DAMAGE AND DESTRUCTION

If all or any portion of the Premises is damaged by fire or other casualty, City shall have no obligation to repair the Premises. City shall provide Licensee with a copy of the notice City receives from Caltrans of Caltrans' estimated time to restore such damage (the "Caltrans Repair Notice") within ten (10) days of City's receipt of the Caltrans Repair Notice. If the restoration time set forth in the Caltrans Repair Notice (the "Repair Period") is estimated to exceed two hundred ten (210) days, City shall have the right to terminate this License by delivering written notice of such termination to Licensee within thirty (30) days of City's delivery of the Caltrans Repair Notice to Licensee, in which event this License shall terminate as of the date specified in such termination notice.

If at any time during the last twelve (12) months of the Term of this License all or any portion of the Premises is damaged or destroyed, then Licensee may terminate this License by giving written notice to City of its election to do so within thirty (30) days after the date of the occurrence of such damage; provided, however, Licensee may terminate only if such damage or destruction substantially impairs its use or occupancy of the Premises for general office purposes. The effective date of termination shall be specified in the notice of termination, which date shall not be more than thirty (30) days from the date of the notice.

14.1 City Repairs. Notwithstanding anything to the contrary in this License, City shall have no obligation to repair the Premises in the event the damage or destruction, and in no event shall City be required to repair any damage to Licensee's Personal Property or any paneling, decorations, railings, floor coverings, or any Alterations installed or made on the Premises by or at the expense of Licensee.

14.2 Termination by City. In the event the Premises are substantially damaged or destroyed, Caltrans intends to restore the Premises pursuant to the Lease, and City intends to use the restored Premises for public purposes inconsistent with this License, City may terminate this License upon written notice to Licensee.

14.3 Licensee Waiver. City and Licensee intend that the provisions of this Section govern fully in the event of any damage or destruction and accordingly, City and Licensee each hereby waives the provisions of Section 1932, subdivision 2, Section 1933, subdivision 4, Section 1941, and Section 1942 of the Civil Code of California or under any similar law, statute or ordinance now or hereafter in effect, to the extent such provisions apply.

15. EMINENT DOMAIN

15.1 Definitions.

15.1.1 "Taking" means a taking or damaging, including severance damage, by eminent domain, inverse condemnation or for any public or quasi-public use under law. A Taking may occur pursuant to the recording of a final order of condemnation, or by voluntary sale or conveyance in lieu of condemnation or in settlement of a condemnation action.

15.1.2 "Date of Taking" means the earlier of (i) the date upon which title to the portion of the Premises taken passes to and vests in the condemner or (ii) the date on which Licensee is dispossessed.

15.1.3 "Award" means all compensation, sums or anything of value paid, awarded or received for a Taking, whether pursuant to judgment, agreement, settlement or otherwise.

15.2 General. If during the Term there is any Taking of all or any part of the Premises or any interest in this License, the rights and obligations of Licensee shall be determined pursuant to this Section. City and Licensee intend that the provisions hereof govern fully Licensee's rights in the event of a Taking and accordingly, Licensee hereby waives any right to terminate this License in

whole or in part under Sections 1265.110, 1265.120, 1265.130 and 1265.140 of the California Code of Civil Procedure or under any similar law now or hereafter in effect.

15.3 Total Taking; Automatic Termination. If there is a total Taking of the Premises, then this License shall terminate as of the Date of Taking.

15.4 Partial Taking; Election to Terminate.

15.4.1 If there is a Taking of any portion (but less than all) of the Premises, then this License shall terminate in its entirety under either of the following circumstances: (i) if all of the following exist: (A) the partial Taking renders the remaining portion of the Premises unsuitable for continued use by Licensee for the permitted uses described in Section 6.1, (B) the condition rendering the Premises unsuitable either is not curable or is curable but neither City nor Caltrans is willing or able to cure such condition, and (C) Licensee elects to terminate; or (ii) if City elects to terminate.

15.4.2 If Licensee elects to terminate under the provisions of this Section 15, Licensee shall do so by giving written notice to the City before or within thirty (30) days after the Date of Taking, and thereafter this License shall terminate upon the later of the thirtieth (30th) day after such written notice is given or the Date of Taking.

15.5 License Fee: Award. Upon termination of this License pursuant to an election under Section 15.4 above, then City shall be entitled to the entire Award in connection therewith (including, but not limited to, any portion of the Award made for the value of Licensee's interest under this License), and Licensee shall have no claim against City for the value of any unexpired term of this License, provided that Licensee may make a separate claim for compensation, and Licensee shall receive any Award made specifically to Licensee, for Licensee's relocation expenses or the interruption of or damage to Licensee's business or damage to Licensee's Personal Property.

15.6 Partial Taking: Continuation of License. If there is a partial Taking of the Premises under circumstances where this License is not terminated in its entirety under Section 15.4 above, then this License shall terminate as to the portion of the Premises so taken, but shall remain in full force and effect as to the portion not taken, and City shall be entitled to the entire Award in connection therewith (including, but not limited to, any portion of the Award made for the value of the License interest created by this License), and Licensee shall have no claim against City for the value of any unexpired term of this License, provided that Licensee may make a separate claim for compensation, and Licensee shall receive any Award made specifically to Licensee, for Licensee's relocation expenses or the interruption of or damage to Licensee's business or damage to Licensee's Personal Property.

15.7 Temporary Takings. Notwithstanding anything to contrary in this Section, if a Taking occurs with respect to all or any part of the Premises for a limited period of time not in excess of one hundred eighty (180) consecutive days, this License shall remain unaffected thereby, and Licensee shall continue to pay all fees and to perform all of the terms, conditions and covenants of this License. In the event of such temporary Taking, Licensee shall be entitled to receive that portion of any Award representing compensation for the use or occupancy of the Premises during the Term up to the total fee owing by Licensee for the period of the Taking, and City shall be entitled to receive the balance of any Award.

16. ASSIGNMENT AND SUBLETTING

Licensee shall not directly or indirectly (including, without limitation, by merger, acquisition or other transfer of any controlling interest in Licensee), voluntarily or by operation of law, sell, assign, encumber, pledge or otherwise transfer (collectively, "Assignment") any part of its interest in or rights with respect to the Premises, or permit any portion of the Premises to be occupied by anyone other than itself, or sublet or license any portion of the Premises (collectively, "Subletting"), without City's prior written consent in each instance.

17. DEFAULT; REMEDIES

17.1 Events of Default. Any of the following shall constitute an event of default by Licensee hereunder (each, an "Event of Default"):

17.1.1 A failure to pay any amount payable under this License when due, and such failure continues for three (3) days after the date of written notice by City. However, City shall not be required to provide such notice with respect to more than two delinquencies and any such failure by Licensee after Licensee has received two (2) such notices shall constitute a default by Licensee hereunder without any further action by City or opportunity of Licensee to cure except as may be required by Section 1161 of the California Code of Civil Procedure.

17.1.2 A failure to comply with any other covenant, condition or representation under this License and such failure continues for fifteen (15) days after the date of written notice by City, provided that if such default is not capable of cure within such fifteen (15) day period, Licensee shall have a reasonable period to complete such cure if Licensee promptly undertakes action to cure such default within such 15-day period and thereafter diligently prosecutes the same to completion within sixty (60) days after the receipt of notice of default from City. City shall not be required to provide such notice with respect to more than two defaults and after the second notice any subsequent failure by Licensee shall constitute an Event of Default;

17.1.3 A vacation or abandonment of the Premises for a continuous period in excess of five (5) business days;

17.1.4 An uncured event of default under the Towing Agreement;

17.1.5 An appointment of a receiver to take possession of all or substantially all of the assets of Licensee, or an assignment by Licensee for the benefit of creditors, or any action taken or suffered by Licensee under any insolvency, bankruptcy, reorganization, moratorium or other debtor relief act or statute, whether now existing or hereafter amended or enacted, if any such receiver, assignment or action is not released, discharged, dismissed or vacated within sixty (60) days; or

17.1.6 Licensee's failure to pay City for its staff costs incurred as a result of a notice of violation or other regulatory order to Licensee pursuant to Section 24.10 of this License within thirty (30) days, or to replenish the Performance Surety Bond or the Environmental Oversight Deposit (as defined in Section 24.11 of this License) if drawn upon.

