(See Rehabilitation Plan, Exhibit A.) Owners' application calls for the maintenance of the Historic Property according to established preservation standards, which is estimated will cost approximately one thousand two hundred and fifty dollars (\$1,250) annually (See Maintenance Plan, Exhibit B).

The State of California has adopted the "Mills Act" (California Government Code Sections 50280-50290, and California Revenue & Taxation Code, Article 1.9 [Section 439 et seq.]) authorizing local governments to enter into agreements with property Owners to reduce their property taxes, or to prevent increases in their property taxes, in return for improvement to and maintenance of historic properties. The City has adopted enabling legislation, San Francisco Administrative Code Chapter 71, authorizing it to participate in the Mills Act program.

Owners desire to enter into a Mills Act Agreement (also referred to as a "Historic Property Agreement") with the City to help mitigate its anticipated expenditures to restore and maintain the Historic Property. The City is willing to enter into such Agreement to mitigate these expenditures and to induce Owners to restore and maintain the Historic Property in excellent condition in the future.

NOW, THEREFORE, in consideration of the mutual obligations, covenants, and conditions contained herein, the parties hereto do agree as follows:

1. <u>Application of Mills Act.</u> The benefits, privileges, restrictions and obligations provided for in the Mills Act shall be applied to the Historic Property during the time that this Agreement is in effect commencing from the date of recordation of this Agreement.

The Owners shall proceed diligently in applying for any necessary permits for the work and shall apply for such permits not less than six (6) months after recordation of this Agreement, shall commence the work within six (6) months of receipt of necessary permits, and shall complete the work within three (3) years from the date of receipt of permits. Upon written request by the Owners, the Zoning Administrator, at his or her discretion, may grant an extension of the time periods set forth in this paragraph. Owners may apply for an extension by a letter to the Zoning Administrator, and the Zoning Administrator may grant the extension by letter without a hearing. Work shall be deemed complete when the Director of Planning determines that the Historic Property has been rehabilitated in accordance with the standards set forth in this Paragraph. Failure to timely complete the work shall result in cancellation of this Agreement as set forth in Paragraphs 13 and 14 herein.
- 3. <u>Maintenance</u>: Owners shall maintain the Historic Property during the time this Agreement is in effect in accordance with the standards for maintenance set forth in Exhibit B ("Maintenance Plan"), the Secretary's Standards; the OHP Rules and Regulations; the State Historical Building Code as determined applicable by the City; all applicable building safety standards; and the requirements of the Historic Preservation Commission, the Planning Commission, and the Board of Supervisors, including but not limited to any Certificates of Appropriateness approved under Planning Code Article 10.
- Damage. Should the Historic Property incur damage from any cause whatsoever, which damages fifty percent (50%) or less of the Historic Property, Owners shall replace and repair the damaged area(s) of the Historic Property. For repairs that do not require a permit, Owners shall commence the repair work within thirty (30) days of incurring the damage and shall diligently prosecute the repair to completion within a reasonable period of time, as determined by the City. Where specialized services are required due to the nature of the work and the historic character of the features damaged, "commence the repair work" within the meaning of this paragraph may include contracting for repair services. Owners may apply for an extension by a letter to the Zoning Administrator, and the Zoning Administrator may grant the extension by letter without a hearing. All repair work shall comply with the design and standards established for the Historic Property in Exhibits A and B attached hereto and Paragraph 3 herein. In the case of damage to twenty percent (20%) or more of the Historic Property due to a catastrophic event, such as an earthquake, or in the case of damage from any cause whatsoever that destroys more than fifty percent (50%) of the Historic Property, the City and Owners may mutually agree to terminate this Agreement. Upon such termination, Owners shall not be obligated to pay the cancellation fee set forth in Paragraph 14 of this Agreement. Such reassessment of the property taxes for the Historic Property shall be effective and payable six (6) months from the date of Termination.
- 10. Notice of Nonrenewal. Upon receipt by the Owners of a notice of nonrenewal from the City, Owners may make a written protest. At any time prior to the renewal date, City may withdraw its notice of nonrenewal. If in any year after the expiration of the Initial Term of the Agreement, either party serves notice of nonrenewal of this Agreement, this Agreement shall remain in effect for the balance of the period remaining since the execution of the last renewal of the Agreement.

