Angela Calvillo, Clerk of the Board
Board of Supervisors
1 Dr. Carlton B. Goodlett Place, Room 244
San Francisco, CA 94102

Dear Ms. Calvillo:

Attached please find an original single-sided and two single-sided, black and white copies of the proposed resolution for the Board of Supervisors approval which would adopt the San Francisco Mental Health Services Act (MHSA) FY2022-2023 Annual Update.

The Mental Health Services Act was passed in 2004 through a ballot initiative (Proposition 63) and provided funding to support new and expanded county mental health programs. San Francisco's MHSA FY2022-2023 Annual Update provides FY2020-2021 outcomes and implementation updates for FY2022-2023. This report is an update to the San Francisco Board of Supervisor's approved FY2020-2023 Three Year Program and Expenditure Plan. The MHSA FY2022-2023 Annual Update was developed with community and stakeholder input, posted for 30-day public comment, and heard at a Public Hearing at the San Francisco Behavioral Health Commission, as required by the State to access MHSA funding. State legislation AB-1467 (2011-2012) also requires adoption of the MHSA Annual Update by the County Board of Supervisors prior to submission to the State Mental Health Services and Oversight Accountability Commission.

The following is a list of accompanying documents:

- AB-1467 (2011-2012)
- The San Francisco MHSA FY2022-2023 Annual Update

Should you have any questions, please contact Tracey Helton, Acting Director of Mental Health Services Act. Ms. Helton can be reached at Tracey.Helton@sfdph.org.

Thank you for your time and consideration.

Sincerely,