17.2 City Rights Upon Default. Upon the occurrence of an Event of Default by Licensee, City shall have the right to terminate the License in addition to the following rights and all other rights and remedies available to City at law or in equity:

17.2.1 The rights and remedies provided by California Civil Code Section 1951.2 (damages on termination for breach), including, but not limited to, the right to terminate Licensee's right to possession of the Premises. City's efforts to mitigate the damages caused by Licensee's breach of this License shall not waive City's rights to recover damages upon termination.

17.2.2 The rights and remedies provided by California Civil Code Section 1951.4 (continuation of lease after breach and abandonment), allowing City to continue this License in effect and to enforce all its rights and remedies under this License for so long as City does not terminate Licensee's right to possession, if Licensee has the right to sublet or assign, subject only to reasonable limitations. For purposes hereof, none of the following shall constitute a termination of Licensee's right of possession: acts of maintenance or preservation; efforts to relet the Premises or the appointment of a receiver upon City's initiative to protect its interest under this License; withholding consent to an Assignment or Sublicense, or terminating an Assignment or Sublicense, if the withholding or termination does not violate the rights of

Licensee specified in subdivision (b) of California Civil Code Section 1951.4. If City exercises its remedy under California Civil Code Section 1951.4, City may from time to time sublet or license the Premises or any part thereof for such term or terms (which may extend beyond the Term) and at such rent or fee and upon such other terms as City may in its sole discretion deem advisable, with the right to make alterations and repairs to the Premises. Upon each such subletting or sublicensing, Licensee shall be liable for any amounts due hereunder, as well as the cost of such subletting or sublicensing and such alterations and repairs incurred by City and the amount, if any, by which fee owing hereunder for the period of such subletting or sublicensing (to the extent such period does not exceed the Term) exceeds the amount to be paid as rent or fee for the Premises for such period pursuant to such subletting or sublicensing. No action taken by City pursuant to this subsection shall be deemed a waiver of any default by Licensee, or to limit City's right to terminate this License at any time.

17.2.3 The right to have a receiver appointed for Licensee upon application by City to take possession of the Premises and to apply any fees or rental collected from the Premises and to exercise all other rights and remedies granted to City pursuant to this License.

17.3 City's Right to Cure Licensee's Defaults. If Licensee defaults in the performance of any of its obligations under this License, then City may, at its sole option, remedy such default for Licensee's account and at Licensee's expense by providing Licensee with three (3) days' prior written or oral notice of City's intention to cure such default (except that no such prior notice shall be required in the event of an emergency as determined by City). Such action by City shall not be construed as a waiver of such default or any rights or remedies of City, and nothing herein shall imply any duty of City to do any act that Licensee is obligated to perform. Licensee shall pay to City upon demand, all reasonable costs, damages, expenses or liabilities incurred by City, including, without limitation, reasonable attorneys' fees, in remedying or attempting to remedy such default. Licensee's obligations under this Section shall survive the termination of this License.

17.4 Security Deposit. On or before the Commencement Date, Licensee shall provide to the City, and shall maintain throughout the term of this License and for a period of at least ninety (90) days after the Expiration Date, a security deposit as follows (collectively, the "Security Deposit") as security for the faithful performance of all terms, covenants and conditions of this License and the Towing Agreement: (i) the Performance Bond described in Section 14.9 of the Towing Agreement and (ii) the Maintenance Deposit described in Section 14.14 of the Towing Agreement. Licensee agrees that City may (but shall not be required to) apply the Security Deposit in whole or in part to remedy any damage to the Premises or the Improvements (if any) caused by Licensee, its Agents or Invitees, or any failure of Licensee to perform any other terms, covenants or conditions contained in this License, without waiving any of City's other rights and remedies hereunder or at Law or in equity. City's obligations with respect to the Security Deposit are solely that of debtor and not trustee. The amount of the Security Deposit shall not be deemed to limit Licensee's liability for the performance of any of its obligations under this License.

18. WAIVER OF CLAIMS; INDEMNIFICATION

18.1 Limitation on City's Liability: Waiver of Claims. Except for any Pre-2016 Conditions (as defined in Section 24.3) or Non-Licensee Hazardous Materials (as defined in Section 24.8), City shall not be responsible for or liable to Licensee, and Licensee hereby assumes the risk of, and waives and releases City and its Agents from all Claims (as defined below) for, any injury, loss or damage to any person or property in or about the Premises by or from any cause whatsoever including, without limitation, (i) any act or omission of persons occupying adjoining premises or any part of the Building adjacent to or connected with the Premises which are not occupied by City, (ii) theft, (iii) explosion, fire, steam, oil, electricity, water, gas or rain, pollution or contamination, (iv) stopped, leaking or defective Building Systems, (v) Building defects, and (vi) any other acts, omissions or causes. Nothing herein shall relieve City from liability caused solely and directly by the gross negligence or willful misconduct of City or its Agents, but City shall not be liable under any circumstances for any consequential, incidental or punitive damages.

18.2 Licensee's Indemnity. Except for any Pre-2016 Conditions or Non-Licensee Hazardous Materials, Licensee, on behalf of itself and its successors and assigns, shall indemnify, defend and hold harmless ("Indemnify") the City and County of San Francisco, including, but not limited to, all of its boards; commissions, departments, agencies and other subdivisions, and Caltrans, and all of their Agents, and their respective heirs, legal representatives, successors and assigns (individually and collectively, the "Indemnified Parties"), and each of them, from and against any and all liabilities, losses, costs, claims, judgments, settlements, damages, liens, fines, penalties and expenses, including, without limitation, direct and vicarious liability of every kind (collectively, "Claims"), incurred in connection with or arising in whole or in part from: (a) any accident, injury to or death of a person, including, without limitation, employees of Licensee, or loss of or damage to property, howsoever or by whomsoever caused, occurring in or about the Property; (b) any default by Licensee in the observation or performance of any of the terms, covenants or conditions of this License to be observed or performed on Licensee's part; (c) the use or occupancy or manner of use or occupancy of the Premises by Licensee, its Agents or Invitees or any person or entity claiming through or under any of them; (d) the condition of the Premises; (e) any construction or other work undertaken by Licensee on the Premises whether before or during the Term of this License; or (f) any acts, omissions or negligence of Licensee, its Agents or Invitees, in, on or about the Premises or the Property, all regardless of the active or passive negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on, the Indemnified Parties, except to the extent that such Indemnity is void or otherwise unenforceable under any Applicable Law in effect on or validly retroactive to the date of this License and further except only such Claims as are caused exclusively by the willful misconduct or gross negligence of the Indemnified Parties. The foregoing Indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and the Indemnified Party's costs of investigating any Claim. Licensee specifically acknowledges and agrees that it has an immediate and independent obligation to defend the Indemnified Parties from any claim which actually or potentially falls within this indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to Licensee by an Indemnified Party and continues at all times thereafter. Licensee's obligations under this Section shall survive the termination of the License.