An event of default shall result in cancellation of this Agreement as set forth in Paragraphs 13 and 14 herein and payment of the cancellation fee and all property taxes due upon the Assessor's determination of the full value of the Historic Property as set forth in Paragraph 14 herein. In order to determine whether an event of default has occurred, the Board of Supervisors shall conduct a public hearing as set forth in Paragraph 13 herein prior to cancellation of this Agreement.

If the Owners do not correct the breach, or if it does not undertake and diligently pursue corrective action, to the reasonable satisfaction of the City within thirty (30) days from the date of receipt of the notice, then the City may, without further notice, initiate default procedures under this Agreement as set forth in Paragraph 13 and bring any action necessary to enforce the obligations of the Owners set forth in this Agreement. The City does not waive any claim of default by the Owners if it does not enforce or cancel this Agreement.

In addition to Owners obligation to indemnify City, Owners specifically acknowledge and agree that they have an immediate and independent obligation to defend City from any claim that actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false, or fraudulent, which obligation arises at the time such claim is tendered to Owners by City, and continues at all times thereafter. The Owners' obligations under this Paragraph shall survive termination of this Agreement.
- 17. <u>Eminent Domain.</u> In the event that a public agency acquires the Historic Property in whole or part by eminent domain or other similar action, this Agreement shall be cancelled and no cancellation fee imposed as provided by Government Code Section 50288.
- 18. <u>Binding on Successors and Assigns.</u> The covenants, benefits, restrictions, and obligations contained in this Agreement shall be deemed to run with the land and shall be binding upon and inure to the benefit of all successors and assigns in interest of the Owners.

Reasonable attorneys fees of the City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.
- 20. <u>Governing Law.</u> This Agreement shall be construed and enforced in accordance with the laws of the State of California.

- 23. <u>No Implied Waiver.</u> No failure by the City to insist on the strict performance of any obligation of the Owners under this Agreement or to exercise any right, power, or remedy arising out of a breach hereof shall constitute a waiver of such breach or of the City's right to demand strict compliance with any terms of this Agreement.
- 24. <u>Authority.</u> If the Owners sign as a corporation or a partnership, each of the persons executing this Agreement on behalf of the Owners does hereby covenant and warrant that such

SCOPE #5

Rehab/Restoration ✓ Proposed ✓

Contract Year Work Completion: 2018

Total Cost (rounded to the nearest dollar): \$21,450

Description of Work

Repaint exterior. Prior to painting, any loose and flaking paint will be thoroughly removed. The new exterior paint will be applied using 1 primer coat and 2 finish coats to ensure the greatest longevity of the finished surfaces.

Once the house has been repainted, we will inspect the wooden elements of the façade approximately every 3 years and repaint as necessary. If any damage or deterioration is found, the extent and nature of the damage will be assessed. Any needed repairs will avoid altering, removing or obscuring character-defining features of the building. If any elements are determined to be damaged or deteriorated beyond repair, replacements will be made in kind with new wood elements to match the historic building material.

Board File No. [Pending]

Historic Preservation Commission Recommendation: Approval

Dear Ms. Calvillo,

On July 20, 2022, the Historic Planning Commission conducted a duly noticed public hearing at a regularly scheduled meeting to consider Non-Renewal of Mills Act Historical Property Contract for 621 Waller Street. At the hearing, the Historic Preservation Commission recommended to approve the proposed Resolution.

