EXECUTIVE SUMMARY

Legislative Objectives

• The proposed resolution sets the property tax rate for FY 2022-23 for taxing entities within San Francisco including (a) the City; (b) the San Francisco Unified School District; (c) the San Francisco County Office of Education; (d) the San Francisco Community College District; (e) BART; and (f) the Bay Area Air Quality Management District (BAAQMD).

Key Points

- The Board of Supervisors annually sets the combined property tax rate that provides revenues for: (1) general operations, (2) specific Charter-required activities for the City such as services for children, open space, or the public library; and (3) paying debt service on voter-approved General Obligation bonds that were issued by the City, the San Francisco Unified School District (SFUSD), the San Francisco Community College District (SFCCD), and the Bay Area Rapid Transit District (BART).
- The proposed resolution also would set the property tax pass-through rate that landlords can pass through to tenants in FY 2022-23, as allowed under the Administrative Code.

Fiscal Impact

- The proposed resolution would set the combined property tax rate (comprised of the property tax rates levied for all of the taxing jurisdictions within the City) for FY 2022-23 at \$1.17973782 per \$100 of assessed value. The FY 2022-23 property tax rate of \$1.17973782 is \$0.00274717, or 0.23 percent less, than the FY 2021-22 property tax rate of \$1.18248499 per \$100 of assessed value.
- The proposed FY 2022-23 property tax rate would increase property taxes by \$135.66 on a
 median valued single family home. Although the property tax rate decreased this year, the
 allowable two percent increase in the assessed value of a median valued home offsets the
 property tax rate decrease.
- The FY 2022-23 General Fund share of property tax revenue is budgeted at \$2,379.5 million, which is \$263.9 million, or 12.5 percent, more than the FY 2021-22 budget.

Recommendation

Approve the proposed resolution.

MANDATE STATEMENTS

California Revenue and Taxation Code Section 2151 requires the Board of Supervisors to fix the rates of county and district property taxes and to levy the property taxes for the County and Districts.

San Francisco Administrative Code Section 3.3(m) requires the Board of Supervisors to adopt the property tax rate for the City and County of San Francisco by September 30.

City Charter Section 16.107-109 requires that portions of the City's annual property tax levy by set aside for specific uses including \$0.0250 for the Library Preservation Fund; \$0.0400 for the Children's Fund; and \$0.0250 for the Open Space Acquisition Fund per \$100 of assessed value.

San Francisco Administrative Code Section 37.3(a)(6)(A-D), the Residential Rent Stabilization and Arbitration Ordinance allows landlords to pass through to tenants a portion of property tax increases that result from certain voter-approved General Obligation bonds.

BACKGROUND

The Board of Supervisors annually sets the combined property tax rate that provides revenues for affected taxing entities': (1) General Operations, (2) specific Charter-required activities for the City and County of San Francisco such as services for children, acquiring open space, or constructing, maintaining and operating the public library; and (3) paying debt service on voter-approved General Obligation bonds that were issued by the City, the San Francisco Unified School District (SFUSD), the San Francisco Community College District (SFCCD), and the Bay Area Rapid Transit District (BART).

Under the California Constitution Article XIII(A), the base property tax rate that the City can levy on property owners is one percent and can be used for general purposes. Any amount over the base one percent is used to pay for debt service on voter-approved General Obligation bonds.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution sets the property tax rate for FY 2022-23 for taxing entities¹ within the City and County of San Francisco including (a) the City; (b) the San Francisco Unified School District; (c) the San Francisco County Office of Education; (d) the San Francisco Community College District; (e) BART; and (f) the Bay Area Air Quality Management District (BAAQMD).

The proposed resolution would also set the property tax pass-through rate that landlords can pass-through to tenants in FY 2022-23, as allowed in Chapter 37.3 of the City Administrative Code. The pass through to tenants may only be imposed on a tenant's anniversary date and does

FISCAL IMPACT

The proposed resolution would set the combined property tax rate for FY 2022-23 at \$1.17973782 per \$100 of assessed value. The FY 2022-23 property tax rate of \$1.17973782 is \$0.00274717, or 0.23 percent less than the FY 2021-22 property tax rate of \$1.18248499 per \$100 of assessed value. Tenant Pass-Through Tax Rate

The proposed resolution would set the allowable property tax rate that landlords can pass through to tenants at \$0.0713 per \$100 of assessed value (or 7.13 cents per \$100 of assessed value). The FY 2022-23 pass-through rate is \$0.0041 less than the FY 2021-22 rate of \$0.0754. Residential tenants may file a financial hardship application with the Rent Board to request a portion of the FY 2022-23 pass-through be waived under Section 37.3(a)(6)(E) of the Administrative Code. In such cases, the Rent Board may waive the pass-through amount up to \$0.0079 per \$100 of assessed value, or 0.79 cents per \$100 of assessed value.

Impact of the Combined Property Tax Rate and Allowable Pass-Through

Under Proposition 13, the City may annually increase the assessed value of a property by a Statedetermined inflation factor or 2.00 percent, whichever is less. For FY 2022-23, the California Consumer Price Index (CCPI) adjustment authorized by the State Board of Equalization is 2.00 percent.² The median assessed value of a single-family residence increased from \$649,818 in FY 2021-22 to \$662,814 in FY 2022-23, as shown in Exhibit 3 below; the taxable assessed value on that same home, with the homeowner's exemption, would be \$655,814 in FY 2022-23.