19. INSURANCE

19.1 Licensee's Personal Property. Licensee shall be responsible, at its expense, for separately insuring Licensee's Personal Property.

19.2 City's Self Insurance. Licensee acknowledges that City self-insures against casualty, property damage and public liability risks and agrees that City may at its sole election, but shall not be required to, carry any third party insurance with respect to the Premises or otherwise.

19.3 Waiver of Subrogation. Notwithstanding anything to the contrary contained herein, to the extent permitted by Licensee's policies of insurance and any third party insurance that City elects to carry with respect to the Premises, City and Licensee each hereby waive any right of recovery against the other party and against any other party maintaining a policy of insurance covering the Premises or the contents, or any portion thereof, for any loss or damage maintained by such other party with respect to the Premises or any portion thereof or the contents of the same or any operation therein, whether or not such loss is caused by the fault or negligence of such other party. If any policy of insurance relating to the Premises carried by Licensee does not permit the foregoing waiver or if the coverage under any such policy would be invalidated due to such waiver, Licensee shall obtain, if possible, from the insurer under such policy a waiver of all rights of subrogation the insurer might have against City or any other party maintaining a policy of insurance covering the same loss, in connection with any claim, loss or damage covered by such policy.

20. ACCESS BY CITY

City reserves for itself and any of its designated Agents, the right to enter the Premises at all reasonable times, with or without advance notice, including, without limitation, in order to (i) oversee or inspect Licensee's operations or conduct any business with Licensee; (ii) show the

Premises to prospective Licensees or other interested parties, to post notices of non-responsibility, to conduct any environmental audit of Licensee's use of the Premises, to repair, alter or improve any part of the Building, Building Systems or the Premises, and for any other lawful purpose; or (iii) whenever City believes that emergency access is required. City shall have the right to use any means that it deems proper to open doors in an emergency in order to obtain access to any part of the Premises, and any such entry shall not be construed or deemed to be a forcible or unlawful entry into or a detainer of, the Premises, or an eviction, actual or constructive, of Licensee from the Premises or any portion thereof. Licensee shall not alter any lock or install any new or additional locking devices without the prior written consent of City. City shall at all times have a key with which to unlock all locks installed in the Premises (excluding Licensee's vaults, safes or special security areas, if any, designated by Licensee in writing to City).

21. LICENSEE'S CERTIFICATES

Licensee, at any time, and from time to time upon not less than ten (10) days' prior notice from City, shall execute and deliver to City or to any party designated by City a certificate stating: (a) that Licensee has accepted the Premises, (b) the Commencement Date and Expiration Date of this License, (c) that this License is unmodified and in full force and effect (or, if there have been modifications, that the License is in full force and effect as modified and stating the modifications), (d) whether or not there are then existing any defenses against the enforcement of any of Licensee's obligations hereunder (and if so, specifying the same), (e) whether or not there are any defaults then existing under this License (and if so specifying the same), (f) the dates, if any, to which any amounts owing under this License have been paid, and (g) any other information that may be required.

22. PREMISES MAINTENANCE REQUIREMENTS

The "Maintenance Plan" shall mean the Maintenance Plan that is a portion of the Approved Operations Manual required under Section VII of Appendix A of the Towing Agreement. Licensee shall faithfully comply with the Maintenance Plan, and any violation of the Maintenance Plan shall be a violation of this Section 22. The Maintenance Plan shall include, at a minimum, the elements described in this Section 22.

22.1 Maintenance of Pavement. Licensee shall maintain the pavement in the Premises in good condition, including the vehicle and parts storage area, in order to prevent Releases of Hazardous Materials (as those terms are defined below) into or onto the Premises, the remainder of the Property, or the environment. Licensee shall inspect the pavement at least quarterly and shall record in written form the dates and times of such inspections, the name or names of the persons conducting the inspections, and any damage discovered to the pavement and its location. Licensee shall promptly repair any cracked or broken pavement and shall report such damage and repair to City. City shall have the right to enter and inspect the Premises from time to time to ensure Licensee's compliance with the terms of this License, including, without limitation, this Section 22.1 and Section 22.2 below.

- (a) Licensee must furnish at its own cost sealed concrete pads and hazardous waste containment systems for removing and storing residual fluids and batteries from vehicles;
- (b) Licensee shall clean up and remove all leaked or spilled fluids immediately upon discovery or upon notice by City in accordance with the Maintenance Plan.
- (c) Licensee shall only store vehicles and parts in areas with pavement in good condition. Draining must take place on a sealed concrete pad with a containment system to collect residual fluids.
- (d) Licensee must ensure that paving, including maintenance and repair, shall protect existing or future groundwater monitoring wells on the Premises.

22.2 Plan and Reporting. In addition to the requirements in Section 22.1 above, the Maintenance Plan shall provide for ongoing inspection, spill and drip response procedures, a maintenance schedule for pavement maintenance and repair of cracks and other identified deficiencies, staff training protocols, and supervised video or photo documentation of initial surface conditions and exit surface conditions. In addition to pavement maintenance, the Maintenance Plan shall include other property management protocols, including but not limited to, maintenance of fencing, lighting, signage and permanent or temporary buildings. The Maintenance Plan shall also include a reporting schedule, with submittal of reports at least quarterly, documenting maintenance performed. Such reports shall include, the following information:

- (a) An initial survey of pavement condition as of October 1, 2016;
- (b) Surface type and surface conditions at time of repair, including photographs of pre- and post-repair conditions;
- (c) Repair procedure performed;
- (d) Cost of repairs performed; and
- (e) A final survey of pavement condition at the time of termination of Term.

23. SURRENDER OF PREMISES

Upon the Expiration Date or other termination of the Term of this License, Licensee shall immediately peaceably quit and surrender to City the Premises together with all Alterations approved by City in good order and condition, free of debris and any Hazardous Materials deposited on the Premises and in the condition it was in as of October 1, 2016, except for normal wear and tear after Licensee's having made the last necessary repair required on its part under this License, and further except for any portion of the Premises condemned and any damage and destruction for which Licensee is not responsible hereunder. The Premises shall be surrendered free and clear of all liens and encumbrances other than liens and encumbrances existing as of the October 1, 2016, and any other encumbrances created by City.

Immediately before the Expiration Date or other termination of this License, Licensee shall remove all of Licensee's Personal Property as provided in this License, and repair any damage resulting from the removal. Notwithstanding anything to the contrary in this License, City can elect at any time prior to the Expiration Date or within thirty (30) days after termination of this License, to require Licensee to remove, at Licensee's sole expense, all or part of Licensee's Alterations or other improvements or equipment constructed or installed by or at the expense of Licensee, or any vehicles that City may in its sole and absolute discretion authorize to be stored on the Premises after termination of this License, together with any Hazardous Materials contained within such vehicles.

Licensee shall promptly remove such items and shall repair, at its expense, any damage to the Premises resulting from the performance of its removal obligations pursuant to this Section. Licensee's obligations under this Section shall survive the Expiration Date or other termination of this License. Any items of Licensee's Personal Property remaining in the Premises after the Expiration Date or sooner termination of this License may, at City's option, be deemed abandoned and disposed of in accordance with Section 1980 et seq. of the California Civil Code or in any other manner allowed by law. Any expenses or costs incurred by City to discharge liens, remove Licensee's Personal Property or Alterations, or repair any damage for which Licensee is responsible shall be charged against Licensee's Security Deposit.

Concurrently with the surrender of the Premises, Licensee shall, if requested by City, execute, acknowledge and deliver to any instrument reasonably requested by City to evidence or otherwise effect the termination of Licensee's interest to the Premises and to effect such transfer or vesting of title to the Alterations or equipment which remain part of the Premises.