Enacted in 1972, the Mills Act legislation allows local jurisdictions such as San Francisco to enter into contracts with owners of qualified historic properties who actively participate in the restoration and maintenance of their historic properties while receiving property tax relief. Property owners who participate in the program adhere to a schedule of maintenance, repairs and upkeep on their historic property for the duration of the contract. In exchange, the property owner is entitled to an alternate evaluation of the property for tax purposes, which usually results in a reduced property tax bill.

Under the State Law and Chapter 71 of the San Francisco Administrative Code, a Mills Act Contract is a ten-year rolling contract. As such one year is added automatically to the initial term of the Contract at the anniversary date of the Contract, unless notice of non-renewal is given. If the property owners desire not to renew the Contract, they must serve written notice to the City at least ninety (90) days prior to the date of renewal. If the City desires not to renew the Contract, the City must serve written notice to the property owners sixty (60) days prior to the date of renewal.

Please find attached documents relating to the actions of the Commission. If you have any questions or require further information, please do not hesitate to contact me.

Certificate of Appropriateness Recommendation: Approve with Conditions

Property Description

621 Waller Street is located on the south side of Waller Street between Carmelita Street and Pierce Street (Assessor's Block 0864; Lot 023). The subject building is a contributor to the Duboce Park Landmark District, locally designated under Article 10, Appendix N of the Planning Code.

The 3 ½ story, single-family residence was built c.1900 in the Queen Anne style. The wood-framed building has front facing gable roof, entry staircase and porch with decorative railings, and clad in a mix of wood siding, shingles, and panels.

621 Waller Street has a Mills Act Historical Property Contract. The property owner recorded the Contract with the San Francisco Assessor-Recorder on December 19, 2014.

Project Description

The proposed Certificate of Appropriateness project is to abate Planning Enforcement Case No. 2020-008528ENF. The project scope includes legalization of work performed without benefit of a permit including reconstruction of front entry wood stairs, repair and reconstruction of front decorative railings, re-roofing, and the addition of four new skylights. Additional unpermitted work proposed for legalization includes alterations to the rear of the building such as repair/restoration of the wood siding, removal of window openings, new window and door openings, new fencing, and a new rear platform/deck. Proposed new work will include site grading and drainage improvements at front of property, window repairs, and the removal of two skylights added without permits. Please see photographs and plans for details.

Compliance With Planning Code

PLANNING CODE DEVELOPMENT STANDARDS.

The proposed project is in compliance with all other provisions of the Planning Code.

In order to proceed, a building permit from the Department of Building Inspection is required.

APPLICABLE PRESERVATION STANDARDS.

The proposal overall, is appropriate for and consistent with the purposes of Article 10, meets the standards of Article 1006.6 of the Planning Code, and complies with the Secretary of the Interior's Standards for Rehabilitation, in that:

- the proposal respects the character-defining features of the subject building;
- the architectural character of the subject building will be maintained and that replacement elements will not affect the building's overall appearance;
- the integrity of distinctive stylistic features and examples of skilled craftsmanship that characterize the building shall be preserved; and,
- all new materials shall match the historic material in composition, design, color, texture, finish and other visual qualities and shall be based on accurate duplication of features.

The Department has determined that the proposed work will be in conformance with the requirements of Article 10 and the *Secretary of Interior's Standards for Rehabilitation*. Proposed work will not damage or destroy distinguishing original qualities or character of the subject building. The overall proposal includes restoration of exterior stairs and railing, repair of front facing windows, to match existing in size, design, profile, color, texture, and finish of visible features. The proposal also includes replacement of the roof and removal of two skylights

visible from the public right of way and non-visible alterations to the rear of the property. The Department finds that the historic character of the building will be retained and preserved and will not result in the removal of historic fabric.

Public/Neighborhood Input

The Department has not received any public feedback about the proposed project.

Issues & Other Considerations

Enforcement:

On September 9, 2020, Planning Department Enforcement Staff opened Enforcement Case No. 2020-008528ENF to legalize unpermitted work and review proposed work as outlined in Planning Case No. 2020-006466PRJ/COA and Building Permit Application No. 202010035800.