Source: Controller's Office

Note: Total may not add up due to rounding.

As shown above, the proposed FY 2022-23 property tax rate of \$1.17973782 per \$100 of assessed value would increase property taxes by \$135.66 on a single-family residence with an assessed value of \$662,814 in FY 2022-23 and decrease the allowable pass-through to tenants by \$17. Although the property tax rate decreased this year, the allowable two percent increase in the assessed value of a median valued home offsets the property tax rate decrease.

The FY 2022-23 General Fund share of property tax revenue is budgeted at \$2,379.5 million, which is \$263.9 million, or 12.5 percent, more than the \$2,115.6 million in the FY 2021-22 budget.

RECOMMENDATION

Approve the proposed resolution.

² The allowable inflation factor is based on the California Consumer Price Index, which uses a population weighted average equation that combines Los Angeles, San Francisco, San Diego, and Riverside Metropolitan Statistical Areas' consumer price index values.

The Honorable London Breed Mayor, City and County of San Francisco City Hall, Room 200 1 Dr. Carlton B. Goodlett Place San Francisco, CA 94102 The Honorable Board of Supervisors City and County of San Francisco City Hall, Room 244 1 Dr. Carlton B. Goodlett Place San Francisco, CA 94102

Dear Ladies and Gentlemen:

I am submitting herewith an annual resolution which formally adopts those portions of the property tax rate for fiscal year 2022-2023 which the City and County of San Francisco (CCSF) administers. The Bay Area Rapid Transit District (BART) also adopts a debt service tax rate factor for their combined three county service areas. The rate shown below includes the BART's debt service tax rate factor adopted by their Board on August 25, 2022. The composite property tax rate for fiscal year 2022-2023 is \$1.17973782 for each \$100 of assessed value. The CCSF property tax rate factor for this fiscal year's general obligation bond debt service remains below the CCSF Capital Plan's designated cap of \$0.12012547, established in FY 2005-2006. The respective tax rates by accruing entity are as follows:

	Tax Rate Resolution
San Francisco Community College District (SFCCD)	\$0.03040415 ¹
(includes 0.01595993 debt service)	
San Francisco Unified School District (SFUSD)	0.11914883 ¹
(includes 0.04216026 debt service)	
CCSF - General Fund	0.80918319 ¹
CCSF - Library Preservation Fund	0.02500000
CCSF - Children's Fund	0.04000000
CCSF - Open Space Fund	0.02500000
CCSF - General Obligation Bond Debt Service	0.10761763
San Francisco County Office of Education (SFCOE)	0.00097335 ¹
Bay Area Air Quality Management District	0.00208539
Bay Area Rapid Transit District (BART)	0.02032528
(includes 0.01400000 debt service)	
Total Combined Tax Rate	<u>\$1.17973782</u>

¹ Tax rate factors listed represent apportionments prior to State-mandated tax shifts of local property tax revenues into and out of the Educational Revenue Augmentation Fund (ERAF).

State law requires a shift of \$0.25330113 of the CCSF General Fund's \$0.80918319 apportionment into the CCSF's Educational Revenue Augmentation Fund (ERAF). After the State-mandated shift to ERAF,

the CCSF General Fund's allocation factor is reduced to \$0.55588206 for each \$100 of assessed value. State law further prescribes how ERAF revenues are allocated among SFCCD, SFUSD, SFCOE, and CCSF.

The property tax rate reflects anticipated debt service requirements pertaining to voter-approved general obligation bonds. Attachment A is a Property Tax Rate History table for the City and County beginning in fiscal year 2001-2002. Attachment B provides the anticipated fiscal year 2022-2023 general obligation bond debt service schedule (principal and interest) relevant to the property tax rate calculations.

For fiscal year 2022-2023, the pass-through rate for residential tenants is \$0.0713 per \$100 of assessed value, or 7.13 cents per \$100 of assessed value. The pass-through rate is comprised of 3 factors as outlined in Chapter 37.3 of the San Francisco Administrative Code: 1) 100% of the City's general obligation bonds approved by voters between November 1, 1996 and November 30, 1998; 2) 50% of the City's general obligation bonds approved by voters after November 14, 2002; and 3) 50% of the San Francisco Unified School District or San Francisco Community College District's general obligation bonds approved by voters after November 1, 2006. Residential tenants may be eligible for relief from the property tax pass-through under Section 37.3(a)(6)(E) of the Administrative Code at a rate of \$0.0079 per \$100 of assessed value, or 0.79 cents per \$100 of assessed value.

Except for a consumer price index adjustment which is capped at the lesser of inflation or 2.00% under Proposition 13, individual assessments increase only when property is sold, transferred, or otherwise improved. For fiscal year 2022-2023, the consumer price index adjustment authorized by the State is 2.00%. The median assessed valuation for a single-family residential parcel at the beginning of fiscal year 2021-2022 in San Francisco was \$649,818. As shown in Attachment C, the combination of a tax rate of \$1.17973782 for each \$100 of assessed value and the 2.00% consumer price index adjustment that increases the assessed value of the example residence from \$649,818 in fiscal year 2021-2022 to \$662,814 in fiscal year 2022-2023 results in an approximate \$135.66 ad valorem property tax increase year-over-year (see attachment C for calculation).

Sincerely,

Ben Rosenfield Controller