24. HAZARDOUS MATERIALS

24.1 Definitions. As used herein, the following terms shall have the meanings set forth below:

24.1.1 "Environmental Laws" shall mean any present or future federal, state, local or administrative law, rule, regulation, order or requirement relating to Hazardous Material (including, without limitation, their generation, use, handling, transportation, production, disposal, discharge or storage), or to health and safety, industrial hygiene or the environment, including, without limitation, soil, air and groundwater conditions, including without limitation Article 21 of the San Francisco Health Code.

24.1.2 "Hazardous Material" shall mean any material that, because of its quantity, concentration or physical or chemical characteristics, is at any time now or hereafter deemed by any federal, state or local governmental authority to pose a present or potential hazard to human health, welfare or safety or to the environment. Hazardous Material includes, without limitation, any material or substance listed or defined as a "hazardous substance", or "pollutant" or "contaminant" pursuant to the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA", also commonly known as the "Superfund" law), as amended, (42 U.S.C. Sections 9601 et seq.) or pursuant to the Carpenter-Presley-Tanner Hazardous Substance Account Act, as amended, (Cal. Health & Safety Code Sections 25300 et seq.) or pursuant to the Hazardous Waste Control Law, as amended, (Cal. Health & Safety Code Sections 25100 et seq.) or pursuant to the Porter-Cologne Water Quality Control Act, as amended, (Cal. Water Code Sections 13000 et seq.) or pursuant to Section 25501(o) of the California Health and Safety Code; and petroleum, including crude oil or any fraction thereof, natural gas or natural gas liquids.

24.1.3 "Indemnify" shall mean, whenever any provision of this Section 24 requires a person or entity (the "Indemnitor") to Indemnify any other entity or person (the "Indemnitee"), the Indemnitor shall be obligated to defend, indemnify, hold harmless and protect the Indemnitee, its officers, employees, agents, stockholders, constituent partners, and members of its boards and commissions harmless from and against any and all Losses arising directly or indirectly, in whole or in part, out of the act, omission, event, occurrence or condition with respect to which the Indemnitor is required to Indemnify such Indemnitee, whether such act, omission, event, occurrence or condition is caused by the Indemnitor or its agents, employees or contractors, or by any third party or any natural cause, foreseen or unforeseen; provided that no Indemnitor shall be obligated to Indemnify any Indemnitee against any Loss from the negligence or intentional wrongful acts or omissions of such Indemnitee, or such Indemnitee's agents, employees or contractors. If a Loss is attributable partially to the negligent or intentionally wrongful acts or omissions of the Indemnitee (or its agents, employees or contractors), such Indemnitee shall be entitled to Indemnification for that part of the Loss not attributable to such Indemnitee's (or its agents, employees or contractors) negligent or intentionally wrongful acts or omissions.

24.1.4 "Investigate and Remediate" (also "**Investigation**" and "**Remediation**") shall mean the undertaking of any activities to determine the nature and extent of Hazardous Material that may be located in, on, under or about the Premises or surrounding property or that has been, is being or threaten to be Released into the environment, and to clean up, remove, contain, treat, stabilize, monitor or otherwise control such Hazardous Material.

24.1.5 "Losses" shall mean any and all claims, demands, losses, damages, liens, liabilities, injuries, deaths, penalties, fines, lawsuits and other proceedings, judgments and awards rendered therein, and costs and expenses, including, but not limited to, reasonable attorneys' fees.

24.1.6 "Release" when used with respect to Hazardous Material shall include any actual, threatened or imminent spilling, leaking, pumping, pouring, emitting, emptying,

discharging, injecting, escaping, leaching, dumping, or disposing into or inside the Premises, or in, on, under or about any other part of the Premises or into the environment.

24.2 No Hazardous Materials. Licensee covenants and agrees that neither Licensee nor any of its Agents, Employees or Invitees shall cause or permit any Hazardous Material to be brought upon, kept, used, stored, generated, processed, produced, packaged, treated, emitted, discharged or disposed of in, on or about the Premises, or transported to or from the Premises without (i) the prior written consent of City, which consent shall not be unreasonably withheld so long as Licensee demonstrates to City's reasonable satisfaction that such Hazardous Material is necessary to Licensee's business, will be handled in a manner which strictly complies with all Environmental Laws and will not materially increase the risk of fire or other casualty to the Premises, and (ii) the prior written consent of Caltrans. City and Licensee understand that the vehicles transported to and stored at the Property will contain and may partially consist of Hazardous Materials. Licensee shall immediately notify City if and when Licensee learns or has reason to believe a Release of Hazardous Material on or about any part of the Premises or the remainder of the Property has occurred that may require any Investigation or Remediation. Licensee shall not be responsible for the safe handling of Hazardous Materials introduced on the remainder of the Property during the Term of the Towing Agreement by City or its Agents.

Without limiting any other obligation of Licensee, if acts or omissions of Licensee results in any Hazardous Materials Release or contamination of the Premises, Licensee shall, at its sole expense, promptly take all action that is necessary to return the Premises to the condition existing prior to the introduction of such Hazardous Material in, on, under or about the Premises; provided that City approval of such actions shall first be obtained, which approval shall not be unreasonably withheld so long as such actions could not potentially have any material adverse effect upon the Premises.

24.3 Licensee's Environmental Indemnity. If Licensee breaches any of its obligations contained in this Section 24, or, if any act, omission or negligence of Licensee, its Agents, Employees or Invitees, results in any Release of Hazardous Material in, on or under any part of the Premises, or the remainder of the Property or the Building, then, Licensee shall, on behalf of itself and its successors and assigns, Indemnify the City from and against all Claims (including, without limitation, claims for injury to or death of a person, damages, liabilities, losses, judgments, penalties, fines, regulatory or administrative actions, damages for decrease in value of the Premises or the remainder of the Building or the Property, the loss or restriction of the use of rentable or usable space or of any amenity of the Premises, or the remainder of the Building or the Property, damages arising from any adverse impact on marketing of any such space, restoration work required by any federal, state or local governmental agency or political subdivision because of Hazardous Material present in the soil or groundwater in, on or under the Premises, the remainder of the Property, or in any Improvements, and sums paid in settlement of claims, attorneys' fees, consultants' fees and experts' fees and costs) arising during or after the Term of the Towing Agreement and relating to such breach or Release. The foregoing Indemnity includes, without limitation, costs incurred in connection with activities undertaken to Investigate and Remediate any Release of Hazardous Material, and to restore the Premises or the remainder of the Building or Property to their prior condition. This indemnification of City by Licensee includes, but is not limited to, costs incurred in connection with any investigation of site conditions or any clean-up, remediation, removal or restoration work requested by Caltrans or required by any federal, state or local governmental agency or political subdivision because of Hazardous Material present in the soil or groundwater in, on or under the Premises, the remainder of the Property or in any Alterations. Licensee's obligations hereunder shall survive the termination of this License. Licensee's obligations under this Section do not include an indemnity for Claims arising as a result of Hazardous Materials (or other conditions alleged to be in violation of any Environmental Law) in, on, or under any part of the Premises or the remainder of the Building or Property that were present prior to October 1, 2016, or to the extent that such Claims relate to conditions existing prior to October 1, 2016 (collectively, any "Pre-2016 Conditions"), except to the extent that Licensee exacerbates any Pre-2016 Condition or introduces such Hazardous Materials or conditions. In the event any action or proceeding is brought against City by reason of a claim arising out of any Loss, Claim, injury or damage suffered on or about the Premises or the remainder of the Building or the Property for which Licensee has Indemnified the City and upon written notice from the City, Licensee shall at its sole expense answer and otherwise

defend such action or proceeding using counsel approved in writing by the City. City shall have the right, exercised in its sole discretion, but without being required to do so, to defend, adjust, settle or compromise any claim, obligation, debt, demand, suit or judgment against the City in connection with this License or the Premises or the remainder of the Building or Property. The provisions of this paragraph shall survive the termination of this License with respect to any Loss occurring prior to or upon termination. Licensee and City shall afford each other a full opportunity to participate in any discussions with governmental regulatory agencies regarding any settlement agreement, cleanup or abatement agreement, consent decree, or other compromise or proceeding involving Hazardous Material.