Mills Act:

Enacted in 1972, the Mills Act legislation allows local jurisdictions such as San Francisco to enter into contracts with owners of qualified historic properties who actively participate in the restoration and maintenance of their historic properties while receiving property tax relief. Property owners who participate in the program adhere to a schedule of maintenance repairs and upkeep on their historic property for the duration of the contract. In exchange, the property owner is entitled to an alternate evaluation of the property for tax purposes, which usually results in a reduced property tax bill.

In 2014 the property owner of 621 Waller Street recorded a Mills Act Historical Property Contract and Rehabilitation Plan with specific scopes of work scheduled for completion between 2014 and 2020. The property owner has not legally completed any of the six Rehabilitation scope items as required under the Mills Act contract. Specifically, the property owner completed or partially completed four scope items without permits, partially completed one scope item that does not require a permit (painting), and has not completed the remaining scope item. The proposed project (Planning Case No. 2020-006466COA) will both legalize unpermitted work and fulfill most commitments of the Mills Act Contract's Rehabilitation Plan.

The table below summarizes the property's Rehabilitation Scope Items and their status. Please see also Exhibit F: Mills Act Property Contract, Including Rehabilitation and Maintenance Plans.

Rehabilitation Scope Item Number and Description per the Mills Act Contract ¹	Scheduled Year per Contract	Current Status	Scope to be addressed per 2020- 006466COA

4. Waterproofing exterior at south elevation; repair or reconstruction of rear balconies	2014	Waterproofing and siding replacement completed without permit. Balconies to be completed under Building Permit App. No. 201312305216	 Legalization of waterproofing of exterior. Complete Existing BPA per Condition of Approval #5.

7. Repair or replace roof	2020	Roof replaced without permit.	Legalization of work completed.

Certificate of Appropriateness Conditions of Approval

The proposed Conditions of Approvals are consistent with management of Enforcement cases, including, timeliness and oversight. Recommendations also ensure that Mills Act-related work will be completed within a reasonable time period.

 $^{^{\}rm 1}\,\text{Scope}$ Item No.'s 6 and 8 are on-going Maintenance items performed on a regular basis.

Environmental Review Status

The Project is exempt from the California Environmental Quality Act ("CEQA") as a Class 1 categorical exemption.

Certificate of Appropriateness - Basis for Recommendation

The Department recommends approval WITH CONDITIONS of the proposed project as it meets the provisions of Article 10 of the Planning Code regarding Major Alteration to a contributing resource in a Landmark District and the Secretary of the Interior Standards for Rehabilitation.

Additional Items for Consideration - Non-Renewal of Mills Act Historical Property Contract

Under the State Law and Chapter 71 of the San Francisco Administrative Code, a Mills Act Contract is a ten-year rolling contract. As such one year is added automatically to the initial term of the Contract at the anniversary date of the Contract, unless notice of non-renewal is given. If a Contract is not renewed, scopes of work detailed in the Rehabilitation/Restoration and Maintenance plans must still be completed according to the schedule stated in each plan.

The Contract allows either the property owners or the City to not renew the Contract in advance of the annual renewal date. If the property owners desire not renew the Contract, they must serve written notice to the City at least ninety (90) days prior to the date of renewal. If the City desires not to renew the Contract, the City must serve written notice to the property owners sixty (60) days prior to the date of renewal. If written notice is not served prior to the renewal date, one year will be automatically added to the term of the Contract. The Board of Supervisors will make the City's determination that the Contract will not be renewed by either party.

The Department recommends that the Commission adopting findings recommending to the Board of Supervisors non-renewal of the Mills Act Historical Property Contract for 621 Waller Street.

Basis for Recommendation

At the hearing on March 16, 2022, the Commission expressed interest in limiting the Contract for 621 Waller Street to a term of ten years in order to better achieve a balance between the benefits of the Mills Act and the costs to the City.
