Ruler (pending)

Honorable Supervisors,

The Rules Committee will act tomorrow on recommendations for the re-appointments to the Historic Preservation Committee and one new appointment, and the full Board will hear the cases on Tuesday.

I am writing in support of the reappointments of Commissioners Andrew Wolfram and Karl Hasz but would like to urge you to reject the appointment of Richard Johns who does not fulfill the requirement of being a professional historian and thus does not seem to qualify. While Mr. Johns professional qualifications as a lawyer and as a volunteer serving as the president of the SFMHS are impressive they do not coincide with the qualification of a professional historian. Compliance with the requirements of Proposition J are necessary to maintain the status of the City and County of San Francisco as a Certified Local Government and its eligibility for grants.

Please consider re-appointing James Buckley Ph.D. or appointing Professor Robert Cerny Ph.D. for seat four on the Historic Preservation Commission. Both are highly qualified historians with a strong background in San Francisco history.

Thank you for your consideration!

Sincerely,

Inge Horton

Charter Amendment, Prop. J, November 4, 2008 election.
--

Board Qualifications:

Proposition J, on the November 4, 2008 ballot, amended the Charter to create an independent Historic Preservation Commission, which shall advise the City on historic preservation matters, participate in processes that involve historic or cultural resources, and take such other actions concerning historic preservation as may be prescribed by ordinance. The proposed Charter amendment would end the service of all current members of the Landmarks Preservation Advisory Board as of December 31, 2008. The Commission shall have the authority to recommend approval, disapproval, or modification of landmark designations and historic district designations under the Planning Code to the Board of Supervisors. The Planning Commission would have 45 days to comment on the HPC recommendation regarding landmarks designations and provide comments to the Board of Supervisors.
--

Certain matters of the Board of Supervisors would be required to be referred to the HPC prior to passage by the Board of Supervisors, including ordinances and resolutions concerning historic preservation issues of historic resources, redevelopment project plans and waterfront plans.

The Historic Preservation Commission shall consist of seven members nominated by the Mayor and subject to approval by a majority of the Board of Supervisors. The original appointments shall have four members with four-year terms and three members with two-year terms as follows: the odd-numbered seats shall be for 4-year terms and the even-numbered seats shall be for 2-year terms. After the expiration of the original terms, all appointments shall be four-year terms, provided however, that a member may holdover until a successor has been nominated by the Mayor and approved by the Board of Supervisors. There shall be no limit on the number of terms a member may serve.