24.4 Compliance with Environmental Laws. In addition to its obligations under Section 11 above, and without limiting any such obligations or the foregoing, Licensee shall comply with the following requirements or more stringent requirements in any Environmental Laws:

24.4.1 Any Hazardous Materials found and identified as such in the towed vehicles which are not typically part of a towed vehicle, will be removed from the vehicle to an appropriate storage location within 72 hours.

24.4.2 No Hazardous Materials shall be voluntarily or involuntarily disposed of onto or into the ground or into the sewer system.

24.4.3 In no event shall Hazardous Waste (as defined by Title 22 of the California Code of Regulations, as amended) accumulate on the Premises for longer than 90 days. Drums used to store Hazardous Materials shall not be stacked more than two drums high. City will not consider fluids that are normally contained within a vehicle to be Hazardous Wastes so long as they remain contained within the vehicle.

24.4.4 Licensee shall store all Hazardous Materials above ground, not in underground storage tanks.

24.4.5 An emergency response plan, emergency response employee training plan and an inventory of Hazardous Materials stored at the Premises by or for Licensee shall be provided to City.

24.5 Information Requests: City may from time to time request, and Licensee shall be obligated to provide, information reasonably adequate for City to determine that any and all Hazardous Materials are being handled in a manner which complies with all Environmental Laws.

24.6 Damaged Vehicles. Licensee shall inspect all vehicles before storing them on the Premises to make a good faith effort to determine that vehicles are not leaking fluids, including but not limited to gasoline, battery acid, oil, transmission and transfer case fluids, brake and clutch fluids, and coolant. Licensee shall secure vehicles that have been severely damaged due to collision or vandalism so that parts do not fall off and fluids do not leak. Leaking vehicles shall be drained of the leaking fluid on a sealed cement pad, which Licensee shall maintain free of build-up of Hazardous Materials. Licensee shall immediately clean-up and remove all leaked or spilled fluids, whether within or outside of sealed or contained areas. Licensee shall treat all such fluids and used cleaning materials as hazardous waste and shall dispose of them in accordance with Environmental Laws and Section 24.3 above. Parts that have fallen off a vehicle shall be placed inside the vehicle in a manner that minimizes damage to the vehicle. Licensee shall not be deemed an owner or operator of any damaged vehicle, but shall be deemed the owner of any fluids that leak from such damaged vehicles on or about the Premises.

24.7 Fire Prevention Measures. Licensee shall comply with the following fire prevention measures.

24.7.1 Welding and torch cutting shall be in conformance with the City of San Francisco Fire Code.

24.7.2 No smoking will be allowed in the Premises except in designated areas consistent with Applicable Law.

24.7.3 No crushing, burning of wrecked or discarded motor vehicles or waste materials shall be allowed.

24.7.4 Motor vehicles, parts of motor vehicles, junk, waste, or other materials shall not be stored, displayed, or kept in a manner that could hinder or endanger firefighting efforts and operations.

24.7.5 One or more aisles, at least 30 inches wide (or any greater width required under Applicable Law), must be maintained in the area where vehicles are stored, to permit access by the San Francisco Fire Department to all parts of the vehicle storage area. Entrances and exits to the area shall be at least 15 feet in width (or any greater width required under Applicable Law).

24.8 Requirement to Remove. Prior to termination of this License or during the Term if required by a governmental agency, Licensee, at its sole cost and expense, shall remove any and all Hazardous Materials introduced in, on, under or about the Premises by Licensee, its Agents or Invitees during the Term or during any prior time in which Licensee occupied the Premises. Licensee shall not be obligated to remove any Hazardous Material introduced onto the Premises before, during, or after the Term of the Towing Agreement by (1) City or its officers, directors, employees, or Agents or (2) any prior occupants, tenants, property owners, individuals, corporations or entities (collectively, any "Non-Licensee Hazardous Material"). If Licensee demonstrates its compliance with the property maintenance requirements of this License, the Maintenance Plan described in Section 22 above, there shall be a rebuttable presumption that any Hazardous Materials in, on, under or about the Premises were not introduced by Licensee, its Agents or Invitees. However, if Licensee does not demonstrate its compliance with the property maintenance requirements of this License or of the Maintenance Plan, then there shall be a rebuttable presumption that such Hazardous Materials are Licensee's responsibility to the extent that the presence of such Hazardous Materials bear a reasonable causal relationship to Licensee's non-compliance in their composition and location.

Prior to the termination of this License, at Licensee's expense, City and Licensee shall conduct a joint inspection of the Premises for the purpose of identifying Hazardous Materials on the Premises which can be determined to have been introduced by the Licensee and which Licensee is therefore required to remove. City's failure to conduct an inspection or to detect conditions if an inspection is conducted shall not be deemed to be a release of any liability for environmental conditions subsequently determined to be Licensee's responsibility.

24.9 Licensee's Environmental Condition Notification Requirements.

24.9.1 Notification of Any Release or Discharge. Licensee shall notify City in writing as required in the Maintenance Plan if Licensee learns or has reason to believe that a Release of any Hazardous Materials on or about any part of the Premises has occurred, whether or not the Release is in quantities that under any law would require the reporting of such Release to a governmental or regulatory agency.

24.9.2 Notification of Any Notice, Investigation, or Claim. Licensee shall also immediately notify City in writing of, and shall contemporaneously provide City with a copy of:

- (a) Any written notice of Release of Hazardous Materials on the Premises that is provided by Licensee or any subtenant or other occupant of the Premises to a governmental or regulatory agency;

- (b) Any notice of a violation, or a potential or alleged violation, of any Environmental Law that is received by Licensee or any subtenant or other occupant of the Premises from any governmental or regulatory agency;
- (c) Any inquiry, investigation, enforcement, cleanup, removal or other action that is instituted or threatened by a governmental or regulatory agency against Licensee or subtenant or other occupant of the Premises and that relates to the Release of Hazardous Materials on or from the Premises;
- (d) Any claim that is instituted or threatened by any third party against Licensee or any subtenant or other occupant of the Premises and that relates to any Release of Hazardous Materials on or from the Premises; and
- (e) Any notice of the loss of any environmental operating permit by Licensee or any subtenant or other occupant of the Premises.

24.9.3 Notification of Regulatory Actions.

- (a) Licensee shall immediately notify City in writing of any inspection by any governmental or regulatory agency with jurisdiction over Hazardous Materials and shall provide City with a copy of any inspection record, correspondence, reports and related materials from or to the agency.
- (b) Licensee must notify City of any meeting, whether conducted face-to-face or telephonically, between Licensee and any regulatory agency regarding an environmental regulatory action. City will be entitled to participate in any such meetings at its sole election.
- (c) Licensee must notify City of any environmental regulatory agency's issuance of an environmental regulatory approval. Licensee's notice to City must state the issuing entity, the environmental regulatory approval identification number, and the date of issuance and expiration of the environmental regulatory approval. In addition, Licensee must provide City with a list of any environmental regulatory approval, plan or procedure required to be prepared and/or filed with any regulatory agency for operations on the Property, including a "Spill Pollution Control and Countermeasure Plan." Licensee must provide City with copies of any of the documents within the scope of this Section upon City's request.
- (d) Licensee must provide City with copies of all communications with regulatory agencies and all non-privileged communications with other persons regarding potential or actual Hazardous Materials Claims arising from Licensee's or its Agents' or Invitees' operations at the Property. Upon City's request, Licensee must provide City with a log of all communications withheld under a claim of privilege that specifies the parties to and subject of each withheld communication.
- (e) City may from time to time request, and Licensee will be obligated to provide, information reasonably adequate for City to determine that any and all Hazardous Materials are being handled in a manner that complies with all Environmental Laws.

24.10 Use of Security Deposit. If Licensee receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over the Premises and or its operations and Licensee does not achieve compliance with the notice of violation or order to the satisfaction of the issuing agency within the time specified by the agency or by the City if the agency does not specify a timeframe, the City may draw upon the Security Deposit for purposes of ensuring regulatory compliance. In addition, the City may draw upon the Security Deposit in order to reimburse the City for any fine or other charge assessed against the City related to any notice of violation or other regulatory order issued to Licensee. The City may also draw upon the Security Deposit in order to reimburse the City for costs associated with City's environmental assessments or corrective action, which may be performed at the City's sole discretion.

24.11 Environmental Oversight Deposit. Upon execution of the Towing Agreement, Licensee shall provide to the City, and shall maintain and replenish throughout the Term of this License and for a period of at least ninety (90) days after expiration of this License, an "Environmental Oversight Deposit" in the amount of \$10,000, which shall be deposited in an account specified and held by City, as security for the faithful performance of all of the terms, covenants and conditions of this Section. If Licensee receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over the Premises and or its operations and such notice is not cured within fourteen (14) days, the City may (but shall not be required to) apply draw from the Environmental Oversight Deposit to reimburse the City for staff costs incurred by the City while inspecting site conditions and enforcing and administering the Hazardous Materials provisions of the License. If Licensee receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over the Premises and or its operations, and such notice is cured within fourteen (14) days, the City may draw from the Environmental Oversight Deposit in an amount not to exceed \$500 to reimburse the City for staff costs incurred by the City. City will submit an invoice to Licensee for any such costs, and Licensee will pay such invoiced amounts within thirty (30) days to replenish the Environmental Oversight Deposit. Licensee's failure to pay such costs within thirty (30) days, or to replenish the Environmental Oversight Deposit if drawn upon, will constitute an Event of Default.

Any City withdrawal of funds from the Environmental Oversight Deposit pursuant to this Section shall be without waiving any of City's other rights and remedies hereunder or at law or in equity. Licensee agrees that City's obligations with respect to the Environmental Oversight Deposit are solely that of debtor and not trustee. City shall not be required to keep the Environmental Oversight Deposit separate from its general funds, and Licensee shall not be entitled to any interest on the Environmental Oversight Deposit. The amount of the Environmental Oversight Deposit shall not be deemed to limit Licensee's liability for the failure to comply with any of its Hazardous Materials provisions under this License.

24.12 Hazardous Substance Disclosure. California law requires landlords to disclose to tenants the presence or potential presence of certain hazardous materials and hazardous substances prior to lease. Accordingly, Licensee is hereby advised that occupation of the Premises may lead to exposure to Hazardous Materials such as, but not limited to, gasoline, diesel and other vehicle fluids, vehicle exhaust, office maintenance fluids, asbestos, PCBs, tobacco smoke, methane and building materials containing chemicals, such as formaldehyde.

25. GENERAL PROVISIONS

25.1 Notices. Any notice, demand, consent or approval required under this License shall be effective only if in writing and given by delivering the notice in person or by sending it first-class certified mail with a return receipt requested or by overnight courier, return receipt requested, with postage prepaid, to: (a) Licensee (i) at the Premises, or (ii) at any place where Licensee or any Agent of Licensee may be found if sent subsequent to Licensee's vacating, abandoning or surrendering the Premises; or (b) City at City's address set forth in the Basic License Information; or (c) to such other address as either City or Licensee may designate as its new address for such purpose by notice given to the other in accordance with the provisions of this Section at least ten (10) days prior to the effective date of such change. Any notice hereunder shall be deemed to have been given two (2) days after the date when it is mailed if sent by first class or certified mail, one day after the date it is made if sent by overnight courier, or upon the date personal delivery is made. For convenience of the parties, copies of such notices, demands, consents or approvals may also be given by email message sent to the email addresses set forth in the Basic License Information or such other email addresses as may be provided from time to time; however, neither party may give official or binding notice by facsimile. All other written communications may be by first class U.S. mail, postage prepaid, by email or by facsimile addressed with the contact information set forth in the Basic License Information.

25.2 No Implied Waiver. No failure by City to insist upon the strict performance of any obligation of Licensee under this License or to exercise any right, power or remedy arising out of a

breach thereof, irrespective of the length of time for which such failure continues, no acceptance of any other amounts owing under this License during the continuance of any such breach, and no acceptance of the keys to or possession of the Premises prior to the expiration of the Term by any Agent of City, shall constitute a waiver of such breach or of City's right to demand strict compliance with such term, covenant or condition or operate as a surrender of this License. No express written waiver of any default or the performance of any provision hereof shall affect any other default or performance, or cover any other period of time, other than the default, performance or period of time specified in such express waiver. One or more written waivers of a default or the performance of any provision hereof shall not be deemed to be a waiver of a subsequent default or performance. Any consent by City hereunder shall not relieve Licensee of any obligation to secure the consent of City in any other or future instance under the terms of this License.

25.3 Amendments. Neither this License nor any term or provisions hereof may be changed, waived, discharged or terminated, except by a written instrument signed by both parties hereto.

25.4 Authority. Each of the persons executing this License on behalf of Licensee does hereby covenant and warrant that Licensee is a duly authorized and existing entity, that Licensee has and is qualified to do business in California, that Licensee has full right and authority to enter into this License, and that each and all of the persons signing on behalf of Licensee are authorized to do so. Upon City's request, Licensee shall provide City with evidence reasonably satisfactory to City confirming the foregoing representations and warranties.

25.5 Parties and Their Agents; Approvals.. The words "City" and "Licensee" as used herein shall include the plural as well as the singular. If there is more than one Licensee, the obligations and liabilities under this License imposed on Licensee shall be joint and several. As used herein, the term "Agents" when used with respect to either party shall include the agents, employees, officers, contractors and representatives of such party, and the term "Invitees" when used with respect to Licensee shall include the clients, customers, invitees, guests, licensees, assignees or sublicensees of Licensee. All approvals, consents or other determinations permitted or required by City hereunder shall be made by or through SFMTA unless otherwise provided in this License, subject to Applicable Law.

25.6 Interpretation of License.

25.6.1 The captions preceding the articles and sections of this License and in the table of contents have been inserted for convenience of reference only and such captions shall in no way define or limit the scope or intent of any provision of this License.

25.6.2 This License has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein and shall be interpreted to achieve the intents and purposes of the parties, without any presumption against the party responsible for drafting any part of this License.

25.6.3 Provisions in this License relating to number of days shall be calendar days, unless otherwise specified, provided that if the last day of any period to give notice, reply to a notice or to undertake any other action occurs on a Saturday, Sunday or a bank or City holiday, then the last day for undertaking the action or giving or replying to the notice shall be the next succeeding business day.

25.6.4 Use of the word "including" or similar words shall not be construed to limit any general term, statement or other matter in this License, whether or not language of non-limitation, such as "without limitation" or similar words, are used.

25.6.5 Any capitalized term used herein shall be interpreted in accordance with the definition set forth in this License. If the capitalized term is not defined in this License, it shall be interpreted in accordance with the definition set forth in the Towing Agreement or the Lease.

25.6.6 Any inconsistency between this License, the Towing Agreement, and the Lease with respect to Licensee's performance of its obligations under the Towing Agreement shall be resolved by giving precedence in the following order: (a) the Towing Agreement; (b) the Lease; (c) this License.

25.7 Successors and Assigns. Subject to the provisions of this License relating to Assignment and subletting, the terms, covenants and conditions contained in this License shall bind and inure to the benefit of City and Licensee and, except as otherwise provided herein, their personal representatives and successors and assigns; provided, however, that upon any sale, assignment or transfer by City named herein (or by any subsequent Licensor) of its interest in the Premises as owner or lessee, including any transfer by operation of law, City (or any subsequent Licensor) shall be relieved from all subsequent obligations and liabilities arising under this License subsequent to such sale, assignment or transfer.

25.8 Severability. If any provision of this License or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this License, or the application of such provision to persons, entities or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each other provision of this License shall be valid and be enforceable to the fullest extent permitted by law.

25.9 Governing Law. This License shall be construed and enforced in accordance with the laws of the State of California.

25.10 Entire Agreement. This License, together with all exhibits hereto, which are made a part of this License, and the Towing Agreement, constitute the entire agreement between City and Licensee about the subject matters hereof and may not be modified except by an instrument in writing signed by the party to be charged. In the event of any conflict between the terms of the Towing Agreement and the terms of this License with respect to Licensee's activities and obligations at the Premises, the terms of the License shall control. All prior written or oral negotiations, understandings and agreements are merged herein. The parties further intend that this License shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including prior drafts hereof and changes therefrom) may be introduced in any judicial, administrative or other legal proceeding involving this License. Licensee hereby acknowledges that neither City nor City's Agents have made any representations or warranties with respect to the Premises or this License except as expressly set forth herein, and no rights, easements or licenses are or shall be acquired by Licensee by implication or otherwise unless expressly set forth herein.

25.11 Attorneys' Fees. In the event that either City or Licensee fails to perform any of its obligations under this License or in the event a dispute arises concerning the meaning or interpretation of any provision of this License, the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder (whether or not such action is prosecuted to judgment), including, without limitation, court costs and reasonable attorneys' fees. For purposes of this License, reasonable fees of attorneys of City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

25.12 Holding Over. Should Licensee hold over without City's consent, such holding over shall not be deemed to extend the Term or renew this License, but such term thereafter shall continue as a month-to-month occupancy. Such occupancy shall be on all the terms and conditions set forth in this License; provided that on or before the first day of each month of such month-to-month occupancy, Licensee shall pay to City rent (the "Holdover Fee") equal to the rent paid by City under the Lease for such month, multiplied by a fraction with a numerator of the square footage of the Premises and the denominator of the square footage of the Property. Licensee shall pay the Holdover Fee to City without prior demand and without any deduction, setoff or counterclaim whatsoever.

The Holdover Fee shall be paid by wire transfer to the account designated by City in writing. If the first or last day of such month-to-month occupancy occurs on a day other than the first day of a calendar month, then the Holdover Fee for such fractional month shall be prorated based on a thirty (30) day month.

All other payments shall continue under the terms of this License. In addition, Licensee shall be liable for all damages incurred by City as a result of such holding over. No holding over by Licensee, whether with or without consent of City, shall operate to extend this License except as otherwise expressly provided, and this Section shall not be construed as consent for Licensee to retain possession of the Premises beyond such month to month holdover occupancy. For purposes of this Section, "possession of the Premises" shall continue until, among other things, Licensee has delivered all keys to the Premises to City, has fully vacated the Premises, and completely fulfilled all obligations required of it upon termination of the License as set forth in this License, including, without limitation, those concerning the condition and repair of the Premises.

25.13 Time of Essence. Time is of the essence with respect to all provisions of this License in which a definite time for performance is specified.

25.14 Cumulative Remedies. All rights and remedies of either party hereto set forth in this License shall be cumulative, except as may otherwise be provided herein.

25.17 Relationship of the Parties. City is not, and none of the provisions in this License shall be deemed to render City, a partner in Licensee's business, or joint venturer or member in any joint enterprise with Licensee. Neither party shall act as the agent of the other party in any respect hereunder. This License is not intended nor shall it be construed to create any third party beneficiary rights in any third party, unless otherwise expressly provided.

25.18 Light and Air. Licensee covenants and agrees that no diminution of light, air or view by any structure that may hereafter be erected (whether or not by City) shall result in any liability of City to Licensee or in any other way affect this License or Licensee's obligations hereunder.

(c) Licensee agrees not to allow or suffer a lien for any such taxes to be imposed upon the Premises or upon any equipment or property located thereon without promptly discharging the same, provided that Licensee, if so desiring, may have reasonable opportunity to contest the validity of the same.

25.23 Wages and Working Conditions. Licensee shall comply with the requirements of the First Source Agreement between Licensee and City's First Source Hiring Administration contained in Section 10.9 of the Agreement for Towing and Storage of Abandoned and Illegally Parked Vehicles.

25.31 Sunshine Ordinance. In accordance with Section 67.24(e) of the San Francisco Administrative Code, contracts, Licensees' bids, leases, agreements, responses to Requests for Proposals, and all other records of communications between City and persons or firms seeking contracts will be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract, lease, agreement or other benefit until and unless that person or organization is awarded the contract, lease, agreement or benefit. Information provided which is covered by this Section will be made available to the public upon request.

25.32 Conflicts of Interest. Through its execution of this License, Licensee acknowledges that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which would constitute a violation of said provision, and agrees that if Licensee becomes aware of any such fact during the Term, Licensee shall immediately notify the City.

25.33 Charter Provisions. This License is governed by and subject to the provisions of the Charter of the City and County of San Francisco.

25.34 Prohibition of Cigarette or Tobacco Advertising. Licensee acknowledges and agrees that no advertising of cigarettes or tobacco products is allowed on the Premises. This advertising prohibition includes the placement of the name of a company producing, selling or distributing cigarettes or tobacco products or the name of any cigarette or tobacco product in any promotion of any event or product. This advertising prohibition does not apply to any advertisement sponsored by a state, local, nonprofit or other entity designed to (i) communicate the health hazards of cigarettes and tobacco products, or (ii) encourage people not to smoke or to stop smoking.

25.35 Prohibition of Alcoholic Beverage Advertising. Licensee acknowledges and agrees that no advertising or sale of alcoholic beverages is allowed on the Premises. For purposes of this section, "alcoholic beverage" shall be defined as set forth in California Business and Professions Code Section 23004, and shall not include cleaning solutions, medical supplies and other products and substances not intended for drinking. This advertising prohibition includes the placement of the name of a company producing alcoholic beverages or the name of any alcoholic beverage in any promotion of any event or product.

25.36 Requiring Health Benefits for Covered Employees. Unless exempt, Licensee agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated herein by reference and made a part of this License as though fully set forth. The text of the HCAO is available on the web at <http://www.sfgov.org/olse/hcao>. Capitalized terms used in this Section and not defined in this License shall have the meanings assigned to such terms in Chapter 12Q.

25.36.1 For each Covered Employee, Licensee shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Licensee chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

25.36.2 Notwithstanding the above, if the Licensee is a small business as defined in Section 12Q.3(d) of the HCAO, it shall have no obligation to comply with Subsection 25.36.1 above.

25.36.3 Licensee's failure to comply with the HCAO shall constitute a material breach of this License. City shall notify Licensee if such a breach has occurred. If, within thirty (30) days after receiving City's written notice of a breach of this License for violating the HCAO, Licensee fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty (30) days, Licensee fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in Section 12Q.5(f)(1-5). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

25.36.4 Any Subcontract entered into by Licensee shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Licensee shall notify City when it enters into such a Subcontract and shall certify to the City that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Licensee shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Licensee based on the Subcontractor's failure to comply, provided that City has first provided Licensee with notice and an opportunity to obtain a cure of the violation.

25.36.5 Licensee shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Licensee's compliance or anticipated compliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

25.36.6 Licensee represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

25.36.7 Licensee shall keep itself informed of the current requirements of the HCAO.

25.36.8 Licensee shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Sublicensees, as applicable.

25.36.9 Licensee shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least five (5) business days to respond.

25.36.10 City may conduct random audits of Licensee to ascertain its compliance with HCAO. Licensee agrees to cooperate with City when it conducts such audits.

25.36.11 If Licensee is exempt from the HCAO when this License is executed because its amount is less than Twenty-Five Thousand Dollars (\$25,000), but Licensee later enters into an agreement or agreements that cause Licensee's aggregate amount of all agreements with City to reach Seventy-Five Thousand Dollars (\$75,000), all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the

agreement that causes the cumulative amount of agreements between Licensee and City to be equal to or greater than Seventy-Five Thousand Dollars (\$75,000) in the fiscal year.

25.37 Notification of Limitations on Contributions. Through its execution of this License, Licensee acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing of any land or building to or from the City, whenever such transaction would require approval by a City elective officer, the board on which that City elective officer serves, or a board on which an appointee of that individual serves, from making any campaign contribution to (a) the City elective officer, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six (6) months after the date the contract is approved. Licensee acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Licensee further acknowledges that the prohibition on contributions applies to each Licensee; each member of Licensee's board of directors, and Licensee's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than twenty percent (20%) in Licensee; any subcontractor listed in the contract; and any committee that is sponsored or controlled by Licensee. Additionally, Licensee acknowledges that Licensee must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. Licensee further agrees to provide to City the name of each person, entity or committee described above.

25.38 Preservative-Treated Wood Containing Arsenic. Licensee may not purchase preservative-treated wood products containing arsenic in the performance of this License unless an exemption from the requirements of Environment Code Chapter 13 is obtained from the Department of Environment under Section 1304 of the Environment Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniac copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Licensee may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of Environment. This provision does not preclude Licensee from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

25.39 Resource Efficient City Buildings. Licensee acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Sections 700 to 713 relating to the environmental design and construction of buildings owned or leased by City. Licensee hereby agrees that it shall comply with all applicable provisions of such code sections.

25.40 Food Service Waste Reduction. Licensee agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in the San Francisco Environment Code, Chapter 16, including the remedies provided therein, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this License as though fully set forth herein. This provision is a material term of this License. By entering into this License, Licensee agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine. Without limiting City's other rights and remedies, Licensee agrees that the sum of One Hundred Dollars (\$100.00) liquidated damages for the first breach, Two Hundred Dollars (\$200.00) liquidated damages for the second breach in the same year, and Five Hundred Dollars (\$500.00) liquidated damages for subsequent breaches in the same year is a reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time of the Commencement Date. Such amounts shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Licensee's failure to comply with this provision.

25.41 Criminal History Inquiries for Employment.

25.41.1 Unless exempt, Licensee agrees to comply with and be bound by all of the provisions of San Francisco Administrative Code Chapter 12T (Criminal History in Hiring and Employment Decisions; "Chapter 12 T"), which are hereby incorporated as may be amended from time to time, with respect to applicants and employees of Licensee who would be or are performing work at the Premises.

25.41.2 Licensee shall incorporate by reference the provisions of Chapter 12T in all sublicenses of some or all of the Premises, and shall require all sublicensees to comply with such provisions. Licensee's failure to comply with the obligations in this subsection shall constitute a material breach of the License Agreement.

25.41.3 Licensee and sublicensees shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

25.41.4 Licensee and sublicensees shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection (c) above. Licensee and sublicensees shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

25.41.5 Licensee and sublicensees shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Tenant or subtenant at the Premises, that the Licensee and sublicensees will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

25.41.6 Licensee and sublicensees shall post the notice prepared by the Office of Labor Standards Enforcement ("OLSE"), available on OLSE's website, in a conspicuous place at the Premises and at other workplaces within San Francisco where interviews for job opportunities at the Premises occur. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the Premises or other workplace at which it is posted.

25.41.7 Licensee and sublicensees understand and agree that upon any failure to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T or this Permit, including but not limited to a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of the License Agreement.

25.41.8 If Licensee has any questions about the applicability of Chapter 12T, it may contact the SFMTA for additional information. SFMTA may consult with the Director of the City's Office of Contract Administration who may also grant a waiver, as set forth in Section 12T.8.

25.42 Bottled Drinking Water. Unless exempt, Licensee agrees to comply fully with and be bound by all of the provisions of the San Francisco Bottled Water Ordinance, as set forth in San

Francisco Environment Code Chapter 24, including the administrative fines, remedies, and implementing regulations provided therein, as the same may be amended from time to time. The provisions of Chapter 24 are incorporated herein by reference and made a part of the License as though fully set forth.

25.43 Non-Liability of City Officials, Employees and Agents. No elective or appointive board, commission, member, officer, employee or other Agent of City shall be personally liable to Tenant, its successors and assigns, in the event of any default or breach by City or for any amount which may become due to Tenant, its successors and assigns, or for any obligation of City under this Agreement.

25.44 Drug-Free Workplace. Licensee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Licensee agrees that any violation of this prohibition by Licensee, its Agents or assigns shall be deemed a material breach of this License.

26. COUNTERPARTS. This License may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

27. EFFECTIVE DATE. This License shall be effective as of the Commencement Date.

28. COOPERATIVE DRAFTING. This License has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the License reviewed and revised by legal counsel. No party shall be considered the drafter of this License, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this License.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS LICENSE, LICENSEE ACKNOWLEDGES AND AGREES THAT NO OFFICER OR EMPLOYEE OF CITY HAS AUTHORITY TO COMMIT CITY TO THIS LICENSE UNLESS AND UNTIL THE BOARD OF DIRECTORS OF CITY'S MUNICIPAL TRANSPORTATION AGENCY SHALL HAVE DULY ADOPTED A RESOLUTION APPROVING THE TOWING AMENDMENT AND AUTHORIZING THE TRANSACTIONS CONTEMPLATED IN THIS LICENSE. THEREFORE, ANY OBLIGATIONS OR LIABILITIES OF CITY HEREUNDER ARE CONTINGENT UPON ADOPTION OF SUCH A RESOLUTION, AND THIS LICENSE SHALL BE NULL AND VOID IF THE BOARD OF DIRECTORS OF CITY'S MUNICIPAL TRANSPORTATION AGENCY DO NOT APPROVE THE TOWING AMENDMENT AND THIS LICENSE IN ITS RESPECTIVE SOLE DISCRETION. APPROVAL OF THIS LICENSE BY ANY DEPARTMENT, COMMISSION OR AGENCY OF CITY SHALL NOT BE DEEMED TO IMPLY THAT SUCH RESOLUTION WILL BE ENACTED, NOR WILL ANY SUCH APPROVAL CREATE ANY BINDING OBLIGATIONS ON CITY.
